47. Citizen Petition – 2/3 Vote Threshold for Non-Municipal CPC Projects 47

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions:

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a non-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Select Board. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless its substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply
PRIVILEGED MOTIONS					
1. To dissolve	no	yes	no	majority	none
2. To adjourn	no	yes	limited	majority	amend

18. Suspend the Rules	Mr. Moderator, I move to suspend the rules which interfere with...
19. Take from the Table	Mr. Moderator, I move to take from the table the motion relating to...

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other "point of order" is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

VOTING

At the Moderator's discretion, voting may be via electronic devices for some or all of the articles. Instructions and procedures will be made available for all voters attending Town Meeting. If electronic voting is not employed, voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o'clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

TOWN WARRANT
COMMONWEALTH OF MASSACHUSETTS

ANNUAL TOWN MEETING

Worcester, ss. March 4, 2024

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet in the Trottier School Auditorium, 49 Parkerville Road, in Southborough, MA, on

Saturday, March 23, 2024

at ***10:00 a.m.***, then and there to take action on the following Articles:

ARTICLE 1: To see if the Town will vote to endorse the acceptance of any sum of money from St. Mark's School, Fay School, Harvard Medical School, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in the Town's treasury for use as directed by any such donor, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *To allow the Select Board to accept donations from Tax Exempt organizations and determine the disposition of funds.*

ARTICLE 2: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Select Board, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2024 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article allows the Town Treasurer to short-term borrow in anticipation of revenue.*

ARTICLE 3: To see if the Town will vote in accordance with the provisions of Massachusetts General Laws Chapter 30B, Section 12(b), to authorize the Select Board or the Superintendent of Schools to solicit and award contracts for terms exceeding three years, but no longer than seven years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Select Board or the School Committee, as appropriate, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Board Recommendation: Support
Summary: *This article allows the Select Board and/or the School Committee to enter into contracts in excess of three years, if deemed in the best interest of the Town to do so. This has been an annual article, and the exemption has been limited to contracts of no more than seven years.*

ARTICLE 4: To see if the Town will vote to accept the Personnel Salary Administration Plan, as specified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL.

PERSONNEL BYLAW
ENTITLED "THE SALARY ADMINISTRATION PLAN"
[revised at March 23, 2024 Annual Town Meeting]

Effective July 1, 2024, this bylaw establishes a Salary Administration Plan for the Town of Southborough that (i) groups position classifications in Town services, (ii) establishes salary schedules and employee benefits and (iii) establishes and authorizes the Personnel Board to administer the bylaw to provide oversight and guidance to the Town Administrator in the development and maintenance of personnel policies and regulations, and to represent the interest of both the taxpayers and the Town employees.

This Salary Administration Plan applies to the positions of all officers and employees in the service of the Town, whether full-time, part-time, temporary, seasonal, special or any other, except those positions filled by popular election, under the direction and control of the School Committee, performed pursuant to a contract approved by the Town, encompassed in any officially recognized labor union and/or association, or exempted by statute. The positions covered by this Salary Administration Plan are hereby classified by titles in the groups listed in Schedule A through E ("Classification Schedule") as set forth in Section 20 of this bylaw.

The classification of positions subject to the Massachusetts Welfare Compensation Plan (as amended) and the scheduled rates therefor, as well as the applicable provisions of the Massachusetts General Laws relating to the application of rates set forth in the aforementioned Welfare Compensation Plan are hereby incorporated by reference.

SECTION 1. DEFINITIONS

As used in this bylaw, the following words and phrases shall have the following meanings:

"Administrative Authority" means the elected or appointed official or board having jurisdiction over a function or activity.

"Base Pay" means the compensation paid by the Town of Southborough for the purposes of determining retirement credits and contributions for Town employees.

The Town shall contribute funds as required for each eligible employee in accordance with the procedures and formula established by the Worcester Regional Retirement System and the bylaws of the Town of Southborough. Contributions shall include (i) wages earned during the first eight hours worked in any one day (no contributions shall be made for hours worked in excess of 40 per week,) (ii) any lump sum bonus that is guaranteed by the Salary Administration Plan or the Bylaws of the Town, (e.g., longevity pay); (iii) vacation pay, except when paid in lieu of taking vacation; (iv) sick pay; and (v) holiday pay.

"Class" means a group of positions in the Town service sufficiently similar with respect to duties and responsibilities such that for each position the same (i) descriptive title may be used, (ii) qualifications shall be required, (iii) tests of fitness may be used to choose qualified employees and (iv) scale of compensation can be equitably applied.

"Classification Schedule" means any of Schedules A, B, C, D and E of Section 20 hereof.

"Compensation Grade" means a range of salary/wage rates as may appear in the Classification Schedules.

"Continuous Full-Time Service" means employment requiring a predetermined minimum work period that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Continuous Employment" means full-time or part-time employment that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Department" means a functional unit of Town government.

"Department Head" means the person appointed and responsible to carry out the duties of a Department.

"Exempt employee" means an employee who is not entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"Full-Time Employment" means employment for not less than 20 hours per week for fifty-two weeks per annum, excepting authorized holidays and leave periods.

"Group" means a group of classes as may appear in the Classification Schedules.

"Maximum Rate" means the highest compensation rate to which an Employee is entitled.

"Minimum Rate" means the lowest rate in a Range, and is normally the hiring rate of a new employee.

"Non-exempt employee" means an employee who is entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"On-Call Compensation" refers to additional money paid to an employee who is available to work when the need requires oftentimes in an evening or weekend capacity.

"Part-Time Employment" means employment less than 20 hours per week.

"Position" means an office or post of employment in the Town service with duties and responsibilities calling for the Full-Time or Part-Time employment of one person in the performance and exercise thereof (or of more than one person sharing the same position).

"Position Class" means the same as "Class" (note that a class may include only one position, in which event it is defined as a "single position class").

"Probationary Employee" means a first-time Town employee within his/her first six months of employment, or longer if extended.

"Promotion" means a change from one position to another position in a higher class and/or compensation grade.

"Range" means the difference between minimum and maximum rates of an assigned grade.

"Rate" means the measure of compensation for personal services on an hourly, weekly, monthly, annual or other basis.

"Salary Administration Plan" means the Personnel Bylaw Entitled "The Salary Administration Plan."

"Single Rate" means a rate for a specific position class that is not in a designated range

"Start Date" means the first day of employment with the Town.

SECTION 2. POSITION TITLES

No person shall be appointed, employed or paid in any position under any title other than those of the Classification Schedule for which the duties are actually performed. The position title in the Classification Schedule shall be the official title for all purposes, including payrolls, budgeting and official reports.

SECTION 3. NEW OR CHANGED POSITIONS

No new position shall be established, nor the duties of an existing position so changed that a new level or work demand exists, unless upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall (a) approve an appropriate job description, (b) rate such new or changed position, and (c) allocate it to its appropriate classification grade and establish the rate thereof.

SECTION 4. RECLASSIFICATION OF EMPLOYEES

No position may be reclassified to another grade, whether higher or lower, unless the Personnel Board shall have determined such reclassification is consistent with this Salary Administration Plan.

SECTION 5. JOB DESCRIPTIONS

The Personnel Board shall maintain such criteria as it deems appropriate for the positions and classes in the schedules. Each department or public body (board, committee, commission) with SAP employees shall maintain current job descriptions for such employees. All such job descriptions and any revisions thereto must be submitted to the Personnel Board for approval following review and approval by the Select Board or appropriate public body. The criteria for any class shall not be deemed to limit the duties or responsibilities of any position as set forth in the job description, nor to affect in any way the power of any administrative authority to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

SECTION 6. COMPENSATION

a. The bi-weekly pay period shall begin at 12:00 a.m. Thursday and shall end at 11:59 p.m. on the following second Wednesday.

b. Non-exempt employees subject to this Salary Administration Plan shall be paid for one and one-half hours worked for any hour worked in the excess of forty in their weekly pay period, provided such extra hours were authorized by the Department Head.

c. The salary schedules set forth in Schedules A, B, C, D and E of Section 20 hereof reflect the maximum and minimum salaries for each grade.

d. The annual salary set forth in Schedule A represents a 40-hour work week and in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated annual salary is pro-rated reflective of the posted salary schedule in Schedule A.

e. Amounts paid to employees in reimbursement for expenses incurred in the performance of their duties (e.g., mileage, meals, dues, etc.) shall be paid in addition to their compensation. Reimbursement shall be based upon the actual documented expenditure made by the employee, or at rates established by the Internal Revenue Service, supported by that agency's requirements for documentation.

f. On-Call Compensation: The on-call member of the Facilities Department shall be eligible to earn a weekly stipend for on-call service if the department head has required them to be available to respond to situations outside of their normal work schedule. This weekly stipend shall be equal to a set rate of $300 per week. If the on-call staff member must report to work outside of their normal work schedule, compensation for this time shall be based on the standard SAP overtime practices. Additionally, if the on-call staff member is faced with a situation that renders them unable to serve as the on-call individual on a particular day that they are scheduled to be on call, said employee may request that another eligible staff member cover their on-call time, with the approval of the department head. In such an event, the regularly scheduled employee's weekly stipend will be reduced by $45.00 per day that they are unable to be on call; this stipend amount will instead be paid to the covering employee per day of coverage. There is no provision to accrue compensation time in lieu of payment for on-call time.

SECTION 7. SALARY ADJUSTMENT & COMPENSATION POLICIES

a. Every employee that is in Continuous Full-Time or Part-Time service of the Town, as computed from the date of their latest employment, shall be eligible for consideration of a salary increase annually on July 1. Employees hired between April 1 and June 30 will be eligible for a salary increase the July 1st following their twelve-month anniversary. Except as may be authorized by the Personnel Board in exceptional circumstances, such increase is not to exceed one increase in any single twelve-month period until the maximum of the grade is obtained, and such increase shall be subject to the recommendation of the Department Head, with the approval of the Select Board or their designated appointee in the case of departments within the jurisdiction of the Select Board, or the appropriate Commissioners or Trustees in the case of departments outside the jurisdiction of the Select Board.

Retroactive salary increases voted by the Personnel Board shall not be compensated beyond July 1 of that fiscal year, regardless of the funding mechanism.

Unless specifically exempted by Personnel Board policy, requests for salary increases must be accompanied by a certification from an employee's manager that the employee's performance has been "satisfactory" or better and that a written employee performance appraisal, on a form approved by the Personnel Board, has been completed. The form of this certification will be prescribed by Personnel Board policy promulgated hereunder. Upon receiving such documentation, the Personnel Board shall have final review and approval of all adjustments.

An employee may appear before the Personnel Board prior to its action on any request for an increase. Any employee denied such an increase may appeal, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

b. Special Non-Continuous Part-Time employees and employees in Schedule B classifications shall be eligible for consideration for salary increases upon the recommendation of the appropriate department manager or Board and approval of the Personnel Board.

c. Probationary Employees

1. During the probationary period, benefit eligible employee(s) will earn vacation, sick and personal time in accordance with Section 11(b-d) hereof.

2. During the probationary period, paid leave accruals shall be based on the Start Date.

SECTION 8. TRANSFERS AND PROMOTIONS

a. An employee who is promoted to a job with a higher range or rate of pay shall enter it at the rate recommended by the Department Head with the approval of the Personnel Board, provided the maximum for the job is not exceeded. This is contingent upon the Department Head's recommendation that qualifications and performance warrant it.

b. An employee transferred to a job with a lower range or rate of pay shall enter it at the rate paid for the previous position or at the maximum rate for the job, whichever is the lower, provided the Personnel Board approves. The employee shall have a right to appeal this decision, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

SECTION 9. NEW PERSONNEL HIRING; DEPARTURES

a. Pre-employment physical examinations will be required of newly-hired employees consistent with the Town's policies.

b. Probationary period: For new hires, the first six months of employment shall be a probationary period. The probationary period does not apply to Town employees who change positions within the Town. The probationary period is a time during which an employee will be evaluated to ensure that the employee has the requisite knowledge, skills, and abilities to perform the position (with or without reasonable accommodations). Completing the probationary period does not change the employee's relationship with the Town, which will remain one in which either the employee or the Town may terminate the relationship at will. The probationary period may be extended by a Department Head [or Appointing Authority] when deemed necessary.

c. A new employee's hiring rate shall be the minimum of the rate range of the job, unless otherwise authorized by the Personnel Board or Personnel Director. The Personnel Board is cognizant of the need to make timely decisions during the recruitment process, therefore, the Personnel Director is empowered to set starting salaries for new employees with comparable experience up to Step 8 for the appropriate job grade as set forth in Schedule A of the Salary Administration Plan.

d. The Personnel Director or his/her delegatee shall notify the Personnel Board in writing of the hiring

of all personnel and their hiring rates. The Personnel Director or his/her delegatee shall also notify the Personnel Board in writing of the departure of any employee.

SECTION 10. DEPARTMENT BUDGETS

Each Department Head shall include in the annual departmental budget a pay adjustment section to provide funds for anticipated pay adjustments, with expenditures to be made only in accordance with this Salary Administration Plan and with the approval of the Personnel Board. Degree bonus [Sec 11i(1)] funds shall also be budgeted in the departmental budget.

SECTION 11. EMPLOYEE BENEFITS

Employee benefits are a cost to the Town and a form of "indirect pay" to employees. The benefits listed below are not intended to supersede what State or Federal law may otherwise require. The benefits set forth in this section are applicable to Full-Time employees only, except where noted.

All forms of paid leave set forth in this section are based on a 40 hour work week; in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated benefit shall be pro-rated reflective of the approved hours per week for that position.

a. Holidays with Pay

Full-Time employees shall receive one day's pay at their regular rate for the following:

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
Presidents' Day	Veteran's Day
Patriot's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving Day
Juneteenth	Christmas Day
Independence Day	Day before or after Christmas Day (as set by the Town annually

To be eligible for holiday pay, an employee must work (or be duly excused from working) their regular scheduled days preceding and following the holiday. Employees who do not work 20 hours or more per week on a regular basis shall not be compensated for holidays.

Employees whose regular day off falls on a holiday may have one day off with pay within the ensuing thirty days in lieu of holiday pay, with the specific choice of day subject to Department Head approval. Furthermore, the day granted in lieu of holiday pay shall not cross fiscal years.

All administrative policies and practices relative to holidays with pay shall be prepared and established under the direction of the Personnel Board.

b. Vacations with Pay

(1) Full-Time employees who have been in the continuous employ of the Town shall earn paid vacation in accordance with the following schedule:

Years of Employment	Hours Earned Per Month	Vacation Earned Per Year (Pro-rata)
0 - 2	6.666	Two weeks
2+ - 7	10.0	Three weeks
7+ - 15	13.333	Four weeks
15+ - or more	16.666	Five weeks

Employees hired prior to July 1, 2005, shall be eligible to earn twenty hours per month after serving twenty years of full-time employment with the Town.

(2) At the recommendation of the hiring authority and upon the approval of the Personnel Board, new employees entering into a position with the Town of Southborough from a similar position will be allowed to enter into the vacation schedule using their years of service from their prior employment, up to a maximum of four weeks' vacation [pro-rated] for the first year of employment with the Town.

Vacation shall be granted by Department Heads at their discretion subject to the regular work needs of the Department. An employee shall be permitted to carry over to the following year one year's worth of earned vacation. Employees hired on or after July 1, 2023, shall be permitted to carry over a maximum of two weeks to the following fiscal year. The employee must have the Department Head's approval to take any portion of a prior year's unused vacation in addition to the days earned in the current fiscal year. Employees commencing employment with three weeks per year will be required to complete two years of service before ascending to the next band (four weeks) in the vacation schedule chart and seven years of service before ascending to the following band. Awarding four weeks should be the exception based on evidence that the employee is leaving another position that already provides this benefit. Employees commencing employment with four weeks per year will be required to complete five years of service before ascending to the next band (five weeks).

(3) If in the opinion of the Department Head there are unusual work-related circumstances that warrant it, a department head may seek approval from the Town Administrator or his/her delegatee to allow the employee to continue to work and receive vacation pay in lieu of taking vacation. Approval granted in this section may not exceed ten days per fiscal year.

(4) In the event of termination of employment the employee shall be paid, or be entitled to time off with pay, for any accumulated vacation time. Personal and sick leave shall not be compensated at termination.

(5) Vacation administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

c. Sick Leave

(1) Full-Time employees shall be entitled to accrue 10 sick hours per month, equaling 120 hours annually (15 sick days); employees working less than 40 hours in a weekly pay period will accrue ratably based on hours worked per week. Pay for each day of sick leave shall be at the regular rate. Absences on account of sickness in excess of that authorized shall be charged to vacation or other available paid leave. Sick leave shall be payable only in cases of genuine illness, non-work connected accident, or work connected accidents not covered by Massachusetts General Laws Chapter 152 (Workers' Compensation).

(2) Unused sick leave may be accumulated without limitation for employees hired before July 1, 2007. Employees of the Town of Southborough hired on or after July 1, 2007 may only accrue 120 sick days at any one time. At retirement [or death] only, the Town will pay the employee twenty percent (20%) of the employee's then-accumulated sick leave. Employees of the Town of Southborough hired on or after July 1, 2023, will not be subject to any payout of accumulated sick leave.

(3) Employees who because of genuine illness or a non-work connected accident are absent for a period of more than three days shall be required to present a doctor's certificate to their Department Head before returning to work stating the reason, the period of time the employee was absent and whether there are any physical restrictions or required outpatient services the employee must adhere to in the workplace.

(4) Annually, an employee may use up to seven of the allowed fifteen days of sick leave for the care of a sick family member.

(5) Sick leave administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

d. Personal Days

Full-Time employees shall be entitled to three personal days per year, to be granted annually on the anniversary of the employee's Start Date. New employees shall be granted three personal days which shall be pro-rated based on hours worked per pay period. Requests for personal days shall be approved by the

Department Head. Personal days shall not accumulate from year to year.

e. Military Leave

(1) Reserve Duty: An employee in full-time employment in the military reserve shall be paid the difference between compensation received while on reserve duty and regular compensation rates paid the employee by the Town. Such payment by the Town shall be limited to a period not to exceed two weeks in any twelve-month period.

(2) Active Duty: Pursuant to Article 8 of the April 11, 2005 Annual Town Meeting, an employee in the federal military reserve or a state National Guard who is called to active service shall be entitled to their regular base salary and shall not lose any seniority or paid leave benefits while on military leave; *provided*, however, that such base pay shall be reduced by any amount received from the United States as pay or allowance for military service performed.

f. Jury Duty

Any employee who is called to jury duty shall be paid the difference between their normal compensation and the amount (excluding any travel allowance) received from the court, upon presentation of evidence of the amount paid by the court.

g. Miscellaneous Paid Time Off

Working time lost from regularly scheduled work days for reasons listed below shall be without loss of pay, provided such lost time is authorized by the Department Head. Sections (1) – (3) are applicable to Full-Time employees only; Section (4) is applicable to both Full-Time and Part-Time employees.

(1) Bereavement leave – In the event of the death of a spouse, father, mother, child, father-in-law, mother-in-law, brother, sister, grandparent, or of any other person then residing with the employee, such employee shall be entitled to receive three days' leave for the purpose of the funeral and services of the deceased. If out-of-state travel is required, the Department Head may authorize up to two additional days of travel time.

(2) Medical examination or inoculation required by the Town.

(3) Blood donation authorized by the Department Head.

(4) Attendance at professional and/or educational programs authorized by the Department Head.

h. Court Time Pay

If the Town requires that an employee appear in Court as a witness or in any other capacity arising from the performance of the employee's duty, or on behalf of the Commonwealth or the Town in any civil or criminal case pending in any Court or other official governmental board or agency, such appearance and related travel time shall constitute work time for purposes of calculating weekly hours worked. If such appearance or related travel time causes a non-exempt employee to exceed forty hours of work in any given work week, the employee shall be eligible for overtime pay in accordance with Section 6(b). This section does not apply to exempt employees.

i. Employee Educational Support/Professional Development

(1) Degree Bonus: All Part-Time and Full-Time employees who, while an employee of the Town, earns a degree in a field applicable to their position from an accredited college or university, shall receive a one-time bonus subject to appropriation, according to the following schedule:

Associates Degree... $ 800.00
Bachelors Degree.. $1,200.00
Masters Degree..... $1,500.00

A copy of the completed transcript, diploma or other appropriate evidence of the completed degree must be presented to the Department Head and the Personnel Board, and shall be submitted as documentation for accounts payable.

(2) Tuition reimbursement: the Town may offer tuition reimbursement to eligible Full-Time and Part-Time employees as prescribed by Personnel Board policy enacted under this Bylaw.

j. Group Medical Insurance

Starting July 1, 2009, the Town will contribute fifty percent (50%) of the cost of a medical indemnity plan or seventy-five percent [75%] of the cost of a Health Maintenance Organization plan for Full-Time employees only.

SECTION 12. UNPAID LEAVES OF ABSENCE

a. A leave of absence without compensation may be granted by the Personnel Board.

b. Leaves of absence of over three months' duration (except Military Leave) shall be deemed a break in employment, and on return to work the employee shall have the status of a new employee unless an extension of leave beyond three months was authorized by the Personnel Board.

SECTION 13. PART-TIME EMPLOYEES WORKING FULL-TIME HOURS TEMPORARILY

a. A Part-Time employee may work 20 hours or more per week for no longer than two bi-weekly pay periods, or four bi-weekly pay periods in the case of an Election Worker during an election cycle, if requested by their Department Head due to exigent circumstances, or for longer if recommended by the appointing authority or the Personnel Director, with the authorization of the Finance Director and approval of the Personnel Board. In such cases, the employee will remain a Part-Time employee with no change in status.

b. Department Heads may submit requests for additional compensation for Part-Time employees temporarily working Full-Time hours, subject to available funding as authorized by the Finance Director and approved by the Personnel Board.

SECTION 14. APPOINTMENT OF "ACTING" DEPARTMENT HEADS

a. In the absence or retirement of a Department Head for three consecutive weeks, the Select Board or appropriate board or commission may appoint an "Acting" Department Head to serve for a period ofnot more than three months. Such three-month period may be extended for up to three additional three-month periods, upon the approval of the Select Board or other appropriate board or commission for each such extension. In no case shall an appointment of an "Acting" Department Head exceed one year.

b. Duly appointed "Acting" employees shall be compensated at an additional 10% per week, payable retroactively only upon the conclusion of three consecutive weeks of service by the "Acting" employee. Such employees shall still be eligible for overtime pay when fulfilling regular duties from the previous job beyond normal working hours.

SECTION 15. PERSONNEL BOARD

a. There shall be a Personnel Board to administer the Salary Administration Plan. Said Board is to be appointed by the Town Moderator. The Board shall consist of five voters other than employees of the Town or those regularly serving the Town in any elective capacity. They shall serve without compensation.

b. Other than as may be needed to fill unexpected vacancies, appointments shall be for three years. The Moderator shall fill any vacancies. The Personnel Board may employ assistance and incur expenses as it deems necessary, subject to appropriation of funds therefor.

SECTION 16. DUTIES OF THE PERSONNEL BOARD

a. The Personnel Board shall administer the Salary Administration Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration of the Plan.

b. The Town Administrator serves as the Town's Personnel Director under the Town Administrator Bylaw [Ch. 27, Art. IX]. As such, the Personnel Director is invested with personnel authority and responsibilities as set

forth therein. From time to time, and as may be necessary, the Personnel Board will consult and/or act in concert with the Personnel Director or his/her delegatee on matters of joint responsibility and concern. The Personnel Board shall provide oversight and guidance to the Personnel Director in the development and maintenance of personnel policies and regulations.

c. The Board shall meet annually in July and organize by the choice of a Chair and Vice-Chair. The Board shall meet at least monthly, except when there is no business before the Board. A majority of the Board shall constitute a quorum for the transaction of business. The votes of the majority of all the members of the Board shall be necessary on any matter upon which it is authorized to or required to pass under the Salary Administration Plan.

d. The Personnel Board shall maintain records of all employees subject to this Plan as it deems desirable, including personnel evaluations. Such records are to be kept by the Personnel Director or his/her delegatee, under the direction of the Personnel Board. Department Heads shall furnish such information as requested by the Board.

e. The Personnel Board shall from time to time, but no less often than every federal Election Year, review the Classification Schedule, Salary Schedules, and administration policies of the Salary Administration Plan. It shall keep informed as to pay rates and policies outside the Town, and shall recommend to the Town any action that the Board deems desirable in that regard. The Personnel Board may tentatively add a new class to the Classification Schedule or reallocate an existing class to a different compensation grade, either higher or lower, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting.

f. The Personnel Board may vote an annual adjustment (but shall reserve the right to vote no adjustment) to the Classification Schedule and establish the effective rate for employees of each grade for the next fiscal year, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting. The Personnel Board shall base any annual adjustments upon available relevant information. Approval of the rate for any given employee is not guaranteed and is driven by the annual performance evaluation.

g. Matters of concern by SAP employees that are communicated in writing to the Chair of the Personnel Board will be scheduled on an agenda at the next available meeting providing all necessary and requested information has been submitted in time to be part of the meeting packet. In addition, notice in writing shall be forwarded to the concerned employee and respective Department Head within seven days of the Board's decision. Notwithstanding the foregoing, if the Personnel Board shall so request and the concerned employee and Department Head shall agree, a reasonable extension of these time periods may be granted.

h. Upon recommendation of a Department Head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, the Board may authorize variances in the Salary Administration Plan as it may deem necessary for the proper functioning of the services of the Town, and to effectuate the basic intent of the Plan.

SECTION 17. EMPLOYEES AND THE PERSONNEL BOARD

a. All employees covered by this Salary Administration Plan shall have the right to request an appointment to confer with the Personnel Board on any matter of interest or concern to them that is covered by the Salary Administration Plan. The employee shall notify the Department Head in writing in advance of the desire to discuss the matter with the Board. One of the duties of the Board shall be to foster mutual understanding and good will with the personnel of the Town.

b. To facilitate this, if any employee should feel aggrieved by the operation of any provision of the Plan, the employee shall first discuss the matter with the Department Head, in a mutual effort to clear up any problems or misunderstanding.

c. If two weeks after such a conference a satisfactory understanding and solution of the problem has not been reached, then either the Department Head or the employee may take the matter to the Personnel Board, and the Board shall hear the parties not later than at its next regular meeting. There shall be no discrimination or prejudice by a Department Head against any employee who may take a matter to the Board.

SECTION 18. AMENDMENT OF THE PLAN

The Salary Administration Plan may be amended in the same manner that Town Bylaws may be amended. However, no amendment to the Plan shall be made until it has been presented to the Personnel Board and the Personnel Board has the opportunity to act on it. The Board of its own motion may propose an amendment to the Plan.

SECTION 19. SEVERABILITY PROVISION

In the event that any provision of this bylaw, or application thereof, shall be held to be invalid by the proper authorities, this shall not be construed to affect the validity of any other provision, or application thereof, of this bylaw.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The article includes recommendations from both the Select Board and the Advisory Committee for the FY25 budget. Funding recommendations are noted in the individual recommendation columns for each department.*

ARTICLE 6: To see if the Town of Southborough will vote to raise and appropriate or transfer from available funds a sum of $289,414.00 to the Police Department Budget, #210 for the purpose of hiring four full-time dispatchers to provide coverage 24/7, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: Not Support
Summary: *Over the past two and a half years the Town has been exploring joining a Regional Emergency Communications Center (RECC). Now is the time to address the immediate need. This is NOT a clerical job. Dispatchers provide critical emergency communication services to Police, Fire, EMS, Public Health, DPW, School Departments, Building Departments, Youth and Family Services, Senior Services, Recreation, State Police, Court, Commonwealth of Mass. Properties, Dam, MBTA Station,9-11 Field, Reservoir trails, Businesses and private non-profits.*Select Board Packet, March 7, 2023, Office of the Select Board, the original intent of looking at Regional Emergency Communications Center (RECC) was not for financial purposes for Southborough. There has been consensus that maintaining 1 dispatcher per shift is not acceptable. However, there have been questions raised about the costs. Three different scenarios of future dispatch costs with assumptions outlined in memo. * Select Board Meeting Minutes, December 19, 2023, III.i.ii. Chief Achilles & Chief Newell recommendation for maintaining current model Chief Newell and Chief Achilles shared their findings on enhancing the current dispatch operation system. "The Chiefs state that whether or not the Town chooses to regionalize, the immediate need is to add four full-time dispatchers to provide coverage 24/7."*

ARTICLE 7: To see if the Town of Southborough will vote to raise and appropriate, or transfer from available funds a sum of $119,372.00 for the purpose of covering the Employee Benefits for the additional four full-time dispatchers, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: Not Support
Summary: *These Employee Benefits funds for the additional four full-time dispatchers will be applied to the Employee Benefits Budget, #910, as standard practice in Southborough.*

ARTICLE 8: To see if the Town of Southborough will vote to

1. Restate the request, approved at Annual Town Meeting 2023, that the Select Board, not enter into any IMA for Regional Dispatch without first presenting the principal terms thereof to Town Meeting for its recommendation thereupon
2. Request that the Select Board not enter into any IMA containing annual budgetary, or debt, approval terms that substantially circumvent, or fail to include, Town Meeting's financial approval requirements as contained in the provisions of the longstanding Regional School Agreement.
3. Request that the Select Board not enter into any IMA for Regional Dispatch before the Technology Committee has reported to Select Board and Town Meeting regarding the feasibility of creating virtual dispatch regions to provide similar coverage redundancy using substantially existing technology, while maintaining a 24 hour per day seven day per week physical presence at the Public Safety Building at no additional cost to the Town.
4. Recommend that Select Board recognize the necessity of full cooperation between Town governing bodies for successful operation of the Town. Advise the Select Board that, while the foregoing are merely requests, and Select Board is not bound to observe these requests, it is noted that the Select Board's annual request for its budget is similarly not binding on Town Meeting, further that Select Board disrespect for recommendation 2, circumventing centuries of taxation control by Town Meeting, may provoke a similar reaction by Town Meeting toward subsequent budgetary requests for Select Board, and that cooperation is far better if observed in both directions.

; or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF and JOHN BUTLER
Select Board Recommendation: At Town Meeting
Advisory Committee Recommendation: Not Support
Summary: *This is a citizen's petition.*

ARTICLE 9: To see if the Town will vote to raise a sum of money as may be necessary for the Water Enterprise Fund's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

WATER ENTERPRISE	FY 2022 ACTUAL	FY 2023 ACTUAL	FY 2024 BUDGET	FY2025 REQUEST	PERCENT (+) or (-)
DIRECT COSTS					
51000-51990 Total Personal Services	319,953	387,136	399,116	435,159

TOTAL WATER FUND	2,705,695	2,521,736	2,804,097	3,121,857	11.33%

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The Water budget is funded through an Enterprise Fund that is supported entirely through the water rates and the fund's retained earnings, which supports all aspects of the department's operation. The funding for those capital items that are being leased/purchased for use by the Water Department, in whole or in part, are included in this budget.*

ARTICLE 10: To see if the Town will vote to transfer $100,000 from Water Retained Earnings for use in the FY24 Water Enterprise Fund budget, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article is intended to supplement the water revenue for the current fiscal year in the Water Enterprise Fund. FY24 has seen lower than expected water usage, and the use of retained earnings will complement the revenue from water rates and provide sufficient support for the Water Enterprise Fund.*

ARTICLE 11: To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money for General Government capital items for the following purposes:

		Description	Request	Levy	Receipts Reserved Ambulance/Other
A.		ROAD MAINT. & MISC STREET REPAIR	$272,500	$272,500	
B.		MOWER ATTACHMENT J DEERE TRACTOR	$20,630	$20,630	
C.		POLICE CRUISERS (2)	$150,000		$150,000
D.		DEFIBRILLATORS - PARAMEDIC	$50,000	$50,000	

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:
A. *These funds are for public roadway infrastructure and related design, permitting, maintenance, repair and construction throughout town. These are expended in conjunction with Chapter 90 roadway improvement funding from the Commonwealth. Prior to committing any FY25 Road Maintenance Funds, a formal plan for the anticipated use of these funds shall be presented to the Capital Planning Committee in a posted public meeting. The Capital Planning Committee will then vote to support or make suggested changes to the Select Board and the DPW Director.*
B. *This request replaces a 2009 Flail Mowerhead for the John Deere tractor for roadside mowing. This mower head replacement is needed immediately for uninterrupted service this upcoming year.*
C. *This funds the planned replacement of two front-line cruisers with two police utility vehicles. This is a scheduled rotation that would move the older cruisers with higher mileage out of the active rotation of front-line cars to detail vehicles. The new vehicles would replace 2 front line cruisers, both are 2019 Ford Explorers with approx. 100,000 miles each.*
D. *This request is to replace the existing 12-year-old Cardiac Monitor/Defibrillators that are no longer upgradable or repairable with the newest model Monitor/Defibrillators available. This upgrade will improve the Fire Department's ability to continue to provide the latest Advanced Life Support care to the patients we serve.*

ARTICLE 12: To see if the Town will vote to apply for, accept, and expend Massachusetts Public Library Construction Program ("MPLCP") grant funds if approved, and vote to raise and appropriate or transfer from available funds the sum of $150,000, or any other sum if said MPLCP grant is approved, said sum to be expended by the Town for library assessment, planning, feasibility and/or design, or act in any manner relating thereto, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The Southborough Library is actively applying this year to the Massachusetts Public Library Construction Program (MPLCP), a state grant administered by the MA Board of Library Commissioners (MBLC). The purpose of the grant is to provide financial support to municipalities for the improvement of library facilities. Municipal votes for approval of support and local funding are required prior to a project moving forward into each phase. The Planning and Design Phase funding is for activities related to the planning and designing of new, renovated, or expanded public library facilities in advance of a whole building project.*

ARTICLE 13: To see if the Town will appropriate $2,186,000, or any other amount, to pay costs of purchasing the following items of capital equipment, including the payment of all costs incidental and related thereto:

A.	Fire Tower Demo Truck	$1,300,000
B.	Ambulance A28	$551,000
C.	Trash Trailer	$125,000
D.	Sidewalk Tractor w/Attachments	$210,000

and to determine whether this amount shall be raised by borrowing or otherwise, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:
A. *The Southborough Fire Department is seeking favorable consideration for funding to replace Tower 21; a 2010 Aerial Platform Truck with a new Aerial Ladder Truck. The current Tower has several costly repairs and improvements to be made if it is retained. The current aerial platform truck has some operational limitations that a shorter wheel-based aerial could reduce or eliminate. These are related to travel restrictions, residential driveway access, and topography. This request will support risk reduction measures to areas identified in the department's 2020 Community Risk Analysis / Standard of Cover Report.*
B. *Fire Department ambulance per the replacement schedule. This replaces a 2018 Ford F-550/Horton 4x4 ambulance (number A28).*
C. *This request would allow the DPW to replace a 1997 Transfer Trailer that has reached the end of its useful life. The replacement will allow the continued and uninterrupted service for the users of the transfer station facility.*
D. *This request is to replace an existing 2001 trackless sidewalk tractor that currently has 9,500 hours of use. It has reached the end of its useful life. Replacement will allow timely removal of snow from the sidewalks – for continuous and uninterrupted service.*

ARTICLE 14: To see if the Town will vote to appropriate a sum of money for the payments under existing capital lease agreements as described below:

	Equipment	Authorized Department	Source of Appropriation	FY25 Amount
A.	1 - Horton Type Ambulance	Fire Department	FY25 Capital Budget - Ambulance Fund	$57,191
B.	1 - Swaploader Hook Lift Truck	Dept. of Public Works	FY25 Capital Budget - General Fund	$25,037
C.	1 - Pick Up Diesel F-350	Dept. of Public Works	FY25 Capital Budget - General Fund	$10,622
D.	1 - Fire Dept Chief Vehicle	Fire Department	FY25 Capital Budget - Ambulance Fund	$8,422
E.	Police Taser Program	Police Department	FY25 Capital Budget - General Fund	$19,455

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The lease agreements for these vehicles were authorized by Town Meeting in 2021, and these are the fourth year of the lease payments. With the exception of the Fire Ambulance (5-year lease) and Police Taser (3-year lease), all of the leases are for 7 years.*

ARTICLE 15: To see if the Town will vote to authorize payment from Fund 2261 – 9-11 Field Maintenance Revolving the sum of $45,000 for the FY24 principal and interest payment, and $45,000 for the FY25 principal and interest payment, for the May 2018 bond issuance for the resurfacing of 9-11 Field; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will authorize the 9-11 Field maintenance account to pay debt incurred for the turf replacement of 9-11 Field. The loan term was shorter than anticipated and this will allow the Town to have this paid by the 9-11 Fund as intended.*

ARTICLE 16: To see if the Town will vote to transfer from Free Cash the sum of $30,000 for the purpose of hiring consultants, engineers, water quality specialists, and/or environmental consultants by various Town departments, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article allows town departments, with the approval of the Select Board, to hire outside expertise when the need arises.*

ARTICLE 17: To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This is an annual appropriation into the Town's OPEB Trust Fund that began back in 2014. The appropriation was previously done as part of the operating budget, but further guidance from the Dept. of Revenue has recommended that it be done in a separate article.*

ARTICLE 18: To see if the Town will vote to transfer from Free Cash the sum of $10,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will provide funds to be used to pay the deductible for property damage which is not covered by insurance.*

ARTICLE 19: To see if the Town will modify the purpose of funds appropriated under Article 18 passed at the Annual Town Meeting on April 9, 2018 which stated "Lundblad Field design & specialty consultant" to re-purpose such funds for "Lundblad Field construction and upgrades", or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The original article was to "fund research and design work including investigation of the membrane and other aspects of the property." As a balance of $46,411.00 remains the Town would like to utilize the residual funds for the construction of facility improvements, including, but not limited to, a community dog park.*

ARTICLE 20: To see if the Town will vote to raise and appropriate, or transfer from available funds the sum of $150,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities. The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Capital Improvement and Planning Committee as requested, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will provide for the maintenance and repair of capital equipment and systems associated with the Town's buildings and facilities.*

ARTICLE 21: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $25,000 for the ongoing maintenance of capital investments associated with outdoor recreational facilities. The Town's Director of Recreation shall recommend appropriate projects to the Recreation Commission. The Recreation Commission shall approve all expenditures under this article, or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *In the last 5 years, the Recreation Department has completed extensive capital improvements across the Town's outdoor facilities, including playgrounds, athletic fields, sport courts, and the Trottier track. Funding of this article will grant financial support for a proactive approach to facility maintenance to improve safety, reduce liability, and promote longevity of the own's outdoor assets.*

ARTICLE 22: To see if the Town will vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for existing revolving funds for Fiscal Year 2025, as follows:

1. Immunization/Emergency Dispensing Clinic; $15,000.
2. Inspectional Services; $140,000.
3. 9-11 Field Maintenance; $100,000.
4. Wetland Protection; $30,000.
5. Hazardous Materials; $75,000.
6. CPR Classes; $6,500.
7. Community Garden; $3,000.
8. Recreation Programs; $500,000.
9. Tobacco Control Program; $4,000.
10. Golf Course Maintenance; $75,000.

, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH, SELECT BOARD, RECREATION COMMISSION, AND CONSERVATION COMMISSION
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article approves the annual spending limits for revolving funds that are now authorized by Town by-law.*

ARTICLE 23: To see if the Town will vote to accept provisions of the fourth paragraph of Massachusetts General Law Ch. 40, Section 3 to allow the Southborough School District to keep monies received from the rental of space in its schools. These monies may be expended by the Southborough School Committee for the purpose of upkeep and maintenance of any and all Southborough Public Schools with no further legislative body approval. The monies may

accumulate from year to year, and shall not be considered to be part of the general funds unassigned balance, or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The purpose of this warrant article is to create a Facility Rental revolving account for the Public Schools of Southborough, which would be governed by the Southborough School Committee. Funds collected through the rental of the four Southborough schools will be deposited into this account. These funds will be used to offset building costs such as building maintenance and utilities.*

ARTICLE 24: To see if the Town will vote to accept the provisions of G.L. c. 40, §13E and authorize the Southborough School District to establish a Special Education Stabilization Fund that can be used in future years for unanticipated or unbudgeted costs of special education, out of district tuition, transportation, and recovery high school tuition, or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The purpose of this warrant article is to create a Special Education Stabilization Fund for the Public Schools of Southborough, which would be governed by the Southborough Select Board and the Southborough School Committee. The District will utilize these funds for unexpected or unbudgeted Special Education costs.*

ARTICLE 25: To see if the Town will authorize the Select Board to lease all or a portion of the roof of Trottier Middle School located at 49 Parkerville Road for a term of 10-20 years, upon such terms and conditions as are acceptable to the Select Board, to a solar energy provider to construct, maintain, and operate a solar facility on the property and to enter into a power purchase agreement with the solar energy provider; and further, to authorize the Select Board to grant an easement as may be necessary to install, maintain, operate, repair, reinstall, or replace any utilities required for interconnection to the solar facility project, or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The purpose of this warrant article is to permit the Select Board to lease all or a part of the Trottier Middle School roof for a solar energy project. The lease of the roof would be contingent upon the replacement of the existing roof, for which the school district has applied to the Massachusetts School Building Authority. The solar project is part of the Public Schools of Southborough's strategic plan to implement energy efficiencies.*

ARTICLE 26: To see if the Town will vote to authorize the Northborough-Southborough Regional School District to establish a Stabilization Fund according to Chapter 71, Section 16G 1/2 of the General Laws for the purposes of funding capital items as identified in the Northborough-Southborough Regional School District Capital Plan, or do or act anything in relation thereto.

Proposed by: REGIONAL SCHOOL COMMITTEE
Select Board Recommendation: Not Support
Advisory Committee Recommendation: Not Support
Summary: *The purpose of this warrant article is to create a Capital Stabilization Fund for the Northborough-Southborough Regional School District, which would be governed by the NSRSD School Committee. The District will utilize these funds for capital improvements at Algonquin Regional High School. Capital projects will be presented to the Southborough Capital Improvement & Planning Committee as part of the annual budget process.*

ARTICLE 27: To act on the recommendation of the Community Preservation Committee on the Fiscal Year 2025 Community Preservation Budget and to appropriate or reserve for later appropriation monies from Community Preservation Fund annual revenues or available funds for the administrative expenses of the Community Preservation

Committee, the payment of debt service, the undertaking of Community Preservation projects and all other necessary and proper expenses for the year, or take any other action relative thereto.

PROPOSED FISCAL YEAR 2025 COMMUNITY PRESERVATION BUDGET

Estimated Surcharge Receipts (Based on Town Treasurer's Projections)	$ 447,844
State Match (Projected FY2024 State Match)	$ 64,905
Total Projected Revenue.....	$ 512,749

The Community Preservation Committee recommends that the following amounts be appropriated or reserved from Fiscal Year 2025 Community Preservation Fund revenues with each item considered a separate appropriation.

Set Aside- Open Space
$51,275 to be set aside, held in the Community Preservation Open Space Reserve Account, and spent in FY2025 or later years for acquisition, creation, or preservation of open space, and for the rehabilitation and/or restoration of open space acquired under the Community Preservation Act.

Historic Preservation
No set aside required as spent in FY2025 on bonds for historic projects for the acquisition, preservation, rehabilitation, and restoration of historic resources.

Set Aside – Community Housing
$51,275 to be set aside, held in the Community Preservation Housing Reserve Account, and spent in FY2025 or later years for the creation, preservation, and support of community housing, and for the rehabilitation and/or restoration of community housing acquired under the Community Preservation Act. Set Aside Administrative Costs – Community Preservation Committee $25,637 to defray the administrative and operating expenses of the Community Preservation Committee in FY2025 for the Community Preservation Administration Account

Set Aside – CPA Budgeted Reserve/Discretionary
$106,274.00 Reserved for FY25 Budgeted Reserve/Discretionary Account

Annual Debt Service: $75,438 to be applied towards the bond for the perpetual Preservation Restriction on 84 Main Street also known as the Burnett House for the purpose of historic preservation as approved at ATM 2016

Annual Debt Service: $61,000 to be applied towards the bond for the renovation and restoration of the historic Southborough Library building for the purpose of historic preservation as approved at ATM 2018

Annual Debt Service: $141,850 to be applied towards the bond for the historic restoration of the Southborough Town House for the purpose of historic preservation as approved at ATM 2021

FY24 Annual Debt Service: $52,842 from the CPA FY24 Budgeted Reserve Fund Balance to be applied towards the bond for the historic restoration of the Southborough Town House for the purpose of historic preservation as approved at ATM 2021

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The budget and set-asides are an annual requirement under the Community Preservation Act.*

ARTICLE 28: To see if the Town will vote to accept the report of the Community Preservation Committee for the FY2024 State Match Adjustment from the CPA Fund Balance and act upon the recommendations of the Community Preservation Committee and to set aside for later expenditure, certain sums of money from the Community Preservation Fund established pursuant to Chapter 44B of the General Laws, as follows:

Actual FY24 State Match Receipts.....	$ 86,596
ATM2023 Projected FY24 State Match	$82,561
FY24 State Match Adjustment	$4,035

Set Aside- Open Space
$403 to be set aside, held in the Community Preservation Open Space Reserve Account, and spent in FY2025 or later years for acquisition, creation, or preservation of open space, and for the rehabilitation and/or restoration of open space acquired under the Community Preservation Act.

Set Aside – Historic Preservation
$403 to be set aside, held in the Community Preservation Historic Reserve Account, and spent in FY2025 or later years for the acquisition, preservation, rehabilitation, and restoration of historic resources.

Set Aside – Community Housing
$403 to be set aside, held in the Community Preservation Housing Reserve Account, and spent in FY2025 or later years for the creation, preservation, and support of community housing, and for the rehabilitation and/or restoration of community housing acquired under the Community Preservation Act.

Set Aside Administrative Costs
$201 – Community Preservation Fund to defray the administrative and operating expenses of the Community Preservation Committee in FY2024 in the FY2024 Community Preservation Administration Account.

$2,625.00 Reserved for FY24 Community Preservation Budgeted Reserve/Discretionary)

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article is to account for an adjustment to the state match from what was budgeted at 2023 ATM and the FY24 State Match received.*

ARTICLE 29: To see if the Town will vote to appropriate $46,046 for the rehabilitation and restoration of historic Town records for historic purposes as requested by Southborough Town Clerk Jim Hegarty, with $21,005.43 from the Historic Reserve Account and $25,040.57 from the Budgeted Reserve Account. This consists of $45,046 in project costs and an additional $1,000 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application.
Funding is contingent on a project start of July 1, 2024, and to be completed by June 30, 2027 or funds to be returned to the Southborough Community Preservation Fund Balance as directed by the Southborough Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the
Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction of Town Clerk Jim Hegarty said funds will be used for the restoration of historic Town documents dating back to the 1700's.*

ARTICLE 30: To see if the Town will vote to appropriate $211,232 from the CPA Fund Budgeted Reserve for the construction of the final segment of Peninsula Trail requested by the Southborough Trails Committee for recreational purposes. This consists of $183,680 in project costs and an additional $27,552 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application. Funding is contingent on a project start date of July 1, 2024, and to be completed by December 1, 2026, or funds to be returned to the Southborough Community Preservation Fund Balance as directed by the Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction of the Southborough Trails Committee (STC), and with Recreation Director Tim Davis as an advisor, said funds will be used for the installation of the boardwalk, footbridge, and other trail construction related tasks for "Bridging the Gap" Phase II of the STC Peninsula Trail Project.*

ARTICLE 31: To see if the Town will vote to appropriate $553,750 for the installation of a new irrigation system in accordance with the standards of Audubon International, at the Southborough Golf Club from the CPA Fund Balance, as requested by the Southborough Golf Committee for the purpose of recreation. This consists of $475,000 in project costs and an additional $78,750 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application. Funding is contingent on project completion by December 1, 2026, or funds to be returned to the CPA Fund Balance as directed by the Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction the Southborough Golf Committee (SGC), and with the golf course management company - New England Golf, overseeing the installation, said funds will be used for the installation of the new irrigation system to replace the existing 50+ year old system which is leaky, prone to failure requiring frequent repair, and time consuming to operate. This article is the Community Preservation Act share of a total project amount of $603,750 offset by a $50,000 contribution from the Golf Course Revolving Fund.*

ARTICLE 32: To see if the Town will vote to appropriate the sum of $96,115.13 for the use of the Board of Health to provide for substance abuse abatement activities following the Town's participation in the Statewide Opioid Settlements negotiated by the Massachusetts Attorney General, and to meet said appropriation the sum of $96,115.13 be transferred from Free Cash, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This Article provides funds to supplement and strengthen resources possibly including but not limited to substance abuse prevention, harm reduction, treatment, and recovery funded by direct payments received by the Town of Southborough as a result of signing onto statewide settlements with opioid manufacturers, distributors, and/or pharmacies. In order to comply with settlement reporting requirements, the funds are being segregated from general revenues into a separate article.*

ARTICLE 33: To see if the Town will vote to authorize the Select Board under Clause (1) of Section 8 of Article 2, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts to submit to the General Court a Home Rule Petition, accompanied by a proposed Special Act relating to the Town of Southborough public works. The General Court may make clerical or editorial changes of form only to the proposed, unless after a public hearing the Select Board approves amendments to the bill before enactment by the General Court. The Select Board is hereby authorized to approve amendments which shall be within the scope of the general public objectives of this petition. Said submission shall be accompanied by an attested copy of the motion and vote of the Town Meeting on this article.

Said proposed Special Act shall make the following modifications to Ch. 447 of the acts of 1991: (a) Re-establish the office of Tree Warden as an appointee of the Select Board, supervised by the DPW superintendent; (b) dissolve the Public Works Planning Board of the town of Southborough; and (c) replace "board of selectmen" with "select board" throughout.

The form and wording of said submission shall be determined by the Select Board in consultation with Town Counsel and the Town's representatives to General court, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The Public Works Planning Board was created in 1991, and does not meet current expectations. The Select Board is officially the town's Tree Warden by the Special Act which has proven inefficient. The office of Tree Warden would be reinstated as an appointed officer of the Town.*

ARTICLE 34: To see if the Town will vote to establish a Public Works Advisory Committee by deleting Article I ("Solid Waste Disposal Committee") of the Town Code in its entirety and inserting the following into the Town Code:

Article XIII Public Works Advisory Committee

§9-52 Purpose
Because the Department of Public Works ("DPW") is a complex organization that consumes a significant portion of the Town's budget and directly impacts the life of every resident: planning, prioritization, coordination and communications with the residents is essential. The Public Works Advisory Committee provides a focal point for and assistance with this complex function.
§9-52-A Establishment; Membership; Qualifications
Effective upon the dissolution of the Southborough Public Works Planning Board, there shall be a Public Works Advisory Committee ("PWAC"), which shall consist of five voting members and the non-voting ex-officio members identified below.
Each voting member shall be a resident of the Town and shall not be a Town officer or employee. Preferably at least 3 voting members should have significant relevant work experience and knowledge of activities undertaken by the DPW.
The voting members shall be appointed by the Select Board.
§9-52-B Appointments; Terms; Vacancies; Removal
Voting members shall be appointed for three-year terms. The initial appointments shall be two members for three years, two members for two years, and one member for one year, so as to establish overlapping terms.
Any voting member who shall remove from the Town, establish residency in another town, resign, or die shall cease to be a member. When notified that any voting member has failed to faithfully discharge his duties, or has failed without good cause to attend at least three quarters of the PWAC meetings held in any six-month interval: the Select Board may promptly give notice, hold a hearing and determine whether such member shall be removed from the PWAC. In any case of a vacancy in the voting membership, the Select Board shall make every effort to, within thirty days, appoint a replacement for the balance of the unexpired term.
The ex-officio (non-voting) members have terms coincident with their employment and shall be: the Superintendent of Public Works and the Town Planner.
§9-52-C Organization; Meetings
The members shall select, from among themselves, a Chair, vice-Chair, and a Secretary.
The PWAC shall establish a regular schedule of meetings sufficient to complete its duties, but shall meet at least quarterly.
The PWAC shall ordinarily and preferentially meet in the Town, but may conduct meetings, investigations or inspections within the scope of its duties and authority anywhere, subject to the Open Meeting Law and standard Town travel budgets and policies.
The PWAC may appoint from its own membership subcommittees and delegate to them such of its powers as it deems expedient.
All reports and recommendations of the PWAC made to the Town shall be voted by a majority of the voting members of the PWAC, but this shall not be construed to prevent recommendations by a minority nor to discourage full participation by the non-voting members.
§9-52-D Funding
Subject to appropriation, the PWAC may incur expenses for consultants, communications, minute-takers and other purposes. Such expenses shall be from a separate line item under the DPW's budget, established by the Town's regular budget process. Any expenditures from its budget shall require a majority vote of the PWAC or a designated member thereof, as permitted by law, and be subject to the Town's policies for such expenditures.
§9-53 Functions and Definitions

The duty of the PWAC shall be to respond to requests for support from the Superintendent of Public Works, the Select Board, the Planning Board, the Advisory Committee, the Capital Improvement Planning Committee, and such other Town Entities as may be appropriate.
Further, PWAC shall also proactively evaluate, study, recommend, propose, and/or report on significant projects to be undertaken by the DPW.
The PWAC shall assume the functions of the former Green Technology and Recycling Committee that were assigned to the former Public Works Planning Board.
In this Article XIII, the phase "Town Entities" includes any Town board, committee, or agency of Town government, or subsidiary organization of any of these, whether statutory, elected or appointed.
In this Article XIII, the phase "Public Works Projects" includes projects conducted or planned to be conducted by the DPW, including but not limited to: road and sidewalk construction and maintenance; solid waste disposal (including operation of the transfer station, recycling and fees); cemetery operation; construction and maintenance of the water system (including conservation and fees); tree maintenance, removal, and replacement; public stormwater, and traffic management.

§9-54 Mission and Authority

The PWAC shall assist with establishing priorities and long-term planning for significant Public Works Projects. The PWAC may evaluate and/or develop options to be considered for Public Works Projects that significantly deviate from their plans in scope, expense, and/or schedule. The PWAC may assist in locating and/or evaluating the desirability of external (e.g., grant) funding for Public Works Projects.
The PWAC shall coordinate its work with the Select Board, Advisory Committee, Capital Improvement Planning Committee, Planning Board, Trails Committee, and Recreation Commission as reasonably necessary.
The PWAC shall not manage or direct the Superintendent of Public Works, DPW employees, or projects.
The PWAC shall assist the Superintendent of Public Works to communicate plans for Public Works Projects and the status of such projects to residents (especially neighbors) at the earliest feasible time. It shall serve as a focal point for citizen concerns with Public Works Projects, and may conduct public hearings.

§9-54-A Other Agencies

The PWAC may meet with other governmental agencies to discuss opportunities for interoperation, efficiencies or other synergies. However, the PWAC does not have the authority to commit the Town to pursue such opportunities, which authority rests with the Superintendent of Public Works, other Town Entities, and/or their designees.

§9-55 Reporting

From time to time, as may be necessary, the PWAC shall report to the Superintendent of Public Works and/or the Select Board on its activities and such reports, studies, evaluations, recommendations, and/or proposals as it has initiated or have been requested of it.
From time to time, as may be necessary, the PWAC shall report to the Town Meeting.

§9-56 Interpretation

The section headings and numbering of this Article XIII are for convenience and shall not be construed to modify the interpretation of the article.
In this Article XIII, terms are defined in quotation marks within parenthesis, and their uses are indicated by capitalization. The definition of each such term applies to its use in the entirety of this Article XIII, whether or not the definition appears before such use.
In this Article XIII, the word "will" is to be interpreted as descriptive of an outcome or process and not as an imperative; the word "shall" is to be interpreted in the imperative sense of "must" or "is required to"; while the word "may" is to be interpreted in the permissive sense of "optionally", or "has discretion whether or not to".

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Replaces the Special Act-chartered Public Works Planning Board with a Town standing committee when the PWPB dissolves as initiated by the previous article.*

ARTICLE 35: To see if the Town will vote to amend Article XI, Capital Improvement and Planning Committee, of the Town Code by deleting § 9-43(A) in its entirety, and replacing it with the following:

A. There shall be a Capital Improvement and Planning Committee ("CIPC"), which shall consist of five voting members and the two nonvoting ex-officio members identified below.

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The Capital Improvement and Planning Committee is seeking to reduce its membership from 7 to 5 members to alleviate issues with getting quorums for meetings.*

ARTICLE 36: To see if the Town will vote to amend the Town Code to add Downtown District to Chapter 174 - Zoning as follows:

- ➢ Schedule of use regulations – 174-8.C(5) after Business Village District.
- ➢ Signs – 174-11 (D) – sign regulations next to Business Village
- ➢ Signs-174-11.E [1] [a] after Business Village District.
- ➢ Signs-174-11.E [1] [b] after Business Village District.
- ➢ Signs-174-11.E [2] [a] after Business Village District.
- ➢ Signs-174-11.E [2] [b] after Business Village District.
- ➢ Signs-174-11.E (d) [1] after Business Village District.
- ➢ Signs-174-11.E (d) [2] after Business Village District.
- ➢ Outdoor Illumination – 174-12.1.E (3) (b), and Table 1 under LZ-2 add Downtown District below Business Village
- ➢ Landscaping – 174-13.A(3) as follows:

  (3) Exceptions.
  The requirements of this section do not apply to developments or renovations in the Business Village District **and the Downtown District**. However, the Planning Board may require landscaping as part of the site plan or special permit application within the Business Village District **and Downtown District**.

And anywhere else in the code where the Business Village District is referenced and appropriate.

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The intent of this Article is to add the phrase "Downtown District" where "Business Village District" is referenced, as applicable, throughout the Town Code.*

ARTICLE 37: To see if the Town will vote to amend Chapter 174 of the Town Code to include an expiration for special permits as required by MGL c. 40A Section 9 as follows:

In Chapter 174 Section 9 – Special Permit Requirements, to add after the sentence ending with "...or destructive of property values therein." the following clause: "Unless otherwise designated by this chapter, if the rights authorized by a special permit are not exercised within two years from the date of grant thereof, they shall lapse, and a new petition,

notice, and hearing will be required for their reestablishment. The applicant may be granted a single one-year extension by applying in writing to the special permit granting authority at least 30 days prior to the date when the special permit is due to lapse. An extension will only be granted for good cause and/or at the discretion of the special permit granting authority."

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD/ZONING BOARD OF APPEALS
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article would amend the Zoning Bylaw to comply with MGL c. 40A Section 9, which requires bylaws to provide a specified period of time after which special permits will lapse.*

ARTICLE 38: To see if the Town will vote to delete in its entirety Chapter § 9-2 of the town code "Meetings prohibited on Election Day, or when Town offices are closed due to weather or other emergency" and replace it with:

§ 9-2 Meetings prohibited on Election Day, or when Town offices are closed due to a weather or other emergency

A. If the Select Board or their designee announce that all Town offices are closed due to a weather or other emergency, any scheduled public meeting shall be cancelled. However, public meetings may be held if the meeting is properly noticed for and held in an online format where the public may observe the meeting. A previously scheduled in-person only meeting may be changed to an online format by submitting a revised agenda to the Town Clerk in a timely fashion. If a meeting is cancelled, the Town Clerk shall post notice of the cancellation on the Town website.

B. This prohibition will not apply to emergency meetings held to address weather or other emergencies as defined by the Attorney General.

C. No board, committee or commission shall schedule a meeting on the day of any Town, state or federal election.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This Article modifies the existing town code to allow meetings to be held when town buildings are closed to the public due to a weather or other emergency, if the meeting is held in an online format where the public may observe the meeting.*

ARTICLE 39: To see if the Town will vote to accept MGL Ch 41 §19 K which states as follows:

"In any town, that accepts this section, a town clerk who has completed the necessary courses of study and training, and has been awarded a certificate by the Massachusetts Town Clerks' Association as a certified Massachusetts municipal clerk, shall receive as compensation from such town, in addition to the regular annual compensation paid by such town for services in such office, an amount equal to 10 per cent of such regular annual compensation, but not more than $1,000 per year. In order to qualify for such additional compensation, a town clerk shall submit to the board of selectmen of such town proof of the award of such certificate. The additional compensation provided in this section shall be prorated for any 12 month period in which an eligible person does not hold the office of town clerk for 12 consecutive months. Such additional compensation shall discontinue when certification is discontinued or withdrawn."

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This Article accepts the Massachusetts General Law that provides an annual $1,000 stipend to a town clerk who obtains certification as a Massachusetts Municipal Clerk. Only 31% of Massachusetts town clerks have the*

required experience, have taken the required continuing education courses and passed the 250 - question examination required to earn this certification.

ARTICLE 40: To see if the Town will vote to amend Town Code § 9-25 Meeting minutes, by deleting it in its entirety and replacing it with:

Each board, committee, or commission shall provide minutes for each of its meetings to the Town Clerk within 45 days of the meeting. Minutes shall be kept by the Town Clerk for a period as required by applicable state law. This requirement shall not apply to Executive Session Minutes, which shall only be provided to the Town Clerk within 45 days from the date that they are released for public disclosure.

A. Minutes shall indicate whether they have or have not been approved by the board, committee or commission when submitted to the Town Clerk.
(1) Minutes that have not been approved at the time of their receipt shall be labeled "Draft."
(2) The Town Clerk shall log the receipt of all minutes and the Town Clerk shall post minutes on the Town website.

B. Minutes shall be submitted in a manner consistent with the Open Meeting Law (MGL c. 30A, § 22), and the Attorney General's Open Meeting Law Guide, and must include:
- the date, time and place of the meeting;
- the members present or absent;
- the decisions made and actions taken, including a record of all votes;
- a summary of the discussions on each subject;
- a list of all documents and exhibits used at the meeting; and
- the name of any member who participated in the meeting remotely.

C. Minutes submitted to the Town Clerk shall include, as reasonably possible, copies of all documents, exhibits, and electronic files of any audio or video presentations used at the meeting, including items created by the board members, or by others allowed to make presentations at the meeting.
(1) The term "used at the meeting" shall mean a document, exhibit, audio or video presentation that was (1) identified by name, or (2) presented at the meeting, and (3) discussed at the meeting.
(2) If copies of documents or other exhibits used at the meeting cannot be provided due to the physical nature of the exhibit (e.g., size of the exhibit, etc.), the specific filing location of the document or exhibit shall be identified.

D. The last page of the minutes shall include a section labelled Documents Used at This Meeting and shall list the names of each document that was used at the meeting.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This Article clarifies the existing requirements for board, committee, or commission ("the board") meetings to maintain minutes and documents used at meetings. This Article adds the requirement that any audio or video presentation that a board allows to be displayed at a meeting be retained, regardless of who created the presentation. This Article also adds the requirement that the last page of the minutes includes a section labelled "Documents Used at This Meeting" with a list the names of each document that was used at the meeting. A recent review of minutes submitted to the town clerk revealed several instances where no documents were submitted by the board.*

ARTICLE 41: To see if the Town will vote to petition the General Court for the passage of special enabling legislation authorizing the Town to authorize, issue and sell pension obligation bonds to finance the Town's unfunded pension liability to the Worcester Regional Retirement System, fund any necessary reserves, and all other costs associated therewith, which special enabling legislation shall be in such form as the Select Board shall approve, and provided further that the Select Board may accept and approve any amendments required in such special act as required by the

General Court, provided that such amendments do not materially impact the purpose of the Special Act, as may be approved hereunder; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will authorize the Town to seek special legislation that would allow the Town to retire its portion of the Worcester Retirement System unfunded liability. If market conditions were favorable the Town would seek Town Meeting approval to issue pension obligation bonds for this purpose.*

ARTICLE 42: To see if the Town will vote to transfer from Free Cash the sum of Thirty Thousand Dollars ($30,000) or such other amount as Town Meeting may approve for the purpose of funding events [i.e. fireworks, parade, public art, etc.] as authorized by the Tricentennial Committee celebrating the Town of Southborough's incorporation, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This funding will serve as seed money to support the work of the Tricentennial Committee. Expenditures will be approved by the Committee Chair [subject to approval by the Committee] and may include items like patriotic bunting, memorabilia, assistance with digital media or deposits on events such as fireworks, etc.*

ARTICLE 43: To see if the Town will vote to approve the Assabet Valley Regional Vocational Technical School Committee's vote on January 9, 2024, to establish a Stabilization Fund for the Assabet Valley Regional Vocational Technical School District, pursuant to Section 16G ½ of Chapter 71 of the Massachusetts General Laws, said Stabilization Fund, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Not Support
Summary: *The purpose of this warrant article is to help with the creation and support of a Capital Improvement Fund for the school district which would be governed by the AVRVSD School Committee. Historically, Assabet has been able to accommodate Capital Improvements through the use of Out-of-District Tuition and through grant opportunities, however, neither is a continued sustainable option.*

ARTICLE 44: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale of the 21 Highland St. property until January 1, 2028. It is agreed that the sale or transference of the property could be detrimental to the town until the following factors are resolved: There is currently a new school project being contemplated with an unspecified school price tag that could range as high as 60-100 Million dollars at his moment. The process of planning and building a new school could take another 3 or more years to complete. There is currently 300 408 housing units likely to be built in the next 3-5 years, and the MBTA community Act currently threatens the town with another potential 750 units of multifamily zoning by right, so in the next 3+ years to come the town could lose control of housing development in many areas of the town (there are 3800 housing units in the town currently, the total new burden could add a possible 26% population increase). Although it is unrealistic to expect the full number of units, the current school estimates do not take all of these factors into account, nor can we accurately project numbers with confidence having no control over the zoning, unit type, or building process. There is no current organizational model or plan to mitigate the possible cost or space need effects upon town departments, and no current plan for town space needs if this rapid population growth occurs. The current space need plans are dependent upon the premise of building a new school, a historically neutral residential development plan, and turning over one of the current schools to general town use for multiple departments currently inhabiting other buildings, including Recreation, Family and Youth services (both in the 21 Highland property), Building Permit departments, senior center, and Facilities (all in the Cordaville hall building), who have all have been recommended in the space needs plan to vacate their current locations (and to move to Finn currently). If there is a problem with the plan (example: No new school, or other factors as high population growth), selling the 21 Highland St. property could leave the town with little recourse except to sign commercial leases for homeless departments, potentially making the town long term dependent upon the private real estate market fluctuations, and/or possibly build space, adding to town costs. A new school is currently not approved,

but selling these properties could be used as financial incentive and space need leverage to coerce support for one, knowing the sale could instigate leases and costs created by a premature property sale and vacating actions by those departments. There is minimal financial risk to delaying a sale of the property for several years. There is a greater financial risk to selling the property prematurely if the building could better serve the short, middle, or long term interests of the town given the current factors facing the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary: *This is a citizen's petition.*

ARTICLE 45: To see if the Town will vote that the Town hereby resolves to own and rehab the current 21 Highland St. property for town, community, and/or rental use, using CPC and other bond allocations to fund the project when needed. The surrounding property will remain open for community use regardless of building use. It is required that the Select Board carry out the will of this resolution, and have a plan in place by the next town Meeting with the understanding that the citizenry will not entertain a proposal to dispose of the property till the year 2033. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary: *This is a citizen's petition.*

ARTICLE 46: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale the 21 Highland St. property until January 1, 2030. It is agreed that the citizenry prefers to tastefully retire use of the building at 21 Highland St., and keep the building at 21 Highland St. property owned by the town if or when departments housed wherein should move to other locations and there is no reason to keep the building in use. At such time, the 21 Highland St. building interior will be "Mothballed", the exterior of the windows protected with tasteful covers, the roof and exterior sealed, so the building will keep in a relatively preserved state til it should be desired for future use again, remodeling or demolition by the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary: *This is a citizen's petition.*

ARTICLE 47: The Citizens of Southborough hereby resolve that, any petition to the CPC for funding for a project, asset, or service on private land, or for private benefit and use, being not town owned or operated, should require a 2/3 majority passing vote tally for approval at Town Meeting; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: Not Support
Summary: *This is a citizen's petition.*

And you are to give notice hereby by posting true and attested copies of the Warrant on the Town website, the Southborough Town House, 17 Common Street, Southborough Senior Center, 9 Cordaville Road, Southborough Library, 25 Main Street, and Southborough Transfer Station, 147 Cordaville Road; seven (7) days at least before the time appointed for such meeting.

SELECT BOARD OF THE TOWN OF SOUTHBOROUGH

2024 Annual Town Meeting

FAQ for Warrant articles 33 & 34

PUBLIC WORKS PLANNING BOARD EVOLUTION
SELECT BOARD

Two related warrant articles for the 2024 Annual Town Meeting warrant propose to replace the Public Works Planning Board with a new committee designed to meet current needs and controlled by the Town. They also reinstate the office of appointed Tree Warden.

This document answers the most common questions about these articles.

Q1: What's behind these articles?

A: When the Town created the DPW from several existing departments, it also created the Public Works Planning Board to oversee the consolidation and replaced the Tree Warden by the Select Board. The PWPB no longer meets stakeholder expectations, and the Select Board isn't a satisfactory Tree Warden

Q2: What's wrong with the Public Works Planning Board?

A. The PWPB's charge and composition is fixed in a state law, and its original mission has been accomplished. As a result, it has become a passive body that rarely meets. Today's needs are different; Town Boards, the Superintendent of Public Works, and many citizens expect a more active board to advise the DPW on the projects that it undertakes.

Q3: Can't Town Meeting update the PWPB's charge and/or composition directly?

A. Because it was established by a state law (at the request of the town), changes require the Legislature to act to amend it. This is an involved, slow process so we want to do it once and decouple the Town from state law as much as possible.

Q4: So, can we just ask to get rid of the state law that's causing us trouble?

A. No. Most of the law is necessary to have the consolidated DPW, which continues to work better and more efficiently than the former separate departments.

Q5: Why does Article 33 just "authorize the Select Board to file a petition"? Can't it, or Town Meeting just do what's necessary directly?

A. The process of amending a state law that applies to a single town is involved. The Select Board, as the executive authority must prepare, submit, and negotiate a "Home Rule" petition to the legislature. But to do that, it must have Town Meeting's permission. Once submitted, the legislature may propose changes to make it conform to its requirements. It isn't practical for the Town Meeting to review each one, so within certain parameters, it authorizes the Select Board to make necessary changes. To ensure transparency, the Select Board must hold a public hearing when it does so.

Q6: The original formation of the DPW needed a vote in the town election. Why not this time?

A. The consolidation of the DPW involved eliminating the elected Highway, Water, and Cemetery Commissioners and replacing the elected Tree Warden with the Board of Selectmen. Removing elected positions merited a ballot question. These articles do not modify the powers of the electorate.

Q7: How long does all this take?

A. The Legislature works in two-year cycles. If Article 33 passes at the 2024 Annual Town Meeting, based on this cycle, the petition would probably be submitted in January of 2025. We expect that sometime in 2025-2026 it will make the changes that we request. However, it could act as soon as 2024 if our delegation expedites consideration. Article 34 takes effect as after the standard Attorney General's bylaw review, the legislature's vote to implement the changes to the special act, and the Governor's signature.

Q8: Are the Selectmen really the Tree Warden?

A. Unfortunately, yes. Now that the town has a population of over 10,000, they're not qualified under state law to be "the Tree Warden", since they aren't "trained and experienced in arboriculture". In any case, they don't want the job – it requires a lot of time from five people who have other responsibilities for a job that's better suited to one.

Q9: What's the new committee created under Article 34? Don't we have enough committees?

A. The DPW is one of the town's biggest departments (after Schools, Police & Fire). The existing boards and committees that might help it to make the right decisions don't have the time to provide guidance and support. As evidenced by some recent controversial projects, that can have unfortunate consequences. The new committee will coordinate and work with the other boards and committees, offloading the detailed work from them. Since the PWPB will be abolished, there is no net increase in the number of committees.

Q10: Does the new committee manage the DPW?

A. No. It's an advisory committee limited to DPW projects that assists with their planning, prioritization, coordination, and communication with residents.

Q11: What happens with the Tree Warden?

A. The Tree Warden becomes an appointee of the Select Board and has the qualifications, powers and duties established by state & town law, but day to day work is supervised by the Public Works Superintendent. The normal budget and personnel processes will determine whether the Tree Warden will be a direct employee, or provided by a service contract.

Q12: What are the duties and qualifications required of a Tree Warden?

A. The duties of the Tree Warden are specified in several sections of state's general law, including chapters 40, 41 and 87. Chapter 41 requires a Tree Warden to be "qualified by training and experience in arboriculture" and to have a pesticide license. Besides trees, the Tree Warden is also responsible for insect pest control. The nature and extent of the required training and experience is not detailed in state law, but will be specified in the Town's Job Description for the position. https://www.mass.gov/doc/what-is-a-tree-warden/download provides more detail and references to industry-standard qualifications.

Q13: How expensive is a qualified Tree Warden?

A. It depends on how the job is scoped and staffed. Recent job listings for full-time Tree Wardens with comparable requirements range from $64,000 to $102,000/year. A part-time in-house position would reduce the cost; a contract service could be more. As noted above, the optimum solutions for Southborough will be determined by the normal budget and personnel processes. Not having a qualified Tree Warden can be even more expensive.

Q14: Who supports these articles?

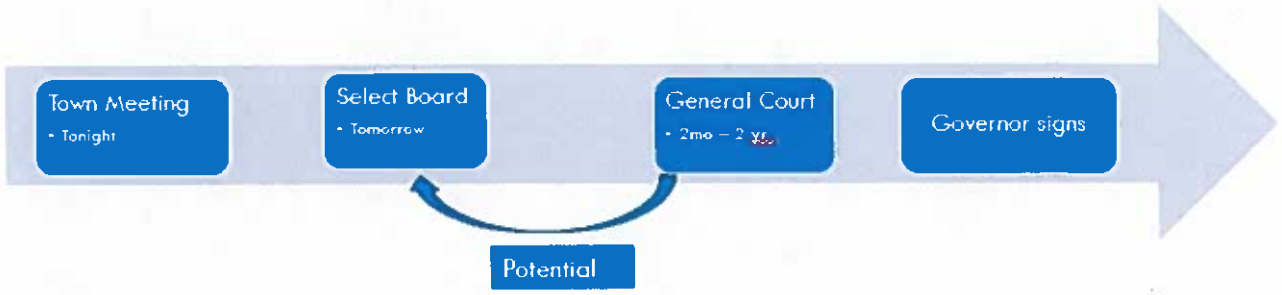
A. The **Select Board** initiated and supports them. They are supported by the **DPW superintendent**, the **Planning Board**, and the **Advisory Committee**.

Q15: Do these articles change the authority or responsibilities of the Tree Warden?

A. No. The appointed Tree Warden "shall have all the powers and duties vested by the General (State) Law and town by-law in the office of Tree Warden." Nothing is added or subtracted by this change. However, in the past, the Tree Warden has focused almost exclusively on culling hazardous trees and limbs. We hope that in the future the Tree Warden's other responsibilities will get more attention.

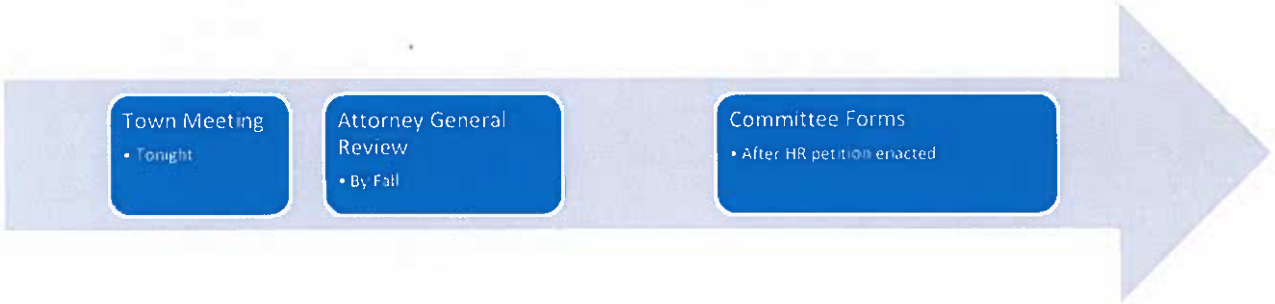
Q16: Why will the Tree Warden "operate under the supervision of the Superintendent of Public Works"? Can the DPW Superintendent over-ride the Tree Warden? Is there a conflict?

A. The Office of Tree Warden may be filled by a direct employee or service contract. It will need administrative support for contracts, personnel, and equipment. Someone needs to provide that support. The DPW Superintendent was chosen because the DPW has staff and equipment that the Tree Warden will call on. This is the most efficient way to minimize tensions, and to ensure synergies in planning and execution. The alternative of assigning supervision to the Town Administrator or a board is impractical, as all are overloaded.



The Tree Warden's powers and duties come directly from the state and town laws and do not accrue to a supervisor, so **his professional judgements cannot be overridden by the DPW Superintendent**. In specific circumstances, the law provides that the Tree Warden may be directed to take action by the Selectmen or Road Commissioner, but this applies in any case. The Selectmen can also hear some appeals of the Tree Warden's decisions.

No one wants to spend money to unnecessarily remove trees. The Tree Warden is responsible for developing and executing a plan for managing trees, applying the **industry-standard objective criteria** for dealing with potential hazards. That plan will be subject to the usual public scrutiny and review. **Professionalizing the position and the consequent planning should alleviate concerns about some past practices.**



Q17: How and to whom is the Tree Warden accountable?

A. The Select Board appoints the Tree Warden – whether a direct employee or by contract. As with any appointee, the Select Board is responsible for ensuring that the appointee's duties are spelled out in a job description/contract referencing applicable law. Any performance issues would be handled by the Board.

Questions?

21 Highland Future Use Committee

Background:

The South Union School is currently being used to house the Recreation Department and Youth and Family Services. The building is in fair condition, and is energy inefficient. It is likely that in 4-5 years the building will become surplus to the anticipated needs of the municipal side of Town Government, provided that a different building becomes available to the town in the form of either a school or other building.

The Select Board would like to develop alternative uses of the building to, if practical, preserve it.

Charge:

There shall be an Ad Hoc Committee established to make recommendations related to the future use of the South Union School. The committee's charge shall expire on ~~June 30~~December 31, 2024. The committee shall be guided as follows:

1. The committee may make recommendations related to the town-owned property at the site provided that:
    a. The playground must be maintained. If necessary, it may be moved.
    b. The sledding hill must be maintained.
2. Parking for the playground and any future use must be provided.
3. The committee may consider uses that would require faster conversion than the 4-5 year timeframe envisions. If considered a plan should be developed for the rehousing of the existing occupants.
4. Any future use of the building that requires regular occupancy must bring the building up to modern energy efficiency standards and building codes.
5. The committee may make use of the technical resources of the town in its deliberations provided that the provision of said resources are approved by either the Town Administrator or the Select Board.
6. The committee should attempt to find alternative sources of funding for any proposed use. The committee should be mindful that any request for taxpayer funding must be judged against other competing priorities. The committee is reminded that other neighborhoods in our town have far fewer public amenities (playgrounds, parks, open space) than exist in this neighborhood.

The committee shall make an interim report to the Select Board no later than Jan 1, 2024, and an interim recommendation no later than May 15, 2024. Said reports shall cover alternative uses that will enjoy broad community support. The committee shall hold at least one public forum related to its recommendations.

Composition:

The Committee shall be appointed by the Select Board it shall have 7 members as follows:

- The Open Space Preservation Commission shall nominate 1 member
- The Historical Commission shall nominate 1 member.

Approved by Select Board: October 24, 2023

- The Planning Board shall nominate 1 member.
- The Recreation Commission shall nominate 1 member.
- There shall be 2 members who live within ½ mile of the property.
- There shall be 1 at-large member.

Approved by Select Board: October 24, 2023

MEMORANDUM

DATE: March 19, 2024

TO: Select Board

FROM: Melanie Otsuka, Executive Assistant

SUBJECT: PROPOSED SELECT BOARD MEETING DATES

Below are the proposed dates for Select Board meetings from April 1, 2024 through June 30, 2024:

- April 2
- April 23
- May 7
- May 21
- June 4
- June 18

This schedule maintains the typical 1st and 3rd Tuesday meeting schedule, except April 23, so as not to conflict with school vacation dates; special or workshop meetings, in addition to regular meetings, can be added as needed.

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Saturday, March 23, 2024
Location: Room 139, Trottier School, 49 Parkerville Road, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Al Hamilton, Marguerite Landry, Sam Stivers, Town Administrator Mark Purple, Assistant Town Administrator Vanessa Hale, and Town Counsel Jay Talerman.

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 8:41 AM.

II. Town Meeting Preparation

As the article sponsor for Articles 6 & 7 had decided to indefinitely postpone those articles, Mr. Dennington asked the Board to take a position on that motion. Mr. Dennington made a motion to support the motion to indefinitely postpone Articles 6 & 7, seconded by Mr. Stivers. The motion was unanimously approved, 5-0-0.

Based on Town Counsel's opinion regarding the legality of Article 47, which was confirmed by the Attorney General's office, Mr. Dennington asked the Board if they wanted to reconsider their previous vote not to support. Mr. Talerman said that if the article motion is non-binding, then the issue of legality is moot. After some discussion, it was apparent that the current vote would not change if revoted.

Mr. Dennington said that he was aware that Tim Fling may be offering an amendment under Article 5 to reduce budgets across the board, but possibly holding schools and salary lines harmless. Town Counsel said that he would have to hold every non-salary budget line. Mr. Dennington was not in favor of such an amendment based on the process required, and that such an amendment would hurt smaller budgets more than others.

The Board recessed at 9:04 A.M. and returned from recess at 9:10 A.M.

Mr. Tim Fling and the Board discussed the protocol for amending Article 5 (FY25 budget article). Town Counsel advised that the form of any amendments is the decision of the Moderator. Mr. Dennington said that he identified those articles sponsored by the Select Board and made comments under each that he was responsible for making the motion for. While most were brief, he did note that Articles 33 and 34 might have more of an explanation. Mr. Dennington also noted that people should be ready to speak to their articles if the article gets removed from the consent agenda.

There being no additional business to conduct, Mr. Dennington made a motion to adjourn the meeting at 9:34 A.M. and seconded by Mr. Stivers. Motion was unanimously approved, 5-0-0.

Upcoming Meetings

April 2, 2024 *April 23, 2024*

Respectfully submitted, Mark Purple, Town Administrator

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, April 2, 2024 6:00 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers, Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale. Present via ZOOM: Al Hamilton.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:33 PM.

II. Public Comment

There was no public comment.

III. Scheduled Appointments *(Board may vote)*

a. Appoint Jeremy McClosky as Student Police Officer

Police Chief Newell introduced Jeremy McClosky to the Board. Mr. Dennington moved to appoint Jeremy McClosky as a Student Police Officer. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0). The Board offered their congratulations to Mr. McClosky.

b. Facilities Director John Parent – Town House project update

John Parent, Facilities Director, reported that the Town House project should be complete next month and delivered under budget at approximately $2 million dollars, a savings of $238,000. He reported that the Senior Center project is progressing nicely and he expects completion by the end of the school year. He stated that the students from Assabet Valley Technical High School have provided solid skills on the project and have been excellent to work with. He also reported that he expects National Grid will finish installation of the streetlights within the next six weeks and this will achieve approximately $60,000 per year of energy savings for the Town. He stated that summer projects include South Union School. Mr. Dennington asked about Mr. Parent's ARPA reallocation request. Mr. Parent stated that $400,000 was allocated for the Senior Center project and he expects the final cost to be approximately $250,000. He stated he would use the remaining $150,000 for the following projects: 1) furnish the new room at the Senior Center; 2) complete siding and painting of the Senior Center; 3) landscape the area surrounding the Town House and return remaining ARPA funds to be reallocated by the Board. Mr. Dennington asked Mr. Parent to provide estimates for each of the items listed above and Mr. Parent stated he would provide that information.

c. Board of Health Chair Chelsea Malinowski: 200 Southville Road BOH violations

Chelsea Malinowski, Chair of the Board of Health (BOH) appeared before the Board on the matter. Ms. Malinowski called the BOH meeting to order at 6:47 PM. Ms. Malinowski updated the Board regarding the history of the matter. She stated the situation concerns a temporary dwelling on the property that has no seen sewage disposal and noted the issue has been ongoing since 2022. She stated the BOH has been unable to obtain any communication from the homeowner after multiple attempts. She stated she is appearing tonight to bring the matter to the Board's attention and to stress the need for relevant Town departments and boards to work collaboratively in this matter. Mr. Dennington suggested that the Interim Building Commissioner, who will be appointed tonight, be

made aware and requested he follow up on the matter. Mr. Wayne Anderson, the homeowner, appeared before the Board. He stated that he did not receive the communications from the BOH. Mr. Stivers asked if someone was currently living in the temporary dwelling in question. Mr. Anderson stated that, presently, there is no one living in the trailer but there had been someone living there in the past. He stated that the main issue, from his perspective, is that the neighbors do not like that the trailer on his property is visible. Mr. Dennington requested that, since the BOH and Mr. Anderson have now connected, the matter be addressed with the relevant parties. Ms. Elizabeth Zulik, Clerk of the BOH, stated that the Conservation Commission is also reviewing the matter, as there have been Conservation Commission violations, and she wanted to ensure that the Commission was a party to the collaborative resolution of the matter. Ms. Malinowski moved to adjourn the BOH meeting at 6:59 PM. Ms. Zulik seconded the motion. The motion was approved by roll call vote: Ms. Malinowski, aye; Ms. Zulik, aye.

d. Council on Aging Chair Doug Peck – Update on Council on Aging

Mr. Doug Peck, Chair of the Council on Aging (COA), appeared before the Board to provide an update on matters relating to the COA. He stated the COA's goal is to provide transparency for the public and participate and collaborate with Town boards/committees. He shared that he is hosting a program called Southborough Connects on Southborough Access Media (SAM) to build awareness of Town matters for viewers, many who are senior citizens. He stated he would like the Town to participate in a comprehensive assessment offered by UMASS Boston and the Massachusetts Gerontology Association to understand how the Town's growing senior population impacts the Town and its services. The Board discussed the assessment. Ms. Cook asked about timing and cost for the assessment. Mr. Peck estimated the cost to be between $30,000-$35,000 and takes approximately 6-9 months to complete.

IV. Reports

a. Chair's Report

Mr. Dennington reviewed the items for discussion at the Board's April 23rd meeting. Items for discussion include 1) ARPA allocations; 2) 120 Turnpike and whether the Board would like to weigh in at a future Planning Board meeting, given recent developments; and 3) the 61A parcels, with feedback from relevant stakeholders. Mr. Dennington also reported that he and Ms. Cook would hold office hours on Tuesday, April 9th from 6-7 PM.

b. Member's Report

i. Update on Neary Building project

Ms. Cook encouraged the public to attend a public forum on the Neary Building project on Thursday, April 11, at 7 PM at Trottier Middle School. She stated that on May 21st, the Neary School Building Committee (NSBC) would submit a proposal to the Massachusetts School Building Authority (MSBA) that would likely eliminate some of the configurations currently under consideration. She reported that in August the NSBC would make its final recommendation to the MSBA and the MSBA would make its decision on the recommendation in the fall. She stated that, next, schematics would be developed to present at a Special Town Meeting in April 2025 for the Town's decision. Ms. Cook stated that the NSBC Communications Sub-Committee will be launching a website in the near future with information on the project.

c. Town Administrator's Report

Mr. Purple reported that the Town has been awarded a Community Compact grant in the amount of $110,000. Mr. Purple thanked DPW Superintendent Cundiff for developing a regional grant proposal with Westborough and Hopkinton to purchase a utility pipe drain inspection system, and noted the three communities will cover the remaining $30,000 of the system. Mr. Purple also encouraged the public to participate in the Tricentennial Celebration survey available on the Town's website. Mr. Purple reported that the latest edition of the Town Administrator's newsletter is available and copies have been distributed to Colonial Gardens, the Senior Center and Library.

i. One Stop Grant update (Expression of Interest due April 30, 2024)

Ms. Hale reported that the Expression of Interest (EOI) is due on April 30th and it is advantageous to submit the EOI, as State feedback is provided on the submission. Ms. Hale stated that, as yet, a specific project has not been identified for the One Stop Grant. The Board discussed potential projects and agreed to recommend a study of wastewater treatment in Southborough that would include opportunities to partner with surrounding communities. Mr. Purple stated that, last year, the Town submitted the Flagg School reuse for the One Stop Grant and suggested the EOI include the re-submission of the Flagg School reuse. The Board agreed with Mr. Purple's suggestion.

V. Consent Agenda

a. Approve Open Session Meeting Minutes: March 19, 2024; March 23, 2024

Mr. Dennington requested to hold Consent Agenda item "a." **March 19, 2024 minutes:** Mr. Dennington and Mr. Stivers had scrivener's changes to the minutes. **March 23, 2024 minutes:** Mr. Stivers had scrivener's changes to the minutes. Mr. Dennington moved to approve the March 19, 2024 and March 23, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

b. Accept donation to the Library for $103.15 from C/W MARS

Mr. Dennington moved to approve Consent Agenda item "b", Consent Agenda item "c. ii" and Consent Agenda item "c. iii." Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

c. Approve job description:

i. Building Commissioner

Mr. Dennington requested to remove bullet point #2 under the essential functions section, as it appears twice. Mr. Dennington moved to approve the Building Commissioner job description, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

ii. Business Admin. I, Building Dept.

iii. Building Inspector

VI. Other Matters *(Board may vote)*

a. Review of Annual Town Meeting

For purposes of discussion, Mr. Dennington discussed Other Matters "a" along with Other Matters "e." Mr. Dennington stated that Town Meeting had approved a budget that included the addition of two dispatcher positions and noted the decision regarding regionalization had been deferred until Fall Town Meeting. Mr. Dennington also asked Mr. Purple to ensure that the home rule petition abolishing the Public Works Planning Board is submitted to the Attorney General's office and Mr. Purple stated he would follow up on the matter. Mr. Dennington stated that Town Meeting attendance was not high and he suggested that childcare be provided, as some parents of small children were unable to participate. The Board discussed how and when to schedule Town Meeting to encourage the greatest participation by all Town members. The Board also discussed the timing of Annual Town Meeting and September 23rd/September 24th as potential dates for Fall Town Meeting 2024. Mr. Hamilton suggested the Town provide a "Noisy Room" to encourage participation for parents of small children. Ms. Mary Tinty, 2 General Henry Knox Road, asked that the Board find solutions to encourage participation in Town Meeting by families of small children. She stated that asking parents to pay for childcare to come and vote is not in the best interest of democracy and stated that keeping Town Meeting on Saturday is ideal. She stated she would like to see a "Noisy Room" for small children and childcare for older children. Ms. Andrea Hamilton, 119 Northboro

Road, stated she was disappointed there was no childcare available at Town Meeting. She stated that she did not get to participate in Town Meeting this year, due to childcare issues, and that multiple years of offering childcare would institutionalize it for parents. She stated that providing childcare would offer a stopgap measure to Town Meeting participation but she would like the Board to assemble a committee to explore a representative town meeting model. Ms. Tinty asked that clickers be available for parents in the "Noisy Room." The Board discussed logistics for clicker use and speaking outside of the Town Meeting space. The Board discussed the following topics for Fall Town Meeting: MBTA Communities, Regional Dispatch, the Public Works Advisory Committee (PWAC), Recommendations from the Public Safety Staffing Study, including the police lieutenant position, Atwood lead funding, National Grid property, consideration of a storm water enterprise fund, increasing the Community Preservation Act (CPA) surtax from 1% to 3%, moving affordable housing monies from the Community Preservation Commission (CPC) to the Affordable Housing Trust Fund Committee (AHTFC) and restructuring/combining the AHTFC and SHOPC. The Board agreed to reschedule their meeting with the CPC to discuss affordable housing issues. Mr. Tim Litt, 146 Woodland Road, suggested the Board add removing the defunct Consumer Advisory Committee to its list for consideration at Fall Town Meeting and the Board agreed. The Board discussed the PWAC and agreed to hear DPW Superintendent Cundiff's thoughts on the matter. The Board discussed the two additional dispatcher positions. Mr. Dennington moved that the Board approve advertising for job openings for the two new dispatcher positions. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0). Ms. Cook asked if there was any interest in changing the Annual Town Meeting date to later than the last Saturday in March. The Board agreed that there is interest and agreed to consider a potential bylaw changing the date for Fall Town Meeting 2024. Mr. Hamilton suggested that the Town not schedule events at Town facilities on the day of Annual Town Meeting. Mr. Litt stated that for many years, Town Meeting was scheduled near the April 15th tax date.

b. Recruitment for Building Commissioner vacancy

For purposes of discussion, the Board discussed Other Matters "b" and Other Matters "c" together. Mr. Purple reported that Building Commissioner Burlingame submitted his resignation and his last day of work would be Friday, April 5th. He is requesting the Board appoint Gene Novak as Acting Building Commissioner through Friday, April 5, 2024 and then appoint Mr. Novak as Interim Building Commissioner, effective April 6, 2024. Mr. Purple reported that Mr. Novak would work approximately 3-4 days/week following his appointment. The Board discussed hiring Community Paradigm to assist with recruitment for the Building Commissioner position. Mr. Dennington moved to appoint Gene Novak as Acting Building Commissioner, through April 5, 2024. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0). Mr. Dennington moved to appoint Gene Novak as Interim Building Commissioner, effective April 6, 2024. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0). The Board discussed public sector recruitment and noted it has changed. Mr. Hamilton suggested a discussion with State officials is needed to address the public labor market and re-evaluate the use of public retirees. Mr. Purple thanked Ms. Hale for her past efforts in recruitment. Mr. Dennington moved to authorize Mr. Purple to engage Community Paradigm for the purpose of Building Commissioner recruitment for a contract amount not to exceed $10,000. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

c. Appoint Gene Novak as Interim Building Commissioner

See Other Matters "b."

d. Update and status of regional dispatch discussions

Mr. Hamilton updated the Board on recent conversations with the Police and Fire Chiefs. He stated that the Chiefs are polling their peers to obtain their thoughts on regionalization. Mr. Hamilton stated that Westborough continues to look attractive as a Regional Emergency Communication Center (RECC) but it is concerning that they have not hired an Executive Director. He stated he continues to survey RECCs to obtain more information. Mr. Hamilton asked that the Board make a recommendation no later than the end of May/early June in order to hold public forums prior to a Fall Town Meeting vote. Ms. Cook stated she has questions regarding joining Westborough versus joining an existing RECC. Mr. Hamilton stated that further discussions with Westborough are needed. The Board discussed the timing for decision-making. Mr. Dennington stated this matter would appear regularly on the Board's future agendas.

e. Planning for Fall Town Meeting

See Other Matters "a."

f. Vote to accept St. Mark's Street Park Working Group recommendation of "Southborough Heritage Park"

Mr. Dennington moved that the Board name what used to be called the St. Mark's Street Park the Southborough Heritage Park. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

g. Request for naming of benches in new park

Ms. Cook stated that the School Committee and Southborough Youth and Family Services have requested to dedicate a park bench, with a plaque, in the memory of Kim Tollander. Ms. Cook moved to dedicate one of the Southborough Heritage Park benches, with a plaque, in memory of Kim Tollander. Mr. Dennington seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

VII. Public Comment

There was no public comment.

VII. Adjournment

Mr. Dennington moved to adjourn the meeting at 8:41 PM. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Upcoming Meetings	
April 23, 2024	*May 7, 2024*

Respectfully submitted,

To: Honorable Select Board

From: Chief Ryan M. Newell

Subject: Appointment of Student Officer Jeremy McClosky

Date: March 13, 2024

Dear Select Board Members:

Please consider my request to appoint Mr. Jeremy McClosky as a Student Officer with the Town of Southborough, effective April 2, 2024. Mr. McClosky is a resident of Douglas, MA, and is currently attending the MPTC certified Police Academy at Quinsigamond Community College. He is a graduate of Douglas High School and is currently working towards his college credits. He is also currently a part-time dispatcher for both the Sutton & Douglas Police Departments. The open position with the SPD became available after the promotion of Sergeant Thomas Rock in October of last year.

Mr. McClosky's compensation will be seven hundred dollars per week (Local 167 Contract), until his MPTC Police Academy graduation in May, when he will transition to "Probationary Officer".

Please feel free to contact me with any questions or concerns you may have.

Thank you.

Respectfully,

Ryan M Newell

Mr. Jeremy McClosky
[redacted]

Dear Mr. McClosky,

Congratulations on your Conditional Offer as a Student Officer for the Town of Southborough. We are happy that you have accepted our verbal offer of employment, contingent upon the successful results of a comprehensive background check (including POST requirements), physical exam, drug screening, psychological evaluations, MPTC Full-Time Certification (the cost of which is borne by the Town), and confirmation by the Select Board. After we receive successful results for these preemployment conditions, we will determine a mutually agreeable date for you to begin as a Southborough Police Officer. The Town's Police Officers are unionized. Compensation, benefits, and conditions of employment available to Police Officers are set forth in the Collective Bargaining Agreement (CBA), which is subject to change. This is a full-time, benefits eligible position starting at Step One Pay Rate of the Union Contract. You may be eligible for additional forms of compensation in accordance with the CBA. Your schedule is based on 40 hours per week. Your immediate supervisor will be the department's training supervisor, Sergeant Tom Rock.

As an employee of the Town of Southborough, you are an at-will employee, which means you or the Town of Southborough may terminate your employment at any time for any lawful reason (per Union Contract). This position classifies you as a non-exempt employee. This means that you will be eligible for overtime under the regulations of the Fair Labor Standard Act (FLSA).

The Town of Southborough will be providing you with additional paperwork and will be happy to assist you with the onboarding process. To confirm your acceptance of this position, please sign and return the enclosed copy of this offer letter to the Chief of Police as soon as possible; retaining the original for your files.

Once again, congratulations on your Conditional Offer. We hope you will have a wonderful employment experience with the Town of Southborough, and very much look forward to having you staff with the Town. Please do not hesitate to contact Chief Ryan M. Newell, Assistant Town Administrator Vanessa Hale, or myself if you have any questions. We wish you success on successful completion of all the above conditions. The Town of Southborough and the Police Department look forward to your contributions.

Mark Purple
Town Administrator
Cc: Ryan M. Newell, Chief of Police
Vanessa Hale, Assistant Town Administrator

Acceptance: _____ Date: 01/02/2024

TO: Whom it may concern
FROM: Jeremy McClosky
SUBJECT: Cover Letter

I am eager to submit my application for the Police Officer position that is being offered at your Police Department. I am currently attending a MPTC certified Police Academy at Quinsigamond Community College. I am also working as a police, fire, and EMS dispatcher for the town of Douglas and the town of Sutton, both in Massachusetts; previously, working as a security officer at a popular event venue. I believe that through those opportunities and my ambition to progress my education through the Police Academy / further college courses, I possess the requisite skills and abilities to perform the duties stipulated on what it takes to become police officer.

While working as a security officer, I was responsible for detecting suspicious behavior, illegal paraphernalia, and had to encounter many intoxicated and below cooperative persons attending the venue. While being assigned at the main gate of the security process, where the most amount of people came through, I had the responsibility to remain vigilant and authoritative all while being respectful, open-minded, and providing a friendly environment and encounter to the diverse crowd. While working with Sutton and Douglas Police Department, I have been able to see both sides of policing, on the road and on the communications side. The importance of dispatchers obtaining the correct information to relay to the officers and ensure everyone's safety is a major skill that a police officer must have, I have learned this skill firsthand while dealing with people on the business and emergency line, as well as going into detail and learning scenarios in the Police Academy.

Personally, I have made sure that I pay close attention to detail while multitasking and performing correct the policies and procedures under chaotic and high-stress situations. I am eager to use these skills to further progress my career in law enforcement. Everything that I have and continue to learn in the Police Academy will help me become the best police officer possible and ensure that I uphold the values of my community and the agency I serve. As a police officer I will be dedicated to community policing and providing a safe and friendly environment. For everyone within

the community, I will protect their constitutional rights and through my training ensure that every encounter is professional and reasonable. For the reasons brought up above, I am confident that you will find me a competitive candidate for your department, and I look forward to speaking further about this opportunity.

Respectfully Submitted,

Jeremy McClosky

November 15, 2022

Mr. Wayne Anderson
200 Southville Road
Southborough, MA 01772

Dear Mr. Anderson,

This office has received a zoning complaint regarding someone living in a trailer home on your property at 200 Southville Road since sometime this summer. Southborough's Zoning Bylaws prohibits the use of a trailer home or mobile home as a dwelling for more than 30 days in a calendar year. A review of our records reveals that you do not have a special permit to use a trailer home or mobile home as a dwelling for more than 30 days

If you have someone residing in a trailer home at 200 Southville Road, within 30 days of receipt of this notice you must cease such use, or in the alternative you may apply for and seek an approval from the Zoning Board of Appeals for a special permit to allow the use of a trailer or mobile home for more than 30 days in a calendar year.

Please consider this a warning under the Town of Southborough's Non-criminal disposition act. Failure to comply with 30 days of receipt of this letter will result in the issuance of daily fines not to exceed $300.00 for each offense. Each day that such violation continues shall constitute a separate offense. Thank you for your immediate attention to this matter.

Should you have any questions or concerns related to this matter please feel free to contact me at 508-485-0717 or Rmatte@southboroughma.com.

Sincerely,

Ray Matte

RE: ORDER to CORRECT. State Sanitary Code Violations at 200 Southville Road, Southborough

Dear Mr. Anderson:

You are receiving this letter as the owner of record of 200 Southville Road in Southborough, MA. We received a complaint from a Southborough resident that there may be a person residing in a travel trailer on your property. Our housing inspector has observed the trailer. Photo Figure 1, July 13. Housing Inspector has viewed trailer again on August 11th and 14th. (Figure 2 and 3)

This is a violation of 105 CMR 410.000: MINIMUM STANDARDS OF FITNESS FOR HUMAN HABITATION (STATE SANITARY CODE, CHAPTER II). The applicable section of the code is below.

410.440: Temporary Housing

(A) No person may allow temporary housing to be occupied without the written permission of

the Board of Health.

(B) All temporary housing shall be subject to the requirements of 105 CMR 410.000, except

as the Board of Health may otherwise provide in its written permission.

The Southborough Board of Health has not granted permission for temporary housing to be occupied at 200 Southville Road. As you were previously notified by the Town's Zoning Enforcement Officer on November 15, 2022 as to the zoning violation, we consider this violation ongoing.

You are hereby ordered to correct the ongoing violation and requested to appear before the Southborough Board of Health to address this violation. A virtual meeting is scheduled for September 5, 2023, at 9:30 a.m. at which time you will be given an opportunity to be heard and to present witness and documentary evidence as to why this order should be modified or withdrawn. You may be represented by an attorney. Please also be informed that you have the right to inspect and obtain copies of all relevant inspection or investigation reports in the possession of this Board. If you do not appear or correct this violation, this matter will be referred to Town Counsel.

You are hereby ordered to correct the ongoing violation of 105 CMR 410.400 of the Sanitary Code and requested to appear virtually before the Southborough Board of Health to address these violations on

RE: State Sanitary Code Violations at 200 Southville Road, Southborough

Dear Mr. Anderson:

You are receiving this letter as the owner of record of 200 Southville Road in Southborough, MA. We received a complaint from a Southborough resident that there may be a person residing in a travel trailer on your property. I witnessed the trailer from an abutting property (see figure 1).

This is a violation of 105 CMR 410.000: MINIMUM STANDARDS OF FITNESS FOR HUMAN HABITATION (STATE SANITARY CODE, CHAPTER II). The applicable section of the code is below.

410.440: Temporary Housing

(A) No person may allow temporary housing to be occupied without the written permission of

the Board of Health.

(B) All temporary housing shall be subject to the requirements of 105 CMR 410.000, except

as the Board of Health may otherwise provide in its written permission.

The Southborough Board of Health has not granted permission for temporary housing to be occupied at 200 Southville Road. As you were previously notified by the Town's Zoning Enforcement Officer on November 15, 2022 as to the zoning violation, we consider this violation ongoing.

You are hereby ordered to explain the use and condition of the trailer with our housing inspector Michael Seager. If you do not comply within 14 days, you will receive an Order to Correct and to appear before the Southborough Board of Health to address these violations.

Please feel free to call this office with any questions at (508) 481-3013).

THE FOLLOWING IS A BRIEF SUMMARY OF SOME OF THE LEGAL REMEDIES TENANTS MAY USE IN ORDER TO GET HOUSING CODE VIOLATIONS CORRECTED.

1. Rent Withholding (General Laws Chapter 239 Section 8A).

If Code Violations Are Not Being Corrected you may be entitled to hold back your rent payment. You can do this without being evicted if:

A. You can prove that your dwelling unit or common areas contain violations which are serious enough to endanger or materially impair your health or safety and that your landlord knew about the violations before you were behind in your rent.

B. You did not cause the violations and they can be repaired while you continue to live in the building.

C. You are prepared to pay any portion of the rent into court if a judge orders you to pay for it. (for this it is best to put the rent money aside in a safe place.)

2. Repair and Deduct (General Laws Chapter 111 Section 127L).

This law sometimes allows you to use your rent money to make the repairs yourself. If your local code enforcement agency certifies that there are code violations which endanger or materially impair your health, safety or well-being and your landlord has received written notice of the violations, you may be able to use this remedy. If the owner fails to begin necessary repairs (or enter into a written contract to have them made) within five days after notice or to complete repairs within 14 days after notice you can use up to four months' rent in any year to make the repairs.

3. Retaliatory Rent Increases or Eviction Prohibited (General Laws Chapter 186, Section 18 and Chapter 239 Section 2A).

The owner may not increase your rent or evict you in retaliation for making a complaint to your local code enforcement agency about code violations. If the owner raises your rent or tries to evict within six months after you have made the complaint, he or she will have to show a good reason for the increase or eviction which is unrelated to your complaint. You may be able to sue the landlord for damages if he or she tries this.

4. Rent Receivership (General Laws Chapter 111 Sections 127C-H).

The occupants and/or the board of health may petition the District or Superior Court to allow rent to be paid into court rather than to the owner. The court may then appoint a "receiver" who may spend as much of the rent money as is needed to correct the violation. The receiver is not subject to a spending limitation of four months' rent.

5. Search of Warranty of Habitability.

You may be entitled to sue your landlord to have all or some of your rent returned if your dwelling unit does net meet minimum standards of habitability.

6. Unfair and Deceptive Practices (General Laws Chapter 93A)

Renting an apartment with code violations is a violation of the consumer protection act and regulations for which you may sue an owner.

THE INFORMATION PRESENTED ABOVE IS ONLY A SUMMARY OF THE LAW. BEFORE YOU DECIDE TO WITHHOLD YOUR RENT OR TAKE ANY LEGAL ACTION, IT IS ADVISABLE THAT YOU CONSULT AN ATTORNEY. YOU SHOULD CONTACT THE NEAREST LEGAL SERVICES OFFICE WHICH IS:

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Monday, March 19, 2024 6:00 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Al Hamilton, Marguerite Landry, Sam Stivers, Town Manager Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:00 PM.

II. Public Comment

Mr. Bruce Sturgeon, 40 Atwood Road, requested that his property be tested sooner rather than later for lead contamination and at a depth of at least 24 inches, due to his proximity to the water tower.

III. Scheduled Appointments *(Board may vote)*

Mr. Dennington moved to Scheduled Appointment "b" at this time.

a. Pole Hearings: National Grid/Verizon

i. 6:35 PM; 121 Northboro Road

Mr. Purple read the public hearing notice into the public record. Mr. Dennington opened the public hearing at 6:36 PM. Mr. Hamilton recused himself from the matter, as a relative is an abutter and provides access to National Grid. Mr. Al Galvin, Engineer for National Grid, appeared before the Board on the matter. Mr. Galvin requested that a stabilizing pole holding a feeder monitor be installed to monitor voltages. There were no questions from the Board. Mr. Dennington moved to close the public hearing at 6:38 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (4-0-0). Mr. Dennington moved to approve the pole application for 121 Northboro Road. Mr. Stivers seconded the motion. The motion was unanimously approved (4-0-0).

Mr. Hamilton rejoined the meeting.

ii. 6:40 PM; 154 Northboro Road

Mr. Purple read the public hearing notice into the public record. Mr. Dennington opened the public hearing at 6:38 PM. Mr. Galvin requested that a stabilizing pole holding a feeder monitor be installed to monitor voltages. There were no questions from the Board. Mr. Dennington moved to close the public hearing at 6:39 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved to approve the pole application for 154 Northboro Road. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

iii. 6:45 PM; 20 Jericho Hill Road

Mr. Purple read the public hearing notice into the public record. Mr. Dennington opened the public hearing at 6:40 PM. Mr. Galvin requested that a stabilizing pole holding a feeder monitor be installed to monitor voltages. Mr. Stivers asked if communication lines are located on any of the poles in question. Mr. Galvin stated that the application contains crossbars for stability to support adding communication lines but, presently, there are no communication lines. Mr. Dennington moved to close the public hearing at 6:43 PM. Mr. Stivers seconded the motion. The motion was unanimously

approved (5-0-0). Mr. Dennington moved to approve the pole application for 20 Jericho Hill Road. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

iv. 6:50 PM; 33 Turnpike Road

Mr. Purple read the public hearing notice into the public record. Mr. Dennington opened the public hearing at 6:43 PM. Mr. Galvin requested that a pole be installed for a commercial customer to support an EV charger. Mr. Stivers asked who pays for the pole. Mr. Galvin stated that the customer pays for the pole installation. Mr. Dennington moved to close the public hearing at 6:45 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved to approve the pole application for 33 Turnpike Road. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Joint meeting with the Planning Board

Planning Board Chair Luttrell called the Planning Board meeting to order at 6:04 PM. Members present: Meme Luttrell, Lisa Braccio, Deb DeMuria and Marnie Hoolahan.

i. Approval of 2024 National Grid Vegetation Management Plan

Mr. Luke Fisk, from National Grid, appeared before the Board, via ZOOM, on the matter. He stated that this year's plan is similar to the 2023 Vegetation Management Plan (VMP). Mr. Hamilton recused himself from the matter, as a relative is an abutter and provides access to National Grid. The Board had no questions. Ms. DeMuria asked if National Grid coordinates with other pole users (i.e. providers). Mr. Fisk stated that National Grid only trims for the electrical assets. Ms. Luttrell asked for clarification that any hazard trees taller than 8 inches would be subject to the hearing process. Mr. Fisk confirmed that is the case. Mr. Tim Litt, 148 Woodland Road, stated he is concerned about the lack of coordination between National Grid and other pole users. He asked why National Grid stopped coordinating with other pole users and how National Grid might begin coordination. Mr. Fisk stated that the cable companies withdrew from prior agreements. Mr. Dennington moved that the Board approve the proposed National Grid Vegetation Management Plan for FY2025. Mr. Stivers seconded the motion. The motion was unanimously approved (4-0-0). Ms. Hoolahan moved that the Planning Board approve the proposed National Grid Vegetation Management Plan for FY2025. Ms. DeMuria seconded the motion. The motion was unanimously approved (4-0-0).

ii. Discussion of MBTA Communities bylaw and Special Town Meeting

Ms. Luttrell updated the Board on the steps the Planning Board and Planning Department have taken on behalf of the Town to comply with the MBTA initiative. Ms. Luttrell stated that the Planning Board only recently learned that the area within the .5-mile radius of the commuter rail station was not incompliance, relative to unit capacity, due to incorrect modeling by Bohler Engineering. She stated the Planning Board recommends that the Town seek relief from the State for the following: 1) a reduction in the unit capacity within the .5-mile radius of the commuter rail station, due to historical and geographical constraints; and 2) an extension of time to obtain compliance, due to the incorrect information from the consultant. The Board discussed how to move forward, given recent developments. Mr. Dennington stated that the Police Department budget/dispatchers matter would be addressed at a Fall Town Meeting and suggested the Planning Board bring forth the MBTA Communities bylaw at that time. The Board and Planning Board discussed timing of the approval of the MBTA Communities bylaw. The Planning Board agreed that a September Town Meeting would be preferable. Ms. Braccio noted that an additional Special Town meeting would need to be scheduled by December 31, 2024, if the bylaw is not approved at a Fall Town Meeting. The Board and Planning Board agreed the Planning Board would draft a letter, with the assistance of Town Counsel, to the State requesting relief for reasons 1 and 2 described above. The Board and Planning Board agreed to move forward with compliance, regardless of the outcome of the Town's request to the State. Ms. Braccio moved to adjourn the Planning Board meeting at 6:33 PM. Ms. DeMuria seconded the motion. The motion was unanimously approved (4-0-0). Mr. Andrew Pfaff, 50 Oak Hill Road and Chair of the Advisory Committee, suggested the Town write a letter to the State Auditor

requesting a determination as to whether or not the MBTA Communities initiative is an unfunded mandate. The Board took no action on the suggestion.

Mr. Dennington moved to Scheduled Appointments "a" at this time.

c. Committee Appointments/Interviews:

i. Destin Heilman – 21 Highland Street Future Use Committee; term to expire 6/30/2024

Destin Heilman appeared before the Board on the matter. The Board interviewed Dr. Heilman. Mr. Dennington moved to appoint Destin Heilman to the 21 Highland Street Future Use Committee, term to expire 6/30/2024. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

ii. Albena Philippo – 21 Highland Street Future Use Committee; term to expire 6/30/2024

Albena Philippo appeared before the Board, via Zoom, on the matter. The Board interviewed Ms. Philippo. Mr. Dennington moved to appoint Albena Philippo to the 21 Highland Street Future Use Committee, term to expire 6/30/2024. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

iii. Frederica Gillespie – Open Space Preservation Commission Rep. to 21 Highland Future Use Committee; term to expire 6/30/2024

Frederica Gillespie did not appear before the Board on the matter. Mr. Dennington moved to appoint Freddie Gillespie as the Open Space Preservation Commission Rep. to the 21 Highland Future Use Committee, term to expire 6/30/2024. Mr. Stivers seconded the motion. The motion passed (4-1-0). Mr. Hamilton voted against the motion.

iv. Maria Romero Vagnini-Scholarship Committee, term to expire 6/30/2024

v. Christine Pearson-Scholarship Committee, term to expire 6/30/2024

Maria Romero Vagnini and Christine Pearson appeared jointly before the Board on the matter. The Board interviewed Ms. Romero Vagnini and Ms. Pearson. Mr. Dennington moved to appoint both Maria Romero Vagnini and Christine Pearson to the Scholarship Committee, terms to expire 6/30/2024. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Purple announced that Scholarship applications are due on May 9th and further information can be found on the Town's website. He also stated he would place a notice in his weekly newsletter.

vi. Lisa Braccio-Scholarship Committee, term to expire 6/30/2025

Lisa Braccio did not appear before the Board on the matter. Mr. Dennington moved to appoint Lisa Braccio to the Scholarship Committee, term to expire 6/30/2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

vii. Appoint Johanna Sheyner as the Recreation Commission Rep. to 21 Highland Future Use Committee; term to expire 6/30/2024

Johanna Sheyner did not appear before the Board on the matter. Mr. Dennington moved to re-appoint Johanna Sheyner as the Recreation Commission Rep. to the 21 Highland Future Use Committee, term to expire 6/30/2024. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

d. DPW Superintendent Bill Cundiff and water consultant Matt Abrahams: FY25 water rates discussion

Mr. Dennington addressed this matter after the Consent Agenda. Mr. Abrahams and DPW Superintendent Cundiff appeared before the Board on the matter. Mr. Abrahams presented the water rate study, which included recommendations for the Town to consider. The Board discussed how to pay for the Atwood lead issue and agreed that funding could be addressed at a Special Town Meeting. The Board acknowledged that the water rate recommendations do not include addressing payment for the Atwood lead issue. Mr. Abraham stated that weather patterns play a role in water revenue for the Town. The Board discussed the options presented by Mr. Abrahams, including an increase spread over 3 quarters versus 4 quarters. The Board agreed with the methodology used to determine the rates, which included increases in the base and rate charges. Mr. Dennington moved

to approve the FY25 water rates as reflected on slide 7 of the presentation by Mr. Abraham. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Superintendent Cundiff stated that he would frequently return to discuss water rates with the Board on a case-by-case basis.

The Board recessed at 8:09 PM and returned at 8:18 PM to discuss Other Matters.

IV. Reports

a. Chair's Report

i. Close-out of MA DLS citation re: Transfer Station

Mr. Dennington reported that the DPW had quickly and successfully resolved issues surrounding the recent incident at the Transfer Station and subsequent citation issued by the Massachusetts Department of Labor Standards.

ii. Update on CPC-Select Board discussion regarding CPC community housing funds

Mr. Dennington reported that the Community Preservation Commission (CPC) has invited the Affordable Housing Trust Fund Committee (AHTFC) to a meeting on April 25th to discuss the direct transfer of Community Preservation Act (CPA) funds to the AHTFC for the purposes of assisting with increasing the Town's affordable housing stock.

iii. Northboro Road 61A parcels

Mr. Dennington reported that the Town has not received a response to the letter sent to the property owner, which stated the Town did not believe the owner's offer was in compliance with State requirements. He also stated that Mr. Purple had requested feedback on potential uses of the parcels by April 12th from the Planning Board, SHOPC, the Open Space Preservation Commission and the Recreation Commission. Mr. Dennington stated that the feedback would be discussed at the Board's April 23rd meeting. He noted that the Board would need to choose whether or not to exercise its right of first refusal before June 4, 2024.

b. Member's Report

i. Update on Neary Building project

Ms. Cook reported that the Neary School Building Committee (NSBC) would hold another informational session on April 11th to provide information and obtain public feedback on the project. She stated that on May 14th, the NSBC would submit the scope of potential solutions to the Massachusetts School Building Authority (MSBA) and, over the summer, Arrowstreet would evaluate the options and make a recommendation to the MSBA on August 29th. Ms. Cook stated the MSBA would make a determination on the recommendation in October.

ii. Regional Dispatch

Mr. Hamilton stated that he and Mr. Stivers met with the Police Chief, sergeants and lieutenants to understand the requirements of a successful regional dispatch system and will meet with similar representatives of the Fire Department in the next two weeks. He reported that he and Mr. Stivers met with representatives from Westborough and learned they are 28-30 months away from opening their Regional Emergency Communications Center (RECC). He stated that the Town Manager from Grafton has experience with regional dispatch and would share that information. Mr. Stivers stated that the Police Staffing Study would provide important information regarding regional dispatch prior to the Fall Town Meeting.

iii. ATM/Easter Egg Hunt parking

Mr. Hamilton stated he had coordinated with the group hosting the Easter Egg Hunt and reported that the Police Department had created a parking and overflow-parking plan for Saturday, March 23rd to accommodate both events. Ms. Cook stated she does not think any events should be scheduled on Town property on Town Meeting Day.

iv. Atwood lead update

Mr. Hamilton reported that the secondary report had been received confirming there is a lead issue at the site and may be potential leaching. He stated that the next step would include testing in a grid fashion. He suggested the testing consultant appear before the Board to discuss the matter. He also stated that he is forwarding information to abutters. Mr. Dennington asked about the cost of testing. Mr. Hamilton stated that the estimate for comprehensive testing is approximately $80,000. DPW Superintendent Cundiff described the comprehensive testing process and noted that there were no PCBs found and PFAs are not associated with this matter. The Board discussed potential funding for the testing.

c. Town Administrator's Report

There was no Town Administrator's report.

V. Consent Agenda

a. Approve Open Session Meeting Minutes: February 27, 2024; March 4, 2024

Mr. Dennington requested to hold Consent Agenda item "a." **February 27, 2024, minutes:** Mr. Dennington and Mr. Stivers had scrivener's changes to the minutes. Mr. Dennington moved to approve the February 27, 2024, minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **March 4, 2024, minutes:** Mr. Stivers had scrivener's changes to the minutes. Mr. Dennington moved to approve the March 4, 2024, minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Approve Community Center Exploration Committee Meeting Minutes: January 22, 2024

c. Approve request to exchange cemetery graves in the Rural Cemetery

Ms. Cook requested to hold Consent Agenda item "c." Ms. Cook asked about the procedure when a request occurs. Mr. Purple stated that requests are rare but, historically, the Board has approved such requests. Mr. Dennington moved to approve Consent Agenda item "c." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

d. Approval of job descriptions:

i. IT Manager
ii. Senior IT Specialist
iii. Accountant
iv. Assistant Accountant

Mr. Dennington moved to approve Consent Agenda items "b" and "d." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VI. Other Matters *(Board may vote)*

a. Town Meeting preparation

ii. Assignment of motions/presentation for Warrant articles

The Board agreed Mr. Dennington would present Article #33 – to amend the Special Act, Mr. Stivers would present Article #34 –the creation of the Public Works Advisory Committee (PWAC) and Ms. Cook would present Article #35 – amending the membership requirement for the Capital Improvement and Planning Committee (CIPC). The Board also agreed to be prepared to discuss any split votes that occurred. The Board discussed how to present Article #5 – the Town Budget – relative to Article #6 and Article #7. The Board agreed to discuss the process the Board will take prior to a Fall Town Meeting where the Town would be asked to decide the dispatch/regionalization matter. Mr. Hamilton moved that it be the policy of the Town of Southborough that the Select Board, in the event it desires to enter into a RECC, will make a presentation to Town Meeting to seek its advice, understanding that the ultimate decision resides with the Select Board. Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0). Mr. John Butler, 4 Davis Road, stated he would move to indefinitely postpone Article #8 at Town Meeting after the Board described their vote taken regarding Mr. Hamilton's motion this evening. Ms. Cook agreed to present the

Board's position at Town Meeting as to why it voted 3-2 not to support Articles #6 and #7. Mr. Litt stated that the slides for Articles #33 and #34 describe the process for both Articles and must be sent to the IT Department for display at Town Meeting. Mr. Cimino requested that the slides be submitted soon, as the deadline for submission of such materials for Town Meeting was March 18th. The Board agreed not to hand out the FAQs for Articles #33 and #34 at Town Meeting. Mr. Purple will submit the materials for Articles #33 and #34 to the Town Clerk tomorrow.

iii. Discussion of Select Board report to Town Meeting

Mr. Hamilton suggested that the Board deliver a brief report at Town Meeting, which provides an overview of the issues facing the Town for the next 3-4 years. The Board discussed the lack of time to prepare the report and discussed other vehicles to deliver this type of information from the Board, including Southborough Access Media (SAM), the Town website and mailers. Mr. Paul Cimino, Town Moderator, clarified that reports unrelated to specific articles would take place prior to the start of Town Meeting and there would be opportunities for the Board to speak as sponsors of specific articles. The Board agreed not to move forward with Mr. Hamilton's suggestion at this time but consider other opportunities to communicate the information.

iv. Discussion of FY25 recommended Police and Communications budget and future of dispatch operations

See Other Matters a. ii. above.

b. Amend charge to the 21 Highland Street Future Use Committee

The Board discussed the matter and agreed to the following changes to the 21 Highland Street Future Use Committee: 1) extend the charge's expiration date to December 31, 2024; change the interim report due date to no later than November 30, 2024; and 2) change the final report due date to no later than January 1, 2025. Mr. Dennington moved that the Board approve the amendments to the 21 Highland Street Future Use Committee, as described above. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

c. Approve Select Board meeting calendar from April 1, 2024 through June 30, 2024

The Board agreed with the meeting schedule through June 30, 2024, as presented in tonight's packet. The Board agreed to hold Office Hours on the following dates from 6-7 PM: April 9th – Ms. Cook and Mr. Dennington and June 11th – Ms. Landry and Mr. Hamilton.

d. Discussion of Special Town Meeting dates

The Board discussed potential Fall Town Meeting Dates and agreed that Monday, September 23rd, is a strong possibility but will make a final decision at a later date. Mr. Purple will investigate logistics for a September 23rd meeting.

VII. Public Comment

There was no public comment.

VII. Adjournment

Mr. Dennington moved to enter Executive Session per M.G.L. Chapter 30A, Section 21, and not return to Open Session at 9:24 PM for the following purpose: (1) to review and approve Executive Session minutes from October 24, 2023. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Saturday, March 23, 2024
Location: Room 139, Trottier School, 49 Parkerville Road, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Al Hamilton, Marguerite Landry, Sam Stivers, Town Manager Mark Purple, Assistant Town Administrator Vanessa Hale, and Town Counsel Jay Talerman.

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 8:41 AM.

II. Town Meeting Preparation

As the article sponsor for Articles 6 & 7 had decided to indefinitely postpone those articles, Mr. Dennington asked the Board to take a position on that motion. Mr. Dennington made a motion to support the motion to indefinitely postpone Articles 6 & 7, seconded by Mr. Stivers. Motion was unanimously approved, 5-0-0.

Based on Town Counsel's opinion regarding the legality of Article 47, which was confirmed by the Attorney General's office, Mr. Dennington asked the Board if they wanted to reconsider their previous vote not to support. Mr. Talerman said that if the article motion is non-binding, then the issue of legality is moot. After some discussion, it was apparent that the current vote would not change if revoted.

Mr. Dennington said that he was aware that Tim Fling may be offering an amendment under Article 5 to reduce budgets across the board, but possibly holding schools and salary lines harmless. Town Counsel said that he would have to hold every non-salary budget line. Mr. Dennington was not in favor of such an amendment based on the process required, and that such an amendment would hurt smaller budgets more than others.

The Board recessed at 9:04 A.M. and returned from recess at 9:10 A.M.

Mr. Tim Fling and the Board discussed the protocol for amending Article 5 (FY25 budget article). Town Counsel advised that the form of any amendments is the decision of the Moderator. Mr. Dennington said that he identified those articles sponsored by the Select Board and made comments under each that he was responsible for making the motion for. While most were brief, he did note that Articles 33 and 34 might have more of an explanation. Mr. Dennington also noted that people should be ready to speak to their articles if the article gets removed from the consent agenda.

There being no additional business to conduct, Mr. Dennington made a motion to adjourn the meeting at 9:34 A.M. and seconded by Mr. Stivers. Motion was unanimously approved, 5-0-0.

Upcoming Meetings	
April 2, 2024	*April 23, 2024*

Respectfully submitted, Mark Purple, Town Administrator

TITLE: Building Commissioner

Department: Building Dept.	**SAP Grade:**
Bi-weekly Hours: 80	**Reports to: Town Administrator**
Approved by Personnel Board:	**Approved by Appointing Authority:**

Position Purpose:

Administrative, supervisory, and inspection work related to the provision of inspection services in the town, including building, zoning, energy, accessibility, the enforcement of the local zoning bylaws, and other applicable regulations; performs all other related or similar work as required.

Essential Functions:

(The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)

- Interprets and enforces building, mechanical, accessibility, and energy codes etc., for builders, lawyers, homeowners, realtors, bankers, and others citizenry;
- Serves as the Town Zoning Enforcement Officer determining compliance or non-compliance of various properties with dimensional and other requirements of Town and State zoning regulations;
- Enforces the provision of the state building code, the town's zoning bylaws; enforces the regulations and requirements of special permits issued by the Town Planning Board and variances and special permits issued by the Zoning Board of Appeals and all other applicable statutes, rules and regulations. Oversees the enforcement of electrical, plumbing, and gas codes by supervised employees;

- Oversees the operations of the department, which includes the maintenance of department records, collection of pertinent fees, and preparation and administration of the department's capital and operating budgets;
- Reviews zoning and building requests; reviews plans for building construction or alteration to determine compliance with state codes, site plan reviews, local zoning bylaws, and other applicable regulations. Meets with engineers, architects, and others to review construction and other plans; advises attorneys and others on zoning and other relevant inspection codes. Interprets and enforces building, mechanical, accessibility, and energy codes, etc., for builders, lawyers, homeowners, realtors, bankers, and other citizenry;
- Serves as the Town Zoning Enforcement Officer determining compliance or non-compliance of various properties with dimensional and other requirements of Town and State zoning regulations;
- Oversees and conducts field, on-site inspections of new buildings and alterations to buildings for new construction, renovation, change of use, and additions and upon completion for conformity with building code requirements, approved plans, and zoning restrictions. Issues certificates of occupancy for new construction;
- Conducts periodic inspections of schools, daycares, medical facilities, assembly areas, churches, and Chapter 304/ABC inspections;
- Enforces all of the provisions of the various inspection codes and acts on all questions relative to the mode or manner of construction and the materials to be used in the erection, addition to, alteration, repair, removal, demolition, installation of service equipment, and the location, use, occupancy, and maintenance of all buildings and structures, except as may otherwise be specifically provided for by statutory requirements;
- Participates and assists in developing overall town government inspection service goals and policies;
- Maintains pertinent professional certifications;
- On behalf of the town may be required to participate in legal proceedings with regard to appeals and the enforcement of code compliance cases.

Recommended Minimum Qualifications:

Education, Training, and Experience:

Bachelor's Degree in a technical field with additional course work in building trades or related field; minimum of five- (5) years experience in the construction field with experience performing construction work with supervisory responsibility, designing projects either as an architect or an engineer, inspecting work as a certified professional inspector or an equivalent combination of education and experience.

Special Requirements/Licenses:

- Valid Massachusetts motor vehicle operator's license
- State certification as an Inspector of Buildings/Building Commissioner

Knowledge, Ability, and Skill:

Knowledge: Thorough knowledge of the materials and methods of building construction, the state building code, local and state zoning bylaws, electric, plumbing, and mechanical codes, as well as applicable state statutes, rules, and regulations.
Knowledge of current inspection techniques and practices.

Ability: Ability to: enforce code requirements and related regulations firmly, tactfully, and impartially; deal appropriately with the general public and members of the building community; communicate effectively orally and in writing; understand court procedures as related to building and zoning issues; prepare and maintain a department budget; oversee the operations of a multi-service department; read and interpret plans drawings and blueprints.

Skill: Excellent management, organizational, and supervisory skills. Excellent public relations skills.

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform essential functions.

This position requires frequent light to moderate physical effort while performing inspections. Must be able to access all areas and levels of a construction site in a safe manner; frequently required to spend several hours walking or standing. Must wear proper protective clothing and footwear during all inspections. While performing the duties of this position, the employee is regularly required to use hands and fingers, to handle, feel or operate objects, tools, or controls and to reach with hands and arms. Performance of the essential functions may also require employee to climb or balance, stoop, kneel, crouch, or crawl.
Occasionally may be required to lift up to 60 pounds. Normal vision requirements.

Supervision:

Supervision Scope: Performs varied and highly responsible functions of a technical nature, requiring considerable independent judgment and persuasion in the application, interpretation, and enforcement of building codes, zoning bylaws and other applicable regulations.

Supervision Received: Works under the general administrative direction of the Select Board through the Town Administrator in accordance with applicable provisions of the Massachusetts General Laws and town ordinances.

Supervision Given: Employee provides departmental level of supervision that includes two (2) full-time and five- (5) part-time employees all of whom work at the same locations and on the same shift.

Job Environment:

- Performs work under typical office conditions; inspection work is conducted in the field, with exposure to various weather conditions and hazardous conditions associated with construction sites. May be required to work outside normal business hours, at night, and on weekends in response to important situations or emergencies and meetings.
- Operates automobile, computer, hand tools, measuring devices, and standard office equipment.
- Makes constant contact with the public, town departments, and boards, members of the building community, property owners, state, federal and local officials requiring perceptiveness and discretion.
- Has access to department-related confidential information, including department personnel records, and lawsuits involving the town.
- Understands that errors in either technical application of recognized inspection procedures, or in the interpretation of related data could result in damage to property, endangerment to public safety, personal safety of other town employees, financial and/or legal implications as well as possible adverse public relations for the town.

The above statements are intended to describe the general nature and level of work being performed by people assigned to do this job. The above is not intended to be an exhaustive list of all responsibilities and duties required. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

**External and internal applicants, as well as position incumbents who become disabled as defined under the Americans With Disabilities Act, must be able to perform the essential job functions (as listed) either unaided or with the assistance of a reasonable accommodation to be determined by management on a case by case basis.*

This job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

Title: Business Administrator I; Building Department

Department: Building Dept. **SAP Grade: 4**

Biweekly Hours: 80 **Reports to: Building Commissioner**

Approved by Personnel Board: **Approved by Appointing Authority:**

Position Purpose:

This position provides administrative support and day-to-day office management. This position is responsible for maintaining and improving upon the efficiency and effectiveness of all areas under his/her direction and control; performs all other related work as required.

Essential Functions:

(The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)

- Performs general office work: answers phones, distributes mail, drafts correspondence, orders supplies, and acts as a go-to for general inquiries;
- Maintains workflow and streamlines office procedures; implements new procedures as assigned;
- Creates and revises systems and procedures by analyzing practices, recordkeeping systems, budgetary and personnel requirements; implements changes as needed;
- Resolves administrative problems by coordinating preparation of reports, analyzing data, and identifying solutions;
- Ensures operation of equipment by completing preventive maintenance requirements; calling for repairs; maintaining equipment inventories; evaluating new equipment and techniques;
- Provides information to the public and town employees/officials by answering questions and researching requests;
- Maintains supplies inventory by checking inventory level and processing orders;

- Maintains professional and technical knowledge by attending educational workshops; reviewing professional publications; establishing personal networks and seeking professional development;
- May lead the work of others and coordinate with volunteers or other peers;
- Performs similar or related work as required, directed, or as the situation dictates.

Recommended Minimum Qualifications

Education, Training, and Experience:

Associate's or Bachelor's Degree preferred; Three to five (3-5) years of progressive administrative experience or related field preferred; experience working with government, the public and responding to customer service requests desired. Any equivalent combination of education and experience will be considered.

Special Requirements/Licenses:

Knowledge, Ability, and Skill:

Knowledge: Sufficient knowledge of the municipal administration process, knowledge of the functions of municipal government, understanding of the interaction between local government, state government, and federal government, basic working knowledge of business administration, general office procedures, and applicable local, state, and federal laws.

Ability: Ability to lead, plan, organize and collaborate with others, ability to communicate effectively, ability to establish and maintain effective working relationships with all town employees, board/committee members, officials and the general public, ability to recognize town-wide priorities and work cooperatively to support their accomplishment, ability to prioritize multiple tasks and deal effectively with interruptions, often under considerable time pressure, ability to operate a computer and proficient in the use of MS Office applications and database applications.

Skills: Excellent customer service and organization skills, excellent written and verbal communication skills, excellent computer skills including MS Office applications.

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

This position is frequently required to walk, sit, communicate, or hear; required to handle, or feel objects, tools, or controls; and reach with hands and arms. The employee must occasionally lift and/or move objects weighing up to 20 pounds. Vision and hearing at or correctable to normal ranges. This position requires the ability to operate common computer technology in a desktop environment.

Supervision:

Supervision Scope: Performs routine duties that are clearly defined by protocol and standard operating procedures. This role requires basic knowledge of departmental operations.

Supervision Received: Works under the direct supervision of the Department Head or Manager.

Supervision Given: May supervise volunteers or senior tax work off participants on occasion.

Job Environment:

- Performs work under typical office conditions; work environment is at times moderately noisy;
- Operates a computer, calculator, telephone, copier, fax, and other standard office equipment;
- Interacts with other town departments, vendors, the general public, and town officials ;
- Has access to department-related confidential and/or sensitive information including financial records, the disclosure of which would cause a significant breach of trust and seriously damage the reputation of the department;
- Understand that errors in judgment could result in department errors, lower standards of service to the community, monetary loss or legal repercussions, and possible negative public relations for both the department and the town.

The above statements are intended to describe the general nature and level of work being performed by people assigned to do this job. The above is not intended to be an exhaustive list of all responsibilities and duties required. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

**External and internal applicants, as well as position incumbents who become disabled as defined under the Americans With Disabilities Act, must be able to perform the essential job functions (as listed) either unaided or with the assistance of a reasonable accommodation to be determined by management on a case by case basis.*

This job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

Pay Equity/Equal Opportunity/Americans with Disabilities Act Employer

TITLE: Local Building Inspector

Department: Building	**SAP Grade: 6**
Bi-weekly Hours: 39	**Reports to: Building Commissioner**
Approved by Personnel Board:	**Approved by Appointing Authority:**

Position Purpose:

This position requires a collaborative individual to assist the Building Commissioner in all manners of inspections, handling inquiries from the public, and staffing the Building Department in the absence of the Commissioner. It is a part-time, non-benefit-eligible position.

Essential Functions:

(The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)

- Enforces the applicable provisions of the Massachusetts State Building Code,780 CMR and the Town Zoning Bylaw, and rules and regulations of the Architectural Access Board,521 CMR;
- Reviews building permit applications and conducts field inspections to ensure conformity with all code requirements, approved plans, and zoning restrictions;
- Investigates violations of the building code and zoning bylaw and conducts follow-up actions; responds to questions pertaining to permits, building codes and bylaws from Town officials, as well as the public;
- Conducts periodic inspections of schools, restaurants, theaters, churches, places of assembly and apartment buildings, as required by statute.;
- Meets with Town officials, residents, contractors, architects, and engineers to conduct preliminary review of construction projects.

Recommended Minimum Qualifications

Education, Training, and Experience:

The candidate shall have at least five years of experience in the supervision of building construction or design or a two-year associate degree in a field related to building construction, building design, or building management, or any combination of education and experience which would confer equivalent knowledge and ability, as determined by the Board of Building Regulations and Standards.

Candidate should possess strong computer and customer service skills. Additionally, the candidate should possess strong communication skills both verbal and written.

Special Requirements/Licenses:

Must be certified as a Local Building Inspector by the Board of Building Regulations and Standards or obtain certification within the guidelines and provisions of the Board of Building regulations and Standards for the local inspector position, within the specified time frame. Candidate must possess a valid MA Class D Drivers' license. A Construction Supervisor license is a plus.

Knowledge, Ability, and Skill:

Knowledge: Thorough knowledge of standard building construction requirements including fire prevention, light, ventilation, and safe egress; must have and maintain an extensive knowledge of applicable statutes, bylaws, regulations, codes, and policies.

Ability: Ability to: read, understand, interpret, and appropriately apply a broad range of applicable specifications, laws, policies, and procedures; to perform and apply accurate mathematical calculations in the review of architectural and building plans; to recognize, understand and work with Town wide priorities; to identify, analyze and make useful recommendations regarding complex issues. To work diplomatically and effectively with diverse customers; an ability to work effectively with town departments; multi-task in a fast-paced office and field environment.

Skill: Good verbal and written communication skills; ability to be both diplomatic and candid to bring about code compliance and in taking enforcement actions; must possess excellent skills in working with numbers, blueprints, development plans, construction methods and numerous details. Must be capable of reporting to work punctually and dependable in attendance. Superior customer service is a priority.

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

This position requires frequent light to moderate physical effort while performing inspections. Must be able to access all areas and levels of a construction site in a safe manner; frequently required to spend several hours walking or standing. Must wear proper protective clothing and footwear during all inspections. While performing the duties of this position, the employee is regularly required to use hands and fingers, to handle, feel or operate objects, tools, or controls and to reach with hands and arms. Performance of the essential functions may also require employee to climb or balance, stoop, kneel, crouch, or crawl. Occasionally may be required to lift up to 60 pounds. Normal vision requirements.

Supervision:

Supervision Scope: Under the general supervision of the Building Commissioner, the Local Building Inspector will assist in enforcing the Massachusetts State Building Codes,780 CMR and Town Zoning Codes, issuing a variety of building permits and performing inspections to guarantee compliance with building-related laws, regulations, and codes to ensure public safety.

Supervision Received: Works under the general supervision of the Building Commissioner.

Supervision Given: N/A

Job Environment:

- Performs administrative work under typical office conditions; inspection work is conducted in the field, with exposure to various weather conditions and hazardous conditions associated with construction sites. May be required to work outside normal business hours at nights and on weekends in response to important situations or emergencies and meetings.
- Operates automobile, computer, hand tools, measuring devices, and standard office equipment.
- Makes constant contact with the public, town departments, and boards, members of the building community, property owners, state, federal, and local officials requiring perceptiveness and discretion.
- Employee has access to department-related confidential information, including department personnel records, and lawsuits involving the town.
- Understands that errors in either technical application of recognized inspection procedures, or in the interpretation of related data could result in damage to property, endangerment to public safety, personal safety of other town employees, financial and/or legal implications as well as possible adverse public relations for the town.

The above statements are intended to describe the general nature and level of work being performed by people assigned to do this job. The above is not intended to be an exhaustive list of all responsibilities and duties required. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

**External and internal applicants, as well as position incumbents who become disabled as defined under the Americans With Disabilities Act, must be able to perform the essential job functions (as listed) either unaided or with the assistance of a reasonable accommodation to be determined by management on a case by case basis.*

This job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

TO	Select Board
FROM	Mark Purple, Town Administrator
RE	Request to appoint Acting Building Commissioner
DATE	March 29, 2024

As the Select Board is aware, the Town's Building Commissioner resigned on March 22, 2024. I am requesting that the Board appoint Mr. Gene Novak to serve for an interim period. Mr. Novak is currently serving as our Part Time Local Inspector. In June of 2023, Mr. Novak retired from the Commonwealth of Massachusetts as a District State Building Inspector where he worked for 30 years. Early in his career he was also an Inspector for the City of Beverly. We are grateful for his skill set, expertise and flexibility during this time.

Mr. Burlingame will be using vacation time through April 5, 2024, thus I request that the Select Board appoint Mr. Novak as Acting Building Commissioner/ Zoning Enforcement Agent through April 5, 2024, and Interim Building Commissioner/Zoning Enforcement Agent as of April 6, 2024.

We are prepared to advertise the vacant position as soon as the Select Board agrees on the recruitment process.

As an aside, I wish to acknowledge the excellent level of support of both the Business Administrators in the Building Department who are managing this transition with superb customer service and terrific teamwork.

SOUTHBOROUGH YOUTH AND FAMILY SERVICES

STRENGTHENING OUR COMMUNITY BY SUPPORTING ITS FAMILIES

March 20,2024

To: Select Board
c/o Andrew Dennington, Chair

Mr. Dennington and Select Board members,

Each year, the Youth Commission solicits community nominations for the Laurie Sugarman-Whittier Wellness Award, an award honoring Laurie's 30+ years serving as the Director of Southborough's Youth and Family Service department. The designation of this award goes to a community member who has served the Southborough community as a human service advocate, by promoting human welfare, and continues Laurie's mission of making Southborough a better place for all. In 2023, the Youth Commission unanimously voted to bestow the award posthumously, to Kim Tollander. Kim was a community organizer, a strong advocate for youth, and a generous altruist who worked tirelessly to support others, among many other qualities. It was a great loss to our community when Kim passed unexpectedly in August of 2022. The Youth Commission was pleased to have the opportunity to honor her memory in this way.

To memorialize Kim's contributions to our community and honor her family, we are writing to request the Select Board's consideration of a bench dedication in Kim's memory at Southborough Heritage Park. A plaque reading, "*In Memory of Kim Tollander, in loving appreciation for all she did for the people of Southborough*" would provide a lasting remembrance of Kim and her impact on so many of Southborough's residents.

We appreciate your consideration of this request and welcome an opportunity to discuss it further.

Sincerely,

Lauren Richey, Chair
Southborough Youth Commission

21 Highland St Southborough, MA 01772

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, April 4, 2024 6:00 PM
Location: Public Safety Building, 32 Cordaville Road, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers, Al Hamilton, Town Administrator Mark Purple, and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:00 PM.

II. Fire Chief Interviews *(Time are approximate; Board may vote)*

Mr. Bernard Lynch, Managing Principal of Community Paradigm Associates, appeared before the Board and described the recruitment process utilized to find the candidates presented this evening for Fire Chief. He stated that seven candidates were interviewed and that three of those proceeded to the Assessment Center phase. Mr. Lynch stated that Community Paradigm's recommendation is that any of the candidates presented this evening would be a successful fit for Southborough.

Mr. Dennington stated that each candidate would be asked a series of fifteen (15) questions and each interview would last approximately one hour.

a. 6:00 PM – Brian Harrington

Brian Harrington, Deputy Fire Chief in Hudson, appeared before the Board at 6:06 PM. Mr. Harrington stated he has been a firefighter since graduating from college in 2002 and has served in the following positions within his department in Hudson: 12 years as a firefighter, 8 years as a Lieutenant and 2 years as Deputy Chief. He stated he has also worked at the Fire Fighting Academy since 2004. Mr. Harrington stated he believes he is ready to lead a department and this position presents an opportunity for his skill set. He stated he likes the size of the Town, as it reminds him of Hudson, prior to its recent growth. The Board posed the 15 questions and Mr. Harrington answered them during the interview. Mr. Harrington's interview concluded at 6:47 PM.

b. 7:00 PM – Laurent McDonald

Laurent McDonald, Fire Chief in Oxford, appeared before the Board at 6:50 PM. Mr. McDonald stated he was born and raised in a firefighting family and participated in the Explorer Program in high school. Following high school, he enlisted in the Air Force and spent 21 years, where he received his fire fighter training and college degree. He then moved into municipal firefighting, serving as Chief in Dudley, Munson and now, Oxford. Mr. McDonald stated that one of his goals is to achieve accreditation for the Oxford Fire Department. He stated he is interested in the Southborough position because the Town is well run and well organized, citing his review of the extensive planning process in the Fire Department and Town. The Board posed the 15 questions and Mr. McDonald answered them during the interview. Mr. McDonald's interview concluded at 7:55 PM.

c. 8:00 PM – Andrew Puntini

Andrew Puntini, Fire Captain in Foxborough, appeared before the Board at 7:58 PM. Mr. Puntini stated that his grandfather was Fire Chief in Ashland and that he participated in the Explorer Program

in high school. Following graduation, he attended paramedic school. Mr. Putuni has served in the Foxborough Fire Department and been promoted to the position of supervisor in 2011, lieutenant in 2015 and captain in 2019. He also participated in the Department's accreditation process. Mr. Puntini stated that the Southborough opportunity is attractive because he was born and raised in Ashland and knows the area well. He also stated that he observes the Southborough Fire Department to be very professional, with great equipment and facilities. The Board posed the 15 questions and Mr. Puntini answered them during the interview. Mr. Puntini's interview concluded at 8:42 PM.

III. Executive Session

Mr. Dennington moved to enter into Executive Session Per M.G.L. Chapter 30A, Section 21, at 8:43 PM and not return to Open Session, to discuss contract negotiations for the Fire Union (Exemption 2), as the Chair has determined that an open meeting may have a detrimental effect on the Town's position. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Upcoming Meetings	
April 23, 2024	*May 7, 2024*

Respectfully submitted,

Bridgid Rubin, Recording Secretary

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Monday, April 8, 2024 8:00 AM
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers, Al Hamilton, Town Administrator Mark Purple, and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 8:00 AM.

II. Discussion/Appointment of Fire Chief

Mr. Dennington reviewed the process taken for the selection of Fire Chief. Each Select Board member outlined why they felt Mr. Andrew Puntini, Captain/Shift Commander of Group 1 at the Foxborough Fire Department, was their first choice as next Fire Chief. They discussed his background, his professionalism, maturity and positivity during his interviews, the strong recommendations from other Fire Chiefs, and his experience with Regional Emergency Communication Centers. The Board agreed the other candidates are well qualified and would be a strong Chief, but felt Mr. Puntini was the best fit for Southborough.

Mr. Dennington made a motion to appoint Andrew Puntini as Southborough's next Fire Chief subject to successful contract negotiations and the completion of all remaining background checks. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

The Board discussed the process for contract negotiations which included nominating a Board member to assist in these discussions. The Board would then enter Executive Session to discuss the outcome of the negotiations and vote to approve a contract. Mr. Dennington volunteered as he has done multiple contract negotiations. Mr. Dennington made a motion for Ms. Cook and Mr. Dennington to represent the Select Board and work with Captain Puntini to negotiate a successful Fire Chief Contract. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

The Board discussed their next meeting date and agreed upon April 23, 2024.

Mr. Dennington made a motion to adjourn the meeting at 8:17 AM. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:30 PM.

II. Public Comment

There was no public comment.

III. Scheduled Appointments *(Board may vote)*

a. 6:30 PM Liquor License transfer – 110 Southville Road

Mr. Purple read the public hearing notice into the public record. Attorney Arthur Pearlman appeared before the Board on behalf of Kapish, Inc. Mr. Hitendra Patel also appeared before the Board. Atty. Pearlman described the history of the project and stated that, currently, Mr. Patel and another individual hold the liquor license under B.K.P., Inc. and Mr. Patel is now the sole owner of the business. Atty. Pearlman requested that the Board transfer the liquor license from B.K.P., Inc. to Kapish, Inc. Mr. Stivers asked if the Town's health and building codes had been followed and if the appropriate permits were in order. Atty. Pearlman replied that Town codes had been followed and permits were in order. Mr. Dennington moved to approve the liquor license transfer from B.K.P., Inc. to Kapish, Inc. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Interview/appoint Karen Bernhardt to 21 Highland Future Use Committee; term to expire June 30, 2025

The Board tabled this matter to a later date.

c. Tim Theis, Pare Corporation – Atwood Road lead testing and next steps

Mr. Tim Theis from the Pare Corporation appeared before the Board to discuss the lead testing at the Atwood water tower site and his recommendations. Mr. Theis discussed the history of the tank and its removal from the site and stated that, at some time, the site had been backfilled. He described the testing that was conducted. Mr. Theis reported that lead was found on the surface in concentrations of less than 200 parts per million, which is the clean-up standard. He stated that at the 12-18 inch depth, very high concentrations were found, with some samples containing over 1,000 parts per million. He stated that at the 18-24 inch depth, concentration levels were greatly reduced. Additionally, Mr. Theis stated that samples were taken at the southern property line (Town side) and all samples were below 200 parts per million. He also stated that he recommends further investigation of the lead under the tank to ascertain how far the lead extends beyond the base of the tank and to what depth. Mr. Hamilton asked if it was reasonable to extend testing to the abutter at the southern property line and Mr. Theis stated that he recommended testing there after the impact of lead has been determined under the tank. Mr. Theis stated that it would cost approximately $80,000 to further investigate the distribution pattern of lead prior to recommending remediation. Mr. Dennington asked if there were any deadlines for remediation relative to Massachusetts Department of Environmental Protection (Mass DEP) regulations. Mr. Theis stated that the lead must

be mitigated but is exempt from Mass DEP reporting and timelines. The Board agreed to hear DPW Superintendent Cundiff's feedback on the testing recommendations. Mr. Carl Alviti, an abutter to the north of the site, asked when the tank was removed from the site. Mr. Theis stated that he did not know that information. Mr. Alviti asked how quickly the site would need to be remediated if it was not exempt. Mr. Theis stated that, depending on the levels found, within a couple of years. The Board suggested Mr. Theis speak with Mr. John Boland, former DPW Superintendent, for additional information on the site. Mr. Alviti urged the Board to move quickly to remediate the site. The Board discussed the timing of testing of Mr. Sturgeon's property. Mr. Theis stated that once the Board approves the estimate, it could take approximately 8-10 weeks to learn the results. Mr. Bruce Sturgeon, the southern abutter, requested that testing of his site occur at the same time as the additional testing. The Board agreed to have Mr. Theis and Mr. Cundiff discuss the timing of testing Mr. Sturgeon's site and report back to the Board. Mr. Dennington stated that the Board would continue to discuss this matter at its May 7th meeting.

d. Tim Davis, Recreation Director – Batting cage approval

Mr. Tim Davis appeared before the Board on the matter. Mr. Davis stated that the Recreation Department and the Algonquin Baseball and Softball Association would like to add a batting cage and storage shed at the softball field behind Trottier School. Mr. Davis reported that he has received approval from the Recreation Commission, the Conservation Commission, the Department of Public Works and the School Department. He also stated that all permits are in place from the Building Department. Mr. Dennington asked if there was any cost to the Town. Mr. Davis stated there is no cost to the Town. Mr. Stivers asked if there is any opposition to this project. Mr. Davis stated there is no opposition. Mr. Dennington asked who would be responsible for maintenance of the batting cage and storage shed. Mr. Davis stated that the Algonquin Baseball and Softball Association would be responsible for maintenance. Mr. Dennington acknowledged that Mr. Davis has resigned to accept a position with the Brookline Recreation Department and thanked him for 5 years of outstanding service to the Town. The Board also thanked Mr. Davis for his outstanding service to the Town. Mr. Dennington moved to approve the construction of the batting cage. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington acknowledged Ms. Patricia Richardson's passing and offered condolences to her family. Mr. Davis fondly recalled that Ms. Richardson was able to play tennis last fall with students from Algonquin Regional High School and Trottier Middle School at the Richardson Tennis Courts.

IV. Reports

a. Chair's Report

i. Trottier class visit

Mr. Dennington reported that on Friday, April 12, he and Mr. Hamilton met with an 8th grade Civics class at Trottier Middle School to discuss a potential local business fair in 2025. Mr. Dennington thanked Ms. Leah Emerson, EDC Coordinator, for arranging the opportunity.

b. Member's Report

i. Using CivicPlus to report resident concerns

Ms. Landry reported that she is working to propose that the Town's website be configured to utilize CivicPlus to enforce current bylaws and to create a more responsive process for resident reported problems. The Board suggested that Ms. Landry work with Mr. Montijo on a proposal for the Board to review.

ii. Regional Dispatch update

Mr. Hamilton reported he sent a questionnaire to 15 Regional Emergency Communications Centers (RECCs) to determine long-term operating costs without State support. To date, he has received five responses, three of which were comparable in size to the potential Westborough RECC. He learned that for a small RECC, the long-term operating costs are similar to the Town's current cost for

dispatch, noting that the benefit is that greater coverage is provided. He also learned that a larger RECC would provide a significant savings over current costs. He also reported that call volume per dispatcher is higher in the smaller RECCs.

iii. New Water Tower Antenna

Mr. Hamilton reported that he met with Fire Chief Fillebrown to discuss the installation of a public safety antenna on top of the proposed new water tower. He stated that a new antenna would improve communication issues in several areas of Town. Ms. Cook noted that a neighborhood meeting would need to occur as this project progresses.

iv. Office Hours

Ms. Cook reported that she and Mr. Dennington held office hours on April 9th. She thanked Ms. Emerson and Ms. Claire Reynolds for attending office hours for discussion purposes.

v. Neary School Building Project Update

Ms. Cook reported that the Neary School Building Project is moving forward. She stated that twelve options are currently under evaluation and will be sent to the Massachusetts School Building Authority (MSBA) on May 21st for review. She stated the final recommendation would be made to the MSBA in August and she emphasized that, if residents wish to weigh in on this important matter, they should make their opinions known now. She also informed the Board and public that the project website, Nearybuilding.com, is online and contains all information related to the project.

c. Town Administrator's Report

There was no Town Administrator's Report.

V. Consent Agenda

a. Approve Open Session Meeting Minutes: April 2, 2024; April 4, 2024

Mr. Stivers requested to hold Consent Agenda Item "a." Mr. Stivers had scrivener's changes to the April 4, 2024 minutes. Mr. Dennington moved to approve the April 2, 2024 Open Session Meeting Minutes, as written, and the April 4, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Appoint Steve Hinterneder to Community Garden Coordinator, term to expire 6/30/2025

Mr. Stivers requested to hold Consent Agenda Item "b." Mr. Hinterneder appeared before the Board on the matter. He stated that he has been the Community Garden Coordinator for the last three years. Mr. Dennington moved to appoint Steve Hinterneder to the Community Garden Coordinator, term to expire 6/30/2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

c. Approve request for take-home vehicle for Police Lieutenant

Mr. Dennington moved to approve Consent Agenda Items "c", "d", "e", "g", "h", "I" and "j." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

d. Approve warrant for the May 14, 2024 Annual Town Election; vote to assign Police Officers to polls

e. Appoint Bill Cundiff as the Alternate Designee on the MWRA Advisory Board

f. Award contract for the Public Safety Staffing Study

Ms. Cook requested to hold Consent Agenda Item "f." Ms. Cook requested that the scope of work with Municipal Resources, Inc. (MRI) include the following: 1) specific recommendations regarding the Deputy Fire Chief position; 2) a description of the local dispatch structure, should the Town decide to pursue the local option; and 3) feedback on Chief Newell's request for the lieutenant and patrol officer positions. The Board agreed with Ms. Cook's request. Ms. Cook moved that the Board approve the proposal from Municipal Resources, Inc. including the three caveats described above. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

g. Approve Common Victualer license for Cordaville Market; 110 Southville Road

h. Appoint Anthony Carter as DPW Truck Driver

i. Approval of Job Description
    i. Business Administrator I, DPW
    ii. Police Business Administrator
    iii. Police Lieutenant
    iv. Administrative Assistant, Recreation
    v. Recreation Director
    vi. Program Coordinator, Recreation

j. Approve Executive Session Meeting Minutes: March 19, 2024; April 4, 2024

k. Approve employment agreement for Fire Chief

Ms. Cook requested to hold Consent Agenda Item "k."

Mr. Dennington stated Consent Agenda Item "k" would be discussed in Executive Session.

The Board recessed at 8:32 PM and resumed meeting at 8:38 PM.

VI. Other Matters *(Board may vote)*

a. Potential reorganization of affordable housing committees
    i. CPC-AHTF-SHOPC discussions

Mr. Dennington discussed the reorganization of the Affordable Housing Trust Fund Committee (AHTFC), Southborough Housing Opportunity Partnership Committee (SHOPC), and the Community Preservation Committee (CPC). He stated the committees are charged with addressing the issue of affordable housing and the present structure does not assist the Town effectively to move forward when potential projects arise. The Board discussed combining the AHTFC and SHOPC, thus reducing the number of committees addressing affordable housing from three to two. The Board discussed forming a working group to reorganize the AHTFC and SHOPC, which would include the following: 1) developing a charge; 2) determining an effective way to transfer CPA funds for use by the newly formed entity; and 3) determining how to bring the reorganization effort to Fall Town Meeting for approval. Ms. Lisa Braccio, former Board member, offered to assist in the reorganization effort in any way possible. The Board agreed to further discuss the matter at its next meeting.

b. ARPA Allocations

The Board moved to Other Matters "b" after a brief recess.

Ms. Cook stated that Ms. McAuliffe is meeting with ARPA fund recipients to inform them ARPA monies must be spent by June 30, 2024 or they may risk losing the funds. Additionally, Ms. Cook stated there would be unspent ARPA funds that would need to be reallocated by the Board. Ms. Cook moved to allocate $5,000 from the Unallocated Funds category to the Scholarship Committee. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

    i. John Parent – Request for allocation of Senior Center funds

Ms. Cook moved to expand the Senior Center ARPA category to include new furniture for the Senior Center room, repainting or residing of the Senior Center and plantings around the Townhouse. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

    ii. Council on Aging – Community Assessment

Ms. Cook moved to allocate $35,000 from the Unallocated Funds category to the Senior Survey, to be conducted by the Council on Aging. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

    iii. Sidewalks

The Board agreed to discuss the ARPA Sidewalk allocation with DPW Superintendent Cundiff when he returns from vacation. Mr. Tim Fling, 18 Main Street, suggested that the Board commit ARPA funds to purchase trashcans for sidewalks.

    iv. Wi-Fi Study and next steps

Ms. Cook moved to return $94,000 from the WiFi Updgrade category to the Unallocated Funds category. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Ms. Cook moved to return $5,075.21 from the WiFi Study to the Unallocated Funds category. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Ms. Cook moved to return $3,276.50 from SHOPC to the Unallocated Funds category. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

c. One Stop Grant application – Expressions of Interest

Ms. Vanessa Hale, Assistant Town Administrator, described potential grant ideas for the Board to consider in the Town's Expression of Interest, noting initial applications are due on April 30th. She thanked Ms. Emerson for her assistance in identifying and researching grant ideas. Ms. Hale noted the State is looking for grant applications that focus on housing and economic development and are further along in the development process. She suggested the Board consider placemaking and wayfinding opportunities related to the Tricentennial Committee's efforts. Mr. Stivers suggested a history walk and the Board agreed with his suggestion. Ms. Hale stated she would present the history walk concept to the Tricentennial Committee at their next meeting. Ms. Hale stated that the State would provide feedback on the Expression of Interest and that the final grant application deadline is in early June.

d. Potential letter to Planning Board regarding 120 Turnpike Road

Ms. Cook read a draft letter to be sent to the Planning Board that indicates the Board's support of the 120 Turnpike Road 40B project. The Board agreed with the content of the draft letter. Ms. Meme Luttrell, chair of the Planning Board, asked for clarification as to the Board's position relative to waiving the condition of the land donation. Ms. Cook stated that it makes sense to negotiate relative to the land donation but that is the Planning Board's jurisdiction to determine. Mr. Paul Carter, 12 Maplecrest Drive, stated that he believes the Select Board should wait to offer their opinion on the matter until the Planning Board, Zoning Board of Appeals and the Conservation Commission have reviewed all aspects of the project. Ms. Freddie Gillespie, speaking as a private citizen, stated that she is disappointed that the Board never sought input from the Open Space Preservation Commission or the Stewardship Committee on this project. Mr. Dennington moved to send the letter to the Planning Board, as read by Ms. Cook. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

e. Review draft Planning Board letter regarding MBTA Communities compliance

The Board reviewed the draft Planning Board letter. The Board was supportive of the letter. The Board asked for clarification as to the path the Planning Board is pursuing relative to compliance. Ms. Luttrell stated that the Planning Board is pursuing parallel tracks of compliance, along with a request for relaxation of the number of units within the .5-mile radius of the commuter rail station. Mr. Stivers offered clarifying language and agreed to attend the Planning Board's April 29th meeting to help finalize the letter to the State. Mr. Dennington moved to appoint Mr. Stivers to work with the Planning Board to create the final draft and Mr. Dennington will sign the letter. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

f. Northboro Road 61A parcels – department/committee responses

Mr. Dennington heard this matter after Scheduled Appointments. Mr. Dennington reviewed the history of the matter and stated the Town had sent a letter to the property owner indicating that it did not believe the offer was a bona fide offer. He reported that SHOPC, the Open Space Preservation Commission and the CPC are all in support of the Town exercising its right of first refusal (ROFR) on the property. Mr. Dennington described the process of exercising the ROFR. Mr. Dennington stated that it is important to determine how the Town would pay for the purchase of this property, should it choose to exercise its ROFR. The Board discussed that the amount needed to purchase the property is approximately $5 million dollars. Ms. Freddie Gillespie, chair of the Open Space Preservation Commission, appeared before the Board and read prepared remarks into the

public record. She stated that at its March 23rd meeting, the Open Space Preservation Commission voted to support the Town exercising its ROFR. She also stated she met with SHOPC and CPC to discuss a joint project utilizing Community Preservation Act (CPA) monies. Ms. Gillespie stated that the CPC voted unanimously to support the concept and to support purchasing the parcels utilizing CPA funds. Ms. Lisa Braccio, 13 Oregon Road and speaking as a private citizen, appeared before the Board to express her support of a project that advances the Town's goal to provide more affordable housing. She stated a potential project represents economic diversity in Town and urged the Board to continue the conversation about a potential project involving the parcels. Mr. Paul Desmond, 5 Pinecone Lane and member of SHOPC, appeared before the Board and offered support for this unique opportunity to provide affordable housing and preserve open space. Mr. Al Hamilton, 35 Pine Hill Road and speaking as a private citizen, stated that he has recused himself from this matter, as he is related to an abutter on Northboro Road. He stated he does not support using all of the CPA monies, including funds in the AHTF, towards one project that does not have a clear plan and developer and does not feel this is a responsible path to pursue. Mr. Stivers stated he would like to see a specific proposal with a community developer/partner, accompanied by financials, for the Board to consider. He stated that purchasing a few acres of the property for a smaller project is an avenue to pursue and he is supportive of continued discussion on the matter. Ms. Cook stated she agrees with Mr. Hamilton and Mr. Stivers. She stated that the focus should be on the affordable housing aspect, not on open space, and she suggested considering an increase in the CPA surtax from 1% to 3%. Mr. Dennington stated that SHOPC's Strategic 5 Year Plan recommended smaller projects to increase the Town's affordable housing stock and that the Town is not currently set up to develop a project of this scale. Ms. Gillespie stated that she is glad the Board is open to hearing additional information on the project and that she believes open space should be given consideration, should a project be developed. Mr. Dennington stated that the Board would take no action on the matter this evening.

g. Fall Town Meeting – Continued discussion of weekday vs. weekend date

Mr. Stivers suggested the Board ask the Municipal Technology Committee (MTC) to create a survey to obtain feedback on the best time to schedule Fall Town Meeting. Mr. Dennington suggested MTC survey information be analyzed with voter data from Town Clerk Hegarty to determine the best time to schedule Fall Town Meeting. Mr. Dennington moved that the Board request that the MTC conduct a simple survey to determine whether a weekday (Monday at 7 PM and likely Tuesday at 7 PM) or weekend (Saturday at 10 AM) is the best time to schedule Fall Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VII. Public Comment

The Board allowed Amir Rosenbaum to speak over Zoom as he had his hand up. He stated he was not from Southborough but worked, ate, and drove through here often. He made a variety of inappropriate comments. He was removed from the Zoom room by the host.

Ms. Luttrell, 19Oregon Road, commented that the State has not reduced its funding to the CPA. Rather, she stated that there are more communities drawing from the funding source and Southborough's share is a smaller portion for that reason.

VII. Executive Session

Mr. Dennington moved to enter into Executive Session at 9:29 PM, per M.G.L. Chapter 30A, Section 21, and potentially return to Open Session, to discuss contract negotiations for the Town Administrator and Fire Chief (Exemption 2), as the Chair has determined that an open meeting may have a detrimental effect on the Town's position. Mr. Stivers seconded the motion. The motion was

unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

At 9:55 p.m. the Select Board re-convened the open session. Mr. Dennington moved that the Board approve the employment agreement for Mr. Puntini (including a starting salary of $168,000, with eligibility for up to 4% annual raises during the term); Mr. Stivers seconded the motion; Vote 5-0 to approve (Dennington—aye; Cook—aye; Stivers—aye; Landry—aye; Hamilton—aye)

9:57PM Mr. Dennington moved to adjourn the meeting; Mr. Stivers seconded the motion; Vote 5-0 to approve (Dennington—aye; Cook—aye; Stivers—aye; Landry—aye; Hamilton—aye).

Upcoming Meetings	
May 7, 2024	*May 21, 2024*

Respectfully submitted,

Bridgid Rubin, Recording Secretary

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, May 7, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers and Al Hamilton. Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:30 PM.
Mr. Dennington stated that on tonight's Agenda, item number (2) under Executive Session would be tabled.

II. Public Comment

Ms. Cindy Foster, 3 Aspenwood Lane, stated that when the Board voted to approve the move to Aetna Health Insurance, it was stated that the Town would achieve approximately $90,000 in savings each year. She stated she has seen figures that indicate the savings is approximately $60,000-$63,000 and she asked the Board for clarification on the discrepancy. Mr. Dennington stated someone would look into the matter and provide Ms. Foster with the information. Ms. Foster also stated that she is glad the Town will bid the health care consultant contract in FY2025.

III. Scheduled Appointments *(Board may vote)*

a. Interview/appoint Karen Bernhardt to 21 Highland Future Use Committee; term to expire June 30, 2025

Mr. Dennington reported that the Board's office has been unable to contact Ms. Berhardt and stated the Board would remove her from consideration for the 21 Highland Future Use Committee. He urged residents, particularly those with experience in construction, project management or real estate, to consider applying for the remaining open seat on the Committee.

b. Tony Roselli, Roselli, Clark & Associates – Fiscal Year 2023 Audit

The Board heard this matter after Other Matters "d." Mr. Roselli appeared before the Board, via Zoom, on the matter. Mr. Roselli and the Board had a robust discussion of OPEB, including increased contributions to OPEB through the Worcester County Retirement System and tax implications of pension obligation bonds. The Board agreed they would like to hear Mr. Roselli's OPEB presentation at a future date. Mr. Roselli presented the 2023 Audit of the Town's finances. He reported that the Town continues to be well managed and had a clean audit. He stated that highlights include an increase in the Reserve Fund balance to over $6 million dollars, representing an increase from 9.4% to 10.8%. He attributed this increase to an increase in local receipts that exceeded projections by $2.2 million dollars and expenditures that were .8% less than projected, noting that these items were offset by planned uses of Free Cash. He stated the Town maintains its AAA bond rating and offered suggestions to retain its rating. Mr. Roselli also stated that the Town realized a $221,000 gain in OPEB investment income after losing approximately $400,000 the previous year. Mr. Dennington discussed the Neary School building project and asked if there would be any issues relative to the Town's undertaking of this building project. Mr. Roselli stated that he would like to see the Town's Reserve Fund at 15% so as to not impact the AAA bond rating the Town enjoys. Mr. Stivers and Ms.

Cook thanked the Town's Finance Department for their efforts towards effective financial management.

c. Linda Bournaville, KMS Actuaries, LLC – Fiscal Year 2023 OPEB Audit

The Board heard Scheduled Appointments "c" before Scheduled Appointment "b." Ms. Linda Bournaville appeared before the Board, via Zoom, on the matter. Mr. Dennington informed Ms. Bournaville that, at its March Annual Town Meeting, the Town had passed a warrant article requesting that the Town, through a Special Act of the State Legislature, be authorized to bond OPEB trust monies. Mr. Dennington stated that Town would like to use this tool when interest rates are more favorable. Ms. Bournaville stated that the option described above is a proactive tool for the Town to use. Ms. Cook asked how long the process would take to implement the ability to bond. Ms. Bournaville described the process and stated that it can take approximately 6-8 months. Ms. Bournaville presented the OPEB presentation, dated May 7, 2024. She explained that the in-depth analysis provided in this report to the Town is done every two years. She stated that as of June 30, 2023, the Town's Net OPEB liability is $42.2 million dollars and the most significant impact in the report was that the Town realized a savings of $10 million dollars due to the health plan changes in 2023. Ms. Bournaville reported that, as of 2023, the Town has funded 6.7% of its OPEB obligations. The Board discussed its annual contribution of $250,000 to OPEB. Ms. Bournaville stated that OPEB funding is a long-term process because employee numbers are always shifting. The Board discussed the assumptions used in modeling and the role those assumptions play in data outcomes. They concluded that the Town is moving forward in a responsible manner to funding its OPEB obligations.

d. Brian Ballantine, Finance Director; Carla McAuliffe, Town Accountant – Q3 Financial Update

Brian Ballantine and Carla McAuliffe appeared before the Board on the matter. Mr. Ballantine reviewed the revenue portion of the Q3 Financial Update. He reported that total General Fund revenue is down by $37,000 compared to the same period last year. He noted that motor vehicle excise taxes, building fees and water revenue were down but that dumpster fees and ZBA fees had increased. He also noted that investment income had increased by $219,000 since Q2. Ms. McAuliffe reported the expense portion of the Q3 Financial Update. She stated that the following are potential Reserve Fund transfers: Select Board for increased postage; ZBA additional staff hours due to 40B projects; Fire – SCBA grant matching ($30,000); Fire – Tower repair ($8,461); Election/Town Clerk – additional election costs; and Debt – year end transfers due to Spring long-term interest payments. Ms. McAuliffe also stated that they are watching Police and Fire overtime, as both departments are experiencing staffing challenges. She stated that IT, Operations and DPW are in good shape and only 30.76% of the snow/ice budget has been spent thus far. She reported that Benefits are trending at budget. With regard to FEMA, Ms. McAuliffe stated that the final claim has been filed and, once processed, will formally close the grant program. She stated that between FEMA and CARES, the Town has received $959,000 and, to date, all claims have been paid. With regard to ARPA, she reported that $1, 273,087.91 has been spent/encumbered and she has reminded boards/committees to allocate funds by June 30, 2024. Ms. Cook expressed concern over the impact of the lack of funds for Schools/Transportation and a potential reduction in Local Aid. Mr. Ballantine stated that he expects to receive the Department of Revenue's final report on the Town's financial and policy review and will provide it to the Board and Advisory when available. He also stated that short-term notes would be issued for the Town Hall renovation and Neary School Study. Ms. Cook asked about the Reserve Fund number and Mr. Ballantine stated he would provide her with that information.

The Board recessed at 9:28 PM and resumed meeting at 9:36 PM.

IV. Reports

a. Chair's Report

Mr. Dennington reported that Doug Peck hosts a program on Southborough Access Media (SAM) called "Southborough Connects" and that today, Mr. Dennington taped a segment.

b. Member's Report

i. Informational Meeting for Townwide Survey

Ms. Landry reported that UMASS Boston Gerontology Unit is conducting an assessment of the senior population. Ms. Landry stated she would attend a meeting this Thursday to learn more about the assessment.

c. Town Administrator's Report

i. Start date for new Fire Chief

Mr. Purple reported that Chief Puntini's first day of work would be May 20th, 2024 and his swearing in will likely be on June 1st.

ii. Update on Public Safety staffing study

Mr. Purple reported that the contract for the Public Safety staffing study was signed today and there will be a kick-off meeting to reiterate the Board's areas of concern.

Mr. Purple stated that May is Mental Health Awareness Month. Green awareness pins are available for Town employees at the Treasure/Collector's office. He stated that he and Ms. Hale have worked to offer a variety of programs to Town employees include topics on stress reduction and emotional intelligence. He stated other programs include Laugh and Learn, Say Yes with Carrie Stack and Suicide Prevention. Mr. Purple stated that a community-wide wellness event would be held on May 29th from 6-8 PM where Dr. Safdar Medina will be awarded the Laurie Sugerman Whittier Wellness Award. Food trucks will also be available. He stated that all information is available on the Youth and Family Services website.

V. Consent Agenda

a. Approve Open Session Meeting Minutes: April 23, 2024

Mr. Stivers requested to hold Consent Agenda item "a." Mr. Stivers and Ms. Landry had scrivener's changes to the minutes. Mr. Dennington move to approve the April 23, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Appointments to the 21 Highland Future Use Committee, terms to expire 6/30/2024 (swearing-in period elapsed)

i. Destin Heilman

iii. Freddie Gillespie (OSPC representative)

Mr. Hamilton requested to hold Consent Agenda item "b." Mr. Hamilton asked if Dr. Heilman and Ms. Gillespie wished to serve on the 21 Highland Future Use Committee. Mr. Dennington stated he had not heard otherwise. Mr. Dennington moved to renew the vote to appoint Destin Heilman to the 21 Highland Future Use Committee, term to expire 6/30/2024. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved to renew the vote to appoint Freddie Gillespie to the 21 Highland Future Use Committee, term to expire 6/30/2024. Mr. Stivers seconded the motion. The motion was approved (3-2-0). Ms. Landry and Mr. Hamilton voted against the appointment.

c. Approve job description for Police Dispatcher

Mr. Dennington moved to approve Consent Agenda items "c", "d", "e", and "g." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

d. Approve Election Worker pay rate for FY25

e. Appoint Jennifer Condon as Animal Control Officer, term to expire 4/30/25

f. Approve Useful Life for Town Equipment

Mr. Dennington requested to hold Consent Agenda item "f." Mr. Dennington had scrivener's changes. Mr. Dennington moved to approve the Useful Life for Town Equipment. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

g. Approve request to use Town Counsel for violation enforcement

h. Approve Executive Session Meeting Minutes: April 23, 2024

Mr. Dennington requested to hold Consent Agenda item "h." Mr. Dennington stated the Board would discuss this matter in Executive Session.

VI. Other Matters *(Board may vote)*

a. Atwood Road lead testing and next steps

Mr. Dennington moved to this item after Other Matters "c." Mr. Dennington stated that, in tonight's packet, there is a revised estimate from Pare for the additional lead testing at the Atwood water tower site. Mr. Dennington described the testing and noted the revised estimate includes $5,600 for testing on the Sturgeon's property. Mr. Cundiff stated that he believes the estimate is appropriate and is a sound approach to determining the scope of the issue. Ms. Kristin LaVault, 12 Southwood Drive, asked that Board members bring their grievances to a CPC meeting where they can be addressed as an agenda item. Mr. Dennington moved that the Board sign the letter agreement with Pare for the lead soil sampling program for the former Atwood tank parcel that also includes the additional scope for the abutting parcel and that $75,616.29 in unallocated ARPA funds plus $9,383.71 in National Grid funds would be used to cover the cost of testing. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Regional Dispatch Survey Results

Mr. Hamilton presented the Regional Dispatch Survey Results. He stated that determining operating costs with no State support is the important metric to consider. He also stated that adding dispatchers locally puts Southborough at a financial disadvantage versus a Regional Emergency Communications Center (RECC). He stated that 2/3 of the communities surveyed are considering joining a RECC. He stated that educating residents, with information learned from the survey, would be an important part in winning a vote at Town Meeting.

c. Potential CPA Application for Town Common rail replacement

Mr. Dennington moved to this matter after Other Matters "e.iii." Mr. Dennington stated that Mr. Cundiff had gotten quotes on the cost to replace the rail in the Town Common. The quotes range from $3,800 to $33,000. Mr. Kevin Miller, chair of the Historical Commission appeared before the Board on the matter. He recommended the Town select the $3,800 option with granite posts and iron rods, as it is more historically accurate. He suggested that the Board also consider repairing the rail in the Old Burial Ground. The Board discussed repairing the rail. The Board agreed to have Mr. Miller work with Mr. Cundiff on the matter. Mr. Miller commented that he is impressed with the recent streetlight installation on his road.

d. Potential Fall Town Meeting Warrant Article re: organization of affordable housing committees (AHTFC, SHOPC) and use of CPC funds for community housing

Mr. Dennington moved to this matter after Scheduled Appointments "c." Mr. Dennington stated that there is a quorum present of the Affordable Housing Trust Fund Committee (AHTFC), as the Board holds five of the seven seats on the AHTFC. Mr. Hamilton called the AHTFC meeting to order at 7:30 PM. Mr. Dennington moved to approve the Executive Session meeting minutes for December 27, 2023 and January 10, 2024. Mr. Dennington had scrivener's changes to the January 10, 2024 minutes. Mr. Dennington moved to approve the Executive Session meeting minutes for the December 27, 2023, as written, and the January 10,2024 meeting minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved to release the Executive Session meeting minutes for December 27, 2023 and January 10, 2024. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington

suggested that two people from the Board and the AHTFC meet with a representative each from the Southborough Housing Opportunity Partnership Committee (SHOPC) and the Community Preservation Committee (CPC) to begin discussions of a warrant article for Fall Town Meeting that (1) combines the functions of the AHTFC and SHOPC into one committee; and (2) includes a mechanism for transferring Community Preservation Act (CPA) housing funds from the CPC to the newly formed committee. The AHTFC agreed that Mr. Dennington and Mr. Hamilton would be the representatives from the Board and AHTFC. Mr. Stivers noted that continuing progress on this matter is the result of an idea brought to the Board by Ms. Lisa Braccio while serving as a member of the Board. Mr. Stivers moved to adjourn the AHTFC meeting at 7:34 PM. Ms. Cook seconded the motion. The motion was unanimously approved (5-0-0).

e. ARPA Funding

i. Senior Tax Relief

Ms. Cook moved to approve an additional $3,000 towards Senior Tax Relief. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

iv. Atwood Road testing

See Other Matters "a."

iii. VHB sidewalk improvement proposals – Woodland Road (Richards Road to Oregon Road), Road (Cordaville Road to Woodland Road), and Parkerville Road (South I-90 to Middle Road

Mr. Dennington moved to this matter after Scheduled Appointments. Ms. Cook stated that $50,000 in ARPA funds had been allocated for the Beta sidewalk study and that, tonight, the Board is considering spending the remainder of the ARPA sidewalk category, $509,453, for four sidewalk projects. Mr. Bill Cundiff, DPW Superintendent, appeared before the Board, via Zoom, on the matter. Mr. Cundiff described the process he used to determine the four projects presented for discussion this evening. He asked the Board to consider the following sidewalk projects: 1) Parkerville Road from Richards Road to Middle Road; 2) Richards Road off Cordaville Road to Woodland Road; 3) Woodland Road from Richards Road to Oregon Road; and 4) Oak Hill Road from the end of the existing sidewalk to Walnut Street. He stated VHB has submitted a proposal of $564,000 for engineering services only. He also stated that Safe Routes to Schools might be a source of additional money for the sidewalk projects. Mr. Dennington asked if there would be additional fees above the proposal number. Mr. Cundiff stated that the numbers are very conservative but unforeseen costs may occur. Ms. Cook asked if the VHB proposal is a lump sum flat fee. Mr. Cundiff stated that it is but he would request that VHB present the proposal "as not to exceed." Mr. Dennington stated that the contract describes that the reviewing body would be the Public Works Planning Board, which no longer exists. Mr. Cundiff suggested a working group be formed for the purposes of review. Mr. Cundiff confirmed the sidewalk projects 1, 2 and 3 above represent $456,000 in ARPA funds that would then be successfully committed for expenditure. Mr. Bill Harrington, 4 Richards Road, read comments relative to the history of the sidewalks on Richards Road. He stated that the residents on Richard Road eagerly await sidewalks for safety and walkability reasons. Mr. Grant Farrington, 58 Flagg Road, asked when the map shown by Mr. Cundiff was created. Mr. Dennington replied it was created in 2015. Mr. Farrington asked what outreach would be conducted for residents on the streets listed. Mr. Dennington stated that abutter meetings would be held for residents on the streets listed. Mr. Andrew Pfaff, 50 Oak Hill Road, stated that he believes this is a great start to providing sidewalks in Town. He asked Mr. Cundiff to confirm the following relative to the VHB proposal: 1) the length of sidewalk on Oak Hill Road; and 2) that there is currently an existing sidewalk on Parkerville Road. He stated there might be some savings achieved for those items. Mr. Dennington moved that the Board allocate $458,000 of the $509,453 in ARPA funds for the engineering study of the proposed sidewalks on Parkerville Road, Richards Road and Woodland Road. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington

acknowledged that a resident had asked that any remaining ARPA sidewalk monies be used to provide trashcans on Main Street. The Board agreed that all sidewalk monies should be used for sidewalks. Ms. Cook moved to fund the Oak Hill portion of the sidewalk project with any remaining monies from the ARPA sidewalk category, including any residual funds from the first three sidewalk projects, and Chapter 90 funds. Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0). Mr. Farrington asked if the Board was able to vote on the Oak Hill sidewalk project, as it was not listed on the agenda. Ms. Cook stated that the Board could vote on the Oak Hill sidewalk, as it was the next sidewalk on Mr. Cundiff's list.

VII. Public Comment

Mr. Farrington stated that CPC is holding a public forum on June 6th to solicit ideas for potential funding opportunities for its next cycle.

VII. Executive Session

Mr. Dennington moved to enter into Executive Session at 10:00 PM, per M.G.L. Chapter 30A, Section 21, and not return to Open Session for the following items: (1) to discuss contract negotiations for the Town Administrator (Exemption 2), as the Chair has determined that an open meeting may have a detrimental effect on the Town's position. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Upcoming Meetings

Town of Southborough
Select Board
Southborough, MA

Dear Honorable Board:

We have audited the financial statements of the Town of Southborough, Massachusetts "the Town" as of and for the year ended June 30, 2023. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and the standards applicable to financial audits contained in *Governmental Audit Standards*, issued by the Comptroller General of the United States of America, as well as certain information related to the planned scope and timing of our audit. We communicated such information to the Town's management prior to our commencement of auditing procedures. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Scope limitation

There were no scope limitations.

GAAP Departure

There were no GAAP departures.

Material Weaknesses/Significant Deficiencies

There were no material weaknesses or significant deficiencies.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Town are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Town during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ

significantly from those expected. The most sensitive estimates affecting the Town's financial statements were:

The presentation of the Town's total pension liability and related accounts is determined through biennial actuarial studies, which are rolled forward by an actuary to June 30 each year. We have received an AU805 report from the independent auditor of the County pension system.

The presentation of the Town's total OPEB liability and related accounts is determined through biennial actuarial studies, which are rolled forward by an actuary to June 30 each year. We have received the actuarial report from the actuary.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements are those that describe the Town's net pension and OPEB liabilities at June 30, 2023.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

There were no difficulties encountered in completing the audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. None of the misstatements detected as a result of audit procedures were material, either individually or in the aggregate, to the Town's financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated March 18, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Town's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

The following highlight some items we wish to communicate:

1. The Town took advantage of the great interest rate environment. Interest earned in the General Fund was $343,000 versus about $45,000 in the prior year. We continue to encourage management to seek safe high yielding legally allowable investments for its excess cash. Turning cash into a revenue producing asset is an additive bonus to other general fund revenues.

2. We continue to remind our clients of the importance of maintaining critical controls over its security and cyber operations. Continued training of employees and implementation of cybersecurity controls should be an ongoing annual process.

3. Fraud prevention is an area that should be under ongoing evaluation. Evaluating cash processes of cash handling areas annually through effective risk assessment and proper safeguards is an effective control to protect the Town from threats associated with fraud. We will discuss this with management annually through our risk assessment procedures to assure that management is monitoring this critical aspect of government.

4. ARPA – As the deadline for obligating funds received from the American Rescue Plan Act approaches, we remind our clients that funds must be obligated by way of a legal commitment or purchase order by December 31, 2024. Merely implementing a plan by approval of the Select Board is not sufficient.

5. Management of Long Term Liabilities – The Town made progress in its management of the OPEB liability. A change in benefit terms combined with the annual $250,000 contribution in a favorable interest rate environment served to reduce the liability by about $5 million and increased the plan asset ratio to nearly 7%. This places the Town around the mean when compared to its peers.

   With respect to the pension liability managed through the Worcester County Contributory Retirement System, poor market conditions in calendar 2022 reduced its plan asset ratio below 50%. Basically, back to 2015 ratios. With a funding schedule set to mature in 2035, the Town can expect to see a rise in assessments through and until maturity. Given that calendar 2023 yielded better than expected market conditions, we would expect the pension system to recover the value that it had lost when the next actuarial valuation is completed.

6. With respect to OPEB, it is important that the Town plan the process of delivering results earlier in the audit season. The fiscal 2023 audit was delayed due to a late OPEB valuation completion, and this should be avoided in the future. We generally find that beginning the process at least 3 months ahead of the audit process yields the most timely results.

7. In the prior year we discussed the increase in delinquent ambulance receivables over the past several years. The Town responded to this observation by completing an analysis of the receivables and abating a substantial amount that will most likely never be collected. In addition, an annual review of the process was implemented. We consider this resolved.

8. In the prior year we discussed the significant level of stale accounts in special revenue and capital projects. The Town responded to this observation by (1) repurposing balances, (2) finding appropriate spending uses, and (3) closing out minor balances. We consider this resolved.

9. In the prior year we discussed that the Town carried a very high allowance for abatement account balance when measured with accounts at the appellate tax board and the actual receivable balance. Further analysis in the current year determined that this is a timing item. Approximately $250,000 - $275,000 is released and repurposed at the beginning of the subsequent year. We consider this resolved.

Other Matters

We applied certain limited procedures to the Town's required supplementary information ("RSI") that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI. We also made verbal communications about matters that we deemed appropriate to Town Management throughout the course of the engagement and through the time of issuance of the financial statements.

Restriction on Use

This information is intended solely for the information and use of the Select Board and management of the Town of Southborough and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

INDEPENDENT AUDITORS' REPORT

The Honorable Members of the Select Board
Town of Southborough, Massachusetts

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Southborough, Massachusetts, (the "Town") as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town as of June 30, 2023 and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis of Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements taken as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards,* we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, and the schedules listed under the required supplementary information section in the accompanying table of contents be presented to supplement the basic financial statements. Such information, although not part of the basic financial statements, is the responsibility of management, and is required by the Governmental Accounting Standards Board, who considers these to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context.

We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required By Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated March 18, 2024 on our consideration of the Town's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contract, grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Town's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Town's internal control over financial reporting and compliance.

Management's Discussion and Analysis

As the management of the Town of Southborough, Massachusetts (The Town), we offer readers of the Town's financial statements this narrative overview and analysis of the financial activities of the Town for the fiscal year ended June 30, 2023. We encourage readers to consider the information presented here in conjunction with their review of the basic financial statements, notes to the basic financial statements and required supplementary information found in this report.

Financial Highlights

- The assets and deferred outflows of the Town exceeded its liabilities and deferred inflows at the close of the most recent fiscal year by nearly $22.2 million (*total net position*). Approximately $11.4 million represented net position of the governmental activities and business-type activities net position was over $10.8 million.

- The government's total net position increased by approximately $7.7 million. The governmental activities increased net position by approximately $7.8 million while the business-type activities decreased net position by nearly $0.1 million.

- The Town's unassigned fund balance reported in the General Fund was nearly $3.7 million (6.0% of General Fund expenditures). Total fund balance in the General Fund was over $8.1 million (13.31% of General Fund expenditures). The Town reported a restricted fund balance of nearly $2.2 million in the Community Preservation Fund, an unassigned fund deficit of over $1.8 million in the Capital Projects Fund and reported total fund balances of nearly $7.2 million in the combined Nonmajor Governmental Funds.

- The Town's debt balance decreased by over $2.9 million to approximately $26.6 million due to regular scheduled maturities. This includes changes related to unamortized bond premiums.

Overview of the Financial Statements

This discussion and analysis are intended to serve as an introduction to the Town's basic financial statements. The Town's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide Financial Statements - The *government-wide financial statements* are designed to provide readers with a broad overview of the Town's finances, in a manner similar to a private-sector business. The *statement of position* presents information on all of the Town's assets, deferred outflows of resources, liabilities and deferred inflows of resources, with the difference between the two reported net as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The *statement of activities* presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave.)

The government-wide financial statements consist of two classifications; (1) those whose activities are principally supported by taxes and intergovernmental revenue (*governmental activities*), and (2) those

whose activities are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*).

The governmental activities of the Town include general government, public safety, highways and streets, sanitation, education, health and human services, culture and recreation, fringe benefits, and debt service. The business-type activities of the Town consist of water utility activities.

Fund Financial Statements - A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Town can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds distinguish fund balance between amounts that are considered nonspendable, such as fund balance associated with inventories, and other amounts that are classified based on the relative strength of the constraints that control the purposes for which specific amounts can be spent. Beginning with the most binding constraints, fund balance amounts will be reported in the following classifications:

- Nonspendable —amounts cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact
- Restricted—amounts constrained by external parties, constitutional provision, or enabling legislation
- Committed—amounts constrained by a government using its highest level of decision-making authority
- Assigned—amounts a government intends to use for a particular purpose
- Unassigned—amounts that are not constrained at all will be reported in the general fund.

Governmental Funds - *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus *on near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Reconciliations are provided in the financial statements to help the reader understand the differences, as indicated with the table of contents.

The Town maintains a number of individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund, community preservation fund, capital projects fund and ARPA fund which are considered to be major funds. Data from the other governmental funds are combined into a single, aggregated presentation.

The Town adopts an annual appropriated budget for its general fund and its enterprise fund. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with this budget. This schedule has been prepared as required supplementary information and can be found after the notes to the financial statements.

Proprietary Funds – Proprietary funds are used to account for a government's ongoing organizations and activities which are similar to those often found in the private sector. The Town utilizes the proprietary funds to report activities of its enterprise funds. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The Town uses enterprise funds to account for its water utility activities.

Notes to the Financial Statements - The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other Information - In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information which includes the schedules of the Town's proportionate share of the net pension liability, contributions to the pension plan, the funding progress and contribution funding of its obligation to provide other postemployment benefits to its employees as well as the Schedule of Revenues, Expenditures and Changes in Fund Balances – Budget and Actual – General Fund and notes to this schedule.

Government-wide Financial Analysis

The condensed statement of net position is as follows:

	Governmental activities		Business-type activities		Total	
	June 30,		June 30,		June 30,	
	2023	2022	2023	2022	2023	2022
Assets						
Current and other assets	$ 27,109,276	$ 23,361,519	$ 1,875,060	$ 3,144,081	$ 28,984,336	$ 26,505,600
Capital assets, net	83,973,980	84,273,065	13,349,195	12,445,674	97,323,175	96,718,739
Total assets	111,083,256	107,634,584	15,224,255	15,589,755	126,307,511	123,224,339
Deferred Outflows of Resources	16,778,480	13,845,403	216,020	231,858	16,994,500	14,077,261
Liabilities						
Long-term liabilities	97,539,891	99,245,587	4,334,301	4,563,571	101,874,192	103,809,158
Other liabilities	10,604,713	6,891,313	41,691	82,802	10,646,404	6,974,115
Total liabilities	108,144,604	106,136,900	4,375,992	4,646,373	112,520,596	110,783,273
Deferred Inflows of Resources	8,360,200	11,764,812	228,708	260,003	8,588,908	12,024,815
Net Position						
Net investment in capital assets	60,945,993	58,528,170	11,216,279	9,535,674	72,162,272	68,063,844
Restricted	9,379,011	8,740,972	-	-	9,379,011	8,740,972
Unrestricted	(58,968,072)	(63,690,867)	(380,704)	1,379,563	(59,348,776)	(62,311,304)
Net position	$ 11,356,932	$ 3,578,275	$ 10,835,575	$ 10,915,237	$ 22,192,507	$ 14,493,512

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. The assets and deferred outflows of the Town exceeded its liabilities and deferred inflows at the close of the most recent fiscal year by nearly $22.2 million (*total net position*). This was an increase of nearly $7.7 million over the preceding year.

By far the largest portion (approximately $72.2 million) of the Town's net position reflects its investment in capital assets (e.g. land, buildings, machinery, and equipment), less any related debt used to acquire those assets that are still outstanding. The Town uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the Town's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of the Town's net position (nearly $9.4 million) represents resources that are subject to external restrictions on how they may be used. U*nrestricted net position* reflects the remainder

of net position, a deficit of over $59.3 million. This is due to the recognition of the net other postemployment and pension benefits liability of approximately $74.6 million in aggregate.

The condensed statement of changes in net position is as follows:

	Governmental activities		Business-type activities		Total	
	June 30,		June 30,		June 30,	
	2023	2022	2023	2022	2023	2022
Revenues

Restatement for private purpose funds	-	(1,628,495)	-	-	-	(1,628,495)
Net position, beginning of year, as restated	1,937,436	3,929,079	10,915,237	11,218,166	12,852,673	15,147,245
Net position, end of year	$ 9,716,092	$ 1,937,436	$ 10,835,575	$ 10,915,237	$ 20,551,667	$ 12,852,673

Governmental Activities - The Town relies significantly on property taxes, which, during 2023, made up approximately 68.6% of total revenues, down from 71.6% in the prior year, however the dollar value increased nearly $1.4 million which is consistent with proposition 2 ½% legislation. Operating grants and contributions made up approximately 15.2% of total revenues, up from 14.3% in the prior year. Actual revenues increased $1.3 million primarily due to an increase for on-behalf pension payments related to the Massachusetts Teachers Retirement System, FEMA reimbursement for COVID-19 costs and various education grants. No other revenues were greater than 10% of total revenues in 2023 or 2022.

Major expenditures were for education which continues to be an area that the town devotes significant resources. Education represented 63.6% of total expenses, which is consistent with prior year allocation, however the dollar value decreased over $3.2 million. This is attributed to OPEB income offset by on-behalf pension payments as discussed above in the revenue section and higher education grant expenditures, which is consistent with higher education grant revenues as discussed above in the revenue section. Public safety expenses represented 12.5% of total expenses, down from the prior year of 15.3%

which is a decrease in dollar value of over $2.5 million. This decrease is attributed to OPEB income and lower purchasing activity. No other expense types were greater than 10% of total expenses in 2023 or 2022.

Business-type Activities - Major revenue sources consist of revenue from user charges, which represented approximately 98.7% of total fiscal year 2023, which was consistent with the 99.9% in the prior year. Water expenses were consistent with the prior year.

Financial Analysis of the Government's Funds

As noted earlier, the Town uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds - The focus of the Town's *governmental funds* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the Town's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the close of the current fiscal year, the Town's governmental funds balance sheet reported a combined ending fund balance surplus of over $15.6 million. This is nearly $1.1 million more than the prior year. Of the ending fund balance approximately $1.8 million is *available for spending* at the government's discretion as *unassigned fund balance.* The remainder is earmarked for specific expenditures.

The general fund is the chief operating fund of the Town. At the end of the current fiscal year, unassigned fund balance of the general fund was approximately $3.7 million, while total fund balance was over $8.1 million. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents 6.0% of total general fund expenditures, while total fund balance represents over 13.31% of that same amount.

The community preservation fund is used as a funding source for various projects eligible under the Community Preservation Act. The balance of this fund decreased from nearly $0.2 million to over $2.2 million, as the fund has various projects in process including the townhouse restoration.

The capital project fund is used as a funding source for all other capital outlay not accounted for in the other major funds. The balance of this fund decreased from a deficit of nearly $1.0 million to a deficit of over $1.8 million as a result of capital outlays in the current year exceeding intergovernmental revenues, bond proceeds and net operating transfers.

The ARPA grant fund, which was established as a major governmental fund in fiscal year 2022, reports cash of over $2.6 million and unearned revenues of that same amount.

The combined Nonmajor funds increased from prior year by nearly $0.9 million. Fund balances at year end were nearly $7.2 million.

Proprietary Funds - The Town's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. At June 30, 2023, net position of the water enterprise fund was nearly $10.9 million, this was less than 1% decrease over the prior year as operations were consistent.

General Fund Budgetary Highlights

The final amended budget was unchanged however the budgets for individual functions and transfers were affected by subsequent appropriations. The schedule of budgetary information, which summarizes these changes, is provided as *Required Supplementary Information.*

Capital Asset and Debt Administration

Capital Assets - The Town's investment in capital assets for its governmental and business-type activities as of June 30, 2023, amounts to over $97.3 million (net of accumulated depreciation). This investment in capital assets includes land, buildings and improvements, infrastructure, machinery, equipment and vehicles and reflects an increase of over $0.6 million due to capital additions exceeding depreciation. The majority of the Town's capital expenditures were for building and improvements, and infrastructure. The Town also purchased various machinery, equipment and vehicles.

Additional information on the Town capital assets can be found in the Notes.

Long-term Debt - At the end of the current fiscal year, the Town had total bonded debt outstanding of over $26.7 million. Of this amount approximately $24.0 million represents debt of the governmental activities and approximately $2.7 million represents debt of business-type activities.

The Town's total debt balance, including unamortized bond premiums, decreased by over $2.9 million. During the fiscal year the Town made regular scheduled maturities of governmental activities and business-type activities debt totaled approximately $2.6 million and $0.4 million, respectively. The remaining changes relate to unamortized bond premiums.

The Town maintains a bond rating of "AAA" as set by Standard and Poor's for general obligation debt.

State statutes limit the amount of general obligation debt a governmental entity may issue to 5.0% percent of its total assessed valuation. The current debt limitation for the Town is approximately $162 million, which is in excess of the Town's outstanding general obligation debt.

The Town also holds a proportionate share of debt of other governmental units that provide services to the Town. The debt service from such arrangements is assessed annually to the Town.

Additional information on the Town's debt can be found in Notes.

Economic Factors and Next Year's Budgets and Rates

- The Town's real estate tax base is made up predominantly of residential taxes, which comprise of nearly 83% of the Town's real estate tax base. The Town also relies to a much lesser extent on its commercial and industrial real estate tax base, which in aggregate comprise over 14% of the Town's real estate tax base. In addition, Chapter 580 of the Acts of 1980, more commonly referred to as Proposition 2 ½, limits the Town's ability to increase taxes in any one year by more than two and one-half percent (2 ½%) of the previous year tax levy. This limit may be exceeded through a majority vote at Select Board along with ballot approval.

- Net state aid for the fiscal year 2024 is expected to increase to nearly $3.8 million.

- Inflation peaked near 40-year historic highs during 2023 and is beginning to stabilize in 2024. This is having adverse impacts on Town expenses and operations and required careful consideration when setting the budget for fiscal 2024. Employee retention is becoming more challenging because of increasing wages in comparable communities, and the talent pool seeking municipal jobs is thinning dramatically. The Town recently completed its Pay and Classification Study. This was completed to keep Southborough competitive, both with current and prospective employees. Energy inflation is continues to cause a spike in energy costs. The Town has been able to mitigate these to an extent due to our electricity aggregation program, but those contracts will likely see a rise upon renewal in the next several months. Price inflation is causing a spike in the price of the delivery and cost of other goods and services. The construction building index is also seeing historic highs which may cause the estimates of major capital projects to increase, in addition to the financing costs of these projects. The increase in residential value compared to the flattening of the commercial values, has caused a shift in the tax base that has exacerbated the impacts on the Town's tax rate and overall financial condition. The Town continues to monitor these issues moving forward in order to maintain and enhance its workforce and positive financial climate.

The above items were considered when the Town developed its budget for fiscal year 2024 and the tax rate was set in November 2023.

Requests for Information

This financial report is designed to provide a general overview of the Town's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or request for additional financial information should be addressed to the Finance Department, 17 Common Street, Southborough, Massachusetts, 01772.

TOWN OF SOUTHBOROUGH, MASSACHUSETTS

RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET
TOTAL FUND BALANCES TO THE STATEMENT OF NET POSITION
JUNE 30, 2023

Total Governmental Fund Balances		**$ 15,648,365**
Capital and leased assets used in governmental activities are not financial resources and therefore are not reported in the funds.		83,973,980
Other long-term assets are not available to pay for current period expenditures and, therefore, are reported as unavailable revenue in the funds		978,549
Deferred outflows and inflows of resources to be recognized in future expense are not available resources and, therefore, are not reported in the funds:		
Deferred outflows related to net other postemployment benefits liability	12,857,724	
Deferred outflows related to net pension liability	3,920,756	
Deferred inflows related to net other postemployment benefits liability	(6,910,852)	
Deferred inflows related to net pension liability	(1,449,348)	
Net effect of reporting deferred outflows and inflows of resources		8,418,280
In the statement of activities, interest is accrued on outstanding long-term debt, whereas in governmental funds interest is not reported until due. This represents the difference between the accruals between this year and the prior year.		(122,351)
Long-term liabilities are not due and payable in the current period and therefore are not reported in the government funds:		
Bonds and notes payable	(22,979,903)	
Unamortized premiums on bonds	(989,203)	
Compensated absences	(623,939)	
Net pension liability	(31,234,178)	
Net other postemployment benefits liability	(41,712,668)	
Net effect of reporting long-term liabilities		(97,539,891)
Net Position of Governmental Activities		**$ 11,356,932**

See accompanying notes to basic financial statements.

TOWN OF SOUTHBOROUGH, MASSACHUSETTS

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES
YEAR ENDED JUNE 30, 2023

Net Change in Fund Balances - Total Governmental Fund Balances		**$ 1,061,973**
Governmental funds report capital outlays as expenditures. However, in the Statement of Activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation/amortization expense. In addition, when a capital asset is disposed of a gain or loss is calculated and reported in the Statement of Activities whereas in the governmental funds, proceeds are reported as revenues. The net amounts are reflected here as reconciling items:		
Capital outlays	$ 3,730,744	
Depreciation/amortization expense	(4,029,829)	
Net effect of reporting capital assets		(299,085)
The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the financial resources of governmental funds. Neither has any effect on net position. Also governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are amortized in the Statement of Activities. The net amounts are reflected here as reconciling items:		
Repayments of debt	1,280,097	
Payments on refunded debt	1,085,000	
Payments on lease	97,594	
Amortization of premiums from issuance of bonds and notes	114,744	
Net effect of reporting long-term debt		2,577,435
Revenues in the Statement of Activities that do not provide current financial resources are unavailable in the Statement of Revenues, Expenditures and Changes in Fund Balances. Therefore, the recognition of revenue for various types of accounts receivable differ between the two statements. The amount presented represents the following differences derived from unavailable revenue.		(1,019,625)
In the Statement of Activities, interest is accrued on outstanding long-term debt; whereas in governmental funds interest is not reported until due. The net amount presented here as a reconciling item represents the difference in accruals between this year and the prior year.		(7,990)
Some expenses reported in the Statement of Activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds:		
Compensated absences	(85,456)	
Other postemployment benefits	6,196,796	
Pension benefits	(872,738)	
Claims and judgements	227,346	
Net effect of reporting long-term liabilities		5,465,948
Change in Net Position of Governmental Activities		**$ 7,778,656**

I. Summary of Significant Accounting Policies

The basic financial statements of the Town have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to state and local governments. GAAP is prescribed by the Governmental Accounting Standards Board (GASB), which is the primary standard-setting body for state and local governmental entities. The following is a summary of the more significant policies and practices used by the Town:

A. Reporting Entity

The Town of Southborough is located in Worcester County and was incorporated as a town in 1727. An elected five-member Select Board governs the Town with an appointed Town Manager. The Town provides governmental services for the territory within its boundaries, including police and fire protection, highway services, water, street maintenance, parks and recreational facilities. Water services are funded almost entirely with user charges.

Component units, while separate entities, are in substance part of the governmental operations if the significance of their operations and/or financial relationship with the Town meet certain criteria. Pursuant to these criteria there are no component units required to be included in the financial statements.

The Town is a member community of the Algonquin Regional High School that provides educational services to students from the Towns of Southborough and Northborough. This joint venture assesses each community its share of operational and debt service costs based on student population and other factors. In fiscal year 2023, the Town's share of the operating and debt service expenses was $8,561,564. There is no equity interest reported in these financial statements. Complete audited financial statements can be obtained directly from the District's administrative office located at 53 Parkerville Road, Southborough, MA 01772.

B. Government-Wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government and its component units. For the most part, the effect of interfund activity has been removed from these statements. *Governmental activities,* which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities,* which rely to a significant extent on fees and charges for support.

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though fiduciary funds are excluded from the government-wide financial statements. Major individual government funds and major individual enterprise funds are reported as separate columns in the fund financial statements. Nonmajor funds are aggregated and presented in a single column. Fiduciary funds are reported by fund type.

Major Fund Criteria – Major funds must be reported if both of the following criteria are met:

1) The total assets and deferred outflows, liabilities and deferred inflows, revenues, or expenditures/expenses of an individual governmental or enterprise fund are at least ten percent of the corresponding element (assets and deferred outflows, liabilities and deferred inflows, etc.) for all funds of that category or type (total governmental or total enterprise funds), and

2) The total assets and deferred outflows, liabilities and deferred inflows, revenues, or expenditures/expenses of the individual governmental fund or enterprise fund are at least five percent of the corresponding element for all governmental and enterprise funds combined.

Additionally, any other governmental or enterprise fund that management believes is particularly significant to the basic financial statements may be reported as a major fund.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Under this method, revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the fiscal year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider are met.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include: 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*. For the most part, the effect of interfund activity has been removed from the government-wide financial statements.

The governmental fund financial statements are reported using *the current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized when susceptible to accrual (i.e. measurable and available). Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures are recorded when the related fund liability is incurred, except for interest on general long-term debt which is recognized when payment is due, certain compensated absences, claims and judgments which are recognized when the obligations are expected to be liquidated with current expendable available resources.

The Town considers property tax revenues to be available if they are collected within 60 days after the end of the fiscal year. Investment income associated with the current fiscal period is susceptible to accrual and has been recognized as revenue of the current fiscal period. All other revenue items are considered to be measurable and available only when the cash is received and are recognized as revenue at that time.

The government reports the following major governmental funds:

General Fund – is the government's primary operating fund. It accounts for all financial resources of the general government except those required to be accounted for in another fund.

Community Preservation Fund – is used to account for funds received in accordance with the Massachusetts Community Preservation Act. Funds are used to acquire or develop open space, recreational facilities, historic resources and affordable housing.

Capital Projects Fund – is used to account for financial resources that are restricted, committed or assigned to expenditures for capital outlays.

ARPA Grant Fund – was established as a major fund in fiscal year 2022 and is used to account for the Town's expenditure of grant awards from the American Rescue Plan Act of 2021, or ARPA.

The *Nonmajor Governmental Funds* consist of other special revenue and permanent funds that are aggregated and presented in the Nonmajor Governmental Funds column on the Governmental Funds financial statements. The following describes the general use of these fund types:

Special Revenue Funds – are used to account for the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects.

Permanent Funds – are used to account for financial resources that are restricted to the extent that only earnings, not principal, may be used for purposes that support the governmental programs.

The proprietary fund financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Under this method, revenues are recognized when earned and expenses are recorded when the liabilities are incurred.

Proprietary funds distinguish *operating* revenues and expenses from *non-operating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues are user charges and fees, while operating expenses consist of salaries, ordinary maintenance, indirect costs and depreciation/amortization. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

The government reports the following major proprietary funds:

Water Enterprise Fund – is used to account for user charges collected to finance costs associated with operating and maintaining the Town's water utility.

Fiduciary fund financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Fiduciary funds are used to account for assets held in a trustee capacity for others that may not be used for governmental programs.

The government reports the following fiduciary funds:

Other Postemployment Benefits Trust Fund – is used to accumulate funds for future payments of other postemployment benefits for retirees such as health and life insurance.

Private-Purpose Trust Funds – is used to account for trust arrangements under which principal and income benefit individuals, private organizations or other governments. This fund is used for needy persons funds.

D. Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position/Fund Equity

Deposits and Investments – The Town's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

Investments of the Town are recorded at fair value in accordance with GASB Statement No. 72, *Fair Value Measurement and Application*. Accordingly, the change in fair value of investments is recognized as an increase or decrease to investment assets and investment income.

Receivables – Real estate and personal property taxes are assessed on January 1 every year. Bills are sent quarterly and are due on August 1, November 1, February 1, and May 1, or thirty days subsequent to the mailing date. Interest accrues on delinquent taxes at the rate of 14% per annum. The Town is allowed to take delinquent tax accounts into tax title fourteen days subsequent to the mailing of demand of delinquent taxes. Property taxes levied are recorded as receivables in the fiscal year of the levy.

Real estate taxes and water user fees and betterments may be secured through a lien process and are considered 100% collectible. Accordingly, an allowance for uncollectible accounts for these receivables is not reported. All personal property tax and excise tax receivables are shown net of an allowance for uncollectible accounts comprised of those outstanding amounts greater than five years old. Departmental and other receivables are shown net of an allowance for uncollectible accounts comprised of those outstanding amounts greater than ninety days old.

Inventories and Prepaid Items – Inventories, which are not material to the basic financial statements, are considered to be expenditures at the time of purchase.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Capital Assets – Capital assets, which include land, buildings and improvements, machinery and equipment, vehicles, library materials, leased assets and infrastructure, are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets, donated works of art and similar items, and capital assets received in a service concession arrangement are reported at acquisition value rather than fair value. Net interest incurred during the construction phase of capital assets of business-type activities, if material is included as part of the capitalized value of the assets constructed.

All purchases and construction costs in excess of $15,000 are capitalized at the date of acquisition or construction, respectively, with expected lives of greater than two years. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Capital assets (excluding land and construction-in-process) are depreciated/amortized using the straight-line method over the following estimated useful lives:

Land improvements	10-30 years
Buildings and improvements	7-40 years
Machinery, equipment and vehicles	5-10 years
Infrastructure	20-100 years

Interfund Balances – Activity between funds that are representative of lending arrangements outstanding at the end of the fiscal year are referred to as either *due to/from other funds* or *advances to/from other funds*. All other outstanding balances between funds are reported as due to/from other funds. Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as *internal balances.*

Interfund Transfers – During the course of its operations, resources are permanently reallocated between and within funds. These transactions are reported as transfers in and transfers out in the individual fund statements. Transfers between and within governmental and fiduciary funds are eliminated from the governmental activities in the statement of activities. Any residual balances outstanding between the governmental activities and the business –type activities are reported in the statement of activities as *transfers, net.*

Investment Income – Excluding the permanent funds, investment income derived from major and nonmajor governmental funds is legally assigned to the general fund unless otherwise directed by state law. Investment income of the proprietary funds is retained in the water fund.

Compensated Absences – It is the Town's policy to permit employees to accumulate earned but unused vacation and sick leave benefits. Compensated absence liabilities related to both governmental and business-type activities are normally paid from the funds reporting the payroll and related expenditures. Amounts related to these benefits are accrued when incurred in the government-wide and proprietary fund financial statements. A liability for these amounts is reported in Governmental Funds only if they have matured.

Long-term Obligations – Long-term debt is reported as liabilities in the government-wide and proprietary fund statement of net position. Bond premiums and discounts are amortized over the life of the bonds using the effective interest method. Bond anticipation notes payable are reported net of the applicable bond premium or discount.

In the governmental fund financial statements, the face amount of long-term debt issued is reported as other financing sources. Premiums received on a debt issuance are reported as other financing sources while discounts are reported as other financing uses. Issuance costs are exclusively reported as general government expenditures regardless of whether they are withheld from the actual proceeds.

Deferred Outflows/Inflows of Resources – In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows* of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The Town has two types of items that are reported on the government-wide statement of net position which relate to outflows from changes in the net pension liability and the other postemployment benefit liability. The deferred pensions will be

recognized in pension expense in future years as more fully described in Note III, subsection A. The deferred other postemployment benefits will be recognized in employee benefits expense in future years as more fully described in Note III, subsection C.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows or resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Town has three types of items, which qualify for reporting in this category. The first arises only under a modified accrual basis of accounting and, accordingly, the item *unavailable revenue* is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues from four sources: property taxes, excise taxes, intergovernmental and other. These amounts are deferred and recognized as an inflow of resources in the period that the amounts became available. The other types of items that qualify for reporting as a deferred inflow are reported on the government-wide statement of net position. This relates to inflows from changes in the net pension liability which will be recognized in pension expense in future years as more fully described in Note III subsection A and inflows from the changes in the net other postemployment benefits liability which will be recognized in employee benefits expense in future years as more fully described in Note III, subsection C.

Net Position – In the government-wide financial statements, net position reported as "net investment in capital assets" includes capital assets, net of accumulated depreciation/amortization, less the principal balance of outstanding debt used to acquire capital assets. Unspent proceeds of capital related debt are not considered to be capital related debt.

Net position is reported as restricted when amounts are not available for appropriation or are legally restricted by outside parties for a specific use. Net position has been *restricted for* the following:

> *Nonexpendable permanent funds* represent the endowment portion of donor restricted trusts that support governmental programs.
>
> *Expendable permanent funds* represent amounts held in trust whereby expenditures are subject to various trust agreements.
>
> *Community preservation* represents assets that are restricted by state law for the purposes of acquiring or developing open space, recreational facilities, historic resources and affordable housing associated with the Massachusetts Community Preservation Act.
>
> *Federal and State grants* represent assets that have restrictions placed on them from federal and state granting agencies.
>
> *Other purposes* represent assets that are restricted by grantors, donors and state laws for specific governmental programs and uses.

Fund Equity – In the fund financial statements, fund balance for governmental funds is reported in classifications that comprise a hierarchy based primarily on the extent in which the Town is required to honor constraints on the specific purpose for which amounts in the funds can be spent.

Fund balance is reported in five components – nonspendable, restricted, committed, assigned, and unassigned as described below:

Nonspendable represents amounts that cannot be spent because they are either (a) not in spendable form (i.e. inventory or prepaid) or (b) legally or contractually required to be maintained intact such as the corpus of an endowment.

Restricted represents amounts that have constraints placed either externally by third-parties (creditors, grantors, contributors, or laws or regulations of other governments) or by law through constitutional provisions or enabling legislation. Enabling legislation authorizes the Town to assess, levy, charge or otherwise mandate payment of resources (from external resource providers) and includes a legally enforceable requirement (compelled by external parties) that those resources be used only for the specific purposes stipulated in the legislation.

Committed represents amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the Town's highest level of decision-making authority, which consists of the Town Meeting members through Town Meeting votes. Those committed amounts cannot be used for any other purpose unless the Town Meeting removes or changes the specified use by taking the same type of action (through Town Meeting votes) it employed previously to commit those amounts.

Assigned represents amounts that are constrained by the Town's intent to be used for specific purposes but are neither restricted nor committed. The Town has by ordinance authorized the Town Manager to assign fund balance. The Select Board may also assign fund balance as it does when appropriating fund balance to cover a gap between estimated revenue and appropriations in the subsequent year's appropriated budget.

Unassigned represents amounts that have not been restricted, committed, or assigned to specific purposes within the general fund. The general fund is the only fund that reports a positive unassigned fund balance amount. Other governmental funds besides the general fund can only report a negative unassigned fund balance amount.

When both restricted and unrestricted resources are available for use, it is the Town's policy to use restricted resources first, then unrestricted resources (committed, assigned and unassigned) as they are needed. When unrestricted resources (committed, assigned and unassigned) are available for use it is the Town's policy to use committed resources first, then assigned, and then unassigned as they are needed. The Town has not established financial policies with respect to maintaining minimum fund balance amounts.

Stabilization Fund – The Town maintains a general stabilization fund, in accordance with Massachusetts General Law Chapter 40, Section 5B. The fund may be used for any municipal purpose upon the condition of a two-thirds vote of the Town Meeting. The balance of the fund totals $652,196 at June 30, 2023 and is reported as unassigned fund balance in the General Fund. Amounts are appropriated into the fund by a majority vote of the Town Meeting.

Encumbrances - The Town's encumbrance policy regarding the general fund is to (1) classify encumbrances that arise from the issuance of purchase orders resulting from normal purchasing activity approved by the Town Manager as assigned, and (2) classify encumbrances that result from an action of the Town Meeting as committed. Encumbrances of funds already restricted, or committed are included within the classification of those fund balances and not reported separately. The Town reports $540,003 of encumbrances from normal purchasing activity in the general fund as assigned and $1,561,061 of encumbrances from Town Meeting votes in the general fund as committed. There are no encumbrances reported in any other fund.

The following table reflects the Town's fund equity categorizations:

	General	Community Preservation	Capital Projects	Nonmajor Governmental Funds	Total
Nonspendable:					
Perpetual permanent funds	$ -	$ -	$ -	$ 591,957	$ 591,957
Restricted:					
General government	-	-	-	481,974	481,974
Public safety	-	-	-	997,631	997,631
Education	-	-	-	2,140,102	2,140,102
Public works	-	-	-	2,158,215	2,158,215
Health and human services	-	-	-	153,169	153,169
Culture and recreation	-	2,216,824	-	633,980	2,850,804
Debt service	-	-	-	40,000	40,000
Committed:					
General government	282,145	-	-	-	282,145
Public safety	28,933	-	-	-	28,933
Pension benefits	90,974	-	-	-	90,974
Public works	1,159,009	-	-	-	1,159,009
Assigned:					
General government	15,322	-	-	-	15,322
Public safety	11,730	-	-	-	11,730
Education	490,308	-	-	-	490,308
Public works	11,068	-	-	-	11,068
Culture and recreation	1,500	-	-	-	1,500
Personnel and fringe benefits	10,075	-	-	-	10,075
Subsequent year's budget	2,352,894	-	-	-	2,352,894
Unassigned	3,661,758	-	(1,846,362)	(34,841)	1,780,555
Totals	$ 8,115,716	$ 2,216,824	$ (1,846,362)	$ 7,162,187	$15,648,365

D. Excess of Expenditures Over Appropriations and Deficits

The Town incurred individual fund deficits totaling $1,846,362 and $34,841 in the Capital Projects major fund and the nonmajor governmental funds, respectively. These deficits will be funded through grants, bond proceeds and available funds in future fiscal years.

E. Use of Estimates

The preparation of basic financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure for contingent assets and liabilities at the date of the basic financial statements and the reported amounts of the revenues and expenditures/expenses during the fiscal year. Actual results could vary from estimates that were used.

II. Detailed Notes to All Funds

A. Deposits and Investments

A cash and investment pool is maintained that is available for use by all funds. Each fund type's portion of this pool is displayed on the balance sheet as "cash and cash equivalents". The deposits and investments of trust funds are held separately from those of other funds.
State laws and regulations require the Town to invest funds only in pre-approved investment instruments which include but are not necessarily limited to bank deposits, money markets,

certificates of deposit, U.S. obligations, repurchase agreements, and State Treasurer's investment pool ("the Pool"). In addition, the statutes impose various limitations on the amount and length of investments and deposits. Repurchase agreements cannot be for a period of over ninety days, and the underlying security must be a United States obligation. During the fiscal year, the Town did not enter into any repurchase agreements.

The Pool meets the criteria of an external investment pool. The Pool is administered by the Massachusetts Municipal Depository Trust ("the MMDT"), which was established by the Treasurer of the Commonwealth who serves as Trustee. The fair value of the position in the Pool is the same as the value of the Pool shares.

Custodial Credit Risk: Deposits - In the case of deposits, this is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The Town does not have a deposit policy for custodial credit risk relative to cash holdings.

At year-end, the carrying amount of the Town's deposits was $20,857,446 and the bank balance was $20,976,965. Of the Town's bank balance, $16,096,995 was collateralized, covered by either federal depository insurance or by the depositors' insurance fund and the remainder was exposed to custodial credit risk because it was uninsured and uncollateralized.

Custodial Credit Risk: Investments – In the case of investments, this is the risk that in the event of the invested party not being able to provide required payments to investors, ceasing to exist, or filing of bankruptcy, the Town may not be able to recover the full amount of its principal investment and/or investment earnings.

The Town's investments in equities, bonds and mutual funds are exposed to custodial credit risk because the related securities are uninsured, unregistered and held by the counterparty. The Town's common stock investments totaling are not exposed to custodial credit risk because they are held with the Town. The Town's investments in negotiable certificates of deposit are fully insured by federal depository insurance. The Town does not have a formal investment policy related to custodial credit risk.

Fair Value of Investments – The Town reports its investments at fair value. When actively quoted observable prices are not available, the Town generally uses either implied pricing from similar investments or valuation models based on net present values of estimated future cash flows (adjusted as appropriate for liquidity, credit, market and/or other risk factors).

The Town categorizes its fair value measurements within the fair value hierarchy established by GAAP. This hierarchy is based on valuation inputs used to measure the fair value of the asset or liability. The three levels of the hierarchy are as follows:

- *Level 1* – Inputs are quoted prices in active markets for identical investments at the measurement date.

- *Level 2* – Inputs (other than quoted prices included in Level 1) are either directly or indirectly observable for the investment through correlation with market data at the measurement date and for the duration of the instrument's anticipated life.

- *Level 3* – Inputs reflect the Town's best estimate of what market participants would use in pricing the investment at the measurement date.

The following table presents the Town's investments carried at fair value on a recurring basis in the statement of net position at June 30, 2023:

		Fair Value Measurements Using		
	Fair value	Level 1	Level 2	Level 3
Investments by fair value level				
Debt securities:				
U.S. government obligations	$ 188,397	$ 188,397	$ -	$ -
Corporate fixed income securities	254,539	-	254,539	-
Fixed income mutual funds	2,663,671	-	2,663,671	-
Negotiable certificates of deposit	14,312	-	14,312	-
Total debt securities	3,120,919	188,397	2,932,522	-
Equity securities:				
Common stock	552,507	552,507	-	-
Exchange traded.products	4,530	-	4,530	-
Equity mutual funds	6,412,094	-	6,412,094	-
Total equity securities	6,969,131	552,507	6,416,624	-
Total investments by fair value level	$10,090,050	$ 740,904	$ 9,349,146	$ -
Investments measured at amortized cost				
State investment pool (MMDT)	218,251			
Money market mutual funds	96,948			
Total investments	$10,405,249			

Debt and equity securities classified in Level 1 are valued using prices quoted in active markets for those securities. Corporate fixed income securities, U.S government obligations, negotiable certificates of deposit and mutual funds classified in Level 2 are valued using matrix pricing based on the securities' relationship to benchmark quoted prices.

The State Treasurer's investment pool (MMDT) is valued at amortized cost. The MMDT's investment advisor may value the pool using an alternative valuation method that more accurately reflects the fair value in accordance with the pools fair value pricing policies should amortize cost, not approximate the fair value of the pool. There are no restrictions or limits on withdrawals from the pool and no direct fees are charged to participants.

Interest Rate Risk – The Town does not have formal investment policies that limit investment maturities as a way of managing its exposure to fair value losses arising from rising interest rates.

At June 30, 2023, the Town had the following investments with maturities:

		Maturities in Years		
Investments	**Fair value**	**Less than 1**	**1 - 5**	**6 - 10**
U.S. government obligations	$ 188,397	$ 45,009	$ 143,388	$ -
Corporate fixed income securities	254,539	78,354	147,721	28,464
Fixed income mutual funds	2,663,671	2,663,671	-	-
Negotiable certificates of deposit	14,312	-	14,312	-
Total investments with maturities	$ 3,120,919	$ 2,787,034	$ 305,421	$ 28,464

Concentration of Credit Risk – The Town does not have an investment policy that limits the amount that can be invested in any one issuer or security. The Town does not maintain investments in a single issuer that represent more than 5% of its total investments.

Credit Risk – The Town does not have an investment policy which would limit its investment choices as to credit risk.

At June 30, 2023, the credit quality ratings of investments were as follows:

Quality Ratings (Moody's)	U.S. Government Obligations	Corporate Fixed Income	Fixed Income Mutual Funds	Negotiable Certificates of Deposit	Totals
AAA	$ 188,397	$ -	$ -	$ -	$ 188,397
A1	-	55,572	-	-	55,572
A2	-	68,104	-	-	68,104
BAA1	-	55,119	-	-	55,119
BAA2	-	75,744	-	-	75,744
Not rated	-	-	2,663,671	14,312	2,677,983
Totals - All	$ 188,397	$ 254,539	$ 2,663,671	$ 14,312	$ 3,120,919

B. Receivables

Receivables as of year-end for the Town's individual major and non-major governmental funds in the aggregate, including the applicable allowances for uncollectible accounts, are as follows:

	Gross Amount	Allowance for Uncollectibles	Net Amount
Receivables:			
Real estate and personal property taxes	$ 203,759	$ -	$ 203,759
Community preservation surcharges	1,407	-	1,407
Tax liens and deferrals	127,819	-	127,819
Excise	147,849	-	147,849
Title V loans	9,383	-	9,383
Ambulance fees	479,166	(191,666)	287,500
Public safety details	54,871	-	54,871
Intergovernmental	784,036	-	784,036
Total	$ 1,808,290	$ (191,666)	$ 1,616,624

Receivables as of year-end for Town's proprietary funds are as follows:

	Gross Amount	Allowance for Uncollectibles	Net Amount
Receivables:			
Water - user fees	$ 913,960	$ -	$ 913,960
Total	$ 913,960	$ -	$ 913,960

Governmental funds report deferred inflows of resources in connection with receivables for revenues that are not considered to be avaiable to liquidate liabilities of the current period. The following idenitifies the components of deferred inflows of resources in the governmental funds:

	General Fund	Other Governmental Funds	Total
Receivable and other asset type:			
Real estate and personal property taxes	$ 203,759	$ -	$ 203,759
Community preservation surcharges	-	1,407	1,407
Tax liens and deferrals	127,399	420	127,819
Excise	147,849	-	147,849
Title V loans	-	9,383	9,383
Ambulance fees	-	287,500	287,500
Foreclosures	200,463	369	200,832
Total	$ 679,470	$ 299,079	$ 978,549

School Building Assistance Reimbursement – As of June 30, 2023, the Town expects to receive the balance of grants from the Commonwealth of Massachusetts under various construction reimbursement regulations totaling approximately $920,943 applicable to approved school construction costs which includes both principal and interest. These costs are reimbursed to the Town in equal installments over the life of the related bond issues and are subject to appropriation only by the State Legislature. This was the final year of payment.

C. Interfund Receivables, Payables and Transfers

Interfund transfers for the fiscal year ended June 30, 2023, are as follows:

	Transfers In			
Transfers Out	General Fund	Capital Projects Fund	Total	
General Fund	$ -	$ 58,161	$ 58,161	(1)
Nonmajor Governmental Funds	617,642	-	617,642	(2)
Total	$ 617,642	$ 58,161	$ 675,803	

(1) Transfers to capital projects fund for debt paydown.

(2) Transfers to nonmajor governmental funds for ambulance and other operations.

D. Capital Assets

Capital asset activity for the year ended June 30, 2023, was as follows:

	Beginning Balance	Increases	Decreases	Ending Balance
Governmental Activities:				
Capital assets not being depreciated/amortized:				
Land	$ 22,446,716	$ -	$ (321,601)	$ 22,125,115
Construction in process	-	1,036,302	-	1,036,302
Total capital assets not being depreciated/amortized	22,446,716	1,036,302	(321,601)	23,161,417

Total business-type activities capital assets, net	$ 12,445,674	$ 931,171	$ (27,650)	$ 13,349,195

Depreciation/amortization expense was charged to functions/programs as follows:

Governmental Activities:		Business-Type Activities:	
General government	$ 83,720	Water	$ 562,848
Public safety	1,094,189		$ 562,848
Education	1,540,135		
Public works	1,032,295		
Health and human services	30,197		
Culture and recreation	249,294		
	$ 4,029,830		

F. Temporary Debt

The Town is authorized to borrow on a temporary basis to fund the following:

Current Operating Costs – Prior to the collection of revenues, expenditures may be financed through the issuance of revenue (RANS) or tax anticipation notes (TANS).

Capital Projects and Other Approved Costs – Projects may be temporarily funded through the issuance of bond anticipation notes (BANS) or grant anticipation notes (GANS). In certain cases, prior to the issuance of these temporary notes, the governing body must take the necessary legal steps to authorize the issuance of the general obligation bonds. Temporary notes may not exceed the aggregate amount of bonds authorized or the grant award amount.

Temporary notes are general obligations of the Town and carry maturity dates that are limited by state law. Interest expenditures and expenses for temporary debt are accounted for in the general fund and enterprise funds, respectively.

Temporary notes outstanding at June 30, 2023, are payable as follows:

Type	Interest Rate	Maturity Date	Beginning Balance	Additions	Retirements	Ending Balance
BAN	0.45%	08/17/22	$ 1,234,537	$ -	$ (1,234,537)	$ -
BAN	3.50%	04/13/23		$ 1,150,000	$ (1,150,000)	-
BAN	4.25%	10/12/23	-	3,603,406	-	3,603,406
Total Governmental Notes			1,234,537	4,753,406	(2,384,537)	3,603,406
Total Temporary Notes Payable			$ 1,234,537	$ 4,753,406	$ (2,384,537)	$ 3,603,406

BAN's outstanding at year end were issued for a fire truck ($550,000), school boilers ($600,000), townhouse renovations ($1,030,000), fire equipment ($400,000) and water mains ($1,023,406).

F. Long–Term Debt

The Town issues general obligation bonds and notes as well as leases to provide funds for the acquisition and construction of major capital facilities. General obligation bonds and notes have been issued for both governmental and business-type activities.

State law permits the Town, under the provisions of Chapter 44, Section 10, to authorize indebtedness up to a limit of 5% of its equalized valuation. Debt issued in accordance with this section of the law is designated as being "inside the debt limit." In addition, the Town may authorize debt in excess of that limit for specific purposes. Such debt, when issued, is designated as being "outside the debt limit".

The following reflects the current year activity in the Town's long-term liability accounts:

	Beginning Balance	Additions	Reductions	Ending Balance	Due Within One Year
Governmental Activities:					
General obligation bonds	$ 24,660,000	$ -	$ (2,335,000)	$ 22,325,000	$ 1,078,000
Unamortized bond premium	1,103,947	-	(114,744)	989,203	104,620
Notes from direct borrowings and placements	782,594	-	(127,691)	654,903	142,207
Claims and judgements	227,346	-	(227,346)	-	-
Compensated absences	538,483	149,260	(63,804)	623,939	311,970
Net pension liability	25,520,159	9,633,157	(3,919,138)	31,234,178	-
Net other postemployment benefits liability	46,413,057	12,857,723	(17,558,112)	41,712,668	-
Total Governmental Activities	$ 99,245,586	$ 22,640,140	$ (24,345,835)	$ 97,539,891	$ 1,636,797
Business-type Activities: Water					
General obligation bonds	$ 2,910,000	$ -	$ (345,000)	$ 2,565,000	$ 342,000
Notes from direct borrowings and placements	111,454	-	(17,784)	93,670	18,094
Compensated absences	35,206	-	(11,296)	23,910	11,955
Net pension liability	914,644	345,253	(140,462)	1,119,435	-
Net other postemployment benefits liability	592,267	164,075	(224,056)	532,286	-
Total Business-type Activities: Water	$ 4,563,571	$ 509,328	$ (738,598)	$ 4,334,301	$ 372,049

The governmental activities will be liquidated by the general fund. The business-type activities liabilities will be liquidated by the water enterprise fund.

Description of Issue	Interest Rate	Beginning Balance	Issuances	Maturities	Ending Balance
Governmental Activities:					
General Obligation Bonds	2.00 - 5.00%	$ 23,363,000	$ -	$ (1,250,000)	$ 22,113,000

Total	$ 2,565,000	$ 452,440	$ 93,670	$ 4,946

Authorized and Unissued Debt - At June 30, 2023, the Town had authorized and unissued debt as follows:

Project	Amount
Land acquisition	$ 2,172,000
Town house renovation	1,000,000
Fire tender	400,000
School feasibility study	950,000
Public safety radios	488,000
Dumpsite remediation	2,200,000
Total authorized and unissued	$ 7,210,000

III. Other Information

A. Retirement System

Retirement System Description – The Town contributes to the Worcester Regional Retirement System (the "System"), a cost-sharing multiple-employer defined benefit pension plan established under Chapter 32 of the Commonwealth of Massachusetts General Laws ("MGL") and administered by Worcester Regional Retirement Board (the "Board"). Standalone audited financial statements for the year ended December 31, 2022 were issued and may be obtained by writing to the Board at Worcester Regional Retirement System, 23 Midstate Drive, Auburn, MA 01501.

Membership – Membership in the System as of December 31, 2022, was as follows:

Retirees and beneficiaries currently receiving benefits	4,270
Active plan members	7,561
Inactive plan members	2,197
Total	14,028

Benefit Terms – Membership in the System is mandatory for all full-time employees and non-seasonal, part-time employees who, in general, regularly work more than twenty hours per week. Teachers and certain administrative personnel employed by the Town's school department participate in a separate pension plan administered by the Massachusetts Teachers' System, which is the legal responsibility of the Commonwealth of Massachusetts. Members of the System do not participate in the federal Social Security retirement system.

Massachusetts contributory retirement system benefits are uniform from retirement system to retirement system. The System provides for retirement allowance benefits up to a maximum of 80% of a participant's highest three-year or five-year average annual rate of regular compensation, depending on the participant's date of hire. Benefit payments are based upon a participant's age, length of creditable service, level of compensation and job classification.

The most common benefits paid by the System include normal retirement, disability retirement and survivor benefits.

Normal retirement generally occurs at age 65. However, participants may retire after twenty years of service or at any time after attaining age 55, if hired prior to April 2, 2012 or at any time after attaining age 60 if hired on or after April 2, 2012. Participants with hire dates subsequent to January 1, 1978, must have a minimum of ten years' creditable service in order to retire at age 55. Participants become vested after ten years of service. Benefits commencing before age 65 are provided at a reduced rate. Members working in certain occupations may retire with full benefits earlier than age 65.

Ordinary disability retirement is where a participant is permanently incapacitated from a cause unrelated to employment. Accidental disability retirement is where the disability is the result of an injury or illness received or aggravated in the performance of duty. The amount of benefits to be received in such cases is dependent upon several factors, including the age at which the disability retirement occurs, the years of service, average compensation and veteran status.

Survivor benefits are extended to eligible beneficiaries of participants whose death occurs prior to or following retirement.

Cost-of-living adjustments granted to members of Massachusetts retirement systems between 1981 and 1997 and any increases in other benefits imposed by the Commonwealth during those years have been the financial responsibility of the Commonwealth. Beginning in 1998, the funding of cost-of-living amounts became the responsibility of the participating units like the System.

The System may be amended or terminated in whole or in part at any time by the Massachusetts Legislature, provided that no such modification, amendment or termination shall be made that would deprive a current member of superannuation pension rights or benefits provided under applicable laws of Massachusetts, if such member has paid the stipulated contributions specified in sections or provisions of such laws. There were no significant changes to the System's benefit terms during the year ended December 31, 2022.

Contributions Requirements – The Town has elected provisions of Chapter 32, Section 22D (as amended) of Massachusetts General Laws, which require that a funding schedule be established to fully fund the pension plan by June 30, 2040. Under provisions of this law, participating employers are assessed their share of the total retirement cost based on the entry age, normal actuarial cost method.

The Town contributed $2,5558,307 to the System in fiscal year 2023, which equaled the actuarially-determined contribution requirement for the fiscal year.

Net Pension Liability – At June 30, 2023, the Town reported a liability of $32,353,613 for its proportionate share of the net pension liability. The net pension liability was measured as of January 1, 2022 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. These balances were updated by an independent actuary up to December 31, 2022. There were no material changes to the System's benefit terms since the actuarial valuation.

The Town's proportion of the net pension liability is based on a projection of the Town's long-term share of contributions to the System relative to the projected contributions of all employers. The Town's proportion was approximately 3.15% on December 31, 2022, which was consistent with the proportion of approximately 3.14% measured at December 31, 2021.

Pension Expense – The Town recognized $3,462,324 in pension expense in the statement of activities in fiscal year 2023.

Deferred Outflows of Resources and Deferred Inflows of Resources – At June 30, 2023, the Town reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	$ -	$ 990,103
Net differences between projected and actual earnings on pension plan investments	2,183,393	-
Changes of assumptions	1,714,501	-
Changes in proportion and differences between Town contributions and proportionate share of contributions	163,382	511,190
Total	$ 4,061,276	$ 1,501,293

The deferred outflows of resources and deferred inflows of resources are expected to be recognized in the Town's pension expense as follows:

Year Ended June 30,	Amounts
2023	$ 182,323
2024	552,375
2025	646,283
2026	1,244,061
2027	(65,059)
Total	$ 2,559,983

Discount Rate – The discount rate used to measure the total pension liability was 7.25%, which was consistent with prior year. The projection of cash flows used to determine the discount rate assumed plan member contributions were made at the current contribution rate and that employer contributions will be in accordance with Sections 22D and 22F of Chapter 32 of the Massachusetts General Laws.

Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Actuarial Valuation – The measurement of the System's total pension liability is developed by an independent actuary. The latest actuarial valuation was performed as of January 1, 2022.

The significant actuarial assumptions used in the January 1, 2022 actuarial valuation included:

Actuarial cost method	Entry Age Normal
Amortization method	Increasing dollar amount at 4%. Annual increase in appropriation is further limited to 9.95%
Remaining amortization period	14 years (2036), except for the 2002 and 2003 ERI which are 6 years (2028).
Asset valuation method	Market value - reduced by the sum of: 80% of gains and losses of the prior year reducing down 20% until the fourth prior year.
Investment rate of return / discount rate	7.25%, net of pension plan investment expense, including inflation
Projected salary increases	Group 1: 4.25 - 6.00%, based on service Group 4: 4.75 - 7.00%, based on service
Inflation rate	2.4% per year
Mortality rates:	
Healthy retiree	RP-2014 Blue Collar Mortality Table with full generational mortality improvement using Scale MP-2020.
Disabled retiree	RP-2014 Blue Collar Mortality Table with full generational mortality improvement using Scale MP-2020, set forward one year.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of December 31, 2022, are summarized in the following table:

Asset Class	Target Allocation	Long-term Expected Real Rate of Return
Global Equity	37%	4.74%
Fixed Income	15%	2.10%
Value-Added Fixed Income	8%	5.20%
Private Equity	16%	7.60%
Real Estate	10%	3.10%
Timber/Natural Resources	4%	4.40%
Hedge Funds	10%	3.90%

Sensitivity Analysis – The following presents the Town's proportionate share of the net pension liability calculated using the discount rate of 7.25% as well as the Town's proportionate share of the net pension liability using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

	Discount Rate			
	Current Rate	1% Decrease	Current	1% Increase
Town proportionate share of net pension liability	7.25%	$ 39,480,124	$ 32,353,613	$ 26,328,601

B. Massachusetts Teachers' Retirement System

Teachers and certain administrative employees of the Town's school department participate in the Massachusetts Teachers' Retirement System ("MTRS"), a cost-sharing multiple employer defined benefit pension plan. MTRS is managed by the Commonwealth on behalf of municipal teachers and municipal teacher retirees. Like the Retirement System, MTRS was established under Chapter 32 of Massachusetts General Laws. The Commonwealth's legislature has the authority to amend or modify the MTRS's funding policies.

The Commonwealth is a nonemployer contributor to the MTRS and is legally responsible by statute for all actuarially determined employer contributions and future benefit requirements of the MTRS. Therefore, the Town is considered to be in a special funding situation as defined by GASB Statement No. 68, Accounting and Financial Reporting for Pensions.

For the year ended June 30, 2023, (measured as of June 30, 2022) the Commonwealth contributed $3,560,489, to the MTRS on behalf of the Town. The Town's proportionate share of the collective MTRS net pension liability at this reporting date was 0.169%, which was based on the actual, actuarially determined contribution made by the Commonwealth on behalf of the Town as a percentage of the total annual contribution made by the Commonwealth on behalf of all employers.

The table below presents the Town's proportionate share of the following:

	Commonwealth Portion	Paid (or assumed) On Behalf of the Town	Town portion
Net pension liability	43,796,566	(43,796,566)	-
Pension expense	3,602,695	(3,602,695)	-

The Town recognized $3,602,695 in intergovernmental revenue and pension expense relative to this arrangement.

C. Other Postemployment Benefits (OPEB)

The Town administers a single-employer defined benefit healthcare plan (the "OPEB Plan") that provides health, dental and life insurance benefits (other postemployment benefits) to retirees and their dependents/beneficiaries in accordance with Section 20 of Massachusetts General Law Chapter 32B.

An employee shall become eligible to retire under this plan upon the completion of 10 years of creditable service and the attainment of age 55 as an active member or with 20 years of service regardless of age.

Specific benefit provisions and contribution rates are established by collective bargaining agreements, state law and Town ordinance. All benefits are provided through the Town's premium-based insurance programs, and these include comprehensive medical insurance. The full cost of benefits is shared between the Town and retirees.

Employees Covered by Benefit Terms – The following employees were covered by the benefit terms as of June 30, 2023:

Active employees	350
Inactives currently receiving benefits	184
Total	534

Contributions – The contribution requirements of OPEB Plan members and the Town are established and may be amended by the Town. Retirees contributed 50% of the set premium for medical insurance during fiscal 2023. The remainder of the cost is funded from taxation.

The Town currently contributes enough money to the Plan to cover the annual costs in addition to $250,000 per year towards the unfunded liability. The costs of administering the OPEB Plan are paid by the Town.

For the year ended June 30, 2023, the Town's average contribution rate was 6.71 of covered-employee payroll.

Net OPEB Liability – The Town's net OPEB liability was measured as of June 30, 2023, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of July 1, 2022, were as follows:

Total OPEB liability	$ 45,281,382
Plan fiduciary net position	(3,036,428)
Net OPEB liability	$ 42,244,954
Plan fiduciary net position as a percentage of the total OPEB liability	6.71%

The total OPEB liability in the most recent actuarial valuation was determined using the following key actuarial assumptions applied to all periods included in the measurement date, unless otherwise specified:

Investment Rate of Return	6.00%
Municipal Bond Rate	3.65%
Single Equivalent Discount Rate	5.59%
Inflation	2.50%
Health Care Trend Rate	8.0% for 2022, decreasing 0.5% per year to 6.0%, then grading down to an ultimate trend rate of 4.1%, utilizing the Society of Actuaries Gretzen Medical Trend Model. The ultimate medical inflation rate is reached in 2075.
Payroll Growth	3.5% per year
Pre-Retirement Mortality -	
General and Public Safety Employees	RP-2014 Blue Collar Employees Mortality Table, projected with generational mortality improvement using scale MP-2020
Teachers	PUB-2010 Teachers Headcount-Weighted Employee Mortality Table, base year 2010, projected with generational mortality using Scale MP-2021
Healthy Retiree Mortality -	
General and Public Safety Employees	RP-2014 Blue Collar Healthy Annuitant Mortality Table, projected with generational mortality improvement using scale MP-2020
Teachers	PUB-2010 Teachers Headcount-Weighted Retiree Mortality Table, base year 2010, projected with generational mortality using Scale MP-2021
Disabled Retiree Mortality -	
General and Public Safety Employees	RP-2014 Blue Collar Mortality Table, set forward one year with full generational mortality improvement using scale MP-2020
Teachers	PUB-2010 Teachers Headcount-Weighted Disabled Mortality Table, base year 2010, projected with generational mortality using Scale MP-2021

Key Changes in Assumptions – Discount rate was decreased from 6.05% to 5.59%. Other assumptions were also updated but were not significant.

Discount Rate – The discount rate used to measure the total OPEB liability was 5.59 % which was based on the long-term investment rate of return.

Long Term Expected Rate of Return – The long-term expected rate of return on OPEB Plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of OPEB Plan investment expense and inflation) are developed for each major asset class.

These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

The target allocation and best estimates of arithmetic real rates of return were as reflected in the following table:

Asset Class	Target Allocation	Expected Investment Rate of Return
Domestic equity	34.00%	3.90%
International equity	22.00%	5.75%
Domestic fixed income	20.00%	1.39%
International fixed income	4.00%	1.21%
Alternatives	20.00%	3.14%
Cash and equivalents	0.00%	0.00%
	100.00%	

Sensitivity Analyses – The following presents the Town's net OPEB liability as well as what the Town's net OPEB liability would be if it were calculated using a discount rate that is 1.0% lower or 1.0% higher than the current discount rate as well as if the healthcare cost trend rates are 1% lower or higher than the current healthcare cost trend rates:

	Discount Rate			
Net OPEB Liability	Current Rate	1% lower	Current	1% greater
	5.59%	$ 49,359,616	$ 42,244,954	$ 36,500,856

	Health Care Rate			
Net OPEB Liability	Current Rate	1% lower	Current	1% greater
	8.0% trending to 4.1%	$ 35,521,734	$ 42,244,954	$ 50,788,664

Changes in the Net OPEB Liability – The following table summarizes the changes in the net OPEB liability for the year ended June 30, 2023:

	Total OPEB Liability (a)	Plan Fiduciary Net Position (b)	Net OPEB Liability (a) - (b)
Balances at June 30, 2022	$ 49,570,491	$ 2,565,167	$ 47,005,324
Changes for the year:			
Service cost	$ 1,628,317	$ -	$ 1,628,317
Interest	3,051,857	-	3,051,857
Changes in assumptions	4,480,246	-	4,480,246
Employer contributions	-	1,759,778	(1,759,778)
Benefit payments withdrawn from trust	-	(1,509,778)	1,509,778
Net investment income	-	221,261	(221,261)
Benefit payments	(1,509,778)	-	(1,509,778)
Net changes	5,567,660	471,261	5,096,399
Balances at June 30, 2023	$ 55,138,151	$ 3,036,428	$ 52,101,723

OPEB Expense and Deferred Outflows/Inflows of Resources Related to OPEB – For the year ended June 30, 2023, the Town recognized OPEB income of $4,516,094. Deferred outflows of

resources and deferred inflows of resources related to OPEB at June 30, 2023, were reported as follows:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Changes in assumptions	$ 8,725,391	$ 3,758,036
Differences between actual and expected experience	4,135,064	3,241,004
Differences between expected and actual earnings	161,343	-
Totals	$ 13,021,798	$ 6,999,040

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense (benefit) as follows:

June 30,	Amount
2024	$ 688,658
2025	895,117
2026	1,649,360
2027	1,896,897
2028	660,984
Thereafter	231,742
Total	$ 6,022,758

Investment Custody – In accordance with Massachusetts General Laws, the Town Treasurer is the custodian of the OPEB Plan and since the Town has not designated a Board of Trustees, the Town Treasurer is also the Trustee and as such is responsible for the general supervision of the management, investment and reinvestment of the OPEB Plan assets. OPEB Plan assets may be invested and reinvested by the custodian consistent with the prudent investor rule established in Chapter 203C and may, with the approval of the State Retiree Benefits Trust Fund Board of Trustees, be invested in the State Retiree Benefits Trust Fund established in Section 24 of Chapter 32A. OPEB Plan assets must be segregated from other funds and not be subject to the claims of any general creditor of the Town.

Investment Policy – The OPEB Plan follows the same investment policies that apply to all other Town Trust funds. Notably it can be invested in accordance with State Statutes that govern Trust investments including PRIM which is an external investment pool managed by the State.

Investment Rate of Return – For the year ended June 30, 2023, the annual money-weighted rate of return on investments, net of investment expense, was 7.92%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

D. Risk Financing

The Town is exposed to various risks of loss related to torts: theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Town carries commercial insurance. The amount of claim settlements has not exceeded insurance coverage in any of the previous three years. The Town participates in a premium-based health care plan for its active and retired employees.

E. Commitments and Contingencies

General – During its day-to-day operations, the Town is party to certain legal claims, which are subject to many uncertainties, and the outcome of individual litigation matters in these situations cannot be reasonably estimated. Although the amount of liability, if any, in these situations at June 30, 2023, cannot be determined, management believes that the resulting liability, if any, should not materially affect the basic financial statements of the Town at June 30, 2023.

Grant Compliance – Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal and state governments. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the Town expects such amounts, if any, would not have a material effect on its financial condition.

Arbitrage – The Town is subject to certain Federal arbitrage laws in accordance with long-term borrowing agreements. Failure to comply with the rules could result in the payment of penalties. The Town does not believe it has failed to comply with any of these agreements.

F. Implementation of GASB Pronouncements

Current Year Implementations

In May 2019, the GASB issued GASB Statement No. 91, *Conduit Debt Obligations*. The objective of this Statement was to standardize the reporting of conduit debt obligations by issuers by clarifying the existing definition of conduit debt obligation, among other matters. As amended, the provisions of this Statement became effective for financial reporting periods beginning after December 15, 2021 (fiscal year 2023). The adoption of this standard did not have a material impact on the Town's financial statements.

In March 2020, the GASB issued GASB Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*. The objective of this Statement was to improve financial reporting by addressing issues related to public-private and public-public partnership arrangements. The provisions of this Statement became effective for financial reporting periods beginning after June 15, 2022 (fiscal year 2023). The adoption of this standard did not have a material impact on the Town's financial statements.

In May 2020, the GASB issued GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*. The objective of this Statement was to address accounting for subscription-based information technology arrangements to government end users based on the standards established in Statement No. 87, as amended. The provisions of this Statement became effective for financial reporting periods beginning after June 15, 2022 (fiscal year 2023). The adoption of this standard did not have a material impact on the Town's financial statements.

Future Implementations –

In June 2022, the GASB issued GASB Statement No. 100, *Accounting Changes and Error Corrections – An Amendment of GASB Statement No 62*. The objective of this Statement is to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent and comparable information for decision making or assessing accountability. The provisions of this Statement are effective for financial reporting periods beginning after June 15, 2023 (fiscal year 2024). The

Town is currently evaluating whether adoption will have a material impact on the financial statements.

In June 2022, the GASB issued GASB Statement No. 101, *Compensated Absences*. The objective of this Statement is to update the recognition and measurement guidance for compensated absences by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. The provisions of this Statement are effective for financial reporting periods beginning after December 15, 2023 (fiscal year 2025). The Town is currently evaluating whether adoption will have a material impact on the financial statements.

TOWN OF SOUTHBOROUGH, MASSACHUSETTS

REQUIRED SUPPLEMENTARY INFORMATION - PENSIONS
YEAR ENDED JUNE 30, 2023

SCHEDULE OF THE TOWN'S PROPORTIONATE SHARE OF THE NET PENSION LIABILITY

	Year Ended June 30,								
	2023	2022	2021	2020	2019	2018	2017	2016	2015
Town's proportion of the net pension liability (asset)	3.15%	3.14%	3.23%	3.22%	3.19%	3.19%	3.15%	3.14%	3.23%
Town's proportionate share of the net pension liability (asset)	$ 32,353,613	$ 26,434,803	$ 28,636,460	$ 28,636,460	$ 28,943,244	$ 25,973,383	$ 26,413,514	$ 22,303,912	$ 19,222,393

See accompanying independent auditors' report.

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION
YEAR ENDED JUNE 30, 2023

I. Budgetary Basis of Accounting

Budgetary Information – An annual budget is legally adopted for the General Fund. Financial orders are initiated by department heads, recommended by the Town Manager and approved by the Select Board. Expenditures may not legally exceed appropriations at the department level. Department heads may transfer, without Town Meeting approval, appropriation balances from one expenditure account to another within their department or budget. Town Meeting, however, must approve any transfer of unencumbered appropriation balances between departments. At the close of each fiscal year, unencumbered appropriation balances lapse or reverts to unassigned fund balance.

The Town adopts an annual budget for the general fund in conformity with the guidelines described above. During fiscal year 2023, Town Meeting approved subsequent changes between appropriations that did not materially impact the total budget. The Town Accountant has the responsibility to ensure that budgetary control is maintained in the manner in which the appropriations were voted by Town Meeting. Budgetary control is exercised through the Town's accounting system.

Budgetary-to-GAAP Reconciliation – The Town's general fund is prepared on a basis of accounting other than GAAP. A reconciliation of the budgetary-basis to GAAP-basis results for the General Fund for the fiscal year ended June 30, 2023, is as follows:

	Basis of Accounting Differences	Fund Perspective Differences	Total
Revenues on a budgetary basis			$ 58,081,706
Stabilization revenues	$ -	$ 19,530	19,530
MTRS on-behalf payment	3,602,695	-	3,602,695
Revenues on a GAAP basis	$ 3,602,695	$ 19,530	$ 61,703,931
Expenditures on a budgetary basis			$ 57,401,958
OPEB transfer	$ -	$ 250,000	250,000
BAN paydown transfer	(58,161)	-	(58,161)
Enterprise indirect costs	(216,133)	-	(216,133)
MTRS on-behalf payment	3,602,695	-	3,602,695
Expenditures on a GAAP basis	$ 3,328,401	$ 250,000	$ 60,980,359
Net other financing sources (uses) on a budgetary basis			$ 583,775
OPEB transfer	$ -	$ 250,000	250,000
BAN paydown transfer	(58,161)	-	(58,161)
Enterprise indirect costs	(216,133)	-	(216,133)
Net other financing sources (uses) on a GAAP basis	$ (274,294)	$ 250,000	$ 559,481

Town of Southborough
Select Board
Southborough, MA

Dear Honorable Board:

We have audited the financial statements of the Town of Southborough, Massachusetts "the Town" as of and for the year ended June 30, 2023. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and the standards applicable to financial audits contained in *Governmental Audit Standards*, issued by the Comptroller General of the United States of America, as well as certain information related to the planned scope and timing of our audit. We communicated such information to the Town's management prior to our commencement of auditing procedures. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Scope limitation

There were no scope limitations.

GAAP Departure

There were no GAAP departures.

Material Weaknesses/Significant Deficiencies

There were no material weaknesses or significant deficiencies.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Town are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Town during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ

significantly from those expected. The most sensitive estimates affecting the Town's financial statements were:

The presentation of the Town's total pension liability and related accounts is determined through biennial actuarial studies, which are rolled forward by an actuary to June 30 each year. We have received an AU805 report from the independent auditor of the County pension system.

The presentation of the Town's total OPEB liability and related accounts is determined through biennial actuarial studies, which are rolled forward by an actuary to June 30 each year. We have received the actuarial report from the actuary.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements are those that describe the Town's net pension and OPEB liabilities at June 30, 2023.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

There were no difficulties encountered in completing the audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. None of the misstatements detected as a result of audit procedures were material, either individually or in the aggregate, to the Town's financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated March 18, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Town's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

The following highlight some items we wish to communicate:

1. The Town took advantage of the great interest rate environment. Interest earned in the General Fund was $343,000 versus about $45,000 in the prior year. We continue to encourage management to seek safe high yielding legally allowable investments for its excess cash. Turning cash into a revenue producing asset is an additive bonus to other general fund revenues.

2. We continue to remind our clients of the importance of maintaining critical controls over its security and cyber operations. Continued training of employees and implementation of cybersecurity controls should be an ongoing annual process.

3. Fraud prevention is an area that should be under ongoing evaluation. Evaluating cash processes of cash handling areas annually through effective risk assessment and proper safeguards is an effective control to protect the Town from threats associated with fraud. We will discuss this with management annually through our risk assessment procedures to assure that management is monitoring this critical aspect of government.

4. ARPA – As the deadline for obligating funds received from the American Rescue Plan Act approaches, we remind our clients that funds must be obligated by way of a legal commitment or purchase order by December 31, 2024. Merely implementing a plan by approval of the Select Board is not sufficient.

5. Management of Long Term Liabilities – The Town made progress in its management of the OPEB liability. A change in benefit terms combined with the annual $250,000 contribution in a favorable interest rate environment served to reduce the liability by about $5 million and increased the plan asset ratio to nearly 7%. This places the Town around the mean when compared to its peers.

   With respect to the pension liability managed through the Worcester County Contributory Retirement System, poor market conditions in calendar 2022 reduced its plan asset ratio below 50%. Basically, back to 2015 ratios. With a funding schedule set to mature in 2035, the Town can expect to see a rise in assessments through and until maturity. Given that calendar 2023 yielded better than expected market conditions, we would expect the pension system to recover the value that it had lost when the next actuarial valuation is completed.

6. With respect to OPEB, it is important that the Town plan the process of delivering results earlier in the audit season. The fiscal 2023 audit was delayed due to a late OPEB valuation completion, and this should be avoided in the future. We generally find that beginning the process at least 3 months ahead of the audit process yields the most timely results.

7. In the prior year we discussed the increase in delinquent ambulance receivables over the past several years. The Town responded to this observation by completing an analysis of the receivables and abating a substantial amount that will most likely never be collected. In addition, an annual review of the process was implemented. We consider this resolved.

8. In the prior year we discussed the significant level of stale accounts in special revenue and capital projects. The Town responded to this observation by (1) repurposing balances, (2) finding appropriate spending uses, and (3) closing out minor balances. We consider this resolved.

9. In the prior year we discussed that the Town carried a very high allowance for abatement account balance when measured with accounts at the appellate tax board and the actual receivable balance. Further analysis in the current year determined that this is a timing item. Approximately $250,000 - $275,000 is released and repurposed at the beginning of the subsequent year. We consider this resolved.

Other Matters

We applied certain limited procedures to the Town's required supplementary information ("RSI") that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI. We also made verbal communications about matters that we deemed appropriate to Town Management throughout the course of the engagement and through the time of issuance of the financial statements.

Restriction on Use

This information is intended solely for the information and use of the Select Board and management of the Town of Southborough and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

RE: FY23 Audit Response Management Letter

Please see the various responses to the items of note in the management letter for the FY23 audit:

1. The Town agrees this interest rate environment is more friendly to earn higher revenues. As of now it is unclear how fast or when rates may drop again, thus having the opposite effect. The Town's policy abides by the standards advocated by the State and finance associations for the investment of funds – Safety, Liquidity, and Yield - in that order. Until rates again adjust downward we anticipate increased earnings compared to previous years.

2. The Town acknowledges this issue as a critical item to continually monitor. The IT Director has made a consistent continued effort to keep all staff aware of efforts of outside parties trying to access data or sensitive information via various means.

3. We are aware most petty theft derives from a person in financial distress, suffering from a type of addiction, or from some other mental health condition. The Town is committed to minimizing the risk of this occurring through various checks and balances. We will continue to check in with departments, monitor the collection process, encourage timely turnovers, and we continue to offer online payment options for permits and fees where possible.

4. The Town has been watching the ARPA deadline and encouraging key players to move ahead with projects as soon as possible. We expect over the Spring/Summer for many of these ARPA initiatives to be worked on and be either closed out or well under way to meet the deadline of 12-31-24.

5. We agree certain adjustments made to our benefits and OPEB analysis this year helped in reducing our liability. We will continue to try and find ways within the Town's control to continue moderating this liability. On the Worcester Regional pension fund we acknowledge the news is a bit more somber. In forecasting we are utilizing year over year 11% increases in the assessment to anticipate possible high increases for the next several years. The Town has also passed approval to seek the ability to issue pension obligation bonds should the opportunity arise.

6. The OPEB audit was delayed this year due to staff changes that occurred in the early Fall, just as we delivered the bulk of information to the actuary. Unfortunately, more data and follow-up questions were requested which led to another round of information gathering. As you are aware the Audit includes school employees, so this adds another layer of back-and-forth conversations and information requests. Being short staffed this had a significant impact on finalizing the data as more time-sensitive obligations had to be met. We do not anticipate this occurring next year and we would like to thank both Audit firms for their patience and closing all the reporting out as soon as they were able to do so.

7. Agreed – this is resolved. We will be sure to keep current with the ambulance write-offs once the new Fire Chief is up and running.

8. We will continue to make efforts to keep stale balances minimal, and agree this issue is closed.

9. Agreed on this comment and item is resolved.

We wish to extend thanks to the Auditors again for their effort in helping us complete the FY 2023 audit prior to the mandated federal deadline. The audit environment has become increasingly complex and the pool of Auditors available for municipal work is shrinking therefore firms are under a higher volume of work than seen in the past. In addition, GASB (the Governmental Accounting Standards Board) continues to regularly publish new rules which affect the Auditors and municipal accounting office's nationally through mandated updates and more complex reporting.

Mr. Brian Ballantine
Treasurer-Collector
Town of Southborough
17 Common Street
Southborough, MA 01772

Dear Brian:

We are pleased to present the enclosed report of the July 1, 2022 actuarial valuation of the retiree health care benefits for the Town of Southborough. The valuation was prepared in accordance with and for the purpose of financial reporting and disclosures as of June 30, 2023 under the following Governmental Accounting Standards Board (GASB) Statements:

- GASB Statement No. 74, Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans (GASB 74)
- GASB Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions (GASB 75)

Results are based on liabilities developed in an actuarial valuation performed as of July 1, 2022 and rolled forward to the plan's measurement date of June 30, 2023.

The Principal Valuation Results, including assets, liabilities and the development of future contributions, are provided in Section 1. The Notes to the Financial Statements and the Required Supplementary Information are provided in Sections 2 and 3, respectively. Employer Reporting Amounts under GASB 75 are provided in Section 4. The Summary of Plan Provisions and Actuarial Assumptions and Methods are shown in Sections 5 and 6, respectively. Section 7 summarizes the demographic profile of active members and retired members, covered spouses and survivors. Finally, a Glossary of Terms is provided in Section 8.

Our calculations are based on member census data and other information provided by the Town of Southborough as well as health plan rates provided by the Town. Although we did not audit the data used in the valuation and disclosure calculations, we believe that the information is complete and reliable.

Liabilities presented in this report are based on a discount rate of 5.59%, the rate that reflects a blended-rate of the long-term expected rate of return on OPEB plan assets and the municipal bond rate. The municipal bond rate of 3.65% is based on the Bond Buyer 20-Bond GO Index published on June 30, 2023. The long-term expected rate of return is 6%. The long-term expected rate of return is based on the target allocations provided in the investment policy statement and long-term expected rates of return by asset class provided by Bartholomew & Company.

This report was completed in accordance with generally accepted actuarial standards and procedures, and conforms to the Code of Professional Conduct of the American Academy of Actuaries. The actuarial assumptions other than those explicitly applicable to the postemployment benefit plans are consistent with those used by the Worcester Regional and Massachusetts Teachers Retirement Systems' actuaries for the Retirement System pension valuations.

Future actuarial valuation results may differ significantly from the current results presented in this report. Examples of potential sources of volatility include plan experience differing from that anticipated by the economic or demographic assumptions, the effect of new entrants, changes in economic or demographic assumptions, the effect of law changes and the delayed effect of smoothing techniques. The potential range of future measurements was not assessed as it was outside the scope of the project.

Our valuation follows generally accepted actuarial methods and we perform such tests as we consider necessary to assure the accuracy of the results. The amounts presented in this report have been appropriately determined according to the actuarial assumptions and methods stated herein.

This valuation report is intended for the sole use of the Town of Southborough and may only be provided to other parties in its entirety, unless expressly authorized by KMS Actuaries. Further, it is intended to provide information to comply with the stated purpose of the report. It may not be appropriate for other purposes.

KMS Actuaries is completely independent of the Town of Southborough and any of its officers or key personnel. None of the actuaries signing this report or anyone closely associated with them has a relationship with the Town of Southborough, other than as consulting actuary for this assignment, that would impair our independence.

The expected claims, cost trend rates, and analysis of regulatory changes have been developed based on the expertise of the undersigned health and welfare actuary, Christopher E. Bean, ASA, MAAA. All other assumptions and methods have been selected based on the expertise of the undersigned pension actuaries, Linda L. Bournival, FSA, EA and Amanda J. Makarevich, FSA.

The undersigned credentialed actuaries agree that the analysis, assumptions and results are overall reasonable. They are Members of the American Academy of Actuaries and together meet the Qualification Standards of the American Academy of Actuaries necessary to render the actuarial opinion contained herein. They are available to answer any questions with regard to this report.

Respectfully submitted,

EXECUTIVE SUMMARY

Purpose of Report

This report presents the results of the actuarial valuation of the Town of Southborough's retiree health care benefits as of July 1, 2022. The valuation was prepared in accordance with and for the purpose of financial reporting and disclosures as of June 30, 2023 under the following Governmental Accounting Standards Board (GASB) Statements:

- GASB Statement No. 74, Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans (GASB 74)
- GASB Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions (GASB 75)

The results as of the measurement date are based on a roll forward of the liabilities developed in the most recent actuarial valuation.

GASB Accounting Standards

In June 2015, the GASB approved two related Statements that significantly changed the way other postemployment benefits (OPEB) plans and governments account and report OPEB liabilities. GASB Statement No. 74 (GASB 74), *Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans*, replaced the requirements of Statement No. 43 and GASB Statement No. 75 (GASB 75), *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, replaced the requirements of Statement No. 45.

The effective date for GASB 74 is for plan years beginning after June 15, 2016, which is the plan year ending June 30, 2017 for the Town of Southborough. The effective date for GASB 75 is for fiscal years beginning after June 15, 2017, which is the fiscal year ending June 30, 2018 for the Town of Southborough.

GASB 74 requires OPEB plans to present a statement of fiduciary net position (OPEB plan assets) and a statement of changes in fiduciary net position. Further, the statement requires that notes to financial statements include descriptive information such as the types of benefits provided, the classes of plan members covered and the authority under which benefit terms are established or may be amended. Finally, GASB 74 requires OPEB plans to present in required supplementary information the sources of the changes in the net OPEB liability and information about the actuarially determined contributions compared with the actual contributions made to the plan and related ratios.

GASB 74 and GASB 75 require projected benefit payments be discounted to their actuarial present value using the single rate that reflects (1) a long-term expected rate of return on OPEB plan investments to the extent that the OPEB plan's assets are sufficient to pay benefits and OPEB plan assets are expected to be invested using a strategy to achieve that return and (2) a tax-exempt, high-quality municipal bond rate to the extent that the conditions for use of the long-term expected rate of return are not met.

GASB 75 establishes standards for measuring and recognizing liabilities, deferred outflows of resources, deferred inflows of resources and OPEB expense by state and local governments.

EXECUTIVE SUMMARY

Town of Southborough Other Postemployment Benefits Program

The Town of Southborough administers the retiree health care benefits program - a single-employer defined benefit plan that is used to provide postemployment benefits other than pensions (OPEB) for all permanent full-time employees. The Town provides health care benefits for retirees and their dependents. Benefits are provided through the Town, and the full cost of benefits is shared between the Town and retirees.

Summary of Principal Results

A summary of principal results from the current and prior measurement dates follows:

Disclosure Date	June 30, 2023	June 30, 2022	% Change
Valuation Date	**July 1, 2022**	**July 1, 2020**	
Membership Data			
Active Plan Members	350	350	0.0%
Inactive Plan Members (excludes covered spouses)	193	184	4.9%
Total Plan Members	543	534	1.7%
Covered Spouses	116	109	
Covered Payroll	$26,232,855	$25,627,949	2.4%
Net OPEB Liability			
Discount Rate	5.59%	6.05%	
Total OPEB Liability (TOL)	$45,281,382	$49,570,491	(8.7%)
Fiduciary Net Position (FNP)	$3,036,428	$2,565,167	18.4%
Net OPEB Liability	$42,244,954	$47,005,324	(10.1%)
FNP as % of TOL	6.7%	5.2%	
OPEB Expense			
OPEB Expense	($4,516,094)	$4,869,015	(192.8%)
Deferred Outflows	$13,021,798	$11,600,697	
Deferred Inflows	$6,999,040	$7,093,441	
Recognition Period	7.19	7.38	

Experience Gain and Loss

In developing the Total OPEB Liability, various assumptions are made regarding future premium rates, mortality, retirement, disability and turnover rates. A comparison of the results of the current and prior measurements is made to determine how closely actual experience relates to expected. For the current measurement period, the difference between expected and actual experience resulted in an actuarial gain of approximately $2,083,000. This gain is primarily attributable to the following:

- a gain due to high active employee turnover with high-service employees replaced by lower service employees
- a gain due to lower than expected dental premiums
- a loss due to the inclusion of both active employees who were hired prior to June 30, 2021 and retirees who were retired prior to June 30, 2021 who were not included in the prior valuation's census data

Changes of Assumptions

The discount rate changed from 6.05% as of June 30, 2022 to 5.59% as of June 30, 2023. In addition, many other assumptions were updated in this valuation, including the inflation rate, healthcare and dental trend rates, mortality tables and mortality improvement rates, and participation rates. A summary of the impact on the Total OPEB Liability (TOL) of each assumption change is provided below:

♦ Decrease due to change in Inflation Assumption		(83,000)
♦ Increase due to change in Trend Assumption		1,157,000
♦ Increase due to change in Mortality Tables and Mortality Improvement Rates		531,000
♦ Increase due to change in Participation Rate		84,000
♦ Increase due to change in Discount Rate		2,791,000
Total	$	4,480,000

All of the assumptions used in this valuation are shown in Section 6, Actuarial Assumptions and Methods.

Changes of Benefit Terms

The Town previously offered Tufts and Fallon non-Medicare health plans. Effective July 1, 2023, the Town replaced the Tufts and Fallon plans with Harvard Pilgrim and also replaced the Medicare plans previously offered with an Aetna Medicare Advantage plan. All other benefit terms are the same as those used in the prior measurement. A Summary of the Principal Plan Provisions is provided in Section 5.

Total OPEB Liability

The Total OPEB Liability as of the current measurement date, June 30, 2023, is $45,281,382. The Total OPEB Liability as of the prior measurement date, June 30, 2022, was $49,570,491. During the current measurement period ending June 30, 2023, the Total OPEB Liability decreased by $4,289,109, or -8.7%. The development of the Total OPEB Liability for the current measurement period is shown in Section 1, Exhibit 1.2.

EXECUTIVE SUMMARY

Fiduciary Net Position

The Fiduciary Net Position is equal to the market value of assets and as of the current measurement date, June 30, 2023, is $3,036,428. The Fiduciary Net Position as of the prior measurement date, June 30, 2022, was $2,565,167. During the plan years ended June 30, 2023 and June 30, 2022, the actual rates of return were 7.92% and -13.56%, respectively. The expected long-term rate of return is 6.00%. The Fiduciary Net Position is shown in Section 1, Exhibit 1.1.

Employer Future Period Contributions

The Town is expected to contribute $250,000 annually until their pension system is fully funded in 2036. Given the COVID-19 situation and market volatility, it was assumed the Town will reallocate the funds used to pay the pension amortization towards OPEB beginning in 2037.

Discount Rate

As of the June 30, 2023 measurement date, the OPEB plan's fiduciary net position was projected to be insufficient to make all projected benefit payments of current plan members. Therefore, the long-term expected rate of return on OPEB plan investments was applied to 94 years of projected future benefit payments that are expected to be funded and the 3.65% municipal bond rate was applied to all other years to determine the total OPEB liability. Projected benefit payments are discounted to their actuarial present value using a single discount rate of 5.59%.

OPEB Expense

The OPEB Income for the current measurement period ending June 30, 2023, is $4,516,094. Benefit changes are recognized immediately and experience gains and losses and assumption changes developed in this valuation are recognized over 7.19 years. Investment gains and losses are recognized over 5 years. The OPEB Expense for the prior measurement period was $4,869,015. The development of the OPEB expense for the current measurement period is shown in Section 4, Exhibit 4.2.

COVID-19 Pandemic

The assumptions in this report, other than medical trend rates in the short term, do not reflect the potential impact of the COVID-19 pandemic on the OPEB program. Especially in the short range, it is very likely that the pandemic materially affected the economic, demographic and healthcare-specific experience in a way not anticipated by the assumptions on which the projections are based.

SECTION 1 - PRINCIPAL VALUATION RESULTS

Exhibit 1.1 - OPEB Trust Assets

The Town has established an irrevocable trust pursuant to Section 20 of Massachusetts General Law Chapter 32B for the purpose of accumulating assets to prefund the OPEB liabilities. Plan assets segregated and restricted in an OPEB trust must be dedicated to providing plan benefits to retirees and beneficiaries in accordance with the terms of the plan and must be legally protected from creditors of the employer. Further, contributions from employers to the OPEB trust and earnings on those contributions must be irrevocable. Asset information for the current and prior fiscal years was provided by the Town and is presented below:

Fiscal Year Ended June 30	2023	2022
Trust Fund Composition at Fiscal Year-End		
Domestic Equity	1,281,871	1,027,337
International Equity	646,185	452,671
Domestic Bonds	550,072	565,291
International Bonds	131,157	121,620
Alternatives	420,880	387,143
Cash	6,263	11,105
Total Market Value of Assets	3,036,428	2,565,167
Asset Activity		
Market value, beginning of year	$2,565,167	$2,714,632
Employer Premiums	1,509,778	1,604,815
OPEB Trust Contributions	250,000	250,000
Benefit Payments	(1,509,778)	(1,604,815)
Administrative Expenses	-	-
Investment Return	221,261	(399,465)
Market value, end of year	$3,036,428	$2,565,167
Money-Weighted Rate of Return	7.92%	-13.56%
(Gain) / Loss on OPEB Plan Investments		
Projected earnings	$185,782	$195,721
Actual earnings	221,261	(399,465)
(Gain) / Loss on OPEB plan investments	($35,479)	$595,186

SECTION 1 - PRINCIPAL VALUATION RESULTS

Exhibit 1.2 - Total OPEB Liability

The Total OPEB Liability, developed using the Entry Age Normal funding method, is the portion of the actuarial present value of projected benefit payments that is attributed to past periods of member service. The total OPEB liability as of the June 30, 2023 measurement date was developed from an actuarial valuation as of July 1, 2022 and rolled forward to the OPEB plan's fiscal year-end.

The Service Cost is the portion of the actuarial present value of projected benefit payments that is attributed to a valuation year. Only active employees who have not reached the age at which the probability of retirement is 100% incur a service cost.

Actuarial experience gains and losses arise from the difference between expected and actual experience, excluding amounts related to benefit changes and changes in assumptions or other inputs.

The development of the Total OPEB Liability from the beginning of the measurement period, June 30, 2022 to the end of the measurement period, June 30, 2023 is shown below:

Measurement Date		June 30, 2023
1. Total OPEB Liability, beginning of year:		
a. Actives	$30,582,044	
b. Retirees, Covered Spouses and Survivors	18,988,447	
c. Total OPEB Liability at 6.05% (a. + b.)		$49,570,491
2. Service Cost		$1,628,317
3. Expected Benefit Payments		
a. Current retirees	($1,410,260)	
b. Future retirees	(99,518)	
c. Total (a. + b.)		($1,509,778)
4. Interest [6.05% x (1.c. + 2. + .5 x 3.c)]		$3,051,857
5. Changes of benefit terms		($9,856,769)
6. Differences between expected and actual experience		($2,082,982)
7. Changes of assumptions or other inputs		$4,480,246
8. Total OPEB Liability, end of year (1.c. + 2. + 3.c. + 4. + 5. + 6. + 7.)		
a. Actives	$27,101,663	
b. Retirees, Covered Spouses and Survivors	18,179,719	
c. Total OPEB Liability at 5.59% (a. + b.)		$45,281,382

SECTION 1 - PRINCIPAL VALUATION RESULTS

Exhibit 1.3 - Development of Actuarially Determined Employer Contributions

The Town is expected to contribute $250,000 annually until their pension system is fully funded in 2036. Given the COVID-19 situation and market volatility, it was assumed the Town will reallocate the funds used to pay the pension amortization towards OPEB beginning in 2037.

The Actuarially Determined Employer Contribution (ADEC) equals the Normal Cost plus a provision for amortizing the Unfunded Actuarial Accrued Liability. We have assumed level dollar amortization over an amortization period of 30 years.

Fiscal Year Ending	June 30, 2023	June 30, 2024
Discount Rate	**6.05%**	**5.59%**
1. Normal Cost	$1,628,317	$1,534,959
2. Unfunded Actuarial Accrued Liability		
a. Actuarial Accrued Liability	$49,570,491	$45,281,382
b. Actuarial Value of Plan Assets	$2,565,167	$3,036,428
c. Unfunded Actuarial Accrued Liability (a. - b.)	$47,005,324	$42,244,954
3. Amortization of Unfunded Actuarial Accrued Liability		
a. Unfunded Actuarial Accrued Liability	$47,005,324	$42,244,954
b. Amortization Period in years	30	30
c. Payroll Growth Rate	0.0%	0.0%
d. Amortization Factor	14.52	15.19
e. Amortization Amount (3.a. / 3.d.)	$3,237,281	$2,781,103
4. Interest on 1. and 3.e.	$294,369	$241,268
5. Actuarially Determined Employer Contribution (1. + 3.e. + 4.)	$5,159,967	$4,557,330
6. Actual Employer Contribution to OPEB Trust	$250,000	TBD
7. Expected Benefit Payments	$1,509,778	
8. Total Contribution (6. + 7.)	$1,759,778	

Exhibit 2.1 - Plan Description

Plan Administration

The Town of Southborough administers the retiree health care benefits program - a single-employer defined benefit plan that is used to provide postemployment benefits other than pensions (OPEB) for all permanent full-time employees.

Plan Membership

At June 30, 2023, OPEB plan membership consisted of the following:

Inactive plan members or beneficiaries currently receiving benefit payments[1]	193
Inactive plan members entitled to but not yet receiving benefit payments	0
Active plan members	350
	543

[1]Per paragraph 34a of GASB 74 and further clarified by Question 4.67 of the 2017-2 GASB 74 Implementation Guide, the total shown for inactive plan members or beneficiaries currently receiving benefit payments does not include covered spouses or other dependents.

Benefits Provided

The Town provides health care benefits for retirees and their dependents. Benefits are provided through the Town, and the full cost of benefits is shared between the Town and retirees.

Employer Future Period Contributions

The Town is expected to contribute $250,000 annually until their pension system is fully funded in 2036. Given the COVID-19 situation and market volatility, it was assumed the Town will reallocate the funds used to pay the pension amortization towards OPEB beginning in 2037.

Exhibit 2.2 - Net OPEB Liability

The components of the net OPEB liability at June 30, 2023, were as follows:

Total OPEB liability	$	45,281,382
Fiduciary net position		(3,036,428)
Net OPEB liability	$	42,244,954

Fiduciary net position as a percentage of the total OPEB liability 6.71%

Actuarial Assumptions

The total OPEB liability was determined by an actuarial valuation as of July 1, 2022, rolled forward to the measurement date and using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.5% per year, based on current economic data, analyses from economists and other experts, and professional judgement.
Discount rate	5.59%, net of investment expenses, including inflation.
Healthcare cost trend rate	8% for 2022, decreasing 0.5% per year to 6%, then grading down to an ultimate trend rate of 4.1%, utilizing the Society of Actuaries Getzen Medical Trend Model. The ultimate medical trend rate is reached in 2075.
Pre-Retirement Mortality - General and Public Safety employees	RP-2014 Blue Collar Employees Mortality Table, projected with generational mortality improvement using scale MP-2020.
Healthy Retiree Mortality - General and Public Safety employees	RP-2014 Blue Collar Healthy Annuitant Mortality Table, projected with generational mortality improvement using scale MP-2020.
Disabled Retiree Mortality - General and Public Safety employees	RP-2014 Blue Collar Mortality Table set forward one year with full generational mortality improvement using Scale MP-2020.
Pre-Retirement Mortality - Teachers	PUB-2010 Teachers Headcount-Weighted Employee Mortality Table, base year 2010, projected with generational mortality improvement using Scale MP-2021.
Healthy Retiree Mortality - Teachers	PUB-2010 Teachers Headcount-Weighted Retiree Mortality Table, base year 2010, projected with generational mortality improvement using Scale MP-2021.
Disabled Retiree Mortality - Teachers	PUB-2010 Teachers Headcount-Weighted Retiree Mortality Table, base year 2010, projected with generational mortality improvement using Scale MP-2021.

Exhibit 2.2 - Net OPEB Liability

Long-Term Expected Rate of Return

The long-term expected rate of return on OPEB plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of OPEB plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage provided in the investment policy statement and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the target asset allocation as of June 30, 2023 are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rates of Return[1]
Domestic Equity	34%	3.90%
International Equity	22%	5.75%
Domestic Bonds	20%	1.39%
International Bonds	4%	1.21%
Alternatives	20%	3.14%
Total	100%	

[1] provided by Bartholomew & Company.

Discount Rate

The discount rate used to measure the total OPEB liability was 5.59%. The projection of cash flows used to determine the discount rate assumed that contributions from the Town will be made in accordance with the plan's funding policy. Based on those assumptions, the OPEB plan's fiduciary net position was projected to be insufficient to make all projected benefit payments of current plan members. Therefore, the long-term expected rate of return on OPEB plan investments was applied to 94 years of projected future benefit payments that are expected to be funded and the 3.65% municipal bond rate was applied to all other years to determine the total OPEB liability.

Exhibit 2.2 - Net OPEB Liability

Sensitivity of the Net OPEB Liability to Changes in the Discount Rate

The following presents the net OPEB liability calculated using the current discount rate of 5.59 percent, as well as what the net OPEB liability would be if it were calculated using a discount rate 1-percentage point lower (4.59 percent) or 1-percentage point higher (6.59 percent) than the current rate:

	1% Decrease (4.59%)	Assumed Discount Rate (5.59%)	1% Increase (6.59%)
Total OPEB Liability	$ 52,394,044	$ 45,281,382	$ 39,537,284
Fiduciary Net Position	(3,036,428)	(3,036,428)	(3,036,428)
Net OPEB Liability	$ 49,357,616	$ 42,244,954	$ 36,500,856
% Change in NOL	16.8%		-13.6%

Sensitivity of the Net OPEB Liability to Changes in the Healthcare Cost Trend Rates

The following presents the net OPEB liability calculated using the current healthcare cost trend rates as well as what the net OPEB liability would be if it were calculated using healthcare cost trend rates that are 1-percentage point lower (7% year 1 decreasing to 3.1%) or 1-percentage point higher (9% year 1 decreasing to 5.1%) than the current healthcare cost trend rates:

	1% Decrease 7% Year 1 Decreasing to 3.1%	Assumed Healthcare Cost Trend Rates 8% Year 1 Decreasing to 4.1%	1% Increase 9% Year 1 Decreasing to 5.1%
Total OPEB Liability	$ 38,558,162	$ 45,281,382	$ 53,825,092
Fiduciary Net Position	(3,036,428)	(3,036,428)	(3,036,428)
Net OPEB Liability	$ 35,521,734	$ 42,244,954	$ 50,788,664
% Change in NOL	-15.9%		20.2%

Note: Only 7 years are presented here and on the previous page, beginning with the year of implementation; 10 years of information will be required.

Exhibit 3.1 - Changes in Net OPEB Liability and Related Ratios, continued

Notes to Schedule

Changes of Benefit Terms

All other benefit terms are the same as those used in the prior measurement.

Changes of Assumptions

The discount rate changed from 6.05% as of June 30, 2022 to 5.59% as of June 30, 2023. In addition, many other assumptions were updated in this valuation, including the inflation rate, healthcare and dental trend rates, mortality tables and mortality improvement rates, and participation rates.

SECTION 3 - REQUIRED SUPPLEMENTARY INFORMATION

Exhibit 3.2 - Investment Returns

Fiscal Year Ended June 30	2023	2022	2021	2020	2019	2018	2017	2016	2015	2014
Annual money-weighted rate of return, net of investment expenses	7.92%	-13.56%	29.26%	2.00%	5.34%	6.76%	8.37%			

The money-weighted rate of return considers the changing amounts actually invested during a period and weights the amount of OPEB plan investments by the proportion of time they are available to earn a return during that period. The rate of return is then calculated by solving, through an iterative process, for the rate that equates the sum of the weighted external cash flows into and out of the OPEB plan investments to the ending fair value of OPEB plan investments.

Note: Only 7 years are presented here, beginning with the year of implementation; 10 years of information will be required.

Exhibit 3.2 - Investment Returns

Calculation of Money-Weighted Rate of Return

	Plan Investments/ Net External Cash Flows (a)	Periods Invested (b)	Period Weight (c)=(b)÷12	(d)=(a) x $(1+r_{mw})^{(c)}$
Beginning value - July 1, 2022	$ 2,565,167	12	1.00	$ 2,768,335
Monthly net external cash flows:				
July	250,000	11	0.92	268,092

Inflation	2.50%	2.40%	2.20%	2.50%	Not available

Exhibit 3.3 - Schedule of Employer Contributions, continued

Fiscal Year Ended June 30	2018	2017	2016	2015	2014
Actuarially determined contribution	$ 3,135,467	$ 2,954,779			
Contributions in relation to the actuarially determined contribution	1,419,027	938,801			
Contribution deficiency (excess)	$ 1,716,440	$ 2,015,978			
Covered payroll	$ 21,576,364	$ 19,326,334			
Contributions as a percentage of covered payroll	6.58%	4.86%			
Discount rate	4.50%	Not available			
Inflation	Not available	Not available			

Note: Only 7 years are presented here and on the previous page, beginning with the year of implementation; 10 years of information will be required.

Notes to Schedule

Valuation Date

Actuarially determined contributions are determined as of July 1, one year prior to the end of the fiscal year in which contributions are reported.

Methods and Assumptions as of Current Measurement Date

Actuarial cost method	Entry Age Normal
Amortization method	Level dollar amount over 30 years on an open amortization period for partial pre-funding.
Amortization period	30 years
Asset valuation method	Market value
Healthcare cost trend rates	8% for 2022, decreasing 0.5% per year to 6%, then grading down to an ultimate trend rate of 4.1%, utilizing the Society of Actuaries Getzen Medical Trend Model. The ultimate medical trend rate is reached in 2075.

SECTION 4 - EMPLOYER REPORTING AMOUNTS UNDER GASB 75

Exhibit 4.1 - Deferred Outflows and Deferred Inflows of Resources

Deferred Outflows of Resources and Deferred Inflows of Resources arising from differences between expected and actual experience are recognized in OPEB Expense over the average expected remaining service life of all active and inactive participants.

				Balances at June 30, 2023	
	Experience Losses	Experience Gains	Amounts Recognized in OPEB Expense through June 30, 2023	Deferred Outflows of Resources	Deferred Inflows of Resources
Year	(a)	(b)	(c)	(a) - (c)	(b) + (c)

Subtotal				$ 375,085	$ 213,742
Net				$ 161,343	$ -

Amounts reported as Deferred Outflows of Resources and Deferred Inflows of Resources will be recognized in OPEB expense as follows:

Year ended June 30		
2024	$	688,658
2025	$	895,117
2026	$	1,649,360
2027	$	1,896,897
2028	$	660,984
Thereafter		231,742
Deferred Outflows	$	13,021,798
Deferred Inflows	$	6,999,040

SECTION 4 - EMPLOYER REPORTING AMOUNTS UNDER GASB 75

Exhibit 4.2 - OPEB Expense (Income)

The OPEB Expense and deferred outflows and inflows of resources primarily result from changes in the components of the net OPEB liability (NOL). Most changes in the NOL are included in the OPEB Expense in the period of the change, including service cost, interest on total OPEB liability, changes in benefit terms and projected earnings on the OPEB plan's investments. Other changes in the net OPEB liability are included in OPEB Expense over the current and future periods. These include the effects on the total OPEB liability of changes of economic and demographic assumptions and differences between expected and actual experience. In addition, the effect on the net OPEB liability of differences between the projected earnings on OPEB plan investments and actual experience with regard to those earnings are included in OPEB expense over the current and future periods. The OPEB Expense for the reporting period ending June 30, 2023 is presented below:

Fiscal Year Ended June 30, 2023

Measurement Date			**6/30/2023**
1. Service cost		$	1,628,317
2. Interest on the total OPEB liability			
a. Total OPEB liability, beginning of year	49,570,491		
b. Service cost, beginning of year	1,628,317		
c. Benefit payments	(1,509,778)		
d. Interest on total OPEB liability = 6.05% times (a. + b. + .5 times c.)			3,051,857
3. Differences between expected and actual experience			417,584
4. Changes of benefit terms			(9,856,769)
5. Changes of assumptions			387,920
6. Projected earnings on OPEB plan investments			
a. Plan fiduciary net position, beginning of year	2,565,167		
b. Contributions - Employer	1,759,778		
c. Benefit payments	(1,509,778)		
d. Administrative expenses and other	-		
e. Total projected earnings			(185,782)
7. Differences between projected and actual earnings on OPEB plan investments			40,779
8. OPEB plan administrative expenses			-
9. Other changes in fiduciary net position			-
10. **Total OPEB Expense (Income)**		$	(4,516,094)

SECTION 5 - SUMMARY OF PLAN PROVISIONS

Eligibility for Postemployment Benefits

Employees of the Town and their dependents are eligible for postemployment medical, dental and life insurance based on the eligibility requirements under the Worcester Regional and Massachusetts Teachers Retirement Systems.

Retirement Eligibility

General employees hired before April 2, 2012: retire after attaining age 55 with 10 or more years of service or any age with 20 or more years of service

General employees hired after April 1, 2012: retire after attaining age 60 with 10 or more years of service

Public Safety employees hired before April 2, 2012: retire after attaining age 55 or any age with 20 or more years of service

Public Safety employees hired after April 1, 2012: retire after attaining age 55

Ordinary Disability Eligibility

Any member who is unable to perform his or her duties due to a non-occupational disability and has ten or more years of creditable service.

Accidental Disability Eligibility

Any member who is unable to perform his or her duties due to a job-related disability.

Medical Premiums

The total monthly premiums by plan are shown below:

Non-Medicare Plans - July 1, 2023	Individual	Family
HPHC HMO	$915.22	$2,379.58
HPHC Focus	$809.70	$2,105.21
HPHC PPO	$1,098.27	$2,855.50

Medicare Plans - January 1, 2024	
Aetna Advantage Plan	$300.00

Participant Contributions

Retired employees contribute 25% of the total medical premium for the HPHC HMO, HPHC Focus, and Aetna Advantage plans, and 50% for the HPHC PPO plan.

Continuation of Coverage to Spouse After Death of Retiree

Surviving spouse may continue coverage for lifetime by paying the required medical premium.

SECTION 5 - SUMMARY OF PLAN PROVISIONS

Dental Coverage

Dental coverage is provided. The total monthly costs are $44.56 and $132.70 for individual and family plans, respectively. Retirees contribute 50% of the monthly premiums.

Life Insurance Coverage

Retirees are eligible for a $1,000 life insurance benefit. The total monthly cost is $0.42. Retirees contribute $0.21 towards the monthly premiums.

SECTION 6 - ACTUARIAL ASSUMPTIONS AND METHODS

Valuation Date	July 1, 2022
Disclosure Date	June 30, 2023
GASB 75 Reporting Date	June 30, 2023
Long-Term Expected Rate of Return	6%, net of investment expenses and including inflation at 2.5%. Previously, 6.65%. A long-term assumption based on capital market expectations by asset class, historical returns and professional judgment. A building block approach was used that considered the target asset allocation, expected returns by asset class and risk analysis to determine a long-term expected average annual rate of return.
Municipal Bond Rate	3.65%, based on the Bond Buyer 20-Bond GO Index published on June 30, 2023.
Discount Rate (GASB)	5.59%, compounded annually, for the measurement as of June 30, 2023. 6.05%, compounded annually, for the measurement as of June 30, 2022. The single rate that reflects the long-term expected rate of return on OPEB plan investments to the extent that the OPEB plan's assets, which are expected to be invested using a strategy to achieve that return, are sufficient to pay benefits, and a tax-exempt, high-quality municipal bond rate to the extent that the conditions for use of the long-term expected rate of return are not met.
Discount Rate (ADEC)	6.05%, compounded annually, for development of the Actuarially Determined Contribution (ADEC) as of June 30, 2023.
Amortization Method	Level dollar amount over 30 years on an open amortization period for partial pre-funding.

SECTION 6 - ACTUARIAL ASSUMPTIONS AND METHODS

Medical Trend Rates

Year	Trend
1	8.00%
2	7.50%
3	7.00%
4	6.50%
5	6.00%
Ultimate	4.10%

Trend rates after year 5 grade down to the ultimate rate of 4.1 percent utilizing the Society of Actuaries Getzen Medical Trend Model. The ultimate trend rate is reached in 2075.

Health care trend assumptions begin at current levels and grade down over a period of years to a lower level equal to some real rate plus inflation. The principal components of health trend are medical inflation, deductible erosion, cost shifting, utilization, technology and catastrophic claims. The overall effect of these components are expected to decline year by year.

Dental Trend Rates

Dental trend rates are 4% per year.

Medicare Trend Rates

5.5% per year.

Inflation

2.5% per year, based on current economic data, analyses from economists and other experts, and professional judgment.

Payroll Growth

3.5% per year.

Participation Rates

Medical - 80% of eligible retired employees will elect to participate.
Dental - 85% of eligible retirees will elect to participate.
Life - 70% of eligible retirees will elect to participate.
Medicare - all retired employees are assumed to enroll in Medicare at age 65.

Dependent Status

Male spouses are assumed to be three years older and female spouses are assumed to be three years younger than the retired employee.

70% of employees are assumed to retire with a covered spouse.

For current retirees, the actual census information is used.

Medical Per Capita Costs

The following annual per capita costs are for the fiscal year beginning July 1, 2022 and are applicable to retirees, survivors and spouses. Annual costs for current and future retirees are based on the blended curves shown below, developed using the plan coverages elected by current retirees and survivors and premium rates currently in effect. Future years' costs are based on the first year cost adjusted with trend.

	Medicare-Eligible		Medicare-Ineligible	
Age	Male	Female	Male	Female
Under 20	$4,215	$4,949	$4,215	$4,949
20-24	3,322	5,269	3,322	5,269
25-29	3,457	7,773	3,457	7,773
30-34	4,342	9,822	4,342	9,822
35-39	5,446	10,117	5,446	10,117
40-44	6,787	10,361	6,787	10,361
45-49	8,565	11,373	8,565	11,373
50-54	11,288	13,379	11,288	13,379
55-59	14,669	15,470	14,669	15,470
60-64	18,825	18,412	18,825	18,412
65-69	2,545	2,478	23,487	22,071
70-74	3,050	2,923	28,141	26,025
75-79	3,601	3,392	33,242	30,223
80-84	4,139	3,890	38,207	34,649
85-89	4,611	4,349	43,729	39,556
90-94	5,020	4,641	43,729	39,556
95+	5,335	4,488	43,729	39,556

Retiree Contributions

Annual per capita participant contributions for the fiscal year beginning July 1, 2022 are as follows:

Plan	Contribution
Non-Medicare	$ 3,391
Medicare	804

Actuarial Cost Method

Entry Age Normal. The costs of each employee's postemployment benefits are allocated as a level basis over the earnings of the employee between the employee's date of hire and the assumed exit ages.

Actuarial Value of Assets

Market value of assets as of the disclosure date.

Census Data

Employee and retiree data were compiled and submitted by the Town as of June 30, 2023. We made reasonable adjustments for missing or invalid data.

Use of ProVal®

KMS Actuaries has used ProVal® to develop the liabilities, normal costs and projected benefit payments in this report. We have a lease agreement with WinTech, the developer of ProVal®, and have relied on their system to perform these calculations. The actuaries signing this report and the KMS staff members who were involved in preparing it have a clear understanding of ProVal® and have used it only for its intended purpose. We have reviewed the output produced by ProVal® for reasonableness and we are not aware of any material inconsistencies, limitations or known weaknesses that would affect this report.

SECTION 6 - ACTUARIAL ASSUMPTIONS AND METHODS

General and Public Safety

Pre-Retirement Mortality

Pre-retirement mortality rates for General and Public Safety employees are based on the RP-2014 Blue Collar Employees Mortality Table, projected with generational mortality improvement using scale MP-2020.

Healthy Retiree Mortality

Healthy retiree mortality rates for General and Public Safety employees are based on the RP-2014 Blue Collar Healthy Annuitant Mortality Table, projected with generational mortality improvement using scale MP-2020.

Disabled Retiree Mortality

Disabled retiree mortality rates for General and Public Safety employees are based on the RP-2014 Blue Collar Mortality Table set forward one year with full generational mortality improvement using Scale MP-2020

Turnover Rates

Turnover rates for General and Public Safety employees are as follows:

General Employees		Public Safety	
Service	Rate	Service	Rate
0	15.00%	0	1.50%
1	12.00%	1	1.50%
2	10.00%	2	1.50%
3	9.00%	3	1.50%
4	8.00%	4	1.50%
5	7.60%	5	1.50%
10	5.40%	10	1.50%
15	3.30%	15	0.00%
20	2.00%	20	0.00%
25	1.00%	25	0.00%
30	0.00%	30	0.00%

Disability Rates

Disability rates for General and Public Safety employees are as follows:

General Employees		Public Safety	
Age	Rate	Age	Rate
25	0.02%	25	0.20%
30	0.03%	30	0.30%
35	0.06%	35	0.30%
40	0.10%	40	0.30%
45	0.15%	45	1.00%
50	0.19%	50	1.25%
55	0.24%	55	1.20%
60	0.28%	60	0.85%

55% of the General employee disabilities are job-related.
90% of the Public Safety employee disabilities are job-related.

SECTION 6 - ACTUARIAL ASSUMPTIONS AND METHODS

General and Public Safety

Retirement Rates

Retirement rates for General and Public Safety employees are as follows:

General Employees			Public Safety	
Age	Male	Female	Age	All
45	0.00%	0.00%	45	1.00%
50	1.00%	1.50%	50	2.00%
55	2.00%	5.50%	55	15.00%
60	12.00%	5.00%	60	20.00%

Average Age: 72.8

In addition, there are 68 retirees, survivors and covered spouses that are not covered under any medical plan but are covered under a dental and/or life insurance plan which the Town contributes to.

SECTION 8 - GLOSSARY OF TERMS

Actuarial Assumptions – Assumptions as to the occurrence of future events affecting OPEB costs, such as mortality, withdrawal, disability and retirement; changes in compensation and OPEB benefits; rates of investment earnings and asset appreciation or depreciation; procedures used to determine the Actuarial Value of Assets; characteristics of future entrants for Open Group Actuarial Cost Methods; and other relevant items.

Actuarial Cost Method (or Funding Method) – A procedure for allocating the Actuarial Present Value of projected benefit payments to the current year (Service Cost) and the past (Total OPEB Liability).

Actuarial Gain or Loss (or Experience Gain or Loss) – A measure of the difference between actual experience and that expected based upon the set of Actuarial Assumptions during the period between the valuation date and the most recent immediately preceding valuation date.

Actuarial Present Value of Projected Benefit Payments – The dollar value on the valuation date of all benefits expected to be paid to current members based upon the Actuarial Assumptions and the terms of the Plan.

Actuarially Determined Contribution – A target or recommended contribution to a defined benefit OPEB plan for the reporting period, determined in conformity with Actuarial Standards of Practice based on the most recent measurement available when the contribution for the reporting period was adopted.

Actuarial Valuation Date – The date as of which an actuarial valuation is performed. This date may be up to 24 months prior to the measurement date and up to 30 months prior to the employer's reporting date.

Deferred Inflow of Resources – Acquisition of resources by a governmental entity that is applicable to future reporting periods. Under GASB 75, deferred inflows of resources are made up of experience gains, assumption changes reducing the Total OPEB Liability and investment gains that are recognized in future reporting periods.

Deferred Outflow of Resources – Consumption of resources by a governmental entity that is applicable to future reporting periods. Under GASB 75, deferred outflows of resources are made up of experience losses, assumption changes increasing the Total OPEB Liability and investment losses that are recognized in future reporting periods.

Discount Rate – Single rate of return that, when applied to all projected benefit payments, results in an actuarial present value of projected benefit payments equal to the sum of:

(1) a long-term expected rate of return on OPEB plan investments *to the extent that the OPEB plan's assets are sufficient to pay benefits and OPEB plan assets are expected to be invested using a strategy to achieve that return* and

(2) a tax-exempt, high-quality municipal bond rate *to the extent that the conditions for use of the long-term expected rate of return are not met.*

Employer Future Period Contributions – Contributions made by the employer, generally to an outside trust fund, to pay for future OPEB costs. These are costs in addition to the employer contributions made during the year to pay for ongoing premiums.

SECTION 8 - GLOSSARY OF TERMS

Entry Age Normal Actuarial Cost Method – A method under which the actuarial present value of the projected benefits of each individual in an actuarial valuation is allocated on a level basis over the earnings or service of the individual between entry age and assumed exit age.

Explicit Subsidy – The difference between (a) the blended rates based on combined active and retired member experience and (b) actual cash contributions made by the employer.

Fiduciary Net Position – The fair market value of assets as of the measurement date.

Funded Ratio – The Actuarial Value of Assets expressed as a percentage of the Actuarial Accrued Liability.

GASB – Governmental Accounting Standards Board.

Health Cost Trend Rate – The rate of change in per capita health claims cost over time as a result of factors such as medical inflation, utilization of healthcare services, plan design, and technological developments.

Implicit Subsidy – In an experience-rated healthcare plan that includes both active employees and retirees with blended premium rates for all plan members, the difference between (a) the age-adjusted premiums approximating claim costs for retirees in the group and (b) the blended rates based on combined active and retired member experience.

Long-Term Expected Rate of Return – Long-term expected rate of return on OPEB plan investments expected to be used to finance the payment of benefits, net of investment expenses.

Measurement Date – The date as of which the Total OPEB Liability and Fiduciary Net Position are measured.

Municipal Bond Rate – Yield or index rate for 20-year, tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher.

Net OPEB Liability – The liability of the employer for benefits provided through an OPEB plan. It is calculated as the Total OPEB Liability less the Fiduciary Net Position.

OPEB – Other Postemployment Benefits including medical, dental, vision, hearing and life insurance benefits.

Pay-As-You-Go – A method of financing an OPEB plan under which the contributions to the plan are generally made at about the same time and in about the same amount as benefit payments and expenses becoming due.

Present Value of Future Benefits – The actuarial present value of the cost to finance benefits payable in the future, discounted to reflect the expected effects of the time value of money and the probabilities of payment.

Reporting Date – The last day of the Plan or employer's fiscal year.

SECTION 8 - GLOSSARY OF TERMS

Service Cost – The portion of the actuarial present value of projected benefit amounts that is attributed to a valuation year.

Substantive Plan – The terms of an OPEB plan as understood by the employer and plan members.

Total OPEB Liability – The portion of the actuarial present value of projected benefit amounts that is attributed to past periods of employee service.

Unfunded Actuarial Accrued Liability – The excess of the Actuarial Accrued Liability over the Actuarial Value of Assets.

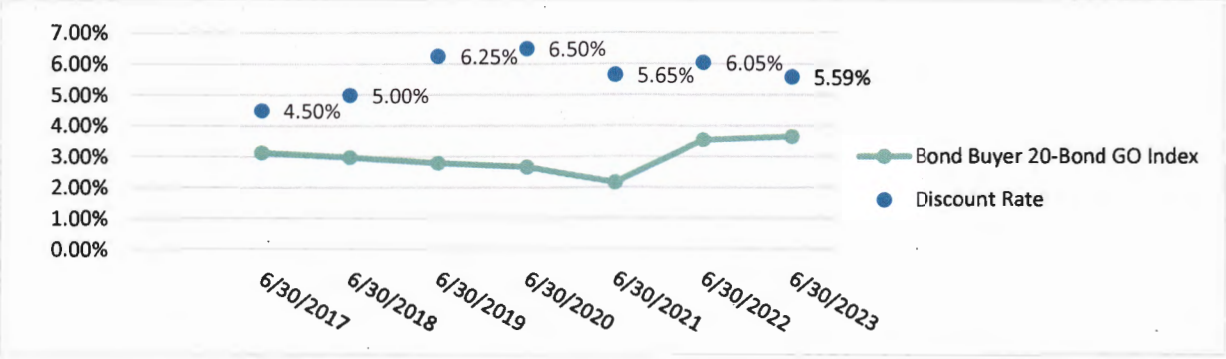
APPENDIX A - CALCULATION OF SINGLE DISCOUNT RATE

Under GASB 74 and GASB 75, a series of projections and calculations are used to determine the discount rate for the purpose of the measurement of the Total OPEB Liability. The discount rate is the single rate that reflects (1) the long-term expected rate of return on OPEB plan investments that are expected to be used to finance the payment of benefits, to the extent that the OPEB plan's fiduciary net position is projected to be sufficient to make projected benefit payments and OPEB plan assets are expected to be invested using a strategy to achieve that return, and (2) a yield or index rate for 20-year, tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher, to the extent that the conditions for use of the long-term expected rate of return are not met.



Projected cash flows into and out of the OPEB plan are assumed to be contributions to the OPEB plan, benefit payments, OPEB plan administrative expenses and OPEB plan investment earnings. These projected cash flows are used to project the OPEB plan's fiduciary net position at the beginning of each period. The OPEB plan's projected fiduciary net position at the beginning of each period is compared to the amount of benefit payments projected to occur in that period.

It is assumed that the OPEB plan's fiduciary net position is expected to always be invested using a strategy to achieve the long-term expected rate of return on OPEB plan investments.

The benefit payments that are projected to occur in a period are discounted using the long-term expected rate of return on OPEB plan investments if the amount of the OPEB plan's beginning fiduciary net position is projected to be sufficient to make the benefit payments in that period. In periods in which benefit payments are projected to be greater than the amount of the OPEB plan's fiduciary net position, they are discounted using a municipal bond rate as required by GASB 74.

For purposes of this valuation, liabilities are based on a discount rate of 5.59%, a long-term investment return rate of 6% and a municipal bond rate of 3.65%, based on the Bond Buyer 20-Bond GO Index published on June 30, 2023. The OPEB plan's fiduciary net position was projected to be insufficient to make all projected benefit payments of current plan members. Therefore, the long-term expected rate of return on OPEB plan investments was applied to 94 years of projected future benefit payments that are expected to be funded and the 3.65% municipal bond rate was applied to all other years to determine the total OPEB liability. Projected benefit payments are discounted to their actuarial present value using a single discount rate of 5.59%.

Below are the historical Bond Buyer 20-Bond GO Indices and the Town's discount rate used in disclosures since the implementation of GASB 74 and GASB 75[1]:

[1]Bond rates prior to 2021 are based on the S&P Municpal Bond 20 Year High Grade Index.

APPENDIX A - CALCULATION OF SINGLE DISCOUNT RATE

Table 1: Projection of Contributions

	Projected Payroll			Projected Contributions			
Year	Payroll for Current Plan Members (a)	Payroll for Future Plan Members (b)	Total Payroll (c) = (a) + (b)	Employer Contributions (Benefit Payments) (d)	Employer Contributions (OPEB Trust) (e)	Employer Contributions Related to Payroll of Future Employees (f) = (b) * 5.56%	Portion of Employer Contributions for Current Plan Members (g) = (d) + (e) - (f)

FY24 Q3 Finance Report

MAY 7, 2024

FY24 Q3 Revenues

- Motor vehicle excise (largest source of revenue): Down $65,866 from FY23 to date. By end of FY24 depending on timing of last FY billing the difference may narrow further or be resolved.
- Building Fees: Down $53,152. This difference has also narrowed since last quarter, however these are dependent on the types of projects brought forth and their timing of completion.
- Other mentionables: Dump sticker revenue – increase of $60,000 (mentioned last quarter). Also ZBA is over $32,000 year over year to date (Park Central & 120 Turnpike Road).
- Investment income: Increase of $219,000 (an increase from last quarter).
- Total general fund revenue through March is down $37K – in essence a push in comparison to the prior year through March.
- Water revenue down $281K – however that is a large improvement from last quarter (over $500K down). With the rate adjustment now voted effective in the 2nd quarter of FY25 we hope longer term the fund will see better revenue results.

FY24 Reserve Fund / Transfers

- So far this year one transfer for $87,970 approved 2/13/2024 for Finn mold mitigation

Potential Reserve & Internal Transfers:

- (122) Selectboard – Due to translations services invoice and increased postage volume and costs.
- (176) ZBA – Additional staff hours required due to 40B projects amount TBD.
- (220) Fire -SCBA grant matching provision $30,000.
- (220) Fire- Tower repair originally estimated at $40,000 has been reduced to $8,461.
- (160) Election/ TC – Additional election costs - TBD. Did receive some funds from the State in February ($1,564 to offset early voting costs).
- (700) Debt – year end transfers to account for Spring Long-term interest payments.

In FY23 we had a turnback of the full $180,000 - in FY24 that will not be the case.

FY24 Q3 Expenses

- The only line in the budget that is currently over the $15K threshold is Fire replacement equipment which is due to the SCBA matching grant.
- (155) IT - is looking within budget and intends to cover any line overages within their budget through June 30th.
- (192) Operations Support- overall energy costs and maintenance costs are on target. At this time, no transfers are anticipated.
- (210) Police- we are looking at OT which fluctuates from week to week due to staffing changes, illness, and vacations.
- (220) Fire- we are monitoring OT and expenses. There are many moving parts this year due to staffing changes, mandated training and equipment costs.
- (400) DPW- will realize some salary savings due to a retirement and currently the non-salary lines are in good shape.
- (400-423) Snow and Ice – The storms this Winter were minimal. As of 4-26-2024 30.76% of the snow budget has been spent.
- (910) Benefits – Trending at budget & not anticipating any large turnback.

FEMA Claim Update

- Total FEMA Revenue received since FY 2021 is $691,062
- Vaccine Revenue totals are $114,041
- FEMA Public Assistance Revenue is $680,021
- The final claim for administrative costs will be submitted by 6/30/2024. The claim includes Neal Aspesi's overtime and consulting hours.
- Once FEMA processes this claim will formally close the grant program

ARPA Project Update as of 4/30/2024

- Full ARPA Allocation: $3,051,241.00
- Total Projects Voted: $2,900,624.71
- Other Long -Term Considerations: $75,000.00
- Total Grant Amount Unallocated: $75,616.29

- Actual Spent and Encumbered as of 4/30/24: $1,273,087.91
- The message to departments is to procure supplies and services to get the funds spent ASAP. Anything left unspent after 6/30/24 may be reallocated. Reporting of the full spending plan is due to the Feds on 12/31/24.

Final Thoughts

- FY25 Budget passed. September may see a Special Town Meeting. At this time no money articles but will wait and see if anything will materialize.
- DOR engaged in financial and policy review. Report and policies getting closer to finalization. Will notify the Board and Advisory when we receive the final reports.
- Large projects ongoing: Library, Neary/School Project, Community Center. These likely to linger on updates for some time.
- Short term notes will be issued prior to June 30th for Town Hall Renovation, and Neary Study.

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, April 23, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers and Al Hamilton. Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:30 PM.

II. Public Comment

There was no public comment.

III. Scheduled Appointments *(Board may vote)*

a. 6:30 PM Liquor License transfer – 110 Southville Road

Mr. Purple read the public hearing notice into the public record. Attorney Arthur Pearlman appeared before the Board on behalf of Kapish, Inc. Mr. Hitendra Patel also appeared before the Board. Atty. Pearlman described the history of the project and stated that, currently, Mr. Patel and another individual hold the liquor license under B.K.P., Inc. and Mr. Patel is now the sole owner of the business. Atty. Pearlman requested that the Board transfer the liquor license from B.K.P., Inc. to Kapish, Inc. Mr. Stivers asked if the Town's health and building codes had been followed and if the appropriate permits were in order. Atty. Pearlman replied that Town codes had been followed and permits were in order. Mr. Dennington moved to approve the liquor license transfer from B.K.P., Inc. to Kapish, Inc. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Interview/appoint Karen Bernhardt to 21 Highland Future Use Committee; term to expire June 30, 2025

The Board tabled this matter to a later date.

c. Tim Theis, Pare Corporation – Atwood Road lead testing and next steps

Mr. Tim Theis from the Pare Corporation appeared before the Board to discuss the lead testing at the Atwood water tower site and his recommendations. Mr. Theis discussed the history of the tank and its removal from the site and stated that, at some time, the site had been backfilled. He described the testing that was conducted. Mr. Theis reported that lead was found on the surface in concentrations of less than 200 parts per million, which is the clean-up standard. He stated that at the 12-18 inch depth, very high concentrations were found, with some samples containing over 1,000 parts per million. He stated that at the 18-24 inch depth, concentration levels were greatly reduced. Additionally, Mr. Theis stated that samples were taken at the southern property line (Town side) and all samples were below 200 parts per million. He also stated that he recommends further investigation of the lead under the tank to ascertain how far the lead extends beyond the base of the tank and to what depth. Mr. Hamilton asked if it was reasonable to extend testing to the abutter at the southern property line and Mr. Theis stated that he recommended testing there after the impact of lead has been determined under the tank. Mr. Theis stated that it would cost approximately $80,000 to further investigate the distribution pattern of lead prior to recommending remediation. Mr. Dennington asked if there were any deadlines for remediation relative to Massachusetts Department of Environmental Protection (Mass DEP) regulations. Mr. Theis stated that the lead must

be mitigated but is exempt from Mass DEP reporting and timelines. The Board agreed to hear DPW Superintendent Cundiff's feedback on the testing recommendations. Mr. Carl Alvidi, an abutter to the north of the site, asked when the tank was removed from the site. Mr. Theis stated that he did not know that information. Mr. Alvidi asked how quickly the site would need to be remediated if it was not exempt. Mr. Theis stated that, depending on the levels found, within a couple of years. The Board suggested Mr. Theis speak with Mr. John Boland, former DWP Superintendent, for additional information on the site. Mr. Alvidi urged the Board to move quickly to remediate the site. The Board discussed the timing of testing of Mr. Sturgeon's property. Mr. Theis stated that once the Board approves the estimate, it could take approximately 8-10 weeks to learn the results. Mr. Bruce Sturgeon, the southern abutter, requested that testing of his site occur at the same time as the additional testing. The Board agreed to have Mr. Theis and Mr. Cundiff discuss the timing of testing Mr. Sturgeon's site and report back to the Board. Mr. Dennington stated that the Board would continue to discuss this matter at its May 7th meeting.

d. Tim Davis, Recreation Director – Batting cage approval

Mr. Tim Davis appeared before the Board on the matter. Mr. Davis stated that the Recreation Department and the Algonquin Baseball and Softball Association would like to add a batting cage and storage shed at the softball field behind Trottier School. Mr. Davis reported that he has received approval from the Recreation Commission, the Conservation Commission, the Department of Public Works and the School Department. He also stated that all permits are in place from the Building Department. Mr. Dennington asked if there was any cost to the Town. Mr. Davis stated there is no cost to the Town. Mr. Stivers asked if there is any opposition to this project. Mr. Davis stated there is no opposition. Mr. Dennington asked who would be responsible for maintenance of the batting cage and storage shed. Mr. Davis stated that the Algonquin Baseball and Softball Association would be responsible for maintenance. Mr. Dennington acknowledged that Mr. Davis has resigned to accept a position with the Brookline Recreation Department and thanked him for 5 years of outstanding service to the Town. The Board also thanked Mr. Davis for his outstanding service to the Town. Mr. Dennington moved to approve the construction of the batting cage. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington acknowledged Ms. Patricia Richardson's passing and offered condolences to her family. Mr. Davis fondly recalled that Ms. Richardson was able to play tennis last fall with students from Algonquin Regional High School and Trottier Middle School at the Richardson Tennis Courts.

IV. Reports

a. Chair's Report

i. Trottier class visit

Mr. Dennington reported that on Friday, April 12, he and Mr. Hamilton met with an 8th grade Civics class at Trottier Middle School to discuss a potential local business fair in 2025. Mr. Dennington thanked Ms. Leah Emerson, EDC Coordinator, for arranging the opportunity.

b. Member's Report

i. Using CivicPlus to report resident concerns

Ms. Landry reported that she is working to propose that the Town's website be configured to utilize CivicPlus to enforce current bylaws and to create a more responsive process for resident reported problems. The Board suggested that Ms. Landry work with Mr. Montijo on a proposal for the Board to review.

ii. Regional Dispatch update

Mr. Hamilton reported he sent a questionnaire to 15 Regional Emergency Communications Centers (RECCs) to determine long-term operating costs without State support. To date, he has received five responses, three of which were comparable in size to the potential Westborough RECC. He learned

that for a small RECC, the long-term operating costs are similar to the Town's current cost for dispatch, noting that the benefit is that greater coverage is provided. He also learned that a larger RECC would provide a significant savings over current costs. He also reported that call volume per dispatcher is higher in the smaller RECCs.

iii. New Water Tower Antenna

Mr. Hamilton reported that he met with Fire Chief Fillebrown to discuss the installation of a public safety antenna on top of the proposed new water tower. He stated that a new antenna would improve communication issues in several areas of Town. Ms. Cook noted that a neighborhood meeting would need to occur as this project progresses.

Ms. Cook reported that she and Mr. Dennington held office hours on April 9th. She thanked Ms. Emerson and Ms. Claire Reynolds for attending office hours for discussion purposes.

Ms. Cook reported that the Neary School Building Project is moving forward. She stated that twelve options are currently under evaluation and will be sent to the Massachusetts School Building Authority (MSBA) on May 21st for review. She stated the final recommendation would be made to the MSBA in August and she emphasized that, if residents wish to weigh in on this important matter, they should make their opinions known now. She also informed the Board and public that the project website, Nearybuilding.com, is online and contains all information related to the project.

c. Town Administrator's Report

There was no Town Administrator's Report.

V. Consent Agenda

a. Approve Open Session Meeting Minutes: April 2, 2024; April 4, 2024

Mr. Stivers requested to hold Consent Agenda Item "a." Mr. Stivers had scrivener's changes to the April 4, 2024 minutes. Mr. Dennington moved to approve the April 2, 2024 Open Session Meeting Minutes, as written, and the April 4, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Appoint Steve Hinterneder to Community Garden Coordinator, term to expire 6/30/2025

Mr. Stivers requested to hold Consent Agenda Item "b." Mr. Hinterneder appeared before the Board on the matter. He stated that he has been the Community Garden Coordinator for the last three years. Mr. Dennington moved to appoint Steve Hinterneder to the Community Garden Coordinator, term to expire 6/30/2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

c. Approve request for take-home vehicle for Police Lieutenant

Mr. Dennington moved to approve Consent Agenda Items "c", "d", "e", "g", "h", "I" and "j." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

d. Approve warrant for the May 14, 2024 Annual Town Election; vote to assign Police Officers to polls

e. Appoint Bill Cundiff as the Alternate Designee on the MWRA Advisory Board

f. Award contract for the Public Safety Staffing Study

Ms. Cook requested to hold Consent Agenda Item "f." Ms. Cook requested that the scope of work with Municipal Resources, Inc. (MRI) include the following: 1) specific recommendations regarding the Deputy Fire Chief position; 2) a description of the local dispatch structure, should the Town decide to pursue the local option; and 3) feedback on Chief Newell's request for the lieutenant and patrol officer positions. The Board agreed with Ms. Cook's request. Ms. Cook moved that the Board approve the proposal from Municipal Resources, Inc. including the three caveats described above. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

g. Approve Common Victualer license for Cordaville Market; 110 Southville Road

h. Appoint Anthony Carter as DPW Truck Driver

i. Approval of Job Description
    i. Business Administrator I, DPW
    ii. Police Business Administrator
    iii. Police Leiutenant
    iv. Administrative Assistant, Recreation
    v. Recreation Director
    vi. Program Coordinator, Recreation

j. Approve Executive Session Meeting Minutes: March 19, 2024; April 4, 2024

k. Approve employment agreement for Fire Chief

Ms. Cook requested to hold Consent Agenda Item "k."

Mr. Dennington stated Consent Agenda Item "k" would be discussed in Executive Session.

The Board recessed at 8:32 PM and resumed meeting at 8:38 PM.

VI. Other Matters *(Board may vote)*

a. Potential reorganization of affordable housing committees
    i. CPC-AHTF-SHOPC discussions

Mr. Dennington discussed the reorganization of the Affordable Housing Trust Fund Committee (AHTFC), SHOPC and the Community Preservation Committee (CPC). He stated the committees are charged with addressing the issue of affordable housing and the present structure does not assist the Town effectively to move forward when potential projects arise. The Board discussed combining the AHTFC and SHOPC, thus reducing the number of committees addressing affordable housing from three to two. The Board discussed forming a working group to reorganize the AHTFC and SHOPC, which would include the following: 1) developing a charge; 2) determining an effective way to transfer CPA funds for use by the newly formed entity; and 3) determining how to bring the reorganization effort to Fall Town Meeting for approval. Ms. Lisa Braccio, former Board member, offered to assist in the reorganization effort in any way possible. The Board agreed to further discuss the matter at its next meeting.

b. ARPA Allocations

The Board moved to Other Matters "b" after a brief recess.

Ms. Cook stated that Ms. McAuliffe is meeting with ARPA fund recipients to inform them ARPA monies must be spent by June 30, 2024 or they may risk losing the funds. Additionally, Ms. Cook stated there would be unspent ARPA funds that would need to be reallocated by the Board. Ms. Cook moved to allocate $5,000 from the Unallocated Funds category to the Scholarship Committee. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

    i. John Parent – Request for allocation of Senior Center funds

Ms. Cook moved to expand the Senior Center ARPA category to include new furniture for the Senior Center room, repainting or residing of the Senior Center and plantings around the Townhouse. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

    ii. Council on Aging – Community Assessment

Ms. Cook moved to allocate $35,000 from the Unallocated Funds category to the Senior Survey, to be conducted by the Council on Aging. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

    iii. Sidewalks

The Board agreed to discuss the ARPA Sidewalk allocation with DPW Superintendent Cundiff when he returns from vacation. Mr. Tim Fling, 18 Main Street, suggested that the Board commit ARPA funds to purchase trashcans for sidewalks.

    iv. Wi-Fi Study and next steps

Ms. Cook moved to return $94,000 from the WiFi Updgrade category to the Unallocated Funds category. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Ms. Cook moved to return $5,075.21 from the WiFi Study to the Unallocated Funds category. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Ms. Cook moved to return $3,276.50 from SHOPC to the Unallocated Funds category. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

c. One Stop Grant application – Expressions of Interest

Ms. Vanessa Hale, Assistant Town Administrator, described potential grant ideas for the Board to consider in the Town's Expression of Interest, noting initial applications are due on April 30th. She thanked Ms. Emerson for her assistance in identifying and researching grant ideas. Ms. Hale noted the State is looking for grant applications that focus on housing and economic development and are further along in the development process. She suggested the Board consider placemaking and wayfinding opportunities related to the Tricentennial Committee's efforts. Mr. Stivers suggested a history walk and the Board agreed with his suggestion. Ms. Hale stated she would present the history walk concept to the Tricentennial Committee at their next meeting. Ms. Hale stated that the State would provide feedback on the Expression of Interest and that the final grant application deadline is in early June.

d. Potential letter to Planning Board regarding 120 Turnpike Road

Ms. Cook read a draft letter to be sent to the Planning Board that indicates the Board's support of the 120 Turnpike Road 40B project. The Board agreed with the content of the draft letter. Ms. Meme Luttrell, chair of the Planning Board, asked for clarification as to the Board's position relative to waiving the condition of the land donation. Ms. Cook stated that it makes sense to negotiate relative to the land donation but that is the Planning Board's jurisdiction to determine. Mr. Paul Carter, 12 Maplecrest Drive, stated that he believes the Select Board should wait to offer their opinion on the matter until the Planning Board, Zoning Board of Appeals and the Conservation Commission have reviewed all aspects of the project. Ms. Freddie Gillespie, speaking as a private citizen, stated that she is disappointed that the Board never sought input from the Open Space Preservation Commission or the Stewardship Committee on this project. Mr. Dennington moved to send the letter to the Planning Board, as read by Ms. Cook. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

e. Review draft Planning Board letter regarding MBTA Communities compliance

The Board reviewed the draft Planning Board letter. The Board was supportive of the letter. The Board asked for clarification as to the path the Planning Board is pursuing relative to compliance. Ms. Luttrell stated that the Planning Board is pursuing parallel tracks of compliance, along with a request for relaxation of the number of units within the .5-mile radius of the commuter rail station. Mr. Stivers offered clarifying language and agreed to attend the Planning Board's April 29th meeting to help finalize the letter to the State. Mr. Dennington moved to appoint Mr. Stivers to work with the Planning Board to create the final draft and Mr. Dennington will sign the letter. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

f. Northboro Road 61A parcels – department/committee responses

Mr. Dennington heard this matter after Scheduled Appointments. Mr. Dennington reviewed the history of the matter and stated the Town had sent a letter to the property owner indicating that it did not believe the offer was a bona fide offer. He reported that SHOPC, the Open Space Preservation Commission and the CPC are all in support of the Town exercising its right of first refusal (ROFR) on the property. Mr. Dennington described the process of exercising the ROFR. Mr. Dennington stated that it is important to determine how the Town would pay for the purchase of this property, should it choose to exercise its ROFR. The Board discussed that the amount needed to purchase the property is approximately $5 million dollars. Ms. Freddie Gillespie, chair of the Open

Space Preservation Commission, appeared before the Board and read prepared remarks into the public record. She stated that at its March 23rd meeting, the Open Space Preservation Commission voted to support the Town exercising its ROFR. She also stated she met with SHOPC and CPC to discuss a joint project utilizing Community Preservation Act (CPA) monies. Ms. Gillespie stated that the CPC voted unanimously to support the concept and to support purchasing the parcels utilizing CPA funds. Ms. Lisa Braccio, 13 Oregon Road and speaking as a private citizen, appeared before the Board to express her support of a project that advances the Town's goal to provide more affordable housing. She stated a potential project represents economic diversity in Town and urged the Board to continue the conversation about a potential project involving the parcels. Mr. Paul Desmond, 5 Pinecone Lane and member of SHOPC, appeared before the Board and offered support for this unique opportunity to provide affordable housing and preserve open space. Mr. Al Hamilton, 35 Pine Hill Road and speaking as a private citizen, stated that he has recused himself from this matter, as he is related to an abutter on Northboro Road. He stated he does not support using all of the CPA monies, including funds in the AHTF, towards one project that does not have a clear plan and developer and does not feel this is a responsible path to pursue. Mr. Stivers stated he would like to see a specific proposal with a community developer/partner, accompanied by financials, for the Board to consider. He stated that purchasing a few acres of the property for a smaller project is an avenue to pursue and he is supportive of continued discussion on the matter. Ms. Cook stated she agrees with Mr. Hamilton and Mr. Stivers. She stated that the focus should be on the affordable housing aspect, not on open space, and she suggested considering an increase in the CPA surtax from 1% to 3%. Mr. Dennington stated that SHOPC's Strategic 5 Year Plan recommended smaller projects to increase the Town's affordable housing stock and that the Town is not currently set up to develop a project of this scale. Ms. Gillespie stated that she is glad the Board is open to hearing additional information on the project and that she believes open space should be given consideration, should a project be developed. Mr. Dennington stated that the Board would take no action on the matter this evening.

g. Fall Town Meeting – Continued discussion of weekday vs. weekend date

Mr. Stivers suggested the Board ask the Municipal Technology Committee (MTC) to create a survey to obtain feedback on the best time to schedule Fall Town Meeting. Mr. Dennington suggested MTC survey information be analyzed with voter data from Town Clerk Hegarty to determine the best time to schedule Fall Town Meeting. Mr. Dennington moved that the Board request that the MTC conduct a simple survey to determine whether a weekday (Monday at 7 PM and likely Tuesday at 7 PM) or weekend (Saturday at 10 AM) is the best time to schedule Fall Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VII. Public Comment

The Board allowed Amir Rosenbaum to speak over Zoom, as he had his hand up. He stated he was not from Southborough but worked, ate, and drove through the Town often. He spoke about the First Amendment and then made racist and homophobic comments. He was removed from the Zoom room by the host.

Ms. Luttrell, 19 Oregon Road, commented that the State has not reduced its funding to the CPA. Rather, she stated that there are more communities drawing from the funding source and Southborough's share is a smaller portion for that reason.

VII. Executive Session

Mr. Dennington moved to enter into Executive Session at 9:29 PM, per M.G.L. Chapter 30A, Section 21, and potentially return to Open Session, to discuss contract negotiations for the Town Administrator and Fire Chief (Exemption 2), as the Chair has determined that an open meeting may

have a detrimental effect on the Town's position. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Upcoming Meetings	
May 7, 2024	*May 21, 2024*

TITLE: PART-TIME DISPATCHER

Department: Public Safety	**SAP Grade: 4**
Bi-weekly Hours: 15	**Reports to: Police Chief, Lieutenant, Sergeant, Lead Dispatcher, or Officer in Charge of shift**
Approved by Personnel Board:	**Approved by Appointing Authority:**

Position Purpose:

This position responds to all emergency calls received for the Police, Fire and EMS Departments, the Department of Public Works and Animal Control, and non-emergency calls received by the Police Department; and is responsible for appropriately dispatching Public Safety personnel and equipment as needed.

Essential Functions:

(The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.)

- Dispatches public safety personnel and equipment;
- Keeps dispatched personnel fully informed of all facts affecting the safety and efficiency of their response;
- Operates all communication equipment for public safety emergency calls and regular business calls;
- Coordinates and communicates Emergency Fire Dispatch activities between agencies jointly responding to multi-agency incidents;
- Provides Emergency medical dispatch and triage for incoming calls and assists the layperson with lifesaving pre-arrival instructions as needed;
- Answers all incoming telephone calls; greets the public and responds to inquiries, requests, and complaints; refers unresolved issues to the Officer in Charge or Police Chief;
- Checks prisoner cells when occupied per suicide prevention guidelines and records all time checks;
- Maintains all communications equipment, including the Next Generation 911 emergency lines and regular telephone lines; keeps equipment in working order; immediately reports any malfunctions or defects to the appropriate authorities and the Officer in Charge;
- Performs incident reports and clerical work as needed by the Police Chief and the Officer in Charge;

- Provides effective and efficient customer service and promotes and maintains responsive community relations.

Recommended Minimum Qualifications

Education, Training, and Experience:

Graduation from high school and experience working in a communications center are preferred but not required.

Special Requirements/Licenses:

Must be certified in Next Generation 911; CPR; EMO and 0O1S; training and coursework in: In-House Computer Systems, Powerphone, and/or APCO Dispatch Training classes; First Responder and Automatic Defibrillator; ability to pass a criminal background and drug test; able to multitask under stressful conditions; must be at least 18.

Knowledge, Ability, and Skill:

Knowledge: Candidate must have knowledge of: emergency radio transmissions for public safety; department operations and procedures; the use of computers and relevant software; the location and layout of Town streets, buildings, parks, housing projects, and other significant areas of the community.

Ability: Ability to: work in accordance with established departmental practices and procedures; use independent judgment when needed to analyze facts and determine correct response to situation; dispatch and direct appropriate personnel and equipment as needed; keep dispatched personnel fully informed of all facts affecting the safety or efficiency of their response; provide pre-arrival instructions to callers as needed; communicate clearly and effectively; use discretion and maintain confidentiality as required.

Skill: Candidate must have skills in: oral and written communications; the use of all dispatching and other equipment required in the performance of the position's essential job functions; remaining calm in stressful situations.

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Work is performed mostly in an office setting; hand-eye coordination is necessary to operate computers and various pieces of office equipment. Specific vision abilities required by this job include close vision, prolonged visual concentration, and the ability to adjust focus.

While performing the duties of this job, the employee is frequently required to sit, stand, walk, talk and hear; use hands and fingers to handle, feel, or operate objects, tools, or controls and reach with hands and arms.

The employee may occasionally be exposed to noise and stressful, unpredictable events.

The employee must occasionally lift and/or move up to 50 pounds.

Supervision:

Supervision Scope: None

Supervision Received: Police Chief, Lieutenant, Sergeant, Lead Dispatcher, or Officer in Charge of shift

Supervision Given: None.

Job Environment:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- The noise level in the work environment is usually moderate;
- Performs work in a medium call volume emergency dispatch environment, where there is limited opportunity for physical movement and the dispatcher must remain alert and responsive while observing computer display screen for uninterrupted periods of time;
- May be subject to work periods without relief, periods of high call volume, and stressful situations.

The above statements are intended to describe the general nature and level of work being performed by people assigned to do this job. The above is not intended to be an exhaustive list of all responsibilities and duties required. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

**External and internal applicants, as well as position incumbents who become disabled as defined under the Americans With Disabilities Act, must be able to perform the essential job functions (as listed) either unaided or with the assistance of a reasonable accommodation to be determined by management on a case by case basis.*

This job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

Pay Equity/Equal Opportunity/Americans with Disabilities Act Employer

DRAFT

TOWN OF SOUTHBOROUGH

OFFICE OF THE TOWN CLERK

Mr. Andrew Dennington, Chair
Southborough Select Board

May 1, 2024

Greetings:

I'm writing to request the Select Board set the FY25 pay rate for election workers, effective July 1, 2024. (The election worker classification was removed from the FY24 SAP since election workers don't receive annual evaluations, and some work for just one day per year.)

The Select Board has the authority to set the compensation for election workers per G.L. c. 54, sec. 22: *"Election officers shall receive such compensation as the city council or the selectmen respectively may determine...."*

I request that Select Board raise the pay rate for election workers by 4% as follows:

	Proposed FY 25	**Current**
Wardens/Head Clerks	$18.72/hour	$18.00
Election Workers	$15.60/hour	$15.00

The Town Clerk's FY25 budget includes funding for these proposed rates.

Sincerely,

James F. Hegarty

From: Brian Ballantine, Finance Director T/C

RE: New Town Meeting Authorizations – Useful Life

Please see attached a required procedural vote to satisfy the legal requirements to access the project funds approved at the Annual Town Meeting. These four items are for DPW equipment and Fire vehicles.

The purpose of voting the useful life is to ensure no amortization payment runs longer than the useful life of equipment. Please note these four payment schedules would easily fit within the maximum term listed.

Note these particular approvals will not be acted on until late Summer/early Fall dependent on delivery estimates.

Should you have any further questions please do not hesitate to contact me by e-mail or phone.

VOTE OF THE SELECT BOARD

I, the Clerk of the Select Board of the Town of Southborough, Massachusetts, certify that at a meeting of the board held MAY 7, 2024, of which meeting all members of the board were duly notified and at which a quorum was present, the following vote was unanimously passed, all of which appears upon the official record of the board in my custody:

Voted: that the maximum useful life of the equipment to be financed with the proceeds of the $2,186,000 borrowing authorized by the vote of the Town passed March 24, 2023 (Article 13) is hereby determined pursuant to G.L. c.44, §7(1) to be as follows:

Departmental Equipment	Amount	Maximum Term
Fire Tower Demo Truck	$1,300,000	15 Years
Ambulance A28	$551,000	10 Years
Trash Trailer	$125,000	10 Years
Sidewalk Tractor w/ attachments	$210,000	10 Years

I further certify that the vote was taken at a meeting open to the public, that the vote was not taken by secret ballot, that a notice stating the place, date, time and agenda for the meeting (which agenda included the adoption of the above vote) was filed with the Town Clerk and a copy thereof posted in a manner conspicuously visible to the public at all hours in or on the municipal building that the office of the Town Clerk is located, or, if applicable, in accordance with an alternative method of notice prescribed or approved by the Attorney General as set forth in 940 CMR 29.03(2)(b), at least 48 hours, not including Saturdays, Sundays and legal holidays, prior to the time of the meeting and remained so posted at the time of the meeting, that no deliberations or decision in connection with the subject matter of this vote were taken in executive session, all in accordance with G.L. c.30A, §§18-25 as amended.

Dated: _____, 2024

(508) 485-0710 · FAX (508) 480-0161 · selectboard@southboroughma.com

TO: Select Board
FROM: Mark J. Purple, Town Administrator
DATE: May 3, 2024
SUBJECT: Request to use Town Counsel for enforcement issue – 200 Southville Road

As you were made aware at your April 5th meeting by the Board of Health Chair Chelsea Malinowski, there have been ongoing housing and zoning violations at the 200 Southville property regarding an illegal trailer with an occupant. At that time, you had asked the Chair of the Board of Health to work with the homeowner to resolve the issues. Since that time, the Health Department, Building Department, Conservation Department, and Town Counsel have met to try to resolve the issues. The Building Department sent the homeowner a Notice of Violation (via certified letter) and cited all of the building code violations on April 22nd based on the Building Commission's inspection on April 18th. Unfortunately, the situation has escalated as the Police Department was called a second time by abutters on April 27th due to concerning behaviors of the occupant of the trailer.

Given the lack of movement towards resolution on this issue, we are recommending that the Select Board turn this matter over to Counsel for enforcement. Doing so will not incur additional legal expenses, as it would be contained within the monthly stipend for legal services. We have spoken to Town Counsel (Atty. Liz Lydon), and they concur with this recommendation.

Please let me know if you have any questions. Thank you.

Town of Southborough

Taxation Aid Committee

17 Common Street
Treasurer Room – 1st Floor
SOUTHBOROUGH, MASSACHUSETTS 01772

DATE: May 2, 2024

TO: Honorable Select Board

FROM: Taxation Aid Committee

RE: Request for ARPA Funds if Available

Dear Honorable Board,

The Taxation Aid Committee was granted $12,000 in the Fall from ARPA funds to assist in granting funds to low-income seniors and disabled residents. Recently the Committee met and voted on the coming year of taxation aid. We awarded 10 applicants each $1,500 for a total of $15,000. These credits will appear in the FY25 applicant tax bills. The Committee respectfully requests funding for the $3,000 difference so that for this year no funds will be expensed from the actual Senior Tax Fund (current balance $30,500).

Our applicant pool was again comprised of mostly very longtime residents of the Town. We appreciate your consideration.

Respectfully,

The Taxation/Disabled Aid Committee

TASK ORDER NO. 27
LEAD SOIL SAMPLING PROGRAM
FORMER ATWOOD TANK PARCEL AP 8/LOT 102
PARE PROPOSAL NO. EP007.24
MAY 3, 2024

INTRODUCTION

The Scope of Work described below shall be provided in accordance with Pare's General Service Agreement with the Town dated March 7, 2008, the Terms and Conditions of which are made part of this project by execution of the Task Order.

The Site is the location of the former Atwood water storage tank; a 150,000-gallon elevated tank that was constructed in the 1930s and demolished in the early 1990s. Pare Corporation recently completed a preliminary investigation of the Site to evaluate if the past operation of the water tank resulted in any impacts from the lead-painted tank to the surrounding soils. Preliminary results were reported to the Town DPW Director on March 13, 2024, in the form of a Letter Report. The Letter Report indicated that impacts were detected and additional investigation and remediation are needed to determine the limits of the impact and to evaluate potential remedial options. This proposal details the Scope of Services and costs associated with performing additional subsurface sampling in and around the tank to define the vertical and horizontal limits of the impacted soils and to evaluate potential remedial solutions relative to the property.

SCOPE OF SERVICES

The Scope of Services proposed herein includes investigation of the site soils directly beneath the former tank location and areas to the south, east, and west up to the nearest property lines and to the north a distance of approximately 130 feet. A relatively dense grid spacing (e.g., 10 ft x 10 ft) is proposed around the tank, while a less dense spacing (e.g., 30 feet) is proposed in areas further from the tank. Samples will be collected at regular horizontal intervals and at vertical intervals that extend up to 48 inches below grade near the tank and to 24 inches below grade further from the tank. All samples shall be screened with a handheld X-ray fluorescence (XRF) unit to identify approximate lead concentrations. Based on the screening, some of those samples will be sent to a laboratory for confirmation of their actual lead concentration.

The previous investigation suggests that lead may have migrated onto the southern abutting parcel, albeit at relatively low concentrations. Two samples were collected at the southern property line where lead was reported below the Massachusetts Department of Environmental Protection (MassDEP) Reportable Concentration Residential Sites (RCS-1) concentration of 200 mg/kg but higher than what is likely background for the Site; therefore, additional investigation on the southern abutting parcel would be prudent. Pare has included up to eleven (11) additional probes on the southern abutting parcel to assess the degree of lead impact in soil on that property. The preliminary sample locations are shown on the attached Sampling Plan but are subject to change based on preliminary findings of the sampling on the former tank site. Prior to any sampling on any abutting parcels, Pare will require that the Town secure an Access Agreement with the Property Owner that authorizes Pare to be on the abutting parcel.

Upon receipt of the data, Pare will prepare a report summarizing our findings. The report will include a Site Plan that delineates the lead around the Site and on the southern abutting parcel. The report will include a letter that provides a Summary of the Findings and potential remedial options for the Site assuming that all the impacted soil will be removed from the Site. These options could change based on the future development of the Site. A formal Remediation Plan should be developed in conjunction with the redevelopment of the Site. This Scope of Services does not include the development of a formal Remediation Plan. Pare will prepare a Supplemental Agreement to develop that plan.

ESTIMATED CHARGES

The Town of Southborough shall pay Pare Corporation for the Scope of Services rendered, as described above, a Not-to-Exceed amount based on actual accrued time in accordance with the attached Schedule of Fees for services rendered by principals and employees assigned to the Project. A breakdown of Pare's recommended budget is provided as follows:

Pare Fee (Field Data Collection and Report Preparation)	$	34,200
Driller Services	$	26,900
XRF Services	$	10,500
Laboratory Budget	$	13,300
Mileage and Expenses	$	700
Total	**$**	**85,600**

Please note that the fee breakdown is approximately $80,000 for sampling and reporting on the Town's parcel and approximately $5,600 on the abutting parcel.

These costs are predicated on the following assumptions:

1. Sampling is limited to parcel AP 8/Lot 102 and one residential property abutting the Site to the south.
2. Sampling beneath the tank is performed at a 10-foot grid spacing over an area of 100 feet x 100 feet, 4 discrete vertical intervals at each spot for a total of 400 samples.
3. Sampling over the remaining area of the Site is performed at a 30-foot grid spacing at 2 discrete vertical intervals for a total of 72 samples.
4. Sampling on the abutting parcel shall occur at 11 locations at 2 discrete vertical intervals for 22 samples.
5. Up to 325 samples collected would be sent for laboratory analysis after screening.
6. 10% of the samples will require TCLP analysis (approximately 32 samples).
7. 1 day in the field to lay out the grid and 8 days to collect samples.
8. Use of a handheld XRF to screen samples for lead (4 days in the field).
9. Use of a Geoprobe™ to collect samples (8 days in the field).

This is a generally conservative estimate of the number of samples that would need to be collected and is based largely on the size of the former tank parcel. As the field screening process advances, concentrations may diminish and the Sample Program may be reduced in any one or more directions from the tank. Conversely, the results could indicate that lead extends up to and beyond any one property line and this investigation may need to be expanded onto an abutting parcel.

Pare Corporation reserves the right to renegotiate or adjust the fee accordingly if its Proposal for Service is not accepted within a sixty (60) day period.

This represents our best judgement at this time as to the effort required to achieve the stated objectives. It should be recognized that should the Scope of Services or corresponding level of effort upon which this Proposal is based change, an increase or decrease in charges may result. You will be notified of any change regarding an increase in charges, and we will not exceed the recommended budget without your approval nor will we be required to work beyond the approved budget.

ACCEPTANCE

The Scope of Work, described above, shall be provided in accordance with Pare's General Service Agreement with the Town dated March 7, 2008, the Terms and Conditions of which are made part of this project by execution of the Task Order.

This Proposal for Services is hereby accepted and executed by a duly authorized signatory who, by execution hereof, warrants that he/she has full authority to act for, in the name of, and on behalf of the Town of Southborough.

For Proposal for Services, dated May 3, 2024
(Pare Proposal No. EP007.24)

LABOR:

Engineer I	$ 135.00 /Hour
Engineer II	$ 155.00 /Hour
Project Engineer	$ 175.00 /Hour
Senior Project Engineer	$ 205.00 /Hour
Managing Engineer	$ 230.00 /Hour
Principal/Officer	$ 280.00 /Hour
Environmental Scientist/Planner	$ 115.00 /Hour
Senior Environmental Scientist/Planner	$ 130.00 /Hour
Managing Environmental Scientist/Planner	$ 180.00 /Hour
Principal Environmental Scientist/Planner	$ 215.00 /Hour
Senior Project Coordinator	$ 150.00 /Hour
Senior Technical Consultant/Advisor	$ 230.00 /Hour
CADD Operator/Designer	$ 100.00 /Hour
Senior CADD Operator/Designer	$ 130.00 /Hour
Principal CADD Operator/Designer	$ 160.00 /Hour
GIS Specialist	$ 115.00 /Hour
Senior GIS Specialist	$ 140.00 /Hour
Construction Observer	$ 110.00 /Hour
Senior Construction Observer	$ 130.00 /Hour
Principal Construction Observer	$ 170.00 /Hour
Engineering Technician	$ 95.00 /Hour
Senior Engineering Technician	$ 105.00 /Hour
Clerical/Office Personnel	$ 100.00 /Hour

REIMBURSABLE EXPENSES:

Mileage (at Federal Standard Rate)	$ 0.67 /Mile
Printing/Copying Wide Format (in-house)	$ 0.15 /Square Foot
Photocopying (in-house)	$ 0.10 /Copy
Outside Services and Out-of-Pocket Expenses	Cost plus 12%

The above rates for technical and support personnel will be charged for actual time worked on the project. In addition, there will be charges for time required for travel from company office to job or site, and return.

For expert and material witness services, including preparation, associated with any actual or potential litigation, mediation, arbitration, or similar proceeding, a fifty percent (50%) premium will be added to the above rates. Overtime worked by non-exempt, non-professional employees will be charged at a rate of one and one-half times the rates shown above for all time worked in excess of 8 hours per day.

PROPOSED SAMPLING PLAN

INTEROFFICE MEMORANDUM

To: Capital Committee
From: William J. Cundiff, P.E. , DPW Superintendent
Date: February 9, 2024
RE: Sidewalk Construction using ARPA Funds

BACKGROUND/BUDGET:

The Select Board and the Capital Committee have requested that I provide my recommendations for new sidewalk construction utilizing ARPA funds that have been allocated for this purpose. The Select Board allocated a total of $704,000 to put toward sidewalks. A total of $50,000 has already been contracted with BETA Corp. to perform a Sidewalk/Curb Ramp Inventory and ADA Compliance services study. This leaves a balance of $654,000 that can be used for sidewalk design and construction.

According to Greg Russell (VHB), traffic consultant to the Town, he said we can carry a budgetary cost of $150/LF for a 5.0-foot-wide sidewalk construction (includes curb) and between $45/LF-$70/LF for engineering design services. So for budgetary values, we are carrying $220/LF for Sidewalk. Based upon available funds, this equates to approximately 2,972 feet of sidewalk (approx. 0.56 mi). Please be aware, this does not include dealing with obstructions such as Trees, Stone Walls, Drainage Structures, or land takings and appraisals. Additionally, from a scheduling perspective, it is my understanding that because these are ARPA funds, they must be expended by the end of Calendar Year 2026. That translates into design and permitting completed by the end of this year (end of Calendar Year 2024), March Town meeting to get approval for easement acquisition (if required), bidding after this, construction in the summer of 2025. Avoiding potential delays resulting from land acquisition and permitting issues (ie street trees) is imperative.

If we wanted to plan on a somewhat larger project accessing complete streets funds (up to $400k), we could certainly do so but the timing may pose issues given our schedule.

SIDEWALK STUDY:

Attached is a draft heat map prepared by BETA as part of the ongoing sidewalk study. The heat map represents priority areas for sidewalks using factors such as distance to schools, general business district, and municipal services.

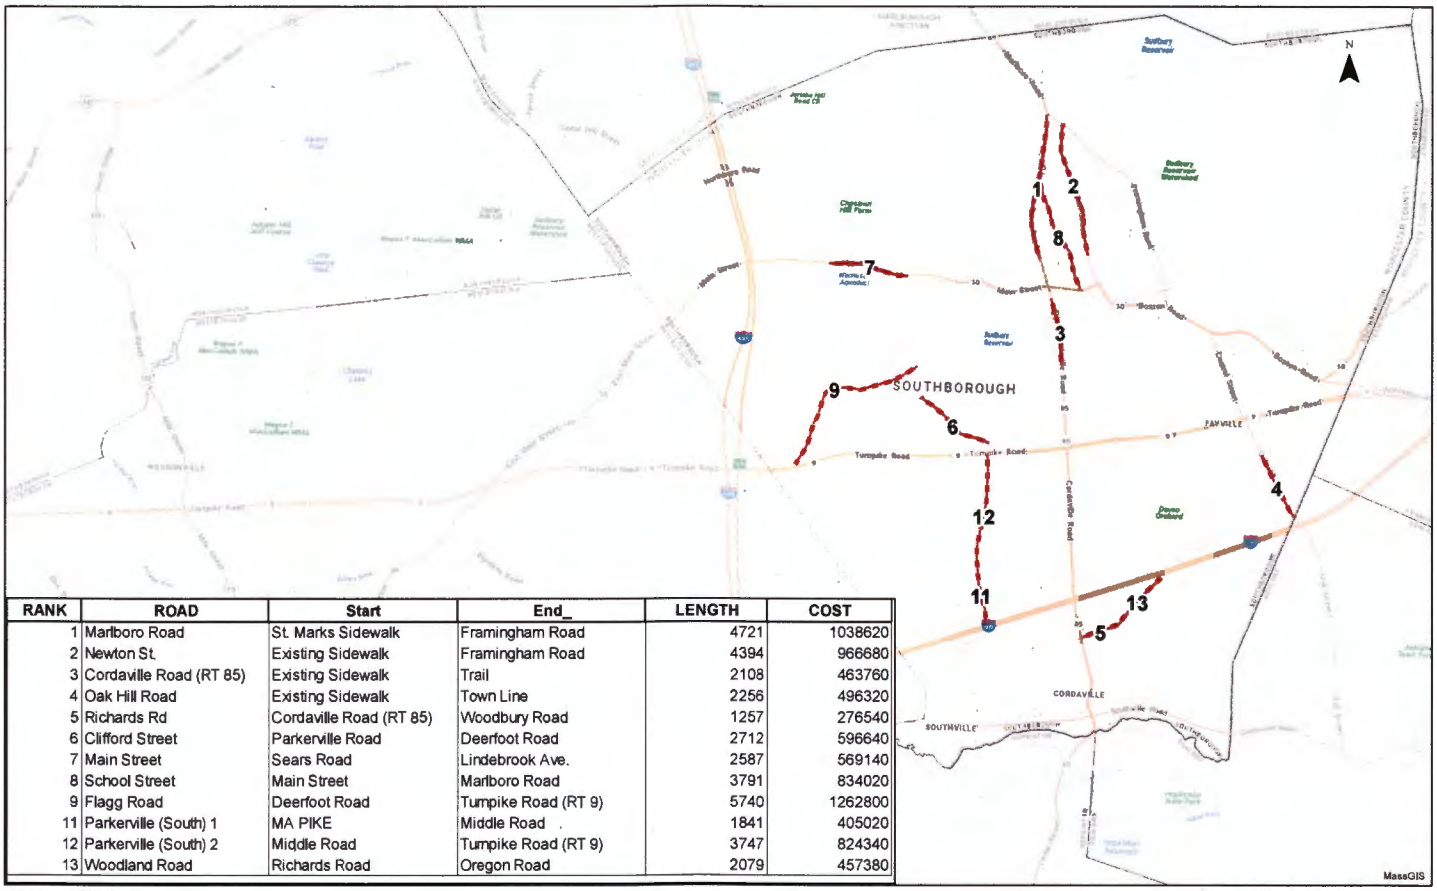
Additionally, a Sidewalk Construction Committee created a report in 2015 with a series of recommendations (see attached). One of their recommendations was to construct 6.0-foot-wide sidewalks. As mentioned above, this proposal is for the state standard sidewalk width of 5.0 feet with curb. The report also lists their priority on sidewalk locations (in order of priority). The attached map shows their list with their priority ranking. I broke Parkerville Road (South) into 2 sections and added Woodland Road as #13 to their list. I also added the cost of each road based upon the length. Please recall that this price does not include appraisals, land acquisition costs, tree removal, stone wall relocation, or drainage structures.

COMPLETE STREETS/CHAPTER 90/Other Funds:

We could provide additional funds from a Complete Streets Grant, Chapter 90 Funds, or other similar funds to make up a deficit in overall project costs.

A Complete Streets Grant (or Safe Routes to Schools) is generally submitted in the spring with awards announced later in the year. Up to $400,000 could be available for a project under this funding source.

OBSTICALES:



I have mentioned a few times in this memo the potential for unforeseen costs to arise. As you may be aware, the road right of way is essentially the property boundary we have to work within. Depending on localized geographic features, we may encounter grading issues, large diameter trees, stonewalls or other similar obstructions within the Right of Way (ROW). In fact, we may even need to acquire easements from property abutters if the proposed sidewalk cannot fit between the road and the abutting property boundary. At this planning stage, it is not possible to identify these issues until we have a survey and know the local features that may prove cumbersome. These types of issues will arise in the design phase and that is when we can either adjust the overall length (if necessary), or find additional funds to mitigate the issue(s). In any event, each of these types of features will have an impact on the total project cost. In making my recommendations, I tried to select locations that minimized these types of issues.

RECOMMENDATION:

Given the above, I believe all of the locations listed in the attached sidewalk figure are good candidates. The following list are my recommendations (in order of preference) of potential project locations.

MY RANK	MAP #	Street	Distance (ft)	BUDGETARY COST
1	11	Parkerville Road	1,850	$407,000
2A	5	Richards Road	1,260	$277,200
2B	13	Woodland Road	2,100	$462,000
3	1	Marlboro Road	4,750	$1,045,000

Note, My Rank #1 could be adjusted to better fit the budget by extending it to Fairview Drive (640') or even Skylar Drive (a total of 2,500').

RANK	ROAD	Start	End_	LENGTH	COST
1	Marlboro Road	St. Marks Sidewalk	Framingham Road	4721	1038620
2	Newton St.	Existing Sidewalk	Framingham Road	4394	966680
3	Cordaville Road (RT 85)	Existing Sidewalk	Trail	2108	463760
4	Oak Hill Road	Existing Sidewalk	Town Line	2256	496320
5	Richards Rd	Cordaville Road (RT 85)	Woodbury Road	1257	276540

1 inch = 3,000 feet

PROPOSED SIDEWALK LOCATIONS

REPORT OF THE SIDEWALK CONSTRUCTION RECOMMENDATION COMMITTEE

1. Our Mission:

The mission of the 2015 Southborough Sidewalk Construction Recommendation Committee is to develop an impartial review and evaluation for identifying streets that have a need for the construction of a new sidewalk. During this process we considered many factors, including but not limited to: Town destinations, ease of construction, environmental impacts, drainage impacts, right-of-way needs, connectivity, etc. More specifically, the Board of Selectmen charged us with the following:

- Review plans of the Town that indicate "through" streets and sidewalk locations;
- Develop a list of walking destinations;
- Create a list of streets where sidewalks would be utilized using the destination list;
- Develop a list of criteria to prioritize the need for sidewalks; and
- Prioritize the list of streets based on the criteria developed so the DPW can work toward funding and constructing the priority sidewalks

The following sections provide more information on **Our Committee**, **Our Process**, and **Our Recommendations**.

2. Our Committee:

The committee was made up of seven members, six were appointed by the Board of Selectmen. The following provides a list of the seven members and their associated committee title.

- Recreation Director (Doreen A. Ferguson, Vice Chair);
- One (1) Public Safety Official (Joseph C. Mauro, Fire Chief) ;
- One (1) member of the Public Works Planning Board (Susan G. Baust, Secretary);
- One (1) member of the Council on Aging (Bill Harrington);
- Two (2) Citizens-At-Large (Matthew J. Chase – Chair; and Robert B. Bezokas);
- One (1) member of the Southborough School System, appointed by the School Superintendent (James Randell, Principal Mary E Finn School); and
- DPW Superintendent (Karen Galligan, Ex-Officio)

This Committee worked closely with the DPW Superintendent during this process to develop a comprehensive document that ranks streets based on ten evaluation criteria. The criteria were developed in a manner to assess priorities that should be considered when

evaluating the need for a new sidewalk. The final product developed was an integrated MS Excel evaluation matrix that assesses each street against the selected criteria. The next section describes **Our Process**.

3. Our Process

The Committee developed an Evaluation Matrix to prioritize projects, or "through" streets that justify the need for a sidewalk today and/ or in the future. The criteria that was developed included ten (10) categories where each category received a ranking score between one (1) and ten (10); therefore, the total score for all categories would not exceed 100. In addition, the functional classification of each street was identified. The functional classifications aided the Committee in determining the streets that likely have the highest traffic demand, pedestrian demand, conflict points, etc. The following provides more details on the terms used in our evaluation matrix. The matrix has been attached to this summary and has been provided in an electronic format (excel) to DPW.

Functional Classification: The functional classification noted in the matrix is defined as: Arterial (A), Collector (C), or Local Roadways/ Streets (L). In general, Arterials typically carry more traffic than a Collector since they connect regional destinations. Collectors typically carry more traffic than a Local Street since they connect local/ Town destinations. Local Streets typically have the greatest number of access points/ driveways and serve residential neighborhoods and connecting to Collectors or Arterials. It is noted that there are always exceptions to this rule where Collectors could carry more traffic than Arterials or Local Streets could carry more traffic than Collectors; etc.

Categories: Each category number 1 through 10 in the matrix was assigned a score between 1 and 10. Each Committee member determined a score and through discussions at several of our meetings, the Committee determined the most appropriate score for each category of each street. The total score would be the sum of all 10 categories for a possible score of 100. This total score was used to prioritize the need for the streets identified in the matrix. It is noted that there is a potential for some streets to have the same score. The following summarizes how the scoring of each category works:

1. Traffic Volumes: Streets that carry more traffic could have more opportunities for pedestrian-vehicle conflicts. The higher the score, the higher the amount of traffic.

2. Pedestrian Activity: Is there known pedestrian activity on the street today, are there pedestrian foot paths along the side of the street, etc.? The higher the score in this category indicates that there is a good amount of pedestrian activity.

3. Safety: Does the street have known safety concerns or has there been a number crashes along the street? Is there limited sight distance (vertical or horizontal curves in the street) or high vehicle-speeds? The higher the score, the more issues known.

4. Available Right-of-Way: Is the right-of-way wide enough to accommodate a sidewalk(s), or will property acquisitions and easements be needed? A higher score in this category indicates that right-of-way is NOT likely needed and sidewalks can be accommodated fairly easily.

5. Connections to Destinations: Does the street lead to/ from destinations in Town, or is the street a designated walkway for Town activities, emergency routes, etc.? A high score in this category indicates connections are of significant importance.

6. Connectivity: Is there a sidewalk already on the street today, or would providing a sidewalk make a connection to another street that already has a sidewalk. Improving sidewalk connectivity by constructing a new sidewalk would warrant a high score for this category.

7. Environmental Impacts: Are there environmental impacts associated with the construction of a sidewalk? A high score in this category would indicate that there are NOT any environmental impacts, while a low score would indicate environmental impacts could be expected.

8. Construction Challenges: Are there other challenges when constructing a sidewalk; for example, would the proposed sidewalk abut a stone wall, or does the street have a narrow cross section, thus providing minimal clearances from obstructions or vehicles? Are utility poles to be located within the sidewalk;

which could limit the ability to meet ADA requirements? Does street drainage become an issue with a new sidewalk and associated curb? A high score indicates that there are likely minimal challenges during construction.

9. Conforms to Town Goals: Goals and Visions have been identified in past studies throughout the community. For example, the Town's Master Plan. Has the street been identified as part of a previous goal or vision where improvements are needed? If the street is part of another plan, this category would receive a higher score. It is noted that for this category all streets received a score of five, since is was difficult to identify whether one street conformed to Town goals more so than another.

10. Future Need: Are there any known future developments or potential developments that might warrant consideration of a sidewalk? Areas where land could be redeveloped could be of concern, thus a higher score would be considered in this category.

4. Our Recommendations

The matrix that was developed can be sorted by each category or by the total score of all 10 categories. At the end of our scoring, the streets were ranked and sorted based on their ranking. In developing our rankings, the following construction guidelines were discussed and considered:

- Sidewalks should generally be 6-feet wide (including a 6-inch curb) unless there is some constraint that would prohibit this width; however, all applicable ADA requirements shall be met.

- The street cross section should be of sufficient width to accommodate user demand and provide adequate buffers between sidewalks, shoulders, travel lanes, and obstructions such as walls, utility poles, mail boxes, etc. In general, it was decided that the ideal street width to accommodate shoulders for bicycles and travel lanes for cars is 32-feet (5-foot shoulders and 11-foot travel lanes). In some instances, and dependent on the functional classification of the street, etc., the street cross section could be reduced to 26-feet (13-foot shared travel lanes and shoulders).

- Generally, to reduce costs, sidewalks and curbs could be constructed of asphalt; however, certain publicly important areas, such as, downtown and other high visibility areas could include other construction materials, such as concrete, and granite curbing as funding allows.

The following provides a snap shot of the top 10 streets from the matrix table. It is noted that costs associated for each location were not developed, as limited "plan" information was available and the Committee needed to complete this assignment by January 4, 2016. Preparing cost estimates would have significantly increased the amount of time to complete this assignment.

		Sidewalk Construction Recommendation Committee, Evaluation Matrix

School Street	L	3	8	6	6	7	9	8	4	5	7	63	8	
Flagg Road	C	5	9	9	7	6	1	6	5	5	9	62	9	
Latisquama Road	C	3	9	6	8	9	7	8	6	5	1	62	9	
Parkerville Rd (south Rte 9, north I-90)	C	5	9	7	9	8	5	6	7	5	1	62	9	

As seen in the image above, Marlboro Road (Route 85, north of Route 30) received the highest score out of all the streets reviewed. Notes were added where appropriate to call out important information that the reader should be aware of. As previously noted, the matrix can be sorted based on street name, any of the ten categories, total score or ranking. Additional engineering is needed to determine more specific impacts and construction costs. It is noted that Main Street (west of Sears Road) was added by the

Committee for future consideration and coordination with MassDOT.

This Committee recommends this criteria and associated ranking matrix be adopted for current use in evaluating sidewalk construction, and for future use in prioritizing how funding limited tax dollars should be spent to improve Southborough's sidewalk network.

For the Committee,

Matthew J. Chase, PE, PTOE
Committee Chair

CONTRACT FOR PROFESSIONAL SERVICES
BETWEEN
VANASSE HANGEN BRUSTLIN, INC.
AND
THE TOWN OF SOUTHBOROUGH

RICHARDS ROAD
SIDEWALK IMPROVEMENT PROJECT
CORDAVILLE ROAD (ROUTE 85) TO WOODLAND ROAD

VHB PROPOSAL NO. 83015.24

APRIL 23, 2024

Vanasse Hangen Brustlin, Inc. (VHB), hereinafter called the "Engineer", will provide engineering consulting services to the Town of Southborough, hereinafter called the "Town", for the Richards Road Sidewalk Improvement Project as set forth in this Scope of Services.

PART I
PROJECT DESCRIPTION

At the request of the Town, VHB is providing the following proposal to design a new sidewalk on the northerly side of Richards Road between Cordaville Road (Route 85) and Woodland Road. Crossing the intersection of Cordaville Road/ Richards Road (signal) is part of the study area, but only minor operational changes are anticipated to accommodate pedestrian crosswalks and associated pedestrian curb ramps. Minor drainage improvements such as catch basins with deep sums will be considered as part of the project. Intersection (signal) and full roadway reconstruction/ realignments are not anticipated and therefore not proposed.

This scope and fee have been prepared to follow a design process that seeks construction using the Town's American Rescue Plan Act of 2021 (ARPA), Chapter 90 allotment, Complete Streets or other local funds; however, design standards and plan format will follow Massachusetts Department of Transportation (MassDOT) guidelines. It is understood that the Scope of Services under this Agreement may be changed by actions of the Town and/or other project stakeholders. Changes to the project scope may require additional compensation or adjustments to the following scope and fee.

PROJECT LIMITS

The Project Limits on Richards Road is from Cordaville Road (Route 85) to Woodland Road for a total length of approximately 1,260 feet (0.24-miles). This location is Ranked 2A by the Town for using ARPA funds for new sidewalk construction in the Department of Public Works (DPW) memorandum provided to VHB dated February 9, 2024.

CLIENT-FURNISHED INFORMATION

It is understood that VHB will perform services under the sole direction of the Town. In the performance of these services, VHB will coordinate its efforts with those of other project team members, as required. The Town will provide VHB with project-related services and technical data including, but not limited to, the following:

- Any relevant data that supports existing conditions, utilities, pavement, property owners and boundaries, etc.
- Police detail services as required for field work, as needed (survey, pavement, etc.).
- Water, Drainage, and Sewer information and any other improvements within project limits.

VHB will be entitled to rely on the accuracy of information provided by the Town, and will have no liability for utilizing such data that contains errors or omissions while completing these services.

SCOPE OF SERVICES

The following provides a summary of the scope of work for this assignment.

TASK 1 – FIELD RECONNAISSANCE

Under this task VHB will conduct field research needed to support the proposed project. Specifically, the following activities will be conducted:

Wetland Resource Area Delineation
VHB will delineate wetland and water body boundaries within the project limits of Richards Road. These resource areas will be delineated in accordance with the Regional Supplement to the Corps of Engineers Wetland Delineation Manual: North Central and Northeast Region (2012), the MWPA Regulation (310 CMR 10.00), MADEP wetland delineation guidance document entitled "Delineating Bordering Vegetated Wetlands under the Massachusetts Wetlands Protection Act (March 1995)", and other wetland delineation requirements specified in applicable local wetland bylaws and implementing regulations. In addition to delineating wetland resources, VHB will locate each flag point with a hand-held GPS unit to sub meter accuracy.

At each wetland or water body delineated along the project limits, field notes, photo documentation, and

a sketch will be completed. The field notes will document dominant plant species, soil conditions, hydrologic conditions, and wildlife habitat features. Field notes will contain sufficient information to complete applicable wetland delineation data sheets if required at a later date. Wetlands along the project limits will be collected via GPS devices and noted on the field surveyed base plans. If resource areas outside the project limits need to be illustrated VHB will supplement with information from MassGIS.

Field Survey

VHB has previously collected field survey along Richards Road between Cordaville Road (Route 85) and Woodland Road under a separate contract with the Town. VHB will perform a limited supplemental field survey to locate resources areas and will add it to the previously prepared base plan. Sub-surface utility investigations were not previously conducted, nor will they be conducted under this Agreement. Subsurface utility investigations will be limited to Level D and C. Ground penetrating radar, test pits, probes, or other investigations meeting Level B or A will not be performed.

The Right of Way will be estimated from record layout plans. If layout plans are not available, the Right-of-Way will be shown graphically from research performed at the Town and Registry. Property lines along the ROW will be based on record deed or plan descriptions. If descriptions are vague and plans not available, the property lines will be shown graphically from existing Town layouts or GIS assessor maps. Monuments found in the field will be shown on the base plan; however, if monuments are not found in the field to establish property boundaries, and deed research is not sufficient, an Amendment to this Agreement could be required for supplemental survey and property calculations. Abutter names will be shown on the base plan with recording and assessor information.

The survey will meet current MassDOT English standards including horizontal and vertical control. The previously prepared base plan will be updated with the new field information and drafted in an AutoCAD Civil 3D 2022 drawing format.

TASK 2 – PRELIMINARY DESIGN PHASE

VHB will prepare a preliminary sidewalk layout along the northerly side of Richards Road, with crosswalks and pedestrian curb ramps at intersecting roadways of Cordaville Road and Woodland Road. As part of this Task, VHB will prepare the following plan sheets for the Town's review:

- Construction and Profile Plans;
- Traffic Signing and Striping Plans;
- Traffic Signal Plan (Richards Road at Cordaville Road); and
- Critical Cross Sections (up to five anticipated).

TASK 3 – FINAL DESIGN PHASE

Following review of the Preliminary Design by the Town, VHB will incorporate agreed upon comments and advance the previously prepared plans to the Final Design stage. This will involve finalizing the horizontal and vertical roadway geometry, roadway grading and cross sections, and the proposed drainage with rims and inverts. In preparation of the Final Design Submission, the following plans will be prepared:

- Cover Sheet;
- Legend & General Notes;
- Typical Sections and Pavement Notes;
- Construction and Profile Plans;
- Grading and Tie Plans;
- Traffic Signing and Striping Plans;
- Traffic Signal Plan (Richards Road at Cordaville Road);
- Traffic Sign Summary;
- Temporary Traffic Control Plans;
- Construction Details and
- Cross Sections (at 50-foot intervals and at driveways).

The following provides a summary of information to be provided as part of this final design :

Grading and Tie Plans
Plans will show relevant aspects of the horizontal geometry, curve geometry, roadway widths, station equations, horizontal offsets to the design centerline and spot grades.

Traffic Signing and Striping Plans
The traffic signing and striping plans will show pavement markings, signs, project limits and construction materials.

Traffic Signal Plans
The traffic signal plans will show modifications to the existing signal infrastructure at Richards Road and Cordaville Road (Route 85), changes to the existing signal timings and a signal items list.

Traffic Management
VHB will finalize the temporary traffic control construction plans in accordance with the MUTCD to demonstrate a feasible means of constructing the project. The level of detail will recognize that the actual traffic management plan implemented by the contractor may vary.

Special Provisions & Construction Cost Estimate
VHB will prepare draft special provisions based on the latest edition of MassDOT's Standard Specifications for Highways and Bridges and Supplemental Specifications and check that each item in the estimate that is listed in the Standard Nomenclature with an asterisk (*) has a special provision. Special provisions to describe a specific or unique activity to be performed by the contractor will be drafted only when necessary. VHB will prepare a detailed estimate to a MassDOT format using MassDOT's Weighted Average Bid Application (WABA). To accompany the estimate, and be provided to the Town only, VHB will prepare a calculation book based on the latest edition of the Standard Nomenclature. VHB will check that each item of work shown on the plans has a pay item.

QAQC
Following the completion of the design documents, VHB will perform an internal review of the project

plans, specifications and estimate by an experienced engineer who is not directly involved in the preparation of these documents. The review will focus on the practicality of constructing the project based on access to site, equipment needs and material properties.

Deliverables & Meetings

VHB will submit the Final Design Documents to the Town electronically in PDF and AutoCAD Civil 3D 2021 (plans only) file formats. VHB will also submit one (1) full size plot plans (size 24 inches x 36 inches).

TASK 4 – NOTICE OF INTENT (NOI)

A Notice of Intent (NOI) is anticipated to be filed with the local Conservation Commission due to work in the buffer zones. Two (2) meeting with the local Conservation Commission is budgeted. Up to two (2) VHB staff members are anticipated to attend this meeting. If more meetings are requested, more than two VHB staff are needed, supplemental graphics or response to peer review comments are needed, an Amendment to this contract may be required. The approved (by the Town) Preliminary Design Plans will be used for the NOI meeting.

TASK 5 – SCENIC ROAD APPLICATION

As Richards Road is classified as a scenic road, VHB will prepare a Scenic Road Application for tree removal. One (1) VHB staff member will attend one (1) joint hearing with the Planning Board and Select Board. If more meetings are requested, more than one VHB staff is needed, supplemental graphics are needed, or significant design modifications are required an amendment to this contract will be required.

TASK 6 – MEETINGS AND COORDINATION

VHB anticipates attending three (3) meetings in addition to the three (3) meetings as part of Tasks 4 (NOI) and Task 5 (Scenic Road Application). The following meetings are anticipated:

1. One (1) meeting with Public Works Planning Board (or other review entity as directed by the Board of Selectmen) following completion of Task 2 (Preliminary Design).
2. One (1) meeting with abutters of Richards Road following the meeting with the Public Works Planning Board or as directed by the Town. The Town will coordinate with notifying abutters of this meeting.
3. A second meeting with Public Works Planning Board (or other review entity) following completion of Task 3 (Final Design), Task 4 (NOI) and Task 5 (Scenic Road Application).

For budgeting purposes, a total of six (6) hours has been budgeted for the three meetings under this task. One VHB staff member is anticipated to attend these meetings. If unanticipated meetings are requested, more than one VHB staff is needed, or supplemental graphics are needed, an Amendment to this contract will be required.

TASK 7 – CONSTRUCTION PHASE SERVICES (PART-TIME)

The following services will be provided by VHB as part of this task:

- Coordinate with the Town on preparing project contract documents for advertising in accordance with State and Town;

- Attend up to 4 construction meetings;

- Review shop drawings, Request for Information (RFI) from the contractor, and conduct a final punch list walk through and signal inspection upon the project reaching a substantially complete status advised by the Town; and
- Perform a cursory review Contractor pay requisitions, with input from the Town since VHB is not providing full-time construction phase services.

VHB will coordinate with the Town on the following part-time construction phase services. It is noted that VHB or its subconsultants may need input from the Town on certain shop drawings or RFIs, which VHB will be entitled to rely on the accuracy of information provided by the Town and will have no liability for utilizing such data that contains errors or omissions while completing these services. An allowance is being provided for this task as the construction process and duration of construction will not be known until the Town selects a contractor.

Limitation of Responsibilities: VHB will not supervise or have control over site safety and the Contractor's safety precautions or programs in connection with the work, nor for the Contractors' work, construction ways, means, methods, techniques, sequences or procedures selected by the Contractors in connection with the Work. VHB will not be responsible for the acts or omissions of any Contractor, or of any subcontractor or supplier, or any of the Contractor(s), or subcontractor's or supplier's agents or employees, or any other persons (except VHB's own employees and agents) at the site or otherwise furnishing or performing any of the Contractor(s)'s work.

Upon the time of construction, VHB will not have tested or evaluated existing materials anticipated to be excavated and disposed of (surplus materials) during construction. Nor has VHB budgeted in this Amendment to advise, coordinate, supervise, or oversee these efforts during construction. It will be the responsibility of the Town and the Contractor to coordinate the appropriate means to dispose of surplus materials.

- Bid Documents. VHB will work with the Town to prepare the final contract documents suitable for bidding by the Town (the Town will be responsible for advertising the project in CommBuys and the local newspaper). VHB will answer questions and make updates to the plans based on comments received by the Town. VHB has budgeted 24 hours to coordinate the bid document preparation .

- Bid Coordination, and Review of Bids. VHB will coordinate with the Town on answering questions from contractors on the bid documents during the bid process. In addition, VHB will prepare sketches or responses for addendums. Following the bidding process, VHB will coordinate with the

Town on reviewing the high and low bids associated with the project. VHB will then prepare a letter summarizing our review for the Town recommending award of the project to a Contractor.

- Pre-Construction Conference. Following the review of bids and selection of a contractor, VHB will attend one (1) pre-construction conference to be schedule by the Town. This meeting is anticipated to be held at the Department of Public Works or on Richards Road. Up to two VHB staff will attend the Pre-Construction Conference.

- Highway Shop Drawings. VHB and its subconsultants will review shop drawings associated with the project for general conformance to the contract documents, including signal catalog cuts for traffic signals, structural shop drawings, and other items.

- Signal Inspection and Signal Plans. It is anticipated that one (1) signal inspection will be needed once the contractor has substantially modified the traffic signal at Richards Road and Cordaville Road. The signal modifications will need to be functioning for at least three weeks prior to the field visit. Following this inspection, VHB will update the traffic signal timing plans and signal plans to reflect identified field changes. These plans will be an update to the previously prepared design plans, but as built plans will not be prepared since as-built survey is not being collected. As built plans will be the responsibility of the contractor. Eight (8) hours has been budgeted to coordinate this process.

- Furnish Advice and Field Visits. VHB will respond to RFIs from the Town or the contractor to clarify design intent, interpreting drawings and other contract documents, and specifications. VHB will conduct field visits during construction to provide clarification on design intent and assistance in addressing unforeseen conditions or similar matters, as requested by the Town. VHB has budgeted 24 hours to coordinate this process.

- Meetings and Coordination. VHB is also carrying a budget for coordination during construction. A budget is being allocated to attend construction meetings with the Town. This budget will supplement previous tasks. When possible, a field visit and meeting will be coordinated to minimize attending two separate meetings when it can be accommodated with one. VHB has budgeted 8 hours for up to four meetings.

SERVICES NOT INCLUDED

The following services are not anticipated and, therefore, have not been included in this Agreement:

- Traffic counts and traffic analyses.
- Signal warrant analyses.
- Intersection improvements or evaluations at Woodland Street with Richards Road or at Watkins Lane.
- Signal timing adjustments will be limited to including pedestrian crossing time phasing and pedestrian push button locations.
- Design of any rain gardens, detention basins or green infrastructure.

- Coordination with Town boards not identified herein, such as Planning Board, Select Board or other.
- In accordance with Land Court procedures, preparation of preliminary or final right-of-way plans, layout plans, taking plans, and descriptions involving the alteration of Land Court parcels. Permanent easement or acquisition plans and coordination with the Registry of Deeds for the filing of any easements will be the responsibility of the Town.
- Recreation of property boundaries or roadway layout lines if adequate documentation is not provided by the Town or through the registry of deeds or other sources.
- Investigation, identification testing, or analysis of hazardous waste or materials.
- Evaluation of existing culverts or design of new culverts, other than that described within this Scope of Work.
- Programmatic Section 4(f) Evaluation or preparation of an individual Programmatic Section 4(f).
- Street Lighting design or development of a photometric plan.
- Design of new culverts.
- Structural or geotechnical design services.
- Subsurface Utility Investigations (SUE) Level A or B (test pits, probes, ground penetrating radar, or other exploratory methods).
- VHB will not confirm or update the existing conditions of the previous survey other than the locations noted above. It is VHB understanding that these locations are the only changes.
- Preparation of an Environmental Notification Form (ENF) or other MEPA permitting. While not anticipated there are retaining walls and trees larger within the project limits. If five or more public shade trees (14" in diameter at breast height) or stone walls (300' or more) are removed as part of the project MEPA permitting would be required. At this time, these impacts are not anticipated.
- Hydrologic and Hydraulic reports or analysis.
- Permanent easements are not anticipated to be needed as part of this project. Temporary easements and rights of entries are not anticipated. If any easement plans or rights of entries are needed an Amendment will be required. This is for the entire project limits.

Should services be required in these areas, or areas not previously described, VHB will prepare a proposal or amendment, at the Town's request that contains the Scope of Services, Compensation, and Schedule to complete the unanticipated services. The fees in this proposal may be subject to change if not accepted within 60 days from the date of issue.

COMPENSATION FOR VHB SERVICES

1. VHB will perform the Scope of Services contained in this Contract on a Lump Sum fee basis; which is defined as the fee for direct labor, overhead and profit including direct costs. The Maximum Upset Limit of this contract for this Scope of Services is $ 120,000 allocated approximately as follows:

	Maximum Labor Fees
Task 1 – Field Reconnaissance	**$ 16,000**
Task 2 – Preliminary Design Phase	**$ 20,000**
Task 3 – Final Design Phase	**$ 35,000**
Task 4 – Notice of Intent (NOI)	**$ 12,000**
Task 5 – Scenic Road Application	**$ 10,000**
Task 6 – Meetings and Coordination	**$ 6,000**
Task 7 – Construction Phase Services (Part-Time)	**$ 21,000**
TOTAL CONTRACT VALUE:	**$120,000**

* In addition to the labor compensation, VHB will be reimbursed for expenditures made specifically for the project such as: printing and copies; travel/ mileage; shipping/ postage; and purchase of maps and similar documents. These direct expenses will be billed at cost and are covered in the lump sum tasks above. See note #4 below for police details.

2. The total Lump Sum Fee for services rendered in Tasks 1 thru 7 will be invoiced monthly as a percentage of completion by task.

3. VHB will not exceed the total estimated Lump Sum Fee stated herein without the written approval of the Town.

4. ***The Town agrees to provide police services/ details as required for all field activities such as highway survey, field observations, construction, meetings, etc. as needed and requested by the Town. The Town will coordinate its schedule with the local police department for these services, and the Town will be responsible for payment of such services directly to the local police department. Expenses for such services are not part of this Agreement and, therefore, not included in the fee contained herein.***

PERIODS OF SERVICE

1. VHB will work with the Town to establish a schedule to complete the work outlined above. Services are dependent on the ability to conduct a field visit, observe existing conditions information and scheduling of field walks and meetings the Town (design reviews, NOI, etc.).

2. The specific period of performance, schedule, and compensation are subject to PART II - GENERAL TERMS AND CONDITIONS, 3.0 PERIODS OF SERVICE.

AGREEMENT REVIEW

Project Manager Initials: ***GJR***

Reviewer Initials: ***MJC***

STANDARD TERMS AND CONDITIONS. The engagement of VHB by Client is under the following terms and conditions. These terms and conditions are an integral part of the collective Agreement between Client and VHB.

SCOPE OF SERVICES. VHB shall perform the services set forth in the attached Scope of Services. Requests for additional services and any associated fee adjustment must be authorized in writing before additional services can begin.

PERFORMANCE STANDARDS. VHB's services require decisions that are not based upon science, but rather upon judgmental considerations. In the performance or furnishing of professional services hereunder, VHB, and those it is responsible for, shall exercise the degree of skill and care ordinarily exercised by similarly practicing professionals performing similar services under similar conditions in the same locality ("Standard of Care"). VHB shall be entitled to rely on the accuracy and completeness of data, reports, surveys, requirements, and other information provided by Client.

SCHEDULE. VHB shall perform its services as set forth in the Scope of Services as expeditiously as consistent with the Standard of Care and the orderly progress of the Work. VHB shall not be responsible for failure to perform or for delays in the services arising out of factors beyond the reasonable control or without the fault or negligence of VHB.

PAYMENT. The fee estimate for the proposed Scope of Services is valid for 60 days from the date of Proposal. All schedules set forth in the attached Scope of Services commence upon receipt of a signed Agreement and, if requested, a retainer. Retainers will be applied to the last invoice. A RETAINER OF $[ ] IS REQUIRED BEFORE SERVICES WILL COMMENCE.

Invoices will be rendered monthly and are due upon receipt. Any invoice unpaid more than 30 days after date of invoice will bear interest at 1-1/2 percent per month.

If Client fails to pay any invoice within 45 days of the date of invoice, VHB may, without waiving any other claim or right against Client or incurring any liability for delay, suspend the services until VHB has been paid in full. Sealed plans, final documents, reports, and attendance at meetings/hearings will not be provided unless payment for services is current.

If VHB is performing services for Client under multiple projects, payments must be current on all projects for services hereunder to continue. Client acknowledges VHB's right to suspend services and withhold plans and documents, as provided above, if any payments are overdue. If services are suspended for 30 days or longer, upon resuming services VHB shall be entitled to expenses incurred in the interruption and resumption of its services. If services are suspended for 90 days or longer, VHB shall be entitled to expenses incurred in the interruption and resumption of its services and fees for remaining services shall be equitably adjusted.

The parties agree to coordinate invoices to assure timely payment. At minimum, VHB's project manager and Client's representative will confer as often as necessary about any issues involving invoicing and collections. Client's representative will contact VHB's project manager forthwith upon receipt of an invoice about any questions or issues concerning invoiced amounts. If Client's representative and VHB's project manager are unable to resolve any questions or issues, Client's representative will line item any disputed or questionable amount and pay VHB. VHB, at its option, may revise and resubmit disputed amounts at a later date.

Should it become necessary to utilize legal or other resources to collect any or all monies rightfully due for services rendered under this Agreement, VHB shall be entitled to full reimbursement of all such costs, including reasonable attorneys' fees, as part of this Agreement.

OWNERSHIP OF WORK PRODUCT. All work products (whether in hard or electronic form) prepared by VHB pursuant to the Agreement are instruments of service with respect to the Project and are not authorized, intended or represented to be suitable for reuse by Client or others on extensions of the Project or on any other Project. Any reuse by Client or a third person or entity authorized by Client without written verification or adaptation by VHB for the specific application will be at Client's sole risk and without liability or legal exposure to VHB. Client shall release, defend, indemnify and hold harmless VHB from all claims, damages, losses and expenses, including attorneys' fees, arising out of or resulting therefrom. Any such verification or adaptation will entitle VHB to additional compensation at rates to be agreed upon by VHB and Client, third person, or entity seeking to reuse said documents.

Client recognizes that information recorded on or transmitted as electronic media, including CADD documents ("Electronic Documents") is subject to undetectable alteration, either intentional or unintentional, due to, among other causes, transmission, conversion, media degradation, software error, or human alteration. Accordingly, the Electronic Documents are provided to Client for informational purposes only and are not represented as suitable for any use or purpose.

VHB retains the copyright in all work products produced in connection with this Agreement, unless otherwise agreed to in writing by an authorized VHB representative. VHB licenses to Client on a non-exclusive basis the use of work products produced solely in connection with this Agreement. The license

may be revoked for any failure of Client to perform under this Agreement.

CERTIFICATIONS. VHB shall not be required to sign any documents, no matter by whom requested, that would result in VHB having to certify, guarantee or warrant the existence of conditions whose existence VHB cannot wholly ascertain. Any certification provided by VHB shall be so provided based on VHB's knowledge, information, and belief subject to the preceding sentence, and shall reflect no greater certainty than VHB's professional opinion developed through and consistent with the Standard of Care. VHB shall be compensated for any work necessary to assess project compliance with regulatory standards for purposes of such certification.

INSURANCE. VHB agrees to carry the following insurance during the term of this Agreement:

- Workmen's Compensation and Employer's Liability Insurance in compliance with statutory limits
- Comprehensive General Liability Insurance including Products Completed, Contractual, Property, and Personal Injury coverage with combined single limits of $1,000,000 per occurrence and $2,000,000 in the aggregate
- Professional Liability Insurance with a limit of $1,000,000 per claim and in the aggregate
- Automobile Liability Insurance including non-owned and hired automobiles with a combined single limit of $1,000,000 per occurrence

Certificates of insurance will be furnished upon request. If Client requires additional insurance coverage, and it is available, Client agrees to reimburse VHB for such additional expense.

INDEMNITY. Client and VHB shall at all times indemnify and save harmless each other, their officers, and employees on account of damages, losses, expenses, reasonable counsel fees, and compensation arising out of any claims for damages, personal injuries and/or property losses sustained by any person or entity, to the extent caused by the negligent acts, errors or omissions of the indemnifying party, its employees, or subcontractors in connection with the Project, and/or under this Agreement.

Client agrees to the fullest extent permitted by law, to indemnify and hold harmless VHB, its officers, employees and subconsultants from and against any and all claims, suits, demands, liabilities costs including reasonable attorneys' fees, and defense costs caused by, arising out of, or in any way connected with the detection, presence, handling, removal, abatement, or disposal of any asbestos or hazardous or toxic substances, products, or material that exist on, about, or adjacent to the job site.

LIMITATION ON VHB'S RESPONSIBILITY AND JOBSITE SAFETY. VHB will not be responsible for the acts or omissions of contractors or others at the Site, except for its own subcontractors and employees. Neither the professional activities of VHB nor the presence of VHB or its employees or subconsultants at a project site shall relieve the other parties on this project of their obligations, duties, and, including, but not limited to, construction means, methods, sequence, techniques, or procedures necessary for performing, superintending, and coordinating the Work in accordance with the contract documents and any health or safety precautions required by any regulatory agencies. VHB and its personnel have no authority to exercise any control over any construction contractor or its employees in connection with their work or any health or safety programs or procedures. Client agrees that Contractor shall be solely responsible for job site safety and warrants that this intent shall be carried out in Client's contract with Contractor.

ALLOCATION OF RISK. In recognition of the relative risks and benefits of the Project to both Client and VHB, the risks have been allocated such that Client agrees that to the fullest extent permitted by law, VHB's total liability in the aggregate to Client and any persons or entities claiming by, through or under Client, for any and all injuries, claims, losses, expenses, or damages whatsoever arising out of or in any way related to the Project and/or this Agreement from any cause or causes, including, but not limited to, VHB's negligence, errors, omissions, strict liability, statutory liability, indemnity obligation, breach of contract or breach of warranty shall not exceed the higher of $50,000 (fifty thousand dollars), or ten (10) percent of the compensation actually paid to VHB. Client and VHB may agree to a higher limitation of liability for an increased fee.

DISPUTE RESOLUTION. All questions in dispute under this Agreement shall be submitted to non-binding mediation as a condition precedent to the institution of legal proceedings. On the written notice of either party to the other of the election to submit any dispute under this Agreement to mediation, each party shall designate their representative and shall meet within ten (10) days after the service of the notice. The parties shall then attempt to resolve the dispute within ten (10) days of meeting. Should the parties be unable to agree on a resolution of the dispute, then the parties shall proceed with mediation in accordance with the mediation rules of the American Arbitration Association. The cost of mediation shall be borne equally by both parties. This Agreement shall be governed and construed in accordance with the laws of the Commonwealth of Massachusetts.

LEGAL SUPPORT. To the extent VHB is required to respond to any dispute resolution process, including, but not limited to, requests for document production, discovery or a request to appear in any deposition or legal proceeding, which is related to the Scope of Services but does not arise out of VHB's negligent

acts, errors or omissions, Client shall compensate VHB for all costs incurred by VHB, including reasonable attorneys' fees.

DESCRIPTIVE HEADINGS AND COUNTERPARTS. The headings contained in this Agreement are for convenience of reference only and shall not constitute a part hereof, or define, limit or in any way affect the meaning of any of the terms or provisions hereof. This Agreement may be executed in two or more counterparts, and any party hereto may execute any such counterpart, which, when executed and delivered, shall be deemed to be an original and all of such counterparts taken together shall be deemed to be one and the same instrument.

EXCLUSIVE REMEDIES. In the event that any dispute is not remedied through the alternative dispute resolution procedures set forth herein, all claims, actions, and rights of action arising from or relating in any way to this Agreement or the services performed thereunder, whether in contract, tort, indemnity and all other rights of action whatsoever, shall be filed in a court of competent jurisdiction within three years of the completion of such services, or all such claims, actions and rights of action shall be waived. Recovery under this Agreement shall be limited by the parties' agreement on Allocation of Risk and the remainder of this section.

Notwithstanding any other provision of this Agreement, neither party shall be liable to the other for any liquidated, incidental, special, indirect or other consequential damages incurred, regardless of the nature of the cause or whether caused by Client or VHB, or their employees, subconsultants, or subcontractors. Consequential damages include, without limitation, loss of use, loss of profits, loss of production, or business interruption; however, the same may be caused.

VHB and Client waive all claims against each other arising out of or related to this Agreement or the services to the extent that losses, damages, and liabilities associated with such claims have been compensated by the proceeds of property insurance or any other insurance policy.

VHB makes no warranties or guarantees, express or implied, under this Agreement or any other contract document with respect to its provision of professional services. In entering into this Agreement, Client has relied only upon the representations set forth in this Agreement. No verbal warranties, representations, or statements shall be considered a part of this Agreement or a basis upon which Client relied in entering into this Agreement.

NO THIRD PARTY BENEFICIARIES. Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either Client or VHB. In addition, nothing herein shall be construed as creating a contractual relationship between Client and any VHB employee, representative, or consultant. Client agrees that in the event of a dispute regarding this Agreement or the services rendered by VHB hereunder, Client shall only seek recourse against VHB and waives any right to pursue a claim against VHB's individual directors, officers or employees.

VHB's commitments as set forth in this Agreement are based on the expectation that all of the services described in this Agreement will be provided. In the event Client later elects to reduce VHB's Scope of Services, Client hereby agrees to release, hold harmless, defend, and indemnify VHB from any and all claims, damages, losses or costs associated with or arising out of such reduction in services.

SEVERABILITY. The invalidity or unenforceability of any provisions of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect.

TAXES. Any taxes or fees, enacted by local, state, or federal government and based on gross receipts or revenues, will be invoiced to and payable by Client as an additional amount due under this Agreement.

PROJECT SPECIFIC PROVISIONS. To the extent the Scope of Services involves any of the following services/geographies, the following general provisions apply accordingly:

AMERICANS WITH DISABILITIES ACT (ADA). Client understands and agrees that ADA standards are evolving and subject to varying, potentially contradictory interpretations and applications. VHB will use its reasonable professional efforts and judgment to interpret applicable ADA requirements and other federal, state and local laws, rules, codes, ordinances, and regulations as they apply to the project. VHB cannot and does not warrant or guarantee that Client's Project will comply with all ADA requirements or ADA interpretations or other applicable regulatory interpretations.

CLIMATE CHANGE/FLOOD ANALYSIS. Consultant shall not be responsible or liable for any damages, losses, litigation, expenses, counsel fees and compensation arising out of any claims, damages, personal injuries and/or property losses related to flooding conditions whether directly or indirectly due to flood water damage, and Client shall at all times indemnify and hold harmless VHB, its respective officers, agents and employees on account of any related claims, damages, losses, expenses and counsel fees related thereto.

CONSTRUCTION PHASE SERVICES

SITE VISITS. VHB shall make periodic site visits upon the request of Client or as otherwise agreed in writing by Client and VHB for

the limited purpose of determining whether work is in general conformance with VHB's plans and specifications. Such visits are not intended to be an exhaustive check or a detailed inspection of Contractor's work. VHB shall not supervise or have control over Contractor's work nor have any responsibility for construction ways, means, methods, techniques, sequences, or procedures selected by Contractor nor for Contractor's safety precautions or programs in connection with the Work.

SHOP DRAWINGS. VHB's review and approval of submittals such as shop drawings, product data, samples, and other data, shall be for the limited purpose of checking for conformance with the design concept and the information in VHB's documents. This review shall not include review of the accuracy or completeness of details, such as quantities, dimensions, weights or gauges, fabrication processes, construction means or methods, coordination of the work with other trades, or construction safety precautions, all of which are the sole responsibility of Contractor and other unrelated parties. Review of a specific item shall not indicate that VHB has reviewed the entire assembly of which the item is a component. VHB shall not be responsible for any deviations from VHB's documents or other documents that are not brought to the attention of VHB in writing by Contractor. VHB shall not be required to review partial submissions or those for which submission of correlated items have not been received.

GEOTECHNICAL SERVICES. Client understands that VHB does not perform geotechnical services directly and, if requested, will retain a geotechnical subconsultant on behalf of Client, and VHB shall rely on the accuracy and completeness of data furnished as if the geotechnical services were contracted directly through Client.

TANK INSPECTION. Client will provide VHB with available underground storage tank (UST) documentation as necessary. VHB assumes that the documentation and site plans will be in order, be complete and meet regulatory compliance standards. VHB's inspection services are to fulfill regulatory requirements and do not include invasive testing or equipment calibration and testing. Accordingly, Client expressly agrees that VHB shall have no liability for equipment functioning or malfunctioning, product releases or spills.

LSP SERVICES – PROJECTS LOCATED IN MASSACHUSETTS. In accordance with the Massachusetts General Laws Chapter 21E, the performance of the services contained in this Agreement may require the engagement of a Licensed Site Professional (LSP) registered with the Commonwealth of Massachusetts under Massachusetts General Law Chapter 21A and the regulations promulgated by the Massachusetts Department of Environmental Protection (MADEP) thereunder (collectively the LSP Program). These laws and regulations place upon the LSP certain professional obligations owed to the public, including in some instances a duty to disclose the existence of certain environmental contaminants to the MADEP. In the event that any site for which VHB has provided LSP services is audited by MADEP pursuant to the provisions of the Massachusetts Contingency Plan, VHB shall be entitled to additional compensation to provide such services as may be necessary to assist Client in its response to MADEP.

Client understands and acknowledges that in the event the LSP's obligations under the LSP Program conflict in any way with the terms and conditions of this Agreement or the wishes or intentions of Client, the LSP is bound by law to comply with the requirements of the LSP Program. Accordingly, Client recognizes that the LSP shall be immune for all civil liability resulting from any alleged and/or actual conflict with the LSP Program. Client also agrees to hold VHB and its LSP harmless for any claims, losses, damages, fines, or administrative, civil, or criminal penalties resulting from the LSP's fulfillment of its obligations under the LSP Program.

PROJECTS LOCATED IN FLORIDA. FLORIDA STATUTES SECTION 558.0035 (2013), AN INDIVIDUAL EMPLOYEE OR AGENT MAY NOT BE HELD INDIVIDUALLY LIABLE FOR ECONOMIC DAMAGES RESULTING FROM NEGLIGENCE OCCURRING WITHIN THE COURSE AND SCOPE OF THIS AGREEMENT.

CONTRACT FOR PROFESSIONAL SERVICES
BETWEEN
VANASSE HANGEN BRUSTLIN, INC.
AND
THE TOWN OF SOUTHBOROUGH

WOODLAND ROAD
SIDEWALK IMPROVEMENT PROJECT
RICHARDS ROAD TO OREGON ROAD

VHB PROPOSAL NO. 83033.24

APRIL 23, 2024

Vanasse Hangen Brustlin, Inc. (VHB), hereinafter called the "Engineer", will provide engineering consulting services to the Town of Southborough, hereinafter called the "Town", for the Woodland Road Sidewalk Improvement Project as set forth in this Scope of Services.

PART I
PROJECT DESCRIPTION

At the request of the Town, VHB is providing the following proposal to design new sidewalks on Woodland Road between Richards Road and Oregon Road. Based on the presence of utilities and trees along the corridor it is expected that the proposed sidewalk will be located on the south/east side of the roadway. The intersection of Richards Road at Woodland Road (unsignalized) is part of the study area, but only minor geometric changes are anticipated to accommodate a crosswalk and associated pedestrian curb ramps. Minor drainage improvements such as catch basins with deep sums will be considered as part of the project. Intersection and full roadway reconstruction/ realignments are not anticipated and therefore not proposed.

This scope and fee have been prepared to follow a design process that seeks construction using the Town's American Rescue Plan Act of 2021 (ARPA), Chapter 90 allotment, Complete Streets or other local funds; however, design standards and plan format will follow Massachusetts Department of Transportation (MassDOT) guidelines. It is understood that the Scope of Services under this Agreement may be changed by actions of the Town and/or other project stakeholders. Changes to the project scope may require additional compensation or adjustments to the following scope and fee.

PROJECT LIMITS

The Project Limits run along Woodland Road from Richards Road to Oregon Road for a total length of approximately 2,100 feet (0.40-miles). This location is Ranked 2B by the Town for using ARPA funds for new sidewalk construction in the Department of Public Works (DPW) memorandum provided to VHB dated February 9, 2024.

CLIENT-FURNISHED INFORMATION

It is understood that VHB will perform services under the sole direction of the Town. In the performance of these services, VHB will coordinate its efforts with those of other project team members, as required. The Town will provide VHB with project-related services and technical data including, but not limited to, the following:

- Any relevant data that supports existing conditions, utilities, pavement, property owners and boundaries, etc.
- Police detail services as required for field work, as needed (survey, pavement, etc.).
- Water, Drainage, and Sewer information and any other improvements within project limits.

VHB will be entitled to rely on the accuracy of information provided by the Town, and will have no liability for utilizing such data that contains errors or omissions while completing these services.

SCOPE OF SERVICES

The following provides a summary of the scope of work for this assignment.

TASK 1 – FIELD RECONNAISSANCE

Under this task VHB will conduct field research needed to support the proposed project. Specifically, the following activities will be conducted:

Wetland Resource Area Delineation
VHB will delineate wetland and water body boundaries within the project limits of Woodland Road. These resource areas will be delineated in accordance with the Regional Supplement to the Corps of Engineers Wetland Delineation Manual: North Central and Northeast Region (2012), the MWPA Regulation (310 CMR 10.00), MADEP wetland delineation guidance document entitled "Delineating Bordering Vegetated Wetlands under the Massachusetts Wetlands Protection Act (March 1995)", and other wetland delineation requirements specified in applicable local wetland bylaws and implementing regulations. In addition to delineating wetland resources, VHB will locate each flag point with a hand-held GPS unit to sub meter accuracy.

At each wetland or water body delineated along the project limits, field notes, photo documentation, and

a sketch will be completed. The field notes will document dominant plant species, soil conditions, hydrologic conditions, and wildlife habitat features. Field notes will contain sufficient information to complete applicable wetland delineation data sheets if required at a later date. Wetlands along the project limits will be collected via GPS devices and noted on the field surveyed base plans. If resource areas outside the project limits need to be illustrated VHB will supplement with information from MassGIS.

Field Survey

VHB has previously collected a portion of the field survey as part of other work completed for the Town under a separate contract. VHB will perform a field survey to locate existing ground features for the remaining area along Woodland Road. Ted Lane to Oregon Road was not previously obtained and will be collected as part of this task. Field survey will be collected up to 10' from the edge of pavement and previous survey will be reviewed for any changes since it was last completed.

The survey will collect the locations of such features as; paved areas, curbing, landscaping, sidewalk, walls, surface utilities, etc. that are located within the limits of work. In addition, ground elevations will be taken at sufficient locations to produce one-foot (1') contours throughout the project limits. Benchmarks will be set approximately 500' intervals throughout the length of the roadway. Horizontal and vertical control will be based on the Massachusetts Grid System of 1983 and NAVD of 1988.

The Right of Way will be estimated from record layout plans. If layout plans are not available, the Right-of-Way will be shown graphically from research performed at the Town and Registry. Property lines along the ROW will be based on record deed or plan descriptions. If descriptions are vague and plans not available, the property lines will be shown graphically from existing Town layouts or GIS assessor maps. Monuments found in the field will be shown on the base plan; however, if monuments are not found in the field to establish property boundaries, and deed research is not sufficient, an Amendment to this Agreement could be required for supplemental survey and property calculations. Abutter names will be shown on the base plan with recording and assessor information.

Surface utilities within the limit of the roadway will be field located. Underground utilities will be shown from plans of record supplied by the utility companies. Drainage and sewer rims and inverts will be estimated and shown on the base plan. Sub-surface utility investigations were not previously conducted, nor will they be conducted under this Agreement. Subsurface utility investigations will be limited to Level D and C. Ground penetrating radar, test pits, probes, or other investigations meeting Level B or A will not be performed.

The survey will meet current MassDOT English standards including horizontal and vertical control. The previously prepared base plan will be updated with the new field information and drafted in an AutoCAD Civil 3D 2022 drawing format.

TASK 2 – PRELIMINARY DESIGN PHASE

VHB will prepare a preliminary sidewalk layout along Woodland Road with crosswalks and pedestrian curb ramps across intersecting roadways. As part of this Task, VHB will prepare the following plan sheets for the Town's review:

- Construction and Profile Plans;
- Traffic Signing and Striping Plans; and
- Critical Cross Sections (up to five anticipated).

TASK 3 – FINAL DESIGN PHASE

Following review of the Preliminary Design by the Town, VHB will incorporate agreed upon comments and advance the previously prepared plans to the Final Design stage. This will involve finalizing the horizontal and vertical roadway geometry, roadway grading and cross sections, and the proposed drainage with rims and inverts. In preparation of the Final Design Submission, the following plans will be prepared:

- Cover Sheet;
- Legend & General Notes;
- Typical Sections and Pavement Notes;
- Construction and Profile Plans;
- Grading and Tie Plans;
- Traffic Signing and Striping Plans;
- Traffic Sign Summary;
- Temporary Traffic Control Plans;
- Construction Details and
- Cross Sections (at 50-foot intervals and at driveways).

The following provides a summary of information to be provided as part of this final design:

Grading and Tie Plans
Plans will show relevant aspects of the horizontal geometry, curve geometry, roadway widths, station equations, horizontal offsets to the design centerline and spot grades.

Traffic Signing and Striping Plans
The traffic signing and striping plans will show pavement markings, signs, project limits and construction materials.

Traffic Management
VHB will finalize the temporary traffic control construction plans in accordance with the MUTCD to demonstrate a feasible means of constructing the project. The level of detail will recognize that the actual traffic management plan implemented by the contractor may vary.

Special Provisions & Construction Cost Estimate

VHB will prepare draft special provisions based on the latest edition of MassDOT's Standard Specifications for Highways and Bridges and Supplemental Specifications and check that each item in the estimate that is listed in the Standard Nomenclature with an asterisk (*) has a special provision. Special provisions to describe a specific or unique activity to be performed by the contractor will be drafted only when necessary. VHB will prepare a detailed estimate to a MassDOT format using MassDOT's Weighted Average Bid Application (WABA). To accompany the estimate, and be provided to the Town only, VHB will prepare a calculation book based on the latest edition of the Standard Nomenclature. VHB will check that each item of work shown on the plans has a pay item.

QAQC

Following the completion of the design documents, VHB will perform an internal review of the project plans, specifications and estimate by an experienced engineer who is not directly involved in the preparation of these documents. The review will focus on the practicality of constructing the project based on access to site, equipment needs and material properties.

Deliverables & Meetings

VHB will submit the Final Design Documents to the Town electronically in PDF and AutoCAD Civil 3D 2021 (plans only) file formats. VHB will also submit one (1) full size plot plans (size 24 inches x 36 inches).

TASK 4 – NOTICE OF INTENT (NOI)

A Notice of Intent (NOI) is anticipated to be filed with the local Conservation Commission due to work in the buffer zones near Carolyn Terrace. Two (2) meeting with the local Conservation Commission is budgeted. Up to two (2) VHB staff members are anticipated to attend this meeting. If more meetings are requested, more than two VHB staff are needed, supplemental graphics or response to peer review comments are needed, an Amendment to this contract may be required. The approved (by the Town) Preliminary Design Plans will be used for the NOI meeting.

TASK 5 – SCENIC ROAD APPLICATION

As Woodland Road is classified as a scenic road, VHB will prepare a Scenic Road Application for tree removal. One (1) VHB staff member will attend one (1) joint hearing with the Planning Board and Select Board. If more meetings are requested, more than one VHB staff is needed, supplemental graphics are needed, or significant design modifications are required an amendment to this contract will be required.

TASK 6 – MEETINGS AND COORDINATION

VHB anticipates attending three (3) meetings in addition to the three (3) meetings as part of Tasks 4 (NOI) and Task 5 (Scenic Road Application). The following meetings are anticipated:

1. One (1) meeting with Public Works Planning Board (or other review entity as directed by the Board of Selectmen) following completion of Task 2 (Preliminary Design).
2. One (1) meeting with abutters of Woodland Road following the meeting with the Public Works Planning Board or as directed by the Town. The Town will coordinate with notifying abutters of this

meeting.

3. A second meeting with Public Works Planning Board (or other review entity) following completion of Task 3 (Final Design) and Task 4 (Scenic Road Application).

For budgeting purposes, a total of six (6) hours has been budgeted for the three meetings under this task. One VHB staff member is anticipated to attend these meetings. If unanticipated meetings are requested, more than one VHB staff is needed, or supplemental graphics are needed, an Amendment to this contract will be required.

TASK 7 – CONSTRUCTION PHASE SERVICES (PART-TIME)

The following services will be provided by VHB as part of this task:

- Coordinate with the Town on preparing project contract documents for advertising in accordance with State and Town;
- Attend up to 4 construction meetings;
- Review shop drawings, Request for Information (RFI) from the contractor, and conduct a final punch list walk through and signal inspection upon the project reaching a substantially complete status advised by the Town; and
- Perform a cursory review Contractor pay requisitions, with input from the Town since VHB is not providing full-time construction phase services.

VHB will coordinate with the Town on the following part-time construction phase services. It is noted that VHB or its subconsultants may need input from the Town on certain shop drawings or RFIs, which VHB will be entitled to rely on the accuracy of information provided by the Town and will have no liability for utilizing such data that contains errors or omissions while completing these services. An allowance is being provided for this task as the construction process and duration of construction will not be known until the Town selects a contractor.

Limitation of Responsibilities: VHB will not supervise or have control over site safety and the Contractor's safety precautions or programs in connection with the work, nor for the Contractors' work, construction ways, means, methods, techniques, sequences or procedures selected by the Contractors in connection with the Work. VHB will not be responsible for the acts or omissions of any Contractor, or of any subcontractor or supplier, or any of the Contractor(s), or subcontractor's or supplier's agents or employees, or any other persons (except VHB's own employees and agents) at the site or otherwise furnishing or performing any of the Contractor(s)'s work.

Upon the time of construction, VHB will not have tested or evaluated existing materials anticipated to be excavated and disposed of (surplus materials) during construction. Nor has VHB budgeted in this Amendment to advise, coordinate, supervise, or oversee these efforts during construction. It will be the responsibility of the Town and the Contractor to coordinate the appropriate means to dispose of surplus materials.

- Bid Documents. VHB will work with the Town to prepare the final contract documents suitable for bidding by the Town. The Town will be responsible for advertising the project in CommBuys and the local newspaper. VHB will answer questions and make updates to the plans based on comments received by the Town. VHB has budgeted 24 hours to coordinate the bid document preparation.

- Bid Coordination, and Review of Bids. VHB will coordinate with the Town on answering questions from contractors on the bid documents during the bid process. In addition, VHB will prepare sketches or responses for addendums. Following the bidding process, VHB will coordinate with the Town on reviewing the high and low bids associated with the project. VHB will then prepare a letter summarizing our review for the Town recommending award of the project to a Contractor.

- Pre-Construction Conference. Following the review of bids and selection of a contractor, VHB will attend one (1) pre-construction conference to be schedule by the Town. This meeting is anticipated to be held at the Department of Public Works or on Woodland Road. Up to two VHB staff will attend the Pre-Construction Conference.

- Highway Shop Drawings. VHB and its subconsultants will review shop drawings associated with the project for general conformance to the contract documents, including signal catalog cuts for traffic signals, structural shop drawings, and other items.

- Furnish Advice and Field Visits. VHB will respond to RFIs from the Town or the contractor to clarify design intent, interpreting drawings and other contract documents, and specifications. VHB will conduct field visits during construction to provide clarification on design intent and assistance in addressing unforeseen conditions or similar matters, as requested by the Town. VHB has budgeted 24 hours to coordinate this process.

- Meetings and Coordination. VHB is also carrying a budget for coordination during construction. A budget is being allocated to attend construction meetings with the Town. This budget will supplement previous tasks. When possible, a field visit and meeting will be coordinated to minimize attending two separate meetings when it can be accommodated with one. VHB has budgeted 8 hours for up to four meetings.

SERVICES NOT INCLUDED

The following services are not anticipated and, therefore, have not been included in this Agreement:

- Traffic counts and traffic analyses.
- Signal warrant analyses.
- Intersection improvements or evaluations at Richards Road, Carolyn Terrace, Ted Lane, or Oregon Road.
- Design of any rain gardens, detention basins or green infrastructure.

- Coordination with Town boards not identified herein, such as Planning Board, Select Board or other.
- In accordance with Land Court procedures, preparation of preliminary or final right-of-way plans, layout plans, taking plans, and descriptions involving the alteration of Land Court parcels. Permanent easement or acquisition plans and coordination with the Registry of Deeds for the filing of any easements will be the responsibility of the Town.
- Recreating property boundaries or roadway layout lines if adequate documentation is not provided by the Town or through the registry of deeds or other sources.
- Investigation, identification testing, or analysis of hazardous waste or materials.
- Evaluation of existing culverts or design of new culverts, other than that described within this Scope of Work.
- Programmatic Section 4(f) Evaluation or preparation of an individual Programmatic Section 4(f).
- Street Lighting design or development of a photometric plan.
- Design of new culverts.
- Structural or geotechnical design services.
- Subsurface Utility Investigations (SUE) Level A or B (test pits, probes, ground penetrating radar, or other exploratory methods).
- VHB will not confirm or update the existing conditions of the previous survey other than the locations noted above. It is VHB understanding that these locations are the only changes.
- Preparation of a Request for Determination (RDA) or Notice of Intent (NOI).
- Preparation of an Environmental Notification Form (ENF) or other MEPA permitting. While not anticipated there are retaining walls and trees larger within the project limits. If five or more public shade trees (14" in diameter at breast height) or stone walls (300' or more) are removed as part of the project MEPA permitting would be required. At this time, these impacts are not anticipated.
- Hydrologic and Hydraulic reports or analysis.
- Permanent easements are not anticipated to be needed as part of this project. Temporary easements and rights of entries are not anticipated. If any easement plans or rights of entries are needed an Amendment will be required. This is for the entire project limits.

Should services be required in these areas, or areas not previously described, VHB will prepare a proposal or amendment, at the Town's request, that contains the Scope of Services, Compensation, and Schedule to complete the unanticipated services. The fees in this proposal may be subject to change if not accepted within 60 days from the date of issue.

COMPENSATION FOR VHB SERVICES

1. VHB will perform the Scope of Services contained in this Contract on a Lump Sum fee basis; which is defined as the fee for direct labor, overhead and profit including direct costs. The Maximum Upset Limit of this contract for this Scope of Services is $ 168,000 allocated approximately as follows:

	Maximum Labor Fees
Task 1 – Field Reconnaissance	**$ 25,000**
Task 2 – Preliminary Design Phase	**$ 30,000**
Task 3 – Final Design Phase	**$ 65,000**
Task 4 – Notice of Intent (NOI)	**$ 12,000**
Task 5 – Scenic Road Application	**$ 10,000**
Task 6 – Meetings	**$ 6,000**
Task 7 – Construction Phase Services (Part-Time)	**$ 20,000**
TOTAL CONTRACT VALUE:	**$ 168,000**

* In addition to the labor compensation, VHB will be reimbursed for expenditures made specifically for the project such as: printing and copies; travel/ mileage; shipping/ postage; and purchase of maps and similar documents. These direct expenses will be billed at cost and are covered in the lump sum tasks above. See note #4 below for police details.

2. The total Lump Sum Fee for services rendered in Tasks 1 thru 7 will be invoiced monthly as a percentage of completion.

3. VHB will not exceed the total estimated Lump Sum Fee as stated herein without the written approval of the Town.

4. ***The Town agrees to provide police services/ details as required for all field activities such as highway survey, field observations, construction, meetings, etc. as needed and requested by the Town. The Town will coordinate its schedule with the local police department for these services, and the Town will be responsible for payment of such services directly to the local police department. Expenses for such services are not part of this Agreement and, therefore, not included in the fee contained herein.***

PERIODS OF SERVICE

1. VHB will work with the Town to establish a schedule to complete the work outlined above. Services are dependent on the ability to conduct a field visit, observe existing conditions information and scheduling of field walks and meetings the Town (design reviews, NOI, etc.).

2. The specific period of performance, schedule, and compensation are subject to PART II - GENERAL TERMS AND CONDITIONS, 3.0 PERIODS OF SERVICE.

AGREEMENT REVIEW

Project Manager Initials: ***GJR***

Reviewer Initials: ***MJC***

STANDARD TERMS AND CONDITIONS. The engagement of VHB by Client is under the following terms and conditions. These terms and conditions are an integral part of the collective Agreement between Client and VHB.

SCOPE OF SERVICES. VHB shall perform the services set forth in the attached Scope of Services. Requests for additional services and any associated fee adjustment must be authorized in writing before additional services can begin.

PERFORMANCE STANDARDS. VHB's services require decisions that are not based upon science, but rather upon judgmental considerations. In the performance or furnishing of professional services hereunder, VHB, and those it is responsible for, shall exercise the degree of skill and care ordinarily exercised by similarly practicing professionals performing similar services under similar conditions in the same locality ("Standard of Care"). VHB shall be entitled to rely on the accuracy and completeness of data, reports, surveys, requirements, and other information provided by Client.

SCHEDULE. VHB shall perform its services as set forth in the Scope of Services as expeditiously as consistent with the Standard of Care and the orderly progress of the Work. VHB shall not be responsible for failure to perform or for delays in the services arising out of factors beyond the reasonable control or without the fault or negligence of VHB.

PAYMENT. The fee estimate for the proposed Scope of Services is valid for 60 days from the date of Proposal. All schedules set forth in the attached Scope of Services commence upon receipt of a signed Agreement and, if requested, a retainer. Retainers will be applied to the last invoice. A RETAINER OF $[ ] IS REQUIRED BEFORE SERVICES WILL COMMENCE.

Invoices will be rendered monthly and are due upon receipt. Any invoice unpaid more than 30 days after date of invoice will bear interest at 1-1/2 percent per month.

If Client fails to pay any invoice within 45 days of the date of invoice, VHB may, without waiving any other claim or right against Client or incurring any liability for delay, suspend the services until VHB has been paid in full. Sealed plans, final documents, reports, and attendance at meetings/hearings will not be provided unless payment for services is current.

If VHB is performing services for Client under multiple projects, payments must be current on all projects for services hereunder to continue. Client acknowledges VHB's right to suspend services and withhold plans and documents, as provided above, if any payments are overdue. If services are suspended for 30 days or longer, upon resuming services VHB shall be entitled to expenses incurred in the interruption and resumption of its services. If services are suspended for 90 days or longer, VHB shall be entitled to expenses incurred in the interruption and resumption of its services and fees for remaining services shall be equitably adjusted.

The parties agree to coordinate invoices to assure timely payment. At minimum, VHB's project manager and Client's representative will confer as often as necessary about any issues involving invoicing and collections. Client's representative will contact VHB's project manager forthwith upon receipt of an invoice about any questions or issues concerning invoiced amounts. If Client's representative and VHB's project manager are unable to resolve any questions or issues, Client's representative will line item any disputed or questionable amount and pay VHB. VHB, at its option, may revise and resubmit disputed amounts at a later date.

Should it become necessary to utilize legal or other resources to collect any or all monies rightfully due for services rendered under this Agreement, VHB shall be entitled to full reimbursement of all such costs, including reasonable attorneys' fees, as part of this Agreement.

OWNERSHIP OF WORK PRODUCT. All work products (whether in hard or electronic form) prepared by VHB pursuant to the Agreement are instruments of service with respect to the Project and are not authorized, intended or represented to be suitable for reuse by Client or others on extensions of the Project or on any other Project. Any reuse by Client or a third person or entity authorized by Client without written verification or adaptation by VHB for the specific application will be at Client's sole risk and without liability or legal exposure to VHB. Client shall release, defend, indemnify and hold harmless VHB from all claims, damages, losses and expenses, including attorneys' fees, arising out of or resulting therefrom. Any such verification or adaptation will entitle VHB to additional compensation at rates to be agreed upon by VHB and Client, third person, or entity seeking to reuse said documents.

Client recognizes that information recorded on or transmitted as electronic media, including CADD documents ("Electronic Documents") is subject to undetectable alteration, either intentional or unintentional, due to, among other causes, transmission, conversion, media degradation, software error, or human alteration. Accordingly, the Electronic Documents are provided to Client for informational purposes only and are not represented as suitable for any use or purpose.

VHB retains the copyright in all work products produced in connection with this Agreement, unless otherwise agreed to in writing by an authorized VHB representative. VHB licenses to Client on a non-exclusive basis the use of work products produced solely in connection with this Agreement. The license

may be revoked for any failure of Client to perform under this Agreement.

CERTIFICATIONS. VHB shall not be required to sign any documents, no matter by whom requested, that would result in VHB having to certify, guarantee or warrant the existence of conditions whose existence VHB cannot wholly ascertain. Any certification provided by VHB shall be so provided based on VHB's knowledge, information, and belief subject to the preceding sentence, and shall reflect no greater certainty than VHB's professional opinion developed through and consistent with the Standard of Care. VHB shall be compensated for any work necessary to assess project compliance with regulatory standards for purposes of such certification.

INSURANCE. VHB agrees to carry the following insurance during the term of this Agreement:

- Workmen's Compensation and Employer's Liability Insurance in compliance with statutory limits
- Comprehensive General Liability Insurance including Products Completed, Contractual, Property, and Personal Injury coverage with combined single limits of $1,000,000 per occurrence and $2,000,000 in the aggregate
- Professional Liability Insurance with a limit of $1,000,000 per claim and in the aggregate
- Automobile Liability Insurance including non-owned and hired automobiles with a combined single limit of $1,000,000 per occurrence

Certificates of insurance will be furnished upon request. If Client requires additional insurance coverage, and it is available, Client agrees to reimburse VHB for such additional expense.

INDEMNITY. Client and VHB shall at all times indemnify and save harmless each other, their officers, and employees on account of damages, losses, expenses, reasonable counsel fees, and compensation arising out of any claims for damages, personal injuries and/or property losses sustained by any person or entity, to the extent caused by the negligent acts, errors or omissions of the indemnifying party, its employees, or subcontractors in connection with the Project, and/or under this Agreement.

Client agrees to the fullest extent permitted by law, to indemnify and hold harmless VHB, its officers, employees and subconsultants from and against any and all claims, suits, demands, liabilities costs including reasonable attorneys' fees, and defense costs caused by, arising out of, or in any way connected with the detection, presence, handling, removal, abatement, or disposal of any asbestos or hazardous or toxic substances, products, or material that exist on, about, or adjacent to the job site.

LIMITATION ON VHB'S RESPONSIBILITY AND JOBSITE SAFETY. VHB will not be responsible for the acts or omissions of contractors or others at the Site, except for its own subcontractors and employees. Neither the professional activities of VHB nor the presence of VHB or its employees or subconsultants at a project site shall relieve the other parties on this project of their obligations, duties, and, including, but not limited to, construction means, methods, sequence, techniques, or procedures necessary for performing, superintending, and coordinating the Work in accordance with the contract documents and any health or safety precautions required by any regulatory agencies. VHB and its personnel have no authority to exercise any control over any construction contractor or its employees in connection with their work or any health or safety programs or procedures. Client agrees that Contractor shall be solely responsible for job site safety and warrants that this intent shall be carried out in Client's contract with Contractor.

ALLOCATION OF RISK. In recognition of the relative risks and benefits of the Project to both Client and VHB, the risks have been allocated such that Client agrees that to the fullest extent permitted by law, VHB's total liability in the aggregate to Client and any persons or entities claiming by, through or under Client, for any and all injuries, claims, losses, expenses, or damages whatsoever arising out of or in any way related to the Project and/or this Agreement from any cause or causes, including, but not limited to, VHB's negligence, errors, omissions, strict liability, statutory liability, indemnity obligation, breach of contract or breach of warranty shall not exceed the higher of $50,000 (fifty thousand dollars), or ten (10) percent of the compensation actually paid to VHB. Client and VHB may agree to a higher limitation of liability for an increased fee.

DISPUTE RESOLUTION. All questions in dispute under this Agreement shall be submitted to non-binding mediation as a condition precedent to the institution of legal proceedings. On the written notice of either party to the other of the election to submit any dispute under this Agreement to mediation, each party shall designate their representative and shall meet within ten (10) days after the service of the notice. The parties shall then attempt to resolve the dispute within ten (10) days of meeting. Should the parties be unable to agree on a resolution of the dispute, then the parties shall proceed with mediation in accordance with the mediation rules of the American Arbitration Association. The cost of mediation shall be borne equally by both parties. This Agreement shall be governed and construed in accordance with the laws of the Commonwealth of Massachusetts.

LEGAL SUPPORT. To the extent VHB is required to respond to any dispute resolution process, including, but not limited to, requests for document production, discovery or a request to appear in any deposition or legal proceeding, which is related to the Scope of Services but does not arise out of VHB's negligent

acts, errors or omissions, Client shall compensate VHB for all costs incurred by VHB, including reasonable attorneys' fees.

DESCRIPTIVE HEADINGS AND COUNTERPARTS. The headings contained in this Agreement are for convenience of reference only and shall not constitute a part hereof, or define, limit or in any way affect the meaning of any of the terms or provisions hereof. This Agreement may be executed in two or more counterparts, and any party hereto may execute any such counterpart, which, when executed and delivered, shall be deemed to be an original and all of such counterparts taken together shall be deemed to be one and the same instrument.

EXCLUSIVE REMEDIES. In the event that any dispute is not remedied through the alternative dispute resolution procedures set forth herein, all claims, actions, and rights of action arising from or relating in any way to this Agreement or the services performed thereunder, whether in contract, tort, indemnity and all other rights of action whatsoever, shall be filed in a court of competent jurisdiction within three years of the completion of such services, or all such claims, actions and rights of action shall be waived. Recovery under this Agreement shall be limited by the parties' agreement on Allocation of Risk and the remainder of this section.

Notwithstanding any other provision of this Agreement, neither party shall be liable to the other for any liquidated, incidental, special, indirect or other consequential damages incurred, regardless of the nature of the cause or whether caused by Client or VHB, or their employees, subconsultants, or subcontractors. Consequential damages include, without limitation, loss of use, loss of profits, loss of production, or business interruption; however, the same may be caused.

VHB and Client waive all claims against each other arising out of or related to this Agreement or the services to the extent that losses, damages, and liabilities associated with such claims have been compensated by the proceeds of property insurance or any other insurance policy.

VHB makes no warranties or guarantees, express or implied, under this Agreement or any other contract document with respect to its provision of professional services. In entering into this Agreement, Client has relied only upon the representations set forth in this Agreement. No verbal warranties, representations, or statements shall be considered a part of this Agreement or a basis upon which Client relied in entering into this Agreement.

NO THIRD PARTY BENEFICIARIES. Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either Client or VHB. In addition, nothing herein shall be construed as creating a contractual relationship between Client and any VHB employee, representative, or consultant. Client agrees that in the event of a dispute regarding this Agreement or the services rendered by VHB hereunder, Client shall only seek recourse against VHB and waives any right to pursue a claim against VHB's individual directors, officers or employees.

VHB's commitments as set forth in this Agreement are based on the expectation that all of the services described in this Agreement will be provided. In the event Client later elects to reduce VHB's Scope of Services, Client hereby agrees to release, hold harmless, defend, and indemnify VHB from any and all claims, damages, losses or costs associated with or arising out of such reduction in services.

SEVERABILITY. The invalidity or unenforceability of any provisions of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect.

TAXES. Any taxes or fees, enacted by local, state, or federal government and based on gross receipts or revenues, will be invoiced to and payable by Client as an additional amount due under this Agreement.

PROJECT SPECIFIC PROVISIONS. To the extent the Scope of Services involves any of the following services/geographies, the following general provisions apply accordingly:

AMERICANS WITH DISABILITIES ACT (ADA). Client understands and agrees that ADA standards are evolving and subject to varying, potentially contradictory interpretations and applications. VHB will use its reasonable professional efforts and judgment to interpret applicable ADA requirements and other federal, state and local laws, rules, codes, ordinances, and regulations as they apply to the project. VHB cannot and does not warrant or guarantee that Client's Project will comply with all ADA requirements or ADA interpretations or other applicable regulatory interpretations.

CLIMATE CHANGE/FLOOD ANALYSIS. Consultant shall not be responsible or liable for any damages, losses, litigation, expenses, counsel fees and compensation arising out of any claims, damages, personal injuries and/or property losses related to flooding conditions whether directly or indirectly due to flood water damage, and Client shall at all times indemnify and hold harmless VHB, its respective officers, agents and employees on account of any related claims, damages, losses, expenses and counsel fees related thereto.

CONSTRUCTION PHASE SERVICES

SITE VISITS. VHB shall make periodic site visits upon the request of Client or as otherwise agreed in writing by Client and VHB for

the limited purpose of determining whether work is in general conformance with VHB's plans and specifications. Such visits are not intended to be an exhaustive check or a detailed inspection of Contractor's work. VHB shall not supervise or have control over Contractor's work nor have any responsibility for construction ways, means, methods, techniques, sequences, or procedures selected by Contractor nor for Contractor's safety precautions or programs in connection with the Work.

SHOP DRAWINGS. VHB's review and approval of submittals such as shop drawings, product data, samples, and other data, shall be for the limited purpose of checking for conformance with the design concept and the information in VHB's documents. This review shall not include review of the accuracy or completeness of details, such as quantities, dimensions, weights or gauges, fabrication processes, construction means or methods, coordination of the work with other trades, or construction safety precautions, all of which are the sole responsibility of Contractor and other unrelated parties. Review of a specific item shall not indicate that VHB has reviewed the entire assembly of which the item is a component. VHB shall not be responsible for any deviations from VHB's documents or other documents that are not brought to the attention of VHB in writing by Contractor. VHB shall not be required to review partial submissions or those for which submission of correlated items have not been received.

GEOTECHNICAL SERVICES. Client understands that VHB does not perform geotechnical services directly and, if requested, will retain a geotechnical subconsultant on behalf of Client, and VHB shall rely on the accuracy and completeness of data furnished as if the geotechnical services were contracted directly through Client.

TANK INSPECTION. Client will provide VHB with available underground storage tank (UST) documentation as necessary. VHB assumes that the documentation and site plans will be in order, be complete and meet regulatory compliance standards. VHB's inspection services are to fulfill regulatory requirements and do not include invasive testing or equipment calibration and testing. Accordingly, Client expressly agrees that VHB shall have no liability for equipment functioning or malfunctioning, product releases or spills.

LSP SERVICES – PROJECTS LOCATED IN MASSACHUSETTS. In accordance with the Massachusetts General Laws Chapter 21E, the performance of the services contained in this Agreement may require the engagement of a Licensed Site Professional (LSP) registered with the Commonwealth of Massachusetts under Massachusetts General Law Chapter 21A and the regulations promulgated by the Massachusetts Department of Environmental Protection (MADEP) thereunder (collectively the LSP Program). These laws and regulations place upon the LSP certain professional obligations owed to the public, including in some instances a duty to disclose the existence of certain environmental contaminants to the MADEP. In the event that any site for which VHB has provided LSP services is audited by MADEP pursuant to the provisions of the Massachusetts Contingency Plan, VHB shall be entitled to additional compensation to provide such services as may be necessary to assist Client in its response to MADEP.

Client understands and acknowledges that in the event the LSP's obligations under the LSP Program conflict in any way with the terms and conditions of this Agreement or the wishes or intentions of Client, the LSP is bound by law to comply with the requirements of the LSP Program. Accordingly, Client recognizes that the LSP shall be immune for all civil liability resulting from any alleged and/or actual conflict with the LSP Program. Client also agrees to hold VHB and its LSP harmless for any claims, losses, damages, fines, or administrative, civil, or criminal penalties resulting from the LSP's fulfillment of its obligations under the LSP Program.

PROJECTS LOCATED IN FLORIDA. FLORIDA STATUTES SECTION 558.0035 (2013), AN INDIVIDUAL EMPLOYEE OR AGENT MAY NOT BE HELD INDIVIDUALLY LIABLE FOR ECONOMIC DAMAGES RESULTING FROM NEGLIGENCE OCCURRING WITHIN THE COURSE AND SCOPE OF THIS AGREEMENT.

CONTRACT FOR PROFESSIONAL SERVICES
BETWEEN
VANASSE HANGEN BRUSTLIN, INC.
AND
THE TOWN OF SOUTHBOROUGH

PARKERVILLE ROAD (SOUTH)
SIDEWALK IMPROVEMENT PROJECT
INTERSTATE 90 (MASSACHUSETTS TURNPIKE) TO MIDDLE ROAD

VHB PROPOSAL NO. 83321.24

APRIL 23, 2024

Vanasse Hangen Brustlin, Inc. (VHB), hereinafter called the "Engineer", will provide engineering consulting services to the Town of Southborough, hereinafter called the "Town", for the Parkerville Road (South) Sidewalk Improvement Project as set forth in this Scope of Services.

PART I
PROJECT DESCRIPTION

At the request of the Town, VHB is providing the following proposal to design new sidewalks along Parkerville Road, within the municipal layout, between Interstate 90 (Massachusetts Turnpike) and Middle Road. Based on existing conditions, it is expected that the proposed sidewalk will be located on the east side of Parkerville Road and following the existing asphalt walkway that exists today which terminates at Hubley Lane. The intersections of Parkerville Road with Middle Road, Hubley Lane/Gilmore Road, Foxhill Drive and Alexandra Circle (all unsignalized) are part of the study area, but only minor geometric changes are anticipated to accommodate crosswalks and associated pedestrian curb ramps. Minor drainage improvements such as catch basins with deep sums will be considered as part of the project. Intersection and roadway reconstruction/ realignments are not anticipated and therefore not proposed.

This scope and fee have been prepared to follow a design process that seeks construction using the Town's American Rescue Plan Act of 2021 (ARPA), Chapter 90 allotment, Complete Streets or other local funds; however, design standards and plan format will follow Massachusetts Department of Transportation (MassDOT) guidelines. It is understood that the Scope of Services under this Agreement may be changed by actions of the Town and/or other project stakeholders. Changes to the project scope may require additional compensation or adjustments to the following scope and fee.

PROJECT LIMITS

The Project Limits along Parkerville Road run between the existing MassPike overpass to Middle Road for a total length of approximately 1,900 feet (0.36-miles). This location is Ranked 1 by the Town for using ARPA funds for new sidewalk construction in the Department of Public Works (DPW) memorandum provided to VHB dated February 9, 2024.

CLIENT-FURNISHED INFORMATION

It is understood that VHB will perform services under the sole direction of the Town. In the performance of these services, VHB will coordinate its efforts with those of other project team members, as required. The Town will provide VHB with project-related services and technical data including, but not limited to, the following:

- Any relevant data that supports existing conditions, utilities, pavement, property owners and boundaries, etc.
- Police detail services as required for field work, as needed (survey, pavement, etc.).
- Water, Drainage, and Sewer information and any other improvements within project limits.

VHB will be entitled to rely on the accuracy of information provided by the Town, and will have no liability for utilizing such data that contains errors or omissions while completing these services.

SCOPE OF SERVICES

The following provides a summary of the scope of work for this assignment.

TASK 1 – FIELD RECONNAISSANCE

Under this task VHB will conduct field research needed to support the proposed project. Specifically, the following activities will be conducted:

Field Survey
VHB will perform a field survey to locate existing ground features along between Interstate 90 (Massachusetts Turnpike) and Middle Road. Field survey will be collected up to 10' from the edge of pavement.

The survey will collect the locations of such features as; paved areas, curbing, landscaping, sidewalk, walls, surface utilities, etc. that are located within the limits of work. In addition, ground elevations will be taken at sufficient locations to produce one-foot (1') contours throughout the project limits. Benchmarks will be set approximately 500' intervals throughout the length of the roadway. Horizontal and vertical control will

be based on the Massachusetts Grid System of 1983 and NAVD of 1988.

Subsurface utility investigations will be limited to Level D and C. Ground penetrating radar, test pits, probes, or other investigations meeting Level B or A will not be performed.

The Right of Way will be estimated from record layout plans. If layout plans are not available, the Right-of-Way will be shown graphically from research performed at the Town and Registry. Property lines along the ROW will be based on record deed or plan descriptions. If descriptions are vague and plans not available, the property lines will be shown graphically from existing Town layouts or GIS assessor maps. Monuments found in the field will be shown on the base plan; however, if monuments are not found in the field to establish property boundaries, and deed research is not sufficient, an Amendment to this Agreement could be required for supplemental survey and property calculations. Abutter names will be shown on the base plan with recording and assessor information.

There were no wetland or water body resource areas identified within 200 feet of the project area. Therefore, Resource Area Delineation is not included in this scope of services.

The survey will meet current MassDOT English standards including horizontal and vertical control. The previously prepared base plan will be updated with the new field information and drafted in an AutoCAD Civil 3D 2022 drawing format.

TASK 2 – PRELIMINARY DESIGN PHASE

VHB will prepare a preliminary sidewalk layout along the easterly side of Parkerville Road with crosswalks and pedestrian curb ramps across intersecting roadways. As part of this Task, VHB will prepare the following plan sheets for the Town's review:

- Construction and Profile Plans;
- Traffic Signing and Striping Plans; and
- Critical Cross Sections (up to five anticipated).

TASK 3 – FINAL DESIGN PHASE

Following review of the Preliminary Design by the Town, VHB will incorporate agreed upon comments and advance the previously prepared plans to the Final Design stage. This will involve finalizing the horizontal and vertical roadway geometry, roadway grading and cross sections, and the proposed drainage with rims and inverts. In preparation of the Final Design Submission, the following plans will be prepared:

- Cover Sheet;
- Legend & General Notes;
- Typical Sections and Pavement Notes;
- Construction and Profile Plans;
- Grading and Tie Plans;

- Traffic Signing and Striping Plans;
- Traffic Sign Summary;
- Temporary Traffic Control Plans;
- Construction Details and
- Cross Sections (at 50-foot intervals and at driveways).

The following provides a summary of information to be provided as part of this final design :

Grading and Tie Plans
Plans will show relevant aspects of the horizontal geometry, curve geometry, roadway widths, station equations, horizontal offsets to the design centerline and spot grades.

Traffic Signing and Striping Plans
The traffic signing and striping plans will show pavement markings, signs, project limits and construction materials.

Traffic Management
VHB will finalize the temporary traffic control construction plans in accordance with the MUTCD to demonstrate a feasible means of constructing the project. The level of detail will recognize that the actual traffic management plan implemented by the contractor may vary.

Special Provisions & Construction Cost Estimate
VHB will prepare draft special provisions based on the latest edition of MassDOT's Standard Specifications for Highways and Bridges and Supplemental Specifications and check that each item in the estimate that is listed in the Standard Nomenclature with an asterisk (*) has a special provision. Special provisions to describe a specific or unique activity to be performed by the contractor will be drafted only when necessary. VHB will prepare a detailed estimate to a MassDOT format using MassDOT's Weighted Average Bid Application (WABA). To accompany the estimate, and be provided to the Town only, VHB will prepare a calculation book based on the latest edition of the Standard Nomenclature. VHB will check that each item of work shown on the plans has a pay item.

QAQC
Following the completion of the design documents, VHB will perform an internal review of the project plans, specifications and estimate by an experienced engineer who is not directly involved in the preparation of these documents. The review will focus on the practicality of constructing the project based on access to site, equipment needs and material properties.

Deliverables & Meetings
VHB will submit the Final Design Documents to the Town electronically in PDF and AutoCAD Civil 3D 2021 (plans only) file formats. VHB will also submit one (1) full size plot plans (size 24 inches x 36 inches).

TASK 4 – SCENIC ROAD APPLICATION

As Parkerville Road is classified as a scenic road, VHB will prepare a Scenic Road Application for tree removal. One (1) VHB staff member will attend one (1) joint hearing with the Planning Board and Select Board. If more meetings are requested, more than one VHB staff is needed, supplemental graphics are needed, or significant design modifications are required an amendment to this contract will be required.

TASK 5 – MEETINGS AND COORDINATION

VHB anticipates attending three (3) meetings in addition to the one (1) meeting Task 5 (Scenic Road Application). The following meetings are anticipated:

1. One (1) meeting with Public Works Planning Board (or other review entity as directed by the Board of Selectmen) following completion of Task 2 (Preliminary Design).
2. One (1) meeting with abutters of Parkerville Road following the meeting with the Public Works Planning Board or as directed by the Town. The Town will coordinate with notifying abutters of this meeting.
3. A second meeting with Public Works Planning Board (or other review entity) following completion of Task 3 (Final Design) and Task 4 (Scenic Road Application).

For budgeting purposes, a total of six (6) hours has been budgeted for the three meetings under this task. One VHB staff member is anticipated to attend these meetings. If unanticipated meetings are requested, more than one VHB staff is needed, or supplemental graphics are needed, an Amendment to this contract will be required.

TASK 6 – CONSTRUCTION PHASE SERVICES (PART-TIME)

The following services will be provided by VHB as part of this task:

- Coordinate with the Town on preparing project contract documents for advertising in accordance with State and Town;
- Attend up to 4 construction meetings;
- Review shop drawings, Request for Information (RFI) from the contractor, and conduct a final punch list walk through and signal inspection upon the project reaching a substantially complete status advised by the Town; and
- Perform a cursory review Contractor pay requisitions, with input from the Town since VHB is not providing full-time construction phase services.

VHB will coordinate with the Town on the following part-time construction phase services. It is noted that VHB or its subconsultants may need input from the Town on certain shop drawings or RFIs, which VHB will be entitled to rely on the accuracy of information provided by the Town and will have no liability for utilizing such data that contains errors or omissions while completing these services. An allowance is being provided for this task as the construction process and duration of construction will not be known until the Town selects a contractor.

Limitation of Responsibilities: VHB will not supervise or have control over site safety and the Contractor's safety precautions or programs in connection with the work, nor for the Contractors' work, construction ways, means, methods, techniques, sequences or procedures selected by the Contractors in connection with the Work. VHB will not be responsible for the acts or omissions of any Contractor, or of any subcontractor or supplier, or any of the Contractor(s), or subcontractor's or supplier's agents or employees, or any other persons (except VHB's own employees and agents) at the site or otherwise furnishing or performing any of the Contractor(s)'s work.

Upon the time of construction, VHB will not have tested or evaluated existing materials anticipated to be excavated and disposed of (surplus materials) during construction. Nor has VHB budgeted in this Amendment to advise, coordinate, supervise, or oversee these efforts during construction. It will be the responsibility of the Town and the Contractor to coordinate the appropriate means to dispose of surplus materials.

- Bid Documents. VHB will work with the Town to prepare the final contract documents suitable for bidding by the Town. The Town will be responsible for advertising the project in CommBuys and the local newspaper. VHB will answer questions and make updates to the plans based on comments received by the Town. VHB has budgeted 24 hours to coordinate the bid document preparation.

- Bid Coordination, and Review of Bids. VHB will coordinate with the Town on answering questions from contractors on the bid documents during the bid process. In addition, VHB will prepare sketches or responses for addendums. Following the bidding process, VHB will coordinate with the Town on reviewing the high and low bids associated with the project. VHB will then prepare a letter summarizing our review for the Town recommending award of the project to a Contractor.

- Pre-Construction Conference. Following the review of bids and selection of a contractor, VHB will attend one (1) pre-construction conference to be schedule by the Town. This meeting is anticipated to be held at the Department of Public Works or on Parkerville Road. Up to two VHB staff will attend the Pre-Construction Conference.

- Highway Shop Drawings. VHB and its subconsultants will review shop drawings associated with the project for general conformance to the contract documents, including signal catalog cuts for traffic signals, structural shop drawings, and other items.

- Furnish Advice and Field Visits. VHB will respond to RFIs from the Town or the contractor to clarify design intent, interpreting drawings and other contract documents, and specifications. VHB will conduct field visits during construction to provide clarification on design intent and assistance in addressing unforeseen conditions or similar matters, as requested by the Town. VHB has budgeted 24 hours to coordinate this process.

- Meetings and Coordination. VHB is also carrying a budget for coordination during construction. A budget is being allocated to attend construction meetings with the Town. This budget will

supplement previous tasks. When possible, a field visit and meeting will be coordinated to minimize attending two separate meetings when it can be accommodated with one. VHB has budgeted 8 hours for up to four meetings.

SERVICES NOT INCLUDED

The following services are not anticipated and, therefore, have not been included in this Agreement:

- Traffic counts and traffic analyses.
- Signal warrant analyses.
- Intersection improvements or evaluations at Middle Road, Alexandra Circle, Foxhill Drive, Gilmore Road, or Hubley Lane.
- Design of any rain gardens, detention basins or green infrastructure.
- Coordination with Town boards not identified herein, such as Planning Board, Select Board or other.
- In accordance with Land Court procedures, preparation of preliminary or final right-of-way plans, layout plans, taking plans, and descriptions involving the alteration of Land Court parcels. Permanent easement or acquisition plans and coordination with the Registry of Deeds for the filing of any easements will be the responsibility of the Town.
- Recreating property boundaries or roadway layout lines if adequate documentation is not provided by the Town or through the registry of deeds or other sources.
- Investigation, identification testing, or analysis of hazardous waste or materials.
- Evaluation of existing culverts or design of new culverts, other than that described within this Scope of Work.
- Programmatic Section 4(f) Evaluation or preparation of an individual Programmatic Section 4(f).
- Street Lighting design or development of a photometric plan.
- Design of new culverts.
- Structural or geotechnical design services.
- Subsurface Utility Investigations (SUE) Level A or B (test pits, probes, ground penetrating radar, or other exploratory methods).
- VHB will not confirm or update the existing conditions of the previous survey other than the locations noted above. It is VHB understanding that these locations are the only changes.
- Preparation of a Request for Determination (RDA) or Notice of Intent (NOI).
- Preparation of an Environmental Notification Form (ENF) or other MEPA permitting. While not anticipated there are retaining walls and trees larger within the project limits. If five or more public shade trees (14" in diameter at breast height) or stone walls (300' or more) are removed as part of the project MEPA permitting would be required. At this time, these impacts are not anticipated.
- Hydrologic and Hydraulic reports or analysis.
- Permanent easements are not anticipated to be needed as part of this project. Temporary easements and rights of entries are not anticipated. If any easement plans or rights of entries are needed an Amendment will be required. This is for the entire project limits.

Should services be required in these areas, or areas not previously described, VHB will prepare a proposal

or amendment, at the Town's request, that contains the Scope of Services, Compensation, and Schedule to complete the unanticipated services. The fees in this proposal may be subject to change if not accepted within 60 days from the date of issue.

COMPENSATION FOR VHB SERVICES

1. VHB will perform the Scope of Services contained in this Contract on a Lump Sum fee basis; which is defined as the fee for direct labor, overhead and profit including direct costs. The Maximum Upset Limit of this contract for this Scope of Services is $ 168,000 allocated approximately as follows:

	Maximum Labor Fees
Task 1 – Field Reconnaissance	**$ 33,000**
Task 2 – Preliminary Design Phase	**$ 27,000**
Task 3 – Final Design Phase	**$ 70,000**
Task 4 – Scenic Road Application	**$ 10,000**
Task 5 – Meetings and Coordination	**$ 8,000**
Task 6 – Construction Phase Services (Part-Time)	**$ 20,000**
TOTAL CONTRACT VALUE:	**$168,000**

* In addition to the labor compensation, VHB will be reimbursed for expenditures made specifically for the project such as: printing and copies; travel/ mileage; shipping/ postage; and purchase of maps and similar documents. These direct expenses will be billed at cost and are covered in the lump sum tasks above. See note #4 below for police details.

2. The total Lump Sum Fee for services rendered in Tasks 1 thru 6 will be invoiced monthly as a percentage of completion by task.

3. VHB will not exceed the total estimated Lump Sum Fee as stated herein without the written approval of the Town.

4. ***The Town agrees to provide police services/ details as required for all field activities such as highway survey, field observations, construction, meetings, etc. as needed and requested by the Town. The Town will coordinate its schedule with the local police department for these services, and the Town will be responsible for payment of such services directly to the local police department. Expenses for such services are not part of this Agreement and, therefore, not included in the fee contained herein.***

PERIODS OF SERVICE

1. VHB will work with the Town to establish a schedule to complete the work outlined above. Services are dependent on the ability to conduct a field visit, observe existing conditions information and scheduling of field walks and meetings the Town (design reviews, etc.).

2. The specific period of performance, schedule, and compensation are subject to PART II - GENERAL TERMS AND CONDITIONS, 3.0 PERIODS OF SERVICE.

AGREEMENT REVIEW

Project Manager Initials: ***GJR***

Reviewer Initials: ***MJC***

STANDARD TERMS AND CONDITIONS. The engagement of VHB by Client is under the following terms and conditions. These terms and conditions are an integral part of the collective Agreement between Client and VHB.

SCOPE OF SERVICES. VHB shall perform the services set forth in the attached Scope of Services. Requests for additional services and any associated fee adjustment must be authorized in writing before additional services can begin.

PERFORMANCE STANDARDS. VHB's services require decisions that are not based upon science, but rather upon judgmental considerations. In the performance or furnishing of professional services hereunder, VHB, and those it is responsible for, shall exercise the degree of skill and care ordinarily exercised by similarly practicing professionals performing similar services under similar conditions in the same locality ("Standard of Care"). VHB shall be entitled to rely on the accuracy and completeness of data, reports, surveys, requirements, and other information provided by Client.

SCHEDULE. VHB shall perform its services as set forth in the Scope of Services as expeditiously as consistent with the Standard of Care and the orderly progress of the Work. VHB shall not be responsible for failure to perform or for delays in the services arising out of factors beyond the reasonable control or without the fault or negligence of VHB.

PAYMENT. The fee estimate for the proposed Scope of Services is valid for 60 days from the date of Proposal. All schedules set forth in the attached Scope of Services commence upon receipt of a signed Agreement and, if requested, a retainer. Retainers will be applied to the last invoice. A RETAINER OF $[ ] IS REQUIRED BEFORE SERVICES WILL COMMENCE.

Invoices will be rendered monthly and are due upon receipt. Any invoice unpaid more than 30 days after date of invoice will bear interest at 1-1/2 percent per month.

If Client fails to pay any invoice within 45 days of the date of invoice, VHB may, without waiving any other claim or right against Client or incurring any liability for delay, suspend the services until VHB has been paid in full. Sealed plans, final documents, reports, and attendance at meetings/hearings will not be provided unless payment for services is current.

If VHB is performing services for Client under multiple projects, payments must be current on all projects for services hereunder to continue. Client acknowledges VHB's right to suspend services and withhold plans and documents, as provided above, if any payments are overdue. If services are suspended for 30 days or longer, upon resuming services VHB shall be entitled to expenses incurred in the interruption and resumption of its services. If services are suspended for 90 days or longer, VHB shall be entitled to expenses incurred in the interruption and resumption of its services and fees for remaining services shall be equitably adjusted.

The parties agree to coordinate invoices to assure timely payment. At minimum, VHB's project manager and Client's representative will confer as often as necessary about any issues involving invoicing and collections. Client's representative will contact VHB's project manager forthwith upon receipt of an invoice about any questions or issues concerning invoiced amounts. If Client's representative and VHB's project manager are unable to resolve any questions or issues, Client's representative will line item any disputed or questionable amount and pay VHB. VHB, at its option, may revise and resubmit disputed amounts at a later date.

Should it become necessary to utilize legal or other resources to collect any or all monies rightfully due for services rendered under this Agreement, VHB shall be entitled to full reimbursement of all such costs, including reasonable attorneys' fees, as part of this Agreement.

OWNERSHIP OF WORK PRODUCT. All work products (whether in hard or electronic form) prepared by VHB pursuant to the Agreement are instruments of service with respect to the Project and are not authorized, intended or represented to be suitable for reuse by Client or others on extensions of the Project or on any other Project. Any reuse by Client or a third person or entity authorized by Client without written verification or adaptation by VHB for the specific application will be at Client's sole risk and without liability or legal exposure to VHB. Client shall release, defend, indemnify and hold harmless VHB from all claims, damages, losses and expenses, including attorneys' fees, arising out of or resulting therefrom. Any such verification or adaptation will entitle VHB to additional compensation at rates to be agreed upon by VHB and Client, third person, or entity seeking to reuse said documents.

Client recognizes that information recorded on or transmitted as electronic media, including CADD documents ("Electronic Documents") is subject to undetectable alteration, either intentional or unintentional, due to, among other causes, transmission, conversion, media degradation, software error, or human alteration. Accordingly, the Electronic Documents are provided to Client for informational purposes only and are not represented as suitable for any use or purpose.

VHB retains the copyright in all work products produced in connection with this Agreement, unless otherwise agreed to in writing by an authorized VHB representative. VHB licenses to Client on a non-exclusive basis the use of work products produced solely in connection with this Agreement. The license

may be revoked for any failure of Client to perform under this Agreement.

CERTIFICATIONS. VHB shall not be required to sign any documents, no matter by whom requested, that would result in VHB having to certify, guarantee or warrant the existence of conditions whose existence VHB cannot wholly ascertain. Any certification provided by VHB shall be so provided based on VHB's knowledge, information, and belief subject to the preceding sentence, and shall reflect no greater certainty than VHB's professional opinion developed through and consistent with the Standard of Care. VHB shall be compensated for any work necessary to assess project compliance with regulatory standards for purposes of such certification.

INSURANCE. VHB agrees to carry the following insurance during the term of this Agreement:

- Workmen's Compensation and Employer's Liability Insurance in compliance with statutory limits
- Comprehensive General Liability Insurance including Products Completed, Contractual, Property, and Personal Injury coverage with combined single limits of $1,000,000 per occurrence and $2,000,000 in the aggregate
- Professional Liability Insurance with a limit of $1,000,000 per claim and in the aggregate
- Automobile Liability Insurance including non-owned and hired automobiles with a combined single limit of $1,000,000 per occurrence

Certificates of insurance will be furnished upon request. If Client requires additional insurance coverage, and it is available, Client agrees to reimburse VHB for such additional expense.

INDEMNITY. Client and VHB shall at all times indemnify and save harmless each other, their officers, and employees on account of damages, losses, expenses, reasonable counsel fees, and compensation arising out of any claims for damages, personal injuries and/or property losses sustained by any person or entity, to the extent caused by the negligent acts, errors or omissions of the indemnifying party, its employees, or subcontractors in connection with the Project, and/or under this Agreement.

Client agrees to the fullest extent permitted by law, to indemnify and hold harmless VHB, its officers, employees and subconsultants from and against any and all claims, suits, demands, liabilities costs including reasonable attorneys' fees, and defense costs caused by, arising out of, or in any way connected with the detection, presence, handling, removal, abatement, or disposal of any asbestos or hazardous or toxic substances, products, or material that exist on, about, or adjacent to the job site.

LIMITATION ON VHB'S RESPONSIBILITY AND JOBSITE SAFETY. VHB will not be responsible for the acts or omissions of contractors or others at the Site, except for its own subcontractors and employees. Neither the professional activities of VHB nor the presence of VHB or its employees or subconsultants at a project site shall relieve the other parties on this project of their obligations, duties, and, including, but not limited to, construction means, methods, sequence, techniques, or procedures necessary for performing, superintending, and coordinating the Work in accordance with the contract documents and any health or safety precautions required by any regulatory agencies. VHB and its personnel have no authority to exercise any control over any construction contractor or its employees in connection with their work or any health or safety programs or procedures. Client agrees that Contractor shall be solely responsible for job site safety and warrants that this intent shall be carried out in Client's contract with Contractor.

ALLOCATION OF RISK. In recognition of the relative risks and benefits of the Project to both Client and VHB, the risks have been allocated such that Client agrees that to the fullest extent permitted by law, VHB's total liability in the aggregate to Client and any persons or entities claiming by, through or under Client, for any and all injuries, claims, losses, expenses, or damages whatsoever arising out of or in any way related to the Project and/or this Agreement from any cause or causes, including, but not limited to, VHB's negligence, errors, omissions, strict liability, statutory liability, indemnity obligation, breach of contract or breach of warranty shall not exceed the higher of $50,000 (fifty thousand dollars), or ten (10) percent of the compensation actually paid to VHB. Client and VHB may agree to a higher limitation of liability for an increased fee.

DISPUTE RESOLUTION. All questions in dispute under this Agreement shall be submitted to non-binding mediation as a condition precedent to the institution of legal proceedings. On the written notice of either party to the other of the election to submit any dispute under this Agreement to mediation, each party shall designate their representative and shall meet within ten (10) days after the service of the notice. The parties shall then attempt to resolve the dispute within ten (10) days of meeting. Should the parties be unable to agree on a resolution of the dispute, then the parties shall proceed with mediation in accordance with the mediation rules of the American Arbitration Association. The cost of mediation shall be borne equally by both parties. This Agreement shall be governed and construed in accordance with the laws of the Commonwealth of Massachusetts.

LEGAL SUPPORT. To the extent VHB is required to respond to any dispute resolution process, including, but not limited to, requests for document production, discovery or a request to appear in any deposition or legal proceeding, which is related to the Scope of Services but does not arise out of VHB's negligent

acts, errors or omissions, Client shall compensate VHB for all costs incurred by VHB, including reasonable attorneys' fees.

DESCRIPTIVE HEADINGS AND COUNTERPARTS. The headings contained in this Agreement are for convenience of reference only and shall not constitute a part hereof, or define, limit or in any way affect the meaning of any of the terms or provisions hereof. This Agreement may be executed in two or more counterparts, and any party hereto may execute any such counterpart, which, when executed and delivered, shall be deemed to be an original and all of such counterparts taken together shall be deemed to be one and the same instrument.

EXCLUSIVE REMEDIES. In the event that any dispute is not remedied through the alternative dispute resolution procedures set forth herein, all claims, actions, and rights of action arising from or relating in any way to this Agreement or the services performed thereunder, whether in contract, tort, indemnity and all other rights of action whatsoever, shall be filed in a court of competent jurisdiction within three years of the completion of such services, or all such claims, actions and rights of action shall be waived. Recovery under this Agreement shall be limited by the parties' agreement on Allocation of Risk and the remainder of this section.

Notwithstanding any other provision of this Agreement, neither party shall be liable to the other for any liquidated, incidental, special, indirect or other consequential damages incurred, regardless of the nature of the cause or whether caused by Client or VHB, or their employees, subconsultants, or subcontractors. Consequential damages include, without limitation, loss of use, loss of profits, loss of production, or business interruption; however, the same may be caused.

VHB and Client waive all claims against each other arising out of or related to this Agreement or the services to the extent that losses, damages, and liabilities associated with such claims have been compensated by the proceeds of property insurance or any other insurance policy.

VHB makes no warranties or guarantees, express or implied, under this Agreement or any other contract document with respect to its provision of professional services. In entering into this Agreement, Client has relied only upon the representations set forth in this Agreement. No verbal warranties, representations, or statements shall be considered a part of this Agreement or a basis upon which Client relied in entering into this Agreement.

NO THIRD PARTY BENEFICIARIES. Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either Client or VHB. In addition, nothing herein shall be construed as creating a contractual relationship between Client and any VHB employee, representative, or consultant. Client agrees that in the event of a dispute regarding this Agreement or the services rendered by VHB hereunder, Client shall only seek recourse against VHB and waives any right to pursue a claim against VHB's individual directors, officers or employees.

VHB's commitments as set forth in this Agreement are based on the expectation that all of the services described in this Agreement will be provided. In the event Client later elects to reduce VHB's Scope of Services, Client hereby agrees to release, hold harmless, defend, and indemnify VHB from any and all claims, damages, losses or costs associated with or arising out of such reduction in services.

SEVERABILITY. The invalidity or unenforceability of any provisions of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect.

TAXES. Any taxes or fees, enacted by local, state, or federal government and based on gross receipts or revenues, will be invoiced to and payable by Client as an additional amount due under this Agreement.

PROJECT SPECIFIC PROVISIONS. To the extent the Scope of Services involves any of the following services/geographies, the following general provisions apply accordingly:

AMERICANS WITH DISABILITIES ACT (ADA). Client understands and agrees that ADA standards are evolving and subject to varying, potentially contradictory interpretations and applications. VHB will use its reasonable professional efforts and judgment to interpret applicable ADA requirements and other federal, state and local laws, rules, codes, ordinances, and regulations as they apply to the project. VHB cannot and does not warrant or guarantee that Client's Project will comply with all ADA requirements or ADA interpretations or other applicable regulatory interpretations.

CLIMATE CHANGE/FLOOD ANALYSIS. Consultant shall not be responsible or liable for any damages, losses, litigation, expenses, counsel fees and compensation arising out of any claims, damages, personal injuries and/or property losses related to flooding conditions whether directly or indirectly due to flood water damage, and Client shall at all times indemnify and hold harmless VHB, its respective officers, agents and employees on account of any related claims, damages, losses, expenses and counsel fees related thereto.

CONSTRUCTION PHASE SERVICES

SITE VISITS. VHB shall make periodic site visits upon the request of Client or as otherwise agreed in writing by Client and VHB for

the limited purpose of determining whether work is in general conformance with VHB's plans and specifications. Such visits are not intended to be an exhaustive check or a detailed inspection of Contractor's work. VHB shall not supervise or have control over Contractor's work nor have any responsibility for construction ways, means, methods, techniques, sequences, or procedures selected by Contractor nor for Contractor's safety precautions or programs in connection with the Work.

SHOP DRAWINGS. VHB's review and approval of submittals such as shop drawings, product data, samples, and other data, shall be for the limited purpose of checking for conformance with the design concept and the information in VHB's documents. This review shall not include review of the accuracy or completeness of details, such as quantities, dimensions, weights or gauges, fabrication processes, construction means or methods, coordination of the work with other trades, or construction safety precautions, all of which are the sole responsibility of Contractor and other unrelated parties. Review of a specific item shall not indicate that VHB has reviewed the entire assembly of which the item is a component. VHB shall not be responsible for any deviations from VHB's documents or other documents that are not brought to the attention of VHB in writing by Contractor. VHB shall not be required to review partial submissions or those for which submission of correlated items have not been received.

GEOTECHNICAL SERVICES. Client understands that VHB does not perform geotechnical services directly and, if requested, will retain a geotechnical subconsultant on behalf of Client, and VHB shall rely on the accuracy and completeness of data furnished as if the geotechnical services were contracted directly through Client.

TANK INSPECTION. Client will provide VHB with available underground storage tank (UST) documentation as necessary. VHB assumes that the documentation and site plans will be in order, be complete and meet regulatory compliance standards. VHB's inspection services are to fulfill regulatory requirements and do not include invasive testing or equipment calibration and testing. Accordingly, Client expressly agrees that VHB shall have no liability for equipment functioning or malfunctioning, product releases or spills.

LSP SERVICES – PROJECTS LOCATED IN MASSACHUSETTS. In accordance with the Massachusetts General Laws Chapter 21E, the performance of the services contained in this Agreement may require the engagement of a Licensed Site Professional (LSP) registered with the Commonwealth of Massachusetts under Massachusetts General Law Chapter 21A and the regulations promulgated by the Massachusetts Department of Environmental Protection (MADEP) thereunder (collectively the LSP Program). These laws and regulations place upon the LSP certain professional obligations owed to the public, including in some instances a duty to disclose the existence of certain environmental contaminants to the MADEP. In the event that any site for which VHB has provided LSP services is audited by MADEP pursuant to the provisions of the Massachusetts Contingency Plan, VHB shall be entitled to additional compensation to provide such services as may be necessary to assist Client in its response to MADEP.

Client understands and acknowledges that in the event the LSP's obligations under the LSP Program conflict in any way with the terms and conditions of this Agreement or the wishes or intentions of Client, the LSP is bound by law to comply with the requirements of the LSP Program. Accordingly, Client recognizes that the LSP shall be immune for all civil liability resulting from any alleged and/or actual conflict with the LSP Program. Client also agrees to hold VHB and its LSP harmless for any claims, losses, damages, fines, or administrative, civil, or criminal penalties resulting from the LSP's fulfillment of its obligations under the LSP Program.

PROJECTS LOCATED IN FLORIDA. FLORIDA STATUTES SECTION 558.0035 (2013), AN INDIVIDUAL EMPLOYEE OR AGENT MAY NOT BE HELD INDIVIDUALLY LIABLE FOR ECONOMIC DAMAGES RESULTING FROM NEGLIGENCE OCCURRING WITHIN THE COURSE AND SCOPE OF THIS AGREEMENT.

By Town Clerk/ksb at 8:45 am, May 24, 2024

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Monday, May 13, 2024, 8:00 A.M.
Location: Virtual through Zoom
Present: Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers, Town Administrator Mark Purple, and Assistant Town Administrator Vanessa Hale.
Absent: Kathy Cook

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 8:06 AM.

II. At 8:07 A.M. the Board voted unanimously (4-0-0) to enter Executive Session per M.G.L. Chapter 30A, Section 21, and not return to Open Session through a motion by Mr. Dennington and seconded by Mr. Stivers for the following items: (1) to discuss strategy with respect to litigation (exception 3) where an open meeting will have a detrimental effect on the litigating position of the public body and the chair so declares: Louise Barron v. Daniel Kolenda, Worcester Superior Court, C.A. No. 2085CV00382; and (2) to review and approve April 23, 2024 Executive Session minutes. Roll call vote as follows: Hamilton, aye; Landry, aye; Stivers, aye; Dennington, aye.

Upcoming Meetings

May 21, 2024 *June 4, 2024*

Respectfully submitted, Katie Barry, Business Administrator

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, May 21, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers and Al Hamilton. Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:30 PM.

II. Public Comment

There was no public comment.

III. Scheduled Appointments *(Board may vote)*

a. Appoint new Student Police Officers – Aaron Sparks & Cole Trainor

Police Chief Ryan Newell appeared before the Board to request that the Board appoint Mr. Aaron Sparks and Mr. Cole Trainor as Student Police Officers within the Southborough Police Department. Chief Newell introduced Mr. Sparks and Mr. Trainor to the Board. He stated that, with tonight's appointment, the student officers would be enrolled in the earliest possible police academy training, which would take approximately 23 weeks to complete. He stated that following training, the student officers would be trained within the Southborough Police Department for an additional 12 weeks and, with their appointment, the total number of sworn officers would increase to 20. Mr. Dennington moved to appoint as new Student Police Officers Aaron Sparks and Cole Trainor. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. 7:00 PM Pole Hearing: National Grid – Southville Road/257 & 262 Parkerville Road (Jeff Silva, National Grid rep.)

Town Administrator Purple read the public hearing notice into the public record. Mr. Dennington opened the public hearing at 7:42 PM. Mr. Jeff Silva, National Grid, appeared before the Board, via ZOOM, on the matter. Mr. Silva stated that National Grid seeks to install a pole to provide extra support to existing pole 21-84, which is located across the street, due to the strain from the spacer cable. Mr. and Mrs. Tarlow, 174 Southville Road, appeared before the Board to request that National Grid site the pole so that it does not block the only access to the back of their property. Mr. Dennington asked that Mr. Silva meet with Mr. and Mrs. Tarlow to determine a suitable location for the pole. Mr. Dennington moved to close the public hearing at 7:54 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved to approve the application for the new pole on the condition that a representative of National Grid meet on the site with Mr. and Mrs. Tarlow and they agree on the location of the pole. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. and Mrs. Tarlow will follow up with Mr. Purple to confirm the matter has been resolved.

c. BETA Group - Pavement Management Plan presentation

Mr. Dennington moved to Scheduled Appointments "c" after Chief Newell discussed Consent Agenda item "f." DPW Superintendent Bill Cundiff provided a brief introduction on the Pavement Management Plan. He stated that BETA Group has prepared a plan that identifies the condition of the roads, scores them and provides different methodologies for prioritizing the work to

repair/maintain roads. Superintendent Cundiff stated that this plan is for pavement only and does not include underground utilities, drainage or any other related issues. Mr. Purple stated that the plan was funded through a Community Compact Grant. Mr. Anthony Garo, Senior Vice President with BETA, and Mr. Peter Dadaria, Project Manager with BETA, appeared before the Board on the matter. Mr. Garo shared the BETA Pavement Management Presentation with the Board and described the roadway assessment program. He stated that 72.48 miles of accepted road were evaluated by BETA, which is consistent with the State Department of Transportation (DOT) records for the Town. He noted that consistency of the number of miles of accepted roads between the Town and State is important for the Town's Chapter 90 allotment. He stated that a determination of condition and a strategy for maintenance/repair is based on a road score between 0-100. He stated that a pavement management system is a useful financial tool and that the idea is to maintain/repair roads before they become expensive capital projects. Mr. Garo shared that Southborough's network rating is 72.4. Superintendent Cundiff stressed that this program is a planning tool. Ms. Cook asked who would update the model with work completed each year. Superintendent Cundiff stated that BETA or another consultant would manage that function. Mr. Dennington asked about future road assessments. Superintendent Cundiff stated that the assessments would occur approximately every three years, noting that the baseline data was collected in the fall of 2022. Mr. Garo shared the ManageMyRoads platform that Superintendent Cundiff is using to manage data and make decisions. Superintendent Cundiff reminded the Board that infrastructure issues would need to be addressed and cited examples of corrugated metal pipes that are failing in areas of the Town. The Board discussed how a storm water enterprise fund might assist with infrastructure issues relative to road management. Mr. Garo stated that other features of the system include tracking roadway improvements and curb ramp and sidewalk inventories that have been mapped in GIS. Superintendent Cundiff asked that residents be informed about the pavement management system so there is clarity about the systematic approach to Town road maintenance/repair and there is effective use of tax dollars. Ms. Cook stated that the three-year contract with BETA cost $35,000. Mr. Garo stated that Superintendent Cundiff currently has access to the program as part of the contract. Ms. Cook thanked Mr. Stivers for pursuing the pavement management system for the Town's consideration.

IV. Reports

a. Chair's Report

i. Resignation of Steve Valentine from Tricentennial Committee (Veterans' representative)

Mr. Dennington stated that Steve Valentine has submitted his resignation from the Tricentennial Committee, as he has taken a new job in Washington, D.C.

ii. Resignation of CJ Tully from the Open Space Preservation Commission

Mr. Dennington stated that Mr. Tully has submitted his resignation from the Open Space Preservation Commission.

On behalf of the Board, Mr. Dennington thanked Mr. Valentine and Mr. Tully for their service to the Town.

b. Member's Report

i. Update on Neary School building project

Ms. Cook reported that the Preliminary Design Program (PDP) was submitted today to the Massachusetts School Building Authority (MSBA) and contained twelve scenarios ranging in cost from $51 million dollars to $122 million dollars, noting the cost estimates are preliminary. She stated that this information would be available for the public to view on the Neary Building Committee website. She stated the final project choice would be made at the end of August and added that the Neary Finance Subcommittee would meet on May 28th to begin discussion of the long-term financial impact of the project on the Town.

iii. SeeClickFix software update

Ms. Landry reported that DPW, the Planning Department, the Building Department and the Conservation Commission are all interested in the software. She stated the software is offered by CivicPlus at a cost of $7,500 per year. She stated the software is featured on the websites of many surrounding towns (Framingham, Natick, Marlborough, etc.) and urged residents to view it. She also stated that residents could view tutorials at CivicPlus.com for more information. Ms. Landry stated she recommends a trial use of one year. Ms. Cook stated that this item is not in the FY25 IT budget and the Board would need to determine how to pay for it. Mr. Purple stated a demo is scheduled for department heads on May 29th at 1 PM.

iv. Chestnut Hill CSA suspension

Mr. Hamilton reported that the Trustees have experienced some financial challenges in the last few years and have suspended farm operations. He is concerned that another business that contributes to life in Southborough has left. The Board discussed that matter and agreed that Mr. Hamilton would contact the Trustees to learn more about the situation and offer assistance from the Board.

c. Town Administrator's Report

i. June 1, 2024 Fire Chief Installation Ceremony

Mr. Purple reported that Ms. Hale is coordinating with Chief Puntini on his Installation Ceremony, which will be held on June 1, 2024 at the Senior Center.

ii. Power Choice contract update (electricity aggregation)

Mr. Purple reported that on May 8, 2024 the Town signed a Successor Agreement for the electricity aggregation program. He stated that the new rate is 13.016 cents/KWh, as compared to the current rate of 10.99 cents/KWh. He added that residents also can choose a 50% "green" option at 13.886 cents/KWh or a 100% "green" option is 15.886 cents/KWh. He stated the new contract would be effective December 1, 2024 and the program information would be communicated through postcards to both current and new residents.

Mr. Purple read a letter announcing that, on May 9th, Taylor West received the Presidential Award for her outstanding commitment to public health nursing from the Massachusetts Association of Public Health Nurses.

V. Consent Agenda

a. Approve Open Session Meeting Minutes: April 8, 2024; May 7, 2024; May 13, 2024

Mr. Stivers requested to hold Consent Agenda item "a." **April 8, 2024:** Mr. Stivers had scrivener's changes to the minutes. **May 7, 2024:** Mr. Dennington and Mr. Stivers had scrivener's changes to the minutes. Mr. Dennington moved to approve the April 8, 2024 and May 7, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. FY25 Staff Appointment

c. Review of Board of Health IMA

Ms. Cook requested to hold Consent Agenda item "c." Ms. Cook recognized the Board of Health, including Chair Chelsea Malinowski, for their effective use of regional resources to enhance Town services. Mr. Stivers echoed Ms. Cook's comments and added that the Board of Health has transitioned from septic approvals to a broader focus on public health. Mr. Stivers moved that the Board support the agreement and is prepared to have the Board chair sign the agreement, subject to the changes sent to Ms. Malinowski. Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0).

d. Approval to spend outside of FY24 budgeted line items

e. Approve Executive Session Meeting Minutes: May 13, 2024

Mr. Dennington requested to hold Consent Agenda item "e." Mr. Dennington stated that the Board would discuss the minutes during Executive Session.

f. Appoint part-time Police Dispatcher: Marlo Taylor & Jack Sauger

Mr. Dennington asked Chief Newell to address this matter after Scheduled Appointment "a." Chief Newell stated that these part-time dispatchers are part of a reserve pool when the full-time dispatchers are unavailable and fall under the FY24 budget. He stated they might be considered for full-time employment in the future.

Mr. Dennington moved to approve the Open Session Meeting Minutes for May 13, 2024 and Consent Agenda items "b" (with the expiration date of June 30, 2025), "d" and "f." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

The Board recessed at 8:23 PM and resumed meeting at 8:33 PM.

VI. Other Matters *(Board may vote)*

a. Continued discussion of One Stop Grant opportunities

Mr. Dennington stated that updating Route 9 zoning is an important issue. He suggested that the Board prioritize the One Stop application as one of its goals for the upcoming Board goal-setting session. He also suggested that the Board work with the Planning Board and the Economic Development Committee (EDC) in the winter timeframe to craft a strong application on behalf of the Town. Ms. Cook agreed that focusing on Route 9 zoning to enhance the business climate in Southborough is an important goal and she suggested working on the grant application in the fall rather than winter. Mr. Stivers, Ms. Landry and Mr. Hamilton all agreed with Mr. Dennington's suggestion and Ms. Cook's timeframe. Mr. Dennington stated that the Town's current application relating to the Tricentennial Celebration would be submitted by the June 5th deadline.

b. MTC survey for Fall Town Meeting Date and Time

The Board discussed the draft survey for Fall Town Meeting Date and Time. They agreed that Matt Probst, chair of the Municipal Technology Committee (MTC), would work with Jay Montijo to publicize the survey on the Town's website. The Board also discussed the timeframe for setting the Fall Town Meeting date, relative to the survey results and the Planning Board MBTA bylaw. Mr. Dennington moved to approve the draft survey for Fall Town Meeting Date and Time. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Purple will work with Mr. Probst to publicize the survey.

c. Recruitment to fill Board and Committee vacancies in FY25

Mr. Dennington stated that the list in tonight's packet is a draft and the Board will consider the finalized list of appointments and vacancies at its next meeting. He stated this process would be complete by June 30th. The Board discussed encouraging recruitment for various boards/committees including the EDC, Cable Television Committee, Community Preservation Committee and the Open Space Preservation Commission. Mr. Dennington asked Mr. Stivers to conduct a review of boards/committees to ensure the Town's website is up to date and provide a report on the matter at the Board's next meeting. Ms. Cook reported that the PILOT Committee has requested that their membership be reduced from seven to five.

d. Scheduling of Goal-Setting Meeting for FY25

The Board discussed goal-setting in general and a meeting date for their annual goal-setting session. The Board agreed to hold their annual goal-setting session on Tuesday, June 11th, at 6:30 PM at the Public Safety Building.

e. Town Administrator evaluation

Mr. Dennington described the process for the Town Administrator's evaluation. He stated that Mr. Purple had completed the following goals set by him and the Board for this year: completing the employee handbook, creating the Town Administrator newsletter, completing the Department of Revenue policy review process and completing the Southborough Heritage Park. Mr. Dennington stated that Mr. Purple consistently performed above expectations in most categories and met expectations in the remaining categories. He also stated that four out of five Board members ranked

Mr. Purple's aggregate performance in a range of 3.8-4.1 on a scale of 1-5. Each Board member offered comments on Mr. Purple's performance. Mr. Purple thanked the Board for their comments. He also thanked Ms. Hale and praised the team of department heads and employees who work to advance common goals in the Town. He stated he appreciates the opportunity to work with the Board and the confidence they have in him in his role as Town Administrator. Mr. Dennington stated that the contract for Mr. Purple is in its final year and he is eligible for the standard SAP increase of 4.5%. Mr. Dennington recommended that Mr. Purple receive the increase based on the positive consensus evaluations and the successful achievement of outlined goals. The Board agreed with Mr. Dennington's recommendation. Mr. Dennington moved that the Town Administrator's salary for FY25 reflect the annual SAP increase of 4.5% above that of FY24. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VII. Reorganization of Board

The Board discussed reorganization following the recent election. Mr. Stivers stated he supports Ms. Cook for the position of Chair and Mr. Dennington for the position of Vice Chair for reasons of consistency and effectiveness. The Board discussed reorganization. Both Ms. Cook and Mr. Dennington agreed to serve in the positions described. Mr. Stivers moved to appoint Ms. Cook as Chair and Mr. Dennington as Vice Chair for the next year. Ms. Landry seconded the motion. The motion was unanimously approved (5-0-0).

VIII. Public Comment

There was no public comment.

IX. Executive Session

Mr. Dennington moved to enter into Executive Session at 9:17 PM, per M.G.L. Chapter 30A, Section 21, and not return to Open Session for the following items: (1) to discuss contract negotiations for the Town Administrator (Exemption 2), as the Chair has determined that an open meeting may have a detrimental effect on the Town's position; and (2) to review and approve April 23, 2024 and May 13, 2024 Executive Session minutes. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Subject: Appointment of Student Officer Aaron Sparks

Date: May 17, 2024

Dear Select Board Members:

Please consider my request to appoint Mr. Aaron Sparks as a Student Officer with the Town of Southborough, effective May 21, 2024. Mr. Sparks is a resident of Worcester, MA, and is currently working as a laborer for Main Drilling & Blasting. He attained his Bachelor's Degree from Queens University Belfast in Ireland, and recently became an official US Citizen. He is also a certified EMT (Emergency Medical Technician).

Mr. Spark's compensation will be seven hundred dollars per week (Local 167 Contract), until his MPTC Police Academy graduation, when he will transition to "Probationary Officer".

Please feel free to contact me with any questions or concerns you may have.

Thank you.

Respectfully,

Ryan M. Newell

AARON S. R. SPARKS

[redacted]

[redacted]

Profile

Early in career, hardworking, team oriented and self-motivated individual with experience in customer facing employment and work in the field as an EMT. I am looking to start my career in a Police Department and to bring my passion and knowledge to the field gained from completing my certification as an EMT and time at University. Looking to build on skills acquired at University and previous employment, as well as bringing an international perspective to your Police Department.

Subject: Appointment of Student Officer Cole Trainor

Date: May 17, 2024

Dear Select Board Members:

Please consider my request to appoint Mr. Cole Trainor as a Student Officer with the Town of Southborough, effective May 21, 2024. Mr. Trainor is a resident of Westborough, MA, and is currently working as an area manager for "Boating in Boston, GSI". He has also completed a five (5) month internship at the Westborough Police Department. He attained his Bachelor's Degree from Framingham State University, and graduated from the 20th CMCPA 372.5 hour Reserve Intermittent Academy in 2020. He is also a certified Lifeguard and has qualified in Firearms through the MPTC.

Mr. Trainor's compensation will be seven hundred dollars per week (Local 167 Contract), until his MPTC Police Academy graduation, when he will transition to "Probationary Officer".

Please feel free to contact me with any questions or concerns you may have.

Thank you.

Respectfully,

Ryan M. Newell
Chief of Police
Southborough Police Department
32 Cordaville Road
Southborough, MA. 01772
Tel: (508) 485-2121 FAX: (508) 480-0161

COLE TRAINOR

Highly motivated employee with desire to take on new challenges. Strong work ethic, adaptability and exceptional interpersonal skills. Adept at working effectively unsupervised and quickly mastering new skills. Seeking a role in which integrity and commitment to safety will provide community enrichment and continuous public safety.

EXPERIENCE

JANUARY-MAY 2019

INTERN, WESTBOROUGH POLICE DPT.

-Observed routine patrol operations with officers to gain experience and understanding of police procedures.
-Provided administrative support to police officers, including filing paperwork and preparing reports.
-Attended court hearings to observe proceedings related to criminal cases.

SEPTEMBER 2019 – PRESENT

AREA MANAGER, BOATING IN BOSTON, GSI

-Manages multiple recreational rental venues in Massachusetts
-Hires about 75 employees annually
-Oversees all training and ensures proper certification
-Develop and implement youth and adult programing
-Look for and drive community outreach opportunities and public relationships
-Oversee all operational needs and safety protocols

EDUCATION

JUNE 2019

BACHALORS OF CRIMINOLOGY, FRAMINGHAM STATE UNIVERSITY

Graduated as a member of the Criminal Justice Honor Society. Graduated with a Minor in Psychology.

CERTIFICATIONS

20th CMCPA 372.5- Hour Reserve Intermittent Academy, 2020
MPTC Fire-Arms Qualification 2020
Massachusetts Class A- LTC
RedCross Lifeguard Certification
RedCross First Aid/CPR/AED Instructor
American Canoe Association/U.S Sailing Association Certified Instructor

Legal Notice of

POLE HEARING

Town of Southborough

The Southborough Select Board shall hold a public hearing on Tuesday, May 21, 2024, at 7:00 p.m. in the McAuliffe Hearing Room at the Southborough Town House, 17 Common Street, Southborough, MA, to consider a petition by Mass. Electric Company (National Grid) to install a pole on Southville Road at the intersection of Parkerville Road. The meeting may also be listened to or viewed by the public through a link located at: https://ma-southborough.civicplus.com/674/Virtual-Meetings

PETITION FOR POLE AND WIRE LOCATIONS

To the Board of Selectmen
Of Southborough, Massachusetts

Massachusetts Electric Company d/b/a NATIONAL GRID requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

Southville Road - Install one SO Pole on Southville Road. Beginning at a point approximately 32 feet South-West of the centerline of the intersection of Southville Road and Parkerville Road. Installation of one Pole 21-84 on the South side of the road.

Location approximately as shown on plan attached.

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – Southville Road - Southborough, Massachusetts.

No.# 30756531

Also, for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.

Pavement Management Program

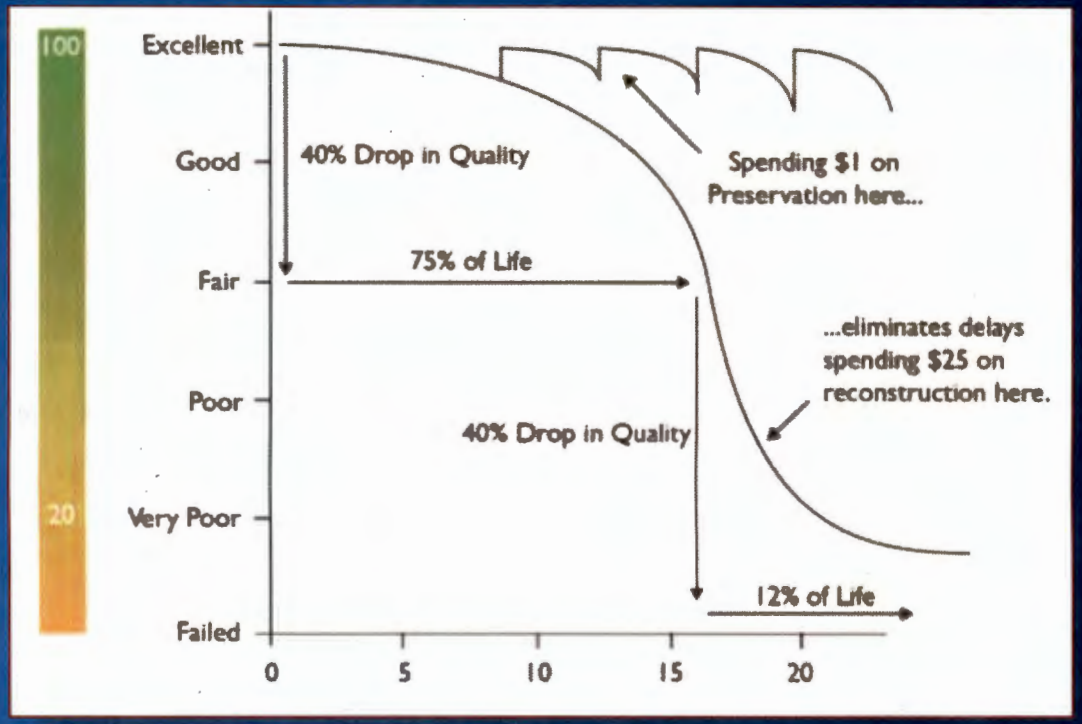
DRAFT

Status Summary

May 21, 2024

BETA

Benefits of Pavement Management



- Protects a community's investment by maximizing the life span of the roadway network
- Provides the ability to plan-ahead and predict budgetary needs (minimize costs while maximizing value)
- Apply the appropriate treatment at the correct location and time
- ***Provides foundation for decision making***

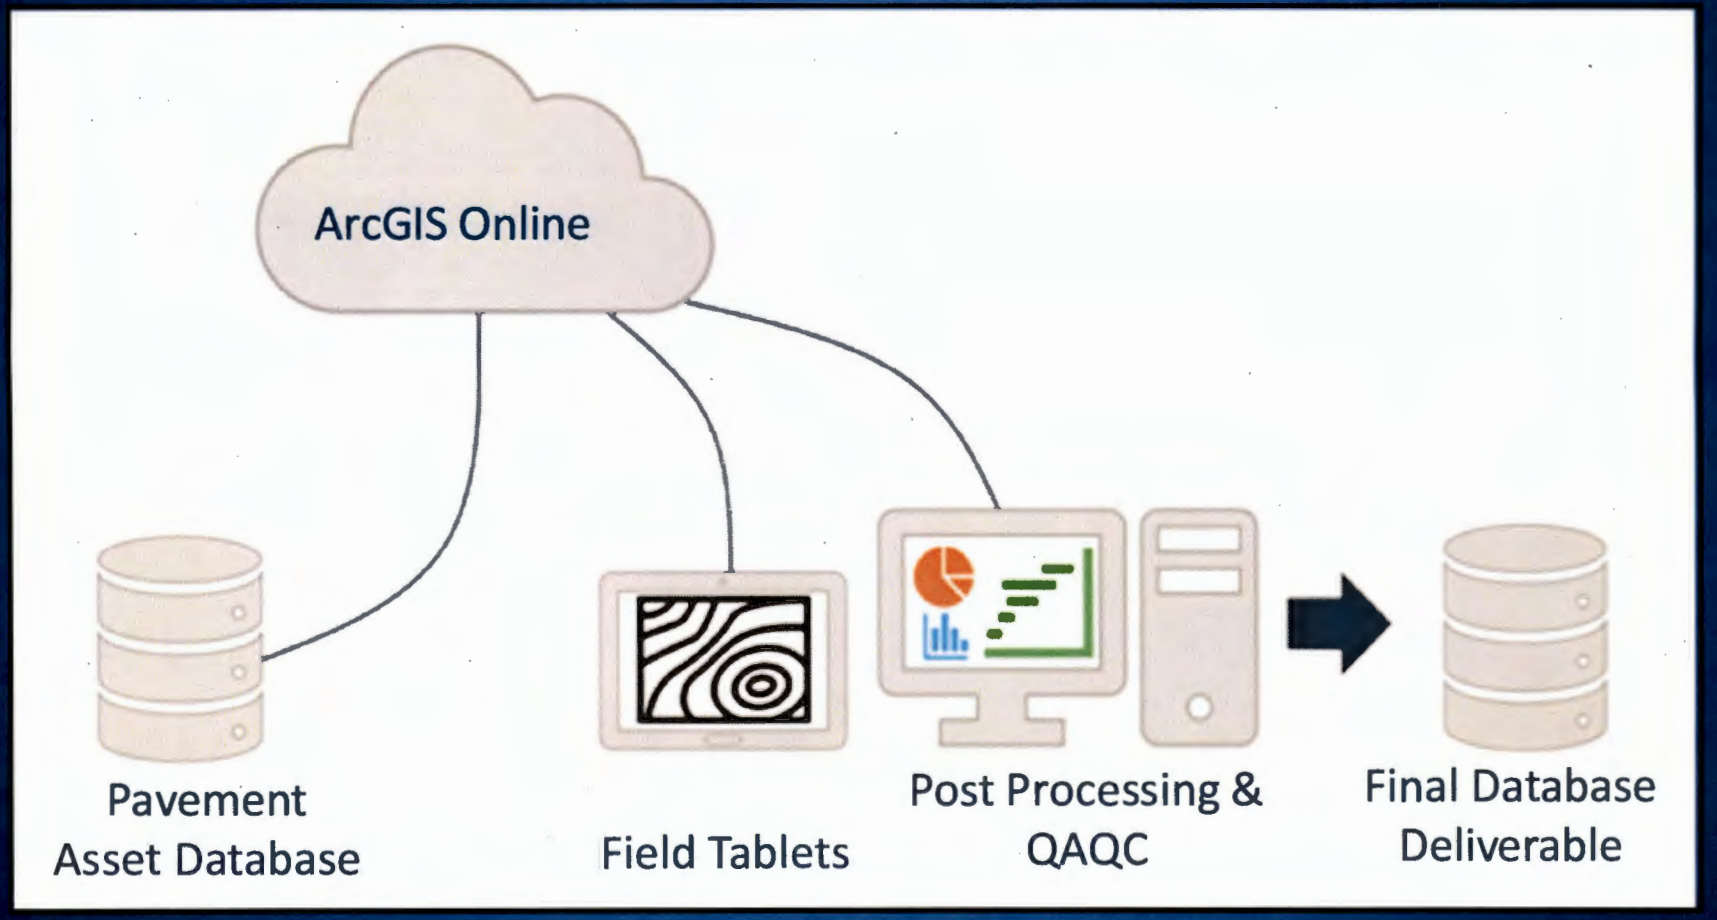
Proactive vs. Reactive

BETA

Program Goals & Objectives

- ✓ Conduct Pavement Condition Assessment
- ✓ Understand Roadway Conditions & Needs
- ✓ Evaluate Repair Strategies & Benefits
- ✓ Establish Estimated Backlog of Improvements
- ✓ ***Develop Prioritized Plan***

CIP Tool



BETA

Five-Step Project Approach

1. System Configuration & GIS Mapping
2. Roadway Assessment Program
3. Data Analysis & Forecasting
4. Capital Planning & Prioritization
5. System Maintenance & Tracking

System Configuration & Mapping

GIS Centric Approach

Pavement Inspection Program

Automated Approach (LiDAR)

- LiDAR sensor mounted to the top of a vehicle. As roads are driven, a 3D digital map is developed and captures features within a 50' radius of the sensor to develop a point cloud.
- Imagery is captured in 10 to 20 foot intervals.
- Industry standard 0-100 condition score is assigned to each roadway segment.
- Repeatable and consistent data across the network
- Inspections Completed December of 2022

BETA

Roadway Assessment Program

Automated Data Capture & Processing

1

Roads Scored at 10 to 20 foot intervals with corresponding image file attached

Main St-01 *Main St-02* *Main St-03*

2

Roads Scored at Street Segment Level (Intersection to Intersection)

Main St-01 *Main St-02* *Main St-03*

3

Road Scored for Entire Street

Main Street (End to End)

Automated Data Analysis: Overall > Segment > Point

Pavement Management Summary

DRAFT

Date: December 15, 2023
Date of Inspections: Winter 2022

Town of Southborough, Massachusetts

BETA
IMPROVING COMMUNITIES TOGETHER

Introduction

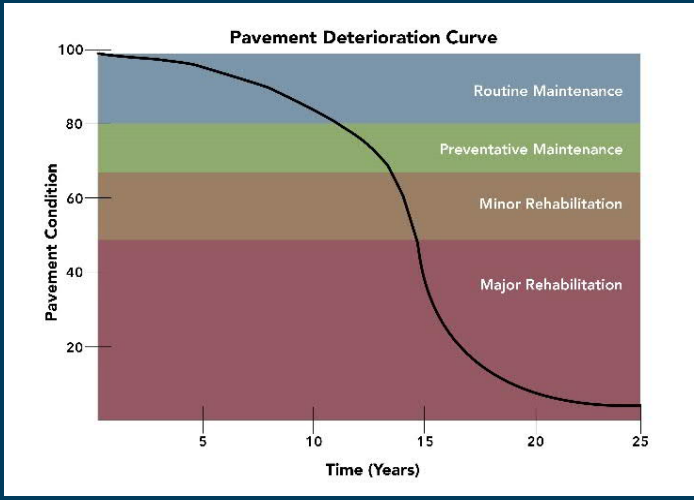
Background

The Town of Southborough retained BETA Group, Inc. (BETA) in the Fall of 2022 to develop a Pavement Management Program (PMP) for its Town Accepted roadways. This comprehensive study was undertaken with the goal of establishing an extensive database of roadway surface conditions in order to assist in the development of a prioritized list of improvements. The PMP is a planning tool intended to provide the foundation to manage the Town's roadway resources in conjunction with local institutional knowledge. Ultimately, these efforts will assist in the development of a dynamic Capital Improvement Plan for the Town's roadway network.

The Town is committed to maintaining the PMP and improving its roadway network. This will be achieved by preserving and maintaining the existing infrastructure to the greatest extent possible.

Pavement Management Approach

Pavement management is based on the theory of predicting roadway deterioration over time. This theory allows pavement managers to perform timely maintenance to the roadway system, extending the roadway's life in order to avoid more costly and extensive structural repairs. A key aspect of pavement management, as illustrated by the Pavement Deterioration Curve, is the recognition that roadways deteriorate in an accelerated fashion at particular times in the roadway lifecycle. Understanding this concept allows opportune decisions that yield the most cost-effective results.



Implementing a PMP involves identification of the road network, evaluation of its surface conditions, and specification of its maintenance practices and associated repair costs. Roadway condition data is compiled to facilitate the calculation of a **Road Surface Rating (RSR)** for each street segment. This range includes a possible low value of 0 for a road characterized by a high severity of distress, and a possible maximum value of 100 for a road with no visible defects. Ultimately, the RSR value allows each roadway segment to be placed into a planning level repair category.

Roadway Survey

The roadway survey in Southborough, consisting of paved, Town Accepted roadways, was completed in December 2022. A total of **72.48 centerline miles** were inspected, serving as the basis for this report. The required field inspections were performed autonomously utilizing a lidar sensor mounted on a vehicle. As the vehicle traveled each roadway, a 3D digital point cloud was developed and all roadway assets within a 50' radius of the lidar sensor were scanned and populated. As part of the data collection, images were captured, georeferenced and timestamped every 20' section of roadway. Upon completion of the field data collection, proprietary algorithms and Ai machine learning technology were run to identify pavement surface distresses such as cracks, potholes, seals, patches, and pavement oxidation to generate RSRs at the segment level. BETA then conducted a thorough review to ensure the quality of the data for analysis and reporting.

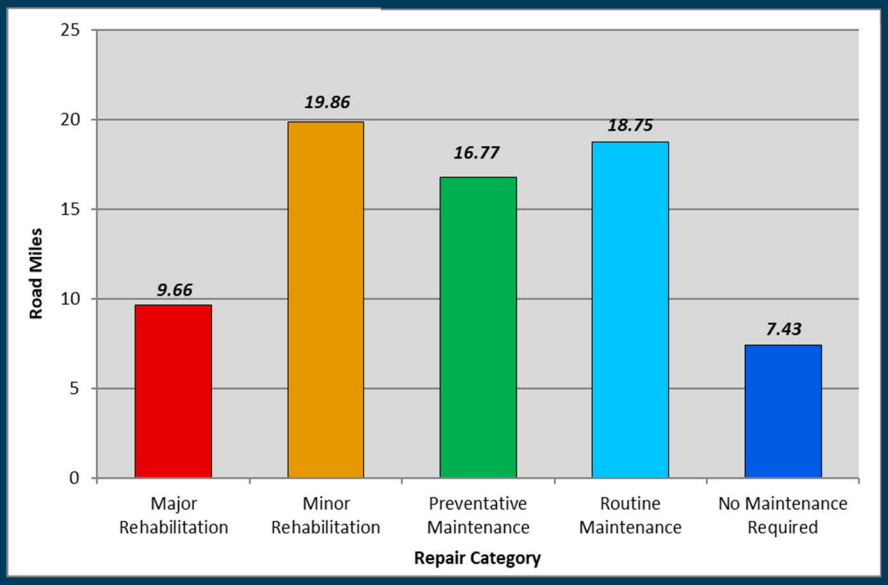
Please note: Paving Improvements completed in 2023 have been updated in the PMP and are reflected in this report

Pavement Deterioration Curve

Summary of Findings

Upon completion of the roadway survey in 2022, the **overall RSR for Southborough's accepted public roadway network was 70.86**. After implementing the 2023 roadway improvements, the current RSR is projected at **72.4**, a roughly 1.5 point increase from the baseline inspection. The overall RSR represents a benchmark for performance measuring of the Town's pavement management program moving forward. If the overall RSR were to drop in the years to come, this would be a sign that the program needs to be adjusted or funding for the program may need to be increased.

As part of the pavement management process, repair strategies and associated unit costs were defined (as shown below) to develop the Town's Backlog Summary. This analysis summarizes the mileage of roadway that fall within each suggested repair category as well as the estimated cost based to complete the recommended maintenance or repair. **The current backlog summary for the Town's public roadway network is approximately $14.3 Million based on current market trends.** This budgetary dollar figure represents a snapshot of the funding it would take to perform all outstanding maintenance for the Town's road network within the next year. While this is not typically feasible, this analysis acts as another benchmark for the magnitude of work necessary at the time of inspections.



72.40

CURRENT TOWN NETWORK ROADWAY SURFACE RATING (RSR) (December 2023 Update)

Repair Method	RSR Range	Unit Price (sy)*
Major Rehabilitation	0-50	$48.00
Minor Rehabilitation	50-70	$19.20
Preventative Maintenance	70-80	$9.60
Routine Maintenance	80-92	$0.75
No Maintenance Required	92-100	$0.00

**Please Note: Unit pricing accounts for curb to curb improvements only; Does not include any drainage, sidewalk, ADA, gravel subbase or utility improvements.*

RSR Breakdown by Mileage

Backlog Summary

Repair Method	Length (Miles)	Square Yards	Percent Repair	Estimated Cost
Major Rehabilitation	9.66	129,534	13.33%	$6,217,650
Minor Rehabilitation	19.86	286,023	27.41%	$5,491,635
Preventative Maintenance	16.77	246,968	23.13%	$2,370,890
Routine Maintenance	18.75	258,051	25.88%	$193,538
No Maintenance Required	7.43	107,103	10.25%	$0
Total	**72.48**	**1,027,679**	**100%**	**$14,273,712**
AVERAGE RSR by Segment:	**72.40**			

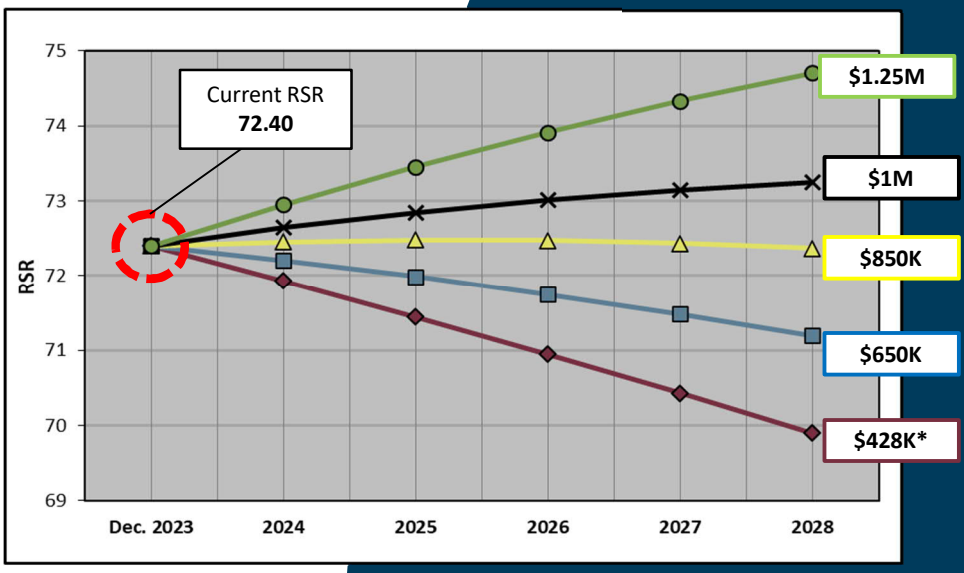
Capital Planning & Concluding Remarks

A series of Cost Benefit Value (CBV) analyses were generated to serve as a tool to prioritize potential roadway projects for inclusion in a multi-year Capital Improvement Plan (CIP). The development of a CIP will assist the Town in improving its network rating over time.

A 5-year forecast model was run to demonstrate how the network-level RSR for paved roadways would fluctuate over time under different funding scenarios. The model suggests that the Town secure approximately $850 Thousand annually to maintain the current rating. However, if the Town were to secure roughly $1.25M annually, the Network RSR is projected to approach 75 in 5 years. Conversely, spending the Ch. 90 allotment of $428 Thousand solely on road improvements would likely cause the Network RSR to degrade to 70 RSR. The current model accounts for 3% annual inflation

The PMP provides decision makers with a picture of existing roadway conditions, a cost estimate to protect those paved roadways in good condition, and a recommended strategy to meet the Town's goals and objectives.

Program Maintenance



To best manage and update the Town's PMP database, the following practices are suggested:

- When utilizing pavement data to aid in capital planning, other assets such as sidewalks, utilities, etc. should be considered on a case to case basis
- Post all annual roadway improvements into the database. Both the pavement condition rating and repair history information should be entered.
- Add any new roadway network descriptions to the database as soon as the Town accepts the roadways.
- Update repair method unit costs annually to provide accurate work plan forecasts.
- Review developments in pavement technology that might offer a more cost-effective alternative to pavement maintenance or rehabilitation over the pavement's life cycle.
- Re-inspect the roadway network every 3-4 years to keep the system and imagery current

The Pavement Management Program will serve as a valuable instrument to the Town and facilitate a progressive approach to managing roadway infrastructure.

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, April 8, 2024 8:00 AM
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers, Al Hamilton, Town Administrator Mark Purple, and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 8:00 AM.

II. Discussion/Appointment of Fire Chief

Mr. Dennington reviewed the process taken for the selection of Fire Chief. Each Select Board member outlined why they felt Mr. Andrew Puntini, Captain/Shift Commander of Group 1 at the Foxborough Fire Department, was their first choice as next Fire Chief. They discussed his background, his professionalism, maturity and positivity during his interviews, the strong recommendations from other Fire Chiefs, and his experience with Regional Emergency Communication Centers. The Board agreed the other candidates are well qualified and would be a strong Chief, but felt Mr. Puntini was the best fit for Southborough.

Mr. Dennington made a motion to appoint Andrew Puntini as Southborough's next Fire Chief subject to successful contract negotiations and the completion of all remaining background checks. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

The Board discussed the process for contract negotiations which included nominating a Board member to assist in these discussions. The Board would then enter Executive Session to discuss the outcome of the negotiations and vote to approve a contract. Mr. Dennington volunteered as he has done multiple contract negotiations. Mr. Dennington made a motion for Ms. Cook and Mr. Dennington to represent the Select Board and work with Captain Puntini to negotiate a successful Fire Chief Contract. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

The Board discussed their next meeting date and agreed upon March 23, 2024.

Mr. Dennington made a motion to adjourn the meeting at 8:17 AM. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

Upcoming Meetings	
April 23, 2024	*May 7, 2024*

Respectfully submitted, Katie Barry, Business Administrator

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, May 7, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers and Al Hamilton. Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:30 PM.
Mr. Dennington stated that on tonight's Agenda, item number (2) under Executive Session would be tabled.

II. Public Comment

Ms. Cindy Foster, 3 Aspen Wood Lane, stated that when the Board voted to approve the move to Aetna Health Insurance, it was stated that the Town would achieve approximately $90,000 in savings each year. She stated she has seen figures that indicate the savings are approximately $60,000-$63,000 and she asked the Board for clarification on the discrepancy. Mr. Dennington stated someone would look into the matter and provide Ms. Foster with the information. Ms. Foster also stated that she is glad the Town will bid the health care consultant contract in FY2025.

III. Scheduled Appointments *(Board may vote)*

a. Interview/appoint Karen Bernhardt to 21 Highland Future Use Committee; term to expire June 30, 2025

Mr. Dennington reported that the Board's office has been unable to contact Ms. Berhardt and stated the Board would remove her from consideration for the 21 Highland Future Use Committee. He urged residents, particularly those with experience in construction, project management or real estate, to consider applying for the remaining open seat on the Committee.

b. Tony Roselli, Roselli, Clark & Associates – Fiscal Year 2023 Audit

The Board heard this matter after Other Matters "d." Mr. Roselli appeared before the Board, via Zoom, on the matter. Mr. Roselli and the Board had a robust discussion of OPEB, including increased contributions to OPEB through the Worcester County Retirement System and tax implications of pension obligation bonds. The Board agreed they would like to hear Mr. Roselli's OPEB presentation at a future date. Mr. Roselli presented the 2023 Audit of the Town's finances. He reported that the Town continues to be well managed and had a clean audit. He stated that highlights include an increase in the Reserve Fund balance to over $6 million dollars, representing an increase from 9.4% to 10.8%. He attributed this increase to an increase in local receipts that exceeded projections by $2.2 million dollars and expenditures that were .8% less than projected, noting that these items were offset by planned uses of Free Cash. He stated the Town maintains its AAA bond rating and offered suggestions to retain its rating. Mr. Roselli also stated that the Town realized a $221,000 gain in OPEB investment income after losing approximately $400,000 the previous year. Mr. Dennington discussed the Neary School building project and asked if there would be any issues relative to the Town's undertaking of this building project. Mr. Roselli stated that he would like to see the Town's Reserve Fund at 15% so as to not impact the AAA bond rating the Town enjoys. Mr. Stivers and Ms.

Cook thanked the Town's Finance Department for their efforts towards effective financial management.

c. Linda Bournaville, KMS Actuaries, LLC – Fiscal Year 2023 OPEB Audit

The Board heard Scheduled Appointments "c" before Scheduled Appointment "b." Ms. Linda Bournaville appeared before the Board, via Zoom, on the matter. Mr. Dennington informed Ms. Bournaville that, at its March Annual Town Meeting, the Town had passed a warrant article requesting that the Town, through a Special Act of the State Legislature, be authorized to bond OPEB trust monies. Mr. Dennington stated that Town would like to use this tool when interest rates are more favorable. Ms. Bournaville stated that the option described above is a proactive tool for the Town to use. Ms. Cook asked how long the process would take to implement the ability to bond. Ms. Bournaville described the process and stated that it can take approximately 6-8 months. Ms. Bournaville presented the OPEB presentation, dated May 7, 2024. She explained that the in-depth analysis provided in this report to the Town is done every two years. She stated that as of June 30, 2023, the Town's Net OPEB liability is $42.2 million dollars and the most significant impact in the report was that the Town realized a savings of $10 million dollars due to the health plan changes in 2023. Ms. Bournaville reported that, as of 2023, the Town has funded 6.7% of its OPEB obligations. The Board discussed its annual contribution of $250,000 to OPEB. Ms. Bournaville stated that OPEB funding is a long-term process because employee numbers are always shifting. The Board discussed the assumptions used in modeling and the role those assumptions play in data outcomes. They concluded that the Town is moving forward in a responsible manner to funding its OPEB obligations.

d. Brian Ballantine, Finance Director; Carla McAuliffe, Town Accountant – Q3 Financial Update

Brian Ballantine and Carla McAuliffe appeared before the Board on the matter. Mr. Ballantine reviewed the revenue portion of the Q3 Financial Update. He reported that total General Fund revenue is down by $37,000 compared to the same period last year. He noted that motor vehicle excise taxes, building fees and water revenue were down but that dumpster fees and ZBA fees had increased. He also noted that investment income had increased by $219,000 since Q2. Ms. McAuliffe reported the expense portion of the Q3 Financial Update. She stated that the following are potential Reserve Fund transfers: Select Board for increased postage; ZBA additional staff hours due to 40B projects; Fire – Scuba grant matching ($30,000); Fire – Tower repair ($8,461); Election/Town Clerk – additional election costs; and Debt – year end transfers due to Spring long-term interest payments. Ms. McAuliffe also stated that they are watching Police and Fire overtime, as both departments are experiencing staffing challenges. She stated that IT, Operations and DPW are in good shape and only 30.76% of the snow/ice budget has been spent thus far. She reported that Benefits are trending at budget. With regard to FEMA, Ms. McAuliffe stated that the final claim has been filed and, once processed, will formally close the grant program. She stated that between FEMA and CARES, the Town has received $959,000 and, to date, all claims have been paid. With regard to ARPA, she reported that $1, 273,087.91 has been spent/encumbered and she has reminded boards/committees to allocate funds by June 30, 2024. Ms. Cook expressed concern over the impact of the lack of funds for Schools/Transportation and a potential reduction in Local Aid. Mr. Ballantine stated that he expects to receive the Department of Revenue's final report on the Town's financial and policy review and will provide it to the Board and Advisory when available. He also stated that short-term notes would be issued for the Town Hall renovation and Neary School Study. Ms. Cook asked about the Reserve Fund number and Mr. Ballantine stated he would provide her with that information.

The Board recessed at 9:28 PM and resumed meeting at 9:36 PM.

IV. Reports

a. Chair's Report

Mr. Dennington reported that Doug Peck hosts a program on Southborough Access Media (SAM) called "Southborough Connects" and that today, Mr. Dennington taped a segment.

b. Member's Report

i. Informational Meeting for Townwide Survey

Ms. Landry reported that UMASS Boston Gerontology Unit is conducting an assessment of the senior population. Ms. Landry stated she would attend a meeting this Thursday to learn more about the assessment.

c. Town Administrator's Report

i. Start date for new Fire Chief

Mr. Purple reported that Chief Puntini's first day of work would be May 20th, 2024 and his swearing in will likely be on June 1st.

ii. Update on Public Safety staffing study

Mr. Purple reported that the contract for the Public Safety staffing study was signed today and there will be a kick-off meeting to reiterate the Board's areas of concern.

Mr. Purple stated that May is Mental Health Awareness Month. Green awareness pins are available for Town employees at the Treasure/Collector's office. He stated that he and Ms. Hale have worked to offer a variety of programs to Town employees including topics on stress reduction and emotional intelligence. He stated other programs include Laugh and Learn, Say Yes with Kerry Stack and Suicide Prevention. Mr. Purple stated that a community-wide wellness event would be held on May 29th from 6-8 PM where Dr. Safdar Medina will be awarded the Laurie Sugerman Whittier Wellness Award. Food trucks will also be available. He stated that all information is available on the Youth and Family Services website.

V. Consent Agenda

a. Approve Open Session Meeting Minutes: April 23, 2024

Mr. Stivers requested to hold Consent Agenda item "a." Mr. Stivers and Ms. Landry had scrivener's changes to the minutes. Mr. Dennington move to approve the April 23, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Appointments to the 21 Highland Future Use Committee, terms to expire 6/30/2024 (swearing-in period elapsed)

i. Destin Heilman

iii. Freddie Gillespie (OPPC representative)

Mr. Hamilton requested to hold Consent Agenda item "b." Mr. Hamilton asked if Dr. Heilman and Ms. Gillespie wished to serve on the 21 Highland Future Use Committee. Mr. Dennington stated he had not heard otherwise. Mr. Dennington moved to renew the vote to appoint Destin Heilman to the 21 Highland Future Use Committee, term to expire 6/30/2024. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved to renew the vote to appoint Freddie Gillespie to the 21 Highland Future Use Committee, term to expire 6/30/2024. Mr. Stivers seconded the motion. The motion was approved (3-2-0). Ms. Landry and Mr. Hamilton voted against the appointment.

c. Approve job description for Police Dispatcher

Mr. Dennington moved to approve Consent Agenda items "c", "d", "e", and "g." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

d. Approve Election Worker pay rate for FY25

e. Appoint Jennifer Condon as Animal Control Officer, term to expire 4/30/25

f. Approve Useful Life for Town Equipment

Mr. Dennington requested to hold Consent Agenda item "f." Mr. Dennington had scrivener's changes. Mr. Dennington moved to approve the Useful Life for Town Equipment. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

g. Approve request to use Town Counsel for violation enforcement

h. Approve Executive Session Meeting Minutes: April 23, 2024

Mr. Dennington requested to hold Consent Agenda item "h." Mr. Dennington stated the Board would discuss this matter in Executive Session.

VI. Other Matters *(Board may vote)*

a. Atwood Road lead testing and next steps

Mr. Dennington moved to this item after Other Matters "c." Mr. Dennington stated that, in tonight's packet, there is a revised estimate from Pare for the additional lead testing at the Atwood water tower site. Mr. Dennington described the testing and noted the revised estimate includes $5,600 for testing on the Sturgeon's property. Mr. Cundiff stated that he believes the estimate is appropriate and is a sound approach to determining the scope of the issue. Ms. Kristin LeVault, _12 Southwood Drive, asked that Board members bring their grievances to a CPC meeting where they can be addressed as an agenda item. Mr. Dennington moved that the Board sign the letter agreement with Pare for the lead soil sampling program for the former Atwood tank parcel that also includes the additional scope for the abutting parcel and that $75,616.29 in unallocated ARPA funds plus $9,383.71 in National Grid funds would be used to cover the cost of testing. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Regional Dispatch Survey Results

Mr. Hamilton presented the Regional Dispatch Survey Results. He stated that determining operating costs with no State support is the important metric to consider. He also stated that adding dispatchers locally puts Southborough at a financial disadvantage versus a Regional Emergency Communications Center (RECC). He stated that 2/3 of the communities surveyed are considering joining a RECC. He stated that educating residents, with information learned from the survey, would be an important part in winning a vote at Town Meeting.

c. Potential CPA Application for Town Common rail replacement

Mr. Dennington moved to this matter after Other Matters "e.iii." Mr. Dennington stated that Mr. Cundiff had gotten quotes on the cost to replace the rail in the Town Common. The quotes range from $3,800 to $33,000. Mr. Kevin Miller, chair of the Historical Commission appeared before the Board on the matter. He recommended the Town select the $3,800 option with granite posts and iron rods, as it is more historically accurate. He suggested that the Board also consider repairing the rail in the Old Burial Ground. The Board discussed repairing the rail. The Board agreed to have Mr. Miller work with Mr. Cundiff on the matter. Mr. Miller commented that he is impressed with the recent streetlight installation on his road.

d. Potential Fall Town Meeting Warrant Article re: organization of affordable housing committees (AHTFC, SHOPC) and use of CPC funds for community housing

Mr. Dennington moved to this matter after Scheduled Appointments "c." Mr. Dennington stated that there is a quorum present of the Affordable Housing Trust Fund Committee (AHTFC), as the Board holds five of the seven seats on the AHTFC. Mr. Hamilton called the AHTFC meeting to order at 7:30 PM. Mr. Dennington moved to approve the Executive Session meeting minutes for December 27, 2023 and January 10, 2024. Mr. Dennington had scrivener's changes to the January 10, 2024 minutes. Mr. Dennington moved to approve the Executive Session meeting minutes for the December 27, 2023, as written, and the January 10,2024 meeting minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved to release the Executive Session meeting minutes for December 27, 2023 and January 10, 2024. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington

suggested that two people from the Board and the AHTFC meet with a representative each from the Southborough Housing Opportunity Partnership Committee (SHOPC) and the Community Preservation Committee (CPC) to begin discussions of a warrant article for Fall Town Meeting that (1) combines the functions of the AHTFC and SHOPC into one committee; and (2) includes a mechanism for transferring Community Preservation Act (CPA) housing funds from the CPC to the newly formed committee. The AHTFC agreed that Mr. Dennington and Mr. Hamilton would be the representatives from the Board and AHTFC. Mr. Stivers noted that continuing progress on this matter is the result of an idea brought to the Board by Ms. Lisa Braccio while serving as a member of the Board. Mr. Stivers moved to adjourn the AHTFC meeting at 7:34 PM. Ms. Cook seconded the motion. The motion was unanimously approved (5-0-0).

e. ARPA Funding

i. Senior Tax Relief

Ms. Cook moved to approve an additional $3,000 towards Senior Tax Relief. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

iv. Atwood Road testing

See Other Matters "a."

iii. VHB sidewalk improvement proposals – Woodland Road (Richards Road to Oregon Road), Road (Cordaville Road to Woodland Road), and Parkerville Road (South I-90 to Middle Road

Mr. Dennington moved to this matter after Scheduled Appointments. Ms. Cook stated that $50,000 in ARPA funds had been allocated for the Beta sidewalk study and that, tonight, the Board is considering spending the remainder of the ARPA sidewalk category, $509,453, for four sidewalk projects. Mr. Bill Cundiff, DPW Superintendent, appeared before the Board, via Zoom, on the matter. Mr. Cundiff described the process he used to determine the four projects presented for discussion this evening. He asked the Board to consider the following sidewalk projects: 1) Parkerville Road from Richards Road to Middleboro Road; 2) Richards Road off Cordaville Road to Woodland Road; 3) Woodland Road from Richards Road to Oregon Road; and 4) Oak Hill Road from the end of the existing sidewalk to Walnut Street. He stated VHB has submitted a proposal of $564,000 for engineering services only. He also stated that Safe Routes to Schools might be a source of additional money for the sidewalk projects. Mr. Dennington asked if there would be additional fees above the proposal number. Mr. Cundiff stated that the numbers are very conservative but unforeseen costs may occur. Ms. Cook asked if the VHB proposal is a lump sum flat fee. Mr. Cundiff stated that it is but he would request that VHB present the proposal as "not to exceed." Mr. Dennington stated that the contract describes that the reviewing body would be the Public Works Planning Board, which no longer exists. Mr. Cundiff suggested a working group be formed for the purposes of review. Mr. Cundiff confirmed the sidewalk projects 1, 2 and 3 above represent $456,000 in ARPA funds that would then be successfully committed for expenditure. Mr. Bill Harrington, 4 Richards Road, read comments relative to the history of the sidewalks on Richards Road. He stated that the residents on Richard Road eagerly await sidewalks for safety and walkability reasons. Mr. Grant Farrington, 58 Flagg Road, asked when the map shown by Mr. Cundiff was created. Mr. Dennington replied it was created in 2015. Mr. Farrington asked what outreach would be conducted for residents on the streets listed. Mr. Dennington stated that abutter meetings would be held for residents on the streets listed. Mr. Andrew Pfaff, 50 Oak Hill Road, stated that he believes this is a great start to providing sidewalks in Town. He asked Mr. Cundiff to confirm the following relative to the VHB proposal: 1) the length of sidewalk on Oak Hill Road; and 2) that there is currently an existing sidewalk on Parkerville Road. He stated there might be some savings achieved for those items. Mr. Dennington moved that the Board allocate $458,000 of the $509,453 in ARPA funds for the engineering study of the proposed sidewalks on Parkerville Road, Richards Road and Woodland Road. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington

acknowledged that a resident had asked that any remaining ARPA sidewalk monies be used to provide trashcans on Main Street. The Board agreed that all sidewalk monies should be used for sidewalks. Ms. Cook moved to fund the Oak Hill portion of the sidewalk project with any remaining monies from the ARPA sidewalk category, including any residual funds from the first three sidewalk projects, and Chapter 90 funds. Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0). Mr. Farrington asked if the Board was able to vote on the Oak Hill sidewalk project, as it was not listed on the agenda. Ms. Cook stated that the Board could vote on the Oak Hill sidewalk, as it was the next sidewalk on Mr. Cundiff's list.

VII. Public Comment

Mr. Farrington stated that CPC is holding a public forum on June 6th to solicit ideas for potential funding opportunities for its next cycle.

VII. Executive Session

Mr. Dennington moved to enter into Executive Session at 10:00 PM, per M.G.L. Chapter 30A, Section 21, and not return to Open Session for the following items: (1) to discuss contract negotiations for the Town Administrator (Exemption 2), as the Chair has determined that an open meeting may have a detrimental effect on the Town's position. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Upcoming Meetings	
May 21, 2024	*June 4, 2024*

Respectfully submitted,

Bridgid Rubin, Recording Secretary

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Monday, May 13, 2024, 8:00 A.M.
Location: Virtual through Zoom
Present: Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers, Town Administrator Mark Purple, and Assistant Town Administrator Vanessa Hale.
Absent: Kathy Cook

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 8:06 AM.

II. At 8:07 A.M. the Board voted unanimously (4-0-0) to enter Executive Session per M.G.L. Chapter 30A, Section 21, and not return to Open Session through a motion by Mr. Dennington and seconded by Mr. Stivers for the following items: (1) to discuss strategy with respect to litigation (exception 3) where an open meeting will have a detrimental effect on the litigating position of the public body and the chair so declares: Louise Barron v. Daniel Kolenda, Worcester Superior Court, C.A. No. 2085CV00382; and (2) to review and approve April 23, 2024 Executive Session minutes. Roll call vote as follows: Hamilton, aye; Landry, aye; Stivers, aye; Dennington, aye.

Upcoming Meetings

May 21, 2024 *June 4, 2024*

Respectfully submitted, Katie Barry, Business Administrator

Town of Southborough
Board of Health
9 Cordaville Road, Lower Level
Southborough, MA 01772-1662

Phone: (508) 481-3013
Fax: (508) 983-7729

May 15, 2024

To: Select Board

CC: Board of Health, Mark Purple, Taylor West, Barbara Spiri

Subject: Greater Boroughs Partnership for Public Health IMA

Dear Select Board,

The Southborough Board of Health has participated in a Public Health Excellence Grant through the Greater Boroughs Partnership for Health for the past three years along with Westborough, Northborough, and Boylston. The grant is on three-year renewable cycles, and we are about to embark on our second round of funding. The original Intermunicipal Agreement (IMA) was created to expire at the end of the first round of funding (June 2024). Therefore, the four towns have updated the IMA in order to continue to receive the grant. This IMA shall not exceed 25 years and remain in effect assuming that the grant funding continues to be available.

The Southborough Health Department has benefited greatly from the employees providing services funded by the grant and the collaborative nature of the relationships with the other towns. Unfortunately, the Southborough Board of Health cannot attend your meeting on Tuesday May 21st due to a conflicting meeting with Boylston and Northborough. However, we ask that you approve the IMA so that we can continue to provide a wider breadth of services in the health department. Town Counsel has reviewed and approved the IMA. Feel free to reach out if you have any questions.

Thank you,

Chelsea Malinowski

Chair of Southborough Board of Health

Greater Boroughs Partnership for Health
Inter-Municipal Agreement (IMA)
for the Public Health Excellence for Shared Services Grant

THIS AGREEMENT is entered into among the Towns of Boylston, Southborough, and Westborough, along with the Town of Northborough, Massachusetts in its capacity as Host Town of the Greater Boroughs Partnership for Health, (hereinafter "GBPH" or "Collaborative"), (each Town hereinafter being referred to as a "TOWN" or, collectively, as "TOWNS").

WHEREAS, Northborough was awarded a Public Health Excellence for Shared Services grant by the Commonwealth of Massachusetts (the "Grant Program") to act as the Host Community in order to create a cross-jurisdictional public health services sharing program consistent with the recommendations of the Special Commission on Local and Regional Public Health's (SCLRPH) June 2019 Report; and

WHEREAS, the purpose of the Grant Program is to implement the recommendations made in the SCLRPH's June 2019 Report by increasing local public health capacity through cross-jurisdictional shared services programs and agreements; and

WHEREAS, each of the TOWNS offers public health services and resources, and desires to increase its capacity to provide said services and resources and improve regional public health and meet performance standards set by the Commonwealth by entering this Agreement; and

WHEREAS, Northborough, entering into an agreement with the Commonwealth of Massachusetts governing its participation in the Grant Program, is willing and able to manage the administrative obligations of the Grant Program through its Director of Public Health, who shall hereinafter be referred to as the "Program Manager;" and

WHEREAS, each TOWN has authority to enter into this Agreement pursuant to G.L. c.40, §4A;

NOW, THEREFORE, the TOWNS, in mutual consideration of the covenants contained herein, intending to be legally bound thereby, agree as follows:

1. <u>The Public Health Services Collaborative.</u>
   There is hereby established a collaborative of the TOWNS to be known as the Greater Boroughs Partnership for Health, (hereinafter "GBPH"), which shall hereinafter be referred to as the "Collaborative." The Collaborative, acting by and through an Advisory Board ("Advisory Board") as established in Section 5 of this Agreement, and Program Manager, will coordinate, manage, and direct the activities of the parties with respect to the subject matter of the Grant Program, this Agreement, and the agreement between Northborough and the Commonwealth of Massachusetts, attached hereto as "Exhibit A," the terms of which are expressly incorporated herein and shall bind all parties hereto, and any other programs and services related thereto. The

purpose of the Collaborative is to design and implement a program by which the public health staff and resources of the TOWNS are consolidated and shared such that cross-jurisdictional services, investigations, enforcement, and data reporting may be carried out and the public health and safety of the TOWNS may be better protected (the "Shared Services Program").

2. Term.
The term of this Agreement shall commence on the date set forth above and shall expire when the funding for the Grant Program is no longer available, or when terminated in accordance with this Agreement, but in no event shall the Term of this Agreement exceed twenty-five (25) years unless permitted by statute. Nothing herein shall be interpreted to prevent the TOWNS from extending the term of this Agreement beyond the exhaustion of Grant funding with the written consent of all parties hereto.

3. Host Town.
During the term of this Agreement, Northborough acting as the "Host Town," shall oversee the Grant Program and the Shared Services Program provided for described in Exhibit B.

As the Host Town, Northborough shall act for the Collaborative with respect to all grant applications to be submitted and gifts and grants received collectively by the Municipalities. Northborough shall act as the Municipalities' purchasing agent pursuant to G.L. c.7, §22B, for all contracts duly authorized by the Advisory Board, established pursuant to Section 5 of this Agreement, to be entered into collectively by the Municipalities. Final approval of any such contract is subject to approval of the Advisory Board and appropriation by each Municipality, to the extent required.

As the Host Town, Northborough shall also:

a. Serve as employer and direct supervisor for any shared staff. Hiring processes and goal setting will be done in collaboration with the Advisory Board, but subject to requirements of state law and Northborough bylaws, regulations, and personnel policies.
b. Serve as the lead entity in facilitating any shared contracts, including a public health nursing contract in coordination with the other TOWNS.
c. Ensure compliance with all reporting requirements to Massachusetts Department of Public Health and all other grantor or oversight agencies.
d. Ensure that financial management and expenditures meet grantor agency, state, and federal standards, and municipal financial policies and practices, including providing an annual audit, payroll service, benefits administration, health insurance and bill processing.
e. Provide procurement services for GBPH staff and equipment, as needed.
f. Provide office space for GBPH staff, as needed; and

g. Provide information technology support for GBPH staff.

4. Shared Services Coordinator.
Northborough as Host Town shall hire and employ a Shared Services Coordinator at the request, authorization and recommendation of Advisory Board defined below. Through the Shared Services Coordinator and Northborough's Health Department, Northborough shall perform all necessary fiscal and administrative functions necessary to provide the services contemplated under this Agreement, and shall be the holder of all grant funds related to the Grant Program, and may retain up to 15% of the funds received through the Grant Program for wages and resources related to the performance of such duties, in accordance with the Grant Program's Shared Services Program. The Shared Services Coordinator shall report to the Advisory Board and shall keep records of all funding and expenditures for review by the Board and provide periodic financial status updates. For the purposes of employment status and health, retirement and other benefits, and immunities and indemnification as provided by law, the Shared Services Coordinator and any participating Collaborative staff working on behalf of the Collaborative, or the Advisory Board shall be considered employees of Northborough and (if the position is benefits eligible) shall be accorded all benefits enjoyed by other Northborough employees within the same classification as they are or shall be established.

5. Governance.
There shall be an Advisory Board which shall be convened not less than quarterly by the Advisory Board Chair/Co-Chairs.

a. Composition: One member and one alternate, both appointed by the Board of Health from each TOWN. One representative from each TOWN shall be a full voting member whose term shall be as determined by each TOWN's local Board of Health. The voting member shall be a Board of Health member or designee of that TOWN's Board of Health. Each participating TOWN shall also have a second representative who shall be an associate member and who may vote only when the full member is not in attendance. Each TOWN shall maintain its individual local Board of Health, which shall retain its own legal authority and autonomy as provided by law.

b. Voting: Each participating TOWN shall be entitled to one vote on the Advisory Board. Every voting member shall have an equal voice in determining shared priorities, and services to be provided. In the event that voting by the Participating Municipalities results in a tie, the Shared Services Coordinator will be asked to provide a vote in order to reach a final decision.

c. Quorum: A majority of the voting members of the Advisory Board shall constitute a quorum for the purposes of transacting business. The Advisory Board may act by a simple majority of a quorum of its members present and voting unless otherwise provided herein.

1. Roles and Responsibilities of the Advisory Board:
2. Meet on a regular basis and at least quarterly.
3. Develop annual and long-term goals for the Collaborative. Advise on Collaborative staff priorities.

4. Collaborate in developing a sustainability plan for GPBH.
5. Adopt any Collaborative-wide policies and recommended regulations.
6. Review and provide recommendations on operating budgets.
7. Assure compliance with all mandatory reporting requirements as proscribed by the Department of Public Health ("DPH") and Office of Local and Regional Health ("OLRH").
8. Assure attendance at monthly or other grant holder meetings convened by DPH and OLRH.
9. Review financial status and financial statements provided by the Shared Services Coordinator.
10. Review and provide recommendations on reports from staff,
11. Evaluate Shared Services Program staff or consultants.
12. Request, authorize and recommend the Host Town hire shared services employees or contractors. Request and/or recommend that the Host Town terminate shared services employees or contractors.
13. The Advisory Board may by a majority vote decide that any request, authorization and recommendation to the Host Town to hire or terminate shared services employees or contractors be a unanimous vote of the Advisory Board.
14. Any request, authorization and recommendation of Advisory Board to hire or terminate the Shared Services Coordinator must be a unanimous vote of the Advisory Board.

e. Meetings: The Advisory Board shall meet no less than quarterly and may schedule additional meetings, as necessary. All meetings shall be conducted in compliance with the Massachusetts Open Meeting Law, G.L. c.30A, §§18-25 as may be amended from time to time.

6. Obligations of the TOWNS.

Boards of Health shall actively participate in the governance of the GBPH by attending and participating in Advisory Board meetings, reviewing reports, evaluating programs and staff and identifying unmet needs in their communities. The TOWNS agree to provide the following services to ensure that the GBPH provides quality, efficient delivery of services:

a. Appoint a member and alternate to the BOARD.
b. Assist shared staff in establishing work tasks and priorities.
c. Communicate any concerns about GBPH programs first to the shared services coordinator, then, if needed, to the Host TOWN Health Director.
d. Prompt review of staff reports and other materials.
e. Board of Health members are welcome to visit programs conducted by Shared Staff. Board members interested in accompanying a staff person should communicate that request directly, on either a specific or general basis. The presence of a local Board of Health member is always a positive addition to code enforcement and public health work.

Each TOWN will consent to the Collaborative's duly-authorized agents and representatives exercising the powers provided for herein and by the Advisory Board within the boundaries of said TOWN and will direct its agents and employees to work in good faith with the Collaborative's health agent, nurses, and any other employees the Collaborative may use from time to time.

f. Each TOWN will use best efforts to ensure that a representative of the TOWN will attend all Advisory Board meetings (either in-person or via remote access) throughout the life of this Agreement.

g. Each TOWN will use best efforts to ensure that a representative of the TOWN will attend all training sessions which are offered in conjunction with the Grant Program geared towards stakeholders under the Program, as required by the DPH or its representative.

h. Each TOWN will request from the appropriate legislative body appropriation for any services, costs and expenses associated with the Collaborative and not covered by the Grant Program. Notwithstanding this provision or any other terms of this Agreement, no party shall be obligated to incur any financial cost above the amount made available herein through grants and gifts or other sources, unless the financial obligation is supported by an appropriation made in accordance with law.

i. Each TOWN will help promote and market the Shared Services Program and its services within their community.

7. Funding.

Pursuant to G.L. c.40, §4A, any funds received by the Shared Services Program, Advisory Board, or Northborough pursuant to this Agreement, shall be deposited with the treasurer of the Town of Northborough and held as a separate grant account and may be expended, with the approval of the Advisory Board, under the provisions of M.G.L. c.44, §53A, for contribution toward the cost of the Shared Services Program and in compliance with established grant guidelines from grantors only.

The Advisory Board may authorize a disbursement of funds for any shared contractor, salary, or wages consistent with the terms of this Agreement, and/or for any program, service or benefit that is consistent with the terms of this Agreement.

Northborough shall not be obligated to supply any funding or incur any cost in excess of the amounts made available to the Advisory Board and the Shared Services Program through the Grant Program and/or any other and gifts, grants, or other sources appropriated for the purposes of this Agreement. Individual municipal costs incurred outside the scope of this Agreement and specific to the needs of that Municipality will be borne solely by that Municipality. Any funds contributed by the Grant Program shall only be used for shared public health services consistent with the purposes of this Agreement.

Except for the 15% of Grant Program funding for administrative costs that Northborough may retain pursuant to Section 4 of this Agreement, a TOWN may

draw on grant funds individually, with prior approval by the Advisory Board, and provided such funds are available, by submitting invoices to the Shared Services Coordinator for reimbursement from the funds, for expenditure consistent with the purposes of the Shared Services Program and applicable grant funding guidelines.

Annually, the BOARD will develop and approve a public health services budget for contractual shared services. These services are to be covered under a DPH Public Health Excellence Grant administered by the Town of Northborough. The grant term is three years. It is the intention of the participating TOWNS of the GBPH to seek additional grant funds to sustain these services after the end of the grant term, but if that is unsuccessful the TOWNS will need to revisit this Agreement and determine whether they will allocate TOWN funds to continue participation in this Agreement. Until the existing grant funds are expended, there will be no cost to participating TOWNS. Execution of this Inter-Municipal Agreement does not obligate any TOWN to fund the GBPH and an Agreement amendment would be required to do so. Any fees collected by the Host TOWN for inspections or other services from the constituents of the other TOWNS shall remain with the TOWN in which the inspection was performed.

8. Other Municipal Services.

This Agreement solely governs the sharing and delivery of public health services by the GBPH to the TOWNS. If an inspection identifies the need for or forms the basis for enforcement or other legal proceedings, such proceedings shall be the responsibility of the TOWN in which the inspection was performed.

The TOWNS of the Collaborative may request the Advisory Board to add or remove associated services to be delivered as part of the Shared Services Program, and such shall take effect only after this Agreement is so amended in writing and approved by each TOWN. The TOWNS are not limited exclusively to the Grant Program and are not required to use all services of the Grant Program. TOWNS may apply for other grants outside the Collaborative.

The Collaborative through a vote of the Advisory Board may apply for other grants, opportunities, funds, and awards for shared services on behalf of the TOWNS. The Advisory Board must approve any and all grants or grant applications submitted as a Collaborative. The Advisory Board may appoint other TOWNS to act as host agencies for these other grant opportunities and the TOWNS agree that this Agreement shall be amended to account for any associated grant terms and conditions.

9. Employees.

An employee of one of the TOWNS who performs services pursuant to this Agreement on behalf of another TOWN shall be deemed to remain an employee of the employing

TOWN, notwithstanding that such services are performed in or for another TOWN, and shall retain all accrued benefits and shall be subject to the standard personnel practices of such employing TOWN. Pursuant to G.L. c.40, §4A, and subject to the provisions of this section, each TOWN shall be liable for the acts and omissions of its own employees and not for the employees of any other TOWN in the performance of this Agreement to the extent provided by the Massachusetts Torts Claims Act, G.L. c. 258.

10. Liability

Pursuant to MGL c. 40, s. 4A, each party shall be liable only for the acts and omissions of its own employees and not for the employees of any other municipality or agency in the performance of this Agreement to the extent provided by the Massachusetts Tort Claims Act, M.G.L. c. 258. By entering into this Agreement, the TOWNS have not waived any governmental immunity or limitation of damages which may be extended to them by operation of law. The maximum extent of each TOWN'S financial liability in connection with this Agreement shall not exceed the amount validly appropriated by, or available to, each said TOWN for such purpose.

If liability insurance coverage is needed the Collaborative shall obtain and keep in full force and effect public liability insurance in the amount of One Million Dollars ($1,000,000) combined single limit for bodily injury, death and property damage arising out of any one occurrence, protecting the Towns against any and all claims for bodily injury, $3,000,000 aggregate, death or property damage arising directly or indirectly out of the Indemnification provision of this Agreement.

11. Termination.

This Agreement may be terminated by a vote of the TOWNS' representatives of the Advisory Board, at a meeting of the Advisory Board called for that purpose; provided that the representatives vote has been authorized by the TOWN's Select Board or Chief Executive Officer. Any termination vote shall not be effective until the passage of at least sixty (60) days and until the TOWNS have agreed to an equitable allocation of all remaining costs, expenses and assets.

12. Entrance.

Any TOWN may petition the Collaborative to join this Agreement to the extent permitted by the grants. The addition of a municipality will require amendment of this Agreement in accordance with Section 15 herein and approval by the Department of Public Health.

13. Withdrawal.

Any TOWN other than the Host Town, by a vote of its respective authorizing Select Board or Chief Executive Officer, may withdraw from this Agreement with the provision of at least four (4) months prior written notice to the TOWNS. Upon such

withdrawal, the Program Manager shall prepare full statements of outstanding unpaid financial obligations under this Agreement and present the same to the terminating TOWN for payment within thirty (30) days thereafter. To the extent permitted by the Grant Program and any other grant, the Host Town may withdraw from this Agreement upon the provision of at least twelve (12) months prior written notice to the participating TOWNS and the Advisory Board, and a new Host Town shall thereafter be designated by the remaining members of the Advisory Board.

Prior to the effective date of its withdrawal, the Host Town shall transfer all funds held pursuant to this Agreement to the new Host Town as designated by the Advisory Board and pay any outstanding unpaid financial obligations under this Agreement within thirty (30) days thereafter. Any TOWN may withdraw at the end of any fiscal year in which the TOWN's legislative body has not appropriated funds sufficient to support that TOWN's continued participation in the subsequent fiscal year if such funds are required. In such an event, the TOWN shall give as much notice to the other TOWNS to this Agreement as the circumstances allow. The Advisory Board, by vote of the remaining members, has the authority to reallocate grant funding or other outside funding that would have been allocated to the TOWN that has left the Agreement.

14. Assignment.

No TOWN shall assign or transfer any of its rights or interests in or to this Agreement, or delegate any of its obligations hereunder.

15. Amendment.

This Agreement may be amended only by a writing signed by all TOWNS, duly authorized.

16. Severability.

If any provision of this Agreement is held by a court of appropriate jurisdiction to be invalid, illegal or unenforceable, or if any such term is so held as applied to any particular circumstance, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement or affect the application of such provision to any other circumstances, and the remaining provisions hereof shall not be affected and shall remain in full force and effect.

17. Force Majeure.

No TOWN shall be liable to another TOWN, nor be deemed to be in breach of this Agreement, for failure or delay in rendering performance arising out of causes factually beyond its control and without its fault or negligence. Such causes may include but are not limited to: acts of God or public enemy, wars, fires, floods, epidemics, quarantine restrictions, strikes, unforeseen freight embargoes, or unusually severe weather. Dates and times of performance shall be extended to the extent of the delays excused by this section, provided that the TOWN whose

performance is affected notifies the other TOWNS of the existence and nature of such failure or delay.

18. Waiver.

The obligations and conditions set forth in this Agreement may be waived only by a writing signed by the TOWNS. Forbearance by a TOWN shall not be construed as a waiver, nor limit the remedies that would otherwise be available to that TOWN under this Agreement or applicable law. No waiver of any breach or default shall constitute or be deemed evidence of a waiver of any subsequent breach or default.

19. Governing Law.

This Agreement shall be governed by, construed, and enforced in accordance with the laws of the Commonwealth of Massachusetts.

20. Non-Discrimination.

Neither the GBPH nor any TOWN shall discriminate against any person because of race, color, religious creed, national origin, gender, ancestry, sexual orientation, age, handicap, gender identity, genetic information, military service or any other protected Classification under the law with respect to admission to, access to, or operation of its programs, services or activities.

21. Notices.

Any notice permitted or required hereunder to be given or served on any TOWN shall be in writing signed in the name of or on behalf of the TOWN giving or serving the same. Notice shall be deemed to have been received at the time of actual receipt of any hand delivery or three (3) business days after the date of any properly addressed notice sent by mail as set forth below:

EXHIBIT A

Grant agreement between the GBPH and the Commonwealth of Massachusetts – to be attached

EXHIBIT B

The GBPH shall provide the following services in coordination with member TOWNS:

- *A Regional Shared Services Coordinator.* This position shall perform all necessary fiscal and administrative functions necessary to provide the services listed in the work plan and budget, but not limited to, for the public health excellence grant. Other essential duties include staff coordination, community engagement, and grant management.

- *A Regional Public Health Agent (Food/Environmental/Housing).* This position will be hired, and services will include, but may not be limited to, performing routine food, and other environmental inspections as assigned by the Towns. This position will assist the Towns to meet required inspections per year as determined by the food code. This position will manage and inspect tenant complaints, hoarding situations, and other housing related situations and connect residents to necessary support services. This position will also assist with any court-related action necessary as the Town's representative. If an inspection identifies the need for or forms the basis for enforcement or other legal proceedings, such proceedings shall be the responsibility of the TOWN in which the inspection was performed to fund, file and prosecute. Additional environmental health inspectional services may be requested. Inspection supplies needed for inspection services shall be purchased and provided through the shared PHE.

- *A Regional Epidemiologist.* This position will be hired, and services will include, but may not be limited to, public health data collection and analysis for communicable and chronic diseases, regional community health needs assessment and improvement planning (CHA and CHIP), and population health program planning. The Epidemiologist will assist municipal public health directors and staff as well as chief municipal officials in research and development, implementation, communication of epidemiological aspects of traditional public health efforts and will perform any and all ancillary services and duties as needed.

- *Public Health Nursing Services.* This position will be hired or contracted out through a third-party nursing vendor and services will include, but may not be limited to infectious disease surveillance, preventative care, immunizations, education and outreach and emergency planning activities. The Nurse will also develop health education programs, organize immunization clinics, and blood pressure screenings, as well as trainings.

- To efficiently deliver and document inspectional services across multiple TOWNS and improve regulatory compliance, each TOWN will implement FoodCode-Pro and HousingCode-Pro software. Each TOWN will have its own administrative access to the software and a generic inspectional account which will allow the shared inspector to perform and report inspections, but the data will remain with the TOWN for which the inspection is performed.

- *Regional Consultant Services*. Consultants and independent contractors, including for, but not limited to, grant administrative support, technical assistance, policy advisement, emergency inspection/clinical services, and training.

- *Regional Health Communication*. Creating and distributing local public health information to communicate PHE grantee shared services regulations and improve resident health in PHE municipalities.

- *Regional Technology Hardware and Software*. Software that supports PHE shared services staff in implementing the recommendations of the Blueprint. Technology for PHE grant-funded shared services staff to complete grant related functions, including Computers, laptops, iPads, tablets, headsets, speakers, microphones, earbuds, monitors, recording equipment, translation equipment, keyboards, and cell phones.

- *Regional Travel*. Mileage reimbursement for PHE grant-funded staff to complete day to day public health services. Please keep records of mileage for auditing purposes. Travel costs related to training and CEUs for new AND existing staff to maintain workforce credentials outlined in the Blueprint (page 61). Travel costs for training may include mileage and lodging using current Federal GSA rates.

- *Regional Training and Credentialing*. Training and credentialing for new AND existing public health staff from all TOWNS that are part of the shared services area:
  To acquire the workforce credentials outlined in the Blueprint (page 61). For CEUs and
  contact hours to maintain workforce credentials outlined in the Blueprint (page 61).
    - For educational materials such as credentialing exam study guides
    - For exam fees required to attain credentials
    - For registration fees to participate in training courses, when relevant to a staff member's responsibilities, from organizations including, but not limited to:
        - Health Resources in Action
        - Local Public Health Institute
        - Massachusetts Association of Health Boards
        - Massachusetts Association of Public Health Nurses
        - Massachusetts Public Health Association
        - Massachusetts Health Officers Association
        - Massachusetts Environmental Health Association
        - NEIWPCC
        - National Environmental Health Association

Provide those additional ancillary services and duties as needed to the member TOWNS in order to provide the shared services described above.

MEMORANDUM

Date: May 09, 2024

To: Carla McAuliffe, Town Accountant
Brian Ballantine, Finance Director
Mark Purple, Town Administrator
Select Board

From: John Parent, Director of Facilities

Re: Use of Salary Appropriations for Non-Salary Items

Using an outside vendor to perform some of the larger outstanding electrical projects in town owned properties over the past year has been a positive experience. As such, I have intentionally left the part-time electrician position within the Facilities Department vacant for the time being. For proper accounting purposes, I need to reallocate some of the funds originally allocated to the part-time electrician position to the operational portion of the budget to pay for the services provided by the electrical services vendor. Use of these funds will not result in an overage of the Facilities Department's budget.

Please let me know if you have any questions regarding this matter.

Thank you,

John A. Parent
Director of Facilities

MEMORANDUM

Date: May 15, 2024

To: Brian Ballantine, Finance Director
Mark Purple, Town Administrator
Select Board

CC: Leah Emerson, EDC Coordinator
Melissa Danza, Conservation Agent

From: Carla McAuliffe, Town Accountant

Re: Reallocation of Budget Funds

Below are budget reallocation requests for four departments:

Due to a new hire this fiscal year in Accounting (135), there is a need to reallocate up to $1,200.00 of the funds that will not be expended on salary to pay for training costs.

For EDC (182) the coordinator was hired at a higher rate than was budgeted for FY 24 which will result in the need to use $180.00 in non-salary funds to cover salary.

For Conservation (171) the admin was granted a raise on 7/1/2023 that was not included in the FY24 budget. This will result in the need to use $2,200.00 in non-salary funds to cover salary.

The reallocation of these funds will not result in an overage in any of the three departments.

For Fire (220) they are requesting to have a bottom-line budget due to the considerable amount of overtime they are paying due to employee vacancies. The dept is doing what they can to minimize spending. The department will most likely need a reserve fund at year end.

Please let me know if you have any questions.

Date: 5/10/24
Re: FY24 Budget Projection

Good morning all,

Per Carla's request to notify you of any anticipated line items projected to exceed the SB policy of +$15k, I would like to take this opportunity to advise you of my anticipated overage in our Salary's Overtime Budget line item. As you are well aware, we are currently down four officers, and have had to fill these open shifts with overtime hours. Additionally, we have had to incentivize the taking of overtime by offering (through a side letter with the union) the opportunity to earn double time on open, undesirable shifts (weekend midnight shifts, etc). I also have one officer expected to take Paternity leave between now and June 30th, and another officer with a scheduled surgery within that time frame.

Please be advised, though, that I have all the necessary funding in my FY24 budget to cover these overtime hours/shifts.

If you have any questions, concerns, or need anything further from me, please just let me know.

Thank you.

Respectfully,

Ryan M. Newell

Subject: Appointment of PT Dispatchers Marlo Taylor & Jack Sauger

Date: May 17, 2024

Dear Select Board Members:

Please consider my request to appoint Marlo Taylor & Jack Sauger as Part-time Dispatchers with the Town of Southborough, effective May 21, 2024.
Ms. Taylor is a resident of Northborough, MA, and is currently a stay-at-home mother; with previous experience as a restaurant manager for McMenamins. She has an Associate's Degree in Criminal Justice from Pioneer Pacific College.
Mr. Sauger is a resident of Boylston, MA, and is currently working as an Asset Protection Coordinator for Wegmans in Burlington, MA. He has a Bachelor's Degree in Legal Studies from the University of Massachusetts in Amherst.

The starting pay rate for both Ms. Talor and Mr. Sauger would be $22.50 per hour.

Please feel free to contact me with any questions or concerns you may have.

Thank you.

Respectfully,

Ryan M. Newell
Chief of Police

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, June 4, 2024 6:00 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers and Al Hamilton. Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Chair Kathy Cook called the meeting to order at 6:04 PM. Ms. Cook recognized Fire Chief Puntini, as tonight is his first meeting in his new role.

II. Town Scholarship Awards

Ms. Isabelle Murphy, Scholarship Committee chair, introduced her fellow members on the Scholarship Advisory Committee: Lisa Braccio, Stephanie Butler, Christine Pearson and Maria Romero Vagnini. Ms. Murphy shared that there has been a decline in donations and thanked the Board for their donation of $5,000 in ARPA funds to assist in awarding scholarships this year. Ms. Braccio presented the Linda Hubley Memorial Scholarship to Evangeline Hamill. Ms. Cook presented a Carol Harris Award to Olivia Labell. Mr. Dennington presented a Carol Harris Award to Maggie Gorman. Mr. Stivers presented a Southborough Scholarship Award to Cassandra Melo. Mr. Hamilton presented a Southborough Scholarship Award to Elliott Le. Ms. Cook presented a Southborough Scholarship Award to Shelby Aker. Mr. Stivers presented a Southborough Scholarship Award to Kevin Tavares. Southborough Scholarship Awards were also presented to Sadya Kanal and Madeline Ho, who could not attend this evening's ceremony. Additionally, Rep. Kate Donaghue presented each award recipient with a citation from the Massachusetts House of Representatives.

The Board recessed at 6:26 PM and resumed meeting at 6:34 PM.

III. Public Comment

There was no call for public comment.

IV. Scheduled Appointments *(Board may vote)*

a. 6:30 PM – Cable Committee Public Hearing

Ms. Cook opened the Public Hearing at 6:34 PM. Mr. Purple read the public hearing notice into the public record. Mr. Barry Rubenstein, chair of the Cable Television Committee, called the meeting of the Cable Television Committee to order at 6:35 PM. Members in attendance: Barry Rubenstein, Will Warren and Sam Stivers. Also in attendance, via ZOOM: Mr. Bill Solomon, attorney for the Committee. Mr. Rubenstein shared the cable license, approved by the Committee, with the Board and indicated Verizon has received but not yet approved the license. He expects completion of the approval process to occur in the near future and then he will return to the Board with an agreement for them to sign. He stated that, with this proposed contract, Southborough Access Media (SAM) would receive 5% of the gross revenue, based on the number of Southborough subscribers, for operating expenses and $128,000 for capital expenses. Mr. Rubenstein stated that the Committee would begin work on the Charter contract soon. The Board discussed the Verizon contract. There was no public comment on the matter. Mr. Stivers moved to close the public hearing at 6:40 PM.

Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0). Mr. Rubenstein adjourned the Cable Television Committee meeting at 6:41 PM.

b. Trottier School Civics Action Project

Ms. Cook stated that Mr. Hamilton, Advisory Committee Chair Andrew Pfaff and Advisory Committee Member Tim Martel, took part in the Trottier Civics Action Project. Reidma Lothra, Trisha Vedal and Hannah Verges, all 8th grade students at the Trottier Middle School, presented their Road Safety project to the Board. Also attending the meeting was Ms. Julie Jenks, the students' 8th grade teacher. Their presentation focused on lowering speed limits on Oak Hill Road and Parkerville Road. Chief Newell stated that he provided the students with information supplied by his officers. He also commended the students on their project. The Board thanked the students and their teacher for the presentation.

c. Appointment of Recreation director

Ms. Cook reported that the Board would not appoint a new Recreation Director this evening, as the individual that was to be appointed had decided to remain in their current position. She stated that this matter would be addressed at a future meeting.

V. Reports

a. Chair's Report

i. Neary Building Committee financial report

Ms. Cook reported that estimates for each of the twelve options under consideration had been received. She stated that a group, comprised on herself, Mr. Brian Ballantine, Mr. Andrew Pfaff, Ms. Becky Pellegrino and the Town's bond counsel, Unibank, had reviewed the estimates and the tax impacts to the Town for each option. She reported that the Neary School Building Committee (NSBC) had narrowed consideration to the following options: 1) a new 2-grade school; 2) a new 4-grade school; and 3) a renovated and expanded 4-grade school. She reported that the NSBC would make its final recommendation at the end of August. Mr. Hamilton asked that Ms. Cook place on the Board's agenda a discussion of the Town's overall strategy and guidance on funding capital projects that are planned.

ii. Hopkinton water project

Ms. Cook reported that Hopkinton has recently expressed interest in moving forward with this project. She stated she would work with the incoming Select Board Chair in Hopkinton on the previous draft Inter-Municipal Agreement (IMA) and hopes to have a document for the Board to discuss in the near future. She stated the next steps are as follows: 1) execute an IMA between Hopkinton and Southborough; 2) hold a neighborhood forum for Oak Hill residents regarding the proposed tank, including height representations and; 3) apply for a height variance from the Zoning Board of Appeals (ZBA). She also stated that funds for the audit to verify project design had previously been approved at the 2023 Annual Town Meeting.

b. Member's Report

i. MTC survey distribution

Mr. Dennington reported that the Municipal Technology Committee (MTC) survey to determine the best time to set Fall Town Meeting has been widely distributed and he encouraged the public to participate in the survey. Mr. Stivers stated that the survey can be found on the Town's website. Ms. Cook added that the Board would set the date and time for Fall Town Meeting at its June 18th meeting, based on the survey results.

iii. Chestnut Hill Farm update

Mr. Hamilton reported that he attended a Conservation Commission meeting where the Trustees of Chestnut Hill Farm discussed plans to return to a working farm, although there is no specific plan or timeline. He also shared he is meeting with a Vice President of the Trustees of the Reservations for this region to discuss the Conservation Restriction and how the Board might assist the Trustees in resuming farming activities at Chestnut Hill Farm.

iv. CPC meeting re: Affordable Housing update

Mr. Hamilton reported that he attended a meeting of the Community Preservation Committee (CPC) to discuss moving the community housing monies to the Affordable Housing Trust Fund (AHTF). He stated the CPC does not want to present a warrant article to transfer funds at Fall Town Meeting. Mr. Hamilton stated that several options were considered but that much discussion is still needed.

c. Town Administrator's Report

i. One Stop grant update

Mr. Purple reported that Ms. Hale and Economic Development Committee (EDC) Coordinator Leah Emerson have been working to complete a One Stop Grant for branding and way finding in the Downtown District. He stated that there have been delays with the submission portal and Ms. Hale is working to submit the Town's grant this evening or tomorrow.

Mr. Purple acknowledged the students from Assabet Valley Regional Technical High School on the successful completion of the addition at the Senior Center and thanked Mr. John Parent for coordinating the collaboration.

Mr. Purple reported that Mr. Parent learned from Mr. Bill Galvin, from National Grid, that the LED Light Conversion Project has been completed. Mr. Purple also reported that Mr. Parent has requested Mr. Galvin inform National Grid of the project's completion and facilitate receipt of the Town's incentive payment of $60,000. Mr. Purple thanked Mr. Parent, noting that National Grid paid to install the new lights and the Town will receive not only an incentive payment, but also enjoy long-term savings from the lights.

Mr. Stivers remarked that he noticed landscaping has been completed at the Southborough Heritage Park and shared that the Park looks like a wonderful community space.

Ms. Cook acknowledged Chief Puntini and his Pinning Ceremony, which was held last Saturday at the Senior Center.

VI. Consent Agenda

a. Approve Open Session Meeting Minutes: April 23, 2024 (amended); May 21, 2024

Mr. Stivers requested to hold Consent Agenda item "a." **April 23, 2024 minutes:** Mr. Stivers and Mr. Dennington had scrivener's changes to the minutes. **May 21, 2024 minutes:** Mr. Stivers had scrivener's changes to the minutes. Mr. Stivers moved to approve the Open Session Meeting Minutes for April 23, 2024, as amended, and the Open Session Meeting Minutes for May 21, 2024, as amended. Mr. Dennington seconded the motion. The motion unanimously approved (5-0-0).

b. Approve successor agreement for Town Administrator

c. Accept St. Mark's School donation for $100,000

d. Accept Pilgrim Church donation to Youth and Family Services for $500.00

e. Accept Fortin family donation to the Historical Commission for $75.00

f. Approve Personnel Board request for tuition for reimbursement funds transfer

g. Approve budget reallocation request

h. Approve cemetery waiver request

i. Approve Select Board meeting dates through calendar year 2024

Mr. Dennington requested to hold Consent Agenda item "i." The Board discussed their meeting schedule and agreed to the following Board meeting dates through the end of 2024: June 10th - Goal Setting at the Public Safety Building at 6:30 PM, June 18th, July 16th, August 6th, September 4th, September 17th, October 1st, October 15th, November 4th, November 19th, December 3rd and December 17th. Ms. Cook moved to approve the Board meeting schedule through the end of 2024, as discussed. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

j. Approve use of Transfer Station for African Library donations

k. Approve Executive Session Meeting Minutes: May 21, 2024

l. Vote to release Executive Session Meeting Minutes: April 23, 2024

Ms. Cook moved to approve Consent Agenda items "b", "c", "d", "e", "f", "g", "h", "j", "k" and "l." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VII. Other Matters *(Board may vote)*

a. Approve special act(s) for submission to Legislature

Ms. Cook asked the Board for comment on the letter, with attachment, from Mr. Purple to Representative Donaghue asking for her legislative assistance to modify two Special Acts. The first request for modification is to: 1) establish the Tree Warden position, appointed by the Board and supervised by the DPW Superintendent; 2) dissolve the Public Works Planning Board; and 3) replace Board of Selectmen with Select Board. Mr. Stivers thanked Mr. Tim Litt for his assistance with this matter. The second request for modification is relative to pension obligation bonds. Mr. Dennington moved that the Board approve submitting the two Special Acts to the Legislature. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Review FY25 Board and Committee Appointments

Ms. Cook stated that the Board would focus on reappointments only. The Board addressed the committees one by one. **21 Highland Future Use Committee:** Mr. Dennington moved to reappoint each member of the 21 Highland Future Use Committee to a term not to exceed December 31, 2024, pending a positive response that they wish to continue to serve. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Affordable Housing Trust Fund Committee:** no action was necessary at this time. **Cable Television Committee:** Mr. Dennington moved to reappoint Sam Stivers and William Warren to the Cable Television Committee, term to expire June 30, 2027. Ms. Cook seconded the motion. The motion was approved (4-0-1). Mr. Stivers abstained. **Capital Planning and Improvement Committee:** Mr. Dennington moved to reappoint Steve Holland to the Capital Planning and Improvement Committee, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Community Preservation Committee:** Mr. Hamilton requested to hold action on this committee. **Conservation Commission:** Mr. Dennington moved to reappoint Melinda Upton and Kevin Farrington to the Conservation Commission, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Council on Aging:** Mr. Dennington moved to reappoint Joyce Macknauskas, Mary Ann Anderson and Bill Harrington to the Council on Aging, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Economic Development Committee:** no action was necessary at this time. **Golf Course Committee:** Mr. Dennington moved to reappoint all five members of the Golf Course Committee, term to expire June 30, 2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Historical Commission:** Mr. Dennington moved to reappoint Michele Hokinson to the Historical Commission, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Housing Authority:** No action is necessary at this time. **Metropolitan Area Planning Council:** no action is necessary at this time. **MetroWest Regional Collaborative:** Mr. Dennington moved to reappoint Sam Stivers as the Select Board representative to the MetroWest Regional Collaborative, term to expire June 30, 2025, and reappoint Meme Luttrell as the Planning Board representative to the MetroWest Regional Collaborative, term to expire June 30, 2025. Ms. Cook seconded the motion. The motion was approved (4-0-1). Mr. Stivers abstained. **MetroWest Regional Transit Authority:** Mr. Dennington moved to reappoint Sam Stivers to the MetroWest Regional Transit Authority, term to expire June 30, 2025. Ms. Landry seconded the motion. The motion was approved (4-0-1). Mr. Stivers abstained. **Municipal Technology Committee:** Mr. Dennington moved to reappoint Orla Daly as the Select Board representative and Matt Probst as the Library Trustees representative to the Municipal Technology Committee, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Neary School Building Committee:** Mr. Dennington moved to reappoint all existing members to

the Neary School Building Committee, term to expire June 30, 2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Open Space Preservation Commission:** Mr. Hamilton requested to hold action on this committee. **PILOT Committee:** Ms. Cook stated that Ms. Patricia Burns-Fiore, chair of the committee and sponsor of the Citizens Petition that created the PILOT Committee, has requested that the Board reduce the size of the committee from seven to five at the Fall Town Meeting. Mr. Dennington moved the reappoint all members of the PILOT Committee, each term to expire June 30, 2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Recreation Commission:** Mr. Dennington moved to reappoint Johanna Shayner and Jennifer Hansen to the Recreation Commission, each for a term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Southborough Cultural Arts Council:** No action is necessary at this time. **Southborough Emergency Planning Committee:** No action is necessary at this time. **Southborough Housing Opportunity Partnership Committee:** Mr. Hamilton requested to hold action on this committee. **Southborough Public Accessibility Committee:** Mr. Dennington moved to reappoint William Warren to the Southborough Public Accessibility Committee, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Southborough Scholarship Advisory Committee:** Ms. Cook stated that the Scholarship Advisory Committee has requested to reduce their committee size from seven to five and she indicated the Board would address this matter at a later date. Mr. Dennington moved to reappoint Maria Romero Vagnini, Christine Pearson and Stephanie Butler to the Southborough Scholarship Advisory Committee, each with terms to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Southborough Stewardship Committee:** Mr. Hamilton requested to hold action on this committee. **Southborough Trails Committee:** Mr. Dennington moved to reappoint Satyendra Sharma, Thomas Marcoulier and Kathryn McKee to the Trails Committee, each for a term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Taxation Aid Committee:** Mr. Dennington moved to reappoint each of the existing members of the Taxation Aid Committee, each with a term to expire June 30, 2025. Mr. Stivers seconded the motion. The motion was unanimously approved. **Tricentennial Committee:** Mr. Dennington moved to reappoint Andrew Dennington, Jim Blaschke, Patricia Burns-Fiore, Ginny Martins and Don Morris to the Tricentennial Committee, each with a term to expire June 30, 2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Youth Commission:** Mr. Dennington moved to reappoint Susan Beyer to the Youth Commission. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Zoning Board of Appeals:** Mr. Dennington moved to reappoint Doug Manz, as Alternate Member, to the Zoning Board of Appeals, term to expire June 30, 2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved to reappoint Mike Robbins to the Zoning Board of Appeals, term to expire June 30, 2029. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

c. Review of committees for possible reorganization and/or discussion of reduction in size

Mr. Hamilton stated that, in his opinion, Town boards/committees should reflect the policy direction set by the elected Select Board. Ms. Cook stated that no votes would be taken on the boards/committees held this evening (CPC, Open Space Preservation Commission, SHOPC and Stewardship) and that those committees would be invited to the June 18th Board meeting. Mr. Hamilton stated he is concerned about the timeliness of the closeout of CPC funded projects. He also wants to ensure that the CPC shares the Board's commitment to measurable progress on affordable housing. Ms. Braccio expressed her frustration with Mr. Hamilton's comments regarding the Board's ability to set policy direction. She stated that she was an elected Select Board member for six years and never chose to withhold an appointment of a volunteer who stepped forward to serve the Town, regardless of their views. She also stated that differing viewpoints offer the opportunity for discussion and collaboration. She stated she has served the Town for nineteen years, is an elected

Planning Board member and is their representative to the CPC. Mr. Grant Farrington, 58 Flagg Road, stated he shares many of Ms. Braccio's concerns and he hopes Mr. Hamilton's views are in the minority on the Board. Ms. Kristin LeVault, 12 Southwood Drive, stated she would like to hear the reaction of other members to Mr. Hamilton's comments. She stated that the CPC acts in the best interests of the Town and, as a volunteer, she is offended by this evening's actions. She stated that this matter highlights why it is difficult to encourage Town volunteerism. Ms. Cook reiterated that a discussion with the committees in question would take place at the Board's June 18th meeting. Mr. Hamilton stated that he held the reappointments for SHOPC so that the Board can move forward with consolidating SHOPC and the AHTFC. Mr. Hamilton stated that he believes the Board should have a conversation with the Open Space Preservation Commission relative to the scope of their authority. The Board had a robust discussion on the issues related to the four committees that were held. The Board agreed that they look forward to meeting with the four committees at the June 18th meeting.

d. RECC update

Ms. Cook moved to this matter following Other Matters "b." Mr. John Butler and Mr. Matt Probst, Chair of the MTC, appeared before the Board on the matter. Mr. Hamilton shared the Regional Emergency Communications Center (RECC) Working Group Update, including recommendations, with the Board. Mr. Hamilton stated that the Working Group is recommending further exploration of joining the MetroWest RECC and also pursuing a virtual RECC option.

Ms. Lisa Braccio stated she had her hand up to speak remotely during the previous discussion, was not recognized and asked to be recognized. Ms. Cook stated that the Board would conclude their discussion on the current matter and recognize Ms. Braccio after that.

Mr. Butler stated that he worked with Mr. Probst and Yash Ukidave, also a member of the MTC, on the concept of a virtual RECC. He stated that there are no technological barriers to creating a virtual RECC and recent trends are pushing the systems closer to first responders. He stated more specified plans would be needed for a virtual RECC and suggested that the Town meet with surrounding communities such as Hopkinton, Westborough and Northborough to gauge their interest in participating in a virtual RECC. Mr. Stivers stated a quick timeline would be necessary to gauge the interest of other communities. The Board also discussed that, absent interest from surrounding communities, joining the MetroWest RECC would be the best path to pursue. The Board discussed the concept of a virtual RECC. They also asked what the State's position is on virtual RECCs. Mr. Hamilton stated he would reach out to State officials tomorrow to determine their position and level of support for a virtual RECC. Mr. Dennington stated that State support would determine whether the Town explores a virtual RECC or pursues the MetroWest RECC. Ms. Cook asked for comment from Police Chief Newell and Fire Chief Puntini. Chief Newell stated he would like to see how a virtual RECC would impact the personnel in his department. He expressed concern that Southborough would be the first in the State to pursue a virtual RECC and stressed the need for participation with other community partners. He reiterated that the State is focused on consolidating public-safety answering points (PSAPs) in RECCs. Chief Puntini stressed that RECCs are more successful with neighboring communities and he also believes any implementation of a virtual RECC would take six-plus months. He also stated that dispatchers are required by law to provide Emergency Medical Dispatch (EMD) and this is most effectively done with two people. The Board discussed the matter and remains open to learning more about the virtual RECC concept as part of the process to make an informed decision on behalf of the Town.

VIII. Public Comment

Ms. LaVault asked for clarification from Mr. Hamilton on his comments regarding the Board setting a policy direction. Mr. Hamilton stated that if someone disagrees with him, they can run for open Board seats.

IX. Adjournment

Mr. Dennington moved to adjourn at 8:57 PM.

Upcoming Meetings	
June 11, 2024	*June 18, 2024*

Respectfully submitted,

Bridgid Rubin, Recording Secretary

TO: Select Board
FROM: Mark Purple, Town Administrator
Vanessa Hale, Assistant Town Administrator
RE: Process for Recreation Director appointment
DATE: June 3, 2024

It is with great pleasure that I recommend Ms. Julie Harrington be appointed as Recreation Director.

When we received news of the resignation of Tim Davis, we immediately started recruiting for this position knowing that the busy camp season was nearly upon us. The part-time Administrative Assistant position was also vacant, and the Program Coordinator had only been in the position for a few months. It was a challenging time of transition for the department.

Jen Hansen, Recreation Commission Chair, Don Dumont, Recreation Commission Vice-Chair, and Sarah Cassell, Youth and Family Services Director assisted Ms. Hale with the first-round interviews. The panel interviewed 4 of the 28 applicants and all agreed that two finalists be sent on to the second round. This phase of the recruitment included an interview with me, as well as Brian Ballantine, Finance Director. Additionally, Chris Leroy, DPW Operations Supervisor, conducted a tour of the ground and facilities with each finalist. The remaining members of the Commission were afforded two opportunities to meet the finalists. Ms. Hansen discussed both finalists with me and we wholeheartedly agreed that Ms. Julie Harrington be recommended to the Select Board for appointment.

Ms. Harrington is currently serving as the Director of Parks and Recreation in the Town of Medway where she established the department in 2018. She has extensive experience in management of the operating and revolving budget, programming for all ages [including summer camps], extensive special event and capital planning as well as oversight of several town facilities. Just last year she was recognized statewide when she was awarded Community Professional of the Year in 2023. Prior to that Ms. Harrington was the Assistant Director in Sudbury and brings experience from her time in the Westwood Recreation Department. We believe she is superbly qualified to take the place of Tim Davis and will quickly maximize the community impact of the Southborough Recreation Department.

She is available to commence employment before the end of June.

Julie Harrington

Southborough, MA 01772

To Whom It May Concern,

I am writing to express my interest in the Recreation Director position at the Southborough Recreation Department, as advertised. With over a decade of experience in the field of recreation, including nearly six years of transformative leadership at Medway Parks and Recreation, I am excited about the opportunity to bring my expertise and passion to your esteemed department.

During my tenure at Medway Parks and Recreation, I had the privilege of starting the department from scratch, spearheading initiatives, and building a robust recreation program that served the diverse needs of the community. This experience equipped me with a deep understanding of the intricacies involved in establishing and managing recreational programs, from conception to implementation. My hands-on approach and dedication to excellence have been instrumental in driving the success of our programs and fostering positive community engagement.

My involvement with the Massachusetts Recreation and Parks Association (MRPA) has further enriched my professional journey. Being recognized as the MRPA Community Professional of the Year in 2023 was a humbling acknowledgment of my commitment to advancing the field of recreation and serving the community. Through my active participation in MRPA events, workshops, and networking opportunities, I have stayed abreast of industry trends and best practices, ensuring that I can bring innovative ideas to the table.

I am an extremely hardworking individual who thrives on challenges and is deeply passionate about the transformative power of recreation. My leadership style is characterized by a collaborative approach, fostering teamwork, and empowering staff to reach their full potential. I am adept at developing strategic plans, managing budgets, and cultivating partnerships to enhance program offerings and maximize community impact.

In conclusion, I am enthusiastic about the opportunity to leverage my skills and experience as the Recreation Director at Southborough Parks and Recreation Department. I am confident that my proven track record of success, coupled with my dedication to excellence, make me a strong candidate for this role. Thank you for considering my application. I look forward to the possibility of contributing to the continued success of your department.

Sincerely,
Julie Harrington

Julie Harrington

Summary

Of

Proposed Cable Television Renewal License and Agreement

Town of Southborough – Verizon New England, Inc.

from

Attorney William Solomon, Special Counsel

(May 31, 2024)

Verizon Cable Subscribers as of 12/31/23 – 1,665. (Note – Charter had 294 Cable Subscribers in Southborough as of 12/31/23 and Comcast had 27 Cable Subscribers as of 12/31/23)

License Term/Verizon Right to Unilateral Termination Effective After 37 Months – The License term is five (5) years from the Effective Date (November 26, 2024 – November 25, 2029). Verizon may terminate this License upon two hundred and seventy (270) days' written notice to the Issuing Authority, however Verizon may not provide a notice of termination sooner than the beginning of the 28th month following the Effective Date. (Section 2.4.)

In the event of such termination, all PEG Access Capital Payments will have been made to the Town prior to the effective date of termination. (Note – in consideration of this right to early termination, Verizon's full capital payment is pursuant to the last draft sent to Verizon paid within 2 years of the Effective Date. (See further description of PEG Capital below.)

PEG Access Channels – The Licensee shall continue to make available to the Issuing Authority and/or the PEG Access Designee, as designated in writing by the Issuing Authority, three (3) SD PEG Access Channels on its Basic Service Tier and one (1) HD PEG Access Channel. The programming on the HD PEG Access Channel shall be distinct programming. The Issuing Authority or the PEG Access Designee may subsequently change the programming on the HD PEG Access Channel from distinct programming to an HD simulcast of an existing SD PEG Access Channel, upon one hundred (180) days prior written notice from the Issuing Authority to the Licensee, which change shall not occur more than once during the License term.

PEG Access Annual Support – continuation of 5.00% of annual Gross Revenue, which percentage was previously increased to said 5.00% based on the increase thereto in the Comcast License. (5% is the cap on a franchise fee in the federal "Cable Act"). If the Town issues or renews any cable licenses (other than the Comcast cable license) on or after the Effective Date that provide for a lower percentage of PEG Access Support, then the Licensee's percentage of PEG Access Support payments shall be reduced to match such lower percentage over that same time period. PEG Access Annual Support will continue to be paid quarterly. (There is no basis for believing that this reduction in percentage support will ever occur.) (Section 5.4.)

PEG Capital Grant – Licensee shall pay to the Issuing Authority, or to the PEG Access Designee if requested in writing by the Issuing Authority, a PEG grant to be used for PEG Access Channel capital funding purposes in the total amount of One Hundred Twenty-Eight Thousand Dollars ($128,000) (the "PEG Grant") payable in three (3) installment of Forty-Two Thousand Six Hundred Sixty-Six Dollars ($42,666) (as rounded off). The first installment to be made within forty-five (45) days of the Effective Date. The two subsequent payments shall be made on the first (1st) and second (2nd) anniversaries of the Effective Date.

PEG Interconnection and Cablecasting:

5.2.1. The Licensee shall continue to connect to equipment owned by the Town and/or the PEG Access Designee at the PEG access studio (Trottier Middle School Studio. 49 Parkerville Road, 1st Floor, Southborough, Massachusetts) ("PEG Access Interconnection Site"). The Licensee shall be responsible for interconnection at this location, including any approvals and/or costs arising therefrom.

5.2.5. The Licensee shall work with the Town and/or the PEG Access Designee to ensure that Licensee provided IP encoders (and corresponding decoders) provided by the Licensee for use on the Town and/or PEG Access Designees IP network and an additional IP encoder (and corresponding decoder) to be provided by the Licensee to the Town or the PEG Access Designee within one hundred twenty days (120) days of the Effective Date, function as part of the Town's and/or PEG Access Designee's IP network to deliver PEG Access Programming from: (i) the Police and Fire Department (32 Cordaville Road); (ii) the Senior Center (9 Cordaville Road and

(iii) the Town House (17 Common Street) (collectively the "Auxiliary Sites") to the PEG Access studio (49 Parkerville Road). The Town and/or the PEG Access Designee shall own said IP encoders and decoders, provided however that the Licensee shall warranty the IP encoders and decoders for a period of one (1) year beginning on the date that the Licensee provided/provides the encoder/decoder to the Town and/or PEG Access Designee.

Electronic Program Guide - If Verizon lists PEG Access Channel program content titles on its electronic program guide in any other municipality in the State (other than on a test or trial basis), then it shall, upon written request of the Issuing Authority, discuss with the Issuing Authority or its PEG Access Designee, the technical feasibility and commercial reasonability of listing the Town's PEG Access Channel program content titles on the Licensee's electronic program guide and the provision thereof by the Licensee; however, the Licensee shall not be required by this Section 5.8 to list the Town's PEG Access Channel program content titles on its electronic program guide. (Section 5.8)

PEG Access Video-On-Demand - If Verizon provides any other municipality in the state with PEG Access Channel "video-on-demand" (VOD) (other than on a test or trial basis), then it shall, upon written request of the Issuing Authority, discuss with the Issuing Authority, the technical feasibility and commercial reasonability of providing, and the provision of PEG Access Channel programming VOD in the Town; however, the Licensee shall not be required by this Section to provide PEG Access Channel programming VOD in the Town. (Section 5.9)

Cable Service To Public Buildings – Subject to Section 3.1 and the applicable provisions of the FCC's 2019 Third Report and Order In the Matter of Implementation of Section 621 of the Cable Act (the "621 Order"), as such 621 Order may be in effect and/or amended during the term of this License, if requested in writing by the Issuing Authority, Licensee shall provide in a reasonable amount of time and after notifying the Issuing Authority of the process by which it shall implement the 621 Order's requirements regarding the provision of free or discounted Cable Service to public buildings under a cable license, one Cable Service drop, an outlet, and monthly Basic Service along its activated Cable System route in the Town at no cost to public buildings in the Town. The current list of public buildings is set forth in **Exhibit A**.

EXHIBITS

EXHIBIT A -- PUBLIC BUILDINGS TO BE PROVIDED FREE CABLE SERVICE UPON WRITTEN REQUEST (SUBJECT TO SECTION 3.4)

THIS CABLE RENEWAL LICENSE AGREEMENT (this "License") is entered into by and between the Select Board of the Town of Southborough, as Issuing Authority for the grant of the cable television license pursuant to the Massachusetts Cable Law (M.G.L. c. 166A), and Verizon New England Inc., a corporation duly organized under the applicable laws of the State of New York (the "Licensee").

WHEREAS, the Issuing Authority is a "franchising authority" in accordance with Title VI (as hereinafter defined) (see 47 U.S.C. § 522(10)) and is authorized to grant one or more nonexclusive cable licenses pursuant to the Massachusetts Cable Law;

WHEREAS, the Issuing Authority granted to Licensee effective as of November 26, 2019, a nonexclusive Cable Television Renewal License to install, maintain, extend, and operate a Cable System in the Town for a term of five (5) years (the "2019 Renewal License");

WHEREAS, the Licensee has operated a Cable System in accordance with the Final License as of the effective date on its existing Telecommunications Facilities consisting of a Fiber to the Premises Telecommunications Network ("FTTP Network") in the Town which also transmits Non-Cable Services pursuant to authority granted by M.G.L. c. 166 and Title II, which Non-Cable Services are not subject to the Massachusetts Cable Law or Title VI;

WHEREAS, pursuant to and in accordance with applicable federal and State law, the Issuing Authority undertook a process to determine whether it should renew the 2019 Renewal License and the terms for such a renewal;

WHEREAS, the Issuing Authority has examined the past performance of Licensee and has determined that Licensee is and has been in material compliance with the 2919 Renewal License and applicable law;

WHEREAS, pursuant to and in accordance with applicable federal and State law, the Licensee submitted to the Issuing Authority a proposal to renew the 2019 Renewal License to operate a Cable System in the Town; and

WHEREAS, following good faith negotiations between the parties, the Issuing Authority and Licensee have agreed on the terms for a renewal License under which Licensee will continue to operate its Cable System in the Town.

NOW, THEREFORE, in consideration of the Issuing Authority's grant of a renewal License to Licensee, Licensee's promise to continue providing Cable Service to residents of the Town pursuant to the terms and conditions set forth herein, and for other good and valuable consideration, the receipt and the adequacy of which are hereby acknowledged,

THE SIGNATORIES DO HEREBY AGREE AS FOLLOWS:

1. DEFINITIONS

Except as otherwise provided herein, the definitions and word usages set forth in the Communications Act are incorporated herein and shall apply in this License. For the purpose of this License, the following words, terms, phrases and their derivations shall have the meanings given herein, unless the context clearly requires a different meaning in which case such other meaning shall apply. When not inconsistent with the context, the masculine pronoun includes the feminine pronoun, words used in the present tense include the future tense, words in the plural number include the singular number and words in the singular number include the plural number. The word shall is always mandatory and not merely directory. In addition, the following definitions shall apply:

1.1. *Access Channel*: A video Channel, which Licensee shall make available to the Town and/or the PEG Access Designee without charge for non-commercial public, educational, or governmental use for the transmission of Video Programming as directed by the Issuing Authority or the PEG Access Designee and in accordance with the terms of this License.

1.2. *Affiliate:* Any Person who, directly or indirectly, owns or controls, is owned or controlled by, or is under common ownership or control with, the Licensee.

1.3. *Basic Service:* Any service tier which includes the retransmission of local television broadcast signals as well as the PEG Access Channels required by this License.

1.4. *Cable Division:* The Cable Television Division of the Massachusetts Department of Telecommunications and Cable or its successor.

1.5. *Cable Service* or *Cable Services:* Shall be defined herein as it is defined under Section 602(6) of the Communications Act, 47 U.S.C. § 522(6).

1.6. *Cable System* or *System:* Shall be defined herein as it is defined under Section 602(7) of the Communications Act, 47 U.S.C. § 522(7).

1.7. *Channel:* Shall be defined herein as it is defined under Section 602 of the Communications Act, 47 U.S.C. § 522(4).

1.8. *CMR:* The Code of Massachusetts Regulations.

1.9. *Communications Act*: The Communications Act of 1934, as amended (47 U.S.C. § 101 et seq.), which includes the Cable Communications Policy Act of 1984, as amended (including as amended by the Cable Television Consumer Protection and Competition Act of 1992 and the Telecommunications Act of 1996).

1.10. *Control*: The ability to exercise *de facto* or *de jure* control over day-to-day policies and operations or the management of corporate affairs.

1.11. *Educational Access Channel*: An Access Channel made available to the Town pursuant to the terms and conditions of this License and available for the non-commercial use of the local public schools in the Town and/or of the PEG Access Designee.

1.12. *FCC*: The United States Federal Communications Commission, or successor governmental entity thereto.

1.13. *Force Majeure*: Acts of God; acts of public enemies; orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, political subdivisions, or officials, or any civil or military authority; insurrections; riots; epidemics; landslides; lightening; earthquakes; fires; hurricanes; volcanic activity; storms; floods; washouts; droughts; civil disturbances; explosions; strikes, labor disturbances or lockouts; unavailability of essential equipment, services and/or materials and/or other matters beyond the control of the Issuing Authority, the Town or the Licensee, and unreasonable work delays.

1.14. *Franchise Fee:* Shall have the meaning as set forth in Section 622 (g) of the Communications Act (47 U.S.C. §542(g)).

1.15. *FTTP Network*: Shall have the meaning set forth in the recitals of this License.

1.16. *Government Access Channel*: An Access Channel made available by the Licensee to the Town pursuant to the terms and conditions of this License and available for the non-commercial use of the Issuing Authority and/or the PEG Access Designee.

1.17. *Gross Revenue:* All revenue, determined in accordance with United States Generally Accepted Accounting Principles ("GAAP"), which is derived by Licensee and/or its Affiliates from the operation of the Cable System to provide Cable Service in the Town, including, without limitation, the following items: fees, charges and payments collected from Subscribers for Cable Services; installation, reconnection, change-in-service (upgrades, downgrades, etc.) and similar charges; revenues received from rentals or sales to Subscribers of converters, remote controls and other Subscriber equipment used to provide Cable Service over the Cable System; fees from third parties for leased access programming; revenues that the Licensee receives from home shopping channels for the use of the Cable System to sell merchandise as prorated to include such revenue attributable to the Cable System in the Town based on the number of Subscribers; advertising revenues as prorated to include such revenue attributable to the Cable System in the Town based on the number of Subscribers; and all fees imposed on the Licensee by this License and applicable law that are passed through and paid by Subscribers (including the License Fee, the PEG Access Support, and the PEG Grant as long as the Issuing Authority provides evidence that the PEG Grant of the other cable provider(s) in the Town is included in their respective gross revenue. Gross Revenue shall include revenue of an Affiliate only to the extent that such Affiliate revenue relates to the provision of Cable Services over the Cable System in the Town, and not the revenues of any such Affiliate that are not related thereto. In no event shall revenue of an Affiliate be Gross Revenue to the Licensee if such revenue is otherwise subject to Franchise Fees and paid to the Issuing Authority. If Cable Services are provided to Subscribers in conjunction with Non-

Cable Services, nothing herein shall prevent the Licensee from allocating a greater amount of the combined revenue to Cable Services than is otherwise provided pursuant to GAAP.

Provided, however, that Gross Revenue shall not include:

1.17.1. Revenues received by any Affiliate or other Person in exchange for supplying goods or services used by Licensee to provide Cable Service over the Cable System, except to the extent that such revenues are derived from the operation of the Cable System to provide Cable Service in the Town;

1.17.2. Bad debts written off by Licensee in the normal course of its business, provided, however, that bad debt recoveries shall be included in Gross Revenue during the period collected;

1.17.3. Refunds, rebates or discounts made to Subscribers;

1.17.4. Any revenues classified as Non-Cable Services revenue under federal or State law including, without limitation, revenue received from Telecommunications Services; or revenue received from Information Services, including, without limitation, Internet Access Service, electronic mail service, electronic bulletin board service, or similar online computer services;

1.17.5. Any revenue of the Licensee or any other Person which is received directly from the sale of merchandise through any Cable Service distributed over the Cable System, notwithstanding that portion of such revenue which represents or can be attributed to a Subscriber fee or a payment for the use of the Cable System for the sale of such merchandise, which portion shall be included in Gross Revenue;

1.17.6. Revenues from the sale of Cable Services on the Cable System to a reseller, when the reseller is required by law to pay (and does pay) Franchise Fees and other cable license fees to the Town on the resale of the Cable Services. Nothing under this Section is intended to limit the rights of the Town pursuant to Section 622(h) of the Communications Act (47 U.S.C. § 542(h));

1.17.7. Any tax of general applicability imposed by a town, the State, federal or any other governmental entity and required to be collected from Subscribers by Licensee and remitted to the taxing entity (including, but not limited to, sales/use taxes);

1.17.8. Any revenue foregone as a result of the Licensee's provision of free or reduced cost Cable Services as required by this License to any Person, including without limitation, employees of Licensee and public institutions or other institutions as required or permitted herein and to other customers which are exempt, as required or allowed by the Town; provided, however, that such foregone revenue which Licensee chooses not to receive in exchange for trades, barters, services or other items of value shall be included in Gross Revenue;

1.17.9. Revenues from the sales of capital assets or sales of surplus equipment provided that this exclusion shall not include sales to Subscribers of converters, remote controls and other Subscriber equipment for the provision of Cable Service over the Cable System;

1.17.10. Directory or Internet advertising revenue including, but not limited to, yellow page, white page, banner advertisement and electronic publishing.

1.18. *High-Definition (HD) PEG Access Channel*: A PEG Access Channel in the high definition display format for digital television transmissions with video transmitted in a 16:9 aspect ratio with a resolution of 720p or 1080i.

1.19. *Information Services*: Shall be defined herein as it is defined under Section 3 of the Communications Act, 47 U.S.C. § 153(24).

1.20. *Internet Access Service*: Dial-up or broadband access service that enables access to the Internet.

1.21. *Issuing Authority*: The Select Board of the Town of Southborough.

1.22. *License Fee*: The payments to be made by the Licensee to the Town, which shall have the meaning as set forth in Section 9 of the Massachusetts Cable Law.

1.23. *Licensee:* Verizon New England Inc., and its lawful and permitted successors, assigns and transferees.

1.24. *Massachusetts Cable Law:* Chapter 166A of the General Laws of the Commonwealth of Massachusetts.

1.25. *Non-Cable Services*: Any service that does not constitute Cable Service(s), including, but not limited to, Information Services and Telecommunications Services.

1.26. *PEG*: Public, educational, and governmental.

1.27. *PEG Access Channel*: An Access Channel that the Licensee makes available to the Town for non-commercial use pursuant to the terms and conditions of this License, and managed by the Issuing Authority and/or the PEG Access Designee.

1.28. *PEG Access Designee*: Any entity designated by the Issuing Authority for the purpose of owning and/or operating the equipment and facilities used in the production and/or broadcast of PEG Access Channel programming, including, but not limited to, the Town itself and/or an access corporation.

1.29. *PEG Access Programming*: Non-commercial Video Programming transmitted on the PEG Access Channel(s) pursuant to the terms of this License, and applicable laws.

1.30. *Person*: An individual, partnership, association, joint stock company, trust, corporation, other business entity, or governmental entity.

1.31. *Public Access Channel*: An Access Channel made available to the Town pursuant to the terms and conditions of this License and available for the use by the residents in the Town and managed by the Issuing Authority and/or the PEG Access Designee.

1.32. *Public Rights-of-Way*: The surface and the area across, in, over, along, upon and below the surface of the public streets, roads, bridges, sidewalks, lanes, courts, ways, alleys, and boulevards, including, public utility easements and public lands and waterways used as Public Rights-of-Way, as the same now or may thereafter exist, which are under the jurisdiction or control of the Town.

1.33. *Service Area*: The entire existing territorial limits of the Town.

1.34. *Standard Definition ("SD") PEG Access Channel*: A PEG Access Channel in the standard definition display format for digital television transmissions with video transmitted in a 4:3 aspect ratio with a resolution of 480i.

1.35. *State*: The Commonwealth of Massachusetts.

1.36. *Subscriber*: A Person who lawfully receives Cable Service in the Town.

1.37. *Telecommunications Facilities*: Licensee's existing Telecommunications Services and Information Services facilities, including the FTTP Network.

1.38. *Telecommunication Services:* Shall be defined herein as it is defined under Section 3 of the Communications Act, 47 U.S.C. § 153(46).

1.39. *Title II*: Title II of the Communications Act, Common Carriers.

1.40. *Title VI*: Title VI of the Communications Act, Cable Communications,

1.41. *Town*: The Town of Southborough.

1.42. *Transfer*: Any transaction in which:

1.42.1. an ownership or other interest in Licensee is transferred or assigned, directly or indirectly, from one Person or group of Persons to another Person or group of Persons, so that Control of Licensee is transferred; or

1.42.2. the rights held by Licensee under the License are transferred or assigned to another Person or group of Persons.

1.43. *Video Programming:* Shall be defined herein as it is defined under Section 602(20) of the Communications Act, 47 U.S.C. § 522(20).

1.44. *Video Service Provider or VSP:* Any entity using the Public Rights-of-Way to provide Video Programming services to multiple subscribers within the territorial boundaries of the Town, regardless of the transmission method, facilities or technologies used.

2. GRANT OF AUTHORITY; LIMITS AND RESERVATIONS

2.1. *Grant of Authority*: Subject to the terms and conditions of this License and the Massachusetts Cable Law, the Issuing Authority hereby grants the Licensee the right to operate and maintain a Cable System along the Public Rights-of-Way within the Town, for the purpose of providing Cable Service. Reference herein to "Public Rights-of-Way" shall not be construed to be a representation or guarantee by the Town that its property rights are sufficient to permit its use for any purpose, or that the Licensee shall gain or be permitted to exercise any rights to use property in the Town greater than those already possessed by the Town or which is inconsistent with the purposes for which it was taken, purchased and/or dedicated. This License grants no authority for the Licensee to use the Public Rights-of-Way within the Town for any other purpose unless otherwise provided herein. However, nothing in this License shall be construed to prohibit the Licensee from offering any service over the Cable System that is not prohibited by federal or State law provided that any requirements for Town authorization or permitting not inconsistent with federal and State law are satisfied. The Licensee's FTTP Network in the Public Rights-of-Way, which the Licensee has upgraded under its Title II authority, is subject to M.G.L. c. 166. The Licensee shall adhere to all applicable Town bylaws and lawful regulations of the Town regarding rights-of-way and public works matters, including rights-of-way management requirements with regard to public safety and other legitimate municipal concerns. Nothing in this Section 2.1 shall be deemed to prohibit the right of the Licensee to challenge the legality of such a Town bylaw or regulation. No privilege or power of eminent domain is bestowed by this grant; nor is such a privilege or power bestowed by this License.

2.2. *Issuing Authority Does Not Regulate Telecommunications*: The parties recognize that the Licensee's FTTP Network is constructed, operated and maintained as an upgrade to and/or extension of its existing Telecommunications Facilities for the provision of Non-Cable Services. The jurisdiction of the Town over such Telecommunications Facilities is restricted by federal and State law, and the Town does not assert jurisdiction over the Licensee's FTTP Network in contravention of those limitations. Therefore, the Issuing Authority's regulatory authority under Title VI is not applicable to the construction, installation, maintenance or operation of the FTTP Network to the extent the FTTP Network is constructed, installed, maintained and operated for the purpose of upgrading and/or extending Verizon's existing Telecommunications Facilities for the provision of Non-Cable Services.

2.3. *Term*: This License shall become effective on November 26, 2024 (the "Effective Date"). The term of this License shall be five (5) years from the Effective Date unless this License is earlier revoked or terminated as provided herein.

2.4. *Termination Generally:* Notwithstanding any provision herein to the contrary, Licensee may terminate this License upon two hundred and seventy (270) days' written

notice to the Issuing Authority. Licensee shall not provide the notice of termination sooner than the beginning of the 28th month following the Effective Date.

2.5. *Modification/Termination Based on VSP Requirements*:

2.5.1. If the Issuing Authority enters into any cable franchise, cable license or similar agreement with a VSP to provide Video Programming services to residential subscribers in the Town with terms or conditions materially less burdensome than those imposed by this License, Licensee and the Issuing Authority shall, within sixty (60) days of the Issuing Authority's receipt of Licensee's written notice thereof, commence negotiations to modify this License to provide that this License is not on terms or conditions materially more burdensome than the terms in any such cable franchise, cable license or similar agreement. Any modification of the License pursuant to the terms of this Section shall not trigger the requirements of 207 CMR 3.07. The PEG Access Support, as provided in Section 5.4, will not be subject to modification under this Section 2.5.1 or 2.5.2.

2.5.2. Licensee's notice pursuant to Section 2.5.1 shall specify the cable franchise, cable license or similar agreement and the materially less burdensome terms or conditions as set out Section 2.4.1 above. Licensee shall respond to reasonable information requests from the Town, as may be necessary to review the same.

2.5.3. In the event the parties do not, subject to the criteria above, reach mutually acceptable agreement on a modification as set out above, Licensee shall in its sole discretion, have the option of exercising any of the following actions:

a. commencing License renewal proceedings in accordance with 47 U.S.C. 546 with the License term being accelerated, thus being deemed to expire thirty-six (36) months from the date of Licensee's written notice to seek relief hereunder;

b. terminating the License in no less than thirty-six (36) months from written notice to the Issuing Authority;

c. if agreed by both parties, submitting the matter to commercial arbitration by a mutually-selected arbitrator in accordance with the rules of the American Arbitration Association; or

d. if agreed to by both parties, submitting the matter to mediation by a mutually-acceptable mediator.

2.5.4. Modification of the PEG Access Support under this License shall, as applicable, be in accordance with the terms and conditions set forth in Section 5.4 hereunder. As stated above, PEG Access Support is not subject to modification under Section 2.5.1.

2.6. *Grant Not Exclusive*: This License and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the Issuing Authority reserves the right to grant other licenses for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use themselves, at any

time during the term of this License. Any such rights shall not be in conflict with the authority as granted by this License. Disputes between the Licensee and other parties regarding use of Public Rights-of-Way shall be resolved in accordance with applicable law.

2.7. *License Subject to Federal and State Law/Preemption*: This License is subject to and shall be governed by all applicable provisions of federal and State law and regulations as they may be amended, including but not limited to the Communications Act and the Massachusetts Cable Law. In the event that federal or State law, rules, or regulations preempt a provision or limit the enforceability of a provision of this License, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the time, required by law. In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the parties hereto.

2.8. *No Waiver*:

2.8.1. The failure of the Issuing Authority on one or more occasions to exercise a right or to require compliance or performance under this License, the Massachusetts Cable Law or any other applicable law, bylaw or lawful regulation shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance by the Issuing Authority, nor to excuse Licensee from complying or performing, unless such right or such compliance or performance has been specifically waived in writing by the Issuing Authority.

2.8.2. The failure of the Licensee on one or more occasions to exercise a right under this License or applicable law, or to require performance under this License, shall not be deemed to constitute a waiver of such right or of performance of this License, nor shall it excuse the Issuing Authority from performance, unless such right or performance has been specifically waived in writing by the Licensee.

2.9. *Construction of License*:

2.9.1. The provisions of this License shall be construed to effectuate their objectives.

2.9.2. Nothing herein shall be construed to limit the scope or applicability of Section 625 of the Communications Act, 47 U.S.C. § 545.

2.9.3. Should any change to local bylaws, rules or regulations cause the Licensee's provision of Cable Services in the Town to be commercially impracticable, then the parties shall modify this License to the mutual satisfaction of both parties to ameliorate such commercial impracticability. If the parties cannot reach agreement on the above-referenced modification to this License, then, at the Licensee's option the parties shall submit the matter to binding arbitration.

2.10. *Police Powers*: Nothing in this License shall be construed to prohibit the reasonable, necessary and lawful exercise of the Town's police powers. However, if the

reasonable, necessary and lawful exercise of the Town's police powers causes the Licensee's provision of Cable Services in the Town to be commercially impracticable, then the parties shall modify this License to the mutual satisfaction of both parties to ameliorate such commercial impracticability. If the parties cannot reach agreement on the above-referenced modification to this License, then, at the Licensee's option, the parties shall submit the matter to binding arbitration.

2.11. *Compliance with Federal and State Privacy Laws*: Licensee shall comply with the privacy provisions of Section 631 of the Communications Act and all other applicable federal and State privacy laws and regulations. The parties agree that, during the term hereof, Licensee shall not be subject to any local laws or bylaws which conflict with such applicable federal and/or /State privacy laws, or which would impose additional or distinct requirements upon Licensee with respect to Subscriber privacy other than those which are expressly set forth in applicable federal and/or State privacy laws.

3. PROVISION OF CABLE SERVICE

3.1. *Service Area*:

3.1.1. *Service Area*: Subject to the issuance of all necessary permits by the Town, the Licensee shall continue to offer Cable Service to all residential households in the Service Area, except: (A) for periods of Force Majeure; (B) for periods of delay caused by the Town; (C) for periods of delay resulting from Licensee's inability to obtain authority to access rights-of-way in the Town; (D) in developments or buildings that are subject to claimed exclusive arrangements with other cable providers; (E) in developments, buildings or other residential dwelling units that Licensee cannot obtain permission to access under reasonable terms and conditions after good faith negotiation, as determined in good faith by Licensee; (F) in developments, buildings or other residential dwelling units where the Licensee is unable to provide Cable Service for technical reasons or which require non-standard facilities which are not available on a commercially reasonable basis or where the Licensee determines, in good faith, that providing such service is not commercially reasonable; and (G) in areas where the occupied residential household density does not meet the density requirement set forth in Section 3.1.2.

3.1.2. *Density Requirement*: Subject to Section 3.1.1, the Licensee shall make Cable Services available to residential dwelling units in all areas of the Service Area where the average density is equal to or greater than twenty (20) occupied residential dwelling units served by aerial plant or forty (40) occupied residential units served by underground plant per mile as measured in strand footage from the nearest technically feasible point on the active FTTP Network trunk or feeder line.

3.2. *Availability of Cable Service and Standard Drops*: Licensee shall make Cable Service available to all residential dwelling units within the Town in conformance with Section 3.1 and Licensee shall not discriminate between or among any individuals in the availability of Cable Service. In the areas in which Licensee provides Cable Service, the Licensee shall be required to connect, at Licensee's expense other than a standard installation charge, all

residential dwelling units that are within three hundred (300) feet of trunk or feeder lines not otherwise already served by Licensee's FTTP Network. Where a residential Subscriber connection exceeds such length the Licensee shall be allowed to recover from such Subscriber the actual cost of such connection attributable to the distance in excess of the length above.

3.3. *Availability of Cable Service To Businesses*: The Licensee may make Cable Service available to businesses. The Licensee may recover the actual cost incurred to connect any business to the Cable System for the provision of Cable Service.

3.4. *Cable Service to Public Buildings*: Subject to Section 3.1 and the applicable provisions of the FCC's 2019 Third Report and Order In the Matter of Implementation of Section 621 of the Cable Act (the "621 Order"), as such 621 Order may be in effect and/or amended during the term of this License, if requested in writing by the Issuing Authority, the Licensee shall provide in a reasonable amount of time and after notifying the Issuing Authority of the process by which it will implement the 621 Order's requirements regarding the provision of free Cable Service to public buildings under a cable license, one Cable Service drop, an outlet, and monthly Basic Service along its activated Cable System route in the Town at no cost to public schools, police and fire stations, public libraries, and other public buildings designated in writing by the Issuing Authority. All such written designations shall include the street address of each building. The current designation of such buildings and their addresses is set forth in **Exhibit A**. The Licensee shall coordinate the location of each outlet with representatives for each of the buildings receiving service pursuant to this Section. The parties hereto agree that the exercise of any conditional obligations set forth in this Section shall not constitute a modification or amendment of the License within the meaning of 207CMR 3.07.

4. SYSTEM FACILITIES

4.1. *System Characteristics:* Licensee's Cable System shall meet or exceed the following requirements and/or have at least the following characteristics:

4.1.1. The Cable System shall be operated with an initial digital passband of 50-860 MHz.

4.1.2. The Cable System shall be operated to be an active two-way plant for subscriber interaction, if any, required for the selection or use of Cable Service.

4.1.3. The Cable System shall comply with applicable FCC technical standards, as such standards may be amended from time to time.

4.1.4. The Cable System shall conform in all material respects to the following standards to the extent applicable: the Occupational Safety and Health Administration regulations, the Massachusetts Electrical Code, the National Electrical Code, the National Electrical Safety Code and the rules and regulations of the Cable Division and the FCC.

4.2. *Emergency Alert System*: Licensee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and applicable State and local EAS Plans in order that emergency messages may be distributed over the Cable System.

4.3. *Parental Control Capability*: The Licensee shall comply with all applicable requirements of federal law(s) governing Subscribers' capability to control the reception of any channels being received on their television sets.

5. PEG ACCESS SERVICES AND SUPPORT

5.1. *PEG Access Channels*:

5.1.1. The Licensee shall continue to make available to the Issuing Authority and/or the PEG Access Designee, as designated by the Issuing Authority, capacity for three (3) SD PEG Access Channels on its Basic Service Tier. In accordance with Section 5.1.2 below, the Issuing Authority may also request one (1) HD PEG Access Channel for a total of four (4) PEG Access Channels.

5.1.2. The Licensee shall make one (1) HD PEG Access Channel available to the Issuing Authority and/or the PEG Access Designee, as designated in writing by the Issuing Authority, as follows: Starting on the Effective Date of this License, the Issuing Authority may make a written request for such an HD PEG Access Channel to the Licensee. Upon receipt of the Issuing Authority's written request, the Licensee shall make such an HD PEG Access Channel available to the Issuing Authority or at the discretion of the Issuing Authority to the PEG Access Designee within two hundred seventy (270) days of the Licensee's receipt of such written notice from the Issuing Authority. The Issuing Authority shall include in the written notice a statement of whether the programming on such HD PEG Access Channel shall either be a simulcast of existing SD PEG Access Channel programming or distinct programming. The Issuing Authority or the PEG Access Designee may subsequently change the programming on the HD PEG Access Channel from an SD PEG Access Channel simulcast in HD to distinct programming, or from distinct programming to an SD PEG Access Channel simulcast in HD, upon one hundred eighty (180) days prior written notice from the Issuing Authority to the Licensee which change shall not occur more than once during the License term. To the extent permitted by law, the Licensee shall be allowed to recover from Subscribers applicable costs incurred to transmit HD PEG Access Channel programming of any type.

5.1.3. All programming content for the HD PEG Access Channel shall be transmitted to Licensee in HD-SDI format with a resolution consistent with the definition of "High Definition" in Section 1.18 above. Licensee reserves the right to reassign channel number and location for any or all of the PEG Access Channels at any time during the term. The Issuing Authority expressly acknowledges that an HD PEG Access Channel may not be available at all times during the term of this License on Licensee's Basic Service Tier and that in order to view the HD PEG Access Channel, a Subscriber may be required to upgrade equipment at an additional charge.

5.1.4. The Issuing Authority hereby authorizes the Licensee to transmit PEG Access Programming within the Town's jurisdictional boundaries and outside the Town's jurisdictional boundaries to other areas that are served out of the same central offices of the Licensee as those that serve the Town, provided that PEG Access Programming from outside the Town, which is carried in

the Town shall not be cablecast on any of the PEG Access Channels made available to the Issuing Authority and/or the PEG Access Designee. If a PEG Access Channel provided under this Article is not being utilized by the Issuing Authority and/or the PEG Access Designee, other than due to Force Majeure, the Licensee may utilize such PEG Access Channel by providing at least one hundred twenty (120) days advance written notice to the Issuing Authority, but only in the event that the Issuing Authority or the PEG Access Designee does not commence use of said PEG Access Channel within said one hundred twenty (120) day notice period. In the event that the Issuing Authority and/or the PEG Access Designee determines to use such PEG Access capacity for PEG Access purposes, the Issuing Authority shall have the right to utilize such PEG Access Channel by providing at least one hundred twenty (120) days advance written notice to the Licensee.

5.2. *PEG Interconnection and Cablecasting*:

5.2.1. The Licensee shall continue to connect to equipment owned by the Town and/or the PEG Access Designee at the PEG access studio (Trottier Middle School Studio. 49 Parkerville Road, 1st Floor, Southborough, Massachusetts) ("PEG Access Interconnection Site"). The Licensee shall be responsible for interconnection at this location, including any approvals and/or costs arising therefrom.

5.2.2. The Issuing Authority or, if designated by the Issuing Authority in writing to Licensee, the Town's PEG Access Designee, shall be required to pay Licensee for all direct or reasonably related costs associated with: (i) any equipment upgrade where the need for the upgrade is initiated by the Issuing Authority or PEG Access Designee; (ii) relocating any connection where the need for relocation is initiated by the Issuing Authority or the PEG Access Designee; (iii) re-installing and/or replacing any connection at an existing location where the need for such re-installation and/or replacement is caused by the Town and initiated by the Issuing Authority or its PEG Access Designee; or (iv) installing any new connection if initiated by the Issuing Authority or its PEG Access Designee; provided, however, that Issuing Authority and/or PEG Access Designee responsibility for the foregoing costs is subject to the Issuing Authority's express written consent, and subject further to Licensee's prior disclosure of such costs and prior consent to same by the Issuing Authority or its PEG Access Designee. Any upgrade or change referenced in subsections (i) and (iv) above required in order for PEG Access Channel cablecasting or PEG Access Channel programming as provided to Subscribers to meet a requirement of applicable law or regulation, including with respect to video or audio quality, shall not be deemed to be "initiated" by the Issuing Authority or its PEG Access Designee.

5.2.3. The demarcation point between the Licensee's signal processing equipment (which the Licensee shall own, install and maintain) and the Town's and/or the PEG Access Designee's PEG Access equipment shall be at the output of the Town's and/or the PEG Access Designee's signal processing equipment at the PEG Access Interconnection Site. The Town and/or the PEG Access Designee shall be solely responsible for operating its switching equipment and the picture and audio quality of all PEG Access Programming up to the demarcation point and for providing that all PEG Access Programming is inserted on the appropriate upstream PEG Access Channel. All PEG Access Programming shall be transmitted to the Licensee in baseband, SD-SDI or HD-SDI format with either mono or stereo audio signals, and with signals received by Licensee in stereo cablecast by Licensee in stereo. Notwithstanding the foregoing, the

Licensee shall not be obligated to provide the Town or the PEG Access Designee with either cablecast equipment and facilities or the personnel responsible for maintaining and operating equipment and facilities on the Town's or PEG Access Designee's side of the demarcation point and used to generate or administer any PEG Access signals, except as necessary to implement the Licensee's responsibilities specified herein. The Issuing Authority and the Licensee shall work together in good faith to resolve any connection issues.

5.2.4. The Licensee shall provide, install, maintain, repair and replace all equipment necessary to receive and transmit all such PEG Access Programming and all PEG Access Channels as described in Section 5.2.1 above to Subscribers, including any amplification, optical conversion, receiving, cable system headend, processing, and transmitting equipment needed.

5.2.5. The Licensee shall work with the Town and/or the PEG Access Designee to ensure that Licensee provided IP encoders (and corresponding decoders) provided by the Licensee for use on the Town and/or PEG Access Designees IP network and an additional IP encoder (and corresponding decoder) to be provided by the Licensee to the Town or the PEG Access Designee within one hundred twenty days (120) days of the Effective Date, function as part of the Town's and/or PEG Access Designee's IP network to deliver PEG Access Programming from: (i) the Police and Fire Department (32 Cordaville Road); (ii) the Senior Center (9 Cordaville Road and (iii) the Town House (17 Common Street) (collectively the "Auxiliary Sites") to the PEG Access studio (49 Parkerville Road). The Town and/or the PEG Access Designee shall own said IP encoders and decoders, provided however that the Licensee shall warranty the IP encoders and decoders for a period of one (1) year beginning on the date that the Licensee provided/provides the encoder/decoder to the Town and/or PEG Access Designee.

5.2.6. The Licensee shall monitor the PEG Access Channels for technical quality consistent with applicable FCC technical standards, as such standards may be amended from time to time and shall ensure that they are maintained at standards the same or better than those which apply to the Cable System's commercial channels, provided, however, that the Licensee is not responsible for the production quality of PEG Access Programming productions, nor for any deficiencies in the source signal it receives from any party over which the Licensee has no control.

5.3. *PEG Grant*

5.3.1. Licensee shall pay to the Issuing Authority a PEG grant in the total amount of _____ dollars ($_____) to be used for PEG Access Channel capital funding purposes (the "PEG Grant"), as follows: Within forty-five days of the Effective Date, Licensee shall pay to the Issuing Authority the sum of _____ Dollars ($_____). Two (2) additional payments in the amount of _____ dollars ($____) each shall be paid by the Licensee to the Issuing Authority on the first and second anniversaries of the Effective Date. The Issuing Authority and/or PEG Access Designee, as determined by the Issuing Authority, shall own all facilities and equipment purchased with the PEG Grant. The Licensee shall have no obligation to maintain, repair, replace or insure any equipment or facilities purchased with the PEG Grant.

5.3.2. Licensee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall be refunded any payments that were incorrectly submitted, in connection with the PEG Grant remittances within ninety (90) days following the PEG Grant payment date for which such payments were applicable. Any such refund shall be requested in writing by Licensee and shall include an itemized account of the basis of the refund requested. The PEG Grant shall not be counted against either the PEG Access Support payment required by Section 5.4, or any License Fee required by Section 6.1. The Issuing Authority and/or PEG Access Designee shall own all facilities and equipment purchased with the PEG/I-Net Grant. The Licensee shall have no obligation to maintain, repair, replace or insure any equipment or facilities purchased with the PEG Grant.

5.4. *PEG Access Support*:

5.4.1. The Licensee shall provide annual funding to the Issuing Authority for PEG Access Channel operating support or other PEG Access Channel costs and expenses ("PEG Access Support") in the amount equal to five percent (5.0%) of annual Gross Revenues as defined above, subject to the limitation in Section 6.2. If the Town issues or renews any cable licenses (other than the cable license held by Comcast or its successor in the Pine Hill Road area of Town) after the Effective Date that provide for a lower percentage of PEG Access Support, then the Licensee's percentage of PEG Access Support payments shall be reduced to match such lower percentage over that same time period. The Issuing Authority shall place Licensee's PEG Access Support payments in a restricted account for cable related purposes in the nature of a grant account and not into the general fund, which account will be under the Issuing Authority's control.

5.4.2. The PEG Access Support payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Each such payment shall be accompanied by a Gross Revenue report documenting, in reasonable detail, the Gross Revenue as defined above. The Licensee shall be allowed to provide an extra payment if needed to correct any payments that were incorrectly omitted, and shall have the right to offset against future payments any payments that were incorrectly submitted, in connection with the quarterly remittances, within ninety (90) days following the close of the calendar quarter for which such payments were applicable. For purposes of the PEG Access Support payment, the period for determining Gross Revenues shall be the preceding calendar quarter.

5.4.3. In no case shall said five percent (5.0%) payments include: (i) the PEG/I-Net Grant ; (ii) costs of PEG Access Channels, interconnection and cablecasting obligations required above; or (iii) any other fees or payments required by applicable law, except as provided in Section 6.2, below; provided however, that said five percent (5.0%) payments shall be a Franchise Fee, and subject to the five percent (5.0%) cap on Franchise Fees pursuant to Section 622(h) of the Communications Act (47 U.S.C. §542(b).

5.5. *PEG Operational Rules*: The Issuing Authority or its designee shall establish rules and regulations for use of PEG facilities consistent with, and as required by, Section 611 of the Communications Act (47 U.S.C. § 531), and shall require all local producers and users of any of the PEG Access Channel facilities or PEG Access Channels to assume individual

responsibility for any program-based liability including, but not limited to, liability for copyright infringement or defamation.

5.6. *Recovery of Costs*. To the extent permitted by federal law and regulations, the Licensee shall be allowed to recover from Subscribers the costs of the PEG Grant, costs of PEG interconnection, the PEG Access Support payments, and any other costs arising from the provision of PEG services and related payments, required by this License and to accurately reflect such costs as separately billed line items on each Subscriber's bill.

5.7. *Late Payments*. In the event that the PEG Grant, the PEG Access Support or the License Fee payments is not paid on or before the due date set forth in this License for such payment, then interest shall accrue from the due date until the date paid at the rate equal to the Prime Rate, as published in the *Wall Street Journal.*

5.8. *Listing of PEG Access Channels On Licensee's Electronic Program Guide*: If the Licensee lists PEG Access Channel program content titles on its electronic program guide in any other municipality in the State (other than on a test or trial basis), then it shall, upon written request of the Issuing Authority, discuss with the Issuing Authority or the PEG Access Designee, the technical feasibility and commercial reasonability of listing the Town's PEG Access Channel program content titles on the Licensee's electronic program guide and the provision thereof by the Licensee; however, the Licensee shall not be required by this Section to list the Town's PEG Access Channel program content titles on its electronic program guide.

5.9. *PEG Access Video-On-Demand*: If the Licensee provides any other municipality in the State with PEG Access Channel programming "video-on-demand" (VOD) (other than on a test or trial basis), then it shall, upon written request of the Issuing Authority, discuss with the Issuing Authority, the technical feasibility and commercial reasonability of providing, and the provision of, PEG Access Channel programming VOD in the Town; however, the Licensee shall not be required by this Section 5.9 to provide PEG Access Channel programming VOD in the Town.

5.10. *Censorship*: Subject to Section 611(e) of the Communications Act (47 U.S.C. §531(e)), the Licensee shall comply with applicable federal laws restricting censorship or control of the content of PEG Access Programming over the Cable System.

5.11. *Non-Commercial Programming*: The Issuing Authority and PEG Access Designee shall not use the PEG Access Channels to provide for-profit commercial programming. Nothing in this Section shall prohibit the Issuing Authority or its PEG Access Designee from having memberships, sponsorships, underwriting or acknowledgements (such as underwriting and acknowledgements accepted by PBS), to the extent not otherwise prohibited by applicable law and regulation.

5.12 *Leased Access:* The Licensee shall comply with Section 612 of the Communications Act (47 U.S.C. §532) with respect to designating channel capacity for commercial use.

5.13. *No PEG Access Designee Rights:* The Issuing Authority and the Licensee herein acknowledge and agree that any PEG Access Designee is not a party to this License and that any provisions herein that may affect a PEG Access Designee are not intended to create any rights on behalf of any PEG Access Designee.

6. FRANCHISE AND LICENSE FEES

6.1. *License Fee*: Pursuant to Massachusetts Cable Law, (M.G.L. c. 166A, Section 9), the Licensee shall pay to the Town, throughout the term of this License, a license fee equal to fifty cents ($.50) per Subscriber per year (the "License Fee"), or such other amount as may in the future be designated by applicable State law.

6.2. *Maximum Franchise Fee Obligation*: The Licensee shall not be liable for a total Franchise Fee, pursuant to this License and applicable law in excess of five percent (5.0%) of annual Gross Revenue (as defined above).

6.3. *Payment Information:* In determining the License Fee, the number of Subscribers shall be measured as of December 31st of the preceding calendar year. The License Fee shall be paid no later than March 15th of each year during the term of this License.

6.4. *Limitation on Actions*: The parties agree that the period of limitation for recovery of any payment obligation under this License shall be three (3) years from the date on which payment by Licensee is due.

6.5. *Method of Payment*: The PEG Grant, the PEG Access Support and the License Fee shall be made payable to the Town and provided to the Issuing Authority, unless the Licensee is otherwise notified in writing by the Issuing Authority.

6.6. *Other Payment Obligations and Exclusions*:

6.6.1. Unless otherwise required by applicable law, the License Fee and Franchise Fee payments shall be in addition to and shall not constitute an offset or credit against any and all taxes or other fees or charges of general applicability which Licensee or any Affiliate shall be required to pay to the Town, or to any State or federal agency or authority, as required herein or by law; the payment of said taxes, fees or charges shall not constitute a credit or offset against the License Fee or Franchise Fee payments all of which shall be separate and distinct obligations of the Licensee and each Affiliate.

6.6.2. In accordance with Section 622(h) of the Communications Act (47 U.S.C. §542(h)), nothing in the Communications Act or this License shall be construed to limit any authority of the Issuing Authority to impose a tax, fee or other assessment of any kind on any Person (other than the Licensee) with respect to Cable Service or other communications service provided by such Person over the Cable System for which charges are assessed to Subscribers but not received by the Licensee. For any twelve (12) month period, the fees paid by any such Person with respect to any such Cable Service or other communications service shall not exceed five

percent (5%) of such Person's gross revenues derived in such period from the provision of such service over the Cable System.

6.7. *Affiliates Use of System*: Use of the Cable System and the provision of Cable Services within the Town by Affiliates shall be in compliance with applicable federal and State laws and regulations and this License.

6.8. *Recomputation and Audit*

6.8.1. Tender or acceptance of any payment made pursuant to Articles 5 or 6 shall not be construed as an accord that the amount paid is correct, nor shall such acceptance of payment be construed as a release of any claim that the Issuing Authority may have for additional sums.

6.8.2. If the Issuing Authority has reason to believe that any payments made pursuant to Articles 5 or 6 are incorrect, it may conduct an audit no more than once during any two (2) year period during the term of this License. The Issuing Authority shall not conduct a "success-based" audit. If, after such audit and recomputation, an additional fee is owed to the Town, such fee, including interest pursuant to Section 5.7 above, shall be paid within thirty (30) business days after such audit and recomputation; provided, however, the Licensee shall be provided a reasonable opportunity to review the results of any audit and to dispute any audit results which indicate an underpayment to the Town.

7. CUSTOMER SERVICE

7.1. *Standards:* The Licensee shall comply with the FCC's cable television customer service and notice regulations codified at 47 C.F.R. § 76.309(c), 47 C.F.R. § 76.1602, and 47 C.F.R. § 76.1603, as amended, and the billing and termination of service provisions contained in 207 CMR § 10.00, as amended; provided, however, that Licensee may satisfy the requirements of 47 C.F.R. § 76.309(c)(1)(v) through its website. For Subscriber equipment pick-up, the Licensee shall provide for one or more of the following methods: (i) setting a specific appointment time or four (4) hour time period during Normal Business Hours, during which Licensee's representative(s) shall visit the Subscriber's premises to pick-up or exchange Subscriber equipment; (ii) using a mailer; or (iii) establishing a reasonably convenient location for the pick-up and exchange of Subscriber equipment. Measurement of the telephone availability standards in 47 C.F.R. § 76.309(c)(1)(ii) shall include all calls received by the Licensee at all call centers receiving calls from Subscribers, whether they are answered by a live representative, by an automated attendant, or abandoned after thirty (30) seconds of call waiting.

7.2. Outage Credits: In the event that all Cable Service is interrupted for twenty-four (24) or more hours, Licensee will grant affected Subscribers a pro rata credit or rebate.

7.3. Denial of Service: Subject to applicable laws and regulations, nothing in these standards shall limit the right of the Licensee to deny Cable Service for non-payment of previously provided Cable Services, refusal to pay any required deposit, theft of Cable Service, damage to the Licensee's equipment, abusive and/or threatening behavior toward the Licensee's

employees or representatives, refusal to provide credit history information or refusal to allow the Licensee to validate the identity, credit history and credit worthiness via an external credit agency, or failure to abide by the Licensee's terms and conditions of service.

8. REPORTS AND RECORDS AND PERFORMANCE EVALUATIONS

8.1. *Open Books and Records*: Upon at least thirty (30) business days written notice to the Licensee, the Issuing Authority or its designee shall have the right to inspect at a location reasonably and mutually convenient to the parties hereto the Licensee's books and records pertaining to the Licensee's provision of Cable Service in the Town at any time during Licensee's regular business hours and on a reasonable and nondisruptive basis, as is reasonably necessary to ensure compliance with the terms of this License. Such notice shall specifically reference the section or subsection of this License which is under review, so that the Licensee may organize the necessary books and records for appropriate access by the Issuing Authority. The Licensee shall not be required to maintain any books and records for License compliance purposes longer than three (3) years. Notwithstanding anything to the contrary set forth herein, the Licensee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Town. If the Licensee believes that the requested information is proprietary or confidential, the Licensee shall provide the following information to the Issuing Authority: (i) specific identification of the information; (ii) a statement attesting to the reason(s) the Licensee believes the information is confidential; and (iii) a statement that the documents are available at the Licensee's designated offices for inspection by the Issuing Authority. The Issuing Authority shall take reasonable steps consistent with applicable law to protect the proprietary and confidential nature of any books, records, maps, plans or other documents requested by the Issuing Authority that are provided pursuant to this License to the extent they are designated as such by the Licensee. In the event that the Issuing Authority receives a request to disclose any information provided to the Issuing Authority by the Licensee pursuant to this License, which information is deemed by the Licensee to be confidential or proprietary, then the Issuing Authority shall promptly notify the Licensee in writing of such request, prior to disclosure of such information, consistent with applicable law, and to maintain such information as confidential and proprietary consistent with applicable law. The Licensee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. § 551.

8.2. *Copying of Books and Records*: The Town shall have the right to copy any such books and records, at the Town's expense, except to the extent that the Town's review as the Issuing Authority is prohibited pursuant to applicable law.

8.3. *Complete and Accurate Records*: The Licensee shall keep complete and accurate books of account and records of its business and operations under and in connection with the License. Unless otherwise provided in this License or by applicable law, all such materials and information shall be maintained for a period of three (3) years. Said records shall include, but not be limited to the following:

8.3.1. Records of all written complaints for a period of three (3) years after receipt by Licensee. The term "complaint" as used herein refers to complaints about any aspect of the Cable System or Licensee's cable operations, including, without limitation, complaints about employee courtesy. Complaints recorded will not be limited to complaints requiring an employee service call;

8.3.2. Records of outages for a period of three (3) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

8.3.3. Records of service calls for repair and maintenance for a period of three (3) years after resolution by Licensee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

8.3.4. Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by Licensee, indicating the date of request, date of acknowledgment, and the date and time service was extended;

8.3.5. Financial records necessary for the Issuing Authority to conduct an audit pursuant to Section 6.8 above for a period of three (3) years; and

8.3.6. A map showing the area of coverage for the provisioning of Cable Services.

8.4. *Additional Reports*: The Licensee shall, upon written request by the Issuing Authority, provide the Issuing Authority with a copy of any documents or forms filed by the Licensee with the FCC and/or the DTC that materially pertain to the Licensee's Cable System in the Town.

8.5. *Proof of Performance Tests*: Upon written request of the Issuing Authority, the Licensee shall provide copies of performance tests required by applicable law.

8.6. *Performance Evaluations*: The Licensee, if requested in writing by the Issuing Authority, shall attend a performance evaluation hearing no more than once per year. Nothing in this Section 8.8 shall limit any rights that the Issuing Authority may have to conduct additional hearings and/or compel the Licensee's attendance at such hearing. The Issuing Authority shall provide Licensee with the results of its performance evaluation in writing within sixty (60) days after the conclusion of such hearing.

8.7. *Quality of Service*: If there exists credible evidence which, in the reasonable judgment of the Issuing Authority, casts doubt upon the reliability or technical quality of the Licensee's Cable Services in the Town, then, after notice to the Licensee and an opportunity to cure, the Issuing Authority shall have the right to require the Licensee to test, analyze and report in writing on the performance of the Cable System.

9. INSURANCE AND INDEMNIFICATION

9.1. *Insurance*:

9.1.1. Licensee shall maintain in full force and effect, at its own cost and expense (including all deductibles) during the term of this License, the following insurance coverage:

9.1.1.1. Commercial General Liability Insurance in the amount of six million dollars ($6,000,000) per occurrence for property damage and bodily injury (including death) and six million dollars ($6,000,000) general aggregate. Such insurance shall cover the construction, operation, maintenance and removal of the Cable System, and the conduct of Licensee's Cable Service operations and business in the Town.

9.1.1.2. Commercial Automobile Liability Insurance covering all owned, non-owned, hired and/or rented motor vehicles in the amount of six million dollars ($6,000,000) combined single limit each accident for bodily injury and property damage coverage.

9.1.1.3. Workers' Compensation Insurance in compliance with the statutory requirements of the states of operation and Employers' Liability Insurance in the following amounts: (A) $100,000 Bodily Injury by Accident; (B) $100,000 Bodily Injury by Disease-each employee; and $500,000 disease-policy limit.

9.1.2. The Town shall be included as an additional insured as their interests may appear under this License on the Commercial General Liability Insurance and Commercial Automobile Liability Insurance required herein.

9.1.3. Upon receipt of notice from its insurer(s), Licensee shall provide the Issuing Authority with thirty (30) days' prior written notice of cancellation of any required coverage.

9.1.4. Each of the required insurance policies shall be with insurers qualified to do business in the State, with a A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition or its successor.

9.1.5. Licensee shall deliver to the Issuing Authority Certificates of Insurance showing evidence of the required coverage.

9.1.6. All insurance shall be primary with respect to any insurance maintained by the Town and shall not call on the Town's insurance for contribution.

9.1.7. The Licensee shall require that every one of its contractors and their subcontractors carry in full force and effect, substantially the same insurance with substantially the same amounts as required of Licensee herein.

9.1.8. Neither this Section 9.1, nor the provision of insurance or insurance proceeds pursuant to this Section 9.1, shall limit the liability of the Licensee or its obligation to indemnify the Town pursuant to this License.

9.2. *Indemnification*:

9.2.1. The Licensee shall, at its sole cost and expense, defend, indemnify, and hold harmless the Issuing Authority, the Town, its officials, boards, commissions, committees, agents and/or employees (hereinafter referred to as the "Town" for purposes of this Section 9.2) against all claims for damage, suits, causes of action, proceedings, judgments, including for damage to Persons or property, real or personal, due to the acts or omissions of the Licensee, its employees, officers or agents arising out of the installation, maintenance and/or operation of the Cable System under this License. Indemnified expenses shall include all reasonable attorneys' fees and costs incurred by the Town up to such time that the Licensee assumes defense of any action hereunder. The Town shall give the Licensee timely written notice of its obligation to indemnify, hold harmless and defend the Town, provided that in any event the Town shall provide the Licensee with such written notice within a period of time that allows the Licensee to take action to avoid entry of a default judgment and does not prejudice the Licensee's ability to defend the claim or action.

9.2.2. With respect to the Licensee's indemnification obligations set forth in Section 9.2.1, the Licensee shall, at its own expense, provide the defense of any claims, suits, causes of action or proceedings brought against the Town by selecting counsel of Licensee's choice to defend the claim, subject to applicable professional ethics and responsibility laws and the consent of the Town, which shall not unreasonably be withheld. The Licensee shall, subject to the consent of the Town as described herein, have the right to defend, settle or compromise any claim or action arising hereunder, and the Licensee shall have the authority to decide the appropriateness and amount of any such settlement, so long as the settlement includes a full release of the Town with respect to the claim giving rise to Licensee's indemnification obligation. In the event that the Town does not consent to the terms of any such settlement or compromise, the Licensee shall not settle the claim or action but its obligation to indemnify the Town shall in no event exceed the amount of the otherwise agreed upon settlement. Nothing herein shall be deemed to prevent the Town from cooperating with the Licensee and participating in the defense of any litigation by its own counsel at its own cost and expense.

9.2.3. Neither the provisions of this Section 9.2, nor any damages recovered by the Town shall be construed to limit the liability of the Licensee or its subcontractors for damages under this License or to excuse the faithful performance of obligations required by this License, except to the extent that any monetary damages suffered by the Town have been satisfied by a financial recovery under this section or other provisions of this License.

10. PERFORMANCE BOND

The Licensee shall maintain, without charge to the Town, throughout the term of the License a faithful performance bond running to the Town, with good and sufficient surety licensed to do business in the State in the sum of Twenty Thousand Dollars ($20,000). Said bond shall be conditioned upon the faithful performance and discharge of all of the obligations imposed by this License. The performance bond shall be effective throughout the term of this License and thereafter until the Licensee has satisfied all of its obligations to the Town that may have arisen from this License or from the exercise of any privilege herein granted and shall be conditioned that in the event that the

Licensee shall fail to comply with any one or more provisions of this License, or to comply with any order, permit or direction of any department, agency, commission, board, division or office of the Town having jurisdiction over its acts, or to pay any claims, liens or taxes due the Town which arise by reason of the construction, upgrade, maintenance and/or operation of the Cable System, the Town shall recover from the surety of such bond all damages suffered by the Town as a result thereof, pursuant to Article 13 below. Said bond shall be a continuing obligation of this License, and thereafter until the Licensee has satisfied all of its obligations to the Town that may have arisen from the grant of the License or from the exercise of any privilege herein granted. In the event that a performance bond provided pursuant to this License is not renewed or cancelled, the Licensee shall provide a new performance bond pursuant to this Section within thirty (30) days of such failure to renew or cancellation. Neither cancellation, nor termination nor refusal by the surety to extend the bond, nor the inability of the Licensee to file a replacement bond or replacement security for its obligations under this License, shall constitute a loss to the Town recoverable under the bond. Neither this Section, any bond accepted pursuant thereto, nor any damages recovered thereunder shall limit the liability of the Licensee under the License. Recourse by the Issuing Authority of remedies available under this Section shall not be exclusive of other lawful remedies available to the Town at law and equity.

11. TRANSFER OF LICENSE

11.1. *Town Approval Required*: Subject to Section 617 of the Communications Act (47 U.S.C. §537) and Sections 11.2 and 11.3 below, Licensee shall not Transfer this License, voluntarily or involuntarily, directly or indirectly, to any other Person, without the prior written consent of the Issuing Authority, which consent shall not be arbitrarily or unreasonably withheld or delayed. Such consent shall be given only upon a written application therefore on forms prescribed by the Cable Division and/or the FCC.

11.2. *No Consent Required For Transfers Securing Indebtedness*: The Licensee shall not be required to file an application or obtain the consent or approval of the Town for a Transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Licensee in this License, the Licensee or Cable System in order to secure indebtedness. However, the Licensee shall notify the Town within thirty (30) business days if at any time there is a mortgage or security interest granted on substantially all of the assets of the Cable System. The submission of the Licensee's audited financial statements prepared for the Licensee's bondholders shall constitute such notice.

11.3. *No Consent Required For Any Affiliate Transfers*: Unless required by applicable federal or State law, the Licensee shall not be required to file an application or obtain the consent or approval of the Town for: any Transfer of an ownership or other interest in Licensee, the Cable System, or the Cable System assets to the parent of Licensee or to another Affiliate of Licensee; any Transfer of an interest in the License or the rights held by the Licensee under this License to the parent of Licensee or to another Affiliate of Licensee; any action which is the result of a merger of the parent of Licensee; or any action which is the result of a merger of another Affiliate of the Licensee, except to the extent that any of the foregoing are determined to be a transfer of control pursuant to 207 CMR 4.01, in which case such transaction shall be subject to

the Cable Division's transfer regulations (207 CMR 4.01). However, the Licensee shall notify the Town within thirty (30) business days if at any time a Transfer covered by this Section 11.3 occurs. The transferee of any Transfer covered by this Section 11.3 shall be legally qualified to hold, and shall be bound by the terms and conditions of, this License.

11.4. *Transfer Procedures*: Subject to applicable law, the Licensee shall submit to the Issuing Authority an original and a copy of the application and FCC Form 394 requesting any such Transfer consent. Pursuant to 207 CMR 4.03, the consent of the Issuing Authority shall be given only after a public hearing to consider the written application for Transfer. The Issuing Authority shall have one hundred twenty (120) days from the filing of a completed FCC Form 394 to take final action on it unless said one hundred twenty (120) day period is extended by applicable law, including by mutual consent of the parties. After one hundred twenty (120) days, the application shall be deemed approved, unless said 120 day period is extended pursuant to applicable law, including by mutual consent of the parties.

11.5. *Non-Waiver*: The consent or approval of the Issuing Authority to any Transfer shall not constitute a waiver or release of any rights of the Town under this License, whether arising before or after the date of said Transfer.

11.6. *Transferee Subject to Terms and Conditions of License*: In the event that this License is transferred, the transferee shall be subject to all of the terms and conditions contained in this License.

12. RENEWAL OF LICENSE

The Issuing Authority and the Licensee agree that any proceedings undertaken by the Issuing Authority that relate to the renewal of this License shall be governed by and comply with the provisions of Section 626 of the Communications Act (47 U.S.C. § 546) and the applicable provisions of the Massachusetts Cable Law.

13. ENFORCEMENT AND TERMINATION OF LICENSE

13.1. *Notice of Violation*: If at any time the Issuing Authority believes that Licensee has not complied with the terms of this License, the Issuing Authority shall informally discuss the matter with Licensee. If these discussions do not lead to resolution of the problem in a reasonable time, the Issuing Authority shall then notify Licensee in writing of the exact nature of the alleged noncompliance (for purposes of this Article, the "Noncompliance Notice").

13.2. *Licensee's Right to Cure or Respond:* The Licensee shall have thirty (30) days from receipt of the Noncompliance Notice to: (i) respond in writing to the Issuing Authority, if Licensee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such thirty (30) day period, initiate reasonable steps to remedy such noncompliance as soon as reasonably possible and notify the Issuing Authority of the steps being taken and the date by which they are projected to be completed, all of which shall be to the reasonable satisfaction of the Issuing

Authority. If the Licensee believes it has cured the subject non-compliance, it shall provide written notice of such to the Issuing Authority. The Issuing Authority shall provide the Licensee with a written response as to whether such cure has been effected.

13.3. *Public Hearing*: In the event that the Licensee fails to respond to the Noncompliance Notice pursuant to the procedures required by Section 13.2 above, or in the event that the alleged noncompliance is not remedied within thirty (30) days or the date projected pursuant to Section 13.2(iii) above, and if the Town seeks to continue its investigation into the alleged noncompliance, then the Issuing Authority shall schedule a public hearing. The Issuing Authority shall provide the Licensee with the following minimum written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Licensee the opportunity to be heard: (i) for a hearing for which the Issuing Authority states in the written notice that that revocation of the License shall not be a possible consequence – thirty (30) days written notice, and (ii) for a hearing for which the Issuing Authority does not state in the written notice that that revocation of the License shall not be a possible consequence – forty-five (45) days written notice.

13.4. *Enforcement*: Subject to applicable federal and State law, in the event the Issuing Authority, after the public hearing set forth in Section 13.3, determines that Licensee is in default of any provision of this License, the Issuing Authority may:

13.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages;

13.4.2. Commence an action at law for monetary damages or seek other equitable relief;

13.4.3. Submit a claim against an appropriate part of the performance bond pursuant to Section 10 above.

13.4.4. In the case of a substantial noncompliance of a material provision of this License, revoke this License in accordance with Section 13.5; and/or

13.4.5. Invoke any other lawful remedy available to the Town.

13.5. *Revocation Hearing*:

13.5.1. At the designated public hearing in which revocation is a possible consequence, the Licensee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the Issuing Authority, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. Unless otherwise agreed to in writing by the parties, a complete verbatim record and transcript shall be made by the Issuing Authority of such hearing with the cost shared by the parties.

13.5.2. Following the public hearing where revocation is a possible consequence, the Licensee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the Issuing Authority in writing and thereafter the Issuing Authority shall determine (i) whether an event of default has occurred under this License; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured by the Licensee. The Issuing Authority shall also determine whether it will revoke this License based on the information presented, or, in the reasonable discretion of the Issuing Authority, grant additional time to the Licensee to effect any cure. If the Issuing Authority determines that it will revoke this License, the Issuing Authority shall promptly provide Licensee with a written determination setting forth the Issuing Authority's reasoning for such revocation. In accordance with applicable law, Licensee may appeal such written determination of the Issuing Authority to the Cable Division or to an appropriate court, which shall have the power to review the decision of the Issuing Authority *de novo* if permitted by applicable law. Licensee shall be entitled to such relief as the Cable Division or court finds appropriate. Such appeal must be taken within sixty (60) days of Licensee's receipt of the written determination of the Issuing Authority.

13.5.3. The Issuing Authority may, at its sole discretion, take any lawful action that it deems appropriate to enforce the Issuing Authority's rights under this License in lieu of revocation of this License.

14. MISCELLANEOUS PROVISIONS

14.1. *Actions of Parties*: In any action by the Issuing Authority or Licensee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner.

14.2. *Binding Acceptance*: This License shall bind and benefit the parties hereto and their respective receivers, trustees, successors and assigns, and the promises and obligations contained in Article 9- Insurance and Indemnification and Article 10 – Performance Bond herein shall survive the revocation, termination or expiration date hereof.

14.3. *Preemption*: In the event that federal or State law, rules, or regulations preempt a provision or limit the enforceability of a provision of this License, such provision shall be read to be preempted to the extent and for the time, but only to the extent and for the time, required by law. In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the Issuing Authority.

14.4. *Captions and Headings*: The captions and headings to sections throughout this License are intended solely to facilitate reading and reference to the sections and provisions of the License. Such captions and headings shall not affect the meaning or interpretation of the License.

14.5. *Exhibits*: The Exhibit to this License attached hereto, and all portions thereof, are, except as otherwise specified in such Exhibit, incorporated herein by reference and expressly made a part of this License.

14.6. *Recitals*: The recitals set forth in this License are incorporated into the body of this License as if they had been originally set forth herein.

14.7. *Equal Employment Opportunity*: The Licensee shall adhere to applicable Equal Employment Opportunity regulations of the FCC and to all federal, State and local laws pertaining to discrimination, equal employment opportunity and affirmative action that are applicable to the Licensee.

14.8. *Force Majeure*: If by reason of Force Majeure, either party is unable in whole or in part to carry out its obligations hereunder, said party shall not be held in default under, or in noncompliance with, the provisions of the License, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults were caused by a Force Majeure, provided that the party takes reasonable steps under the circumstances to comply with the obligations of the License to the maximum extent possible without endangering the health or safety of its employees, its property, the public or public property. In the event that any such delay in performance or failure to perform affects only part of the party's capacity to perform, the party shall perform to the maximum extent it is able to do so in as expeditious a manner as possible under the circumstances.

14.9. *Acts or Omissions of Affiliates*: During the term of this License, the Licensee shall be liable for the acts or omissions of its Affiliates to the extent arising out of any such Affiliate's installation, maintenance or operation of the Cable System to provide Cable Services in the Town.

14.10. *Warranties*: Each party hereto warrants, represents and acknowledges to the other party that, as of the Effective Date such party has the requisite power and authority under applicable law and its organizational documents and its documents and is authorized and has secured all consents, if any, which are required to be obtained as of the Effective Date, to enter into and be legally bound by the terms of this Licensee.

14.11. *Delivery of Payments:* Licensee may use electronic funds transfer to make any payments to the Town or Issuing Authority required under this License. Said electronic transfer must be in the form, including necessary explanatory information and documentation, and to the account, all as reasonably required by the Town or Issuing Authority.

14.12. *Notices*: Unless otherwise expressly stated herein, notices required under this License shall be forwarded in one of the following ways: (i) hand delivered (signature required), (ii) sent by express mail (signature required) or (iii) by certified mail/return receipt requested to, to the addressees below. Each party may change its designee by providing written notice to the other party.

Notices to Licensee shall be to:

Verizon New England Inc.
6 Bowdoin Square
10th Floor
Boston, MA 02114
Attention: Nial Connors, Franchise Service Manager

with a copy to:

Verizon Legal Department
140 West Street, 6th Floor
New York NY 10007
Attention: Tonya Rutherford, VP and Deputy General Counsel

Notices to the Issuing Authority shall be to:

Cable Counsel
2 Old Petersham Road
New Salem, MA 01355

14.13. *Entire Agreeme*nt: This License and the Exhibit hereto constitute the entire agreement between the Licensee and the Issuing Authority, and supersede all prior or contemporaneous agreements, representations or understandings (written or oral) of the parties regarding the subject matter hereof.

14.14. *Amendments*: Amendments or modifications to this License shall be mutually agreed to in writing by the parties, unless otherwise specified herein.

14.15. *Severability*: If any section, subsection, sentence, paragraph, term or provision hereof is determined to be illegal, invalid, unconstitutional or unenforceable by any court of competent jurisdiction or by any State or federal regulatory authority having jurisdiction thereof, such determination shall have no effect on the validity of any other section, subsection, sentence, paragraph, term or provision hereof, all of which will remain in full force and effect for the term of this License.

14.16. *No Third Party Beneficiary*: Nothing in this License shall be construed to create or confer any rights or benefits to any third party.

14.17. *No Recourse Against Issuing Authority*: Pursuant to Section 635A(a) of the Communications Act (47 U.S.C. §555(a)), the Licensee shall have no recourse against the Issuing Authority, the Town and/or its officials, members, employees or agents, other than injunctive relief or declaratory relief, arising from the regulation of Cable Service or from a decision of approval or disapproval with respect to a grant, renewal, transfer, or amendment of this License.

14.18. *Town's Right of Intervention*: The Town hereby reserves the right, as authorized by applicable law and/or regulation, to intervene in any suit, action or proceeding involving this License, or any provision in this License; provided, however, that this section shall not restrict the right of the Licensee to oppose such intervention, pursuant to applicable law.

14.19. *FTTP Network Transfer Prohibition*: Under no circumstance including, without limitation, upon expiration, revocation, termination, or denial of renewal of this License or any other action to forbid or disallow Licensee from providing Cable Services, shall Licensee or its assignees be required to sell any right, title, interest, use or control of any portion of Licensee's FTTP Network including, without limitation, the Cable System and any capacity used for Cable Service or otherwise, to the Town or any third party. Licensee shall not be required to remove the FTTP Network or to relocate the FTTP Network or any portion thereof as a result of revocation, expiration, termination, or denial of renewal or any other action to forbid or disallow Licensee from providing Cable Services. This provision is not intended to contravene leased access requirements under Title VI or the PEG requirements set out in this License.

14.20. *Interpretation*: The Town and Licensee each acknowledge that it has received independent legal advice in entering into this License. In the event that a dispute arises over the meaning or application of any term(s) of this License, such term(s) shall not be construed by the reference to any doctrine calling for ambiguities to be construed against the drafter of the License.

14.21. *Jurisdiction*: Except as otherwise set forth in this License, exclusive jurisdiction and venue over any dispute arising out of this License shall be in a court of appropriate venue and subject matter jurisdiction located in the Commonwealth of Massachusetts, and the parties hereby agree to be subject to the personal jurisdiction of said court for the resolution of any such dispute. This provision is not intended to limit the right of either party to remove a matter to Federal or State court in Massachusetts as permitted by law.

14.22. *Counterparts:* This License may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument. Further, this License may be executed by facsimile, email, electronic signature or other electronic means, and so executed shall have the full force and legal effect as an executed original of this License.

NOTICE OF CABLE TELEVISION PUBLIC HEARING

Please take notice that the Select Board of the Town of Southborough, Massachusetts, as Issuing Authority for a cable license under M.G.L. c.166A, will hold a public hearing on June 4, 2024 at 6:30 p.m. The public hearing will be held in Town House, 17 Common Street, Southborough, Massachusetts. The purpose of the public hearing will be to determine whether to issue a cable television license to Verizon New England, Inc.. All applications, reports, statements and license drafts to be considered at the hearing that constitute public records under state law are available for public inspection during regular business hours and for reproduction at a reasonable fee. Members of the public are invited to attend and be heard on the topic: (a) whether the current cable operator is in full compliance with its currently-existing cable license; and (b) what are the Town's future community-related cable needs. If you wish to join the meeting and provide comment via Zoom, please visit the Town's virtual meeting page for the appropriate link: https://www.southboroughma.gov/674/Virtual-Meetings.

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, April 23, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers and Al Hamilton. Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:30 PM.

II. Public Comment

There was no public comment.

III. Scheduled Appointments *(Board may vote)*

a. 6:30 PM Liquor License transfer – 110 Southville Road

Mr. Purple read the public hearing notice into the public record. Attorney Arthur Pearlman appeared before the Board on behalf of Kapish, Inc. Mr. Hitendra Patel also appeared before the Board. Atty. Pearlman described the history of the project and stated that, currently, Mr. Patel and another individual hold the liquor license under B.K.P., Inc. and Mr. Patel is now the sole owner of the business. Atty. Pearlman requested that the Board transfer the liquor license from B.K.P., Inc. to Kapish, Inc. Mr. Stivers asked if the Town's health and building codes had been followed and if the appropriate permits were in order. Atty. Pearlman replied that Town codes had been followed and permits were in order. Mr. Dennington moved to approve the liquor license transfer from B.K.P., Inc. to Kapish, Inc. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Interview/appoint Karen Bernhardt to 21 Highland Future Use Committee; term to expire June 30, 2025

The Board tabled this matter to a later date.

c. Tim Theis, Pare Corporation – Atwood Road lead testing and next steps

Mr. Tim Theis from the Pare Corporation appeared before the Board to discuss the lead testing at the Atwood water tower site and his recommendations. Mr. Theis discussed the history of the tank and its removal from the site and stated that, at some time, the site had been backfilled. He described the testing that was conducted. Mr. Theis reported that lead was found on the surface in concentrations of less than 200 parts per million, which is the clean-up standard. He stated that at the 12-18 inch depth, very high concentrations were found, with some samples containing over 1,000 parts per million. He stated that at the 18-24 inch depth, concentration levels were greatly reduced. Additionally, Mr. Theis stated that samples were taken at the southern property line (Town side) and all samples were below 200 parts per million. He also stated that he recommends further investigation of the lead under the tank to ascertain how far the lead extends beyond the base of the tank and to what depth. Mr. Hamilton asked if it was reasonable to extend testing to the abutter at the southern property line and Mr. Theis stated that he recommended testing there after the impact of lead has been determined under the tank. Mr. Theis stated that it would cost approximately $80,000 to further investigate the distribution pattern of lead prior to recommending remediation. Mr. Dennington asked if there were any deadlines for remediation relative to Massachusetts Department of Environmental Protection (Mass DEP) regulations. Mr. Theis stated that the lead must

be mitigated but is exempt from Mass DEP reporting and timelines. The Board agreed to hear DPW Superintendent Cundiff's feedback on the testing recommendations. Mr. Carl Alviti, an abutter to the north of the site, asked when the tank was removed from the site. Mr. Theis stated that he did not know that information. Mr. Alviti asked how quickly the site would need to be remediated if it was not exempt. Mr. Theis stated that, depending on the levels found, within a couple of years. The Board suggested Mr. Theis speak with Mr. John Boland, former DWP Superintendent, for additional information on the site. Mr. Alviti urged the Board to move quickly to remediate the site. The Board discussed the timing of testing of Mr. Sturgeon's property. Mr. Theis stated that once the Board approves the estimate, it could take approximately 8-10 weeks to learn the results. Mr. Bruce Sturgeon, the southern abutter, requested that testing of his site occur at the same time as the additional testing. The Board agreed to have Mr. Theis and Mr. Cundiff discuss the timing of testing Mr. Sturgeon's site and report back to the Board. Mr. Dennington stated that the Board would continue to discuss this matter at its May 7th meeting.

d. Tim Davis, Recreation Director – Batting cage approval

Mr. Tim Davis appeared before the Board on the matter. Mr. Davis stated that the Recreation Department and the Algonquin Baseball and Softball Association would like to add a batting cage and storage shed at the softball field behind Trottier School. Mr. Davis reported that he has received approval from the Recreation Commission, the Conservation Commission, the Department of Public Works and the School Department. He also stated that all permits are in place from the Building Department. Mr. Dennington asked if there was any cost to the Town. Mr. Davis stated there is no cost to the Town. Mr. Stivers asked if there is any opposition to this project. Mr. Davis stated there is no opposition. Mr. Dennington asked who would be responsible for maintenance of the batting cage and storage shed. Mr. Davis stated that the Algonquin Baseball and Softball Association would be responsible for maintenance. Mr. Dennington acknowledged that Mr. Davis has resigned to accept a position with the Brookline Recreation Department and thanked him for 5 years of outstanding service to the Town. The Board also thanked Mr. Davis for his outstanding service to the Town. Mr. Dennington moved to approve the construction of the batting cage. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington acknowledged Ms. Patricia Richardson's passing and offered condolences to her family. Mr. Davis fondly recalled that Ms. Richardson was able to play tennis last fall with students from Algonquin Regional High School and Trottier Middle School at the Richardson Tennis Courts.

IV. Reports

a. Chair's Report

i. Trottier class visit

Mr. Dennington reported that on Friday, April 12, he and Mr. Hamilton met with an 8th grade Civics class at Trottier Middle School to discuss a potential local business fair in 2025. Mr. Dennington thanked Ms. Leah Emerson, EDC Coordinator, for arranging the opportunity.

b. Member's Report

i. Using CivicPlus to report resident concerns

Ms. Landry reported that she is working to propose that the Town's website be configured to utilize CivicPlus to enforce current bylaws and to create a more responsive process for resident reported problems. The Board suggested that Ms. Landry work with Mr. Montijo on a proposal for the Board to review.

ii. Regional Dispatch update

Mr. Hamilton reported he sent a questionnaire to 15 Regional Emergency Communications Centers (RECCs) to determine long-term operating costs without State support. To date, he has received five responses, three of which were comparable in size to the potential Westborough RECC. He learned that for a small RECC, the long-term operating costs are similar to the Town's current cost for

dispatch, noting that the benefit is that greater coverage is provided. He also learned that a larger RECC would provide a significant savings over current costs. He also reported that call volume per dispatcher is higher in the smaller RECCs.

iii. New Water Tower Antenna

Mr. Hamilton reported that he met with Fire Chief Fillebrown to discuss the installation of a public safety antenna on top of the proposed new water tower. He stated that a new antenna would improve communication issues in several areas of Town. Ms. Cook noted that a neighborhood meeting would need to occur as this project progresses.

iv. Office Hours

Ms. Cook reported that she and Mr. Dennington held office hours on April 9th. She thanked Ms. Emerson and Ms. Claire Reynolds for attending office hours for discussion purposes.

v. Neary School Building Project Update

Ms. Cook reported that the Neary School Building Project is moving forward. She stated that twelve options are currently under evaluation and will be sent to the Massachusetts School Building Authority (MSBA) on May 21st for review. She stated the final recommendation would be made to the MSBA in August and she emphasized that, if residents wish to weigh in on this important matter, they should make their opinions known now. She also informed the Board and public that the project website, Nearybuilding.com, is online and contains all information related to the project.

c. Town Administrator's Report

There was no Town Administrator's Report.

V. Consent Agenda

a. Approve Open Session Meeting Minutes: April 2, 2024; April 4, 2024

Mr. Stivers requested to hold Consent Agenda Item "a." Mr. Stivers had scrivener's changes to the April 4, 2024 minutes. Mr. Dennington moved to approve the April 2, 2024 Open Session Meeting Minutes, as written, and the April 4, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Appoint Steve Hinterneder to Community Garden Coordinator, term to expire 6/30/2025

Mr. Stivers requested to hold Consent Agenda Item "b." Mr. Hinterneder appeared before the Board on the matter. He stated that he has been the Community Garden Coordinator for the last three years. Mr. Dennington moved to appoint Steve Hinterneder to the Community Garden Coordinator, term to expire 6/30/2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

c. Approve request for take-home vehicle for Police Lieutenant

Mr. Dennington moved to approve Consent Agenda Items "c", "d", "e", "g", "h", "I" and "j." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

d. Approve warrant for the May 14, 2024 Annual Town Election; vote to assign Police Officers to polls

e. Appoint Bill Cundiff as the Alternate Designee on the MWRA Advisory Board

f. Award contract for the Public Safety Staffing Study

Ms. Cook requested to hold Consent Agenda Item "f." Ms. Cook requested that the scope of work with Municipal Resources, Inc. (MRI) include the following: 1) specific recommendations regarding the Deputy Fire Chief position; 2) a description of the local dispatch structure, should the Town decide to pursue the local option; and 3) feedback on Chief Newell's request for the lieutenant and patrol officer positions. The Board agreed with Ms. Cook's request. Ms. Cook moved that the Board approve the proposal from Municipal Resources, Inc. including the three caveats described above. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

g. Approve Common Victualer license for Cordaville Market; 110 Southville Road

h. Appoint Anthony Carter as DPW Truck Driver

i. Approval of Job Description
    i. Business Administrator I, DPW
    ii. Police Business Administrator
    iii. Police Lieutenant
    iv. Administrative Assistant, Recreation
    v. Recreation Director
    vi. Program Coordinator, Recreation

j. Approve Executive Session Meeting Minutes: March 19, 2024; April 4, 2024

k. Approve employment agreement for Fire Chief

Ms. Cook requested to hold Consent Agenda Item "k."

Mr. Dennington stated Consent Agenda Item "k" would be discussed in Executive Session.

The Board recessed at 8:32 PM and resumed meeting at 8:38 PM.

VI. Other Matters *(Board may vote)*

a. Potential reorganization of affordable housing committees
    i. CPC-AHTF-SHOPC discussions

Mr. Dennington discussed the reorganization of the Affordable Housing Trust Fund Committee (AHTFC), Southborough Housing Opportunity Partnership Committee (SHOPC), and the Community Preservation Committee (CPC). He stated the committees are charged with addressing the issue of affordable housing and the present structure does not assist the Town effectively to move forward when potential projects arise. The Board discussed combining the AHTFC and SHOPC, thus reducing the number of committees addressing affordable housing from three to two. The Board discussed forming a working group to reorganize the AHTFC and SHOPC, which would include the following: 1) developing a charge; 2) determining an effective way to transfer CPA funds for use by the newly formed entity; and 3) determining how to bring the reorganization effort to Fall Town Meeting for approval. Ms. Lisa Braccio, former Board member, offered to assist in the reorganization effort in any way possible. The Board agreed to further discuss the matter at its next meeting.

b. ARPA Allocations

The Board moved to Other Matters "b" after a brief recess.

Ms. Cook stated that Ms. McAuliffe is meeting with ARPA fund recipients to inform them ARPA monies must be spent by June 30, 2024 or they may risk losing the funds. Additionally, Ms. Cook stated there would be unspent ARPA funds that would need to be reallocated by the Board. Ms. Cook moved to allocate $5,000 from the Unallocated Funds category to the Scholarship Committee. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

    i. John Parent – Request for allocation of Senior Center funds

Ms. Cook moved to expand the Senior Center ARPA category to include new furniture for the Senior Center room, repainting or residing of the Senior Center and plantings around the Townhouse. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

    ii. Council on Aging – Community Assessment

Ms. Cook moved to allocate $35,000 from the Unallocated Funds category to the Senior Survey, to be conducted by the Council on Aging. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

    iii. Sidewalks

The Board agreed to discuss the ARPA Sidewalk allocation with DPW Superintendent Cundiff when he returns from vacation. Mr. Tim Fling, 18 Main Street, suggested that the Board commit ARPA funds to purchase trashcans for sidewalks.

    iv. Wi-Fi Study and next steps

Ms. Cook moved to return $94,000 from the WiFi Updgrade category to the Unallocated Funds category. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Ms. Cook moved to return $5,075.21 from the WiFi Study to the Unallocated Funds category. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Ms. Cook moved to return $3,276.50 from SHOPC to the Unallocated Funds category. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

c. One Stop Grant application – Expressions of Interest

Ms. Vanessa Hale, Assistant Town Administrator, described potential grant ideas for the Board to consider in the Town's Expression of Interest, noting initial applications are due on April 30th. She thanked Ms. Emerson for her assistance in identifying and researching grant ideas. Ms. Hale noted the State is looking for grant applications that focus on housing and economic development and are further along in the development process. She suggested the Board consider placemaking and wayfinding opportunities related to the Tricentennial Committee's efforts. Mr. Stivers suggested a history walk and the Board agreed with his suggestion. Ms. Hale stated she would present the history walk concept to the Tricentennial Committee at their next meeting. Ms. Hale stated that the State would provide feedback on the Expression of Interest and that the final grant application deadline is in early June.

d. Potential letter to Planning Board regarding 120 Turnpike Road

Ms. Cook read a draft letter to be sent to the Planning Board that indicates the Board's support of the 120 Turnpike Road 40B project. The Board agreed with the content of the draft letter. Ms. Meme Luttrell, chair of the Planning Board, asked for clarification as to the Board's position relative to waiving the condition of the land donation. Ms. Cook stated that it makes sense to negotiate relative to the land donation but that is the Planning Board's jurisdiction to determine. Mr. Paul Carter, 12 Maplecrest Drive, stated that he believes the Select Board should wait to offer their opinion on the matter until the Planning Board, Zoning Board of Appeals and the Conservation Commission have reviewed all aspects of the project. Ms. Freddie Gillespie, speaking as a private citizen, stated that she is disappointed that the Board never sought input from the Open Space Preservation Commission or the Stewardship Committee on this project. Mr. Dennington moved to send the letter to the Planning Board, as read by Ms. Cook. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

e. Review draft Planning Board letter regarding MBTA Communities compliance

The Board reviewed the draft Planning Board letter. The Board was supportive of the letter. The Board asked for clarification as to the path the Planning Board is pursuing relative to compliance. Ms. Luttrell stated that the Planning Board is pursuing parallel tracks of compliance, along with a request for relaxation of the number of units within the .5-mile radius of the commuter rail station. Mr. Stivers offered clarifying language and agreed to attend the Planning Board's April 29th meeting to help finalize the letter to the State. Mr. Dennington moved to appoint Mr. Stivers to work with the Planning Board to create the final draft and Mr. Dennington will sign the letter. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

f. Northboro Road 61A parcels – department/committee responses

Mr. Dennington heard this matter after Scheduled Appointments. Mr. Dennington reviewed the history of the matter and stated the Town had sent a letter to the property owner indicating that it did not believe the offer was a bona fide offer. He reported that SHOPC, the Open Space Preservation Commission and the CPC are all in support of the Town exercising its right of first refusal (ROFR) on the property. Mr. Dennington described the process of exercising the ROFR. Mr. Dennington stated that it is important to determine how the Town would pay for the purchase of this property, should it choose to exercise its ROFR. The Board discussed that the amount needed to purchase the property is approximately $5 million dollars. Ms. Freddie Gillespie, chair of the Open Space Preservation Commission, appeared before the Board and read prepared remarks into the

public record. She stated that at its March 23rd meeting, the Open Space Preservation Commission voted to support the Town exercising its ROFR. She also stated she met with SHOPC and CPC to discuss a joint project utilizing Community Preservation Act (CPA) monies. Ms. Gillespie stated that the CPC voted unanimously to support the concept and to support purchasing the parcels utilizing CPA funds. Ms. Lisa Braccio, 13 Oregon Road and speaking as a private citizen, appeared before the Board to express her support of a project that advances the Town's goal to provide more affordable housing. She stated a potential project represents economic diversity in Town and urged the Board to continue the conversation about a potential project involving the parcels. Mr. Paul Desmond, 5 Pinecone Lane and member of SHOPC, appeared before the Board and offered support for this unique opportunity to provide affordable housing and preserve open space. Mr. Al Hamilton, 35 Pine Hill Road and speaking as a private citizen, stated that he has recused himself from this matter, as he is related to an abutter on Northboro Road. He stated he does not support using all of the CPA monies, including funds in the AHTF, towards one project that does not have a clear plan and developer and does not feel this is a responsible path to pursue. Mr. Stivers stated he would like to see a specific proposal with a community developer/partner, accompanied by financials, for the Board to consider. He stated that purchasing a few acres of the property for a smaller project is an avenue to pursue and he is supportive of continued discussion on the matter. Ms. Cook stated she agrees with Mr. Hamilton and Mr. Stivers. She stated that the focus should be on the affordable housing aspect, not on open space, and she suggested considering an increase in the CPA surtax from 1% to 3%. Mr. Dennington stated that SHOPC's Strategic 5 Year Plan recommended smaller projects to increase the Town's affordable housing stock and that the Town is not currently set up to develop a project of this scale. Ms. Gillespie stated that she is glad the Board is open to hearing additional information on the project and that she believes open space should be given consideration, should a project be developed. Mr. Dennington stated that the Board would take no action on the matter this evening.

g. Fall Town Meeting – Continued discussion of weekday vs. weekend date

Mr. Stivers suggested the Board ask the Municipal Technology Committee (MTC) to create a survey to obtain feedback on the best time to schedule Fall Town Meeting. Mr. Dennington suggested MTC survey information be analyzed with voter data from Town Clerk Hegarty to determine the best time to schedule Fall Town Meeting. Mr. Dennington moved that the Board request that the MTC conduct a simple survey to determine whether a weekday (Monday at 7 PM and likely Tuesday at 7 PM) or weekend (Saturday at 10 AM) is the best time to schedule Fall Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VII. Public Comment

The Board allowed Amir Rosenbaum to speak over Zoom as he had his hand up. He stated he was not from Southborough but worked, ate, and drove through here often. He made a variety of inappropriate comments. He was removed from the Zoom room by the host.

Ms. Luttrell, 19Oregon Road, commented that the State has not reduced its funding to the CPA. Rather, she stated that there are more communities drawing from the funding source and Southborough's share is a smaller portion for that reason.

VII. Executive Session

Mr. Dennington moved to enter into Executive Session at 9:29 PM, per M.G.L. Chapter 30A, Section 21, and potentially return to Open Session, to discuss contract negotiations for the Town Administrator and Fire Chief (Exemption 2), as the Chair has determined that an open meeting may have a detrimental effect on the Town's position. Mr. Stivers seconded the motion. The motion was

unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

At 9:55 p.m. the Select Board re-convened the open session. Mr. Dennington moved that the Board approve the employment agreement for Mr. Puntini (including a starting salary of $168,000, with eligibility for up to 4% annual raises during the term); Mr. Stivers seconded the motion; Vote 5-0 to approve (Dennington—aye; Cook—aye; Stivers—aye; Landry—aye; Hamilton—aye)

9:57PM Mr. Dennington moved to adjourn the meeting; Mr. Stivers seconded the motion; Vote 5-0 to approve (Dennington—aye; Cook—aye; Stivers—aye; Landry—aye; Hamilton—aye).

Upcoming Meetings	
May 7, 2024	*May 21, 2024*

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, May 21, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers and Al Hamilton. Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:30 PM.

II. Public Comment

There was no public comment.

III. Scheduled Appointments *(Board may vote)*

a. Appoint new Student Police Officers – Aaron Sparks & Cole Trainor

Police Chief Ryan Newell appeared before the Board to request that the Board appoint Mr. Aaron Sparks and Mr. Cole Trainor as Student Police Officers within the Southborough Police Department. Chief Newell introduced Mr. Sparks and Mr. Trainor to the Board. He stated that, with tonight's appointment, the student officers would be enrolled in the earliest possible police academy training, which would take approximately 23 weeks to complete. He stated that following training, the student officers would be trained within the Southborough Police Department for an additional 12 weeks and, with their appointment, the total number of sworn officers would increase to 20. Mr. Dennington moved to appoint as new Student Police Officers Aaron Sparks and Cole Trainor. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. 7:00 PM Pole Hearing: National Grid – Southville Road/257 & 262 Parkerville Road (Jeff Silva, National Grid rep.)

Town Administrator Purple read the public hearing notice into the public record. Mr. Dennington opened the public hearing at 7:42 PM. Mr. Jeff Silva, National Grid, appeared before the Board, via ZOOM, on the matter. Mr. Silva stated that National Grid seeks to install a pole to provide extra support to existing pole 21-84, which is located across the street, due to the strain from the spacer cable. Mr. and Mrs. Tarlow, 174 Southville Road, appeared before the Board to request that National Grid site the pole so that it does not block the only access to the back of their property. Mr. Dennington asked that Mr. Silva meet with Mr. and Mrs. Tarlow to determine a suitable location for the pole. Mr. Dennington moved to close the public hearing at 7:54 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved to approve the application for the new pole on the condition that a representative of National Grid meet on the site with Mr. and Mrs. Tarlow and they agree on the location of the pole. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. and Mrs. Tarlow will follow up with Mr. Purple to confirm the matter has been resolved.

c. BETA Group - Pavement Management Plan presentation

Mr. Dennington moved to Scheduled Appointments "c" after Chief Newell discussed Consent Agenda item "f." DPW Superintendent Bill Cundiff provided a brief introduction on the Pavement Management Plan. He stated that BETA Group has prepared a plan that identifies the condition of the roads, scores them and provides different methodologies for prioritizing the work to

repair/maintain roads. Superintendent Cundiff stated that this plan is for pavement only and does not include underground utilities, drainage or any other related issues. Mr. Purple stated that the plan was funded through a Community Compact Grant. Mr. Anthony Garo, Senior Vice President with BETA, and Mr. Peter Dadaria, Project Manager with BETA, appeared before the Board on the matter. Mr. Garo shared the BETA Pavement Management Presentation with the Board and described the roadway assessment program. He stated that 72.48 miles of accepted road were evaluated by BETA, which is consistent with the State Department of Transportation (DOT) records for the Town. He noted that consistency of the number of miles of accepted roads between the Town and State is important for the Town's Chapter 90 allotment. He stated that a determination of condition and a strategy for maintenance/repair is based on a road score between 0-100. He stated that a pavement management system is a useful financial tool and that the idea is to maintain/repair roads before they become expensive capital projects. Mr. Garo shared that Southborough's network rating is 72.4. Superintendent Cundiff stressed that this program is a planning tool. Ms. Cook asked who would update the model with work completed each year. Superintendent Cundiff stated that BETA or another consultant would manage that function. Mr. Dennington asked about future road assessments. Superintendent Cundiff stated that the assessments would occur approximately every three years, noting that the baseline data was collected in the fall of 2022. Mr. Garo shared the ManageMyRoads platform that Superintendent Cundiff is using to manage data and make decisions. Superintendent Cundiff reminded the Board that infrastructure issues would need to be addressed and cited examples of corrugated metal pipes that are failing in areas of the Town. The Board discussed how a storm water enterprise fund might assist with infrastructure issues relative to road management. Mr. Garo stated that other features of the system include tracking roadway improvements and curb ramp and sidewalk inventories that have been mapped in GIS. Superintendent Cundiff asked that residents be informed about the pavement management system so there is clarity about the systematic approach to Town road maintenance/repair and there is effective use of tax dollars. Ms. Cook stated that the three-year contract with BETA cost $35,000. Mr. Garo stated that Superintendent Cundiff currently has access to the program as part of the contract. Ms. Cook thanked Mr. Stivers for pursuing the pavement management system for the Town's consideration.

IV. Reports

a. Chair's Report

i. Resignation of Steve Valentine from Tricentennial Committee (Veterans' representative)

Mr. Dennington stated that Steve Valentine has submitted his resignation from the Tricentennial Committee, as he has taken a new job in Washington, D.C.

ii. Resignation of CJ Tully from the Open Space Preservation Commission

Mr. Dennington stated that Mr. Tully has submitted his resignation from the Open Space Preservation Commission.

On behalf of the Board, Mr. Dennington thanked Mr. Valentine and Mr. Tully for their service to the Town.

b. Member's Report

i. Update on Neary School building project

Ms. Cook reported that the Preliminary Design Program (PDP) was submitted today to the Massachusetts School Building Authority (MSBA) and contained twelve scenarios ranging in cost from $51 million dollars to $122 million dollars, noting the cost estimates are preliminary. She stated that this information would be available for the public to view on the Neary Building Committee website. She stated the final project choice would be made at the end of August and added that the Neary Finance Subcommittee would meet on May 28th to begin discussion of the long-term financial impact of the project on the Town.

iii. SeeClickFix software update

Ms. Landry reported that DPW, the Planning Department, the Building Department and the Conservation Commission are all interested in the software. She stated the software is offered by CivicPlus at a cost of $7,500 per year. She stated the software is featured on the websites of many surrounding towns (Framingham, Natick, Marlborough, etc.) and urged residents to view it. She also stated that residents could view tutorials at CivicPlus.com for more information. Ms. Landry stated she recommends a trial use of one year. Ms. Cook stated that this item is not in the FY25 IT budget and the Board would need to determine how to pay for it. Mr. Purple stated a demo is scheduled for department heads on May 29th at 1 PM.

iv. Chestnut Hill CSA suspension

Mr. Hamilton reported that the Trustees have experienced some financial challenges in the last few years and have suspended farm operations. He is concerned that another business that contributes to life in Southborough has left. The Board discussed that matter and agreed that Mr. Hamilton would contact the Trustees to learn more about the situation and offer assistance from the Board.

c. Town Administrator's Report

i. June 1, 2024 Fire Chief Installation Ceremony

Mr. Purple reported that Ms. Hale is coordinating with Chief Puntini on his Installation Ceremony, which will be held on June 1, 2024 at the Community Center.

ii. Power Choice contract update (electricity aggregation)

Mr. Purple reported that on May 8, 2024 the Town signed a Successor Agreement for the electricity aggregation program. He stated that the new rate is 13.016 cents/KWh, as compared to the current rate of 10.99 cents/KWh. He added that residents also can choose a 50% "green" option at 13.886 cents/KWh or a 100% "green" option is 15.886 cents/KWh. He stated the new contract would be effective December 1, 2024 and the program information would be communicated through postcards to both current and new residents.

Mr. Purple read a letter announcing that, on May 9th, Taylor West received the Presidential Award for her outstanding commitment to public health nursing from the Massachusetts Association of Public Health Nurses.

V. Consent Agenda

a. Approve Open Session Meeting Minutes: April 8, 2024; May 7, 2024; May 13, 2024

Mr. Stivers requested to hold Consent Agenda item "a." **April 8, 2024:** Mr. Stivers had scrivener's changes to the minutes. **May 7, 2024:** Mr. Dennington and Mr. Stivers had scrivener's changes to the minutes. Mr. Dennington moved to approve the April 8, 2024 and May 7, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. FY25 Staff Appointment

c. Review of Board of Health IMA

Ms. Cook requested to hold Consent Agenda item "c." Ms. Cook recognized the Board of Health, including Chair Chelsea Malinowski, for their effective use of regional resources to enhance Town services. Mr. Stivers echoed Ms. Cook's comments and added that the Board of Health has transitioned from septic approvals to a broader focus on public health. Mr. Stivers moved that the Board support the agreement and is prepared to have the Board chair sign the agreement, subject to the changes sent to Ms. Malinowski. Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0).

d. Approval to spend outside of FY24 budgeted line items

e. Approve Executive Session Meeting Minutes: May 13, 2024

Mr. Dennington requested to hold Consent Agenda item "e." Mr. Dennington stated that the Board would discuss the minutes during Executive Session.

f. Appoint part-time Police Dispatcher: Marlo Taylor & Jack

Mr. Dennington asked Chief Newell to address this matter after Scheduled Appointment "a." Chief Newell stated that these part-time dispatchers are part of a reserve pool when the full-time dispatchers are unavailable and fall under the FY24 budget. He stated they might be considered for full-time employment in the future.

Mr. Dennington moved to approve the Open Session Meeting Minutes for May 13, 2024 and Consent Agenda items "b" (with the expiration date of June 30, 2025), "d" and "f." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

The Board recessed at 8:23 PM and resumed meeting at 8:33 PM.

VI. Other Matters *(Board may vote)*

a. Continued discussion of One Stop Grant opportunities

Mr. Dennington stated that updating Route 9 zoning is an important issue. He suggested that the Board prioritize the One Stop application as one of its goals for the upcoming Board goal-setting session. He also suggested that the Board work with the Planning Board and the Economic Development Committee (EDC) in the winter timeframe to craft a strong application on behalf of the Town. Ms. Cook agreed that focusing on Route 9 zoning to enhance the business climate in Southborough is an important goal and she suggested working on the grant application in the fall rather than winter. Mr. Stivers, Ms. Landry and Mr. Hamilton all agreed with Mr. Dennington's suggestion and Ms. Cook's timeframe. Mr. Dennington stated that the Town's current application relating to the Tricentennial Celebration would be submitted by the June 5th deadline.

b. MTC survey for Fall Town Meeting Date and Time

The Board discussed the draft survey for Fall Town Meeting Date and Time. They agreed that Matt Probst, chair of the Municipal Technology Committee (MTC), would work with Jay Montijo to publicize the survey on the Town's website. The Board also discussed the timeframe for setting the Fall Town Meeting date, relative to the survey results and the Planning Board MBTA bylaw. Mr. Dennington moved to approve the draft survey for Fall Town Meeting Date and Time. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Purple will work with Mr. Probst to publicize the survey.

c. Recruitment to fill Board and Committee vacancies in FY25

Mr. Dennington stated that the list in tonight's packet is a draft and the Board will consider the finalized list of appointments and vacancies at its next meeting. He stated this process would be complete by June 30th. The Board discussed encouraging recruitment for various boards/committees including the EDC, Cable Television Committee, Community Preservation Committee and the Open Space Preservation Commission. Mr. Dennington asked Mr. Stivers to conduct a review of boards/committees to ensure the Town's website is up to date and provide a report on the matter at the Board's next meeting. Ms. Cook reported that the PILOT Committee has requested that their membership be reduced from seven to five.

d. Scheduling of Goal-Setting Meeting for FY25

The Board discussed goal-setting in general and a meeting date for their annual goal-setting session. The Board agreed to hold their annual goal-setting session on Tuesday, June 11th, at 6:30 PM at the Public Safety Building.

e. Town Administrator evaluation

Mr. Dennington described the process for the Town Administrator's evaluation. He stated that Mr. Purple had completed the following goals set by him and the Board for this year: completing the employee handbook, creating the Town Administrator newsletter, completing the Department of Revenue policy review process and completing the Southborough Heritage Park. Mr. Dennington stated that Mr. Purple consistently performed above expectations in most categories and met expectations in the remaining categories. He also stated that four out of five Board members ranked

Mr. Purple's aggregate performance in a range of 3.8-4.1 on a scale of 1-5. Each Board member offered comments on Mr. Purple's performance. Mr. Purple thanked the Board for their comments. He also thanked Ms. Hale and praised the team of department heads and employees who work to advance common goals in the Town. He stated he appreciates the opportunity to work with the Board and the confidence they have in him in his role as Town Administrator. Mr. Dennington stated that the contract for Mr. Purple is in its final year and he is eligible for the standard SAP increase of 4.5%. Mr. Dennington recommended that Mr. Purple receive the increase based on the positive consensus evaluations and the successful achievement of outlined goals. The Board agreed with Mr. Dennington's recommendation. Mr. Dennington moved that the Town Administrator's salary for FY25 reflect the annual SAP increase of 4.5% above that of FY24. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VII. Reorganization of Board

The Board discussed reorganization following the recent election. Mr. Stivers stated he supports Ms. Cook for the position of Chair and Mr. Dennington for the position of Vice Chair for reasons of consistency and effectiveness. The Board discussed reorganization. Both Ms. Cook and Mr. Dennington agreed to serve in the positions described. Mr. Stivers moved to appoint Ms. Cook as Chair and Mr. Dennington as Vice Chair for the next year. Ms. Landry seconded the motion. The motion was unanimously approved (5-0-0).

VIII. Public Comment

There was no public comment.

IX. Executive Session

Mr. Dennington moved to enter into Executive Session at 9:17 PM, per M.G.L. Chapter 30A, Section 21, and not return to Open Session for the following items: (1) to discuss contract negotiations for the Town Administrator (Exemption 2), as the Chair has determined that an open meeting may have a detrimental effect on the Town's position; and (2) to review and approve April 23, 2024 and May 13, 2024 Executive Session minutes. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Upcoming Meetings

DRAFT

EMPLOYMENT AGREEMENT BETWEEN
TOWN OF SOUTHBOROUGH
AND
TOWN ADMINISTRATOR

This agreement, pursuant to Chapter 41, Section 108N of the Massachusetts General Laws, made and entered into this 4th day of June, 2024, by and between the Town of Southborough, Commonwealth of Massachusetts, a municipal corporation in Worcester County, hereafter called the "Town," acting by and through its Select Board, with no personal liability to themselves, hereafter referred to as "the Board" and Mark J. Purple of Shrewsbury, Massachusetts hereafter called "Town Administrator".

WHEREAS, the Town desires to employ the professional services of Mark J. Purple as Town Administrator of the Town of Southborough as provided by the Bylaws of the Town contained in Article II, Section 27-2 as amended;

WHEREAS, the Board, under Chapter 41, Section 108N of the General Laws may contract with the Town Administrator for such services;

WHEREAS, it is the desire of the Board to contract for the salary and benefits of said Town Administrator and establish conditions of employment;

WHEREAS, it is the desire of the Board to obtain the professional services of the Town Administrator, and to provide inducement for him to remain in such employment; and to make possible the full work production of the Town Administrator and utilization of all skills attributable hereto;

WHEREAS, Mark Purple agrees to accept employment as Town Administrator of said Town and devote the necessary time, skills, education, professional services, and efforts in carrying out all of his obligations, responsibilities and duties to the Town and for this the Town Administrator represents that he has, and will maintain the skills, desires and ability to perform such obligations, responsibilities and duties to the extent he is able to do so under Section VIII.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, the Board and the Town Administrator agree as follows:

Section I. Functions and Duties of the Town Administrator.

The Town hereby agrees to employ Mark J. Purple as Town Administrator of the Town of Southborough, and the Town Administrator accepts said offer. The Town Administrator shall act as the Chief Administrative Officer for the Select Board and shall perform the duties specified in the attached job description for Town Administrator [Exhibit A which is integrated herein by reference] and Town By-Laws in compliance with all other applicable laws and such other duties as the Board shall from time to time assign to him.

Section II. Term.

A. This agreement shall become effective July 1, 2025 and shall remain in full force and effect until June 30, 2028 unless sooner terminated as provided for hereunder or by law.

B. Parties agree to endeavor to meet and confer approximately seven months prior to the expiration date of this agreement for the purpose of discussing whether the agreement will be extended, subject to the provisions of Section XII.

Section III. Termination and Severance Pay.

A. The Board may terminate the Town Administrator for cause during the term of this agreement by majority vote.

In the event the Town Administrator is terminated by the Town prior to the expiration of the term of this agreement, the Town agrees that it shall pay the Town Administrator a lump sum cash payment equal to ten (10) months aggregate salary, which amount shall be paid to the Town Administrator, on or before the effective date of termination of his employment; provided, however, that in the event the Town Administrator is terminated for commission of a felony, conduct unbecoming a managerial employee or incompetence, the Town shall have no obligation to pay the base severance pay provided in this paragraph. The acceptance by the Town Administrator of the severance benefits provided under this Agreement shall constitute a full and complete release of any other rights, claims, or causes of action whether in law, equity or otherwise, that the Town Administrator may have against the Town, including all of its employees, elected or appointed officials, officers, agents, representatives and attorneys of such entities.

B. In the event the Town Administrator voluntarily terminates his position with the Town before the expiration of the term of this Agreement, the Town Administrator shall give two [2] month's written notice in advance, unless the parties agree otherwise. A copy of the resignation shall be filed with the Town Clerk. The Town Administrator shall not be allowed use of paid vacation leave during this time without prior approval of the Select Board.

Section IV. Salary.

A. Subject to the terms and conditions of this Agreement, and while he is engaged as and performing the duties of the Town Administrator, the Town shall pay in accordance with its normal payroll practices, an annual salary to the Town Administrator, as set forth below.

1. In the first year of the Agreement, effective July 1, 2025, the Town Administrator's total annual base salary shall be $218,000, subject to applicable withholdings and deductions.

2. In the second year of the Agreement, the Town Administrator shall receive an increase of 3%, effective July 1, 2026, for a total annual base salary of $224,540, subject to applicable withholdings and deductions.

3. In the third year of the Agreement, the Town Administrator shall receive an increase of 3%, effective July 1, 2027, for a total annual base salary of $231,276, subject to applicable withholdings and deductions.

B. The Town shall contribute to the annual cost of a long-term disability insurance policy for the Town Administrator, up to $1,200, as selected by the Town Administrator. The Town Administrator shall provide a copy of the invoice for the insurance premium to the Town for payment.

Section V. Town Administrator Evaluation.

A. The Board shall review and evaluate the Town Administrator every year by the end of the fiscal year. Said review and evaluation shall be based on the goals and objectives developed jointly and mutually agreed to by the Select Board and the Town Administrator. Further, the Chairman of the Board shall provide the Town Administrator with a summary written statement of the evaluation findings annually by the Board and shall provide an adequate opportunity for the Town Administrator to discuss his evaluation with the Board.

B. Annually the Board and the Town Administrator shall mutually define the goals and objectives which they determine necessary for the proper operation of the Town and the attainment of the Board's policy objectives, and shall further establish a general priority among those various goals and objectives, reduced to writing. Goals shall be added by the end of every fiscal year for the following year as an appendix which will be an addendum to the agreement.

C. The Town Administrator shall conduct, at least annually, during the term of this agreement a complete assessment of his own performance in a written document approved in advance by the Board for this purpose, soliciting subjective feedback from individuals as determined by the Select Board with input from the Town Administrator. The results of this assessment will be made available to the Board.

Section VI. Hours of Work.

A. The Town Administrator's workweek shall ordinarily consist of five (5) business days, (Monday through Friday), plus whatever evening and/or weekend hours that may be necessary in order to properly respond to the demands of the position. It is understood that the Town Administrator shall also generally participate in the Select Board's meetings, Town Meetings and other meetings at which his attendance would be beneficial to the orderly conduct of the Town's business. Because of the nature of the position it is also understood that the Town Administrator will not be entitled to additional compensation for any hours spent beyond normal office hours.

B. The Town Administrator is an exempt employee for the purpose of the Fair Labor Standards Act.

C. The Town Administrator shall notify and coordinate with the Chair of the Select Board if he shall be absent from duty or on leave for more than a full day and who shall be responsible for the administration of the Town during such absence or leave.

Other Employment: The Town Administrator position is a full-time job. Other employment must be approved in writing by the Board. If the Employee accepts employment without prior written approval, this employment agreement may be terminated immediately by the Town.

Exempt Activities: The Town Administrator may engage in additional professional activities related to the position of Town Administrator, such as guest lecturing and participation in professional activities,

provided that such participation does not interfere with his job duties and responsibilities and with prior notice to the Select Board.

Section VII. Health and Dental Insurance

The Town shall provide the Town Administrator health and dental insurance policies which are consistent with the policies which other non-union Town employees are eligible.

Section VIII. Vacation, Holidays, Sick Leave, Bereavement Leave, and Personal Leave.

A. Vacation

1. The Town Administrator shall be entitled to four (4) weeks paid vacation per fiscal year. A week shall be defined as five (5) working days.

2. The Town Administrator shall be compensated for up to 5 unused days of vacation per year or carry over up to 5 unused days of vacation per year, but at no time shall the accrued paid vacation leave of the Town Administrator exceed five (5) weeks in any fiscal year.

B. Holidays

The Town Administrator shall follow the Salary Administration Plan (SAP) for eligible paid holidays.

C. Sick Leave

The Town Administrator shall receive 15 sick days per year. Absences on account of sickness in excess of that authorized shall be charged to vacation or other available paid leave. Sick leave shall be payable only in cases of genuine illness, non-work connected accident, or work connected accidents not covered by Massachusetts General Laws Chapter 152 (Workers' Compensation).

D. Bereavement Leave

In the event of the death of a spouse, father, mother, child, father-in-law, mother-in-law, brother, sister, grandparent, or of any other person then residing with the Town Administrator, heshall be entitled to receive three days' leave for the purpose of the funeral and disposition of the deceased. If out-of-state travel is required, the Board may authorize up to two additional days of travel time.

E. Personal Leave

The Town Administrator shall be entitled to three personal days per year, which shall be approved by the Board. Personal days shall not accumulate from year to year.

Section IX. Professional Development, Dues and Subscriptions.

The Town agrees to budget and to pay, subject to appropriation and Board approval in advance for the professional dues, subscriptions and conference expenses of Town Administrator necessary for his continuation and full participation in national, regional, state and local associations and organizations necessary and desirable for his continued professional participation, growth and advancement, and for the good of the Town.

Section X. Expenses.

A. The Town Administrator shall be reimbursed for any normal and reasonable expenses incurred in the performance of his duties, or as an official representative of the Town, including attendance by him at civic or social events.

Section XI. Indemnification.

The Town shall defend, save harmless and indemnify the Town Administrator against any tort, professional liability, claim or demand, or other legal action, whether groundless or otherwise, arising out of an alleged act or omission occurring in the performance of his duties as Town Administrator, even if said claim has been made following his termination from employment, provided that the Town Administrator acted within the scope of his duties. The Town shall pay the amount of any settlement or judgment rendered thereon, subject to M.G.L. Chapter 258 Section 13. The Town may compromise and settle any such claim or suit and will pay the amount of any settlement or judgment rendered thereon without recourse to the Town Administrator.

The Town shall have the discretion to determine whether to assign counsel or reimburse the Town Administrator for his reasonable attorneys' fees and costs in connection with such claims or suits involving the Town Administrator in his professional capacity, provided that the Town Administrator acted within the scope of his duties. Separate counsel will be assigned to the Town Administrator in the case of a conflict of interest between the Town and the Town Administrator's interests in any such matter.

This indemnification shall also apply to the Town Administrator after he leaves the employment of the Town. The provisions of this section shall not apply to disputes between the Town and the Town Administrator regarding the terms and provisions of this Agreement.

This section shall survive the termination of this Agreement.

Section XII. Non-Renewal of Agreement.

If the Board decides not to renew this Agreement, the Board shall give the Town Administrator written notice a minimum of six (6) months before the expiration of this Agreement (December 30, 2023). The Town Administrator has an affirmative obligation to notify the Board in writing of the renewal provision, at least nine (9) months before the last day of this contract (September 30, 2023). If the Board fails to give such written notice of non-renewal, this Agreement shall be extended for an additional one year period.

Should the Town Administrator decide not to renew this agreement, the Town Administrator will provide written notice to the Board a minimum of six [6] months in advance of the expiration of the contract (December 30, 2027).

It is expressly understood that a decision not to renew this Agreement shall not be construed as a dismissal or require a hearing.

Section XIII. No Reduction in Benefits.

The Town shall not at any time during the term of the Agreement reduce the salary, compensation, or other benefits of the Town Administrator, except to the degree such a reduction is consistent with the

reduction for all other management employees of the Town.

Section XIV. Death During Term of Employment.

If the Town Administrator dies during the term of his employment, the Town shall pay to the Town Administrator's estate all the compensation which would otherwise be payable to the Town Administrator up to the date of the Town Administrator's death, including accrued unused vacation and personal leave. The Town shall continue to contribute its share of the health insurance premiums to the Town Administrator's surviving spouse and family, if they are otherwise eligible under Chapter 32B and such other benefits as are available to other Town non-union employees.

Section XV. General Provisions.

A. The text herein shall constitute the entire Agreement between the parties.

B. This agreement shall be binding upon and inure to the benefit of the heirs at law and executors of the Town Administrator.

C. This agreement shall prevail over any conflicting provisions of the Town by-laws or rules and regulations.

D. If any provision or any portion thereof, contained in this Agreement is held, invalid or unenforceable, the remainder of this Agreement, or portion thereof , shall be deemed severable, shall not be affected, and shall remain in full force. This agreement shall be interpreted and enforced in accordance with the laws of the Commonwealth of Massachusetts.

E. If the Town moves to a Town Manager form of government, the Board shall consider the Town Administrator for that Town Manager position prior to its consideration of other applicants to the extent allowed under State Law and Town by-law.

F. Any prior discussions or verbal agreements between the parties made prior, to this agreement shall not be binding upon the agreements unless reduced to writing, dated and signed by both parties.

G. This Agreement shall become effective when executed by both parties.

H. This Employment Agreement is the result of negotiation and compromise by and among the parties and no party shall be prejudiced as having been the drafter of the Employment Agreement.

IN WITNESS WHEREOF, the Town of Southborough, Massachusetts, has caused this Agreement to be signed and executed on its behalf by its Select Board, and the Town Administrator has signed and executed this Agreement, both in duplicate.

Kathryn M. Cook, Chair
Select Board
Town of Southborough
17 Common Street
Southborough, MA 01772

Dear Ms. Cook & Southborough Select Board Members,

Enclosed please find our donations to the Town of Southborough from the St. Mark's School. We have included two separate checks which represent a total increase of approximately 7% over the prior year's contributions. We are truly excited about this continued contribution including the totals provided for the equipment noted below:

- A $30,000 payment represents our annual base contribution.
- A contribution of $20,000 for turnout gear for the Southborough Fire Department.
- A contribution of $50,000 for the Southborough Police & Fire Department for a defibrillator, which was also an identified need.

We appreciate all the work done by the Select Board on behalf of the Town and we look forward to continuing to work together as a proud member of our Southborough community.

Sincerely,

Robert M. Kuklewicz
Chief Financial & Operations Officer

To: Select Board

From: Personnel Board

Re: Personnel Board Budget

The Personnel Board has historically budgeted $5,000 each fiscal year for tuition reimbursement. The Tuition Reimbursement Policy requires that applications for these funds be submitted by employees by December 31. No applications were received for funding in the current fiscal year.

The Board plans to fund a number of training programs in FY24, the cost of which will be $7,950, slightly exceeding the $7,500 in the current fiscal year's budget for employee development, and to do so using a portion of the unused tuition reimbursement funds. Since these funds serve similar purposes, the Board considers this to be a prudent reallocation of resources that will have a significant positive impact on employee productivity and morale.

Even with this redistribution, the Personnel Board expects to have a budget surplus in FY 24.

Chair

MEMORANDUM

Date: May 30, 2024

To: Mark Purple, Town Administrator
Select Board

CC: Sara Cassell, Family and Youth Director
Brian Ballantine, Finance Director

From: Carla McAuliffe, Town Accountant

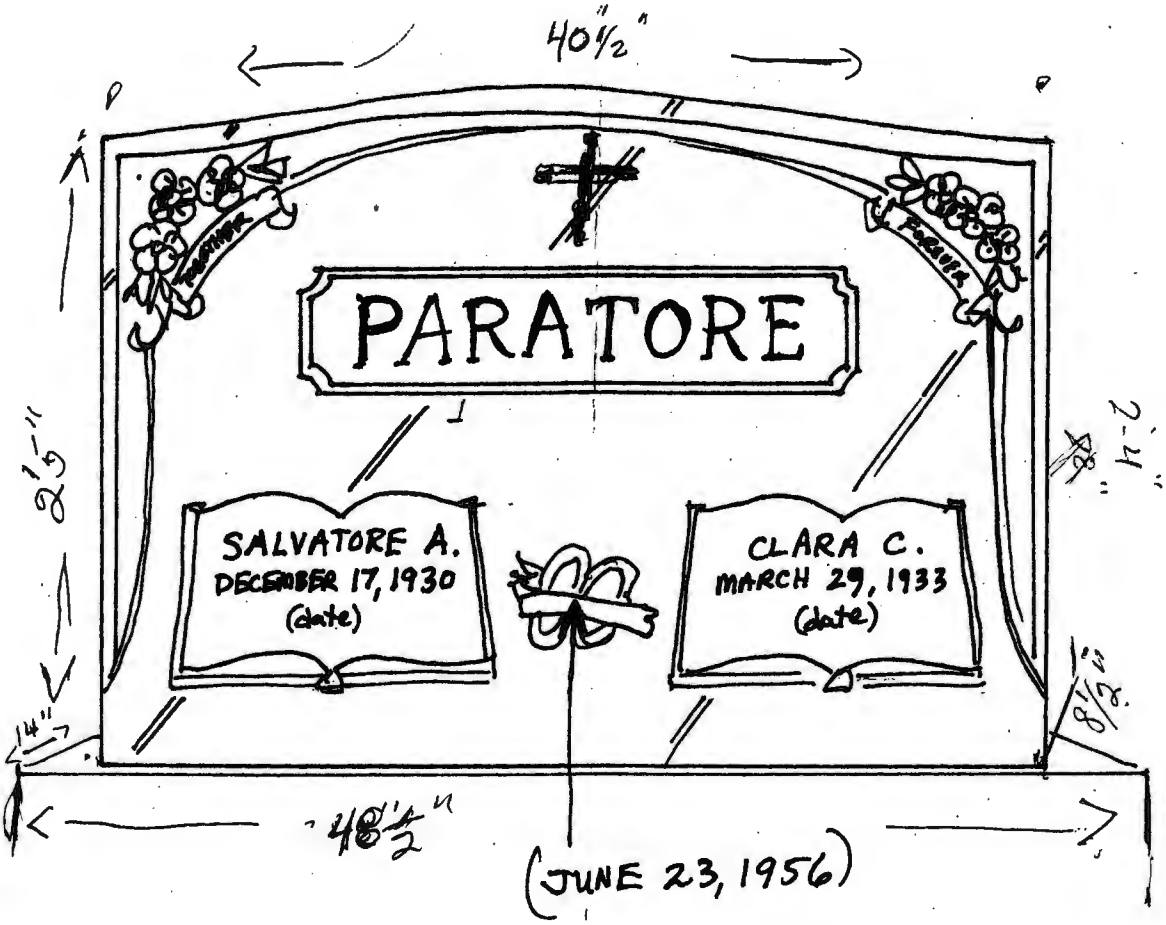
Re: Reallocation of Budget Funds – Transfer Information

Family and Youth (542) had changes in personnel this fiscal year which will resulted in unexpended salary funds. The translation expense for the migrant families is being charged to their budget. This creates a need of up to $8,725.00 of salary funds to cover the charge. The reallocation of these funds will not result in an overage for the department.

Treasurer/Collector (145) had a reclassification and retroactive rate adjustment approved by the Personnel Board for the Deputy Treasurer/ Collector position which was effective November 2023. This will result in an overall budget shortfall of $1,020.00. We will be looking to cover that with an interdepartmental transfer at year end.

Please let me know if you have any questions.

INTEROFFICE MEMORANDUM



To: Cemetery Commissioners / Select Board
From: William J. Cundiff, P.E. , DPW Superintendent
Date: May 29, 2024
RE: Resident Request regarding Headstone size at the Rural Cemetery

Clara Paratore, a resident who moved to Southborough in 2019 has purchased a two-grave cemetery lot and is requesting to relocate a headstone, which is currently located in Sudbury, to the new site in Southborough. The existing headstone dimensions are 48" wide by 14" deep. The **Memorial & Rules for Memorial Work** Section of the **Town of Southborough Massachusetts Rural Cemetery Rules and Regulations** dated February 2012 (Pages 8 and 9) require a maximum headstone size of 40" wide by 14" deep for a two-grave lot. Accordingly, Ms. Paratore is seeking relief for the 8" width exceedance on the headstone size. I have attached Ms. Paratore's request along with the relevant pages of the Regulations, for your convenience.

I am requesting a waiver to have the stone placed onto a 48" base. The existing stone is in Sudbury New Town section and we would like to have it replaced in Southboro since this is our first residents. We moved from Sudbury to Southboro on Aug 29, 2019.

growth and ordinary wear, and includes the management and care of cutting of lawns, cleaning and maintenance of roadways, walks and buildings, provided there is sufficient income funds for these purposes.

The Care Fund income in no case means the maintenance, repair or replacement of any memorial placed or erected upon any lot or grave: nor the planting, cutting, watering or care of any privately planted flowers, trees or shrubs: nor does it mean the reconstruction of any granite or special work in the cemetery of a lot or grave.

Memorial & Rules for Memorial Work

The license holder, its heirs and its authorized agents (memorial dealers) shall comply with all the rules and regulations of the cemeteries operated by the Town of Southborough.

The management reserves the right at all times to approve and prescribe the kind, size, design, symbolism, quality, and material of memorials, inscriptions, monuments and markers placed in the cemeteries. All memorials and inscriptions are subject to the approval of the management prior to their placement. Memorials deemed by the management to be obscene, offensive or unreasonable will be rejected.

Management reserves the right to fix the days and hours when memorial work may be completed in its cemeteries.

All memorial work, or placement of a memorial shall be with the approval of the holder of said lot or grave.

Memorial dealers shall submit a detailed drawing and design of the memorial as well as a certificate of insurance to management naming the Town of Southborough as certificate holder and additional insured with the request for foundation placement.

The location and position in which the memorial is to be placed or erected shall be entirely subject to approval and under the supervision of management.

Memorial employees, in placing or erecting memorials or bringing materials in regard to such work, shall operate in a safe and efficient manner at all times. As independent contractors, they shall be responsible at all times for their work as well as any damage to other memorials and/or Cemetery grounds. All work must conform to the Cemetery Rules and Regulations. Such memorial employees may be required to sign an acknowledgment statement consistent with this provision, provided however, that if no form is required, the provisions hereof will remain in full force and effect upon such employee.

Should any memorial, monument or tomb, becomes unsightly, dilapidated or a menace to safety of persons within the cemetery, the management shall have the right to give written notice to the holder to correct the condition or to remove the same, in either case the expense is to the holder.

Soliciting memorial sales or service work within the Cemetery is strictly prohibited.

Memorials shall be limited to one upright memorial per lot and shall be placed in the center of the lot.

The maximum length of memorials and bases base shall be:

Lawn Crypts ---------- 2' – 0" Slant Face Marker, 1'- 0" deep,
18" high with a 2" margin on front of slant face

1 grave lot* ---------- 2' – 0"
2 grave lot* ---------- 3' – 4"
3 grave lot* ---------- 4' – 0"
4 grave lot* ---------- 5' – 0"
Maximum size ------- 5' – 0" Maximum width is ---------1' - 2"
* Contiguous graves in same row

Government and Flat Markers shall be limited to three (3) per grave and shall be set flush with the surrounding turf.

Private Family Estate Mausoleums & Tombs
Private family estate Mausoleums and Tombs are not allowed at this time.

Lawn Crypts
Refer to Appendix A on page 11 of this document for regulations relating to preinstalled lawn crypts.

Garden Columbarium
Refer to Appendix B on page 15 of this document for regulations relating to Cremation niches.

In General
Persons aggrieved by these Rules and Regulations and their interpretation or application by management, have the right of appeal when made in writing to the Board of Selectmen and the Department of Public Works within 30 days of the date of aggrievement.

The statement of any employee of the cemetery shall not be binding upon management, except as such statement coincides with the document conveying the right of interment and with the rules and regulations.

The Town of Southborough and its cemeteries, through its management, reserves the right and authority, without notice, to make temporary exceptions, suspensions, amendments or modifications of any of the Rules and Regulations, when in its judgment, the same appears advisable in the public interest for public health, safety and welfare purpose. In no way will it be considered as affecting the general application of such Rules and Regulations.

MEMORANDUM

DATE: June 4, 2024

TO: Select Board

FROM: Melanie Otsuka, Executive Assistant

SUBJECT: PROPOSED SELECT BOARD MEETING DATES

Below are proposed dates for regular Select Board meetings for the remainder of calendar year 2024:

- June 11
- June 18
- July 16
- August 13
- September 2 or 4
- September 17
- October 1
- October 15
- November 4 or 6
- November 19
- December 3
- December 17

This schedule maintains the typical 1st and 3rd Tuesday meeting schedule, except during July and August. The State Primary election on September 3 and the Presidential Election on November 5 also impact this schedule; special or workshop meetings, in addition to regular meetings, can be added as needed.

Subject: Children's Book Drive Plans
Attachments: Transfer Station - Book Drive Flyer.pdf

[EXTERNAL]

Hello Mr. Cundiff,

Outlined here are my plans and timeline for my book drive:

I am working with the African Library Project to create a children's library of 500 books in South Africa. My goal is to collect 500 children's books by July 15th and then ship them to the organization's warehouse in New Orleans; from there, the books are shipped to South Africa. July 15th is a tentative deadline and the African Library Project is able to extend it to allow me more time to collect books if needed.

I plan to locate collection boxes in specific places throughout Northborough and Southborough: the Southboro transfer station, Algonquin Regional High School, the Northboro/Southboro Libraries, and potentially more locations.

In the transfer station specifically, a coat box will be placed in the swap shop and will be prominently labeled. This coat box will be in the swap shop starting in the coming weeks of May and be there until July 15th (unless extension of the book drive is needed).

- Attached below is a draft of the flyer that I would be using to promote the book drive (the general formatting/layout might be edited later on but the same information will be included):

Thank you,
Anya Jandu

TOWN OF SOUTHBOROUGH

OFFICE OF THE SELECT BOARD
TOWN HOUSE · 17 COMMON STREET · SOUTHBOROUGH, MASSACHUSETTS 01772-1662
(508) 485-0710 · FAX (508) 983-7752 · selectboard@southboroughma.com

June __, 2024

The Honorable Kate Donaghue
House of Representatives
Room 33
Boston, MA 02133

I have enclosed a certified copy of the results of a Town Meeting article from the March 23, 2024 Southborough Annual Town Meeting warrant. As you know, the article requires the modification of a Special Act of the State Legislature. On behalf of the Select Board we are grateful for your ability to usher this matter through the hearing and committee process. The Town meeting approved the following:

ARTICLE 33: To see if the Town will vote to authorize the Select Board under Clause (1) of Section 8 of Article 2, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts to submit to the General Court a Home Rule Petition, accompanied by a proposed Special Act relating to the Town of Southborough public works. The General Court may make clerical or editorial changes of form only to the proposed, unless after a public hearing the Select Board approves amendments to the bill before enactment by the General Court. The Select Board is hereby authorized to approve amendments which shall be within the scope of the general public objectives of this petition. Said submission shall be accompanied by an attested copy of the motion and vote of the Town Meeting on this article.

Said proposed Special Act shall make the following modifications to Ch. 447 of the acts of 1991: (a) Re- establish the office of Tree Warden as an appointee of the Select Board, supervised by the DPW superintendent; (b) dissolve the Public Works Planning Board of the town of Southborough; and (c) replace "board of selectmen" with "select board" throughout.

The form and wording of said submission shall be determined by the Select Board in consultation with Town Counsel and the Town's representatives to General court.

We also attach language of the proposed special act. Because Town Meeting approved changes throughout the original act, we felt it was easier to replace the act rather than descrie the several amendments.

Please let me know if you require other information from the Town to have a hearing scheduled at your level. Many thanks for your continued support of Southborough.

Sincerely,

Mark J. Purple
Town Administrator

cc: Southborough Select Board
Jay Talerman, Town Counsel

AN ACT AMENDING THE CHAPTER447 OF THE ACTS OF 1991, ESTABLISHING A DEPARTMENT OF PUBLIC WORKS IN THE TOWN OF SOUTHBOROUGH.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. This Act replaces, in its entirety, the provisions Chapter 447 of the Acts of 1991.

SECTION 2. There is hereby established in the town of Southborough a department of public works, hereinafter called the department, which shall be under the jurisdiction of the town's select board. The department shall have all the powers and duties now vested by the General Law and town by-law in the highway department, cemetery department and water department. Said departments are hereby abolished and their powers and duties shall be transferred to and shall be under the direction of the department. No contracts, obligations or liabilities in force on the effective date of this act shall be affected hereby, but the department shall in all respects be the lawful successor of said departments and offices now included in the department.

SECTION 3. The select board shall appoint a superintendent of public works, whose qualifications, powers and duties shall be determined and prescribed by said board, and who shall be responsible to said board. The superintendent shall have authority for carrying out the policies of said board and over the operations of the department. The superintendent shall appoint and remove such employees as they deem necessary, subject to appropriation and the approval of said board. Said superintendent shall be appointed for a term of three years commencing on July first and expiring on June thirtieth at the conclusion of the statutory period. The select board shall appoint a tree warden as described under Chapter 87 of the General Laws.

SECTION 4. All powers and duties now vested by the General Law and town by-law in the boards of water commissions and board of cemetery commissioners shall be assumed by the select board and said boards of water commissioners and board of cemetery commissioners are hereby abolished.

SECTION 5. All equipment owned by the town of Southborough and under the control of the highway, cemetery and water departments and office of tree warden shall, upon the effective date of this act, be under the control and direction of the department of public works.

SECTION 6. This act shall take effect upon its passage.

AN ACT AMENDING THE CHAPTER447 OF THE ACTS OF 1991, ESTABLISHING A DEPARTMENT OF PUBLIC WORKS IN THE TOWN OF SOUTHBOROUGH.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. This Act replaces, in its entirety, the provisions Chapter 447 of the Acts of 1991.

SECTION 2. There is hereby established in the town of Southborough a department of public works, hereinafter called the department, which shall be under the jurisdiction of the town's ~~board of selectmen~~select board. The department shall have all the powers and duties now vested by the General Law and town by-law in the highway department, cemetery department and~~,~~ water department ~~and the office of tree warden~~. Said departments ~~are office~~ are hereby abolished and their powers and duties shall be transferred to and shall be under the direction of the department. No contracts, obligations or liabilities in force on the effective date of this act shall be affected hereby, but the department shall in all respects be the lawful successor of said departments and offices now included in the department.

SECTION ~~3~~2. The ~~board of selectmen~~select board shall appoint a superintendent of public works, whose qualifications, powers and duties shall be determined and prescribed by said board, and who shall be responsible to said board. The superintendent shall have authority for carrying out the policies of said board and over the operations of the department. The superintendent shall appoint and remove such employees as ~~he~~ they deem~~s~~ necessary, subject to appropriation and the approval of said board. Said superintendent shall be appointed for a term of three years commencing on July first and expiring on June thirtieth at the conclusion of the statutory period. The select board shall appoint a tree warden as described under Chapter 87 of the General Laws.

SECTION ~~4~~3. All powers and duties now vested by the General Law and town by-law in the boards of water commissions and~~,~~ board of cemetery commissioners ~~and tree warden~~ shall be assumed by the ~~board of selectmen~~select board and said boards of water commissioners~~,~~ and board of cemetery commissioners ~~and tree warden~~ are hereby abolished.

SECTION 54. All equipment owned by the town of Southborough and under the control of the highway, cemetery and water departments and office of tree warden shall,

upon the effective date of this act, be under the control and direction of the department of public works.

~~SECTION 5. There is hereby established in the town of Southborough a public works planning board to advise the board of selectmen in matters of planning, managing and financing of said town. Said board shall consist of five member, three of whom shall be appointed by the moderator of said town and two of whom shall be appointed by the planning board of said town. Said members shall serve for a term of three years; provide, however, that of the initial appointments made by the moderator, one member shall be for a term of one year, one member shall be for a term of two years and one member shall be for a term of three years and of the initial appointments made by the planning board, one member shall be for a term of two years and one member shall be for a term of three years.~~

SECTION ~~6~~65. This act shall take effect upon its passage.

AN ACT AUTHORIZING THE TOWN OF SOUTHBOROUGH TO ISSUE PENSION OBLIGATION BONDS OR NOTES.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same as follows:

SECTION 1. The town of Southborough may issue, at 1 time or from time to time, bonds or notes for the purpose of funding the portion of the unfunded pension liability of the Worcester Regional Retirement System allocable to the town of Southborough. The proceeds of any such issuance, other than amounts to be applied to issuance costs, the establishment of reserves and any other expenses incidental or related thereto, shall be paid by the town of Southborough to the Worcester Regional Retirement System, shall be allocated solely to reduce the unfunded pension liability allocable to the town of Southborough to which the bonds or notes relate, shall be invested in any investments which are permitted under chapter 32 of the General Laws and shall otherwise be held and expended on behalf of the town by the Worcester Regional Retirement System in accordance with law. The terms of any such bonds or notes shall not exceed 30 years from the date of issuance and the amount of any such bonds or notes shall be outside the limit of indebtedness prescribed in section 10 of chapter 44 of the General Laws. Upon the authorization of the issuance of pension obligation bonds by the town, the town shall submit the vote and a plan demonstrating how the town will finance and allocate the debt service associated with the bonds or notes to the executive office for administration and finance, and no bonds or notes authorized to be issued by this act shall be issued until the secretary for administration and finance has approved the plan and the issuance of such bonds or notes. Except as otherwise provided in this act, such bonds or notes shall be subject to said chapter 44.

SECTION 2. The aggregate principal amount of the bonds or notes issued during any calendar year under authority of this act shall not be greater than the amount sufficient to extinguish the unfunded pension liability of the Worcester Regional Retirement System allocable to the town of Southborough, as of a particular date as determined in accordance with this section, plus an amount to provide for issuance costs, the establishment of any reserves as described below and any other expenses incidental or related thereto. The Worcester Regional Retirement System shall first determine the amount sufficient to extinguish the unfunded pension liability of the town of Southborough, in accordance with the report of a nationally recognized independent consulting firm, which may be the consulting actuary generally retained by the Worcester Regional Retirement System, and which amount shall be approved by the public employee retirement administration commission. The report shall also set forth the present value savings to the town reasonably expected to be achieved as a result of the issuance of such bonds or notes.

SECTION 3. The maturities of such bonds or notes shall be scheduled so that the annual combined payments of principal and interest for each issue shall be as nearly equal as practicable in the opinion of the town treasurer, in any manner that shall provide for a more rapid amortization of principal, or in accordance with any other manner consistent with the town's approved funding schedule, as the secretary for administration and finance shall approve. In granting the approval, the secretary may require the establishment of a reserve which may be created from a portion of the amount of the annual savings used to calculate the present value savings, through the issuance of bonds in accordance with this act, or otherwise, and the town of

Southborough is authorized to establish any such reserve fund upon such terms and conditions as may be required by the secretary for administration and finance, or, if no such reserve is required to be established by the secretary of administration and finance, such a reserve fund may be established upon such terms and conditions as the town shall determine and may be funded with proceeds of bonds issued pursuant to this act, or otherwise. Any such reserve shall be held and controlled by the town and shall be separate from any other reserve or fund of the town allowed or required by statute. The secretary shall establish a method to calculate both the required amount of annual contribution to the reserve and the minimum value to be maintained in the reserve and shall prescribe conditions for expenditure from the reserve, including its use if necessary to prevent or limit any future unfunded actuarial pension liability, and the conditions under which all or a portion of the funds in the reserve may be available for unrestricted purposes in which case such funds or portions thereof shall be transferred to the town treasury. Any funds in the reserve fund established pursuant to this act shall be trust funds within the meaning of section 54 of chapter 44 of the General Laws and, except as otherwise provided in this act, shall be subject to the provisions of said section 54.

SECTION 4. If the unfunded pension liability to be funded with the proceeds of an issue of bonds or notes issued under this act relates in part to employees of a governmental unit other than the town of Southborough, each such governmental unit shall be responsible for reimbursing the town of Southborough for bonds or notes issued hereunder as is equal to the proportion of the total unfunded pension liability to be funded with the proceeds of the bonds or notes as relates to each of such entities. Notwithstanding any general or special law to the contrary, the public employee retirement administration commission shall increase the annual amount to be certified under section 22 of the General Laws as the amount necessary to be paid by each such governmental unit other than the town of Southborough by each such governmental unit's proportionate share of the annual debt service expense as determined herein. The town of Southborough shall have the same legal rights and authority as the retirement board of the Worcester Regional Retirement System to collect any amount so assessed to any such governmental unit.

SECTION 5. Notwithstanding chapter 70 of the General Laws or any other general or special law to the contrary, the portion of the annual debt service paid by the town of Southborough for bonds or notes issued under this act applicable to school department personnel who are members of the Worcester Regional Retirement System shall be included in the computation of net school spending for the purposes of said chapter 70 or any other law.

SECTION 6. This act shall take effect upon its passage.

By Town Clerk/ksb at 1:16 pm, Jul 18, 2024

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Thursday, June 6, 2024, 8:00 AM
Location: Remote through Zoom
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers and Al Hamilton. Town Administrator Mark Purple, Assistant Town Administrator Vanessa Hale and Bernard Lynch of Community Paradigm Associates, LLC

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Chair Kathy Cook called the meeting to order at 8:01 AM.

II. Building Commissioner – Interview and consideration of appointment

Ms. Cook introduced Mr. Lynch and Mr. Lund and reviewed the process for the interview. The Board took turns asking Mr. Lund their list of thirteen questions. Mr. Lund gave a background of his experience, why he felt Southborough is a good fit for him professionally, his process for zoning enforcement, his management style, and responded to the questions asked as included in the packet. The Board emphasized the need for someone who has strong zoning enforcement skills and the ability and willingness to collaborate with staff and other departments and committees. He assured the Board he would be able to do both. Mr. Lynch gave a summary of the references he spoke to from the communities Mr. Lund has worked with. He added he was told that Mr. Lund works very well with others, his skills are excellent, and he is fair with his enforcement. He gave an example of one resident having said he is too strict and another resident from the same town having said that he is too lenient. He explained that this showcases Mr. Lund's ability to be fair and impartial in his determinations. Ms. Cook stated that Acting Building Commissioner Gene Novack is very supportive of this appointment as is Electrical Inspector Jim Colleary.

Mr. Stivers made a motion to appoint Mr. Chris Lund as Southborough Building Commissioner contingent on successful background checks and SAP process completion. Mr. Dennington seconded. The motion passed all in favor (5-0-0) by roll call vote: Dennington, aye; Landry, aye; Stivers, aye; Hamilton, aye; Cook, aye. Mr. Lund's first day will be July 1, 2024.

III. Adjournment

Mr. Dennington moved to adjourn at 8:50 AM. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry (5-0-0).

Upcoming Meetings

July 11, 2024 *July 12, 2024*

Respectfully submitted, Katie Barry, Business Administrator

List of Documents referred to at the June 6, 2024, SB Meeting:

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, June 10, 2024 6:30 PM
Location: Public Safety Training Room, 32 Cordaville Road Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Sam Stivers, and Al Hamilton.
Absent: Marguerite Landry
Others Present: Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale

I. Call Meeting to Order

Chair Kathy Cook called the meeting to order at 6:32 PM.

This was a special meeting to (1) set goals for the Town Administrator, Mark Purple, for the fiscal year beginning July 1, 2024 through June 30, 2025 and (2) set goals for the Select Board for the fiscal year beginning July 1, 2024 thru June 30, 2025. There were no other agenda items and there was no public comment. The meeting was in person only and no one else attended other than the four Select Board members, Mr. Purple and Ms. Hale.

II. Goal Setting for FY25

After discussion among the four members present, the Select Board established three sets of goals: (1) carryforward of certain goals from the prior fiscal year ending June 30, 2024; (2) establishment of new collective goals for the Select Board for the year ending June 30, 2025; and (3) establishment of individual goals for each member of the Select Board for the year ending June 30, 2025. All Select Board members that were present agreed on all goals. The official vote to approve was 4-0.

The Board agreed upon the continued goals from fiscal year 2024 as follows:

- Moving forward with RECC options
- Continuing negotiation with the Town of Hopkinton regarding the water project
- Committee simplification (reorganization of AHTFC and SHOPC)
- Review/implement the DOR financial study
- Guide and support the 21 Highland Committee.

The Board agreed to assign the fiscal year 2025 goals as follows:

- **Mr. Dennington:** replacement of the Town Center historic fence railing (finalize CPC application before 8/31 deadline)

- **Ms. Cook:**
  - Review of future plans for 2 East Main Street
  - Finalizing parking plan at the former Fayville Village Hall
  - Plans for the future use of Flagg School
- **Mr. Hamilton:**
  - Restoration of farming (including produce sales) at Chestnut Hill Far

- **Mr. Stivers:**

- Continued negotiations with National Grid
- Plans for the future use of Newton Street land
- Determine public access to Halloran property

- **Ms. Landry:**
  - Analysis of repairs/restoration to Old Burial Ground
  - Overall bylaw compliance

The Board agreed to the following administration/operational goals:

- Streamline routine Select Board decisions
- Set calendar to meet with most Boards and Committees once a year
- Plan for employee and volunteer recognition events, improve communication on Board accomplishments and future action items
- Develop a "State of the Town" address at the end of each fiscal year and include a Select Board report at Annual Town Meeting.

After discussion between the Select Board and Mr. Purple, four goals were established for Mr. Purple. The Board agreed to assign Mr. Purple the following goals for fiscal year 2025:

- The successful negotiation of the upcoming four Union contracts
- Assist the Board with the analysis of the Public Safety Staffing Study once completed and the implementation of recommendations
- Oversee the completion of the irrigation project for the Golf Course and the totality of golf course related issues (i.e. golf balls being hit onto residential property and possible damage)
- Assist with new Fire Chief onboarding

III. A motion to adjourn was made at 8:02 p.m. Motion to adjourn was approved 4-0.

Upcoming Meetings

July 16, 2024 *August 6, 2024*

Respectfully submitted,

Kathryn M. Cook, Select Board Chair

<u>List of Documents referred to at the June 10, 2024 SB Meeting:</u>

- Goals Worksheet FY25

FY24 Performance Goals / Objectives | COMMUNITY DEVELOPMENT

	Description of Goal / Objective	Desired outcome - Why	Who does what when	How it will be measured?	Planned Review Dates & Progress	Target completion date	Results Achieved Yes/No/Explanation
1	Make measurable progress on affordable housing						
2	Return Farming to Chestnut Hill (AH)						
3	No more investment in "Downtown" until we invest in neighborhoods (AH)						
4	Affordable housing production (AHTF restructuring; 40B projects permitted) (SS)						
5	EDC Coordinator position to full-time (SS)						
6	Wastewater plan for Rt 9 and downtown (SS)						
7	Continue to support tricentennial process (SS)						
8	Affordable housing: reforumulate committees, start project implementation, commit funds that town already has to viable project(s)						
9							
10							

Objectives **INFRASTRUCTURE**

	Description of Goal / Objective	Desired outcome - Why	Who does what when	How it will be measured?	Planned Review Dates & Progress	Target completion date	Results Achieved Yes/No/ Explanation
1	Make more progress on Sidewalks (AH)						
2	Resolve the status of Neary (AH)						
3	School building project (SS)						
4	Library building project (SS)						
5	Address bonding impact of major capital projects (SS)						
6	Continued road paving and sidewalk construction(SS)						
7	Complete Hopkinton IMA (SS)						
8	Town Center historic development (SS)						
9							
#							

Continued Goals from FY24:	Status	Board Liaison
RECC		
Hopkinton Water Project		
Committee simplification Reorganization of AHTFC and SHOPC		
Review/implement DOR financial study		
Kick off for 21 Highland Committee		

Topic	Board Liaison
Replacement of Town Center historic fence railing	
Finalize CPC application before 8/31 deadline	AD
Review of future plans for 2 East Main St. (Bemis Lot)	KC
Finalizing parking plan at former Fayville Village Hall	KC
Future use of Flagg School	KC
Restoration of farming at Chestnut Hill Farm	AH
Continued negotiations with National Grid	SS
Future use of (Tony Kwan/Newton St.) land	SS
Determine public access to Halloran property	SS
Analysis of repairs/restoration to Old Burial Ground	ML
Bylaw compliance	ML

Affordable housing; reformulate committees, start project implementation, commit funds that town already has to

Administration/Operations
Streamline Select Board mundane decisions
Set calendar to meet with (most) Boards and Committees once annually
Event planning for employee and volunteer recognition

Improved communication on accomplishments and future issues we're facing
Develop State of the Town pitch at end of each FY
Add SB report at ATM

viable project(s)

FY25 Performance Goals / Objectives

ADMINISTRATION/OPERATIONS

	Description of Goal / Objective	Desired outcome - Why	Who does what when	How it will be measured?	Planned Review Dates & Progress	Target completion date	Results Achieved Yes/No/Explanation
1	Followup with CPC about transparency of decision making process; transparency of accounting for monies spent, outstanding and returned; transparency of decision making about affordable housing monies being spent (or not) to get more affordable housing (ML)						
2	Increased communication from and to residents using SeeClickFix, or a comparable feedback mechanism using the Town website (ML)						
3	Increased bylaw compliance for Building, Planning, Board of Health, and other departments. This would mean a process for enforcement of bylaws in cases where Departments want to enforce, but currently it is not happening (ML)						
4	Tricentennial Committee: time to look at the projects slated for the Tricentennial and a budget (ML)						
5	Shed some of the more mundane matters that clog our agendas. Place more responsibility and authority on the TA (AH)						
6	Meet with each board and committee at least 1 time per year to harmonize priorities and						
7	Improve communications with citizens (AH)						
8	Reduce the number of committees (AH) a. Consolidate SHOPC and AHTFC b. Consolidate Stewardship and Open Space c. Consider other consolidations.						
9	Make clear policy statements about the towns priorities. Inform Staff, Boards and Committees about those priorities (AH)						
10	Committee simplification and streamlining (SS)						

11	Continue IT progress toward cloud and additional senior staff (SS)						
12	Get RECC IMA completed and implementation process started (SS)						
13	Improved communication on accomplishments and future issues we're facing						
14	Develop State of the Town pitch at end of each FY						
15	Add SB report at ATM						

FY24 Performance Goals / Objectives **Finance**

	Description of Goal / Objective	Desired outcome - Why	Who does what when	How it will be measured?	Planned Review Dates & Progress	Target completion date	Results Achieved Yes/No/Explanation
1	Resolve funding for AHTF (AH)						
2	Develop a clear borrowing plan (AH)						
3	Increase CPC surcharge to 3% (SS)						
4	Bonding plan for school project and others (SS)						
5	Grant production focus (SS)						
6	New, non-tax revenue sources (consider stormwater enterprise fund) (SS)

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, June 18, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Sam Stivers and Al Hamilton. Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale. Present via ZOOM: Marguerite Landry

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Chair Kathy Cook called the meeting to order at 6:30 PM.

II. Public Comment

Ms. Marnie Hoolahan, 26 Clifford Road and speaking on behalf of the Planning Board, informed the Board and public that the Planning Board had selected two properties for the Area #1 portion of the MBTA zoning overlay district based on results of the Mapping Session that occurred on June 3rd. She urged the public to view the Planning Board's June 17th meeting for additional information.

Ms. Lisa Braccio, 13 Oregon Road, stated that she hopes the Annual Volunteer Appreciation Breakfast would be held before the end of the fiscal year.

III. Scheduled Appointments *(Board may vote)*

a. 6:30 PM – Class II License Hearing; EJ Automotive, 179 Boston Road, Southborough

Mr. Purple read the public hearing notice into the public record. Ms. Cook opened the public hearing at 6:33 PM. Mr. Justin Pessini and Mr. Ethan Pessini appeared before the Board on the matter. Mr. Justin Pessini stated that he is moving his three businesses to one location and seeks to move the license for up to twelve cars from 145 Boston Road to 179 Boston Road. There was no comment from the public. Mr. Stivers moved to close the public hearing at 6:35 PM. Mr. Hamilton seconded the motion. The motion was approved by roll call vote: Ms. Landry, aye; Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye (5-0-0). Mr. Stivers moved to approve transferring the Class II License from 145 Boston Road to 179 Boston Road, subject to the approval of the Police, Fire and Building Departments and with the hours listed on the application. Mr. Hamilton seconded the motion. The motion was approved by roll call vote: Ms. Landry, aye; Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye (5-0-0).

Ms. Cook heard Other Matters "e" at this time. Ms. Meme Luttrell called the Planning Board meeting to order at 6:37 PM. Members indicated present by roll call: Ms. Luttrell, present; Ms. Hoolahan, present; Ms. Braccio, present; Ms. DeMuria, present, Mr. Stein, present, via ZOOM, but technical difficulties prevented him from answering present.

b. 7:00 PM – Tree Hearing

Ms. Cook heard this matter after Scheduled Appointments "c." Mr. Chris Leroy, Tree Warden Designee, appeared before the Board on the matter.

i. Scenic Road Tree Removal Application – 20 Woodbury Road [request to remove 3 trees: one Pignut Hickory (20"), one Red Oak (24"), one Easter White Pine (20")]

Ms. Luttrell read the public hearing notice into the public record. Ms. Luttrell opened the public hearing at 7:03 PM. Mr. Runfeng Chen, 20 Woodbury Road, appeared before the Board and Planning Board on the matter. Mr. Leroy reported that he found no safety or health issues with any of the trees and Mr. Cliff Templeman, the Town's arborist, had no issues with the trees. The Planning Board

discussed the trees. Ms. Luttrell clarified that, if any trees are removed, Mr. Chen would cover the cost of removal because, although the trees are in the public right of way, this is a resident request. Ms. Hoolahan moved to remove Tree #1 at 20 Woodbury Road. Mr. Stein seconded the motion. Mr. Stein amended the motion to say that the resident would be allowed to remove Tree #1 at 20 Woodbury Road. The amended motion was approved by roll call vote: Ms. Luttrell, no; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, no; Ms. Braccio, yes (3-2-0). Ms. Hoolahan moved to retain Tree #2 and Tree #3 at 20 Woodbury Road. Mr. Stein seconded the motion. The motion was approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). DPW Superintendent Cundiff requested that the property owner hire a company that has the appropriate surety to work within the public right of way, something that the Town requires of all companies hired to work in the public right of way. The Board discussed the trees at 20 Woodbury Road. Mr. Hamilton moved to authorize the resident at 20 Woodbury Road to remove Tree #1 at his own expense, subject to an acceptable surety bond by the tree company hired to work in the public right of way. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Ms. Landry, aye; Mr. Dennington, aye; Mr. Stivers, no; Mr. Hamilton, aye; Ms. Cook, aye (4-1-0). Mr. Leroy asked that any removal include stump grinding. Ms. Cook amended Mr. Hamilton's motion to include the words, "complete removal of the tree, including the stump." Mr. Stivers seconded the amended motion. The motion was approved by roll call vote: Ms. Landry, aye; Mr. Hamilton, aye; Mr. Stivers, no; Mr. Dennington, aye; Ms. Cook, aye (4-1-0).

ii. Scenic Road Tree Removal Application – DPW Tree Hearing List May 2024 [26 resident/DPW requested trees located on the following streets: Flagg, Middle, Wood, Meadow, Southville, Parkerville, Walnut, Woodland, Richards, Edgewood, Stowe and Deerfoot. The trees range in size from 12" to 48" and consist of 4 Maple, 9 Ash and 13 Oak trees]

Ms. Luttrell read the public hearing notice into the public record. Ms. Hoolahan asked to hold Tree #2, #21, #22, #24, #25 and #26. Ms. DeMuria asked to hold Tree #2, #5, #6, #18, #19, #21, #22, #24, #25 and #26. Ms. Braccio, Ms. Luttrell and Mr. Stein had no additional holds. Ms. Hoolahan moved to accept Trees #3 and #4 on the June 18, 2024 Tree Hearing List (28 Flagg Road and 70 Deerfoot Road) for trim. Mr. Stein seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Mr. Hamilton moved that the Board approve the trees approved for trimming by the Planning Board. Ms. Cook amended the motion to include "Trees #3 and #4 from the spreadsheet." Mr. Stivers seconded the amended motion. The amended motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). Mr. Stein moved that the Planning Board approve the removal of the following trees on the 2024 Tree Hearing List: #7, #8, #9, #10, #11, #12, #13, #14, #15, #17, and #23. Ms. Hoolahan seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved that the Board approve the removal of the following trees on the 2024 Tree Hearing List: #7, #8, #9, #10, #11, #12, #13, #14, #15, #17, and #23. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). The Planning Board discussed Trees #5 and #6. Mr. Stein moved that the Planning Board authorize the trimming of Tree #6 and the removal of Tree #5 at 103 Middle Road. Ms. Hoolahan seconded the motion. The motion was approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, no; Ms. Braccio, yes (4-1-0). Mr. Stivers moved that the Board authorize the trimming of Tree #6 and the removal of Tree #5 at 103 Middle Road. Mr. Hamilton seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). The Planning Board discussed Trees #18 and #19. Mr. Stein moved that the Planning Board authorize the removal of

Trees #18 and #19 at 202 Parkerville Road. Ms. Hoolahan seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved that the Board authorize the removal of Trees #18 and #19 at 202 Parkerville Road. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). Mr. Stein moved that the Planning Board hold action on Tree #2 until the next tree hearing, as the posting sign blew off. Ms. Hoolahan seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved that the Board hold action on Tree #2 until the next tree hearing, as the posting sign blew off. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). The Planning Board discussed Tree #21. Mr. Stein moved that the Planning Board authorize the trimming of Tree #21 over wires. Ms. Hoolahan seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved that the Board authorize the trimming of Tree #21 over wires. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). The Planning Board discussed Trees #22 and #24. Mr. Stein moved that the Planning Board authorize the trimming of Tree #24 and the removal of Tree #22 at 16 Deerfoot Road. Ms. Hoolahan seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved that the Board authorize the trimming of Tree #24 and the removal of #22 at 16 Deerfoot Road. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). The Planning Board discussed Tree #25 and #26. Mr. Stein moved that the Planning Board authorize the removal of Trees #25 and #26 at 2 Stow Road. Ms. Hoolahan seconded the motion. Ms. DeMuria asked that the motion specify the left portion of Tree #26. The amended motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved that the Board authorize the removal of Tree #25 and the left portion of Tree #26. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). Mr. Leroy informed the Planning Board, the Board and the public that National Grid is executing their Hazardous Tree Mitigation Plan and that people may notice red and blue tape around trees related to this plan. He stated any trees affected by the plan would follow the Town tree policy process. Ms. Braccio thanked Mr. Grant Farrington for his commitment to trees in Southborough. Mr. Stein moved to close the public tree hearing at 8:06 PM. Ms. Hoolahan seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved to close the public tree hearing at 8:07 PM. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0).

c. Appoint Recreation Director

Ms. Cook heard this matter after Other Matters "e." Ms. Jennifer Hansen, chair of the Recreation Commission introduced Mr. Travis Farley as the candidate for Recreation Director. Mr. Dennington moved to appoint Travis Farley as Recreation Director. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Landry, aye; Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye (5-0-0).

d. Interview/appoint Sara Warden to Open Space Preservation Commission, term to expire 6/30/2028

This matter was heard after Scheduled Appointments "e.ii." Ms. Gillespie introduced Sara Warden to the Board. The Board interviewed Ms. Warden. The Board discussed the length of Ms. Warden's appointment. Mr. Dennington reiterated his concern regarding the Commission's making recommendations during the permitting process for native species on private property. Ms. Warden stated that, in general, she is someone who likes to educate and offer potential solutions. Ms. Cook moved to appoint Sara Warden to the Open Space Preservation Commission, term to expire June 30, 2028. Mr. Hamilton seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). Ms. Gillespie invited the public to the Garden Tour this Sunday, June 23rd at 11:30 AM at the Library and then to the Beals Preserve at 1:00 PM for a program on preserving biodiversity. Ms. Luttrell, in her capacity as Planning Board chair, stated that, as an elected board, the Planning Board solicits the opinions of relevant boards/committees as part of the permitting process. Ms. Hoolahan, in her capacity as a Planning Board member, stated that the Planning Board is an elected board, and she is concerned about the Board's view on the permitting process. Ms. Braccio, in her capacity as a Planning Board member, clarified that the opinions submitted by the Open Space Preservation Commission and the Stewardship Committee regarding 120 Turnpike Road were relevant to the 6.2 acre land donation and, at no time, did they discuss a lack of support for affordable housing.

Ms. Cook moved to Scheduled Appointments "e.iii" at this time.

e. FY25Committee reappointments and/or reorganization

i. Stewardship Committee

Please see below.

ii. Open Space Preservation Commission

Ms. Joyce Greenleaf, chair of the Stewardship Committee, appeared before the Board on the matter. Also present were the following committee members: Kevin Farrington, Freddie Gillespie, Kathryn McKee and Brett Peters. Ms. Freddie Gillespie, chair of the Open Space Preservation Commission, appeared before the Board on the matter. Also present were committee members Joan Levenson and Leslie Naditch. Ms. Cook explained that the reason these two committees are on the Board's agenda is that the Board would like to hear opinions as to whether or not the committees should be merged. The Board shared their views on the matter. Ms. Gillespie stated that the Commission's charge is to preserve open space and that this can be accomplished by purchasing land and can also be accomplished by advocating for ecological landscape management. She stated that Town Counsel had opined in March of 2004 that the Commission can be a part of the subdivision review process. She stated that in 1990, Town Meeting created a policy regarding open space and she suggested that if the Board is not in agreement, the matter should be addressed at Town Meeting. She stated that the charge of the Commission and the Stewardship Committee are very different and that the Commission had voted to remain separate. She also stated that she believes the term of 5 years is appropriate, as time is required to become a proficient Commission member. Ms. Greenleaf stated that the Stewardship Committee had voted not to merge with the Open Space Preservation Commission. She stated that the sole charge of Stewardship is to manage Breakneck Conservation Area and that she believes its five members work efficiently to do so. She highlighted successes achieved by Stewardship. She stated that she would like to reduce the number of committee members from seven to five. Mr. Dennington moved to appoint Kevin Farrington, Freddie Gillespie, Joyce Greenleaf, Kathryn McKee and Brett Peters to the Stewardship Committee, each for a one-year term expiring June 30, 2025. Ms. Cook seconded the motion. The motion was approved by roll call vote: Mr. Hamilton, abstain; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, abstain; Ms. Cook, aye (3-0-2). Ms. Cook moved to appoint Leslie Naditch to the Open Space Preservation Commission, term to expire June 30, 2029. Mr. Stivers seconded the motion. Mr. Dennington stated he is supportive of the workshops and education done by the Commission but has concern surrounding its review of subdivision plans and native species on private property. Ms. Naditch stated she would

follow the guidelines of the Commission. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). Ms. Cook moved to Scheduled Appointments "d" at this time.

iii. Southborough Housing Opportunity Partnership Committee (SHOPC)

Ms. Doriann Jasinski appeared before the Board on the matter. Ms. Cook stated that SHOPC was held as part of a discussion about combining SHOPC and the Affordable Housing Trust Fund Committee (AHTFC) to advance the Board's goal to create more affordable housing in Southborough. Ms. Cook stated that a working group intends to have a new structure for consideration at Fall Town Meeting. Ms. Braccio advocated for the reappointment of Ms. Jasinski and Mr. Jesse Stein to SHOPC while the new structure is being developed. Mr. Grant Farrington, 56 Flagg Road, stated that even if the article to restructure the two committees is brought forward for Fall Town Meeting, passage is not guaranteed. Ms. Cook moved to reappoint Doriann Jasinski to SHOPC for a term to expire June 30, 2027. Mr. Hamilton seconded the motion. The motion was defeated by roll call vote: Mr. Hamilton, no; Mr. Stivers, no; Mr. Dennington, no; Ms. Cook, aye; Ms. Landry, aye (2-3-0). Ms. Cook moved to reappoint Jesse Stein as the Planning Board representative to SHOPC, term to expire June 30, 2027. Mr. Dennington seconded the motion. The motion was approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, no; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (4-1-0).

iv. Community Preservation Committee

Mr. Ben Smith, chair of the Community Preservation Committee (CPC), Ms. Lisa Braccio, Planning Board representative to the CPC and Ms. Kristin LaVault, Recreation Commission representative to the CPC, appeared before the Board on the matter. Ms. Cook stated that under discussion is the reappointment of Mr. Smith, Ms. Braccio and Ms. LaVault. Mr. Dennington reiterated the Board's commitment to building affordable housing in Southborough. Mr. Smith stated that the CPC met recently and agreed that advancing an article for Fall Town Meeting to move funds from the CPC Community Housing category was not reasonable at this time, as a new committee structure has not yet been formed and there is no specific project. Mr. Smith stated that Ms. LaVault's performance as a committee member has been exemplary and he noted that she is passionate in her positions. Additionally, he stated losing Ms. LaVault would jeopardize the CPC's ability to form a quorum. He stated he values her as a committee member and does not want to lose her. Ms. Cook stated that she feels Ms. LaVault is not supportive of the Board and is, at times, oppositional. The Board shared their views on the matter. Mr. Stivers stated that he is concerned about how to make CPC Community Housing funds available for use in a timely manner. Mr. Smith stated that he believes there is a way to make Community Housing funds available and structure an application to expedite a specific opportunity that may become available. He stated it is important not to circumvent the public process and he believes there is a compromise solution. Mr. Hamilton expressed concern about CPC projects that have not been closed out and stated this is not effective financial management of CPC funds. Mr. Smith stated that he would be working with Ms. Gillespie over the summer to have project closeouts and the return of funds for the CPC to vote on in September. Mr. Hamilton stated that the AHTF was created to expedite the process of promoting affordable housing. Ms. LaVault expressed her thoughts about the concerns of the Board. She stated that last fall, she observed some behaviors by the Board that were concerning relative to the 21 Highland Street matter. Ms. Braccio commented that Ms. LaVault is entitled to free speech in a public forum and she suggested the Board create a policy for volunteers. Ms. Cook moved to reappoint Ben Smith and Lisa Braccio to the CPC, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). Ms. Cook moved to reappoint Kristin LaVault to the CPC, term to expire on June 30, 2027. Mr. Hamilton seconded the motion. The motion failed by roll call vote: Mr. Hamilton, no; Mr. Stivers, no; Mr. Dennington, no; Ms. Cook, no; Ms. Landry, no; (0-5-0).

The Board recessed at 10:01 PM and resumed meeting at 10:06 PM.

V. Reports

a. Chair's Report

i. Neary Building Committee update

Ms. Cook reported that the Neary School Building Committee (NSBC) is meeting regularly to consider three options. She invited the public to view all information on NSBC's website and also invited the public to attend the informational forum scheduled for Tuesday, June 25th.

Ms. Cook invited the public to the Historical Commission's celebration of the installation of signs marking the Southborough Center Historic District on Thursday, June 27th at 7 PM at the Community Center.

b. Members' Reports

i. Chestnut Hill Trustees Meeting

Mr. Hamilton reported that he met with the Trustees of Chestnut Hill Farm and discussed the return of farming to the site. The Trustees stated that a potential barrier to becoming an agricultural site is that they've experienced difficulty obtaining liquor licenses for events at the Farm. Mr. Hamilton discussed the matter with Town Counsel and learned that the Town could issue one-day licenses. He also stated that the Conservation Restriction (CR) indicates that 51% of the goods sold at the Farm must be produced at the Farm and that Town Counsel informed him there was flexibility on enforcement. Mr. Hamilton will follow up with the Conservation Commission on the matter.

c. Town Administrator's Report

i. Animal Control contract renewal

Mr. Purple reported that, with regard to one-day liquor licenses, payment is required at the time of application. Mr. Purple reported that the Town has renewed its animal control contract for FY26 with Boardman's Animal Control.

Mr. Purple reported that DPW Superintendent Cundiff and Rep. Kate Donaghue have been in communication with CSX regarding repair of the crossing. He reported that reconstruction would take place on the Central Street crossing over a three-day period this August and Mr. Purple thanked Superintendent Cundiff and Rep. Donaghue for their assistance with this matter.

VI. Consent Agenda

a. Approve Open Session Meeting Minutes: June 4, 2024

Mr. Stivers requested to hold Consent Agenda item "a." Mr. Stivers had scrivener's changes to the minutes. Ms. Cook moved to approve the June 4, 2024 minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (5-0-0).

b. Accept $1,000 donation from L'Abri Fellowship

Mr. Stivers requested to hold Consent Agenda item "b." Mr. Stivers acknowledged L'Abri Fellowship for their generous donation. Ms. Cook moved to accept the $1,000 donation from L'Abri Fellowship. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (5-0-0).

c. Accept donation of $52,036 from NECC

Ms. Cook requested to hold Consent Agenda Item "c." She stated she would provide a full PILOT report at the Board's July meeting. She also stated this is the second of two payments made each year by NECC as part of a previous real estate transaction. Ms. Cook moved to accept the donation from NECC. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (5-0-0).

d. Accept donation of $320 to the Ambulance Fund

e. Approve Town Clerk request for historical document scanning and restoration with ARPA funds
f. Approve Special Municipal Employees (SMEs)
g. Appoint Michael Sheff to Council on Aging, term to expire 6/30/2026
h. Amend committee charge for Tricentennial Committee

Ms. Cook stated this matter would not be voted on this evening.

i. Amend votes for FY25 Board and Committee reappointments (term expirations)

Ms. Cook moved to approve Consent Agenda items "d", "e", "f", "g" and "i." Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (5-0-0).

VII. Other Matters *(Board may vote)*

a. Approve FY25 Transfer Station fees and regulations

Ms. Cook stated that the Board would discuss the Transfer Station fees and address the Transfer Station regulations at a later date. DPW Superintendent Cundiff appeared before the Board on the matter. The Board discussed the options presented by Superintendent Cundiff. Ms. Cook moved to approve the Transfer Station sticker fees through the end of FY25, presented by Superintendent Cundiff as follows: Non seniors: $285, 2nd sticker: $25; Seniors: $40, 2nd sticker: $10. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (5-0-0).

b. Approve FY25 Water fees (exclusive of current water rates)

Superintendent Cundiff presented the proposed water fees, as described in his memo dated June 13, 2024 to the Board. He stated that water fees in surrounding communities were surveyed and he commented that this proposal is lower than some other communities. Mr. Stivers moved to approve the fees for FY25, as stated in tonight's packet. Mr. Dennington seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (5-0-0).

c. Approve revisions to Water Department rules and regulations

Superintendent Cundiff stated that the rules and regulations need revision, as he believes they have not been addressed since 1987. However, he stated that he would like to address the issue of work on private property immediately. He stated that industry standards are that towns are responsible for the water lines up to the curb stop and that property owners are responsible from the curb stop valve to the meter, adding that the Town does not construct the lines past the curb stop. The Board discussed the suggested change. The Board agreed they are supportive of the change but agreed that the public must be informed prior to any change.

d. Authorization for DPW to plant trees on 84 Main Street property

Ms. Cook stated that this matter would be addressed at a future meeting.

e. Review of MTC Town Meeting survey; set Special Town Meeting date; draft warrant placeholders

Ms. Cook shared the Municipal Technology Committee (MTC) Town Meeting survey results regarding meeting time and asked the Planning Board to weigh in, as the MBTA bylaw will be a warrant article at the Fall Town Meeting. The Planning Board discussed logistics relative to the MBTA bylaw and Ms. Luttrell stated that the September 30/October 1 dates would work best. The Board agreed with the September 30/October 1 dates. Mr. Dennington moved that the Fall 2024 Town Meeting be held on Monday, September 30th at 6 PM and continue to Tuesday, October 1st, if needed. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Landry, aye; Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye (5-0-0). Ms. Cook stated that Town Moderator Cimino approves of the date, as well. Ms. Cook reviewed the other survey results and also shared the following potential draft warrants for Fall Town Meeting: MBTA Zoning Article; implementation of the Public Safety Staffing Study; feedback from a potential Regional Emergency Communications Center (RECC); funding for the Atwood lead cleanup; additional funding for the

Breakneck Hill cleanup; increase in the Community Preservation Act (CPA) surcharge from 1% to 3%; restructuring the Affordable Housing Trust Fund Committee (AHTFC) and SHOPC; Salary Administration Plan (SAP) Personnel bylaw amendments; changing the date of Annual Town Meeting; moving funds from the CPC's Community Housing category to the restructured AHTFC/SHOPC; creation of a Storm Water Enterprise Fund; reduce the PILOT and Scholarship Committees from seven to five members; and dissolve the Solid Waste Disposal Committee and the Consumer Advisory Commission.

f. Review of Select Board June 10, 2024 Goal-setting meeting

Ms. Cook reviewed the list of goals set at the June 10th Board meeting for each Board member, the Board as a whole and Mr. Purple. She stated she would attach the list to the June 18th minutes.

VIII. Public Comment

There was no public comment.

IX. Adjournment

Mr. Dennington moved to adjourn at 10:39 PM. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry (5-0-0).

Legal Notice of
PUBLIC HEARING
Town of Southborough

The Southborough Select Board shall hold a public hearing on Tuesday, June 18, 2024, at 6:30 p.m. in the McAuliffe Hearing Room, 17 Common Street, Southborough, to consider an application from EJ Automotive, LLC for a Class II Used Car Dealer's license, to be located at 179 Boston Road in Southborough. The public hearing may be viewed, or listened to, by the public through a link located at:
https://ma-southborough.civicplus.com/674/Virtual-Meetings

All interested parties are encouraged to view and/or participate.

Southborough Select Board June 4, 2024

MEMORANDUM

DATE: June 14, 2024

TO: Select Board

FROM: Melanie Otsuka, Executive Assistant

SUBJECT: Class II License Application; EJ Automotive

EJ Automotive currently holds a Class II Auto Dealer license in Southborough, located at 145 Boston Road; they are looking to relocate to 179 Boston Road and expand their auto sales.

As of the date of memo, three departments are pending their approval of this location. If the Board grants this license, it should be contingent on those Departments' approval.

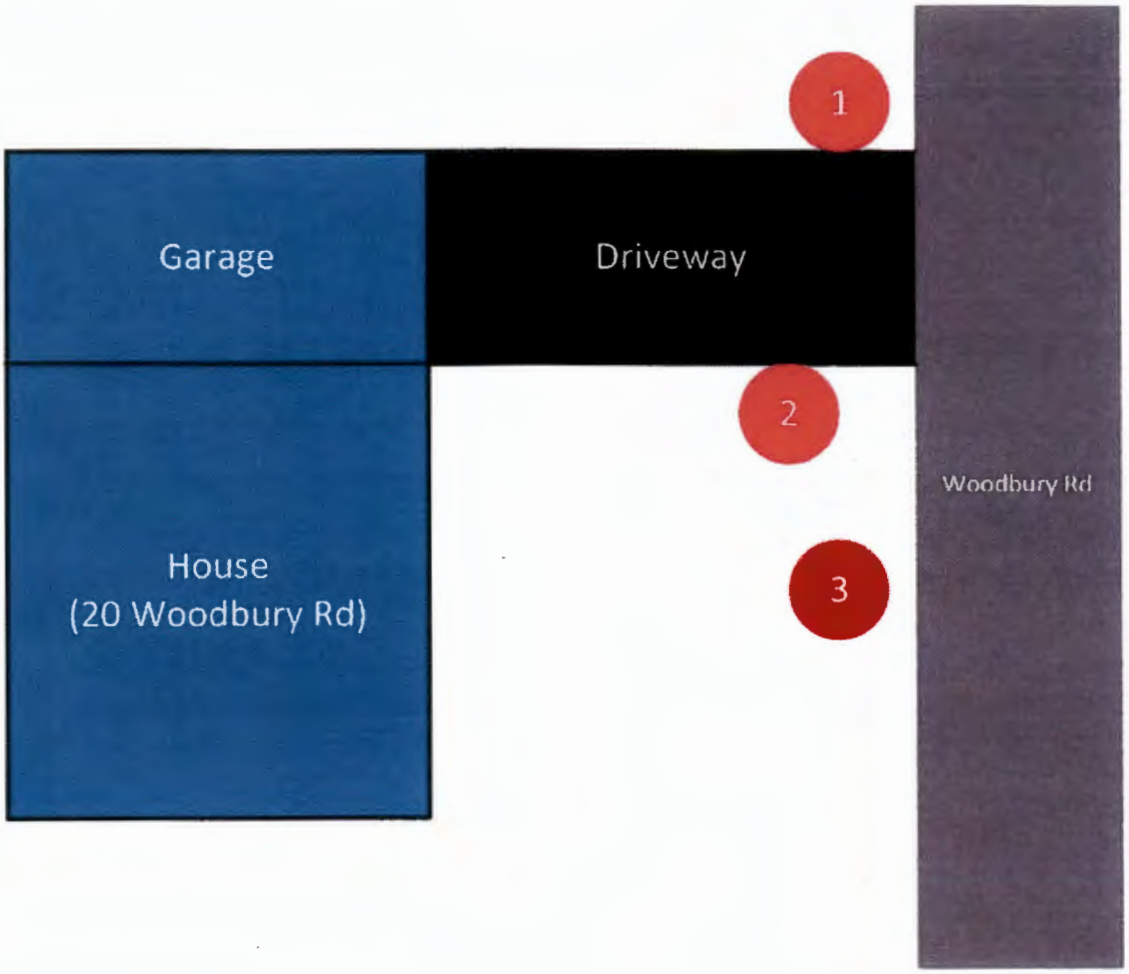
Accepted September 21, 2015



Hello Southborough Tree Warden and Planning Board,

I'm planning to hire a tree removal company to remove three trees near my property located at 20 Woodbury Rd (See below for details). These trees are too close to the power lines and my property which can be safety concerns.

I'm sending this letter along with my application and details of trees for review and approval. The existing stonewall will not be impacted if these trees are approved to remove.I look forward to hearing from you.

Sincerely,
Runfeng Chen (20 Woodbury Rd property owner)
Cell: 646-707-7485
Email: runfeng.chen86@gmail.com

Property and Tree Locations:

Trees and explanations:

#1 Pignut Hickory (20" DBH): right front corner driveway & road, too close to my driveway and power lines, vehicles could slip and hit this tree accidentally on snow days

#2 Eastern White Pine (20" DBH); left-side of driveway, too close to my house and the power liens with the height over 100 feet, could fall on my property or the road

#3 Red Oak (24" DBH); center front yard along road, trunk showing stress fractures that could fall on my property and the road

Subject: Tree Warden Designee Update
Date: Tuesday, June 04, 2024 8:36:00 AM

Good Morning,

While posting the trees for the upcoming hearing, several items came to my attention that I would like to point out prior to 6/18:

- TID 16, 127 Southville Road, fell on 12/11/23
- TID 20, 60 Richards Road, exit of Finn School, determined it was on school property and removed January 2024
- TID 24, 16 Deerfoot Road, is an Elm not a Maple, the post on tree is updated to elm.

Tammi is making the necessary updates on the website this morning.

Apologies for my errors/failure to notice these items during the process.

Thank You,

Christopher Leroy

Subject: 6/18 Tree Hearing Update
Date: Friday, June 07, 2024 1:01:38 PM

Good Afternoon,
It has come to my attention that TID #1, 2 Wood Street was removed sometime after I posted it on Monday 6/3 and today, obviously without permission.
This tree, (which was dead), will be updated on the hearing list, online, by Tammi immediately.

I'm currently trying to figure out what happened with the help of the resident, who emailed about the tree originally. When there is any information I will pass along.

Thank You,

Christopher Leroy

Title: Tree warden Designee - operation's supervisor

Any material (in addition to that included with the Application Form) that will be referred to by the Applicant (or the Applicant's representatives) at any public hearing or public meeting must be submitted to the Planning Department at least 7 days prior to such hearing or meeting to ensure adequate and proper review by the Board and accessibility to the public. Any material submitted later than this deadline may, at the Board's discretion, constitute a constructive request by the Applicant for a continuation of the hearing if, in the opinion of the Board, the Board, Town staff, or the public have not had adequate time to appropriately consider such material. ***Applicants should note that this additional material includes amended plans, renderings, visual displays, models, etc., that may have been prepared after the Application Form was filed and are expected to be used by the Applicant during a public hearing presentation.***

TO: Select Board
FROM: Mark Purple, Town Administrator
Vanessa Hale, Assistant Town Administrator
RE: Recommendation for Recreation Director appointment
DATE: June 12, 2024

It is with pleasure that I recommend Mr. Travis Farley be appointed as Recreation Director.

When we received news of the resignation of Tim Davis, we immediately started recruiting for this position knowing that the busy Summer season was nearly upon us. The part-time Administrative Assistant position was also vacant, and the Program Coordinator had only been in the position for a few months. It was a challenging time of transition for the department.

Jen Hansen, Chair, Don Dumont, Vice-Chair, and Sarah Cassell, Youth and Family Services Director assisted Ms. Hale with the first-round interviews. The panel interviewed 4 of the 30 applicants and all agreed that two finalists be sent on to the second round. This phase of the recruitment included an interview with me, as well as Brian Ballantine, Finance Director. Additionally, Chris Leroy, DPW Operations Supervisor conducted a tour of the ground and facilities with each. The remaining members of the Commission were afforded opportunities to meet the semifinalists. Ms. Hansen discussed both finalists with me and we agreed that Mr. Farley be recommended to the Select Board for appointment.

Mr. Farley is currently serving as the Deputy Director of Community Services for Recreation and Parks in the Town of Natick. He has extensive experience in management of the operating and revolving budget, programming for all ages [including summer camps], is responsible for coordinating the department's capital and community preservation related projects, extensive special events and has oversight of 20 playgrounds and 29 athletic fields. Prior to that Mr. Farley was the Superintendent of Recreation in Norwood and brings tremendous experience from his tenure there. We believe he is quite qualified to succeed Tim Davis and will quickly maximize the community impact of the Recreation Department.

Mr. Farley is available to commence employment in early July as soon as the Personnel Board can meet to approve his compensation package, pending the appointment of the Select Board.

April 22, 2024

Travis Farley

[redacted]

To whom it may concern,

I am writing to express my interest in the Recreation Director position for the Town of Southborough. I feel my experience in the recreation field would make me a very strong candidate for this particular position.

I am currently employed as the Deputy Director of Community Services – Recreation & Parks for the Town of Natick where I manage a full-time staff of 7, manage our operating budget as well as our revolving fund budget, manage all aspects of capital, and sit on our Rink Advisory Committee. Previously, I served as the Superintendent for the Recreation Department for the Town of Norwood and the Assistant Superintendent for the Recreation and Parks Department for the Town of Marblehead. Some of the duties I performed at these two communities included: managing recreational programs & special events, managed department marketing (including social media), managing part time & seasonal staff, and project management.

I have been involved in sports and recreation my entire life and I believe that my experiences in this field make me uniquely qualified for this position. I believe that my qualities as a leader would make me a great fit for the Recreation Department for the Town of Southborough. I take pride in my performance as a professional and put great trust in the value of being reliable, dependable and committed to overcoming any challenges that I take on. Thank you for your time and consideration.

Sincerely,

Travis Farley

Travis Farley

Subject: OSPC New Member Appointment

Good Morning,
Can Sara Warden be added to the Select Board's agenda on 6/18 for your consideration to be appointed to the OSPC? She recently submitted her volunteer form.
I met Sara at the recent Planning Board Mapping Workshop, where she shared her enthusiasm for open space preservation and her desire to join the Commission and be an active member. I encouraged her to fill out the volunteer form. I highly recommend her as I believe she will be a valuable member of the Commission. I recommend she be appointed to the open seat with a term ending in 2028.

Respectfully,

Freddie Gillespie - Chair
Southborough Open Space Preservation Commission

Board and Committee Volunteer Form

First Name	Sara
Last Name	Warden
Address	27 Atwood Street
City	Southborough
State	MA
Zip Code	01772
Phone Number	[redacted]
Email Address	[redacted]
To view a list of the Board and Committee and current membership as well as vacancies	Click here
Name of Board(s) or Committee(s) you would like to volunteer for?	Open Space Preservation Commission
Have you previously served on a Board or Committee for the Town of Southborough?	No
Current Occupation / Current Employer	Food Services Assistant Cook/Trottier Middle School
Please tell us how much volunteer time you have available and	I work part time on a school year calendar so I am able to volunteer weekly if needed. My previous work experience included proofreading and note taking therefore I would be able

any education, experience or special skills that may be relevant to the Committee(s) you are interested in.	to help with the meeting minutes. I have lived in Southborough for 20 years and value the amount of open space we have. Open space serves many important purposes for people and wildlife. Being in nature can generate many positive outcomes such as calmness and creativity. Some of my past volunteering includes 5 years as a fundraiser coordinator for the Southborough Cub Scouts, volunteering for the elementary schools and local animal shelters.

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, June 4, 2024 6:00 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers and Al Hamilton. Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Chair Kathy Cook called the meeting to order at 6:04 PM. Ms. Cook recognized Fire Chief Puntini, as tonight is his first meeting in his new role.

II. Town Scholarship Awards

Ms. Isabelle Murphy, Scholarship Committee chair, introduced her fellow members on the Scholarship Advisory Committee: Lisa Braccio, Stephanie Butler, Christine Pearson and Maria Romero Vagnini. Ms. Murphy shared that there has been a decline in donations and thanked the Board for their donation of $5,000 in ARPA funds to assist in awarding scholarships this year. Ms. Braccio presented the Linda Hubley Memorial Scholarship to Evangeline Hamill. Ms. Cook presented a Carol Harris Award to Olivia Labell. Mr. Dennington presented a Carol Harris Award to Maggie Gorman. Mr. Stivers presented a Southborough Scholarship Award to Cassandra Mello. Mr. Hamilton presented a Southborough Scholarship Award to Elliott Le. Ms. Cook presented a Southborough Scholarship Award to Shelby Aker. Mr. Stivers presented a Southborough Scholarship Award to Kevin Tavares. Southborough Scholarship Awards were also presented to Sadya Kanal and Madeline Ho, who could not attend this evening's ceremony. Additionally, Rep. Kate Donaghue presented each award recipient with a citation from the Massachusetts House of Representatives.

The Board recessed at 6:26 PM and resumed meeting at 6:34 PM.

III. Public Comment

There was no call for public comment.

IV. Scheduled Appointments *(Board may vote)*

a. 6:30 PM – Cable Committee Public Hearing

Ms. Cook opened the Public Hearing at 6:34 PM. Mr. Purple read the public hearing notice into the public record. Mr. Barry Rubenstein, chair of the Cable Television Committee, called the meeting of the Cable Television Committee to order at 6:35 PM. Members in attendance: Barry Rubenstein, Will Warren and Sam Stivers. Also in attendance, via ZOOM: Mr. Bill Solomon, attorney for the Committee. Mr. Rubenstein shared the cable license, approved by the Committee, with the Board and indicated Verizon has received but not yet approved the license. He expects completion of the approval process to occur in the near future and then he will return to the Board with an agreement for them to sign. He stated that, with this proposed contract, Southborough Access Media (SAM) would receive 5% of the gross revenue, based on the number of Southborough subscribers, for operating expenses and $128,000 for capital expenses. Mr. Rubenstein stated that the Committee would begin work on the Charter contract soon. The Board discussed the Verizon contract. There was no public comment on the matter. Mr. Stivers moved to close the public hearing at 6:40 PM.

Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0). Mr. Rubenstein adjourned the Cable Television Committee meeting at 6:41 PM.

b. Trottier School Civics Action Project

Ms. Cook stated that Mr. Hamilton, Advisory Committee Chair Andrew Pfaff and Advisory Committee Member Tim Martel, took part in the Trottier Civics Action Project. Reidma Lothra, Trisha Vedal and Hannah Verges, all 8th grade students at the Trottier Middle School, presented their Road Safety project to the Board. Also attending the meeting was Ms. Julie Jenks, the students' 8th grade teacher. Their presentation focused on lowering speed limits on Oak Hill Road and Parkerville Road. Chief Newell stated that he provided the students with information supplied by his officers. He also commended the students on their project. The Board thanked the students and their teacher for the presentation.

c. Appointment of Recreation director

Ms. Cook reported that the Board would not appoint a new Recreation Direction this evening, as the individual that was to be appointed had decided to remain in their current position. She stated that this matter would be addressed at a future meeting.

V. Reports

a. Chair's Report

i. Neary Building Committee financial report

Ms. Cook reported that estimates for each of the twelve options under consideration had been received. She stated that a group, comprised on herself, Mr. Brian Ballantine, Mr. Andrew Pfaff, Ms. Becky Pellegrino and the Town's bond counsel, Unibank, had reviewed the estimates and the tax impacts to the Town for each option. She reported that the Neary School Building Committee (NSBC) had narrowed consideration to the following options: 1) a new 2-grade school; 2) a new 4-grade school; and 3) a renovated and expanded 4-grade school. She reported that the NSBC would make its final recommendation at the end of August. Mr. Hamilton asked that Ms. Cook place on the Board's agenda a discussion of the Town's overall strategy and guidance on funding capital projects that are planned.

ii. Hopkinton water project

Ms. Cook reported that Hopkinton has recently expressed interest in moving forward with this project. She stated she would work with the incoming Select Board Chair in Hopkinton on the previous draft Inter-Municipal Agreement (IMA) and hopes to have a document for the Board to discuss in the near future. She stated the next steps are as follows: 1) execute an IMA between Hopkinton and Southborough; 2) hold a neighborhood forum for Oak Hill residents regarding the proposed tank, including height representations and; 3) apply for a height variance from the Zoning Board of Appeals (ZBA). She also stated that funds for the audit to verify project design had previously been approved at the 2023 Annual Town Meeting.

b. Member's Report

i. MTC survey distribution

Mr. Dennington reported that the Municipal Technology Committee (MTC) survey to determine the best time to set Fall Town Meeting has been widely distributed and he encouraged the public to participate in the survey. Mr. Stivers stated that the survey can be found on the Town's website. Ms. Cook added that the Board would set the date and time for Fall Town Meeting at its June 18th meeting, based on the survey results.

iii. Chestnut Hill Farm update

Mr. Hamilton reported that he attended a Conservation Commission meeting where the Trustees of Chestnut Hill Farm discussed plans to return to a working farm, although there is no specific plan or timeline. He also shared he is meeting with a Vice President of the Trustees of the Reservations for this region to discuss the Conservation Restriction and how the Board might assist the Trustees in resuming farming activities at Chestnut Hill Farm.

iv. CPAC meeting re: Affordable Housing update

Mr. Hamilton reported that he attended a meeting of the Community Preservation Commission (CPC) to discuss moving the community housing monies to the Affordable Housing Trust Fund (AHTF). He stated the CPC does not want to present a warrant article to transfer funds at Fall Town Meeting. Mr. Hamilton stated that several options were considered but that much discussion is still needed.

c. Town Administrator's Report

i. One Stop grant update

Mr. Purple reported that Ms. Hale and Economic Development Committee (EDC) Coordinator Leah Emerson have been working to complete a One Stop Grant for branding and way finding in the Downtown District. He stated that there have been delays with the submission portal and Ms. Hale is working to submit the Town's grant this evening or tomorrow.

Mr. Purple acknowledged the students from Assabet Valley Regional Technical High School on the successful completion of the addition at the Senior Center and thanked Mr. John Parent for coordinating the collaboration.

Mr. Purple reported that Mr. Parent learned from Mr. Bill Galvin, from National Grid, that the LED Light Conversion Project has been completed. Mr. Purple also reported that Mr. Parent has requested Mr. Galvin inform National Grid of the project's completion and facilitate receipt of the Town's incentive payment of $60,000. Mr. Purple thanked Mr. Parent, noting that National Grid paid to install the new lights and the Town will receive not only an incentive payment, but also enjoy long-term savings from the lights.

Mr. Stivers remarked that he noticed landscaping has been completed at the Southborough Heritage Park and shared that the Park looks like a wonderful community space.

Ms. Cook acknowledged Chief Puntini and his Pinning Ceremony, which was held last Saturday at the Senior Center.

VI. Consent Agenda

a. Approve Open Session Meeting Minutes: April 23, 2024 (amended); May 21, 2024

Mr. Stivers requested to hold Consent Agenda item "a." **April 23, 2024 minutes:** Mr. Stivers and Mr. Dennington had scrivener's changes to the minutes. **May 21, 2024 minutes:** Mr. Stivers had scrivener's changes to the minutes. Mr. Stivers moved to approve the Open Session Meeting Minutes for April 23, 2024, as amended, and the Open Session Meeting Minutes for May 21, 2024, as amended. Mr. Dennington seconded the motion. The motion unanimously approved (5-0-0).

b. Approve successor agreement for Town Administrator

c. Accept St. Mark's School donation for $100,000

d. Accept Pilgrim Church donation to Youth and Family Services for $500.00

e. Accept Fortin family donation to the Historical Commission for $75.00

f. Approve Personnel Board request for tuition for reimbursement funds transfer

g. Approve budget reallocation request

h. Approve cemetery waiver request

i. Approve Select Board meeting dates through calendar year 2024

Mr. Dennington requested to hold Consent Agenda item "i." The Board discussed their meeting schedule and agreed to the following Board meeting dates through the end of 2024: June 10th - Goal Setting at the Public Safety Building at 6:30 PM, June 18th, July 16th, August 6th, September 4th, September 17th, October 1st, October 15th, November 4th, November 19th, December 3rd and December 17th. Ms. Cook moved to approve the Board meeting schedule through the end of 2024, as discussed. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

j. Approve use of Transfer Station for African Library donations

k. Approve Executive Session Meeting Minutes: May 21, 2024

l. Vote to release Executive Session Meeting Minutes: April 23, 2024

Ms. Cook moved to approve Consent Agenda items "b", "c", "d", "e", "f", "g", "h", "j", "k" and "l." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VII. Other Matters *(Board may vote)*

a. Approve special act(s) for submission to Legislature

Ms. Cook asked the Board for comment on the letter, with attachment, from Mr. Purple to Representative Donaghue asking for her legislative assistance to modify two Special Acts. The first request for modification is to: 1) establish the Tree Warden position, appointed by the Board and supervised by the DPW Superintendent; 2) dissolve the Public Works Planning Board; and 3) replace Board of Selectmen with Select Board. Mr. Stivers thanked Mr. Tim Litt for his assistance with this matter. The second request for modification is relative to pension obligation bonds. Mr. Dennington moved that the Board approve submitting the two Special Acts to the Legislature. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Review FY25 Board and Committee Appointments

Ms. Cook stated that the Board would focus on reappointments only. The Board addressed the committees one by one. **21 Highland Future Use Committee:** Mr. Dennington moved to reappoint each member of the 21 Highland Future Use Committee to a term not to exceed December 31, 2024, pending a positive response that they wish to continue to serve. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Affordable Housing Trust Fund Committee:** no action was necessary at this time. **Cable Television Committee:** Mr. Dennington moved to reappoint Sam Stivers and William Warren to the Cable Television Committee, term to expire June 30, 2027. Ms. Cook seconded the motion. The motion was approved (4-0-1). Mr. Stivers abstained. **Capital Planning and Improvement Committee:** Mr. Dennington moved to reappoint Steve Holland to the Capital Planning and Improvement Committee, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Community Preservation Committee:** Mr. Hamilton requested to hold action on this committee. **Conservation Commission:** Mr. Dennington moved to reappoint Melinda Upton and Kevin Farrington to the Conservation Commission, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Council on Aging:** Mr. Dennington moved to reappoint Joyce Macknauskas, Mary Ann Anderson and Bill Harrington to the Council on Aging, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Economic Development Committee:** no action was necessary at this time. **Golf Course Committee:** Mr. Dennington moved to reappoint all five members of the Golf Course Committee, term to expire June 30, 2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Historical Commission:** Mr. Dennington moved to reappoint Michele Hokinson to the Historical Commission, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Housing Authority:** No action is necessary at this time. **Metropolitan Area Planning Council:** no action is necessary at this time. **MetroWest Regional Collaborative:** Mr. Dennington moved to reappoint Sam Stivers as the Select Board representative to the MetroWest Regional Collaborative, term to expire June 30, 2025, and reappoint Meme Luttrell as the Planning Board representative to the MetroWest Regional Collaborative, term to expire June 30, 2025. Ms. Cook seconded the motion. The motion was approved (4-0-1). Mr. Stivers abstained. **MetroWest Regional Transit Authority:** Mr. Dennington moved to reappoint Sam Stivers to the MetroWest Regional Transit Authority, term to expire June 30, 2025. Ms. Landry seconded the motion. The motion was approved (4-0-1). Mr. Stivers abstained. **Municipal Technology Committee:** Mr. Dennington moved to reappoint Orla Daly as the Select Board representative and Matt Probst as the Library Trustees representative to the Municipal Technology Committee, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Neary School Building Committee:** Mr. Dennington moved to reappoint all existing members to

the Neary School Building Committee, term to expire June 30, 2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Open Space Preservation Commission:** Mr. Hamilton requested to hold action on this committee. **PILOT Committee:** Ms. Cook stated that Ms. Patricia Burns-Fiore, chair of the committee and sponsor of the Citizens Petition that created the PILOT Committee, has requested that the Board reduce the size of the committee from seven to five at the Fall Town Meeting. Mr. Dennington moved the reappoint all members of the PILOT Committee, each term to expire June 30, 2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Recreation Commission:** Mr. Dennington moved to reappoint Johanna Shayner and Jennifer Hansen to the Recreation Commission, each for a term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Southborough Cultural Arts Council:** No action is necessary at this time. **Southborough Emergency Planning Committee:** No action is necessary at this time. **Southborough Housing Opportunity Partnership Committee:** Mr. Hamilton requested to hold action on this committee. **Southborough Public Accessibility Committee:** Mr. Dennington moved to reappoint William Warren to the Southborough Public Accessibility Committee, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Southborough Scholarship Advisory Committee:** Ms. Cook stated that the Scholarship Advisory Committee has requested to reduce their committee size from seven to five and she indicated the Board would address this matter at a later date. Mr. Dennington moved to reappoint Maria Romero Vagnini, Christine Pearson and Stephanie Butler to the Southborough Scholarship Advisory Committee, each with terms to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Southborough Stewardship Committee:** Mr. Hamilton requested to hold action on this committee. **Southborough Trails Committee:** Mr. Dennington moved to reappoint Satyendra Sharma, Thomas Marcoulier and Kathryn McKee to the Trails Committee, each for a term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Taxation Aid Committee:** Mr. Dennington moved to reappoint each of the existing members of the Taxation Aid Committee, each with a term to expire June 30, 2025. Mr. Stivers seconded the motion. The motion was unanimously approved. **Tricentennial Committee:** Mr. Dennington moved to reappoint Andrew Dennington, Jim Blaschke, Patricia Burns-Fiore, Ginny Martins and Don Morris to the Tricentennial Committee, each with a term to expire June 30, 2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Youth Commission:** Mr. Dennington moved to reappoint Susan Beyer to the Youth Commission. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Zoning Board of Appeals:** Mr. Dennington moved to reappoint Doug Manz, as Alternate Member, to the Zoning Board of Appeals, term to expire June 30, 2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved to reappoint Mike Robbins to the Zoning Board of Appeals, term to expire June 30, 2029. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

c. Review of committees for possible reorganization and/or discussion of reduction in size

Mr. Hamilton stated that, in his opinion, Town boards/committees should reflect the policy direction set by the elected Select Board. Ms. Cook stated that no votes would be taken on the boards/committees held this evening (CPC, Open Space Preservation Commission, SHOPC and Stewardship) and that those committees would be invited to the June 18th Board meeting. Mr. Hamilton stated he is concerned about the timeliness of the closeout of CPC funded projects. He also wants to ensure that the CPC shares the Board's commitment to measurable progress on affordable housing. Ms. Braccio expressed her frustration with Mr. Hamilton's comments regarding the Board's ability to set policy direction. She stated that she was an elected Select Board member for six years and never chose to withhold an appointment of a volunteer who stepped forward to serve the Town, regardless of their views. She also stated that differing viewpoints offer the opportunity for discussion and collaboration. She stated she has served the Town for nineteen years, is an elected

Planning Board member and is their representative to the CPC. Mr. Grant Farrington, 58 Flagg Road, stated he shares many of Ms. Braccio's concerns and he hopes Mr. Hamilton's views are in the minority on the Board. Ms. Kristin LeVault, 12 Southwood Drive, stated she would like to hear the reaction of other members to Mr. Hamilton's comments. She stated that the CPC acts in the best interests of the Town and, as a volunteer, she is offended by this evening's actions. She stated that this matter highlights why it is difficult to encourage Town volunteerism. Ms. Cook reiterated that a discussion with the committees in question would take place at the Board's June 18th meeting. Mr. Hamilton stated that he held the reappointments for SHOPC so that the Board can move forward with consolidating SHOPC and the AHTFC. Mr. Hamilton stated that he believes the Board should have a conversation with the Open Space Preservation Commission relative to the scope of their authority. The Board had a robust discussion on the issues related to the four committees that were held. The Board agreed that they look forward to meeting with the four committees at the June 18th meeting.

d. RECC update

Ms. Cook moved to this matter following Other Matters "b." Mr. John Butler and Mr. Matt Probst, Chair of the MTC, appeared before the Board on the matter. Mr. Hamilton shared the Regional Emergency Communications Center (RECC) Working Group Update, including recommendations, with the Board. Mr. Hamilton stated that the Working Group is recommending further exploration of joining the MetroWest RECC and also pursuing a virtual RECC option.

Ms. Lisa Braccio stated she had her hand up to speak remotely during the previous discussion, was not recognized and asked to be recognized. Ms. Cook stated that the Board would conclude their discussion on the current matter and recognize Ms. Braccio after that.

Mr. Butler stated that he worked with Mr. Probst and Yash Ukidave, also a member of the MTC, on the concept of a virtual RECC. He stated that there are no technological barriers to creating a virtual RECC and recent trends are pushing the systems closer to first responders. He stated more specified plans would be needed for a virtual RECC and suggested that the Town meet with surrounding communities such as Hopkinton, Westborough and Northborough to gauge their interest in participating in a virtual RECC. Mr. Stivers stated a quick timeline would be necessary to gauge the interest of other communities. The Board also discussed that, absent interest from surrounding communities, joining the MetroWest RECC would be the best path to pursue. The Board discussed the concept of a virtual RECC. They also asked what the State's position is on virtual RECCs. Mr. Hamilton stated he would reach out to State officials tomorrow to determine their position and level of support for a virtual RECC. Mr. Dennington stated that State support would determine whether the Town explores a virtual RECC or pursues the MetroWest RECC. Ms. Cook asked for comment from Police Chief Newell and Fire Chief Puntini. Chief Newell stated he would like to see how a virtual RECC would impact the personnel in his department. He expressed concern that Southborough would be the first in the State to pursue a virtual RECC and stressed the need for participation with other community partners. He reiterated that the State is focused on consolidating public-safety answering points (PSAPs) in RECCs. Chief Puntini stressed that RECCs are more successful with neighboring communities and he also believes any implementation of a virtual RECC would take six-plus months. He also stated that dispatchers are required by law to provide Emergency Medical Dispatch (EMD) and this is most effectively done with two people. The Board discussed the matter and remains open to learning more about the virtual RECC concept as part of the process to make an informed decision on behalf of the Town.

VIII. Public Comment

Ms. LaVault asked for clarification from Mr. Hamilton on his comments regarding the Board setting a policy direction. Mr. Hamilton stated that if someone disagrees with him, they can run for open Board seats.

IX. Adjournment

Mr. Dennington moved to adjourn at 8:57 PM.

Upcoming Meetings	
June 11, 2024	*June 18, 2024*

Respectfully submitted,

Bridgid Rubin, Recording Secretary

List of Documents referred to at the June 4, 2024 SB Meeting:

To whom it may concern:

L'Abri Fellowship is a tax exempt, charitable organization and therefore does not pay property taxes to the town of Southborough. We are, however, extremely grateful for the many services the town provides and from which we benefit, from administrative leadership to the departments concerned for our health and safety.

As an expression of this gratitude, we have tried to make an annual contribution to the town each year. Enclosed please find a gift of $1000 (one thousand dollars) for this year to use in whatever way would be most beneficial to the town.

With deep gratitude,

Nickaela Fiore-Keyes
Co-Director

The New England Center
for Children®
Autism Education and Research

Dear Mr. Purple,

Enclosed please find a check in the amount of $52,036.00 which represents the final half of our voluntary contribution in lieu of taxes to the Town of Southborough.

We look forward to a continued good relationship with the town.

Very truly yours,

Michael S. Downey
Chief Financial Officer

Southborough Select Board
17 Common Street
Southborough, MA 01772

June 12, 2024

Greetings:

I'm writing to request that you add an item to the next Select Board agenda to:

- Broaden the scope of the allowed use of the $43,000 in ARPA funds allocated to the Town Clerk from *"scanning of historical documents"* to "*scanning and mold remediation of historical documents.*"

It is likely that we will be able to scan all the Town Clerk's documents identified in the original ARPA project for roughly $36,000. Additionally, we have been working with the Treasurer and Assessor on another project, to identify which of their historic documents should be preserved and scanned. Initial vendor estimates for treatment and preservation only are approximately $153,000. This work involves mold remediation and physical repair of the documents. The preservation portion (no scanning) of this project could be submitted to CPC for FY26 consideration with work to begin in July 2025 and an estimated completion in November/December 2025.

We've investigated alternatives to using the traditional vendors, and we contacted companies that specialize in disaster recovery from floods. We believe that we could accomplish the same result of treatment and preservation if we break the treatment and preservation aspect of this project down into two components:

1. Disaster recovery firm to remove the mold at a cost of approximately $15,000.
2. Physical repair of documents as needed using our part-time archivist. We don't anticipate an additional cost for the archivist in FY25, but this would delay completion of his online cataloging and require his services into part of FY27 at an additional cost of roughly $20,000. (We had planned for him to complete the project in FY26.)

So, in summary, if the Select Board will broaden the scope of allowed use of the $ 43,000 in ARPA funds allocated to the Town Clerk from "scanning of historical documents" to "scanning and mold remediation of historical documents", we would use approximately $36,000 of the ARPA funds to complete the Town Clerk scanning project, use the remaining $7,000 in ARPA funds towards the $15,000 mold remediation cost, and fund the remainder of the mold remediation cost ($8,000) from the Town Clerk's FY25 budget. (We were able to bring a project funded in FY25 into FY24 so we will have sufficient funds in the Town Clerk's FY25 budget to fund the remaining $8,000 for the mold remediation expense.)

Finally, vendor estimates to scan these items are approximately $100,000. If we utilize the disaster recovery vendor for the mold remediation, we can then use the services of the Massachusetts Digital Commonwealth to scan the documents at no charge. If we got the CPC/traditional vendor route, these documents wouldn't be scanned until mid-2026.

I recognize this is an 'out of the box' solution, but I'm confident we can accomplish our objective at a great savings to the town.

Thank you for your consideration.

Sincerely,

James F. Hegarty

MEMORANDUM

DATE: June 14, 2024

TO: Select Board

FROM: Melanie Otsuka, Executive Assistant

SUBJECT: REVISED TERM EXPIRATIONS

At the Select Board meeting on June 4, 2024 the Board voted to reappoint members of various Boards and Committees.
The following term expirations need to be re-voted:

- Will Warren, Southborough Public Accessibility Committee should be 6/30/2026 (voted 6/30/2027)
- Satyendra Sharma, Trails Committee should be 6/30/2026 (voted 6/30/2027)
- Thomas Marcoulier, Trails Committee should be 6/30/2026 (voted 6/30/2027)
- Kathryn McKee, Trails Committee should be 6/30/2026 (voted 6/30/2027)
- Michael Robbins, ZBA should be 6/30/2027 (voted 6/30/2029)

INTEROFFICE MEMORANDUM

To: Select Board
From: William J. Cundiff, P.E. , DPW Superintendent
Date: May 31, 2024
RE: Transfer Station Fees and Regulations

As you may be aware, the Fiscal Year is rapidly coming to a close and shortly Transfer Station Stickers will be made available to the Public for next year. Stickers will be available July 15 for the September – August timeframe. Accordingly, it is time to review the fee schedule and regulations for any changes.

Revenues generated for FY24 are $485,540.00 which is strictly derived from sticker sales. Expenses for FY25 are based upon salaries of individuals and their time spent working on Transfer Station Duties along with corresponding benefit costs and transfer station direct expenses (as budgeted). Expenses for FY25 are estimated to be $608,938.50. If the same number of stickers are sold as FY24 (at the same price), it would result in a deficit of $123,398.50. It is my understanding that historically a deficit of about $100,000 was the target. The few items that are of note between past calculations and this calculation is $7,000 of Engineering Inspection expenses are now included in the calculation as well as $5,600 for employee training and $2,805 for the new trash trailer debt service. The employee training is critical – as you know we were cited twice last year from the Dept. of Labor and Standards.

I have put together a table summarizing three options for sticker prices. Option 1 keeps the same sticker rates as last year, Option 2 raises the Non-Senior 1st Permit category by $5/sticker. This gets us close to the Target with a deficit of $109,959. Option 3 raises that Non-Senior – 1st permit Category by $10/sticker and we result in the $102,219.

At risk of stating the obvious, the Transfer Station is a service provided to the tax-payers. It is not based upon an enterprise fund model. The revenue generated goes into the general fund directly and does not directly defray the operating costs. As a result of the aforementioned, I believe maintaining the sticker fees at the same level for the coming year would be reasonable.

On a side note, we will be taking advantage of the Sustainable Materials Recovery Program (SMRP) Grant and the Recycling Dividends Program (RDP) Grant. We are hopeful to obtain about $6,000 - $7,000 (per year) that we can put toward some of the Transfer Station Costs. We also expect to get a $10,000 grant for a new battery/lightbulb shed. Also, I am continuing to explore other ways to generate revenue from the operation. I will keep you posted on my progress.

FY25 Transfer Station Sticker Fee Calculation / Justification

TOWN OF SOUTHBOROUGH TRANSFER STATION
LOCATED AT THE JOHN BOLAND PUBLIC WORKS FACILITY
147 CORDAVILLE ROAD, SOUTHBOROUGH, MA 01772

HOURS OF OPERATION: WEDNESDAY THROUGH SATURDAY 8AM-6PM

The SWAP SHOP closes daily at 5:00 p.m. and will be closed if conditions warrant. Facility closes promptly at 6:00 pm when the entrance & exit gates will be locked. Users may be politely asked to leave the facility by 6:00 pm if they did not provide ample time to offload their recycling materials & brush or discarding large quantities of refuse. Failure to leave the facility by 6:00 pm may result in revocation of your Transfer Station permit.

GENERAL

The Southborough Transfer Station is for the disposal of **RESIDENTIAL** refuse and the recycling of **RESIDENTIAL** materials **generated in Southborough by Southborough residents**. **Commercial Refuse will not be accepted.** Residents are required to obtain and display a Transfer Station permit, in the form of a sticker, each year to gain access to the Transfer Station. See the Town's website, www.southboroughtown.com, for further clarification regarding residential versus commercial refuse.

DISPOSAL RULES

a) The attendants on duty have full authority over the disposal and recycling areas. Residents using the transfer station must follow the attendant's directions. If a DPW attendant sees that a permit is not permanently adhered to the vehicle they may deny service until the sticker is permanently affixed to the permitted vehicle, if the vehicle registration number does not match your vehicle, they may confiscate your permit. Either of these scenarios may result in a fine and/or permit revocation.
b) Identification, proof of payment (sticker) and temporary passes must be shown upon request of the attendant.
c) Only household trash generated in Southborough shall be disposed of at this facility.
d) In addition to these regulations, State Solid Waste Laws and Regulations apply to waste disposal at this facility (MGL 21H; MGL CH 111 §150A; MGL CH 21E; MGL CH 21D; and 310 CMR). Failure to comply with the Local or State Laws and Regulations may result in permit revocation and/or fines. See: https://www.mass.gov/lists/waste-recycling-laws-rules for more information.

OBTAINING TRANSFER STATION PERMITS

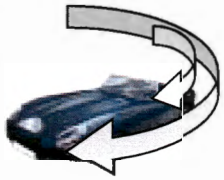
Please call the DPW at 508-485-1210 with any questions

WHEN TO PURCHASE PERMITS

a) New permits may be purchased starting on July 1; they are valid to use upon purchase.
b) The new permit must be in place by September 15 of each year or the vehicle will be denied access to the transfer station.

HOW TO PURCHASE PERMITS

ONLINE	https://southboroughma.viewpointcloud.com/ There is a transaction fee for credit/debit and e-check transactions
BY MAIL	Please use mail-in application. Make checks payable to: **TOWN OF SOUTHBOROUGH** Mail to or drop off at: Southborough DPW 147 Cordaville Rd. Southborough, MA 01772
IN PERSON AT THE DPW	Bring a copy of the vehicle registrations you want stickers on (up to 4) along with a check, credit/debit (there is a transaction fee), ***NO CASH***. Mon. through Fri. 7:30AM to 4:00 PM Southborough DPW 147 Cordaville Rd. Southborough, MA 01772



Permits CANNOT be purchased at the Transfer Station

PERMIT FEE SCHEDULE

PERMIT FEE IS NON-REFUNDABLE	Non-Senior Residents	Senior Residents *
	Any time After July 1	Any time After July 1
1st Permit	$ 275.00	$ 40.00
Additional Permits (up to 3)	$ 20.00 each	$ 10.00 each
PRO-RATED PERMIT - New Residents ONLY		
Available for purchase 11/1 to 6/30	$22.92*/Mo. from month of home purchase to Aug. 30.	

*** SENIOR RESIDENTS** - Residents who are owners of record of a Southborough residence, a lessee or renter who will turn age 65 on or before 12/31/24

PLACEMENT OF PERMIT

a) The Transfer Station permit must be permanently affixed on the outside of the vehicle on the VERTICAL SURFACE of the driver's side FRONT bumper or driver's side FRONT windshield on the vehicle permitted. Transfer Station permits must be visible at all times. Permits are valid upon purchase so please affix permit to vehicle immediately.

TEMPORARY PASSES

a) Sometimes valid permit holders may require the use of an unpermitted vehicle to transport refuse and other items to the transfer station. In such instances, a temporary pass may be issued. A temporary pass will be valid for not more than two (2) weeks and may be renewed one (1) time, at the discretion of the DPW Office. To receive a temporary pass, residents must:
   - Be a valid existing permit holder
   - Supply the make, model, color, owner's name, address, and registration number of the alternate vehicle
   - Request a temporary permit at the DPW Office

INABILITY TO PAY

a) Transfer Station Permit Fee may be waived upon approval by the Select Board. Approval will be based on an inability to pay or an extreme hardship. An online application is available at https://tinyurl.com/TS-Waiver. The DPW will issue the permit for an approved waiver.
b) Waivers are valid for one permit year at a time.

VEHICLES

Only cars and pickup trucks that have a current Southborough transfer station permit, or a valid temporary pass, and that are carrying **residential household trash** will be admitted to the town transfer station.

RESIDENTIAL VEHICLE DESCRIPTIONS

a) ***Cars***: All passenger cars, station wagons, SUVs, mini-vans and full-size window vans registered as passenger vehicles.
b) ***Pickups***: All **single** rear wheel pickup trucks and vans with a gross vehicle weight (GVW) rating less than 11,500 lbs., registered to a resident.

VEHICLES NOT ALLOWED (regardless of GVW or registration)

(1) No pickups with bed hoists or dump

(2) No high cube vans or Delivery Box Trucks

(3) No utility trailer over 10 ft. long

GENERAL INFORMATION

- All Permits must have the license plate numbers of the vehicle that they are assigned to written on them.
- Vehicles with permits that do not match the vehicle's plate number will be in violation of the Transfer Station Rules and Regulations.
- Residents whose plate number is on a permit that is attached to a vehicle with a different plate number are also in violation of the Transfer Station Rules and Regulations.
- A permit is only valid if it is attached in the correct location to a vehicle whose plate number matches that written on the permit.
- All areas of the Transfer Station, including the Swap Shop and all donation containers, are restricted to use only by current Southborough residents with a valid permit.
- A permit is no longer valid if the resident has moved from Southborough.
- Removing materials from recycling bins, compactors, Goodwill and Habitat ReStore is prohibited.
- Salvaging parts in the metal pile is prohibited.
- Climbing over fences or into or onto bins, compactors or the metal pile is prohibited.
- The Southborough transfer station does not accept cathode ray tubes (CRTs) or flat screen monitors and TVs. CRTs are computer monitors and televisions that have picture tubes. There is a yearly CRT collection at Household Hazardous Waste Day when these can be recycled for a fee. Information regarding other recycling options is available at the DPW.

IT IS AGAINST THE LAW TO DISPOSE OF CRTS AS REFUSE

HOUSEHOLD HAZARDOUS WASTE DAY - CRT COLLECTION DAY – October 19, 2024 -- YOU MUST HAVE A VALID PERMIT TO PARTICIPATE IN HHW DAY– CRTs WILL BE COLLECTED FOR A FEE

2024 - 2025 ALL FINES $250.00

VIOLATIONS AND FINES

In compliance with Article III entitled, "Transfer Station, Violations and Fines" of Chapter 36 of the Code of the Town of Southborough entitled "Selectmen" the following shall apply:

36.6 Pursuant to the duly promulgated Rules and Regulations of the Select Board, valid transfer station permits will be required for all residents utilizing the transfer station and its related facilities.

36.7 Failure to adhere to the provisions of the Selectmen's Rules and Regulations, as duly posted at the Transfer Station, will result in the issuance of a warning letter from the Superintendent of the Department of Public Works.

36.8 Subsequent violations of the Rules and Regulations at the Transfer Station, after the first warning letter has been issued, will result in a fine for each subsequent violation. Fines are set annually by the Select Board and shall be paid within thirty (30) days on notification from the Select Board or their designee.

36.9 The Select Board will govern the process for administrating the imposition of fines, which may be appealed to the Select Board or their designee within thirty (30) days of the date of notification by the Town. After due notice and hearing, the Select Board or their designee shall have the authority to uphold, modify or repeal any such fine imposed. No fine will be delinquent while an appeal is pending before the Board or their designee. Violators shall have ten (10) days to pay said fines if notified by the Selectmen or their designee that the appeal has been denied. No transfer station permit will be issued to residents with delinquent fines.

36.10 The Police Department is further authorized to prosecute any delinquent unpaid fines pursuant to the applicable provisions of state statute.

Open: Wednesday through Saturday 8 a.m. to 6 p.m.

FOR INFORMATION ABOUT DISPOSAL OR FUNDRAISING CALL THE TRANSFER STATION (508) 485-2511 or DPW (508) 485-1210

Please note the transfer station is under video surveillance.

UNACCEPTABLE WASTE

(1) State Waste Ban Law

The following items **MUST** be **RECYCLED** per Massachusetts State Regulations **310 CMR 19.017** and thereby are prohibited from disposal in the Transfer Station Compactor.

Paper	Glass Containers	Recyclable Plastic Containers (Single Polymer Plastics)	Yard Waste	Lead Acid Batteries
Cardboard	Metal Containers		Leaves	White Goods
Textiles	Mattresses	Box Springs – All Types	Tires	

These recyclables in addition to many others are collected at the Recycling Center. Refer to the Recycling Guide for a complete list of all acceptable items.

(2) Other items in addition to (1) above that **ARE PROHIBITED** from the Transfer Station Compactor per Massachusetts State Regulations or contractual agreement with Wheelabrator Millbury, Inc. are:

• Acids • Ammunitions, Explosives & Ordinance Material • Animal & Human Remains • Asbestos • Asphalt • Bathtubs • Biological Waste • Brick • Cable • Cathode Ray Tubes (TVs and Computer Monitors) • Caustics	• Cesspool or Other Human Waste • Chemicals Cleaning Fluids • Commercial Food Waste • Concrete • Drugs • Empty Chemical Containers • Fill • Firearms • Flammables • Fluorescent Bulbs • Gravel	• Hazardous Waste • Hot Loads • Home Sharps • Insecticides • Liquid Waste • Loam • Non-burnable Construction Material • Oil Based Paint • Oils-Crankcase, Cutting, Drained • Paints (liquid) • Pathological Waste	• Pesticides • Petroleum Products • Poisons • Radioactive Material • Scrap Metal • Sheetrock • Tree Logs, Stumps • Wallboard • Wire • Wood (GREATER than 2 ft. long or 2 ft. wide and/or 4 in. diameter)

ACCEPTABLE WASTE

ITEMS THAT CAN BE DISPOSED IN TRANSFER STATION COMPACTOR

• Ashes & sawdust (cold & bagged) • Construction Debris (limit 2-32 gal barrels) • Demolition Debris, incl. carpet (limit 2-32 gal barrels) • DRIED LATEX Paint	• Furniture (Some furniture may be left at Swap Shop) (remove springs from sofa beds) • Garbage (wrapped, bagged – discard with household rubbish) • Miscellaneous hardware (screws, nails, bolts and nuts)	• Non-recyclable plastics • Plastic toys • Pots and pans • Porcelain sinks	• Small kitchen appliances (may also be left at Swap Shop if useable) • Toilets • Wood LESS than 2ft long and 2 ft wide and 4 in thick (limited to same amounts as construction and demolition debris 2-32 gal barrels)

RE: Water Service Fees

As you know, the Selectboard (Water Commissioners) have already selected the Water Rate Fees for FY25. The Water Department also has a Fee Schedule that is associated with other services provided which largely pertains to personnel time, outside professional services time, and equipment associated with a variety of services. This fee schedule largely is not intended to generate revenue but is intended to defray operating costs. The current fee schedule has not been updated for a number of years and is due to be updated as many of the identified items are more expensive than indicated in the fee schedule. Attached is the fee schedule that is proposed for FY25 for Services.

TOWN OF SOUTHBOROUGH
WATER FEES
(effective July 1, 2024)

DESCRIPTION	FEE
FINAL BILL FEE	$32
EMERGENCY FINAL (IF NEEDED WITHIN 72 HRS OR LESS)	$50
LATE FEE / PROMPT PAYMENT DISCOUNT (WITHIN 30 DAYS)	$15
BACKFLOW TEST	$65
BACKFLOW TEST - PER ADD'L DEVICE	$35
BACKFLOW TEST - PER RETEST DEVICE	$35
HOURLY RATE (DURING REGULAR WORKDAY)	$50
CALL OUT PER HOUR 4 HR MIN (AFTER-HOURS)	$75
WATER SHUT OFF / TURN ON FEE	$35
REMOVE OR INSTALL SEASONAL METER PLUS STORAGE	$60
INSPECTION FEE **	$50
RE-INSPECTION FEE	$50
FLOW TEST - 5/1 -10/31	$160
WATER METER INSTALL FEE (PLUS METER/MXU COST)	$50
3/4" WATER METER	$195 *
5/8" WATER METER	$195 *
1" WATER METER	$355 *
1 1/2" WATER METER	$688 *
2" WATER METER	$963 *
MXU UNIT (NEW AND/OR REPLACE)	$186 *
HYD HOOK UP FEE (PLUS WATER VOLUME USED PER RATE CHART)	$50
MAINT FEE-PER HYD	$100/yr
TIE-IN CONNECTION (PER 1" DIAMETER SERVICE LINE)	$1,600

*** Equipment prices are at cost and are subject to change based on vendor prices.**

**** Inspection fee does not include construction of new waterlines within subdivisions. This would be contracted out for full-time inspection during construction of the watermain, at the developers expense.**

RE: Water Regulation Revision – Work on Private Property

The Water Department Rules and Regulations (adopted 1/27/1987), are outdated and need to be revised. The plan is to revamp these regulations in their entirety in FY25. However, currently there is one aspect of the regulations that should be revised forthwith.

Section V. B. (page 17) states:

> *"All service pipes one-inch in diameter and less up to and including the shut-off valve before the meter shall be maintained by the Water Department."*

Proposed Revision:

> *"All water service pipes located between the water main and the curb stop ~~one-inch in diameter and less up to and including the shut-off valve before the meter~~ shall be maintained by the Water Department. Water services located between the curb stop and the water meter shall be maintained by the customer/owner. Water Service leaks between the curb stop and the meter may result in water shut-off until the leak is repaired."*

The logic associated with this revision pertains largely to liability (as well as cost) associated with work on private property for water service lines that were installed by private builders (unlike water mains installed by the Water Department). Over the years, we have identified many issues with service line construction ranging from less than ideal locations (ie. Under walls, driveways, walkways, decks, interior cabinets or finished basements, etc) as well as poor construction quality (backfill containing boulders over pipe, different pipe materials, etc.). Leaking service lines have cost the water department tens of thousands of dollars in the past and sometimes result in lingering customer dissatisfaction with the quality of restoration (ie. Walkways, driveways, decks, cabinets, etc.). On occasion, an insurance claim will be filed. The bottom line is the water department should not be digging up private property.

Accordingly, I am requesting the Select Board to approve the above regulation change.

I. GENERAL INFORMATION

A. Definitions

1. Water Department - The Water Department of the Town of Southborough, Massachusetts as represented by its Board of Water Commissioners, Superintendent or duly authorized employees or agents.

2. Application for Water Service - The form signed by the customer or his designated representative for the purposes of obtaining water service from the distribution system which shall be considered as a contract between the Water Department and the applicant.

3. Customer - The party making application for water service to any dwelling unit or units, commercial business, corporation, industry or government agency.

4. Distribution System - The system of existing water mains which are installed or presently located in accepted roadway layouts, rights of way or easements within the corporate limits of the Town of Southborough which provide water for fire protection and domestic service.

5. Water Service - The pipe extending from the distibution main to the customers dwelling or other structure, up to and including the water meter.

6. Single Family Dwelling - A single family home used as temporary or permanent living quarters.

7. Multiple Dwellings - Multiple dwellings shall be deemed to include but not be limited to, duplex homes,

nursing homes, apartment buildings, town houses, elderly or family housing complexes, or condominiums.

8. Commercial Structures - Commercial structures shall be deemd to include but not be limited to hotels, motels, restaurants, department stores, food markets, or other facilities furnishing consumer or user services.

9. Industrial Structures - Structures where goods are manufactured, stored, or dispensed for consumer use.

B. Service Area

The territory served by the Water Department to the extent of the Town's corporate boundries.

C. Office Location and Hours of Work

The offices of the Water Department are located at Common Street, Southborough, Massachusetts, 01772. The office is open Monday through Friday from 7:00 AM to 12:00 PM and from 12:30 PM to 4:00 PM. The office is closed Saturdays, Sundays and on legal holidays.

Scheduled meetings of the Board of Water Commissioners

Meetings held every other Tuesday at 7:30 P.M. at the Water Department Office, Common Street, Southborough, MA 01772.

Appointment to be made seventy-two (72) hours in advance for Board of Water Commissioners meeting to be put on the agenda, or discretion of the Board.

Information may be obtained by calling (617) 485-1845 during normal business hours.

D. Application for Water Service

Application for water service must be made by the customer or his designated representative and signed in writing at the office of the Water Department on forms provided by the Water Department, stating fully and truly the use to which the water is to be applied.

1. An approval of the application by the Board of Water Commissioners or their duly authorized representatives shall constitute a contract between the Water Department and the applicant, obligating the applicant to pay the Water Department its established rates and charges and to comply fully with these Rules and Regulations.

2. The Water Department reserves the right to assign the size and location for the water service.

3. Applications will be approved subject to an existing main in an accepted roadway, right-of-way or easement abutting the premises to be serviced, but approval shall in no way obligates the Water Department to extend its mains to service the premises or to cause increasing pressures or volume of water to said premises, except as may be hereinafter provided.

4. The rendering of service by the Water Department and the acceptance thereof by the customer shall be deemed a valid contract between the parties, their heirs, assigns or succcessors, including and subject to all the provisions of the Water Department's rates, rules and regulations applicable to that service, whether or not a

signed application is made by a customer and accepted by the Water Department.

5. Use of water is to be confined to the premises named in the contract. No customer shall supply another not entitled to the use of water, nor shall be use it for any purpose not mentioned in his application. No person shall obtain water service from any hydrant, or other fixture of the distribution system without previous consent of the Water Department.

6. A set fee of deposit shall be made with each application.

7. The Water Department superintendent shall investigate each application and make a recommendation to the Board of Water Commissioners is deemed necessary within fourteen (14) days of receipt thereof. The Board shall render their decision on each application within fourteen (14) days of receipt of each recommendation.

8. Upon completion of a water service installation or water main extension, any outstanding balance due and payable to the Water Department for services rendered shall be due and payable within 30 calendar days.

9. The Board of Water Commissioners reserves the right to delay a request for approval of any occupancy permit that may be required pending full payment on outstanding accounts.

E. Emergency Services. Emergencies may be reported after normal working hours and on weekends and holidays to the Southborough Police Department.

II. WATER RATES

A. General

Each customer shall be billed for water usage at the prescribed current rates in force at the time of billing.

1. Checks should be made payable to the Town of Southborough. Remittances in cash sent by mail are at the customers risk. If receipts are requested, a stamped self-addressed envelope shall be enclosed with each remittance.

2. A penalty fee shall be assessed for checks submitted and returned to the Tax Collectors for insufficient funds and for late payment of water bills. Such penalties shall be as established from time to time by the Board of Water Commissioners and Collectors Office.

3. The failure of the customer or his agent to receive notice of his water bill does not relieve him of the obligation of its payment nor from the consequences of its non-payment.

B. Domestic Accounts

Water usage shall be billed quarterly.

1. Bill periods shall be as follows:

a. January

b. April

c. July

d. October

2. Payment is due within 30 calendar days of the date of mailing, however after 45 days all bills are subject to 10% penalty.

3. In the event that meters are stopped, frozen or otherwise damaged, or entry for reading purposes cannot be made, water usage shall be based on the prevailing minimum rate or may be averaged over previous billing periods at the discretion of the Water Department.

C. Commercial and Industrial Accounts

For commercial and industrial accounts, billings shall be made on a monthly basis.

1. All meters shall be read starting the tenth day of each month or the closest working day thereto.

2. Billings for metered service shall be sent out by the tenth day of the following month of the meter readings. Bills shall be paid within thirty (30) days of the date of billing.

3. Failure to make such payment shall subject the customer to the provisions for delinquent accounts.

D. Policy for Granting Abatements to Water Bills. The policy of the Board of Water Commissioners in cases involving higher than ususal water bills due to excessive use of water in a billing period is to grant an abatement as outlined below. The following ocnditions will be followed in granting an abatement.

1. The customer or his representative shall appear before the Board to request an abatement and explain the reasons for so doing.

2. An abatement will be granted in those cases where the excessive use of water was beyond the reasonable control of the user, such as a leak in property, buried pipes that are not visible to the eye.

The Board of Water Commissioners will decide if the excessive use was beyond reasonable control.

3. The Board of Water Commissioners reserves the right to inspect the customers premises to examine the cause of the excessive usage prior to granting an abatement.

4. Any abatement granted will be limited to the excessive use of a minimum of 100,000 cubic feet of water per a three month period.

5. The abatement will be calculated by determining the average use of water by the customer during the past 12 months and subtracting this average from the amount used during the period for which an abatement is requested. In no case will an amount less than an equivalent of 1000 cubic feet per three month period be subtracted from the amount in question. The value of the abatement will then be calculated by multiplying the resultant quantity by 0.8 and applying the water rate cost in force at the time the excessive use occured.

The intent of this policy is to grant relief to customers who incur an excessively high water bill, due to

resaons beyond their reasonable control. It is further intended, that the water department must charge users of unexpected large quantities of water (as explained above) only that amount which covers the expense of providing such water. The anticipated income to the water department does not include periodic cases of unexpected high users by homeowners.

E. Delinquent Accounts

1. On any account found to be delinquent collection may be initited by any of the following procedures.

a. Collection through small claims court or any other court having the appropriate jurisdiction.

b. Attachment of property by use of a lien.

2. A late fee will be added after 30 days on overdue accounts.

F. Transfer of Ownership

In the event of the transfer of ownership of dwellings or other structures served by the water system, the current owner or his authorized agent shall notify the Water Department of such sale or transfer and a final reading and bill will be issued by the Water Department.

1. Such notification shall include a request for an accounting of current usage, overdue balances and any liens or adjustments thereto.

2. The name(s) and addresses of the new owners or corporations whether individually or jointly owned shall be furnished upon notification for a final reading.

3. Failure by the seller to pay any outstanding balances due on account shall not affect the water departments right to recover such payments due by legal remedy. Any outstanding balance not paid at the time of sale or transfer shall be considered as a lien on the property and be subject to collection by the Town of Southborough in accordance with the applicable provision of MGL Chapter 40.

III WATER SERVICE FEE'S

A. New Water Mains and Services

At the time of application for a water main extension or new or renewed service, a deposit at prescribed rates established by the Board of Water Commissioners for installation of varying types and sizes of such extensions or services shall be required to cover the cost of capital expenditures applicable to system expansion and maintenance thereof, which for the purposes of these Rules and Regulations shall be considered as a demand fee.

1. All costs for labor, equipment, tools and materials encurred by the Water Department shall be billed at the rates that may be established from time to time by the Board of Water Commissioners.

2. Copies of the latest charges for labor, equipment, tools and materials may be obtained upon request from the Water Department.

3. Water main or service installations larger than one-inch in diameter, shall be considered on a case by case basis, and applicants may be required to hire private contractors approved by the Water Department to perform this work. All such work and materials shall be subject to inspection and approval by the Superintendent or his authorized representative.

4. Payment for all work and materials furnished by the Water Department shall be made prior to commencing work.

B. Temporary Services

Application for temporary services for construction purposes or agricultural use shall be considered on a case by case basis by the Water Department. In general, a demand fee payment will not be required, however, all required work and materials will be billed as specified, hereinbefore. Water usage shall be metered and billed at prevailing rates.

C. Private Fire Systems

All water supplied through fire service piping systems, may at the discretion of the Water Department be metered and special measuring or detection devices shall be furnished, installed and maintained by the user.

1. Meters shall be of the compound or turbine type as required to supply required domestic and/or fire flows to the structure to be serviced.

2. Applications for fire service lines shall be accompanied by detailed drawings, flow calculations, Insurance Service Office (ISO) requirement data, projected

consumption data, etc., prepared by an Engineer registered in the Commonwealth of Massachusetts.

3. Systems shall be so designed, installed and maintained so as not to create hydraulic problems within the existing distribution system.

D. Swimming Pools

Any customer or contractor submitting a request to fill a swimming pool shall apply in writing to the Water Department.

1. For new installations, the applicant or contractors shall furnish a copy of an approved building permit issued by the Town of Southborough.

2. The name and address of the applicant and approximate gallonage required shall be furnished.

3. The Water Department shall be held harmless for any damage caused to private property due to filling new or refilling of existing swimming pools, nor shall it be responsible for the quality of water supplied for such purpose. The rate of filling shall be based on distribution system conditions at the requested time of filling and the Water Department reserves the right to postpone the filling operation as it deems necessary based on system conditions or during periods of heavy use.

4. All applications for filling swimming pools will be denied during the enforcement period of a water ban.

5. A service charge shall be assessed by the Water Department for services that may be rendered at a rate as

established by the Board of Water Commissioners. Water usage shall be billed at prevailing rates.

IV METER INSTALLATION TESTING AND REPAIR

A. General

Meters shall be required for all domestic, commercial and industrial services and the Water Department will determine appropriate sizes and types of meters to be installed.

1. The Water Department shall furnish, install and maintain water meters up to 3/4-inch in size at prescribed rates as established by the Board of Water Commissioners, subject to the conditions noted hereinafter.

2. Meters over 3/4-inch in size shall be purchased by the applicant and shall only be installed by licensed plumbers and in accordance with the requirements of and under the direct supervision of the Water Department. Meters so purchased shall conform to the requirements of the Water Department and be furnished with all necessary accessory items to complete the installation, and shall be installed in such manner so as to protect the meter from damage and to facilitate removal, replacement and reinstallation.

B. Location

All meters shall be set, as nearly as possible, at the point of entrance of the service pipe to the building and the customer shall provide and maintain a clean, dry, warm and accessible place therefore. Meters once set may be changed in location at the request of the customer, at his expense,

and work may be done only by an agent of the Water Department or by a contractor approved by the Water Department.

When and if the customer fails or neglects to furnish a suitable location for a meter inside the building, or where for other reasons it is necessary or expedient to locate the meter in an underground box or vault, the customer shall bear the expense of same.

C. Access

All meters shall become subject to control by the Water Department upon satisfactory installation and testing. The officers or agents of the Water Department shall have free access to all premises supplied with water. At reasonable hours, to permit the inspection of plumbing and fixtures, remove or read meters, to ascertain the amount of water used and the manner of use, and to enforce the intent of these Rules and Regulations.

D. Testing

For meters 3/4-inch and larger, accuracy tests shall be conducted in accordance with the schedule shown under Paragraph 9, or as may be otherwise required by the Water Department if the accuracy of readings is questionable. Field tests shall be conducted in the presence of the Superintendent or his authorized representative and if the field test show inaccurate readings, the meter shall be removed for repairs. The customer shall make arrangements for the removal and repair of any defective or non-registering meter within fifteen (15) days after

receiving notice from the Water Department and shall advise the Water Department of the date that the meter is to be removed from service so that a reading may be obtained. Certified copies of factory tests before and after repairs are made shall be submitted to the Water Department. All expenses covering, field testing, removal, transporting, repairs and re-installation shall be borne by the customer.

1. Tests to determine the accuracy of each meter will be made in accordance with the following schedule or as often as the Water Department may deem necessary. For services up to 5/8-inch in size, meter repairs or replacements necessitated by ordinary wear will be made by the Water Department.

2. Meter Size

	5/8"	3/4"	1"	1½"	2"	3"	4"	6" & over
Interval between tests (years)	10	10	4	4	4	2	1	1

3. A customer may at any time question the accuracy of the meter on his service in accordance with the provisions of Chapter 40, Section 39I shall be tested only after the Water Department receives the request in writing.

4. If the testing of a meter as hereinbefore provided shows that it fails to register correctly within two percent, the charge to the customer shall be adjusted accordingly as the registration varies from 100 percent. Such adjustment shall appy to the current period only, unless it is apparent to the Water Department that a previous

period's consumption has also been affected by the same error.

E. Maintenance

If a water meter is damaged by freezing, hot water or other fault of the customer, all removal, repair and/or replacement charges will be billed to the customer.

F. Non-Registering

If a meter does not register during a billing period due to mechanical failure, or has been removed for repair or testing, the bill will be based on the average daily rate of consumption following the meters replacement. If the meter is not installed during the billing period the bill will be based on the average daily rate of consumption over the previous year.

G. Tampering

If a water meter is tampered with or defaced in order to prevent the proper registration of the water consumed, the customer will be prosecuted to the full extent of the law.

Penalties may be assessed customers to the extent as proivided by laws. If the customer fails to remove any violation or comply with any written order of the Water Department immediately water service may be restricted or shutoff.

A list of violation fees may be obtained from the Water Department.

V. SERVICES

A. General

All services shall be installed in accordance with these Rules and Regulations.

1. On new installations or renewals of existing service pipes, only one customer will be supplied through one service pipe. Where more than one customer is now supplied through one service pipe and under the control of one curb shut-off, any violation of the Rules and Regulations of the Water Department by either or any of the customers so supplied shall be deemed a violation by all and the Water Department may take action as could be taken against a single customer. Such action shall not be taken until the customer who is not in violation of the Water Department Rules and Regulations has been given a reasonable opportunity to attach his pipe to a separately controlled service connection.

2. In the event that the Department proposes to restricted or shut off service to a customer involving a landlord-residential tenant account, the Water Department will first notify the Board of Health. Such notice shall only be given if no payment arrangement can be made with the landlord before service is restricted or shut off. Thereafter, the Board of Water Commissioners after consulting with the Board of Health, shall have the discretion to direct the manner in which the the restriction or shut off shall be accomplished, such as, but not limited to, a requirement that as many residential tenants as may reasonably be possible be notified of the action which may affect them.

3. The operation of curb stops or gate valves on of any water service or water main extension is forbidden by anyone other than the Water Department.

4. In the event the customer requests water to be turned on of off, the Water Department will not be responsible for any damages occurring due to such action requested.

B. Ownership

All service pipes one-inch in diameter and less up to and including the shut-off valve before the meter shall be maintained by the Water Department.

1. All customers are urged to maintain the plumbing and fixtures within their own premises in good repair. They shall be required to make any repairs necessary to conserve water.

2. Customers are urged to install water conservation devices.

C. Materials

All materials used for water service or water main extensions shall be as approved by the Water Department.

D. Installation

All water services and water mains shall be installed to a minimum depth of cover of four and one half (4½) feet.

1. Installation Period. The Water Department will not allow any service lines or water mains to be installed between November 1 and April 15, except by special

arrangement, or in the case of an emergency, in which case the customer shall pay for the excess over normal costs.

2. Approval. Work done by private contractors shall be performed in a manner satisfactory to the Water Department. If any defects in workmanship or materials are found, or if the customer's service has not been installed in accordance with the Water Department requirements, the water service will either not be turned on or will be disconnected if such defects are not corrected. All services or water main extensions shall be flushed, pressure tested and disinfected as required before acceptance by the Water Department. Any new additions or private additions shall be approved by the Water Department Superintendent. No customer shall install any additions or alter any service pipe(s) for any purpose not mentioned in the customer's application without first giving written notice to the Water Department and obtaining its approval.

3. Joint use of Service Trench. Service pipes will not be placed in the same trench with gas pipes, electric conduits, sewers, or other utilities.

4. Cross-Connections. No cross connection between the public water system and any nonpotable supply will be allowed unless protected by a system specifically designed for this purpose, and such connection is approved by the Water Department and by the Massachusetts Department of Environmental Quality Engineering. No connection capable of causing back-flow between the public water supply system and

any plumbing fixture, device, or appliance or between any waste outlet of pipe having direct connection to waste drains will be permitted. If the Water Department discovers such a connection, service will be discontinued immediately.

a. All customer services shall be protected with devices comensurate with the degree of potential hazard. All such devices shall be located at the service entrance and all water consumption within the premises shall pass through the protective device.

5. Backflow Prevention Devices. An approved backflow prevention device may be required on commercial and industrial enterprises using municipal water. The device shall be purchased and maintained by the customer. The device shall be inspected by the Water Department or by the state every six (6) months. The cost of said inspection will be billed to the customer as applicable.

6. Electrical and Telephone Grounds. No user of the municipal water system shall install an electrical or telephone ground of any sort to the water service or to their own plumbing.

7. Tapping Existing Water Mains. All taps in existing water mains shall be made by or under the supervision of the Water Department.

8. Operation of Valves and Hydrants. Operation of gate valves, curb stops and hydrants shall only be done by Water Department personnel.

E. Frozen Water Mains and Services. In those cases where customer-owned service pipes or mains are frozen, and it is determined that the main or service is not properly installed, the thawing may be done by the Water Department at the expense of the customer.

1. To avoid a re-occurance, the Water Department may order an examination of the customer's service pipe. If the service is not at a minimum depth of four and one half feet, as requried, the Water Department reserves the right to require it to be lowered before service is resumed.

2. Where mains or services are at the proper depth, all costs for thawing shall be borne by the Water Department.

F. Private Wells

All customers with private wells shall notify the Water Department of the number, size, depth, location of the wells and quantity used from these private sources.

1. No pipes or fixtures connected to the distribution water mains shall be connected to the private source. See section V D.4 and 5.

H. Insurance, Bonds and Permits

Insurance requirements for work done by private contractors in accepted town roads, rights-of-way and easements shall be as required by the Board of Selectmen, in addition road maintenance bonds may be required. All road opening permits shall be obtained through the Superintendent of the Southborough Highway Department or through the

Massachusetts Department of Public Works as applicable and copies furnished to the Water Department as required.

VI WATER MAIN EXTENSIONS

A. General

Extension of a water main to any residential, commercial or industrial development or to any subdivision thereof, in easements or ways established therein not formally accepted by the Town of Southborough as public ways and for water main extensions in accepted public ways shall be made only in accordance with the following terms and conditions.

1. The applicant for such extension(s) shall submit three copies of preliminary plans and a detailed utility impact study where required to the Board of Water Commissioners at least fourteen (14) days (Saturdays, Sundays and holidays excluded) prior to submission of preliminary plans to the Planning Board and prior to to requesting a meeting with the Board to discuss availability of water and design concepts.

2. Preliminary plans shall contain thereon the area to be serviced, which shall include all proposed and existing streets, ways, easements, existing utilities and topographical features. Water mains shall be shown extending to the furthest point of property and shall terminate with a main line gate valve and hydrant assembly as required by the Water Department. Plan size shall be 24-inches by 36-inches and shall be drawn to a scale of 40 feet to 1-inch. One mylar and two prints of each plan shall be submitted. Each

plan shall be stamped by a professional engineer registered in the Commonwealth.

3. Detailed utility impact studies shall include but not be limited to the following:

a. Anticipated fire flows, pressure ranges and other pertinent data within the sub-division or complex.

b. Potential or anticipated impact on the existing water dstribution system.

4. Upon receipt of the application and required data, the Board of Water Commissioners will review the data submitted and advise the application in writing within twenty (20) days (Saturdays, Sundays and holidays excluded), of its findings and recommendations, unless such time is extended by mutual agreement.

5. The Board of Water Commissioners or its authorized representative shall layout the location of water mains, valves, hydrants, etc., or may at its discretion require that a detailed review and analysis of the submitted material be made by its consulting engineer(s). Any and all costs for such review and analysis shall be made at the applicants expense. The Board will obtain an estimate of cost from its consulting engineer(s) and advise the applicant in writing within seven (7) days after receipt of the application (Saturday, Sunday and holidays excluded) of such costs and time required for the review. Payment for all costs relative to preliminary and final review of submittals shall be made by the applicant and shall be made directly to

Departments consulting engineer. No approval of final plans will be made or connections to the Town's water system authorized until such time as all payments for outside services have been made.

6. Certified copies of such right of ways, easements or other instruments that may be required or as may be necessary for the purpose of making and recording such installation(s) shall be submitted as required.

7. Upon submission and subsequent approval of definite plans by appropriate boards, commissions and agencies, the applicant shall cause to be executed an agreement between the Board of Water Commissioners on behalf of the Town of Southborough and himself indicating that title to new water mains in accepted Town roads, rights of way and easements shall be granted to the Town after the installation is completed and only after a one year guaranty period has expired from date of completion. A bond is an amount prescribed by the Board of Water Commissioners shall be required on behalf of the Town subject to conditions deemed in the best interest of the Town. This bond shall apply only to the water main(s) and appurtenant items in residential, commercial or industrial sub-divisions and not to pavement replacement and other restoration work which shall be subject to the control of the Highway Superintendent and Board of Selectmen.

8. Water mains and appurtenant items installed in residential, commercial and industrial complexes or

sub-divisions thereof shall remain the property of and responsibility of the applicant until such time as the roadways, right of way and easements therein are formally accepted by Town Meeting action.

9. In the event of an emergency, repairs to water mains and appurtenances will be made by the Water Department. Applicants or Contractors performing each week will be billed for all costs encurred by the Department and shall pay all such charges within thirty (30) days of receipt of the billing. If payment is not received within thirty (30) days, the Board of Water Commissioners shall institute action through the Collectors Office against the applicants or its bonding company to recover its costs. In non emergency situations, applicants will be given a maximum of seven (7) days to effect necessary repairs before action is taken by the Water Department.

B. Special Conditions in General

1. Statutory Requirements. The Contractor shall keep himself fully informed of all existing and future State and Federal Laws and municipal ordinances and regulations that may affect in any manner those engaged or employed in the work, or the materials used or employed in the work, and of all such orders and decrees of bodies or tribunals having any jurisdiction or authority over the same and of all provisions required by law applicable to the project, all of which provisions are hereby incorporated by reference and made a part thereof. He shall at all times himself observe

and comply with, and shall cause all his agents and employees to observe and comply with all such existing and future laws, ordinances, regulations, orders, and decrees; and shall protect and indemnify, orders, and decrees; and shall protect and indemnify hold harmless and defend the Town of Southborough, Massachusetts and all of its and their officers, agents, and servants against any claim or liability arising from or based on the violation of any such law, ordinance, regulations, order or decree, whether by himself or his employees or subcontractors.

All materials furnished and work done are to comply with all State, Federal and local laws and regulations.

2. Severability. The provision of the Standard Specifications for installing water mains and appurtenances and the Rules and Regulations of the Town of Southborough Water Department as adopted by the Board of Water Commissioners on 1986 are declared to be severable and if any provision thereof are held invalid they shall not affect the other provison thereof of either document which shall remain in effect. The Board of Water Commissioners reserves the right to make such changes in these Standard Specifications and the Rules and Regulations of the Water Department from time to time as it deems to be in the best interest of the Town.

3. Applicability. The attached Standard Specification shall apply to all water main extensions in Town roads, rights of way, easements and residential,

commercial and industrial sub-divisions and complexes within the corporate limits of the Town of Southborough as approved by the appropriate governmental regulatory agencies, boards or commissions.

4. Approvals. No work shall commence until such time as all required approvals by Local, State and Federal agencies have been made and sanctioned.

5. Permits. It shall be the Contractors responsibility to obtain all necessary permits that may be required for work on private and/or public property.

6. Bonds and Insurance. Road maintenance bonds in an amount prescribed by the Board of Selectmen shall be required for work in all Town roads and shall remain in effect for a period of one year after final acceptance of the work.

The contractor shall furnish proof of insurability to the Town of Southborough in the manner, amount and extent of coverage as required by the Board of Selectmen.

7. Guaranty. All work and materials shall be guaranteed for a period of one year from the date of acceptance by the Town of Southborough as noted under VI-A-7.

C. Special Requirements

1. Specifications. All work and materials shall conform to the specifications attached hereto. The Contractor shall provide all labor, equipment, tools and materials necessary to construct the work in accordance with these specifications.

2. Standardization of Materials. The Water Department has standardized on certain water works materials and the Contractor shall furnish all such materials without prejudice to their propratory status.

3. Project Scope. Based on the scope of the project, the Water Department may require full time observation of work with its own forces or by outside consultants. All costs relative to observation shall be borne by the applicant.

VII PRIVATE FIRE PROTECTION SYSTEM

A. General

An application for private fire service shall be accompanied by a plan of the proposed piping system together with a statement telling for what other purposes, if any, the system is to be used.

1. All fire service pipes in an accepted roadway right-of-way or easement shall be furnished, laid and connected at the applicants expense, and all portions of such fire service pipes which lie within the limits of an accepted roadway, right-of-way or easement shall be and shall remain the property of the Water Department upon acceptance.

2. Where a standpipe, reservoir, pump or other equipment is used, it shall be constructed so as to shield and protect the water system from all possible contamination and damage and shall be approved by the Water Department.

3. In construction of standpipes, reservoirs, pumps, etc., provisions shall be made for means of easy

access to their interiors by the agents of the Water Department for the purpose of inspection and maintenance as required by the Water Department. Where applicable a draw-off pipe shall be fitted for the purpose of drawing off water for inspection. Such draw-off pipe shall not be connected with a sewer, drain, or outlet in anyway that would permit pollution of the public water supply.

B. Metering

All fire services metered shall conform to the provisions of Section IV.

1. The customer may purchase and install a fire line compound meter and bypass piping as may be required by the Water Department; it shall be of a type approved by the Department and the National Board of Fire Underwriters.

2. The owner may be required to purchase and install a detector check valve with meters and by-pass piping; it shall be of a type approved by the Water Department and the National Board of Fire Underwriters; the Water Department reserves the right at any time to require the owner to install a fire line compound meter as described in the preceding paragraph.

C. Availability of Water

The Water Department does not guaranty that it can furnish proper quantities of water through any fire service nor does it undertake to guarantee anything relative to that service.

D. Flow Tests

Private fire service and fire apparatus connected therewith may be tested by the owners or by insurance inspectors under the following conditions:

1. Notice shall be given at the Water Department Office at least 48 hours in advance of any test and the date and hour agreed upon by the Water Department Superintendent or his authorized agent.

2. The tests shall be conducted in the presence of a Water Department agent.

3. All costs for Water Department personnel and equipment work shall be paid for by the customer.

VIII PUBLIC RESPONSIBILITY

A. General

Customers are not only responsible for the maintenance of certain water service connections and household plumbing systems, but also for their impact on the entire water distribution system.

1. No person(s) shall at any time, operate a fire hydrant or gate valve even if said hydrant of gate valve is privately owned.

2. Hydrants or valves can only be operated:

a. By the Water Department or its authorized agents thereof.

b. By fire fighters conducting training exercises or at a working fire or other emergency.

3. In the event the customer request water to be turned on or off, the Water Department will not be responsible for any damages occuring due to such action requested.

B. Damage to Water Department Property

Damage or vandalism to Water Department property should be reported immediately to the Water Department. Offenders will be prosecuted to the full extent of the law, and may be charged the entire cost of restoring the facility or structure to proper operating condition or for its replacement.

C. Waste and Leaks

Customers shall take all necessary measures to prevent waste of water. The Board of Water Commissioners shall determine what constitutes waste or improper use and will restrict the same when necessary.

D. Fluctuation of Pressure

No customer shall install or use water consumption apparatus which will affect the pressure or operating conditions of the distribution system, and which will so as to interfere with the service of another customer.

1. Where a customer has or proposes to install apparatus which requires water in sudden or excessive quantities, impairing pressure to the detriment, damage to the distribution system or cause disadvantage to other customers, the Water Department reserves the right to require such customer to install devices or apparatus which will

confine such fluctuation of demand or reduction of pressure to reasonable limits as determined by the Water Department.

2. If a customer, after receiving written notice from the Water Department fails to present an acceptable remedial plan to confine fluctuation of demand or reduction of pressure within the limits set by the Water Department, that customer's water service will be restricted or discontinued.

IX. OPERATION OF WATER DEPARTMENT

A. General

The Water Department will attempt to provide adequate volume and pressure of water at all times however, this cannot be guaranteed due to events beyond their control and normal operation requirements.

B. Flushing

A scheduled program for flushing mains shall be established by the Water Department. Notice of times and locations of planned flushing measures will be published in a newspaper of general circulation at least two (2) days prior to the date(s) of flushing.

C. Drought or Emergency

The Water Department reserves the right, in periods of drought or emergency or when deemed essential to the protection of public health, safety and welfare, to restrict, curtail or prohibit the use of water for secondary purposes, such as sprinkling of lawns, car washing, air conditioning,

or filling swimming pools and shall have the right to fix hours and periods when water may be used for such purposes.

D. Turning Water On or Off

A forty-eight hours (48) notice is required for turning on or shutting off water. The requested service will be provided as soon as possible after notification.

1. Emergency shut-offs at the customer's request will be attended to as soon as possible at any time.

2. Turn-offs in the event of any type of disaster or unattended home where a leak is discovered may be carried out without notifying the customer.

E. Interrupted or Unsatisfactory Service

The Water Department will not be responsible for any damages caused by shutoffs in the main or service pipes because of shortage of supply or for repairs, extensions, or connection, or for any other reason beyond the control of the Water Department. Notice of shutoff will be given when practicable, but nothing in these Rules and Regulations shall be construed as requiring the giving of such notice.

1. The Water Department will not be responsible for damages caused by discolored water, which may be caused by flushing of pipes, reservoirs, or standpipes, or the opening or closing of any valves or hydrants considered necessary or customary for system operation and maintenance or in emergency situations.

2. Acceptance of service by the customer shall be on the express condition that the Water Department shall not

be liable for any damages caused by bursting of pipes, collapse or leakage of customer's equipment, nor for any leakage from any pipes, fixtures, or other appliances wherever located between the main pipe and the point of leakage for any cause whatsoever.

3. The Water Department shall not be liable for damages to fences, walls, shrubs, walks, lawns or any other portion of the customer's premises occassioned by work or installation.

4. The Water Department in no way guarantees the quantity of water or water pressure or the quality of the water, but will endeavor to render the best possible service at all times.

F. Restriction or Discontinuance of Service

Any service may be restricted or discontinued for any of the following reasons:

1. An illegal service connection.
2. A cross connection to any other water supply.
3. Tampering with service connections and/or meters.
4. Denial of access to a representative of the Water Department for the purpose of:
   a. Reading meters.
   b. Checking and/or repairing meters or services.
   c. Checking water connections, appliance and/or fixtures.

5. Non-compliance with request to curtail the use of water under special conditions as determined by the Water Department.
6. A faulty backflow prevention device.
7. Use of water for other than described in the application.
8. Willfull waste of water.

The provisions of these Rules and Regulations are declared to be severable and if any provision hereof is held invalid, that shall not effect the other provisions hereof which shall remain in effect.

TO: Select Board
FROM: Mark J. Purple, Town Administrator
DATE: June 13, 2024
SUBJECT: Placeholders for Special Town Meeting warrant

Here is a list of the placeholders that have been discussed by the Board during and following the April 2, 2024 meeting for consideration as warrant articles for a Fall Town Meeting in September:

- Zoning change to comply with MBTA Communities requirements;
- Implementation of results of Public Safety staffing study;
- Feedback for a Regional Emergency Communications Center (RECC) proposal;
- Funding for Atwood site cleanup;
- Increase bonding amount for Breakneck Hill farm dump remediation;
- Increase CPA surcharge from 1% to 3%;
- Restructure the AHTFC and SHOPC;
- Amendments to the SAP (Personnel) bylaw;
- Change the date requirements for Annual Town Meeting;
- Establish process for transferring Affordable Housing funds from CPA to AHTFC on an annual basis;
- Stormwater enterprise fund

I can begin compiling a more formal warrant document once the date of the meeting has been set. Please let me know if you have any questions. Thank you.

[EXTERNAL]

Hi Bill
What I have found is one source for 5" plus size Hornbeams for location marked on drawing attached. The plants are closer to 6" plus size and could be available for the fall.
We would have to charge around $50,000.00 for the six trees installed. This would include soil ammendments staking if necessary. We would also need the town to offload trees and place in the hole for us, and a police detail. Thanks.

OPEN MEETING LAW COMPLAINT FORM

Instructions for completing the Open Meeting Law Complaint Form

The Attorney General's Division of Open Government interprets and enforces the Open Meeting Law, Chapter 30A of the Massachusetts General Laws, Sections 18-25. Below is the procedure for filing and responding to an Open Meeting Law complaint.

Instructions for filing a complaint:

- Fill out the attached two-page form completely. Sign and date the second page. File the complaint with the public body within 30 days of the alleged violation. If the violation was not reasonably discoverable at the time it occurred, you must file the complaint within 30 days of the date the violation was reasonably discoverable. A violation that occurs during an open session of a meeting is reasonably discoverable on the date of the meeting.
- To file the complaint:
  - For a local or municipal public body, you must submit a copy of the complaint to the chair of the public body **AND** to the municipal clerk.
  - For all other public bodies, you must submit a copy of the complaint to the chair of the public body.
  - Complaints may be filed by mail, by email, or by hand. Please retain a copy for your records.
- If the public body does not respond within 14 business days and does not request an extension to respond, contact the Division for further assistance.

Instructions for a public body that receives a complaint:

- The chair must disseminate the complaint to the members of the public body.
- The public body must meet to review the complaint within 14 business days (usually 20-22 calendar days).
- After review, but within 14 business days, the public body must respond to the complaint in writing and must send the complainant a response and a description of any action the public body has taken to address the allegations in the complaint. At the same time, the body must send the Attorney General a copy of the complaint and a copy of the response. The public body may delegate this responsibility to an individual member of the public body, its counsel, or a staff member, but only after the public body has met to review the complaint.
- If a public body requires more time to review the complaint and respond, it may request an extension of time for good cause by contacting the Division of Open Government.

Once the public body has responded to the complaint:

- If you are not satisfied with the public body's response to your complaint, you may file a copy of the complaint with the Division by mail, by email, or by hand, but only once you have waited for 30 days after filing the complaint with the public body. Mail may be sent to: The Division of Open Government, Office of the Attorney General, One Ashburton Place - 20th Floor, Boston, MA 02108. Emails may be sent to: openmeeting@state.ma.us.
- When you file your complaint with the Division, please include the complaint form and all documentation relevant to the alleged violation. You may wish to attach a cover letter explaining why the public body's response does not adequately address your complaint.
- The Division will not review complaints filed with us more than 90 days after the violation, unless we granted an extension to the public body or you can demonstrate good cause for the delay.

If you have questions concerning the Open Meeting Law complaint process, we encourage you to contact the Division of Open Government by phone at (617) 963-2540 or by email at openmeeting@state.ma.us.

Phone Number: [redacted] Ext.

Email: [redacted]

Organization or Media Affiliation (if any): I submit as an individual town resident but I am also an elected Planning Board Member

Are you filing the complaint in your capacity as an individual, representative of an organization, or media?

(For statistical purposes only)

☒ Individual ☐ Organization ☐ Media

Public Body that is the subject of this complaint:

☒ City/Town ☐ County ☐ Regional/District ☐ State

Name of Public Body (including city/ town, county or region, if applicable): Southborough Select Board

Specific person(s), if any, you allege committed the violation: Al Hamilton, Elected Select Member and Kathy Cook, Chair Select Board

Date of alleged violation: 6/18/2024

Description of alleged violation:

Describe the alleged violation that this complaint is about. If you believe the alleged violation was intentional, please say so and include the reasons supporting your belief.

Note: This text field has a maximum of 3000 characters.

The Southborough Select Board posted an Agenda for June 18, 2024 which included:
III. Scheduled Appointments (Board may vote)
e. FY 25 Committee reappointments and / or reorganization:
iv. Community Preservation Committee (CPC).

During the discussion of re-appointments for two individuals for CPC, which exceeds their proper legal authority, Select Board Member Al Hamilton, who also serves as Chair of the Affordable Housing Trust Fund Committee, discussed his own opinions about the function and financial management of the operations of the CPC and commented on the relationship between the CPC and the Affordable Housing Trust Fund Committee (AHTFC). (Note: The AHTFC is a legally independent entity that does not report to the Select Board.)
Mr. Hamilton is alleged to have improperly used his authority as a Select Board member to provide commentary and influence the outcome of appointments and the perspectives of members on these two boards.

He starts by stating that he has two issues:
1) Fiduciary responsibilities of the CPC and
2) Frustrations on acquiring properties in town

A known audience member and member of the quorum present of the AHTFC warned the SB Chair, Kathy Cook, of the point-of-order that Mr. Hamilton was off-topic, off-Agenda – and to caution her that he was venturing into dangerous territory. Ms. Kathy Cook acknowledged this comment and continued to allow Mr. Hamilton to speak off-agenda. A quorum of the Affordable Housing Trust Fund Committee was present (6 of 8 members were present), and the 6-18-24 Select Board Agenda did not properly include any notice to the public or other committee members of these items discussed. This is widely believed to be intentional. Mr. Hamilton is verbose, unconcerned with proper legal authority, and intentionally chose the re-appointment Agenda line item to break open meeting law and improperly influence the Chair of the Community Preservation Committee (CPC) to agree with him, adopt behaviors and actions to remedy his discontent with the operational execution of the powers and money of the CPC, thereby leveraging his power as Chair of the Affordable Housing Trust Fund Committee (AHTFC).
Importantly, the Select Board was alerted to the point of order and warned that this decision to pursue this line of discussion was off the agenda, with no proper notice to the public and other committee members. Regardless, Mr. Hamilton discussed these matters violating Open Meeting Law, with Ms. Kathy Cook's acceptance.

The alleged improper interference is summarized as an alleged quid-pro-quo and misconduct on the part of the SB, which is in effect,"Give us the money, or we are not re-appointing you . . ."

See:
• SB Agenda 6-18-24:
https://www.southboroughma.gov/AgendaCenter/ViewFile/Item/4761?fileID=11048
• Video – Southborough Access Media – Government Channel
http://71.126.253.179:8087/Cablecast/Public/Show.aspx?ChannelID=3&ShowID=2243
The discussion starts at 3:10:03 and at 3:16:10, a speaker interjects to notify the SB Chair, Ms. Kathy Cook, that this discussion is not properly noticed to the public and other committee members on the SB Agenda of 6-18-24.
(At the 2.37.10 mark, there is a discussion of the SB interfering with the proper function of another elected Board, i.e., Planning Board.)

What action do you want the public body to take in response to your complaint?

Note: This text field has a maximum of 500 characters.

Open Meeting Violations are not new to this board; however, letters and warnings from the AG's office have not stopped it. Given the frequency of this practice, I request the following mandates with the ability to report back to the AG if all four have not been executed within 60 days

1) The SB needs to adhere to Open Meeting Laws.
2.) A public apology needs to be made to the CPC and members of the public that were present. The apology should reflect recognition of the public's notice to the Chair of the Select Board to stop the conversation because it was "not on the agenda" and needed to be done in a different session, was ignored and they had poor judgment when indicating to proceed with the conversation.
3.) The SB and the AHTFC needs to start posting AGENDAS when there is cross over in their discussions, which is what occured on the 18th.
4.) The SB must be required to take in person Open Meeting Law Training sessions, which have been required in the past.

Review, sign, and submit your complaint

I. Disclosure of Your Complaint.
Public Record. Under most circumstances, your complaint, and any documents submitted with your complaint, is considered a public record and will be available to any member of the public upon request.

Publication to Website. As part of the Open Data Initiative, the AGO will publish to its website certain information regarding your complaint, including your name and the name of the public body. The AGO will not publish your contact information.

II. Consulting With a Private Attorney.
The AGO cannot give you legal advice and is not able to be your private attorney, but represents the public interest. If you have any questions concerning your individual legal rights or responsibilities you should contact a private attorney.

III. Submit Your Complaint to the Public Body.
The complaint must be filed first with the public body. If you have any questions, please contact the Division of Open Government by calling (617) 963-2540 or by email to openmeeting@state.ma.us.

By signing below, I acknowledge that I have read and understood the provisions above and certify that the information I have provided is true and correct to the best of my knowledge.

Signed: Marnie L. Hoolahan

OPEN MEETING LAW COMPLAINT FORM

Instructions for completing the Open Meeting Law Complaint Form

The Attorney General's Division of Open Government interprets and enforces the Open Meeting Law, Chapter 30A of the Massachusetts General Laws, Sections 18-25. Below is the procedure for filing and responding to an Open Meeting Law complaint.

Instructions for filing a complaint:

- Fill out the attached two-page form completely and sign it. File the complaint with the public body within 30 days of the alleged violation. If the violation was not reasonably discoverable at the time it occurred, you must file the complaint within 30 days of the date the violation was reasonably discoverable. A violation that occurs during an open session of a meeting is reasonably discoverable on the date of the meeting.
- To file the complaint:
  - For a local or municipal public body, you must submit a copy of the complaint to the chair of the public body **AND** to the municipal clerk.
  - For all other public bodies, you must submit a copy of the complaint to the chair of the public body.
  - Complaints may be filed by mail, email, or by hand. Please retain a copy for your records.
- If the public body does not respond within 14 business days and does not request an extension to respond, contact the Division for further assistance.

Instructions for a public body that receives a complaint:

- The chair must disseminate the complaint to the members of the public body.
- The public body must meet to review the complaint within 14 business days (usually 20-22 calendar days).
- After review, but within 14 business days, the public body must respond to the complaint in writing and must send the complainant a response and a description of any action the public body has taken to address it. At the same time, the body must send the Attorney General a copy of the response. The public body may delegate this responsibility to its counsel or a staff member, but only after it has met to review the complaint.
- If a public body requires more time to review the complaint and respond, it may request an extension of time for good cause by contacting the Division of Open Government.

Once the public body has responded to the complaint:

- If you are not satisfied with that the public body's response to your complaint, you may file a copy of the complaint with the Division by mail, e-mail, or by hand, but only once you have waited for 30 days after filing the complaint with the public body.
- When you file your complaint with the Division, please include the complaint form and all documentation relevant to the alleged violation. You may wish to attach a cover letter explaining why the public body's response does not adequately address your complaint.
- The Division will not review complaints filed with us more than 90 days after the violation, unless we granted an extension to the public body or you can demonstrate good cause for the delay.

If you have questions concerning the Open Meeting Law complaint process, we encourage you to contact the Division of Open Government by phone at (617) 963-2540 or by e-mail at openmeeting@state.ma.us.

Are you filing the complaint in your capacity as an individual, representative of an organization, or media?
(For statistical purposes only)

☒ Individual ☐ Organization ☐ Media

Public Body that is the subject of this complaint:

☒ City/Town ☐ County ☐ Regional/District ☐ State

Name of Public Body (including city/town, county or region, if applicable): Affordable Housing Trust Fund Committee

Specific person(s), if any, you allege committed the violation: Alfred Hamilton, Chair

Date of alleged violation: 06/04/24

Description of alleged violation:

Describe the alleged violation that this complaint is about. If you believe the alleged violation was intentional, please say so and include the reasons supporting your belief.

Note: This text field has a maximum of 3000 characters.

The Affordable Housing Trust Fund Committee (AHTFC) in Southborough is constituted of all 5 Select Board Members and 2 Citizens at large. At the 6/4/24 Select Board Meeting under Members Report, Mr. Hamilton gave an update including his interpretations of a meeting between between the Community Preservation Committee and the AHTFC. It was given to a quorum of the AHTFC without a posted meeting. This is a repeated problem, where the AHTFC business is discussed in a Select Board meeting, a clear overlap of posting requirements and proper notification to the public. Members of the public were denied the right to attend, hear the discussion and participate in said discussion and information shared due to the meeting not being posted.

The concern over not having a AHTFC meeting posted was shared with the Chair of the Select Board prior to the meeting by a citizen. Being hidden in a members report at a Select Board meeting versus a posted AHTFC meeting is a disservice to the public.

I am also a member of AFTFC and was not notified such an update was taking place much less during a Select Board meeting under the Select Board member's report. Again, this is a clear violation of posting requirements.

What action do you want the public body to take in response to your complaint?

Note: This text field has a maximum of 500 characters.

1) To start posting meetings where AHTFC business is being discussed and overlapped with Select Board.
2) Acknowledge that a mistake was made in a public meeting.
3) Better communication with sitting members of the AHTFC.
4) To attend public open meeting law sessions provided by the State.

Review, sign, and submit your complaint

I. Disclosure of Your Complaint.

Public Record. Under most circumstances, your complaint, and any documents submitted with your complaint, is considered a public record and will be available to any member of the public upon request.

Publication to Website. As part of the Open Data Initiative, the AGO will publish to its website certain information regarding your complaint, including your name and the name of the public body. The AGO will not publish your contact information.

II. Consulting With a Private Attorney.

The AGO cannot give you legal advice and is not able to be your private attorney, but represents the public interest. If you have any questions concerning your individual legal rights or responsibilities you should contact a private attorney.

III. Submit Your Complaint to the Public Body.

The complaint must be filed first with the public body. If you have any questions, please contact the Division of Open Government by calling (617) 963-2540 or by email to openmeeting@state.ma.us.

By signing below, I acknowledge that I have read and understood the provisions above and certify that the information I have provided is true and correct to the best of my knowledge.

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, July 10, 2024 6:30 PM
Location: REMOTE ONLY
Present: Kathryn Cook, Andrew Dennington, Marguerite Landry and Sam Stivers. Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale. Absent: Al Hamilton

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Chair Kathy Cook called the meeting to order at 6:30 PM.

II. Other Matters *(Board may vote)*

a. Amend charges/memberships for Scholarship and Stewardship Committees

Ms. Cook suggested that, in an effort to streamline committees, the Board should reduce the number of required members of the Scholarship and Stewardship Committees from seven to five. Mr. Stivers stated that both committees are in need of an updated charge, which could specify the number of members. He also suggested that the Stewardship Committee charge call for all at-large members. Mr. Stivers stated he would work with both committee chairs to create charges and the Board could discuss this matter at its July 16th meeting. The Board agreed with Mr. Stivers's plan of action.

Mr. Don Morris, Ms. Ginny Martins and Ms. Patty Burns-Fiore joined the meeting at this time for Other Matters "b" and "c." Don Morris called the meeting of the Tricentennial Committee to order at 6:36 PM. Members present: Don Morris, Ginny Martins, Patty Burns-Fiore and Andrew Dennington.

b. Discussion of proposal for Tricentennial fundraiser using memorial bricks at the Southborough Heritage Park (Patti Fiore)

Ms. Burns-Fiore stated that the Tricentennial Committee has suggested an engraved memorial brick fundraiser, with bricks installed at the Southborough Heritage Park. Ms. Burns-Fiore provided a sample for the Board's review and stated the bricks would be offered at $300 each. She stated that the Committee is appearing tonight to seek approval for the brick fundraiser concept. She stated that, once the number of bricks sold is known, the Committee would return to the Board with a proposed layout. The Board asked that the Committee work with DPW Superintendent Cundiff on the project and Mr. Dennington agreed to coordinate with Superintendent Cundiff. Ms. Ginny Martins reported that the Fundraising Sub-Committee has met once and is preparing the sponsorship package for presentation at Heritage Days. The Board agreed with the brick fundraising concept discussed this evening. Mr. Morris stated that he would add the brick fundraiser concept to the Tricentennial Committee's next agenda for discussion and approval. Ms. Cook announced that the Tricentennial Committee is in need of two new members and urged the public to consider joining the Committee.

c. Tricentennial Committee update (Don Morris)

Mr. Don Morris, Tricentennial Committee chair, provided an update of the Committee's work thus far. He discussed the Committee's progress and shared the approved logo and tagline. He stated next efforts would focus on interviewing Southborough seniors for their memories of the Town and connecting with long-time residents for pieces of Southborough's history (photos, newspaper articles, etc.). He thanked Steve Valentine and John Kendall for their service on the Tricentennial

Committee. He stated the Tricentennial Committee would finalize their progress report at its next meeting and present future updates to the Board and public. Ms. Cook stated that Ms. Burns-Fiore would interface with the Fay School relative to the upcoming Tricentennial. Mr. Morris moved to adjourn the Tricentennial Committee Meeting at 7:02 PM. Ms. Burns-Fiore seconded the motion. The motion was unanimously approved by roll call vote: Mr. Morris, yes; Ms. Martins, yes; Ms. Burns-Fiore, yes; Mr. Dennington, yes (4-0-0).

Ms. Cook stated that the purpose of tonight's meeting is to meet with the Advisory Committee and approve transfers that are required prior to July 15, 2024.

d. Assign MBTA Communities Warrant article to Planning Board for public hearing process

Mr. Stivers moved to assign the MBTA Communities Warrant article to the Planning Board for the public hearing process. Mr. Dennington seconded the motion. The motion was unanimously approved by roll call vote: Ms. Landry, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye (4-0-0). Ms. Landry offered to meet with a Planning Board representative to clarify discrepancies in definitions between the State MBTA requirements and the Town's Warrant article and the Board agreed.

e. Approve timeline for submission of Citizens' Petitions for Special Town Meeting

Ms. Cook stated that, in the past, the Board has used 30 days prior to a Town Meeting as a deadline requirement for the submission of Citizens' Petitions. Mr. Purple stated that the submission deadline for the upcoming Fall Town Meeting would be August 31, 2024. He also stated that final warrant language would be due on September 3, 2024. Mr. Stivers moved that Citizens' Petition be submitted on or before August 31, 2024, in order to be on the warrant for the Special Town Meeting on September 30, 2024. Mr. Dennington seconded the motion. The motion was unanimously approved by roll call vote: Mr. Stivers, aye; Ms. Landry, aye; Mr. Dennington, aye; Ms. Cook, aye (4-0-0).

f. Approve revised Stormwater IMA Consortium (changing lead community)

Ms. Cook stated that the Board has been asked to approve a change in the lead community from Spencer to Shrewsbury for an Inter-municipal Agreement (IMA) of the Central Massachusetts Regional Stormwater Coalition, as the Town is a participant in the IMA. Mr. Stivers moved that the Board accept the change in the Stormwater IMA, as proposed. Ms. Landry seconded the motion. The motion was unanimously approved by roll call vote: Mr. Stivers, aye; Ms. Landry, aye; Mr. Dennington, aye; Ms. Cook, aye (4-0-0).

g. Discuss October 2024 Select Board meeting dates

Ms. Cook suggested the Board change their October meeting dates to October 8th and October 22nd so there is no conflict with Special Town Meeting and the Board agreed.

The Board recessed at 7:13 PM and resumed meeting at 7:30 PM.

III. 7:30 PM – Joint Meeting with Advisory Committee

Advisory Board Chair Andrew Pfaff called the Advisory Committee Meeting to order at 7:30 PM. Members present: Andrew Pfaff, Howard Rose, Marci Jones Salow, Larry Samberg and Tim Martel. Brian Ballantine, Town Treasurer, joined the meeting at this time.

a. FY24 Interdepartmental transfers

Ms. Cook stated that all transfers would come from the overage in the Health Insurance Benefit Budget. Mr. Pfaff stated that the Town had a successful financial year when reviewing the budget versus the need for interdepartmental transfers. Mr. Ballantine thanked the department heads that worked to manage the need for any year-end interdepartmental transfers. Mr. Ballantine stated he would discuss returned budget monies at a future meeting. Ms. Cook moved that the Select Board

approve $146,162.21 in interdepartmental transfers, as shown on the spreadsheet that will be attached to the meeting minutes, to the accounts listed on the spreadsheet. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Landry, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye (4-0-0). Mr. Pfaff moved that the Advisory Committee approve the interdepartmental transfers of $146,162.21, as shown in the year-end transfers document and as attached to the minutes. Ms. Jones Salow seconded the motion. The motion was unanimously approved by roll call vote: Ms. Jones Salow, aye; Mr. Martel, aye; Mr. Samberg, aye; Mr. Rose, aye; Mr. Pfaff, aye (5-0-0).

b. Reserve fund transfers if needed

There were no Reserve Fund transfers.

c. Discuss possibility of increasing CPA surtax to 3%

Mr. Pfaff stated that the Advisory Committee had reviewed this issue last year and informed the Board that an increase from 1% to 3% would triple the amount of revenue presently raised through the tax and make the Town available for a 2nd and 3rd round of matching funds only available to the communities at the 3% rate. He stated that any increase in CPA monies due to an increase in tax would need to be managed in a coordinated strategy by Advisory, the Board and CPC. He stated that he is not supportive of an increase unless there is an offset. Ms. Cook described the Town process to increase the CPA surtax. The Advisory Committee and Board discussed whether or not to pursue a meeting with CPC on a potential increase. Mr. Dennington asked about the impact of the Neary School project on the decision to consider an increase in the CPA tax. The Advisory Committee and Board discussed the impact of the Neary School project. Mr. Pfaff suggested that he and Ms. Cook meet with CPC Chair Ben Smith to discuss restarting a conversation regarding an increase in the CPA tax. The Advisory Committee and Board agreed with the plan.

d. Discuss possibility of creating a Stormwater Enterprise Fund

Mr. Pfaff stated that the challenge is to determine how to fund a Stormwater Enterprise Fund, if created. He suggested this could be achieved by charging a stormwater usage fee based on the amount of impervious surface on a property. He stated that the fee would be assessed to residential, commercial and non-profit water users and although it does not save the Town any money, approximately 30% of the burden would be shifted from residential to commercial and non-profit users. He asked the Advisory Committee and Board to consider whether the amount of money put into the fund outweighs the overhead incurred by the Finance Department to calculate, bill and manage. Ms. Cook added that the cost to fix the culvert issues might be significantly larger than previously thought. The Advisory Committee and the Board discussed billing scenarios. Ms. Cook asked the Advisory Committee and the Board whether or not they supported further exploration of savings that might be achieved by taxpayers if a stormwater enterprise fund was created. The group discussed the matter and agreed to have the Advisory Committee work with Mr. Ballantine, Ms. McAuliffe and DPW Superintendent Cundiff to analyze data and develop and understanding of all costs to create a stormwater enterprise fund.

e. Review potential articles for Special Town Meeting

Mr. Purple reviewed a list of approximately twelve potential articles for the Fall Special Town Meeting. He stated that Fall Town Meeting would be held on Monday, September 30, 2024, at 7:00 PM at Trottier Middle School, with an additional date of Tuesday, October 1, 2024, should it be necessary.

IV. Adjournment

Mr. Stivers moved to adjourn at 8:10 PM. Mr. Dennington seconded the motion. The motion was unanimously approved by roll call vote: Ms. Landry, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; (4-0-0).

Upcoming Meetings	
July 16, 2024	*August 6, 2024*

TOWN OF SOUTHBOROUGH

OFFICE OF THE TOWN ADMINISTRATOR
TOWN HOUSE · 17 COMMON STREET · SOUTHBOROUGH, MASSACHUSETTS 01772-1662
(508) 485-0710 · FAX (508) 480-0161 · selectboard@southboroughma.com

TO: Select Board
FROM: Mark J. Purple, Town Administrator
DATE: July 8, 2024

SUBJECT: Scholarship Committee Membership

Previously, the Select Board has expressed an interest in reducing the membership of both the Scholarship and Stewardship Committees from 7 members to 5 members. Requests have been submitted by each of the committees seeking this reduction in members. In researching the charges to create these ad-hoc committees, we have found that no formal charge exists for either. The minutes from the respective Board of Selectmen meetings are attached to this memo.

At the December 22, 1987 meeting of the Board of Selectmen, the Board voted to create the Scholarship Advisory Committee to administer a Scholarship Fund for all Southborough residents planning post-secondary undergraduate study as well as those presently in a post-graduate program, but did not assign a specific number of members. Eight members were appointed that evening, and over the years the membership has vacillated from a high of 11 members to a low of 7 members.

At the February 1, 2005 meeting of the Board of Selectmen, the Board voted to create the Stewardship Committee with a membership of 7 members: 4 residents at-large, 1 member of Breakneck Hill Cow Fund, one member of Open Space Preservation Commission (OSPC), one member of Recreation Commission and 1 ex-officio member (Conservation Commission representative).

Essentially, there are no formal charges for the Board to amend with respect to either committee. The Board may simply vote to set the membership levels as requested. However, you may need to adjust the number of at-large members for the Stewardship Committee in order to accommodate the lower number. Please let me know if you have any questions. Thank you.

Appointed By:	SELECTMEN
Date Established:	December 22, 1987
Date Dissolved:	
Hidden:	☐
Charge:	IN 1987 THE TOWN OF SOUTHBOROUGH ESTABLISHED THE SCHOLARSHIP FUND. ALL SOUTHBOROUGH RESIDENTS PLANNING POST-SECONDARY UNDERGRADUATE STUDY, AS WELL AS THOSE PRESENTLY IN A POST SECONDARY UNDERGRADUATE PROGRAM, ARE ELIGIBLE TO APPLY FOR THESE SCHOLARSHIPS. THE SOUTHBOROUGH TOWN SCHOLARSHIP TAKES INTO CONSIDERATION ACADEMICS, FINANCIAL NEED, EXTRACURRICULAR ACTIVITIES, WORK AND VOLUNTEER EXPERIENCES, AS WELL AS WRITTEN EXPRESSION. IN 1999, THE SOUTHBOROUGH YOUTH GYMNASTICS ASSOCIATION (SYGA) ESTABLISHED THE CARROLL HARRIS MEMORIAL SCHOLARSHIP. IT IS GIVEN TO A STUDENT WHO PARTICIPATES IN GYMNASTICS, OR WHO PLANS TO MAJOR IN PHYSICAL EDUCATION, RECREATION OR EDUCATION, OR WHO HAS DEMONSTRATED ACTIVE PARTICIPATION IN A TOWN RECREATION PROGRAM. IN 2011 THE CAPITAL GROUP ACADEMIC SCHOLARSHIPS WERE ESTABLISHED TO BE AWARDED TO TWO TOWN OF SOUTHBOROUGH STUDENTS. THIS SCHOLARSHIP AWARDS STUDENTS WITH THE HIGHEST ACADEMIC STANDING OF ALL APPLICANTS. THIS SCHOLARSHIP USES THE SAME CRITERIA AS THE TOWN SCHOLARSHIP. THE CARROLL HARRIS MEMORIAL SCHOLARSHIP USES THE SAME CRITERIA, BUT THE APPLICANT MUST HAVE PARTICIPATED IN GYMNASTICS, OR PLAN TO MAJOR IN PHYSICAL EDUCATION OR RECREATION, OR HAVE DEMONSTRATED ACTIVE PARTICIPATION IN A TOWN RECREATION PROGRAM.

MINUTES OF MEETING
BOARD OF SELECTMEN

Tuesday, December 22, 1987

6:59 p.m. Meeting convened in the second floor Hearing Room of the Town House.

Present: Chairman Davis O. Cowles, Selectman Lorraine C. Keller, Selectman Thomas W. McAuliffe, Administrative Assistant Janice C. Conlin, Executive Secretary Marjorie R. Putnam. Highway Superintendent John W. Boland was also present.

APPOINTMENTS

Southborough Scholarship Advisory Committee. VOTE: 2 to 1 to create this committee. (Sel. Keller voted against) and VOTED 2 to 1 to appoint the following as members (Sel. Keller voted against):

Janice C. Conlin, Administrative Assistant to the Board of Selectmen
Anne M. Colman, President of S.O.S.
Mary B. Guilford, Southborough Treasurer/Collector
Betty J. Davis, Administrative Secretary to the Board of Assessors
James B. Denman, Southborough Member of the Assabet Valley Regional Vocational School District Committee
Mark Barlow, Jr., Headmaster, St. Mark's School
Kenneth D. Brennan, Southborough School Committee
Dennis M. DiSalvo, Superintendent of Schools

Paul J. Berry, Town Clerk
Town House
Southborough, MA 01772

Dear Mr. Berry:

At the meeting of the Board of Selectmen held on Tuesday, February 1, 2005, it was voted unanimously to create an ad hoc committee to be called "Southborough Stewardship Committee" and appoint the following members, terms to expire June 30, 2005:

- Frederica J. Gillespie, 78 Southville Road - Open Space Preservation Commission representative
- Laurie E. Bourdon, 14 Oregon Road - Breakneck Hill Cow Fund representative
- Timothy W. Kemper, 41 Oak Hill Road – Recreation Commission representative
- Philip E. Bevins, 29 Woodland Road – Conservation Commission representative (ex-officio member)
- Benjamin T. Stevens, 4 Bay Path Lane – citizen-at-large
- James F. Gorss, 53 Woodland Road – citizen-at-large
- David R. Morgan, 71 Breakneck Hill Road – citizen-at-large
- Joyce M. Greenleaf, 4 North Street – citizen-at-large

Very truly yours,

Janice C. Conlin
Town Administrator

JB

BOARD OF SELECTMEN
FEBRUARY 1, 2005
MCAULIFFE MEETING ROOM

Present: Bonnie Phaneuf, Chair, William Christensen, Roger Challen, Janice Conlin, Town Administrator.

The meeting convened at 7:00 p.m.

Southborough Stewardship Committee: The Board voted unanimously to reconsider its vote of January 25 to form an ad hoc committee of three residents at-large, one representative of the Breakneck Hill Cow Assoc., one representative of the Conservation Commission, one representative of the Open Space Preservation Commission and one representative of the Recreation Commission. The Board voted to establish a committee of seven members; four residents at-large, one of the Breakneck Hill Cow Fund, one representative of the Open Space Preservation Commission and one representative of the Recreation Commission. (a conservation member will be ex-officio).

The Board voted to appoint the following members:
Frederica J. Gillespies, 78 Southville Road – Open Space Preservation
Laurie E. Bourdon, 14 Oregon Rd. – Breakneck Hill Cow Fund
Timothy W. Kemper, 41 Oak Hill Rd. – Recreation Commission
Philip E. Bevins, 29 Woodland Rd. – Ex-officio, Conservation Commission
Benjamin T. Stevens, 4 Baypath Lane – citizen-at-large
James G. Gorss, 53 Woodland Road- citizen-at-large
David R. Morgan, 71 Bareakneck Hill Road- citizen-at-large
Joyce M. Greenleaf, 4 North Street- citizen-at-large

Fire Dept. Grants: The Board of Selectmen discussed two grant applications with Fire Chief John D. Mauro, Jr. The Board voted unanimously to approve the Fire Chief applying for $21,000 for firefighting equipment and $2,124.61 for S.A.F. E. Program Grant.

Finance Director: The Board of Selectmen approved a job description for a Finance Director/Treasurer-Collector. This position is proposed beginning July 1, 2005.

BOARD OF SELECTMEN
January 25, 2005
MEETING MINUTES

Present: Bonnie Phaneuf, Chair, William Christensen, Roger Challen, Janice Conlin, Town Administrator.

Zoning Board of Appeals

The Board met with candidates for the Zoning Board of Appeals.

David Eagle: Mr. Eagle discussed with the Board his interest in being appointed to the ZBA.

- Owns Eagle Leasing which has been in town for 2o years
- Town resident for 20 years
- Due to business and residence, he has expertise with ZBA and wears hat as a resident and businessman and possesses an important viewpoint
- Does not feel this role would affect his business; may have to recuse himself from time to time (Mr. DiPietri is a client)
- Believes in spirit of the rules; wants to serve both residents & business owners
- Goal is to offer his services to the Town

Mr. Estella asked Mr. Eagle when he volunteered for the list? About a month ago. What are his affiliations? Was he asked to apply by a ZBA member?

Regina McAuliffe

- Finds it her civic duty to serve
- Had had firsthand experience working on MeetingHouse Farm development
- Feels she is level headed and could contribute well
- She has no business affiliations that would interfere
- She has been a resident for seven years and has attended many ZBA meetings
- She told the Board she disagreed with the ZBA's decision on the Bartolini garage
- Mrs. McAuliffe saw zoning issues in general as an important issue and a challenge

The Board discussed the potential candidates to fill Mr. Falconi's seat. There was a move to appoint Mr. Scott to fill this seat. Mr. Christensen said Mr. Stivers did not have as much experience or time in town. Mr. Challen thought Mr. Stivers had excellent credentials, and supported his appointment as a regular member. Bill and Bonnie voted for Fred. Reconsidered. Voted Mr. Scott unanimously.

Alternate: Move to appoint Mrs. McAuliffe as an alternate member to fill Mr. Scott's term. Not comfortable with Mr. Eagle having to recuse himself so often. This motion passed unanimously. Send letters to all those who applied.

Breakneck Hill Stewardship Committee: Told it could be a sub-committee to the Conservation Commission by other communities. Recommend it be the Southborough Stewardship Committee (ad hoc). Since they have no authority to do anything, its not a problem that they are not made up of members of the Conservation Commission. CC has care & control of all conservation lands. The sub-committee would only be making recommendations to the CC. CC is not permitted to appoint outside their committee, so this must be handles by the Board of Selectmen. Their goal is to be an advisory group. Mr. Christensen felt that only town meeting can appoint permanent standing committees. They will have a long-term mission to develop; they will report to the conservation commission; the Selectmen will make the formal appointments. Mr. Christensen said the reps did not have to be members of the board which designates them (CC, OS, Break, Rec, 3 at large). The Board suggests the committee may want to make a recommendation for a permanent stewardship committee. Vote to accept their goals/mission and formation of committee, approved unanimously. Mrs. Bourdon noted that on January 31st a meeting with Conservation will be held at 7 pm at the Fire Station to provide information to those interested in serving on this committee.

FY06 Budgets

Fire: Chief Mauro explained the remaining balance at the end of FY04: fire contract had expired, ambulance recall paid off a certain call-back "fee." The new contract did not include this pay. Box alarms budgeted at 65 alarms. The estimate came in below due to the numbers of people responding to call-backs. A similar exercise was projected for "hold-overs" when an employee is held over when his shift ends due to a need for staffing or an emergency call.

Bill: if funds were returned, why is OT higher in FY06? 3 FF have not been to the academy, so OT will be utilized when they do go to cover those person's shifts. Bill: budget for one academy, and then go to Advisory for any additional that can get a slot. (27K for two) Chief agrees to budget for one employee. Mr. Challen would like to see the actuals year to date. Chief Mauro will give him an estimate. Ambulance billing: 12K for billing; percentage of return is 88.11% over last 2.5 years. [2004: 503 bills. 4.5% of amount collected.] If they don't collect, they will not be paid. The contract with COMSTAR is expired. Northborough is the same as Southborough. Will the Chief have a recommendation for ambulance rates? The Chief also discussed his proposed warrant articles. His priorities are: vehicle exhaust system (grant app is being held up because Station 2 is a historic building; if we fund it we would have to return the grant);

Radio system upgrade to improve communication and enhance central dispatch [state grant may be issued for 21K]; pick-up truck (will be pulled if the fire prevention officer can use the police cruiser which is being turned in); sleeping area which has original beds and lockers will be upgraded.

Buildings & Grounds:

- Reduced grounds maintenance contracted services by 30K
- Added other some funding to handle some of this in-house
- ADA plan: reduce by 3,200? For tiles at 9-11
- ADA: ramp at Cordaville: $7,200 to allow access from function area
- These items bring the pending items up to date from the 1999 plan
- Town house items: can they be paid from the town house maintenance funds?
- Reduce TH maintenance fund by ada cost?
- Preventive Maintenance: staff is reacting to problems, not preventing.
- Justified need for tractor and personnel to do the work (tractor, one seasonal worker). Savings exceed $80,000 annually? Would reduce grounds contract dramatically
- Electrician: HVAC, building needs, fire alarm systems-savings of $58,000 [to be combined with the school dept.] What budgets could be reduced if funded?
- Mrs. Conlin suggested a contracted service (former teacher from Assabet who has worked with city of Marlborough)
- Capital items: 1. tractor 2. van Mr. Kacevich stated that Rec. Facilities is not in agreement with this priority list.

Recreation:

Ms. Garcia discussed the need for increasing the after school program coordinator. She pointed out the costs to fund this employee and the cost recovery she used to justify this. She further discussed the request for more programs in the special education area. This would cost approximately $8,000 and it would follow that the school budget should be reduced by the same amount. Is Recreation being charged 100% of the building's maintenance? Does this belong in Buildings & Grounds? This position should be presented to the Personnel Board. FY05: projections have been met. Issue is that Paula needs to work additional hours due to explosion of programs, yet these additional hours cannot be paid by the revolving account [this is capped at 19 hours/week].

Chesnut Hill property: Meme Luttrell would like to participate in these negotiations, as a representative of Open Space. Attorney Cipriano feels it is an executive responsibility to be handled via the Board of Selectmen. Mrs. Luttrell had discomfort with the OSPC having no part in the negotiations until after a price and an agreement had been agreed upon. The Board assured her Open Space would not be left out of the loop and would be included at the appropriate time. She spoke of her concerns, like public access. She was asked to provide a list of issues she would like addressed by Mr. Christensen during the next meeting with the Beals' family. Mr. Christensen will encourage them to come forth and present as much information as possible in public. Can we give the conservation restrictions to OSPC without the price? They are welcome to have their own meeting with the family and SVT.

Finance Director: The Board reviewed the final job description proposed for adoption at Town Meeting.

Mail Received

Donations

- The Board received donations amounting to $411.05 allocated to the Fire Dept.
- The Board accepted a $500 donation from Colonial Landscaping to be allocated to the 9-11 Field

2005 Warrant: The Board received a letter from the Planning Board in respect to the arrangement of warrant articles.

TOTAL	**$1,308,379.23**		

Article 36

To see if the Town will vote to add a new **§174-10.3** to the Town of Southborough's Zoning Bylaws, amend the zoning map to include the MBTA Communities Overlay District (MCOD) as shown on the maps prepared by Bohler Engineering in March 2024 as further depicted in the handout, amend certain other sections to integrate the new section into the current zoning bylaw, and make any minor modifications to the text required for consistency with the existing format of the bylaws or do or act anything in relation thereto.

New language shown in **bold**, deleted language shown with ~~strikethrough~~ with the exception of the new §174-10.3.

Add the following definitions to §174-2. Definitions:

B. Definitions

AFFORDABLE UNIT
A multi-family housing unit that is subject to a restriction recorded in its chain of title limiting the sale price or rent or limiting occupancy to an individual or household of a specified income, or both.

AFFORDABLE HOUSING
Housing that contains Affordable Units as defined by §174-2.

AREA MEDIAN INCOME (AMI)
The median family income for the metropolitan statistical region that includes the Town of Southborough, as defined by the U.S. Department of Housing and Urban Development (HUD).

DWELLING, MULTIFAMILY *WITHIN THE* MCOD
A building with three or more residential dwelling units or two or more buildings on the same lot with more than one residential dwelling unit in each building.

Modify the following existing definitions in §174-2. Definitions:

B. Definitions

DWELLING UNIT
~~Living quarters for a single family.~~
A single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking, and sanitation.

Add the following text to: §174-3. Districts enumerated:

N. MBTA Communities Overlay District, referred to as MCOD.

Add the following text to Article III. Use Regulations:

§174-8.13 MCOD MBTA Communities Overlay District

A. See §174-10.3

Add the following text to §174-10.A:

(6) All multi-family development within the MCOD (§174-10.3). The provisions of §174-11 Signs, §174-12 Parking and Loading, §174-12.1 Outdoor Illumination, §174-13 Landscaping, §174-13.3 Lower Impact Development, §174-13.4 Water Resource Protection, and §154 Stormwater and Erosion Control shall be included as a part of the MCOD site plan review process.

Add the following text to §174-12.1. Outdoor Illumination:

E. (2) LZ-1 : low ambient lighting
(b) Zoning Districts: Residence A, Residence B, **and MCOD.**

F. Table 1 – under the column LZ-1, add "**MCOD**" below Residential B.

Add the following new section under Article III. Use Regulations:

§174-10.3: MBTA Communities Overlay District.

A. Purpose.

The purpose of the MBTA Communities Overlay District (MCOD) is to allow multi-family housing as of right in accordance with Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A). This zoning provides for as of right multi-family housing to accomplish the following purposes:

(1) Encourage the production of a variety of housing sizes and typologies to provide equal access to new housing throughout the community for people with a variety of needs and income levels;

(2) Support vibrant neighborhoods by encouraging an appropriate mix and intensity of uses to support an active public space that provides equal access to housing, jobs, gathering spaces, recreational opportunities, goods, and services within a half-mile of a transit station.

(3) Locate housing within walking distance of public transit to promote general public health, reduce the number of vehicular miles traveled, support economic development, and meet community-based environmental goals, including reducing greenhouse gases and improving air quality.

(4) Support public investment in public transit and pedestrian- and bike-friendly infrastructure.

B. Establishment and Applicability.

This MCOD is an overlay district having a land area of approximately 53.9 acres in size that is superimposed over the underlying zoning district(s) and is shown on the Zoning Map.

(1) **Applicability of MCOD.** An applicant may develop multi-family housing, a building with three or more residential dwelling units or two or more buildings on the same lot with more than one residential dwelling unit in each building, located within an MCOD in accordance with the provisions of this §174-10.3. The MCOD shall be exempt from §174-8.C.(2) a special permit for 2 buildings on one lot

(2) **Underlying Zoning.** The MCOD is an overlay district superimposed on underlying zoning districts. The regulations for use, dimensions, and all other provisions of the Town of Southborough's Zoning Bylaw governing the respective underlying zoning district(s) shall remain in full force, except for uses allowed as of right in the MCOD. Uses that are not identified in §174-10.3 are governed by the requirements of the underlying zoning district(s).

(a) The requirements of §174-13.2 Major residential development do not apply to the MCOD.

(b) The requirements of §174-13.3.E, Lower Impact Development special permit application and process shall not apply to a multifamily use within the MCOD, but the performance standards of §174-13.3.I, Lower Impact Development, Performance Standards: LID Criteria, may be considered during site plan review.

(c) The requirements of §174-13.4.C, Water Resource Protection special permit process shall not apply to a multifamily use within the MCOD, but compliance with the Massachusetts Surface Water Quality Standards (314 CMR 4.00) may be considered during site plan review.

(d) The requirements of §174-11. Signs also apply.

(e) The requirements of §174-12.1. Outdoor Illumination also apply.

(3) **Subdistricts:** The MCOD contains the following subdistricts, all of which are shown on the Zoning Map:

(a) MCOD Subdistrict #1 (Residence B Dimensional Standards)

(b) MCOD Subdistrict #2 (Industrial Park Dimensional Standards)

(c) MCOD Subdistrict #3 (Industrial Park Dimensional Standards)

For subdistrict dimensional standards, see §174-10.3.E.(1) Table of Dimensional Standards.

C. Definitions.

Terms used in this section but not otherwise defined herein or under §174-2 of the Zoning Bylaw shall be as defined in the Zoning Act.

D. Permitted Uses.

(1) **Permitted Uses are as follows:** The following uses are permitted as of right within the MCOD.

(a) Multi-family housing, as referenced in §174-10.3.B. (1)

(2) **Accessory Uses.** The following uses are considered accessory as of right to any of the permitted uses in Section D.1. above.

(a) Parking, including surface parking and parking within a structure such as an above ground or underground parking garage or other building on the same lot as the principal use.

(3) **Prohibited uses.** All uses which are not listed above, legally nonconforming, or otherwise allowable by the provisions of the underlying zoning regulations, are prohibited.

E. Dimensional standards are as follows:

(1) **Table of Dimensional Standards.** The dimensional requirements applicable in the MCOD are as follows:

Dimensional Standards	*MCOD Subdistrict #1* (Residence B Dimensional Standards)	*MCOD Subdistricts #2 & #3* (Industrial Park Dimensional Standards)	
(a) Minimum lot area	**25,000**	**43,560**	
(b) Minimum frontage	**125**	**200**	
(c) Minimum setbacks			
(i) Front	**30**	**Subdistrict #2 75***	**Subdistrict #3 50***
(ii) Rear	**35**	**50**	
(iii) Side	**15**	**50**	
(d) Maximum height	**2.5 stories or 35 feet**	**3 stories or 45 feet**	
(e) Maximum floor area ratio	**0.3**	**0.6**	
(f) Maximum dwelling units per acre	**15.0**	**15.0**	

***A 75-foot setback is required for buildings on Route 9.**

(2) **Multi-Building Lots.** In the MCOD, lots may have more than one principal building. A minimum distance of ten (10) feet is required between principal

buildings.

(3) **Exceptions:** (refer to §174-15).

(4) **Exceptions: Renewable Energy Installations.** The Planning Board may waive the height and setbacks in §174-10.3.E.(1) Dimensional Standards to accommodate the installation of solar photovoltaic, solar thermal, living, and other eco-roofs, energy storage, and air-source heat pump equipment. Such installations shall not create a significant detriment to abutters in terms of noise or shadow and must be appropriately integrated into the architecture of the building, as applicable, and the layout of the site. The installations shall not provide additional habitable space within the development.

F. Off-Street Parking.

These parking requirements are applicable to development in the MCOD.

(1) **Number of parking spaces.** The following **minimum** numbers of off-street parking spaces shall be permitted by use, either in surface parking or within garages or other structures:

Use	Minimum Spaces
Multi-family	**1.5 per unit**

(2) **Number of bicycle parking spaces.** The following **minimum** numbers of covered bicycle storage spaces shall be provided by use:

Use	Minimum Spaces
Multi-family	**1 per unit**

(3) **Bicycle storage.** For a multi-family development of 15 units or more, covered parking bicycle parking spaces of no less than 25% of the total required spaces shall be integrated into the structure of the building(s).

G. General Development Standards.

(1) Development standards are applicable to all multi-family development within the MCOD. These standards are components of the Site Plan Review process in §174-10.3.I. Site Plan Review.

(2) **Site Design**.

(a) **Connections.** Sidewalks shall provide a direct connection among building entrances, the public sidewalk (if applicable), bicycle storage, and parking.

(b) **Vehicular access.** Where feasible, curb cuts shall be minimized, and shared driveways encouraged.

(c) **Mechanicals.** Mechanical equipment at ground level shall be screened by a combination of fencing and plantings. Rooftop mechanical equipment shall be screened if visible from a public right-of-way.

(d) **Dumpsters.** Dumpsters shall be screened by a combination of fencing and plantings. Where possible, trash and recycling collection points shall be located within the building.

(e) **Stormwater management.** Stormwater Management shall comply with the most current versions of the Massachusetts Department of Environmental Protection Stormwater Management Standards, the Massachusetts Stormwater Handbook, Massachusetts Erosion Sediment and Control Guidelines, and, the provisions under Town Code §154, Stormwater and Erosion Control. Provisions under Stormwater and Erosion Control shall be included as part of the Site Plan Review process but shall not supersede the requirements of §154.

(f) The following provisions shall be reviewed under site plan approval process:
   (1) Screening for Parking (refer to §174-13. Landscaping).
   (2) Parking and Loading (refer to §174-12. Parking and Loading, provided the required number of spaces shall be reduced as provided in F, above).
   (3) Landscape and Plantings (refer to §174-13. Landscaping).
   (4) Lighting (refer to §174-12.1. Outdoor illumination).
   (5) Signs (refer to §174-11. Signs).
   (6) Lower Impact Development (refer to §174-13.3. Lower Impact Development, provided section E shall not apply).
   (7) Water Resource Protections (refer to §174-13.4. Water Resource Protection, provided section C shall not apply).
   (8) Stormwater and Erosion Control (refer to §154. Stormwater and Erosion Control of the Town of Southborough Bylaws).

(3) **Buildings: General.**

(a) **Position relative to the principal street.** The primary building shall have its principal façade and entrance facing the principal street. See also §174-10.3.G.6. Buildings: Corner Lots.

(b) **Entries.** Where feasible, entries shall be clearly defined and linked to a paved pedestrian network that includes the public sidewalk.

(c) **Exterior Design.** The building(s) shall have an exterior design that is consistent with the styles of the surrounding residential neighborhood and the Town of Southborough in general.

(4) **Buildings: Multiple buildings on a lot.**

(a) Parking and circulation on the site shall be organized so as to reduce the amount of impervious surface. Where possible, parking and loading areas shall be connected to minimize curb cuts onto public rights-of-way.

(b) A paved pedestrian network shall connect parking to the entries to all buildings and the buildings to each other.

(c) The orientation of multiple buildings on a lot should reinforce the relationships among the buildings. All building façade(s) shall be treated with the same care and attention in terms of entries, fenestration, and materials.

(d) The building(s) adjacent to the public street shall have a pedestrian entry facing the public street.

(5) **Buildings: Shared Outdoor Space.** Multi-family housing shall have common outdoor space that all residents can access. Such space may be located in any combination of ground floor, courtyard, rooftop, or terrace.

(6) **Buildings: Corner Lots.** A building on a corner lot shall indicate a primary entrance either along one of the street-facing façades or on the primary corner as an entrance serving both streets.

(a) Such entries shall be connected by a paved surface to the public sidewalk, if applicable.

(b) All façades visible from a public right-of-way shall be treated with similar care and attention in terms of entries, fenestration, and materials.

(c) Fire exits serving more than one story shall not be located on either of the street-facing façades.

(7) **Buildings: Infill Lots.** If the adjacent buildings are set back at a distance that exceeds the minimum front yard requirements, infill buildings shall meet the requirements of §174-10.3.E.(1) Dimensional Standards. Otherwise, infill buildings may match the setback line of either adjacent building, or an average of the setback of the two buildings to provide consistency along the street.

(8) **Buildings: Principal Façade and Parking.** Parking shall be subordinate in design and location to the principal building façade.

(a) **Surface parking.** Surface parking shall be located to the rear or side of the principal building. Parking shall not be located in the setback between the building and any lot line adjacent to the public right-of-way.

(b) **Integrated garages.** The principal pedestrian entry into the building shall be more prominent in design and placement than the vehicular entry into the garage.

(c) **Parking structures.** Building(s) dedicated to structured parking on the same lot as one or more multi-family buildings shall be subordinate in design and

placement to the multi-family building(s) on the lot.

(9) **Waivers.** Upon the request of the Applicant and subject to compliance with the Executive Office of Housing and Livable Communities' (EOHLC's) Compliance Guidelines, the Planning Board may waive the requirements of this §174-10.3.G. General Development Standards, in the interests of design flexibility and overall project quality, and upon a finding of consistency of such variation with the overall purpose and objectives of the MCOD.

H. Affordability Requirements.

(1) **Purpose**.

(a) Promote the public health, safety, and welfare by encouraging a diversity of housing opportunities for people of different income levels;

(b) Provide for a full range of housing choices for households of all incomes, ages, and sizes;

(c) Increase the production of affordable housing units to meet existing and anticipated housing needs; and

(d) Work to overcome economic segregation, allowing the Town of Southborough to be a community of opportunity in which low and moderate-income households have the opportunity to advance economically.

(2) **Applicability.** This requirement is applicable to all residential developments with ten (10) or more dwelling units, whether new construction, substantial rehabilitation, expansion, reconstruction, or residential conversion (Applicable Projects). No project may be divided or phased to avoid the requirements of this section.

(3) **Subsidized Housing Inventory**. All units affordable to households earning 80% or less of AMI created in the MCOD under this section must be eligible for listing on EOHLC's Subsidized Housing Inventory (SHI).

(4) **Provision of Affordable Housing.** In Applicable Projects, not fewer than ten percent (10%) of housing units constructed shall be Affordable Housing Units. For the purpose of calculating the number of units of Affordable Housing required within a development project, a fractional unit shall be rounded up to the next whole number. The Affordable Units shall be available to households earning income up to eighty percent (80%) of the AMI.

(5) **Alternative Methods.**

(a) As an alternative to the requirements of paragraph (3) of this section, and in certain exceptional circumstances, the Planning Board may, at the formal written request of the developer, consider an alternative method of compliance, as provided for in §174-13.2.E.(5).

(6) **Affordability Development Standards.** Affordable Units shall be:

(a) Integrated with the rest of the development and shall be compatible in design, appearance, construction, and quality of exterior and interior materials with the other units and/or lots;

(b) Dispersed throughout the development;

(c) Located such that the units have equal access to shared amenities, including light and air, and utilities (including any bicycle storage and/or Electric Vehicle charging stations) within the development;

(d) Located such that the units have equal avoidance of any potential nuisances as market-rate units within the development;

(e) Distributed proportionately among unit sizes; and

(f) Distributed proportionately across each phase of a phased development.

(g) Occupancy permits may be issued for market-rate units prior to the end of construction of the entire development provided that occupancy permits for Affordable Units are issued simultaneously on a pro rata basis.

(7) **Administration.**

(a) The Zoning Enforcement Officer shall be responsible for administering and enforcing the requirements in this section.

I. Site Plan Review.

(1) **Applicability.** The requirements of §174.10 Site Plan Approval are applicable to any multi-family development within the MCOD, unless modified herein. An application for Site Plan Review shall be reviewed by the Planning Board for consistency with the purpose and intent of this §174-10.3.

(2) **Site Plan Approval.** Site Plan approval for uses listed in §174-10.3(D) Permitted Uses shall be granted upon determination by the Planning Board that the following requirements have been satisfied. The Planning Board may impose reasonable conditions, at the expense of the applicant, to ensure that these requirements are satisfied.

(a) the Applicant has submitted the required fees and information as set forth in the Town of Southborough's requirements for a Building Permit and Site Plan Review; and

(b) the project as described in the application meets the development standards set forth in §174-10.3.G General Development Standards and the requirements of §174-10.3.D.(1) and §174-10 or has received waiver(s) from the requirements therein.

(3) **Project Phasing.** An Applicant may propose, in a Site Plan Review submission, that a

project be developed in phases subject to the approval of the Planning Board, provided that the submission shows the full buildout of the project and all associated impacts as of the completion of the final phase. However, no project may be phased solely to avoid the provisions of §174-10.3.H Affordability Requirements.

J. Severability.

If any provision of this §174-10.3 is found to be invalid by a court of competent jurisdiction, the remainder of §174-10.3 shall not be affected but shall remain in full force. The invalidity of any provision of this §174-10.3 shall not affect the validity of the remainder of the Town of Southborough's Zoning Bylaw.

INTEROFFICE MEMORANDUM

To: Select Board
From: William J. Cundiff, P.E. , DPW Superintendent
Date: 07/08/2024
RE: CMRSWC Intermunicipal Agreement

The enclosed amendment to the original Regional Inter-Municipal Agreement simply conveys operational lead responsibility from the Town of Spencer to the Town of Shrewsbury. It is my understanding that this is a result of a retirement in Spencer. Accordingly, other aspects of the Regional Inter-Municipal Agreement remain unchanged.

AMENDMENT NO. 1

TO THE

INTERMUNICIPAL AGREEMENT FOR PARTICIPATION IN THE CENTRAL MASSACHUSETTS REGIONAL STORMWATER COALITION

This Amendment No. 1 is entered into this _____day of _____,

2024, by and among the Town of Spencer, a Massachusetts municipal corporation acting by and through its Board of Selectmen ("Spencer"), the Town of Shrewsbury, a Massachusetts municipal corporation acting by and through its Select Board, and the Town of Southborough, a Massachusetts municipal corporation acting by and through its Select Board and amends that certain agreement entitled Intermunicipal Agreement for Participation in the Central Massachusetts Regional Stormwater Coalition (the "Agreement").

RECITALS

WHEREAS:

1. Spencer and the Town of Southborough entered into the Agreement pursuant to the provisions of M.G.L. c. 40, section 4A and the Agreement has a current term of July 1, 2020 to July 1, 2025.
2. The Agreement provides that Spencer shall be the "lead community" for the Central Massachusetts Regional Stormwater Coalition ("CMRSWC"), a regional, efficiency-driven stormwater compliance project involving multiple member towns as described therein, whereby Spencer would provide certain services, including the collection funds from member communities of the CMRSWC and the management and expenditure of said funds as authorized by the CMR WC Steering Committee.
3. Shrewsbury is a member of the CMRSWC.
4. Paragraph 1 of the Agreement provides that if Spencer is no longer able to serve as the lead community, the CMRSWC Steering Committee shall identify another member community to serve as the fiscal lead.
5. Spencer seeks to have Shrewsbury replace Spencer as the lead community and Shrewsbury is willing to replace Spencer as the lead community as set forth in the Agreement, such that Shrewsbury will provide the services currently provided by Spencer for the remainder of the term of the Agreement.

NOW THEREFORE, the parties hereto agree that:

1. The Agreement is modified by replacing the Town of Spencer with the Town of Shrewsbury to serve as the role of lead community and assume the duties thereof.

2. All funds collected and held by the Town of Spencer pursuant to the terms of the Agreement shall be transferred to the Town of Shrewsbury and managed in accordance with the terms of the Agreement.
3. All other terms of the Agreement not amended hereby remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to set their hands and seals on the date below written.

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, July 16, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Sam Stivers Marguerite Landry and Al Hamilton. Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Chair Kathy Cook called the meeting to order at 6:30 PM.

II. Public Comment

Ms. Marnie Hoolahan, 26 Clifford Road, stated she is not satisfied with Town Counsel's response to her Open Meeting Law complaint and informed the Board she would pursue the matter with the Office of the Attorney General.

III. Scheduled Appointments *(Board may vote)*

a. Recognition of Service of Donna McDaniel

Ms. Cook recognized the passing of Donna McDaniel, a long-time Southborough resident, public servant and the first female member of the Board. She offered her condolences to her family on behalf of the Board. Assistant Town Administrator Vanessa Hale noted other contribution Ms. McDaniel had made to the Town and shared that she had taken oral histories of various Southborough residents to preserve for future generations.

b. Brian Ballantine & Ryan Donovan – Aetna senior plan update and survey results

Mr. Brian Ballantine and Mr. Ryan Donovan appeared before the Board on the matter. Also in attendance were Mr. William Short and Mr. Ken Lombardi, both from NFP. Mr. Ballantine stated that there was a 30% response rate from the 180 retirees who received the survey. He noted that approximately 79% of the respondents gave the plan a rating of 8 or 9 and stated there were concerns in the following areas: 1) requests to sign up for the Silver Sneakers program; 2) concerns regarding only one plan to choose from; 3) confusion surrounding the prescription drug process; and 4) delays for services. Mr. Ballantine stated that the Retiree First program has assisted with concerns #3 and #4 and noted the new plan has saved the Town approximately $90,000. Mr. Donovan stated he has been pleasantly surprised with the success of the new plan and he thanked Mr. Ballantine and Ms. Emily Boutin, for their support of the program through the transition. Mr. Ballantine stated the Silver Sneakers program would be discussed as a potential future plan offering. Mr. Short emphasized the Retiree First program as an important tool for retirees to utilize in navigating health care services available through the plan. Mr. Lombardi also mentioned that there will be some upcoming changes to Medicare reimbursements that will negatively impact the industry but he believes the plan increase to retirees can be kept to 3%. Mr. Donovan stated that he would recommend continuing with the Aetna plan and also continue the effort to evaluate the plan. The Board had no questions.

c. Cable Committee – Recommendation to approve Verizon Renewal License

Barry Rubenstein appeared before the Board, via ZOOM, on the matter. Mr. Rubenstein, chair of the Cable Television Committee, called the meeting of the Cable Television Committee to order at 6:51 PM. Members present: Barry Rubenstein, William Warren and Sam Stivers. Also attending, via

ZOOM, was Atty. William Solomon, representing the Town in the matter. Mr. Rubenstein stated that the draft before the Board this evening is largely the same document reviewed at the public hearing held six weeks ago with one exception: Verizon agreed to increase the capital payments to SAM by $3,500 to cover the cost of three encoders. He stated that the Cable Television Committee feels this agreement is more substantive for the Town, given the drop in number of subscribers, and informed the Board that the Cable Television Committee had voted unanimously to approve the renewal license agreement. Ms. Cook asked who is paying the legal fees of Atty. Solomon to negotiate the new license agreement. Mr. Rubenstein stated he engaged the Southborough Access Media (SAM) board on this subject and he was informed that the SAM board had unanimously voted to not contribute anything towards legal fees (i.e. the Town would pay 100%). Ms. Cook stated that the Board feels strongly that SAM should pay for legal fees out of the profits it receives, noting the Town receives no revenue from the license agreement. Mr. Rubenstein agreed to continue the conversation about legal fees with the SAM board. Mr. Stivers moved that the Select Board, as cable television license issuing authority, vote as follows: to grant a cable television renewal license with an effective date of November 26, 2024, to Verizon New England. All terms and conditions contained in the renewal license having been signed by Verizon and Verizon, by and through its representative, will execute the renewal license as set out in the signature page of the license, as signed by the Board consistent herewith and the agreement in the packet. Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0). Mr. Stivers moved to adjourn the Cable Television Committee meeting at 6:59 PM. Mr. Warren seconded the motion. The motion was approved.

d. Trails Committee – ARPA funding request

Ms. Kathryn McKee, chair of the Trails Committee, appeared before the Board on the matter. Ms. McKee stated that she is appearing tonight to make specific funding requests of ARPA monies, as detailed in the memo accompanying the request, that have already been approved by the Board. The Board discussed allocating the remainder of ARPA funds designated for the Trails Committee in order to expedite contract approvals prior to December 31, 2024. Ms. McKee noted that the Trails Committee has obtained a $50,000 Massachusetts Trails Grant and is in the process of fulfilling the grant requirements. Mr. Dennington asked what the CPA monies would be used for. Ms. McKee stated that the CPA funds would be used as part of the engineering services for the boardwalk, bridge and project manager services. Ms. McKee asked what legal documentation the Town would need for the crosswalk agreement. Ms. Cook stated the Board would engage Town Counsel on the matter. The Board agreed to have Ms. McKee draft a list of requests to be included in any agreement and forward to it Mr. Purple, Ms. Cook and Mr. Dennington to begin the process. Ms. Cook moved that the Board formally approve the expenditure of the following ARPA funds that were previously allocated: $12,500 for Southborough trail enhancements; $144,547 for the Peninsula Trail and $15,000 for the crosswalk. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

e. Public Hearing; FY25 Water Dept. Regulations

DPW Superintendent Cundiff appeared before the Board on the matter. Ms. Cook stated that Superintendent Cundiff is in the process of reviewing all Water Department Regulations but, tonight, he will ask the Board to address only one regulation. She noted that this matter has been posted for public review. Superintendent Cundiff stated that, presently, the Town is responsible for water pipes up to the shut off valve, which obligates the Town to make repairs on private property. He stated that since his arrival, he has worked with Town Counsel to create an agreement that protects the Town on private property. He also stated that other communities do not perform repairs on private property and this regulation revision is meant to make the Town consistent with other communities. He stated that in the last year, the DPW has repaired leaks on four properties at a cost of approximately $14,000. Superintendent Cundiff proposed the following language to the Water Department Regulations: “All water service pipes located between the water main and the curb stop

shall be maintained by the Water Department. Water services located between the curb stop and the water meter shall be maintained by the customer/owner. Water Service leaks between the curb stop and the meter may result in water shut-off until the leak is repaired." The Board discussed the proposed revision and how the Town detects leaks. Mr. Stivers offered avenues for residents experiencing financial hardships to pay for leaks. He asked that the DPW maintain a list of both financial hardship and contracting resources for residents. Mr. Kevin Miller, Chair of the Historical Commission, pointed out that historical documents state that in 1930, water service from the main pipe to the property line was the responsibility of the Town and from the property line and beyond was the responsibility of the property owner. Mr. Stivers moved to approve the revision to the Water Regulations, as described by Superintendent Cundiff. Mr. Hamilton seconded the motion. The motion was approved (5-0-0).

Ms. Cook reported that the Board would not discuss the proposed changes to the FY2025 Transfer Station Rules and Regulations, due to noticing.

IV. Reports

a. Chair's Report

i. Firefighter graduation

On behalf of the Board, Ms. Cook welcomed Firefighter Tiffany Martinez to the Southborough Fire Department and congratulated her on her recent graduation.

ii. Civil Engineer vacancy

Ms. Cook stated Ms. Hale continues to pursue filling the Civil Engineer position approved by the Town on July 1, 2024.

iii. Board & Committee vacancies

Ms. Cook stated that she would highlight boards and committees that have open positions. She discussed the following vacancies: The Tricentennial Committee has 2 vacancies, one of which is a position for a veteran; the Personnel Board has one vacancy; and the Economic Development Committee (EDC) has two vacancies.

b. Members' Reports

i. Update on OneStop application for Route 9 zoning

Mr. Dennington reported that he would appear at the Planning Board's meeting on July 22, 2024, to discuss the OneStop grant direction and obtain feedback.

c. Town Administrator's Report

There was no Town Administrator's Report.

V. Consent Agenda

a. Approve Open Session Meeting Minutes: June 6, 2024; June 10, 2024; June 18, 2024; June 28, 2024

Mr. Stivers requested to hold Consent Agenda item "a." **June 10, 2024:** Mr. Stivers requested the minutes reflect that Ms. Landry was absent. **June 18, 2024:** Mr. Stivers and Ms. Cook had scrivener's changes to the minutes. **June 28, 2024:** Mr. Stivers had scrivener's changes to the minutes. Ms. Cook moved to approve the minutes for June 6, 2024, as written, and June 10, 2024, June 18, 2024 and June 28, 2024, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Approve DPW reclassification for Stephen Aspesi

c. Approve response OML complaint from Marnie Hoolahan

d. Approve Library donation from C/W MARS

e. Approve Recreation Department donations

i. $100 from Eloise Nickerson

ii. $3500 for Summer Nights from St. Mark's School ($1,500), Fay School ($250) St. Mary's Credit Union ($250), Middlesex Savings Bank ($1,500)

f. Appoint Sara Warden as the Open Space Preservation Commission representative to the Community Preservation Committee, term to expire 6/30/2025

Mr. Hamilton requested to hold Consent Agenda item "f." Mr. Hamilton stated that when the Board appoints members to committees with substantial authority, it behooves the Board to understand the views of the appointees relative to the goals of the Board. He asked that this matter be held until the Board can interview Ms. Warden. The Board discussed the matter. Mr. Hamilton moved to appoint Sara Warden as the Open Space Preservation Commission representative to the Community Preservation Committee, term to expire 6/30/2025. Mr. Dennington seconded the motion. The motion was approved (4-0-1). Mr. Hamilton abstained.

Ms. Kristin LaVault, 12 Southwood Drive, asked Mr. Hamilton to clarify his position that if other committees vote to seat a member on a committee, as happened this evening, (e.g. Open Space to the CPC), can the Board decide to not appoint those members. Mr. Hamilton stated that it is important to appoint people who advance the policy direction of the Board, as the residents elect the Board. Ms. LaVault asked that the Board hold an open forum at a future meeting concerning Select Board members' opinions regarding appointing members to committees.

g. Committee Reappointments (30-day swearing-in period expired)

i. Golf Course Committee; terms to expire 6/30/2025
   1. Jennifer Selig
   2. Tony Schoener

ii. Southborough Scholarship Committee; terms to expire 6/30/2027
   1. Maria Romero Vagnini
   2. Christine Pearson
   3. Stephanie Butler

iii. 21 Highland Future Use Committee; terms to expire 6/30/2025
   3. Johanna Sheyner
   4. Albena Phillipo

iv. Orla Daly – MTC; term to expire 6/30/2027

v. Thomas Marcoulier – Trails Committee; term to expire 6/30/2026

vi. Johanna Sheyner – Recreation Commission; term to expire 6/30/2027

vii. Tony Schoener – PILOT Committee; term to expire 6/30/2025

Ms. Cook moved to approved Consent Agenda items "b", "c", "d", "e" and "g." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VI. Other Matters *(Board may vote)*

a. Consideration of AHTFC-SHOPC Consolidation Working Group Charge

Mr. Dennington read the following draft charge for the AHTFC-SHOPC Consolidation Working Group: "The Affordable Housing Consolidation Working Group ("Working Group") shall consist of two members of the Affordable Housing Trust Fund Committee ("AHTFC") selected by the AHTFC, two members of the Southborough Housing Opportunity Partnership Committee) "SHOPC") selected by SHOPC, and one at-large member selected by the Select Board. The Working Group's charge shall be a creation of a draft article for the special town meeting to be held on September 30, 2024 consolidating AHTFC and SHOPC into one committee that merges the responsibilities of these two committees. The charge of this Working Group shall expire on October 31, 2024." Mr. Dennington moved to approve the draft charge of the Affordable Housing Consolidation Working Group, as read and also attached to the minutes. Mr. Stivers seconded the motion. Ms. Landry clarified that the entire Select Board would not become members of the Working Group and Mr. Dennington stated that was correct. The motion was unanimously approved (5-0-0). Ms. Cook moved to appoint Ms.

Lisa Braccio as the at-large member of the Working Group. Mr. Stivers seconded the motion. The motion was approved (4-1-0). Mr. Hamilton voted no. Mr. Hamilton stated that the AHTFC would appoint Mr. Hamilton and Mr. Dennington to the Working Group at its meeting on Friday. He stated that the two members from SHOPC would be Paul Desmond and Doug Manz.

b. Consideration of revised charges for Stewardship and Scholarship Committees

Ms. Cook stated that revised Stewardship Committee charge would be discussed once the Stewardship Committee has reviewed and offered comment. Mr. Stivers moved to approve the charge for the Scholarship Committee included in tonight's packet. Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0).

c. Review of draft warrant for September 30, 2024 Special Town Meeting

The Board discussed the draft warrant for the September 30, 2024 Special Town Meeting. The Board also discussed the ordering of the articles. The Board agreed to leave the draft warrant in its present form and review at its August 6th meeting. Mr. Purple agreed to ask Town Moderator Cimino if he intends to create a Consent Agenda for the Special Town Meeting and report back to the Board. Ms. LaVault suggested the Board consider surveying the Town to obtain public feedback on the ordering of warrant articles.

d. Status report on regional dispatch

Mr. Hamilton stated that there would be meetings by the end of July with area communities to see if there is enough interest in creating a virtual Regional Emergency Communications Center (RECC) to approach the State with the concept. He stated that, if there is not, Mr. Hamilton recommends the Board make a decision on a direction at its August 6th meeting. He suggested that, once a decision is made, the Board should engage the public to share information through a variety of methods (public forum, Town website, Southborough Access Media, etc.). Mr. Hamilton shared that he believes the greatest advantages to the Town would be an increase in public safety and a savings on capital costs. The Board discussed the decision regarding regional dispatch.

VII. Public Comment

Mr. Jim Hegarty, Town Clerk, stated that vote by mail announcements would be sent out next week. He stated there might be issues for residents that chose to have all ballots sent to one location and travel between residences, including students. He directed anyone experiencing any issues to reach out to the Town Clerk's office, as there is a simple process to rectify the matter. He noted that the Post Office couldn't forward ballots. Finally, he also stated that if a resident does not support vote by mail, comments should be directed to the Secretary of State's office.

VIII. Adjournment

Mr. Dennington moved to adjourn at 8:43 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

Upcoming Meetings	
August 6, 2024	*September 4, 2024*

Respectfully submitted,

Bridgid Rubin, Recording Secretary

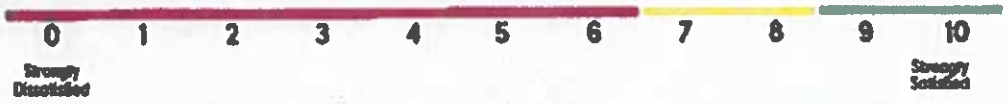
Select Board Meeting
Retiree Survey Results
July 16, 2024

Retiree Plan Survey

- Retiree First mailed survey to approximately 180 Southborough retirees 4/26/24
- 52 retirees responded (30% participation rate)
- 79% of respondents rated overall plan satisfaction as very good or excellent (rated 8,9,10)
- Area of improvement identified desire to see Silver Sneakers benefit added for 2025. Current fitness/wellness reimbursement of up to $300 per member annually.

Please circle the number that applies:

1) I felt it was easy to get in touch with a RetireeFirst Advocate.



2) The Retiree Advocate was knowledgeable.

3) The Retiree Advocate resolved my problem.

4) I will call RetireeFirst if I have another problem.

5) Have you had issues with prescription drug coverage using your new Aetna insurance that RetireeFirst was not able to assist with? (Circle one)

Yes or No

6) Are you satisfied with the fitness reimbursement offered on the Aetna plan? (Circle one)

(Yes) or No

7) Has your primary care or specialist doctor refused to honor Aetna? (Circle one)

Yes or (No)

8) How satisfied are you with your coverage through Aetna?

9) Any comments or recommendations for improvements

None

AETNA Survey summary of results:

	1	2	3	4	5	6	7	8	9
Retiree 1	X	X	X	X	X	NO	NO	6	No benefit to repair hearing aids. No silver sneakers. Old insurance had $200 for eyeglass or dental.
Retiree 2	4	8	4	9	NO	X	NO	5	Lots of health issues, dissatisfied but will renew.
Retiree 3	8	3	10	10	YES	NO	NO	X	Took 1 week for retiree 1st to call back.

Retiree 17	10	10	10	10	NO	YES	NO	10	X
Retiree 18	10	10	10	10	NO	YES	NO	10	Happy with Aetna.

AETNA Survey summary of results:

	1	2	3	4	5	6	7	8	9
Retiree 19	X	X	X	X	X	YES	NO	10	Thought Aetna would be problem but was not.
Retiree 20	9	10	10	10	NO	YES	NO	8	Seamless transition. Excellent total plan.
Retiree 21	10	10	10	10	NO	X	NO	10	X
Retiree 22	10	10	10	10	NO	X	NO	10	X
Retiree 23	X	X	X	X	X	X	NO	10	So far so good.
Retiree 24	X	X	X	X	X	YES	NO	9	X
Retiree 25	10	7	10	10	NO	YES	NO	8	X
Retiree 26	10	7	10	10	YES	X	NO	8	X
Retiree 27	X	X	X	X	YES	YES	NO	9	X
Retiree 28	9	9	9	9	NO	NO	NO	8	Awesome
Retiree 29	10	10	10	7	NO	X	NO	10	Offer Silver Sneakers
Retiree 30	9	9	10	10	NO	YES	NO	10	X
Retiree 31	10	10	10	10	NO	YES	NO	10	X
Retiree 32	X	X	X	X	NO	YES	NO	8	Excellent plan, best ever had.
Retiree 33	10	10	10	10	NO	YES	NO	10	Very satisfied.
Retiree 34	10	10	10	10	NO	YES	NO	10	Retiree first great help. Pleased it was available.
Retiree 35	10	10	10	10	NO	YES	NO	10	Although satisfied - fitness reimb. covers only a portion of costs.
Retiree 36	10	10	10	10	NO	X	NO	10	X
Retiree 37	10	10	10	10	NO	X	NO	10	X
Retiree 38	X	X	X	X	X	X	NO	10	X

AETNA Survey summary of results:

	1	2	3	4	5	6	7	8	9
Retiree 39	X	X	X	X	X	X	NO	10	X
Retiree 40	10	10	10	10	NO	YES	NO	10	X
Retiree 41	10	10	10	10	YES	YES	NO	9	X
Retiree 42	X	X	X	X	X	X	NO	8	Retiree first friendly and excellent service - however unable to get two common prescriptions.
Retiree 43	X	X	X	X	X	YES	NO	8	No co-pay is great, but encouraged to go to website - not easy - CVS is more simple by phone.
Retiree 44	9	9	9	9	YES	X	NO	8	Too early for comments - no health issues.
Retiree 45	X	X	X	X	X	YES	NO	8	Send Rx list to participant at beginning. One drug not on list, had to have DR sign note about it.
Retiree 46	X	X	X	X	YES	YES	NO	X	No major difficulties - but Rx prices increased, one drug was denied then resolved.
Retiree 47	10	10	10	10	YES	YES	NO	7	Co-pays for Rx highere than old plan. High five and thank you to Aaron.
Retiree 48	9	9	8/9	9	NO	YES	YES	9	X
Retiree 49	X	X	X	X	X	YES	NO	7	X
Retiree 50	10	10	0	10	NO	NO	NO	8	Silver sneakers was going to be offered, was not. Reimbursement not enough for a gym member or even 50%.
Retiree 51	8	8	9	10	NO	NO	NO	7	Would like the silver sneakers program. At first difficult for retiree first to understand issues. Experience was then good with rep on questions with hearing aids.
Retiree 52	9	7	7	9	NO	X	NO	8	Three weeks to get answer on eye doctor question (was positive). Confusion when called about CVS extracare card - was told that is independent and better communication would help.

MASSACHUSETTS STRATEGIC HEALTH GROUP
Aetna Medicare[SM] Plan (PPO)
Medicare (C04) ESA PPO Plan
Rx $7/$13/$35/$35/$35

Benefits and Premiums are effective January 1, 2024 through December 31, 2024

SUMMARY OF BENEFITS
PROVIDED BY AETNA LIFE INSURANCE COMPANY

Primary Care Physician (PCP): You have the option to choose a PCP. When we know who your provider is, we can better support your care.

Referrals: Your plan doesn't require a referral from a PCP to see a specialist. Keep in mind, some providers may require a recommendation or treatment plan from your doctor in order to see you.

Prior Authorizations: Your doctor will work with us to get approval before you receive certain services or drugs. Benefits that may require a prior authorization are listed with an asterisk (*) in the benefits grid.

PLAN FEATURES	Network & out-of-network providers.
Monthly Premium	Please contact your former employer/union/trust for more information on your plan premium.
Annual Deductible	$0
This is the amount you have to pay out of pocket before the plan will pay its share for your covered Medicare Part A and B services.	
Annual Maximum Out-of-Pocket Amount	
Annual maximum out-of-pocket limit amount includes any deductible, copayment or coinsurance that you pay.	$0
It will apply to all medical expenses except Vision Reimbursement and Medicare prescription drug coverage that may be available on your plan.	

MASSACHUSETTS STRATEGIC HEALTH GROUP

The member cost sharing applies to covered benefits incurred during a member's inpatient stay.	
Outpatient Substance Abuse	$0
Individual visit	

SKILLED NURSING SERVICES*	This is what you pay for network & out-of-network providers.
Skilled Nursing Facility (SNF) Care	$0 per day
Unlimited days per Medicare Benefit Period.	
The member cost sharing applies to covered benefits incurred during a member's inpatient stay.	
A benefit period begins the day you go into a hospital or skilled nursing facility. The benefit period ends when you haven't received any inpatient hospital care (or skilled care in a SNF) for 60 days in a row. If you go into a hospital or a skilled nursing facility after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods.	

PHYSICAL THERAPY SERVICES*	This is what you pay for network & out-of-network providers.
Outpatient Rehabilitation Services	$0
(Speech, physical, and occupational therapy)	

AMBULANCE SERVICES	This is what you pay for network & out-of-network providers.
Ambulance Services	$0
Prior authorization rules may apply for non-emergency transportation services received in-network. Your network provider is responsible for requesting prior authorization. Our plan recommends pre-authorization of non-emergency transportation services when provided by an out-of-network provider.	

TRANSPORTATION SERVICES	This is what you pay for network & out-of-network providers.
Transportation (non-emergency)	24 one-way trips with 60 miles allowed per trip
MEDICARE PART B PRESCRIPTION DRUGS*	**This is what you pay for network & out-of-network providers.**
Medicare Part B Prescription Drugs	$0
Medicare Part B Prescription Drugs - Insulin	$0
MEDICARE PART D PRESCRIPTION DRUGS	**This is what you pay for network & out-of-network providers.**

Part D drugs are covered. See PHARMACY - PRESCRIPTION DRUG BENEFITS section below for your plan benefits at each part D stage, including cost share and other important pharmacy benefit information.

ADDITIONAL PROGRAMS AND SERVICES	This is what you pay for network & out-of-network providers.

See next page for Pharmacy-Prescription Drug Benefits.

PHARMACY - PRESCRIPTION DRUG BENEFITS

Calendar-Year deductible for Prescription drugs $0

Prescription drug calendar year deductible must be satisfied before any Medicare Prescription Drug benefits are paid. Covered Medicare Prescription Drug expenses will accumulate toward the pharmacy deductible.

Pharmacy Network P1

Your Medicare Part D plan uses the network above. To find a network pharmacy, you can visit our website (http://www.aetnaretireeplans.com.)

Formulary (Drug List) Classic Plus

Initial Coverage Limit (ICL) $5,030

The Initial Coverage Limit includes the plan deductible, if applicable. This is your cost sharing until covered Medicare prescription drug expenses reach the Initial Coverage Limit (and after the deductible is satisfied, if your plan has a deductible):

5 Tier Plan	30-day Supply through Retail		90-day Supply through Retail or Mail		
	Preferred	Standard	Preferred Retail	Preferred Mail	Standard Retail or Mail
Tier 1 - Preferred Generic Generic Drugs	$7	$10	$20	$20	$30
Tier 2 - Generic Generic Drugs	$13	$20	$39	$39	$60
Tier 3 - Preferred Brand Preferred Brand Drugs	$35	$35	$105	$69	$105
Tier 4 - Non-Preferred Brand Non-Preferred Brand Drugs	$35	$35	$105	$69	$105

MASSACHUSETTS STRATEGIC HEALTH GROUP
Aetna Medicare[SM] Plan (PPO)
Medicare (C04) ESA PPO Plan
Rx $7/$13/$35/$35/$35

5 Tier Plan	30-day Supply through Retail		90-day Supply through Retail or Mail		
	Preferred	**Standard**	**Preferred Retail**	**Preferred Mail**	**Standard Retail or Mail**
Tier 5 - Specialty Includes high-cost/unique generic and brand drugs	$35	$35	Limited to one-month supply	Limited to one-month supply	Limited to one-month supply

If you reside in a long-term care facility, your cost share is the same as a 30 day supply at a retail pharmacy and you may receive up to a 31 day supply.

Coverage Gap

The Coverage Gap starts once covered Medicare prescription drug expenses have reached the Initial Coverage Limit. Your cost-sharing for covered Part D drugs after the Initial Coverage Limit and until you reach $8,000 in prescription drug expenses is indicated below.

Your former employer/union/trust provides additional coverage during the Coverage Gap stage for covered drugs. This means that you will generally continue to pay the same amount for covered drugs throughout the Coverage Gap stage of the plan as you paid in the Initial Coverage stage. Coinsurance-based cost-sharing is applied against the overall cost of the drug, prior to the application of any discounts or benefits.

Catastrophic Coverage: You pay $0.

Catastrophic Coverage benefits start once $8,000 in true out-of-pocket costs is incurred.

Requirements:

Precertification Applies

Step-Therapy Applies

Non-Part D Supplemental Benefit

- Not Covered

Medical Disclaimers

For more information about Aetna plans, go to **www.AetnaRetireePlans.com** or call Member Services toll-free at 1-888-267-2637 (TTY: 711). Hours are 8 a.m. to 9 p.m. EST, Monday through Friday.

The provider network may change at any time. You will receive notice when necessary.

In case of emergency, you should call 911 or the local emergency hotline. Or you should go directly to an emergency care facility.

The complete list of services can be found in the Evidence of Coverage (EOC). You can request a copy of the EOC by contacting Member Services at 1-888-267-2637 (TTY: 711). Hours are 8 a.m. to 9 p.m. EST, Monday through Friday.

The following is a partial list of what isn't covered or limits to coverage under this plan:

- Services that are not medically necessary unless the service is covered by Original Medicare or otherwise noted in your Evidence of Coverage
- Plastic or cosmetic surgery unless it is covered by Original Medicare
- Custodial care
- Experimental procedures or treatments that Original Medicare doesn't cover
- Outpatient prescription drugs unless covered under Original Medicare Part B

You may pay more for out-of-network services. Prior approval from Aetna is required for some network services. For services from a non-network provider, prior approval from Aetna is recommended. Providers must be licensed and eligible to receive payment under the federal Medicare program and willing to accept the plan.

Out-of-network/non-contracted providers are under no obligation to treat Aetna members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Aetna will pay any non contracted provider (that is eligible for Medicare payment and is willing to accept the Aetna Medicare Plan) the same as they would receive under Original Medicare for Medicare covered services under the plan.

Pharmacy Disclaimers

Aetna's retiree pharmacy coverage is an enhanced Part D Employer Group Waiver Plan that is offered as a single integrated product. The enhanced Part D plan consists of two components: basic Medicare Part D benefits and supplemental benefits. Basic Medicare Part D benefits are offered by Aetna based on our contract with CMS. We receive monthly payments from CMS to pay for basic Part D benefits. Supplemental benefits are non-Medicare benefits that provide enhanced coverage beyond basic Part D. Supplemental benefits are paid for by plan sponsors or members and may include benefits for non-Part D drugs. Aetna reports claim information to CMS according to the source of applicable payment (Medicare Part D, plan sponsor or member).

Aetna's pharmacy network includes limited lower-cost, preferred pharmacies in Suburban Arizona, Suburban Illinois, Urban Kansas, Rural Michigan, Urban Michigan, Urban Missouri, Urban Pennsylvania, Suburban Utah, Suburban West Virginia, Suburban Wyoming. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call 1-866-241-0357 (TTY: 711) or consult the online pharmacy directory at http://www.aetnaretireeplans.com.

The formulary and/or pharmacy network may change at any time. You will receive notice when necessary.

You must use network pharmacies to receive plan benefits except in limited, non-routine circumstances as defined in the EOC. In these situations, you are limited to a 30 day supply.

Pharmacy clinical programs such as precertification, step therapy and quantity limits may apply to your prescription drug coverage.

Members who get "extra help" don't need to fill prescriptions at preferred network pharmacies to get Low Income Subsidy (LIS) copays.

Specialty pharmacies fill high-cost specialty drugs that require special handling. Although specialty pharmacies may deliver covered medicines through the mail, they are not considered "mail-order pharmacies." Therefore, most specialty drugs are not available at the mail-order cost share.

The typical number of business days after the mail order pharmacy receives an order to receive your shipment is up to 10 days. Enrollees have the option to sign up for automated mail order delivery. If your mail order drugs do not arrive within the estimated time frame, please contact us toll-free at 1-866-241-0357, 24 hours a day, 7 days a week. TTY users call 711.

The Medicare Coverage Gap Discount Program provides manufacturer discounts on brand name

drugs. The amount you pay and the amount discounted by the manufacturer count toward your out-of-pocket costs as if you had paid them and moves you through the coverage gap.

Coinsurance-based cost-sharing is applied against the overall cost of the drug, prior to the application of any discounts or benefits.

There are three general rules about drugs that Medicare drug plans will not cover under Part D. This plan cannot:

- Cover a drug that would be covered under Medicare Part A or Part B.
- Cover a drug purchased outside the United States and its territories.
- Generally cover drugs prescribed for "off label" use, (any use of the drug other than indicated on a drug's label as approved by the Food and Drug Administration) unless supported by criteria included in certain reference books like the American Hospital Formulary Service Drug Information, the DRUGDEX Information System and the USPDI or its successor.

Additionally, by law, the following categories of drugs are not normally covered by a Medicare prescription drug plan unless we offer enhanced drug coverage for which additional premium may be charged. These drugs are not considered Part D drugs and may be referred to as "exclusions" or "non-Part D drugs". These drugs include:

- Drugs used for the treatment of weight loss, weight gain or anorexia
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Outpatient drugs that the manufacturer seeks to require that associated tests or monitoring services be purchased exclusively from the manufacturer as a condition of sale
- Drugs used to promote fertility
- Drugs used to relieve the symptoms of cough and colds
- Non-prescription drugs, also called over-the-counter (OTC) drugs
- Drugs when used for the treatment of sexual or erectile dysfunction

Plan Disclaimers

Aetna Medicare is a HMO and PPO plan with a Medicare contract. Enrollment in our plans depends on contract renewal.

Plans are offered by Aetna Health Inc., Aetna Health of California Inc., Aetna Life Insurance Company and/or their affiliates (Aetna). Participating physicians, hospitals and other health care

providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.

See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area.

The formulary, provider and/or pharmacy network may change at any time. You will receive notice when necessary.

Resources For Living is the brand name used for products and services offered through the Aetna group of subsidiary companies.

If there is a difference between this document and the Evidence of Coverage (EOC), the EOC is considered correct.

You can read the *Medicare & You 2024* Handbook. Every year in the fall, this booklet is mailed to people with Medicare. It has a summary of Medicare benefits, rights and protections, and answers to the most frequently asked questions about Medicare. If you don't have a copy of this booklet, you can get it at the Medicare website (http://www.medicare.gov) or by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

ATTENTION: If you speak another language, language assistance services, free of charge, are available to you. Call 1-888-267-2637 (TTY: 711). EXHIBIT A -- PUBLIC BUILDINGS TO BE PROVIDED FREE CABLE SERVICE UPON WRITTEN REQUEST (SUBJECT TO SECTION 3.4)

THIS CABLE TELEVISION RENEWAL LICENSE AGREEMENT (this "License") is entered into by and between the Select Board of the Town of Southborough, as Issuing Authority for the grant of the cable television license pursuant to the Massachusetts Cable Law (M.G.L. c. 166A), and Verizon New England Inc., a corporation duly organized under the applicable laws of the State of New York (the "Licensee").

WHEREAS, the Issuing Authority is a "franchising authority" in accordance with Title VI (as hereinafter defined) (see 47 U.S.C. § 522(10)) and is authorized to grant one or more nonexclusive cable licenses pursuant to the Massachusetts Cable Law;

WHEREAS, the Issuing Authority granted to Licensee effective as of November 26, 2019, a nonexclusive Cable Television Renewal License to install, maintain, extend, and operate a Cable System in the Town for a term of five (5) years (the "2019 Renewal License");

WHEREAS, the Licensee has operated a Cable System in accordance with the Final License as of the effective date on its existing Telecommunications Facilities consisting of a Fiber to the Premises Telecommunications Network ("FTTP Network") in the Town which also transmits Non-Cable Services pursuant to authority granted by M.G.L. c. 166 and Title II, which Non-Cable Services are not subject to the Massachusetts Cable Law or Title VI;

WHEREAS, pursuant to and in accordance with applicable federal and State law, the Issuing Authority undertook a process to determine whether it should renew the 2019 Renewal License and the terms for such a renewal;

WHEREAS, the Issuing Authority has examined the past performance of Licensee and has determined that Licensee is and has been in material compliance with the 2919 Renewal License and applicable law;

WHEREAS, pursuant to and in accordance with applicable federal and State law, the Licensee submitted to the Issuing Authority a proposal to renew the 2019 Renewal License to operate a Cable System in the Town; and

WHEREAS, following good faith negotiations between the parties, the Issuing Authority and Licensee have agreed on the terms for a renewal License under which Licensee will continue to operate its Cable System in the Town.

NOW, THEREFORE, in consideration of the Issuing Authority's grant of a renewal License to Licensee, Licensee's promise to continue providing Cable Service to residents of the Town pursuant to the terms and conditions set forth herein, and for other good and valuable consideration, the receipt and the adequacy of which are hereby acknowledged,

THE SIGNATORIES HERETO DO HEREBY AGREE AS FOLLOWS:

1. DEFINITIONS

Except as otherwise provided herein, the definitions and word usages set forth in the Communications Act are incorporated herein and shall apply in this License. For the purpose of this License, the following words, terms, phrases and their derivations shall have the meanings given herein, unless the context clearly requires a different meaning in which case such other meaning shall apply. When not inconsistent with the context, the masculine pronoun includes the feminine pronoun, words used in the present tense include the future tense, words in the plural number include the singular number and words in the singular number include the plural number. The word shall is always mandatory and not merely directory. In addition, the following definitions shall apply:

1.1. *Access Channel*: A video Channel, which Licensee shall make available to the Town and/or the PEG Access Designee without charge for non-commercial public, educational, or governmental use for the transmission of Video Programming as directed by the Issuing Authority or the PEG Access Designee and in accordance with the terms of this License.

1.2. *Affiliate:* Any Person who, directly or indirectly, owns or controls, is owned or controlled by, or is under common ownership or control with, the Licensee.

1.3. *Basic Service:* Any service tier which includes the retransmission of local television broadcast signals as well as the PEG Access Channels required by this License.

1.4. *Cable Division:* The Cable Television Division of the Massachusetts Department of Telecommunications and Cable or its successor.

1.5. *Cable Service* or *Cable Services:* Shall be defined herein as it is defined under Section 602(6) of the Communications Act, 47 U.S.C. § 522(6), meaning the one-way transmission to Subscribers of Video Programming or other programming service, and Subscriber interaction, if any, which is required for the selection or use of such Video Programming or other programming service.

1.6. *Cable System* or *System*: Shall be defined herein as it is defined under Section 602(7) of the Communications Act, 47 U.S.C. § 522(7), meaning a facility, consisting of a set of closed transmission paths and associated signal generation, reception, and control equipment that is designed to provide cable service which includes video programming and which is provided to multiple Subscribers within the Town, but such term does not include (A) a facility that serves only to retransmit the television signals of one or more television broadcast stations; (B) a facility that serves subscribers without using any public right-of-way; (C) a facility of a common carrier which is subject, in whole or in part, to the provisions of Title II of the Communications Act, except that such facility shall be considered a cable system (other than for purposes of section 621(c) of the Communications Act) to the extent such facility is used in the transmission of video programming directly to subscribers unless the extent of such use is solely to provide interactive on-demand services; (D) an open video system that complies with Section 653 of the Communications Act; or (E) any facilities of any electric utility used solely for operating its electric utility systems.

1.7. *Channel:* Shall be defined herein as it is defined under Section 602 of the Communications Act, 47 U.S.C. § 522(4).

1.8. *CMR:* The Code of Massachusetts Regulations.

1.9. *Commercial Subscriber*: A commercial, non-residential Subscriber.

1.10. *Communications Act*: The Communications Act of 1934, as amended.

1.11. *Complaint:* Shall be defined herein as it is defined by the Cable Division's Order Adopting Revised Form 500 (June 11, 1999), meaning any written or verbal contact with the Licensee in connection with Cable Service in which a Person expresses dissatisfaction with an act, omission, product or service that is (1) within the Licensee's control, and (2) requires a corrective measure on the part of the Licensee.

1.12. *Converter*: A device capable of unscrambling coded video signals distributed over the Cable System.

1.13. *Educational Access Channel*: An Access Channel made available to the Town pursuant to the terms and conditions of this License and available for the non-commercial use of the local public schools in the Town and/or of the PEG Access Designee.

1.14. *FCC*: The United States Federal Communications Commission, or successor governmental entity thereto.

1.15. *Force Majeure*: Acts of God; acts of public enemies; orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, political subdivisions, or officials, or any civil or military authority; insurrections; riots; epidemics; landslides; lightening; earthquakes; fires; hurricanes; volcanic activity; storms; floods; washouts; droughts; civil disturbances; explosions; strikes, labor disturbances or lockouts; unavailability of essential equipment, services and/or materials and/or other matters beyond the control of the Issuing Authority, the Town or the Licensee, and unreasonable work delays.

1.16. *Franchise Fee:* Shall have the meaning as set forth in Section 622 (g) of the Communications Act (47 U.S.C. §542(g)).

1.17. *FTTP Network*: The network constructed and operated by the Licensee and having the meaning set forth in the recitals of this License.

1.18. *Government Access Channel*: An Access Channel made available by the Licensee to the Town pursuant to the terms and conditions of this License and available for the non-commercial use of the Issuing Authority and/or the PEG Access Designee.

1.19. *Gross Revenues:* All revenue, determined in accordance with United States Generally Accepted Accounting Principles ("GAAP"), which is derived by Licensee and/or its Affiliates from the operation of the Cable System to provide Cable Service in the Town, including, without limitation, the following items: fees, charges and payments collected from Subscribers for

Cable Services; installation, reconnection, change-in-service (upgrades, downgrades, etc.) and similar charges; revenues received from rentals or sales to Subscribers of Converters, remote controls and other Subscriber equipment used to provide Cable Service over the Cable System; Leased Access Channel programming revenues; revenues that the Licensee receives from home shopping channels for the use of the Cable System to sell merchandise as prorated to include such revenue attributable to the Cable System in the Town based on the number of Subscribers; advertising revenues as prorated to include such revenue attributable to the Cable System in the Town based on the number of Subscribers; and all fees imposed on the Licensee by this License and applicable law that are passed through and paid by Subscribers (including the License Fee, the PEG Access Support, and the PEG Grant as long as the Issuing Authority provides evidence that the PEG Grant of the other cable provider(s) in the Town is included in their respective gross revenue). Gross Revenue shall include revenue of an Affiliate only to the extent that such Affiliate revenue relates to the provision of Cable Services over the Cable System in the Town, and not the revenues of any such Affiliate that are not related thereto. In no event shall revenue of an Affiliate be Gross Revenue to the Licensee if such revenue is otherwise subject to Franchise Fees and paid to the Issuing Authority. If Cable Services are provided to Subscribers in conjunction with Non-Cable Services, nothing herein shall prevent the Licensee from allocating a greater amount of the combined revenue to Cable Services than is otherwise provided pursuant to GAAP.

Provided, however, that Gross Revenue shall not include:

1.19.1. Revenues received by any Affiliate or other Person in exchange for supplying goods or services used by Licensee to provide Cable Service over the Cable System, except to the extent that such revenues are derived from the operation of the Cable System to provide Cable Service in the Town;

1.19.2. Bad debts written off by Licensee in the normal course of its business, provided, however, that bad debt recoveries shall be included in Gross Revenue during the period collected;

1.19.3. Refunds, rebates or discounts made to Subscribers;

1.19.4. Any revenues classified as Non-Cable Services revenue under federal or State law including, without limitation, revenue received from Telecommunications Services; or revenue received from Information Services, including, without limitation, Internet Access Service, electronic mail service, electronic bulletin board service, or similar online computer services;

1.19.5. Any revenue of the Licensee or any other Person which is received directly from the sale of merchandise through any Cable Service distributed over the Cable System, notwithstanding that portion of such revenue which represents or can be attributed to a Subscriber fee or a payment for the use of the Cable System for the sale of such merchandise, which portion shall be included in Gross Revenue;

1.19.6. Revenues from the sale of Cable Services on the Cable System to a reseller, when the reseller is required by law to pay (and does pay) Franchise Fees and other cable license fees to the Town on the resale of the Cable Services. Nothing under this Section is

intended to limit the rights of the Town pursuant to Section 622(h) of the Communications Act (47 U.S.C. § 542(h));

1.19.7. Any tax of general applicability imposed by a town, the State, federal or any other governmental entity and required to be collected from Subscribers by Licensee and remitted to the taxing entity (including, but not limited to, sales/use taxes);

1.19.8. Any revenue foregone as a result of the Licensee's provision of free or reduced cost Cable Services as required by this License to any Person, including without limitation, employees of Licensee and public institutions or other institutions as required or permitted herein and to other customers which are exempt, as required or allowed by the Town; provided, however, that such foregone revenue which Licensee chooses not to receive in exchange for trades, barters, services or other items of value shall be included in Gross Revenue;

1.19.9. Revenues from the sales of capital assets or sales of surplus equipment provided that this exclusion shall not include sales to Subscribers of converters, remote controls and other Subscriber equipment for the provision of Cable Service over the Cable System;

1.19.10. Directory or Internet advertising revenue including, but not limited to, yellow page, white page, banner advertisement and electronic publishing.

1.20. *High-Definition (HD) PEG Access Channel:* A PEG Access Channel in the high-definition display format for digital television transmissions with video transmitted in a 16:9 aspect ratio with a resolution of 720p or 1080i.

1.21. *Information Services*: Shall be defined herein as it is defined under Section 3 of the Communications Act, 47 U.S.C. § 153(24).

1.22. *Internet Access Service*: Dial-up or broadband access service that enables access to the Internet.

1.23. *Issuing Authority*: The Select Board of the Town of Southborough, Massachusetts.

1.24. *Leased Access Channel*: A Channel that the Licensee designates for commercial use pursuant to Section 612 of the Communications Act.

1.25. *License Fee*: The payments to be made by the Licensee to the Town, which shall have the meaning as set forth in Section 9 of M.G.L. Chapter 166A.

1.26. *Licensee:* Verizon New England Inc., and its lawful and permitted successors, assigns and transferees.

1.27. *M.G.L. Chapter 166A*: Chapter 166A of the General Laws of the Commonwealth of Massachusetts.

1.28. *Non-Cable Services*: Any service that does not constitute Cable Service(s), including, but not limited to, Information Services and Telecommunications Services.

1.29. *PEG*: Public, educational, and governmental.

1.30. *PEG Access Channel*: An Access Channel that the Licensee makes available to the Town for non-commercial use pursuant to the terms and conditions of this License, and managed by the Issuing Authority and/or the PEG Access Designee.

1.31. *PEG Access Designee*: Any entity designated by the Issuing Authority for the purpose of owning and/or operating the equipment and facilities used in the production and/or broadcast of PEG Access Channel programming, including, but not limited to, the Town itself and/or an access corporation.

1.32. *PEG Access Programming*: Non-commercial Video Programming transmitted on the PEG Access Channel(s) pursuant to the terms of this License, and applicable laws.

1.33. *Person*: An individual, partnership, association, joint stock company, trust, corporation, other business entity, or governmental entity.

1.34. *Prime Rate*: The prime rate of interest as published in the Wall Street Journal.

1.35. *Public Access Channel*: An Access Channel made available to the Town pursuant to the terms and conditions of this License and available for the use by the residents in the Town and managed by the Issuing Authority and/or the PEG Access Designee.

1.36. *Public Rights-of-Way*: The surface and the area across, in, over, along, upon and below the surface of the public streets, roads, bridges, sidewalks, lanes, courts, ways, alleys, and boulevards, including, public utility easements and public lands and waterways used as Public Rights-of-Way, as the same now or may thereafter exist, which are under the jurisdiction or control of the Town.

1.37. *Service Area*: The entire existing territorial limits of the Town.

1.38. *Standard Definition ("SD") PEG Access Channel*: A PEG Access Channel in the standard definition display format for digital television transmissions with video transmitted in a 4:3 aspect ratio with a resolution of 480i.

1.39. *State*: The Commonwealth of Massachusetts.

1.40. *Subscriber*: A Person who lawfully receives Cable Service in the Town.

1.41. *Telecommunications Facilities*: Licensee's existing Telecommunications Services and Information Services facilities, including the FTTP Network.

1.42. *Telecommunication Services:* Shall be defined herein as it is defined under Section 3 of the Communications Act, 47 U.S.C. § 153(46).

1.43. *Title II*: Title II of the Communications Act, Common Carriers.

1.44. *Title VI*: Title VI of the Communications Act, Cable Communications,

1.45. *Town*: The Town of Southborough, Massachusetts.

1.46. *Video Programming or Programming*: Shall be defined herein as it is defined under Section 602(20) of the Communications Act, 47 U.S.C. § 522(20), meaning programming provided by, or generally considered comparable to programming provided by, a television broadcast station.

1.47. *Video Service Provider or VSP:* Any entity using the Public Rights-of-Way to provide Video Programming services to multiple subscribers within the territorial boundaries of the Town, regardless of the transmission method, facilities or technologies used.

2. GRANT OF LICENSE AUTHORITY; LIMITS AND RESERVATIONS

2.1. *Grant of Authority*: Subject to the terms and conditions of this License and pursuant to M.G.L. Chapter 166A, the Issuing Authority hereby grants the Licensee the right to own, operate, and maintain a Cable System in, under, over and along the Public Rights-of-Way within the Town and subsequent additions thereto, in order to provide Cable Service. This License grants no authority for the Licensee to use the Public Rights-of-Way within the Town for any other purpose(s) unless otherwise provided herein. The Licensee's FTTP Network is subject to M.G.L. c. 166 and as such is subject to regulation by the Town consistent with that law. The Licensee shall adhere to all applicable local bylaws and lawful regulations of the Town regarding Public Rights-of-Way and public works matters, including rights-of-way management requirements with regard to public safety, aesthetics, pole attachments and other legitimate municipal concerns. Nothing in this Section 2.1 shall be deemed to prohibit the right of the Licensee to challenge the legality of such local bylaws, regulations and requirements, or the right of the Issuing Authority to oppose any such challenge. Consistent with and subject to the Licensee's existing authority to operate in the Public Rights-of-Way, grant of this License does not establish priority for use over other present or future permit holders or the Town's own use of Public Rights-of-Way. Any disputes between the Licensee and other parties regarding use of the Public Rights-of-Way shall be resolved in accordance with applicable law and regulations.

2.2. *Issuing Authority Does Not Regulate Telecommunications*: The parties recognize that the FTTP Network is constructed, operated and maintained as an upgrade to and/or an extension of the Licensee's existing Telecommunications Facilities under Title II and M.G.L. c. 166. In accordance with applicable law(s), the Issuing Authority's regulatory authority under Title VI does not extend to the construction, installation, maintenance or operation of the FTTP Network to the extent the FTTP Network is and/or was constructed, installed, maintained or operated for the purpose of upgrading and/or extending Verizon's existing Telecommunications Facilities for the provision of Non-Cable Services. The Town does not and will not assert

jurisdiction over the Licensee's FTTP Network in contravention of applicable federal or State law(s). Nothing in this License shall be construed to prohibit the Licensee from offering any service over the Cable System that is not prohibited by federal or State law provided that any requirements for Town authorization or permitting not inconsistent with federal and State law are satisfied.

2.3. *Term*: This License shall become effective on November 26, 2024 (the "Effective Date"). The term of this License shall be five (5) years from the Effective Date unless this License is earlier revoked or terminated as provided herein.

2.4. *Termination Generally:* Notwithstanding any provision herein to the contrary, Licensee may terminate this License upon two hundred and seventy (270) days' written notice to the Issuing Authority. Licensee shall not provide the notice of termination sooner than the beginning of the 28th month following the Effective Date.

2.5. *Modification/Termination Based on VSP Requirements*:

2.5.1. If the Issuing Authority enters into any cable franchise, cable license or similar agreement with a VSP to provide Video Programming services to residential subscribers in the Town with terms or conditions materially less burdensome than those imposed by this License, Licensee and the Issuing Authority shall, within sixty (60) days of the Issuing Authority's receipt of Licensee's written notice thereof, commence negotiations to modify this License to provide that this License is not on terms or conditions materially more burdensome than the terms in any such cable franchise, cable license or similar agreement. Any modification of the License pursuant to the terms of this Section shall not trigger the requirements of 207 CMR 3.07. The PEG Access Support, as provided in Section 5.4, will not be subject to modification under this Section 2.5.1 or 2.5.2.

2.5.2. Licensee's notice pursuant to Section 2.5.1 shall specify the cable franchise, cable license or similar agreement and the materially less burdensome terms or conditions as set out Section 2.4.1 above. Licensee shall respond to reasonable information requests from the Town, as may be necessary to review the same.

2.5.3. In the event the parties do not, subject to the criteria above, reach mutually acceptable agreement on a modification as set out above, Licensee shall in its sole discretion, have the option of exercising any of the following actions:

a. commencing License renewal proceedings in accordance with 47 U.S.C. 546 with the License term being accelerated, thus being deemed to expire thirty-six (36) months from the date of Licensee's written notice to seek relief hereunder;

b. terminating the License in no less than thirty-six (36) months from written notice to the Issuing Authority;

c. if agreed by both parties, submitting the matter to commercial arbitration by a mutually-selected arbitrator in accordance with the rules of the American Arbitration Association; or

d. if agreed to by both parties, submitting the matter to mediation by a mutually-acceptable mediator.

2.5.4. Modification of the PEG Access Support under this License shall, as applicable, be in accordance with the terms and conditions set forth in Section 5.4 hereunder. As stated above, PEG Access Support is not subject to modification under Section 2.5.1.

2.6. *Grant Not Exclusive*: This License and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the Issuing Authority reserves the right to grant other licenses for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use themselves, at any time during the term of this License. Any such rights shall not be in conflict with the authority as granted by this License. Disputes between the Licensee and other parties regarding use of Public Rights-of-Way shall be resolved in accordance with applicable law.

2.7. *License Subject to Applicable Federal and State Law*: This License is subject to and shall be governed by all applicable provisions of federal and State law(s) and regulations as they may be amended, including but not limited to Title VI and M.G.L. Chapter 166A.

2.8. *No Waiver*:

2.8.1. The failure of the Issuing Authority on one or more occasions to exercise a right or to require compliance or performance under this License, M.G.L. Chapter 166A or any other applicable law, bylaw or lawful regulation shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance by the Issuing Authority, nor to excuse Licensee from complying or performing, unless such right or such compliance or performance has been specifically waived in writing by the Issuing Authority.

2.8.2. The failure of the Licensee on one or more occasions to exercise a right under this License or applicable law, or to require performance under this License, shall not be deemed to constitute a waiver of such right or of performance of this License, nor shall it excuse the Issuing Authority from performance, unless such right or performance has been specifically waived in writing by the Licensee.

2.9. *Construction of License*:

2.9.1. The provisions of this License shall be construed to effectuate their objectives.

2.9.2. Nothing herein shall be construed to limit the scope or applicability of Section 625 of the Communications Act, 47 U.S.C. § 545.

2.10. *Police Powers*: Nothing in this License shall be construed to prohibit the reasonable, necessary and lawful exercise of the Town's police powers. However, if the reasonable, necessary and lawful exercise of the Town's police powers causes the Licensee's provision of Cable Services in the Town to be commercially impracticable, then the parties shall

modify this License to the mutual satisfaction of both parties to ameliorate such commercial impracticability. If the parties cannot reach agreement on the above-referenced modification to this License, then, at the Licensee's option, the parties shall submit the matter to binding arbitration.

2.11. *Compliance with Federal and State Privacy Laws*: Licensee shall comply with the privacy provisions of Section 631 of the Communications Act and all other applicable federal and State privacy laws and regulations. The parties agree that, during the term hereof, Licensee shall not be subject to any local laws or bylaws which conflict with such applicable federal and/or /State privacy laws, or which would impose additional or distinct requirements upon Licensee with respect to Subscriber privacy other than those which are expressly set forth in applicable federal and/or State privacy laws.

2.12. *Transfer of the License*:

2.12.1. Subject to Section 617 of the Communications Act, M.G.L. Chapter 166A and Section 2.12.2 below, the Licensee shall not transfer this License without the prior consent of the Issuing Authority, provided that such consent shall not be arbitrarily or unreasonably withheld, delayed or conditioned. Such consent shall be given only after a public hearing upon a written application therefore on forms prescribed by the Cable Division and/or the FCC. Subject to applicable law, the Licensee shall submit to the Issuing Authority an original and one (1) copy of the application on FCC Form 394 requesting such transfer request. The Issuing Authority shall have one hundred twenty (120) days, or such other time frame that may be established by applicable law, from the filing of the completed Form 394 to take final action on it. If the Issuing Authority has not taken final action within such one hundred twenty (120) day period, then the application shall be deemed approved, unless said one hundred twenty (120) day period is extended by mutual consent of the parties.

2.12.2. The Licensee shall not be required to obtain the Issuing Authority's consent to transfer this License in connection with any transaction that does not constitute a transfer of control under applicable State laws and regulations, including, without limitation, the following: (i) (A) a transfer of an ownership or other interest in the Licensee to the parent of the Licensee or to another Affiliate of the Licensee; (B) transfer or assignment of this License or control thereof to the parent of the Licensee or to another Affiliate of the Licensee; (C) any action which is the result of a merger of the parent of the Licensee; or (D) any action which is the result of a merger of another Affiliate of the Licensee; or (ii) in connection with a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Licensee in this License or the Cable System in order to secure indebtedness; provided, however, that to the extent that any of the foregoing transactions are determined to constitute a transfer of control pursuant to 207 CMR 4.01, then such transaction shall be subject to the Cable Division's transfer regulations (207 CMR 4.00, et. seq.).

2.12.3. Pursuant to 207 CMR 4.04, as may be amended, and applicable federal law, in considering a request to transfer control of this License, the Issuing Authority may consider only the transferee's management experience, technical expertise, financial capability and

legal ability to operate the Cable System under this License, and any other criteria allowable under applicable law and/or regulation.

2.12.4. The consent or approval of the Issuing Authority to a transfer of this License shall not constitute a waiver or release of the rights of the Town under this License.

2.12.5. In the event that this License is transferred, the transferee shall be subject to all of the terms and conditions contained in this License.

3. PROVISION OF CABLE SERVICE

3.1. *Service Area*:

3.1.1. *Service Area*: Subject to the issuance of all necessary permits by the Town, the Licensee shall continue to offer Cable Service to all residential households in the Service Area, except: (A) for periods of Force Majeure; (B) for periods of delay caused by the Town; (C) for periods of delay resulting from Licensee's inability to obtain authority to access rights-of-way in the Town; (D) in developments or buildings that are subject to claimed exclusive arrangements with other cable providers; (E) in developments, buildings or other residential dwelling units that Licensee cannot obtain permission to access under reasonable terms and conditions after good faith negotiation, as determined in good faith by Licensee; and (F) in developments, buildings or other residential dwelling units where the Licensee is unable to provide Cable Service for technical reasons or which require non-standard facilities which are not available on a commercially reasonable basis or where the Licensee determines, in good faith, that providing Cable Service is not commercially reasonable.

3.1.2. *Availability of Cable Service and Standard Drops*: Licensee shall make Cable Service available to all residential dwelling units, and may make Cable Service available to businesses, within the Town in conformance with Section 3.1.1. In the areas in which the Licensee shall provide Cable Service, the Licensee shall be required to connect, at the Licensee's expense, all residential dwelling units that are within three hundred (300) feet of the Licensee's FTTP Network. The Licensee shall be allowed to recover from a Subscriber who requests such connection, actual costs incurred for residential dwelling unit connections that exceed three hundred (300) feet, and actual costs incurred to connect any non-residential dwelling unit Subscriber.

3.2. *Cable Service to Public Buildings*: Subject to Section 3.1 and the applicable provisions of the FCC's 2019 Third Report and Order In the Matter of Implementation of Section 621 of the Cable Act (the "621 Order"), as such 621 Order may be in effect and/or amended during the term of this License, if requested in writing by the Issuing Authority, the Licensee shall provide in a reasonable amount of time and after notifying the Issuing Authority of the process by which it will implement the 621 Order's requirements regarding the provision of free Cable Service to public buildings under a cable license, one Cable Service drop, an outlet, and monthly Basic Service along its activated Cable System route in the Town at no cost to public schools, police and fire stations, public libraries, and other public buildings designated in writing by the Issuing Authority. All such written designations shall include the street address of each building. The current designation of such

buildings and their addresses is set forth in **Exhibit A**. The Licensee shall coordinate the location of each outlet with representatives for each of the buildings receiving service pursuant to this Section. The parties hereto agree that the exercise of any conditional obligations set forth in this Section shall not constitute a modification or amendment of the License within the meaning of 207CMR 3.07.

4. SYSTEM FACILITIES

4.1. *System Characteristics:* Licensee's Cable System shall meet or exceed the following requirements and/or have at least the following characteristics:

4.1.1. The Cable System shall be operated with an initial digital passband of 50-860 MHz.

4.1.2. The Cable System shall be operated to be an active two-way plant for subscriber interaction, if any, required for the selection or use of Cable Service.

4.1.3. The Cable System shall comply with applicable FCC technical standards, as such standards may be amended from time to time.

4.1.4. The Cable System shall conform in all material respects to the following standards to the extent applicable: the Occupational Safety and Health Administration regulations, the Massachusetts Electrical Code, the National Electrical Code, the National Electrical Safety Code and the rules and regulations of the Cable Division and the FCC.

4.2. *Emergency Alert System*: The Licensee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and applicable State and local EAS Plans in order that emergency messages may be distributed over the Cable System.

4.3. *Parental Control Capability*: The Licensee shall comply with all applicable requirements of federal law(s) governing Subscribers' capability to control the reception of any Channels being received on their television sets.

5. PEG ACCESS SERVICES AND SUPPORT

5.1. *PEG Access Channels*:

5.1.1. The Licensee shall continue to make available to the Issuing Authority and/or the PEG Access Designee, as designated in writing by the Issuing Authority, three (3) SD PEG Access Channels and one (1) HD PEG Access Channel for a total of four (4) PEG Access Channels. The Issuing Authority or the PEG Access Designee may change the programming on the HD PEG Access Channel from an HD simulcast of an existing SD PEG Access Channel to distinct programming, upon one hundred (180) days prior written notice from the Issuing Authority to the Licensee, which change shall not occur more than once during the License term. Only to the extent permitted by law, the Licensee shall be allowed to recover from

Subscribers applicable costs incurred to transmit HD PEG Access Channel programming of any type.

5.1.2. All programming content for the HD PEG Access Channel shall be transmitted to Licensee in HD-SDI format with a resolution of 720p or 1080i. Licensee reserves the right to reassign channel number and location for any or all of the PEG Access Channels at any time during the term. The Issuing Authority expressly acknowledges that in order to view the HD PEG Access Channel, a Subscriber may be required to upgrade equipment at an additional charge.

5.1.3. The Issuing Authority hereby authorizes the Licensee to transmit PEG Access Programming within the Town's jurisdictional boundaries and outside the Town's jurisdictional boundaries to other areas that are served out of the same central offices of the Licensee as those that serve the Town, provided that PEG Access Programming from outside the Town, which is carried in the Town shall not be cablecast on any of the PEG Access Channels made available to the Issuing Authority and/or the PEG Access Designee. If a PEG Access Channel provided under this Article is not being utilized by the Issuing Authority and/or the PEG Access Designee, other than due to Force Majeure, the Licensee may utilize such PEG Access Channel by providing at least one hundred twenty (120) days advance written notice to the Issuing Authority, but only in the event that the Issuing Authority or the PEG Access Designee does not commence use of said PEG Access Channel within said one hundred twenty (120) day notice period. In the event that the Issuing Authority and/or the PEG Access Designee determines to use such PEG Access capacity for PEG Access purposes, the Issuing Authority shall have the right to utilize such PEG Access Channel by providing at least one hundred twenty (120) days advance written notice to the Licensee.

5.2. *PEG Interconnection and Cablecasting*:

5.2.1. The Licensee shall continue to connect to equipment owned by the Town and/or the PEG Access Designee at the PEG access studio (Trottier Middle School Studio. 49 Parkerville Road, 1st Floor, Southborough, Massachusetts (the "PEG Access Interconnection Site") in order to cablecast the PEG Channels."). The Licensee shall be responsible for interconnection at this location, including any approvals and/or costs arising therefrom. The Issuing Authority or, if designated by the Issuing Authority in writing to Licensee, the PEG Access Designee, shall be required to pay Licensee for all direct or reasonably related costs associated with: (i) any equipment upgrade where the need for the upgrade is initiated by the Issuing Authority or the PEG Access Designee; (ii) relocating any connection where the need for relocation is initiated by the Issuing Authority or the PEG Access Designee; (iii) re-installing and/or replacing any connection at an existing location where the need for such re-installation and/or replacement is caused by the Town and initiated by the Issuing Authority or the PEG Access Designee; or (iv) installing any new connection if initiated by the Issuing Authority or the PEG Access Designee; provided, however, that Issuing Authority and/or PEG Access Designee responsibility for the foregoing costs is subject to the Issuing Authority's express written consent, and subject further to Licensee's prior disclosure of such costs and prior consent to same by the Issuing Authority or the PEG Access Designee. Any upgrade or change referenced in subsections (i) and (iv) above required in order for PEG Access Channel cablecasting or PEG Access Programming as provided

to Subscribers to meet a requirement of applicable law or regulation, including with respect to video or audio quality, shall not be deemed to be "initiated" by the Issuing Authority or its PEG Access Designee.

5.2.2. The demarcation point between the Licensee's signal processing equipment (which the Licensee shall own, install and maintain) and the Town's and/or the PEG Access Designee's PEG Access equipment shall be at the output of the Town's and/or the PEG Access Designee's signal processing equipment at the PEG Access Interconnection Site. The Town and/or the PEG Access Designee shall be solely responsible for operating its switching equipment and the picture and audio quality of all PEG Access Programming up to the demarcation point and for providing that all PEG Access Programming is inserted on the appropriate upstream PEG Access Channel. All PEG Access Programming shall be transmitted to the Licensee in baseband, SD-SDI or HD-SDI format with either mono or stereo audio signals, and with signals received by Licensee in stereo cablecast by Licensee in stereo. Notwithstanding the foregoing, the Licensee shall not be obligated to provide the Town or the PEG Access Designee with either cablecast equipment and facilities or the personnel responsible for maintaining and operating equipment and facilities on the Town's or PEG Access Designee's side of the demarcation point and used to generate or administer any PEG Access signals, except as necessary to implement the Licensee's responsibilities specified herein. The Issuing Authority and the Licensee shall work together in good faith to resolve any connection issues.

5.2.3. The Licensee shall provide, install, maintain, repair and replace all equipment necessary to receive and transmit all such PEG Access Programming and all PEG Access Channels as described in Section 5.2.1 above to Subscribers, including any amplification, optical conversion, receiving, cable system headend, processing, and transmitting equipment needed.

5.3. *PEG Grant*

5.3.1. Licensee shall pay to the Issuing Authority a PEG grant in the total amount of One Hundred Thirty-One Thousand Five Hundred Dollars ($131,500.00) to be used for PEG Access Channel capital funding purposes (the "PEG Grant"), as follows: Within forty-five days of the Effective Date, Licensee shall pay to the Issuing Authority the sum of Forty-Three Thousand Eight Hundred Thirty-Four Dollars ($43,834.00). Two (2) additional payments in the amount of Forty-Three Thousand Eight Hundred Thirty-Three Dollars ($43,833.00) each shall be paid by the Licensee to the Issuing Authority on the first and second anniversaries of the Effective Date, respectively. The Issuing Authority and/or PEG Access Designee, as determined by the Issuing Authority, shall own all facilities and equipment purchased with the PEG Grant. The Licensee shall have no obligation to maintain, repair, replace or insure any equipment or facilities purchased with the PEG Grant.

5.3.2. The PEG Grant shall not be counted against either the PEG Access Support payment required by Section 5.4, or any License Fee required by Section 6.1.

5.4. *PEG Access Support*:

5.4.1. The Licensee shall provide annual funding to the Issuing Authority for PEG Access Channel operating support or other PEG Access Channel costs and expenses ("PEG Access Support") in the amount equal to five percent (5.0%) of annual Gross Revenues as defined above, subject to the limitation in Section 6.2. If the Town issues or renews any cable licenses after the Effective Date that provide for a lower percentage of PEG Access Support, other than the cable license held by Comcast or its successor in the Pine Hill Road area of the Town serving approximately twenty-seven (27) units in the Town from the City of Framingham, MA, then the Licensee's percentage of PEG Access Support payments shall be reduced to match such lower percentage over that same time period. The Issuing Authority shall place Licensee's PEG Access Support payments in a restricted account for cable related purposes in the nature of a grant account and not into the general fund, which account will be under the Issuing Authority's control.

5.4.2. The PEG Access Support payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Each such payment shall be accompanied by a Gross Revenue report documenting, in reasonable detail, the Gross Revenue as defined above. The Licensee shall be allowed to provide an extra payment if needed to correct any payments that were incorrectly omitted, and shall have the right to offset against future payments any payments that were incorrectly submitted, in connection with the quarterly remittances, within ninety (90) days following the close of the calendar quarter for which such payments were applicable. For purposes of the PEG Access Support payment, the period for determining Gross Revenues shall be the preceding calendar quarter.

5.4.3. In no case shall said five percent (5.0%) payments include: (i) the PEG/I-Net Grant ; (ii) costs of PEG Access Channels, interconnection and cablecasting obligations required above; or (iii) any other fees or payments required by applicable law, except as provided in Section 6.2, below; provided however, that said five percent (5.0%) payments shall be a Franchise Fee, and subject to the five percent (5.0%) cap on Franchise Fees pursuant to Section 622(h) of the Communications Act (47 U.S.C. §542(b).

5.5. *Recovery of Costs*. To the extent permitted by federal law and regulations, the Licensee shall be allowed to recover from Subscribers the costs of the PEG Grant, costs of PEG interconnection, the PEG Access Support payments, and any other costs arising from the provision of PEG services and related payments, required by this License and to accurately reflect such costs as separately billed line items on each Subscriber's bill.

5.6. *Late Payments*: In the event that the PEG Grant, the PEG Access Support or the License Fee payments is not paid on or before the due date set forth in this License for such payments, then interest shall accrue from the due date until the date paid at the Prime Rate, compounded annually.

5.7. *PEG Access Channel Maintenance/Technical Standards/Performance Tests*: The Licensee shall monitor the PEG Access Channels for technical quality consistent with applicable FCC technical standards, as such standards may be amended from time to time, and shall ensure that they are maintained at standards the same as those which apply to the Cable System's commercial channels of similar format and resolution; provided that the Licensee is not responsible for the production quality of PEG Access Programming productions, nor for any

deficiencies in the signal that it receives from the Town and/or the PEG Access Designee. Upon the written request of the Issuing Authority, the Licensee shall make available to the Town a copy of the Licensee's most recent annual performance tests.

5.8. *Listing of PEG Access Channels On Licensee's Electronic Program Guide*: If the Licensee lists PEG Access Channel program content titles on its electronic program guide in any other municipality in the State (other than on a test or trial basis), then it shall, upon written request of the Issuing Authority, discuss with the Issuing Authority or the PEG Access Designee, the technical feasibility and commercial reasonability of listing the Town's PEG Access Channel program content titles on the Licensee's electronic program guide and the provision thereof by the Licensee; however, the Licensee shall not be required by this Section to list the Town's PEG Access Channel program content titles on its electronic program guide.

5.9. *PEG Access Video-On-Demand*: If the Licensee provides any other municipality in the State with PEG Access Programming "video-on-demand" (VOD) (other than on a test or trial basis), then it shall, upon written request of the Issuing Authority, discuss with the Issuing Authority, the technical feasibility and commercial reasonability of providing, and the provision of, PEG Access Programming VOD in the Town; however, the Licensee shall not be required by this Section 5.9 to provide PEG Access Programming VOD in the Town.

5.10. *Censorship*: Subject to Section 611(e) of the Communications Act (47 U.S.C. §531(e)), the Licensee shall comply with applicable federal laws restricting censorship or control of the content of PEG Access Programming over the Cable System.

5.11. *PEG Access Operational Rules*. The Issuing Authority and/or the PEG Access Designee shall establish rules and regulations that require all local producers and users of any of the PEG Access facilities or Channels to assume individual responsibility for any program-based liability including but not limited to liability for copyright infringement or defamation. The PEG Access Designee shall establish rules and regulations for use of PEG Access facilities consistent with, and as required by, Section 611 of the Communications Act (47 U.S.C. § 531) and this License.

5.12. *Non-Commercial Programming*: The Issuing Authority and PEG Access Designee shall not use the PEG Access Channels to provide for-profit commercial programming. Nothing in this Section shall prohibit the Issuing Authority or the PEG Access Designee from having memberships, sponsorships, underwriting or acknowledgements (such as underwriting and acknowledgements accepted by PBS), to the extent not otherwise prohibited by applicable law and regulation.

5.13. *Leased Access:* The Licensee shall comply with Section 612 of the Communications Act (47 U.S.C. §532) with respect to designating channel capacity for commercial use.

5.14. *No PEG Access Designee Rights:* The Issuing Authority and the Licensee herein acknowledge and agree that any PEG Access Designee is not a party to this License and that any provisions herein that may affect a PEG Access Designee are not intended to create any rights on behalf of any PEG Access Designee.

6. FRANCHISE AND LICENSE FEES

6.1. *License Fee*: Pursuant to Massachusetts Cable Law, (M.G.L. c. 166A, Section 9), the Licensee shall pay to the Town, throughout the term of this License, a license fee equal to fifty cents ($.50) per Subscriber per year (the "License Fee"), or such other amount as may in the future be designated by applicable State law.

6.2. *Maximum Franchise Fee Obligation*: The Licensee shall not be liable for a total Franchise Fee, pursuant to this License and applicable law in excess of five percent (5.0%) of annual Gross Revenue (as defined above).

6.3. *Payment Information:* In determining the License Fee, the number of Subscribers shall be measured as of December 31st of the preceding calendar year. The License Fee shall be paid no later than March 15th of each year during the term of this License.

6.4. *Limitation on Actions*: The period of limitation for recovery of any payment obligation under this License shall be three (3) years from the date on which payment by Licensee is due.

6.5. *Re-computation and Audit*:

6.5.1. Tender or acceptance of any payment made pursuant to Article 5 and/or 6 herein shall not be construed as an accord that the amount paid is correct, nor shall such acceptance of payment be construed as a release of any claim that the Issuing Authority may have for additional sums, including interest payable under Section 5.6. above. All amounts shall be subject to audit and re-computation by the Issuing Authority pursuant to this Section 6.5.

6.5.2. If the Issuing Authority has reason to believe that any such payment is incorrect, it may notify the Licensee thereof in writing after receiving such payment. Licensee shall then have ninety (90) business days after receipt of such notice to provide the Town with additional information documenting the accuracy of such payment. In the event that the Issuing Authority does not reasonably believe that such documentation supports the accuracy of such payment, then the Issuing Authority may conduct an audit of such payment, provided that the Issuing Authority shall be limited to one audit for any two (2) year period of this License or such shorter period of time that may remain after the expiration of the initial two (2) year period of this License, which audit shall be subject to Section 6.4 above. If, after such audit and re-computation, the Issuing Authority determines that an additional fee is owed to the Town, then the Licensee shall be provided with a reasonable opportunity to review the results of such audit and to dispute any audit results, and shall pay any undisputed amounts within thirty (30) business days after completion of such review, together with any appliable late charges calculated pursuant to Section 5.6. above. The Town shall have the right to pursue any disputed amount not paid by Licensee in accordance with the enforcement provisions set forth in Article 12 of this License.

6.6. *Method of Payment*: The PEG Grant, the PEG Access Support and the License Fee shall be made payable to the Town and provided to the Issuing Authority, unless the Licensee is otherwise notified in writing by the Issuing Authority.

6.7. *Other Payment Obligations and Exclusions*:

6.7.1. Unless otherwise required by applicable law, the License Fee and Franchise Fee payments shall be in addition to and shall not constitute an offset or credit against any and all taxes or other fees or charges of general applicability which Licensee or any Affiliate shall be required to pay to the Town, or to any State or federal agency or authority, as required herein or by law; the payment of said taxes, fees or charges shall not constitute a credit or offset against the License Fee or Franchise Fee payments all of which shall be separate and distinct obligations of the Licensee and each Affiliate.

6.7.2. In accordance with Section 622(h) of the Communications Act (47 U.S.C. §542(h)), nothing in the Communications Act or this License shall be construed to limit any authority of the Issuing Authority to impose a tax, fee or other assessment of any kind on any Person (other than the Licensee) with respect to Cable Service or other communications service provided by such Person over the Cable System for which charges are assessed to Subscribers but not received by the Licensee. For any twelve (12) month period, the fees paid by any such Person with respect to any such Cable Service or other communications service shall not exceed five percent (5%) of such Person's gross revenues derived in such period from the provision of such service over the Cable System.

6.8. *Affiliates Use of System*: Use of the Cable System and the provision of Cable Services within the Town by Affiliates shall be in compliance with applicable federal and State laws and regulations and this License.

7. CUSTOMER SERVICE

7.1. *Standards:* The Licensee shall comply with the FCC's cable television customer service and notice regulations codified at 47 C.F.R. § 76.309(c), 47 C.F.R. § 76.1602, and 47 C.F.R. § 76.1603, as amended, and the billing and termination of service provisions contained in 207 CMR § 10.00, as amended; provided, however, that Licensee may satisfy the requirements of 47 C.F.R. § 76.309(c)(1)(v) through its website. For Subscriber equipment pick-up, the Licensee shall provide for one or more of the following methods: (i) setting a specific appointment time or four (4) hour time period during Normal Business Hours, during which Licensee's representative(s) shall visit the Subscriber's premises to pick-up or exchange Subscriber equipment; (ii) using a mailer; or (iii) establishing a reasonably convenient location for the pick-up and exchange of Subscriber equipment. Measurement of the telephone availability standards in 47 C.F.R. § 76.309(c)(1)(ii) shall include all calls received by the Licensee at all call centers receiving calls from Subscribers, whether they are answered by a live representative, by an automated attendant, or abandoned after thirty (30) seconds of call waiting.

7.2. *Outage Credits:* In the event that all Cable Service is interrupted for twenty-four (24) or more hours, Licensee will grant affected Subscribers a pro rata credit or rebate.

7.3. *Denial of Service:* Subject to applicable laws and regulations, nothing in these standards shall limit the right of the Licensee to deny Cable Service for non-payment of previously provided Cable Services, refusal to pay any required deposit, theft of Cable Service,

damage to the Licensee's equipment, abusive and/or threatening behavior toward the Licensee's employees or representatives, refusal to provide credit history information or refusal to allow the Licensee to validate the identity, credit history and credit worthiness via an external credit agency, or failure to abide by the Licensee's terms and conditions of service.

8. REPORTS AND RECORDS AND PERFORMANCE EVALUATIONS

8.1. *Open Books and Records*: Upon at least thirty (30) business days written notice to the Licensee, the Issuing Authority or its designee shall have the right to inspect at a location reasonably and mutually convenient to the parties hereto the Licensee's books and records pertaining to the Licensee's provision of Cable Service in the Town at any time during Licensee's regular business hours and on a reasonable and nondisruptive basis, as is reasonably necessary to ensure compliance with the terms of this License. Such notice shall specifically reference the section or subsection of this License which is under review, so that the Licensee may organize the necessary books and records for appropriate access by the Issuing Authority. The Licensee shall not be required to maintain any books and records for License compliance purposes longer than three (3) years. Notwithstanding anything to the contrary set forth herein, the Licensee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Town. If the Licensee believes that the requested information is proprietary or confidential, the Licensee shall provide the following information to the Issuing Authority: (i) specific identification of the information; (ii) a statement attesting to the reason(s) the Licensee believes the information is confidential; and (iii) a statement that the documents are available at the Licensee's designated offices for inspection by the Issuing Authority. The Issuing Authority shall take reasonable steps consistent with applicable law to protect the proprietary and confidential nature of any books, records, maps, plans or other documents requested by the Issuing Authority that are provided pursuant to this License to the extent they are designated as such by the Licensee. In the event that the Issuing Authority receives a request to disclose any information provided to the Issuing Authority by the Licensee pursuant to this License, which information is deemed by the Licensee to be confidential or proprietary, then the Issuing Authority shall promptly notify the Licensee in writing of such request, prior to disclosure of such information, consistent with applicable law, and to maintain such information as confidential and proprietary consistent with applicable law. The Licensee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. § 551.

8.2. *Records Required*: The Licensee shall at all times maintain:

8.2.1. Records of all written Complaints for a period of three (3) years after receipt by the Licensee.

8.2.2. Records of outages for a period of three (3) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

8.2.3. Records of service calls for repair and maintenance for a period of three (3) years after resolution by Licensee, indicating the date and time service was required, the

date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

8.3.4. Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by Licensee, indicating the date of request, date of acknowledgment, and the date and time service was extended;

8.3.5. Financial records necessary for the Issuing Authority to conduct an audit pursuant to Section 6.8 above for a period of three (3) years; and

8.3.6. A map showing the area of coverage for the provisioning of Cable Services.

8.3. *Additional Reports*: The Licensee shall, upon written request by the Issuing Authority, provide the Issuing Authority with a copy of any documents or forms filed by the Licensee with the FCC and/or the DTC that materially pertain to the Licensee's Cable System in the Town.

8.4. *Proof of Performance Tests*: Upon written request of the Issuing Authority, the Licensee shall provide copies of performance tests required by applicable law.

8.5. *Performance Evaluations*: The Licensee, if requested in writing by the Issuing Authority, shall attend a performance evaluation hearing no more than once per year. Nothing in this Section 8.8 shall limit any rights that the Issuing Authority may have to conduct additional hearings and/or compel the Licensee's attendance at such hearing. The Issuing Authority shall provide Licensee with the results of its performance evaluation in writing within sixty (60) days after the conclusion of such hearing.

8.6. *Quality of Service*: If there exists credible evidence which, in the reasonable judgment of the Issuing Authority, casts doubt upon the reliability or technical quality of the Licensee's Cable Services in the Town, then, after notice to the Licensee and an opportunity to cure, the Issuing Authority shall have the right to require the Licensee to test, analyze and report in writing on the performance of the Cable System.

9. INSURANCE AND INDEMNIFICATION

9.1. *Insurance*:

9.1.1. The Licensee shall maintain in full force and effect, at its own cost and expense (including all deductibles) during the term of this License, the following insurance coverage:

9.1.1.1. Commercial General Liability Insurance in the amount of five million dollars ($5,000,000) per occurrence for property damage and bodily injury (including

death) and five million dollars ($5,000,000) general aggregate. Such insurance shall cover the construction, operation, maintenance and removal of the Cable System, and the conduct of Licensee's Cable Service operations and business in the Town.

9.1.1.2. Commercial Automobile Liability Insurance covering all owned, non-owned, hired and/or rented motor vehicles in the amount of five million dollars ($5,000,000) combined single limit each accident for bodily injury and property damage coverage.

9.1.1.3. Workers' Compensation Insurance in compliance with the statutory requirements of the states of operation and Employers' Liability Insurance in the following amounts: (A) $100,000 Bodily Injury by Accident; (B) $100,000 Bodily Injury by Disease-each employee; and $500,000 disease-policy limit.

9.1.2. The Town shall be included as an additional insured as their interests may appear under this License on the Commercial General Liability Insurance and Commercial Automobile Liability Insurance required herein.

9.1.3. Upon receipt of notice from its insurer(s), Licensee shall provide the Issuing Authority with thirty (30) days' prior written notice of cancellation of any required coverage.

9.1.4. Each of the required insurance policies shall be with insurers qualified to do business in the State, with a A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition or its successor.

9.1.5. Licensee shall deliver to the Issuing Authority Certificates of Insurance showing evidence of the required coverage.

9.1.6. All insurance shall be primary with respect to any insurance maintained by the Town and shall not call on the Town's insurance for contribution.

9.1.7. The Licensee shall require that every one of its contractors and their subcontractors carry in full force and effect, substantially the same insurance with substantially the same amounts as required of Licensee herein.

9.1.8. Neither this Section 9.1, nor the provision of insurance or insurance proceeds pursuant to this Section 9.1, shall limit the liability of the Licensee or its obligation to indemnify the Town pursuant to this License.

9.2. *Indemnification*:

9.2.1. The Licensee shall, at its sole cost and expense, defend, indemnify, and hold harmless the Issuing Authority, the Town, its officials, boards, commissions, committees, agents and/or employees (hereinafter referred to as the "Town" for purposes of this Section 9.2) against all claims for damage, suits, causes of action, proceedings, judgments, including for damage to Persons or property, real or personal, due to the acts or omissions of the Licensee, its employees, officers or agents arising out of the installation, maintenance and/or operation of the Cable System

under this License. Indemnified expenses shall include all reasonable attorneys' fees and costs incurred by the Town up to such time that the Licensee assumes defense of any action hereunder. The Town shall give the Licensee timely written notice of its obligation to indemnify, hold harmless and defend the Town, provided that in any event the Town shall provide the Licensee with such written notice within a period of time that allows the Licensee to take action to avoid entry of a default judgment and does not prejudice the Licensee's ability to defend the claim or action.

9.2.2. With respect to the Licensee's indemnification obligations set forth in Section 9.2.1, the Licensee shall, at its own expense, provide the defense of any claims, suits, causes of action or proceedings brought against the Town by selecting counsel of Licensee's choice to defend the claim, subject to applicable professional ethics and responsibility laws and the consent of the Town, which shall not unreasonably be withheld. The Licensee shall, subject to the consent of the Town as described herein, have the right to defend, settle or compromise any claim or action arising hereunder, and the Licensee shall have the authority to decide the appropriateness and amount of any such settlement, so long as the settlement includes a full release of the Town with respect to the claim giving rise to Licensee's indemnification obligation. In the event that the Town does not consent to the terms of any such settlement or compromise, the Licensee shall not settle the claim or action but its obligation to indemnify the Town shall in no event exceed the amount of the otherwise agreed upon settlement. Nothing herein shall be deemed to prevent the Town from cooperating with the Licensee and participating in the defense of any litigation by its own counsel at its own cost and expense.

9.2.3. Neither the provisions of this Section 9.2, nor any damages recovered by the Town shall be construed to limit the liability of the Licensee or its subcontractors for damages under this License or to excuse the faithful performance of obligations required by this License, except to the extent that any monetary damages suffered by the Town have been satisfied by a financial recovery under this section or other provisions of this License.

9.3. The Licensee shall maintain, without charge to the Town, throughout the term of the License a faithful performance bond running to the Town, with good and sufficient surety licensed to do business in the State in the sum of Twenty Thousand Dollars ($20,000). Said bond shall be conditioned upon the faithful performance and discharge of all of the obligations imposed by this License. The performance bond shall be effective throughout the term of this License and thereafter until the Licensee has satisfied all of its obligations to the Town that may have arisen from this License or from the exercise of any privilege herein granted and shall be conditioned that in the event that the Licensee shall fail to comply with any one or more provisions of this License, or to comply with any order, permit or direction of any department, agency, commission, board, division or office of the Town having jurisdiction over its acts, or to pay any claims, liens or taxes due the Town which arise by reason of the construction, upgrade, maintenance and/or operation of the Cable System, the Town shall recover from the surety of such bond all damages suffered by the Town as a result thereof, pursuant to Article 13 below. Said bond shall be a continuing obligation of this License, and thereafter until the Licensee has satisfied all of its obligations to the Town that may have arisen from the grant of the License or from the exercise of any privilege herein granted. In the event that a performance bond provided pursuant to this License is not renewed or cancelled, the Licensee shall provide a new performance bond pursuant to this Section within thirty (30) days of such failure to renew or cancellation. Neither

cancellation, nor termination nor refusal by the surety to extend the bond, nor the inability of the Licensee to file a replacement bond or replacement security for its obligations under this License, shall constitute a loss to the Town recoverable under the bond. Neither this Section, any bond accepted pursuant thereto, nor any damages recovered thereunder shall limit the liability of the Licensee under the License. Recourse by the Issuing Authority of remedies available under this Section shall not be exclusive of other lawful remedies available to the Town at law and equity.

10. RENEWAL OF LICENSE

The Issuing Authority and the Licensee agree that any proceedings undertaken by the Issuing Authority that relate to the renewal of this License shall be governed by and comply with the provisions of Section 626 of the Communications Act (47 U.S.C. § 546) and the applicable provisions of the Massachusetts Cable Law.

11. ENFORCEMENT AND TERMINATION OF LICENSE

11.1. *Notice of Violation*: If at any time the Issuing Authority believes that Licensee has not complied with the terms of this License, the Issuing Authority shall informally discuss the matter with the Licensee, however the Issuing Authority reserves the right to inform the Licensee of such non-compliance in writing prior to informal discussions. If such informal discussions do not lead to resolution of the problem in a reasonable time, the Issuing Authority shall then notify Licensee in writing of the exact nature of the alleged noncompliance (for purposes of this Article, the "Noncompliance Notice").

11.2. *The Licensee's Right to Cure or Respond:* The Licensee shall have thirty (30) days from receipt of the Noncompliance Notice to: (i) respond in writing to the Issuing Authority, if the Licensee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such thirty (30) day period, initiate reasonable steps to remedy such noncompliance as soon as reasonably possible, continue such efforts until said noncompliance is cured, and notify the Issuing Authority at no more than twenty-one (21) day intervals as to the Licensee's efforts and progress to remedy such noncompliance. If the Licensee believes it has cured the subject noncompliance, it shall provide written notice of such to the Issuing Authority. The Issuing Authority shall provide the Licensee with written confirmation that such cure has been effected.

11.3. *Public Hearing*: In the event that the Licensee fails to respond to the Noncompliance Notice pursuant to the procedures set forth in Section 11.2 above, and if the Issuing Authority seeks to continue its investigation into the alleged noncompliance, then the Issuing Authority shall schedule a public hearing. The Issuing Authority shall provide the Licensee at least thirty (30) days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing and whether revocation of this License is a possible consequence. At any designated public hearing where revocation of this License is not a possible consequence, the Licensee shall be provided a fair opportunity for full participation, including the right to be represented by legal counsel and to introduce relevant evidence. At any designated public hearing where revocation of this License is a possible consequence, the Licensee

shall be provided a fair opportunity for full participation, including the right to be represented by legal counsel and to introduce relevant evidence, and shall also have the right to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the Issuing Authority, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. Unless otherwise agreed to in writing by the parties, a complete record shall be made of such hearing with the cost shared by the parties. Within thirty (30) days of the close of the hearing, the Issuing Authority shall issue a written determination of its findings.

11.4. *Enforcement:* In the event the Issuing Authority, after the public hearing set forth in Section 11.3 above, determines that the Licensee is in default of any provision of this License, the Issuing Authority may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages;

11.4.2. Commence an action at law for monetary damages or seek other equitable relief;

11.4.3. Submit a claim against an appropriate part of the performance bond pursuant to Section 9.3 above;

11.4.4. In the case of a substantial noncompliance of a material provision of this License, seek to revoke this License in accordance with Section 11.5; or

11.4.5. Invoke any other lawful remedy available to the Town.

11.5. *Revocation*: In the event that the Issuing Authority determines that it will revoke this License pursuant to Section 11.4 above, the Licensee may appeal such written determination of the Issuing Authority to an appropriate court or to the Cable Division, which shall have the power to review the decision of the Issuing Authority consistent with applicable law and regulation. The Licensee shall be entitled to such relief as the Cable Division or court finds appropriate. Such appeal must be taken within sixty (60) days of the Licensee's receipt of the written determination of the Issuing Authority. The Issuing Authority may, at its sole discretion, take any lawful action that it deems appropriate to enforce the Issuing Authority's rights under this License in lieu of revocation of this License.

12. MISCELLANEOUS PROVISIONS

12.1. *Actions of Parties*: In any action by the Issuing Authority or Licensee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner.

12.2. *Jurisdiction*: Jurisdiction and venue over any dispute, action or suit arising out of this License shall be in a federal or State court of appropriate venue and subject matter

jurisdiction located in the State, and the parties hereby agree to be subject to the personal jurisdiction of said court for the resolution of any such dispute.

12.3. *Binding Acceptance*: This License shall bind and benefit the parties hereto and their respective receivers, trustees, successors and assigns, and the promises and obligations contained in Article 9- Insurance and Indemnification and Article 10 – Performance Bond herein shall survive the revocation, termination or expiration date hereof.

12.4. *Preemption*: In the event that federal or State law, rules, or regulations preempt a provision or limit the enforceability of a provision of this License, such provision shall be read to be preempted to the extent and for the time, but only to the extent and for the time, required by law. In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the Issuing Authority.

12.5. *Exhibit*: The Exhibit to this License attached hereto, and all portions thereof, are, except as otherwise specified in such Exhibit, incorporated herein by reference and expressly made a part of this License.

12.6. *Equal Employment Opportunity*: The Licensee shall adhere to applicable Equal Employment Opportunity regulations of the FCC and to all federal, State and local laws pertaining to discrimination, equal employment opportunity and affirmative action that are applicable to the Licensee.

12.7. *Force Majeure*: If by reason of Force Majeure, either party is unable in whole or in part to carry out its obligations hereunder, said party shall not be held in default under, or in noncompliance with, the provisions of the License, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults were caused by a Force Majeure, provided that the party takes reasonable steps under the circumstances to comply with the obligations of the License to the maximum extent possible without endangering the health or safety of its employees, its property, the public or public property. In the event that any such delay in performance or failure to perform affects only part of the party's capacity to perform, the party shall perform to the maximum extent it is able to do so in as expeditious a manner as possible under the circumstances.

12.8. *Acts or Omissions of Affiliates*: During the term of this License, the Licensee shall be liable for the acts or omissions of its Affiliates to the extent arising out of any such Affiliate's installation, maintenance or operation of the Cable System to provide Cable Services in the Town.

12.9. *Delivery of Payments:* Licensee may use electronic funds transfer to make any payments to the Town or Issuing Authority required under this License. Said electronic transfer must be in the form, including necessary explanatory information and documentation, and to the account, all as reasonably required by the Town or Issuing Authority.

12.10. *Warranties*: Each party hereto warrants, represents and acknowledges to the other party that, as of the Effective Date, such party has the requisite power and authority under applicable law and its organizational documents, if any, and is authorized and has secured all consents, if any, which are required to be obtained as of the Effective Date, to enter into and be legally bound by the terms of this License.

12.11. *Notices*: Unless otherwise expressly stated herein, notices required under this License shall be forwarded in one of the following ways: (i) hand delivered (signature required), (ii) sent by express mail (signature required) or (iii) by certified mail/return receipt requested to, to the addressees below. Each party may change its designee by providing written notice to the other party.

Notices to the Licensee shall be to:

Verizon New England Inc.
6 Bowdoin Square
10th Floor
Boston, MA 02114
Attention: Niall Connors, Franchise Service Manager

with a copy to:

Verizon Legal Department

William H. Solomon
Cable Counsel
2 Old Petersham Road

New Salem, MA 01355

12.12. *Entire Agreement*: This License and the Exhibit hereto constitute the entire agreement between the Licensee and the Issuing Authority, and supersede all prior or contemporaneous agreements, representations or understandings (written or oral) of the parties regarding the subject matter hereof.

12.13. *Captions and Headings*: The captions and headings of articles and sections throughout this License are intended solely to facilitate reading and reference to the sections and provisions of this License. Such captions and headings shall not affect the meaning or interpretation of this License.

12.14. *Amendments and Modifications*: Amendments or modifications to this License shall be mutually agreed to in writing by the parties, unless otherwise specified herein.

12.15. *Severability*: If any section, subsection, sentence, paragraph, term or provision hereof is determined to be illegal, invalid, unconstitutional or unenforceable by any court of competent jurisdiction or by any State or federal regulatory authority having jurisdiction thereof, such determination shall have no effect on the validity of any other section, subsection, sentence, paragraph, term or provision hereof, all of which will remain in full force and effect for the term of this License.

12.16. *Recitals*: The recitals set forth in this License are incorporated into the body of this License as if they had been originally set forth herein.

12.17. *No Recourse Against Issuing Authority*: Pursuant to Section 635A(a) of the Communications Act (47 U.S.C. §555(a)), the Licensee shall have no recourse against the Issuing Authority, the Town and/or its officials, members, employees or agents, other than injunctive relief or declaratory relief, arising from the regulation of Cable Service or from a decision of approval or disapproval with respect to a grant, renewal, transfer, or amendment of this License.

12.18. *Town's Right of Intervention*: The Town hereby reserves the right, as authorized by applicable law and/or regulation, to intervene in any suit, action or proceeding involving this License, or any provision in this License; provided, however, that this section shall not restrict the right of the Licensee to oppose such intervention, pursuant to applicable law.

12.19. *FTTP Network Transfer Prohibition*: Under no circumstance including, without limitation, upon expiration, revocation, termination, denial of renewal of this License or any other action to forbid or disallow the Licensee from providing Cable Services, shall the Licensee or its assignees be required to sell any right, title, interest, use or control of any portion of the Licensee's FTTP Network including, without limitation, the Cable System and any capacity used for Cable Service or otherwise, to the Town or any third party. The Licensee shall not be required to remove the FTTP Network or to relocate the FTTP Network or any portion thereof as a result of revocation, expiration, termination, denial of renewal or any other action to forbid or disallow the Licensee from providing Cable Services. This provision is not intended to contravene leased access requirements under Title VI or the PEG requirements set out in this License.

12.20. *Interpretation*: The Town and the Licensee each acknowledge that it has received independent legal advice in entering into this License. In the event that a dispute arises over the meaning or application of any term(s) of this License, such term(s) shall not be construed by the reference to any doctrine calling for ambiguities to be construed against the drafter of the License.

12.21. *No Third-Party Beneficiaries*: The provisions of this License are for the benefit of the Licensee and the Issuing Authority and not for any other Person.

12.22. *Counterparts:* This License may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument. Further, this License may be executed by facsimile, email, electronic signature or other electronic means, and so executed shall have the full force and legal effect as an executed original of this License.

Cc: Sheri Widdiss
Subject: Appointment to ConCom - Widdiss

Good Morning Melanie,

At last night's Conservation Commission meeting, they unanimously voted (4-0-0) to request the Select Board to appoint Sheri Widdiss to the Commission. Sheri is a previous Commissioner that has extensive experience in wetlands protection and open space due due to her job experience. Sheri provided invaluable insight and assistance during her time previously on the Commission and we are excited to have her back.

Sheri did come to our Commission meeting last night as well to introduce herself to newer members so the Commission who were enthusiastic to have her appointed as soon as possible.

Thank you!

Sincerely,

Melissa Danza, CESSWI
Conservation Agent

Notice of
PUBLIC HEARING
Town of Southborough

The Southborough Select Board shall hold a public hearing on Tuesday, July 16, 2024 at 6:30 p.m. in the Hearing Room of the Southborough Town House, 17 Common Street, Southborough, MA to consider proposed revisions to Transfer Station Rules and Regulations for FY25, including potential changes to the fees charged for transfer station stickers. Interested citizens may attend and provide their comments. Online participation is also permitted and can be found by visiting the "Virtual Meeting" page on the Town website: https://www.southboroughtown.com/674/Virtual-Meetings.

Enclosure: Proposed revisions of the FY24 Transfer Station Rules & Regulations

Select Board
Town of Southborough

TOWN OF SOUTHBOROUGH TRANSFER STATION
LOCATED AT THE JOHN BOLAND PUBLIC WORKS FACILITY
147 CORDAVILLE ROAD, SOUTHBOROUGH, MA 01772

HOURS OF OPERATION: WEDNESDAY THROUGH SATURDAY 8AM-6PM

The SWAP SHOP closes daily at 5:00 p.m. and will be closed if conditions warrant. ~~Gate at entrance & exit will close~~Facility closes promptly at 6:00 p.m. when the entrance and exit gates will be locked. ~~All u~~Users ~~should plan on coming well before~~may be politely asked to leave the facility by 6:00 p.m.~~, especially if they are~~ if they did not provide ample time to offload their recycling materials & brush or discarding large quantities of refuse. Failure to leave the facility by 6:00 pm may result in revocation of your Transfer Station permit.

GENERAL

The Southborough Transfer Station is for the disposal of **RESIDENTIAL** refuse and the recycling of **RESIDENTIAL** materials generated in Southborough by Southborough residents. **Commercial Refuse will not be accepted.** Residents are required to obtain and display a Transfer Station permit, in the form of a sticker, each year to gain access to the Transfer Station. See the Town's website, www.southboroughtown.com, for further clarification regarding residential versus commercial refuse.

DISPOSAL RULES

a) The attendants on duty have full authority over the disposal and recycling areas. Residents using the transfer station must follow the attendant's directions. If a DPW attendant sees that a permit is not ~~affixed they have the authority to affix it for you~~permanently adhered to the vehicle they may deny service until the sticker is permanently affixed to the permitted vehicle, if the vehicle registration number does not match your vehicle, they ~~will~~ may confiscate your permit. ~~and you will be fined.~~ Either of these scenarios may result in a fine and/or permit revocation.

b) Identification, proof of payment (permit) and temporary passes must be shown upon request of the attendant.

c) Only household trash generated in Southborough shall be disposed of at this facility.

~~c)~~d) In addition to these regulations, State Solid Waste Laws and Regulations apply to waste disposal at this facility (MGL 21H; MGL CH 111 §150A; MGL CH 21E; MGL CH 21D; and 310 CMR). Failure to comply with the Local or State Laws and Regulations may result in permit revocation and/or fines. See: https://www.mass.gov/lists/waste-recycling-laws-rules for more information.

OBTAINING TRANSFER STATION PERMITS

Please call the DPW at 508-485-1210 with any questions

WHEN TO PURCHASE PERMITS

a) New permits may be purchased starting on July 1; they are valid to use upon purchase.

b) The new permit must be in place by September 15 of each year or the vehicle will be denied access to the transfer station.

HOW TO PURCHASE PERMITS

ONLINE	https://southboroughma.viewpointcloud.com/ There is a transaction fee for credit/debit and e-check transactions
BY MAIL	Please use mail-in application. Make checks payable to: **TOWN OF SOUTHBOROUGH** Mail to or drop off at: Southborough DPW 147 Cordaville Rd. Southborough, MA 01772
IN PERSON AT THE DPW	Bring a copy of the vehicle registrations you want stickers on (up to 4) along with a check, credit/debit (there is a transaction fee), ***NO CASH***. Mon. through Fri. 7:30AM to 4:00 PM Southborough DPW 147 Cordaville Road Southborough, MA 01772

Permits CANNOT be purchased at the Transfer Station

PERMIT FEE SCHEDULE

PERMIT FEE IS NON-REFUNDABLE	Non-Senior Residents	Senior Residents *
	Any time After July 1	Any time After July 1
1st Permit	$ ~~275~~285.00	$ 40.00
Additional Permits (up to 3)	$ 20.00 each	$ 10.00 each
PRO-RATED PERMIT - New Residents ONLY		
Available for purchase 11/1 to 6/30	$22.92*/Mo. from month of home purchase to Aug. 30.	

*** SENIOR RESIDENTS** - Residents who are owners of record of a Southborough residence, a lessee or renter who will turn age 65 on or before 12/31/~~23~~24

PLACEMENT OF PERMIT

a) The Transfer Station permit must be permanently affixed on the outside of the vehicle on the VERTICAL SURFACE of the driver's side FRONT bumper or driver's side FRONT windshield on the vehicle permitted. Transfer Station permits must be visible at all times. Permits are valid upon purchase so please affix permit to vehicle immediately.

TEMPORARY PASSES

a) Sometimes valid permit holders may require the use of an un-permitted vehicle to transport refuse and other items to the transfer station. In such instances, a temporary pass may be issued. A temporary pass will be valid for not more than two (2) weeks and may be renewed one (1) time, at the discretion of the DPW Office. To receive a temporary pass residents must:
   - Be a valid permit holder
   - Supply the make, model, color, owner's name, address, and registration number of the alternate vehicle
   - Request a temporary permit at the DPW Office

INABILITY TO PAY

a) Transfer Station Permit Fee may be waived upon approval by the Select Board. Approval will be based on an inability to pay or an extreme hardship. A online application is available at: https://tinyurl.com/TS-Waiver ~~https://www.southboroughtown.com/DocumentCenter/View/533/Sticker-Fee-Waiver-Application-PDF~~. The DPW will issue the permit for an approved waiver.
b) Waivers are valid for one permit year at a time.

VEHICLES

Only cars and pickup trucks that have a current Southborough transfer station permit, or a valid temporary pass, and that are carrying **residential household trash** will be admitted to the town transfer station.

RESIDENTIAL VEHICLE DESCRIPTIONS

a) ***Cars***: All passenger cars, station wagons, SUVs, mini-vans and full-size window vans registered as passenger vehicles.
b) ***Pickups***: All single rear wheel pickup trucks and vans with a gross vehicle weight (GVW) rating less than 11,500 lbs., registered to a resident.

VEHICLES NOT ALLOWED (regardless of GVW or registration)

(1) No pickups with bed hoists or dump

(2) No high cube vans or Delivery Box Trucks

(3) No utility trailer over 10 ft. long

~~FOR INFORMATION ABOUT DISPOSAL OR FUNDRAISING CALL THE TRANSFER STATION (508) 485-2511 or DPW (508) 485-1210~~

~~**HOUSEHOLD HAZARDOUS WASTE DAY - CRT COLLECTION DAY -- October 21, 2023**~~

~~YOU MUST HAVE A VALID PERMIT TO PARTICIPATE IN HAZARDOUS WASTE DAY~~

~~CRTs WILL BE COLLECTED FOR A FEE~~

~~Please note the transfer station is under video surveillance.~~

GENERAL INFORMATION

- All Permits must have the license plate numbers of the vehicle that they are assigned to written on them.
- Vehicles with permits that do not match the vehicle's plate number will be in violation of the Transfer Station Rules and Regulations.
- Residents whose plate number is on a permit that is attached to a vehicle with a different plate number are also in violation of the Transfer Station Rules and Regulations.
- A permit is only valid if it is affixed in the correct location, to a vehicle whose plate number matches that written on the permit.
- All areas of the Transfer Station, including the Swap Shop and all donation containers, are restricted to use only by current Southborough residents with a valid permit.
- A permit is no longer valid if the resident has moved from Southborough.
- Removing materials from recycling bins, compactors, Goodwill and Habitat ReStore is prohibited.
- Salvaging parts in the metal pile is prohibited.
- Climbing over fences or into or onto bins, compactors or the metal pile is prohibited.
- The Southborough transfer station does not accept cathode ray tubes (CRTs) or flat screen monitors and TVs. CRTs are computer monitors and televisions that have picture tubes. There is a yearly CRT collection at Household Hazardous Waste Day when these can be recycled for a fee. Information regarding other recycling options is available at the DPW.

IT IS AGAINST THE LAW TO DISPOSE OF CRTS AS REFUSE

HOUSEHOLD HAZARDOUS WASTE DAY - CRT COLLECTION DAY – October ~~21~~19, ~~2023~~2024 -- YOU MUST HAVE A VALID PERMIT TO PARTICIPATE IN HHW DAY– CRTs WILL BE COLLECTED FOR A FEE

~~2023~~2024 - ~~2024~~2025 ALL

VIOLATIONS AND FINES

In compliance with Article III entitled, "Transfer Station, Violations and Fines" of Chapter 36 of the Code of the Town of Southborough entitled "Selectmen" the following shall apply:

36.6 Pursuant to the duly promulgated Rules and Regulations of the Select Board, valid transfer station permits will be required for all residents utilizing the transfer station and its related facilities.

36.7 Failure to adhere to the provisions of the Selectmen's Rules and Regulations, as duly posted at the Transfer Station, will result in the issuance of a warning letter from the Superintendent of the Department of Public Works.

36.8 Subsequent violations of the Rules and Regulations at the Transfer Station, after the first warning letter has been issued, will result in a fine for each subsequent violation. Fines are set annually by the Select Board and shall be paid within thirty (30) days on notification from the Select Board or their designee.

36.9 The Select Board will govern the process for administrating the imposition of fines, which may be appealed to the Select Board or their designee within thirty (30) days of the date of notification by the Town. After due notice and hearing, the Select Board or their designee shall have the authority to uphold, modify or repeal any such fine imposed. No fine will be delinquent while an appeal is pending before the Board or their designee. Violators shall have ten (10) days to pay said fines if notified by the Selectmen or their designee that the appeal has been denied. No transfer station permit will be issued to residents with delinquent fines.

36.10 The Police Department is further authorized to prosecute any delinquent unpaid fines pursuant to the applicable provisions of state statute.

Open: Wednesday through Saturday 8 a.m. to 6 p.m.

FOR INFORMATION ABOUT DISPOSAL OR FUNDRAISING CALL THE TRANSFER STATION (508) 485-2511 or DPW (508) 485-1210

Please note the transfer station is under video surveillance.

UNACCEPTABLE WASTE

Notice of
PUBLIC HEARING
Town of Southborough

The Southborough Select Board shall hold a public hearing on Tuesday, July 16, 2024 at 6:30 p.m. in the Hearing Room of the Southborough Town House, 17 Common Street, Southborough, MA to consider proposed revisions to Water Regulations for FY25. Interested citizens may attend and provide their comments. Online participation is also permitted and can be found by visiting the "Virtual Meeting" page on the Town website: https://www.southboroughtown.com/674/Vil-Meetings.

Enclosure: Proposed revisions of the Water Regulations

Select Board
Town of Southborough

INTEROFFICE MEMO

To: Selectboard as Water Commissioners
cc: Mark Purple, Executive Administrator
From: William J. Cundiff, P.E., DPW Superintendent
Date: June 13, 2024
RE: Water Regulation Revision – Work on Private Property

The Water Department Rules and Regulations (adopted 1/27/1987), are outdated and need to be revised. The plan is to revamp these regulations in their entirety in FY25. However, currently there is one aspect of the regulations that should be revised forthwith.

Section V. B. (page 17) states:

> *"All service pipes one-inch in diameter and less up to and including the shut-off valve before the meter shall be maintained by the Water Department."*

Proposed Revision:

> *"All water service pipes located between the water main and the curb stop ~~one-inch in diameter and less up to and including the shut-off valve before the meter~~ shall be maintained by the Water Department. Water services located between the curb stop and the water meter shall be maintained by the customer/owner. Water Service leaks between the curb stop and the meter may result in water shut-off until the leak is repaired."*

The logic associated with this revision pertains largely to liability (as well as cost) associated with work on private property for water service lines that were installed by private builders (unlike water mains installed by the Water Department). Over the years, we have identified many issues with service line construction ranging from less than ideal locations (ie. Under walls, driveways, walkways, decks, interior cabinets or finished basements, etc) as well as poor construction quality (backfill containing boulders over pipe, different pipe materials, etc.). Leaking service lines have cost the water department tens of thousands of dollars in the past and sometimes result in lingering customer dissatisfaction with the quality of restoration (ie. Walkways, driveways, decks, cabinets, etc.). On occasion, an insurance claim will be filed. The bottom line is the water department should not be digging up private property.

Accordingly, I am requesting the Select Board to approve the above regulation change.

I. GENERAL INFORMATION

A. Definitions

1. Water Department - The Water Department of the Town of Southborough, Massachusetts as represented by its Board of Water Commissioners, Superintendent or duly authorized employees or agents.

2. Application for Water Service - The form signed by the customer or his designated representative for the purposes of obtaining water service from the distribution system which shall be considered as a contract between the Water Department and the applicant.

3. Customer - The party making application for water service to any dwelling unit or units, commercial business, corporation, industry or government agency.

4. Distribution System - The system of existing water mains which are installed or presently located in accepted roadway layouts, rights of way or easements within the corporate limits of the Town of Southborough which provide water for fire protection and domestic service.

5. Water Service - The pipe extending from the distibution main to the customers dwelling or other structure, up to and including the water meter.

6. Single Family Dwelling - A single family home used as temporary or permanent living quarters.

7. Multiple Dwellings - Multiple dwellings shall be deemed to include but not be limited to, duplex homes,

nursing homes, apartment buildings, town houses, elderly or family housing complexes, or condominiums.

8. Commercial Structures - Commercial structures shall be deemd to include but not be limited to hotels, motels, restaurants, department stores, food markets, or other facilities furnishing consumer or user services.

9. Industrial Structures - Structures where goods are manufactured, stored, or dispensed for consumer use.

B. Service Area

The territory served by the Water Department to the extent of the Town's corporate boundries.

C. Office Location and Hours of Work

The offices of the Water Department are located at Common Street, Southborough, Massachusetts, 01772. The office is open Monday through Friday from 7:00 AM to 12:00 PM and from 12:30 PM to 4:00 PM. The office is closed Saturdays, Sundays and on legal holidays.

Scheduled meetings of the Board of Water Commissioners

Meetings held every other Tuesday at 7:30 P.M. at the Water Department Office, Common Street, Southborough, MA 01772.

Appointment to be made seventy-two (72) hours in advance for Board of Water Commissioners meeting to be put on the agenda, or discretion of the Board.

Information may be obtained by calling (617) 485-1845 during normal business hours.

D. Application for Water Service

Application for water service must be made by the customer or his designated representative and signed in writing at the office of the Water Department on forms provided by the Water Department, stating fully and truly the use to which the water is to be applied.

1. An approval of the application by the Board of Water Commissioners or their duly authorized representatives shall constitute a contract between the Water Department and the applicant, obligating the applicant to pay the Water Department its established rates and charges and to comply fully with these Rules and Regulations.

2. The Water Department reserves the right to assign the size and location for the water service.

3. Applications will be approved subject to an existing main in an accepted roadway, right-of-way or easement abutting the premises to be serviced, but approval shall in no way obligates the Water Department to extend its mains to service the premises or to cause increasing pressures or volume of water to said premises, except as may be hereinafter provided.

4. The rendering of service by the Water Department and the acceptance thereof by the customer shall be deemed a valid contract between the parties, their heirs, assigns or succcessors, including and subject to all the provisions of the Water Department's rates, rules and regulations applicable to that service, whether or not a

signed application is made by a customer and accepted by the Water Department.

5. Use of water is to be confined to the premises named in the contract. No customer shall supply another not entitled to the use of water, nor shall be use it for any purpose not mentioned in his application. No person shall obtain water service from any hydrant, or other fixture of the distribution system without previous consent of the Water Department.

6. A set fee of deposit shall be made with each application.

7. The Water Department superintendent shall investigate each application and make a recommendation to the Board of Water Commissioners is deemed necessary within fourteen (14) days of receipt thereof. The Board shall render their decision on each application within fourteen (14) days of receipt of each recommendation.

8. Upon completion of a water service installation or water main extension, any outstanding balance due and payable to the Water Department for services rendered shall be due and payable within 30 calendar days.

9. The Board of Water Commissioners reserves the right to delay a request for approval of any occupancy permit that may be required pending full payment on outstanding accounts.

E. Emergency Services. Emergencies may be reported after normal working hours and on weekends and holidays to the Southborough Police Department.

II. WATER RATES

A. General

Each customer shall be billed for water usage at the prescribed current rates in force at the time of billing.

1. Checks should be made payable to the Town of Southborough. Remittances in cash sent by mail are at the customers risk. If receipts are requested, a stamped self-addressed envelope shall be enclosed with each remittance.

2. A penalty fee shall be assessed for checks submitted and returned to the Tax Collectors for insufficient funds and for late payment of water bills. Such penalties shall be as established from time to time by the Board of Water Commissioners and Collectors Office.

3. The failure of the customer or his agent to receive notice of his water bill does not relieve him of the obligation of its payment nor from the consequences of its non-payment.

B. Domestic Accounts

Water usage shall be billed quarterly.

1. Bill periods shall be as follows:

a. January

b. April

c. July

d. October

2. Payment is due within 30 calendar days of the date of mailing, however after 45 days all bills are subject to 10% penalty.

3. In the event that meters are stopped, frozen or otherwise damaged, or entry for reading purposes cannot be made, water usage shall be based on the prevailing minimum rate or may be averaged over previous billing periods at the discretion of the Water Department.

C. Commercial and Industrial Accounts

For commercial and industrial accounts, billings shall be made on a monthly basis.

1. All meters shall be read starting the tenth day of each month or the closest working day thereto.

2. Billings for metered service shall be sent out by the tenth day of the following month of the meter readings. Bills shall be paid within thirty (30) days of the date of billing.

3. Failure to make such payment shall subject the customer to the provisions for delinquent accounts.

D. Policy for Granting Abatements to Water Bills. The policy of the Board of Water Commissioners in cases involving higher than ususal water bills due to excessive use of water in a billing period is to grant an abatement as outlined below. The following ocnditions will be followed in granting an abatement.

1. The customer or his representative shall appear before the Board to request an abatement and explain the reasons for so doing.

2. An abatement will be granted in those cases where the excessive use of water was beyond the reasonable control of the user, such as a leak in property, buried pipes that are not visible to the eye.

The Board of Water Commissioners will decide if the excessive use was beyond reasonable control.

3. The Board of Water Commissioners reserves the right to inspect the customers premises to examine the cause of the excessive usage prior to granting an abatement.

4. Any abatement granted will be limited to the excessive use of a minimum of 100,000 cubic feet of water per a three month period.

5. The abatement will be calculated by determining the average use of water by the customer during the past 12 months and subtracting this average from the amount used during the period for which an abatement is requested. In no case will an amount less than an equivalent of 1000 cubic feet per three month period be subtracted from the amount in question. The value of the abatement will then be calculated by multiplying the resultant quantity by 0.8 and applying the water rate cost in force at the time the excessive use occured.

The intent of this policy is to grant relief to customers who incur an excessively high water bill, due to

resaons beyond their reasonable control. It is further intended, that the water department must charge users of unexpected large quantities of water (as explained above) only that amount which covers the expense of providing such water. The anticipated income to the water department does not include periodic cases of unexpected high users by homeowners.

E. Delinquent Accounts

1. On any account found to be delinquent collection may be initited by any of the following procedures.

a. Collection through small claims court or any other court having the appropriate jurisdiction.

b. Attachment of property by use of a lien.

2. A late fee will be added after 30 days on overdue accounts.

F. Transfer of Ownership

In the event of the transfer of ownership of dwellings or other structures served by the water system, the current owner or his authorized agent shall notify the Water Department of such sale or transfer and a final reading and bill will be issued by the Water Department.

1. Such notification shall include a request for an accounting of current usage, overdue balances and any liens or adjustments thereto.

2. The name(s) and addresses of the new owners or corporations whether individually or jointly owned shall be furnished upon notification for a final reading.

3. Failure by the seller to pay any outstanding balances due on account shall not affect the water departments right to recover such payments due by legal remedy. Any outstanding balance not paid at the time of sale or transfer shall be considered as a lien on the property and be subject to collection by the Town of Southborough in accordance with the applicable provision of MGL Chapter 40.

III WATER SERVICE FEE'S

A. New Water Mains and Services

At the time of application for a water main extension or new or renewed service, a deposit at prescribed rates established by the Board of Water Commissioners for installation of varying types and sizes of such extensions or services shall be required to cover the cost of capital expenditures applicable to system expansion and maintenance thereof, which for the purposes of these Rules and Regulations shall be considered as a demand fee.

1. All costs for labor, equipment, tools and materials encurred by the Water Department shall be billed at the rates that may be established from time to time by the Board of Water Commissioners.

2. Copies of the latest charges for labor, equipment, tools and materials may be obtained upon request from the Water Department.

3. Water main or service installations larger than one-inch in diameter, shall be considered on a case by case basis, and applicants may be required to hire private contractors approved by the Water Department to perform this work. All such work and materials shall be subject to inspection and approval by the Superintendent or his authorized representative.

4. Payment for all work and materials furnished by the Water Department shall be made prior to commencing work.

B. Temporary Services

Application for temporary services for construction purposes or agricultural use shall be considered on a case by case basis by the Water Department. In general, a demand fee payment will not be required, however, all required work and materials will be billed as specified, hereinbefore. Water usage shall be metered and billed at prevailing rates.

C. Private Fire Systems

All water supplied through fire service piping systems, may at the discretion of the Water Department be metered and special measuring or detection devices shall be furnished, installed and maintained by the user.

1. Meters shall be of the compound or turbine type as required to supply required domestic and/or fire flows to the structure to be serviced.

2. Applications for fire service lines shall be accompanied by detailed drawings, flow calculations, Insurance Service Office (ISO) requirement data, projected

consumption data, etc., prepared by an Engineer registered in the Commonwealth of Massachusetts.

3. Systems shall be so designed, installed and maintained so as not to create hydraulic problems within the existing distribution system.

D. Swimming Pools

Any customer or contractor submitting a request to fill a swimming pool shall apply in writing to the Water Department.

1. For new installations, the applicant or contractors shall furnish a copy of an approved building permit issued by the Town of Southborough.

2. The name and address of the applicant and approximate gallonage required shall be furnished.

3. The Water Department shall be held harmless for any damage caused to private property due to filling new or refilling of existing swimming pools, nor shall it be responsible for the quality of water supplied for such purpose. The rate of filling shall be based on distribution system conditions at the requested time of filling and the Water Department reserves the right to postpone the filling operation as it deems necessary based on system conditions or during periods of heavy use.

4. All applications for filling swimming pools will be denied during the enforcement period of a water ban.

5. A service charge shall be assessed by the Water Department for services that may be rendered at a rate as

established by the Board of Water Commissioners. Water usage shall be billed at prevailing rates.

IV METER INSTALLATION TESTING AND REPAIR

A. General

Meters shall be required for all domestic, commercial and industrial services and the Water Department will determine appropriate sizes and types of meters to be installed.

1. The Water Department shall furnish, install and maintain water meters up to 3/4-inch in size at prescribed rates as established by the Board of Water Commissioners, subject to the conditions noted hereinafter.

2. Meters over 3/4-inch in size shall be purchased by the applicant and shall only be installed by licensed plumbers and in accordance with the requirements of and under the direct supervision of the Water Department. Meters so purchased shall conform to the requirements of the Water Department and be furnished with all necessary accessory items to complete the installation, and shall be installed in such manner so as to protect the meter from damage and to facilitate removal, replacement and reinstallation.

B. Location

All meters shall be set, as nearly as possible, at the point of entrance of the service pipe to the building and the customer shall provide and maintain a clean, dry, warm and accessible place therefore. Meters once set may be changed in location at the request of the customer, at his expense,

and work may be done only by an agent of the Water Department or by a contractor approved by the Water Department.

When and if the customer fails or neglects to furnish a suitable location for a meter inside the building, or where for other reasons it is necessary or expedient to locate the meter in an underground box or vault, the customer shall bear the expense of same.

C. Access

All meters shall become subject to control by the Water Department upon satisfactory installation and testing. The officers or agents of the Water Department shall have free access to all premises supplied with water. At reasonable hours, to permit the inspection of plumbing and fixtures, remove or read meters, to ascertain the amount of water used and the manner of use, and to enforce the intent of these Rules and Regulations.

D. Testing

For meters 3/4-inch and larger, accuracy tests shall be conducted in accordance with the schedule shown under Paragraph 9, or as may be otherwise required by the Water Department if the accuracy of readings is questionable. Field tests shall be conducted in the presence of the Superintendent or his authorized representative and if the field test show inaccurate readings, the meter shall be removed for repairs. The customer shall make arrangements for the removal and repair of any defective or non-registering meter within fifteen (15) days after

receiving notice from the Water Department and shall advise the Water Department of the date that the meter is to be removed from service so that a reading may be obtained. Certified copies of factory tests before and after repairs are made shall be submitted to the Water Department. All expenses covering, field testing, removal, transporting, repairs and re-installation shall be borne by the customer.

1. Tests to determine the accuracy of each meter will be made in accordance with the following schedule or as often as the Water Department may deem necessary. For services up to 5/8-inch in size, meter repairs or replacements necessitated by ordinary wear will be made by the Water Department.

2. Meter Size

	5/8"	3/4"	1"	1½"	2"	3"	4"	6" & over
Interval between tests (years)	10	10	4	4	4	2	1	1

3. A customer may at any time question the accuracy of the meter on his service in accordance with the provisions of Chapter 40, Section 39I shall be tested only after the Water Department receives the request in writing.

4. If the testing of a meter as hereinbefore provided shows that it fails to register correctly within two percent, the charge to the customer shall be adjusted accordingly as the registration varies from 100 percent. Such adjustment shall appy to the current period only, unless it is apparent to the Water Department that a previous

period's consumption has also been affected by the same error.

E. Maintenance

If a water meter is damaged by freezing, hot water or other fault of the customer, all removal, repair and/or replacement charges will be billed to the customer.

F. Non-Registering

If a meter does not register during a billing period due to mechanical failure, or has been removed for repair or testing, the bill will be based on the average daily rate of consumption following the meters replacement. If the meter is not installed during the billing period the bill will be based on the average daily rate of consumption over the previous year.

G. Tampering

If a water meter is tampered with or defaced in order to prevent the proper registration of the water consumed, the customer will be prosecuted to the full extent of the law.

Penalties may be assessed customers to the extent as proivided by laws. If the customer fails to remove any violation or comply with any written order of the Water Department immediately water service may be restricted or shutoff.

A list of violation fees may be obtained from the Water Department.

V. SERVICES

A. General

All services shall be installed in accordance with these Rules and Regulations.

1. On new installations or renewals of existing service pipes, only one customer will be supplied through one service pipe. Where more than one customer is now supplied through one service pipe and under the control of one curb shut-off, any violation of the Rules and Regulations of the Water Department by either or any of the customers so supplied shall be deemed a violation by all and the Water Department may take action as could be taken against a single customer. Such action shall not be taken until the customer who is not in violation of the Water Department Rules and Regulations has been given a reasonable opportunity to attach his pipe to a separately controlled service connection.

2. In the event that the Department proposes to restricted or shut off service to a customer involving a landlord-residential tenant account, the Water Department will first notify the Board of Health. Such notice shall only be given if no payment arrangement can be made with the landlord before service is restricted or shut off. Thereafter, the Board of Water Commissioners after consulting with the Board of Health, shall have the discretion to direct the manner in which the the restriction or shut off shall be accomplished, such as, but not limited to, a requirement that as many residential tenants as may reasonably be possible be notified of the action which may affect them.

3. The operation of curb stops or gate valves on of any water service or water main extension is forbidden by anyone other than the Water Department.

4. In the event the customer requests water to be turned on of off, the Water Department will not be responsible for any damages occurring due to such action requested.

B. Ownership

All service pipes one-inch in diameter and less up to and including the shut-off valve before the meter shall be maintained by the Water Department.

1. All customers are urged to maintain the plumbing and fixtures within their own premises in good repair. They shall be required to make any repairs necessary to conserve water.

2. Customers are urged to install water conservation devices.

C. Materials

All materials used for water service or water main extensions shall be as approved by the Water Department.

D. Installation

All water services and water mains shall be installed to a minimum depth of cover of four and one half (4½) feet.

1. Installation Period. The Water Department will not allow any service lines or water mains to be installed between November 1 and April 15, except by special

arrangement, or in the case of an emergency, in which case the customer shall pay for the excess over normal costs.

2. Approval. Work done by private contractors shall be performed in a manner satisfactory to the Water Department. If any defects in workmanship or materials are found, or if the customer's service has not been installed in accordance with the Water Department requirements, the water service will either not be turned on or will be disconnected if such defects are not corrected. All services or water main extensions shall be flushed, pressure tested and disinfected as required before acceptance by the Water Department. Any new additions or private additions shall be approved by the Water Department Superintendent. No customer shall install any additions or alter any service pipe(s) for any purpose not mentioned in the customer's application without first giving written notice to the Water Department and obtaining its approval.

3. Joint use of Service Trench. Service pipes will not be placed in the same trench with gas pipes, electric conduits, sewers, or other utilities.

4. Cross-Connections. No cross connection between the public water system and any nonpotable supply will be allowed unless protected by a system specifically designed for this purpose, and such connection is approved by the Water Department and by the Massachusetts Department of Environmental Quality Engineering. No connection capable of causing back-flow between the public water supply system and

any plumbing fixture, device, or appliance or between any waste outlet of pipe having direct connection to waste drains will be permitted. If the Water Department discovers such a connection, service will be discontinued immediately.

a. All customer services shall be protected with devices comensurate with the degree of potential hazard. All such devices shall be located at the service entrance and all water consumption within the premises shall pass through the protective device.

5. Backflow Prevention Devices. An approved backflow prevention device may be required on commercial and industrial enterprises using municipal water. The device shall be purchased and maintained by the customer. The device shall be inspected by the Water Department or by the state every six (6) months. The cost of said inspection will be billed to the customer as applicable.

6. Electrical and Telephone Grounds. No user of the municipal water system shall install an electrical or telephone ground of any sort to the water service or to their own plumbing.

7. Tapping Existing Water Mains. All taps in existing water mains shall be made by or under the supervision of the Water Department.

8. Operation of Valves and Hydrants. Operation of gate valves, curb stops and hydrants shall only be done by Water Department personnel.

E. Frozen Water Mains and Services. In those cases where customer-owned service pipes or mains are frozen, and it is determined that the main or service is not properly installed, the thawing may be done by the Water Department at the expense of the customer.

1. To avoid a re-occurance, the Water Department may order an examination of the customer's service pipe. If the service is not at a minimum depth of four and one half feet, as requried, the Water Department reserves the right to require it to be lowered before service is resumed.

2. Where mains or services are at the proper depth, all costs for thawing shall be borne by the Water Department.

F. Private Wells

All customers with private wells shall notify the Water Department of the number, size, depth, location of the wells and quantity used from these private sources.

1. No pipes or fixtures connected to the distribution water mains shall be connected to the private source. See section V D.4 and 5.

H. Insurance, Bonds and Permits

Insurance requirements for work done by private contractors in accepted town roads, rights-of-way and easements shall be as required by the Board of Selectmen, in addition road maintenance bonds may be required. All road opening permits shall be obtained through the Superintendent of the Southborough Highway Department or through the

Massachusetts Department of Public Works as applicable and copies furnished to the Water Department as required.

VI WATER MAIN EXTENSIONS

A. General

Extension of a water main to any residential, commercial or industrial development or to any subdivision thereof, in easements or ways established therein not formally accepted by the Town of Southborough as public ways and for water main extensions in accepted public ways shall be made only in accordance with the following terms and conditions.

1. The applicant for such extension(s) shall submit three copies of preliminary plans and a detailed utility impact study where required to the Board of Water Commissioners at least fourteen (14) days (Saturdays, Sundays and holidays excluded) prior to submission of preliminary plans to the Planning Board and prior to to requesting a meeting with the Board to discuss availability of water and design concepts.

2. Preliminary plans shall contain thereon the area to be serviced, which shall include all proposed and existing streets, ways, easements, existing utilities and topographical features. Water mains shall be shown extending to the furthest point of property and shall terminate with a main line gate valve and hydrant assembly as required by the Water Department. Plan size shall be 24-inches by 36-inches and shall be drawn to a scale of 40 feet to 1-inch. One mylar and two prints of each plan shall be submitted. Each

plan shall be stamped by a professional engineer registered in the Commonwealth.

3. Detailed utility impact studies shall include but not be limited to the following:

a. Anticipated fire flows, pressure ranges and other pertinent data within the sub-division or complex.

b. Potential or anticipated impact on the existing water dstribution system.

4. Upon receipt of the application and required data, the Board of Water Commissioners will review the data submitted and advise the application in writing within twenty (20) days (Saturdays, Sundays and holidays excluded), of its findings and recommendations, unless such time is extended by mutual agreement.

5. The Board of Water Commissioners or its authorized representative shall layout the location of water mains, valves, hydrants, etc., or may at its discretion require that a detailed review and analysis of the submitted material be made by its consulting engineer(s). Any and all costs for such review and analysis shall be made at the applicants expense. The Board will obtain an estimate of cost from its consulting engineer(s) and advise the applicant in writing within seven (7) days after receipt of the application (Saturday, Sunday and holidays excluded) of such costs and time required for the review. Payment for all costs relative to preliminary and final review of submittals shall be made by the applicant and shall be made directly to

Departments consulting engineer. No approval of final plans will be made or connections to the Town's water system authorized until such time as all payments for outside services have been made.

6. Certified copies of such right of ways, easements or other instruments that may be required or as may be necessary for the purpose of making and recording such installation(s) shall be submitted as required.

7. Upon submission and subsequent approval of definite plans by appropriate boards, commissions and agencies, the applicant shall cause to be executed an agreement between the Board of Water Commissioners on behalf of the Town of Southborough and himself indicating that title to new water mains in accepted Town roads, rights of way and easements shall be granted to the Town after the installation is completed and only after a one year guaranty period has expired from date of completion. A bond is an amount prescribed by the Board of Water Commissioners shall be required on behalf of the Town subject to conditions deemed in the best interest of the Town. This bond shall apply only to the water main(s) and appurtenant items in residential, commercial or industrial sub-divisions and not to pavement replacement and other restoration work which shall be subject to the control of the Highway Superintendent and Board of Selectmen.

8. Water mains and appurtenant items installed in residential, commercial and industrial complexes or

sub-divisions thereof shall remain the property of and responsibility of the applicant until such time as the roadways, right of way and easements therein are formally accepted by Town Meeting action.

9. In the event of an emergency, repairs to water mains and appurtenances will be made by the Water Department. Applicants or Contractors performing each week will be billed for all costs encurred by the Department and shall pay all such charges within thirty (30) days of receipt of the billing. If payment is not received within thirty (30) days, the Board of Water Commissioners shall institute action through the Collectors Office against the applicants or its bonding company to recover its costs. In non emergency situations, applicants will be given a maximum of seven (7) days to effect necessary repairs before action is taken by the Water Department.

B. Special Conditions in General

1. Statutory Requirements. The Contractor shall keep himself fully informed of all existing and future State and Federal Laws and municipal ordinances and regulations that may affect in any manner those engaged or employed in the work, or the materials used or employed in the work, and of all such orders and decrees of bodies or tribunals having any jurisdiction or authority over the same and of all provisions required by law applicable to the project, all of which provisions are hereby incorporated by reference and made a part thereof. He shall at all times himself observe

and comply with, and shall cause all his agents and employees to observe and comply with all such existing and future laws, ordinances, regulations, orders, and decrees; and shall protect and indemnify, orders, and decrees; and shall protect and indemnify hold harmless and defend the Town of Southborough, Massachusetts and all of its and their officers, agents, and servants against any claim or liability arising from or based on the violation of any such law, ordinance, regulations, order or decree, whether by himself or his employees or subcontractors.

All materials furnished and work done are to comply with all State, Federal and local laws and regulations.

2. Severability. The provision of the Standard Specifications for installing water mains and appurtenances and the Rules and Regulations of the Town of Southborough Water Department as adopted by the Board of Water Commissioners on 1986 are declared to be severable and if any provision thereof are held invalid they shall not affect the other provison thereof of either document which shall remain in effect. The Board of Water Commissioners reserves the right to make such changes in these Standard Specifications and the Rules and Regulations of the Water Department from time to time as it deems to be in the best interest of the Town.

3. Applicability. The attached Standard Specification shall apply to all water main extensions in Town roads, rights of way, easements and residential,

commercial and industrial sub-divisions and complexes within the corporate limits of the Town of Southborough as approved by the appropriate governmental regulatory agencies, boards or commissions.

4. Approvals. No work shall commence until such time as all required approvals by Local, State and Federal agencies have been made and sanctioned.

5. Permits. It shall be the Contractors responsibility to obtain all necessary permits that may be required for work on private and/or public property.

6. Bonds and Insurance. Road maintenance bonds in an amount prescribed by the Board of Selectmen shall be required for work in all Town roads and shall remain in effect for a period of one year after final acceptance of the work.

The contractor shall furnish proof of insurability to the Town of Southborough in the manner, amount and extent of coverage as required by the Board of Selectmen.

7. Guaranty. All work and materials shall be guaranteed for a period of one year from the date of acceptance by the Town of Southborough as noted under VI-A-7.

C. Special Requirements

1. Specifications. All work and materials shall conform to the specifications attached hereto. The Contractor shall provide all labor, equipment, tools and materials necessary to construct the work in accordance with these specifications.

2. Standardization of Materials. The Water Department has standardized on certain water works materials and the Contractor shall furnish all such materials without prejudice to their propratory status.

3. Project Scope. Based on the scope of the project, the Water Department may require full time observation of work with its own forces or by outside consultants. All costs relative to observation shall be borne by the applicant.

VII PRIVATE FIRE PROTECTION SYSTEM

A. General

An application for private fire service shall be accompanied by a plan of the proposed piping system together with a statement telling for what other purposes, if any, the system is to be used.

1. All fire service pipes in an accepted roadway right-of-way or easement shall be furnished, laid and connected at the applicants expense, and all portions of such fire service pipes which lie within the limits of an accepted roadway, right-of-way or easement shall be and shall remain the property of the Water Department upon acceptance.

2. Where a standpipe, reservoir, pump or other equipment is used, it shall be constructed so as to shield and protect the water system from all possible contamination and damage and shall be approved by the Water Department.

3. In construction of standpipes, reservoirs, pumps, etc., provisions shall be made for means of easy

access to their interiors by the agents of the Water Department for the purpose of inspection and maintenance as required by the Water Department. Where applicable a draw-off pipe shall be fitted for the purpose of drawing off water for inspection. Such draw-off pipe shall not be connected with a sewer, drain, or outlet in anyway that would permit pollution of the public water supply.

B. Metering

All fire services metered shall conform to the provisions of Section IV.

1. The customer may purchase and install a fire line compound meter and bypass piping as may be required by the Water Department; it shall be of a type approved by the Department and the National Board of Fire Underwriters.

2. The owner may be required to purchase and install a detector check valve with meters and by-pass piping; it shall be of a type approved by the Water Department and the National Board of Fire Underwriters; the Water Department reserves the right at any time to require the owner to install a fire line compound meter as described in the preceding paragraph.

C. Availability of Water

The Water Department does not guaranty that it can furnish proper quantities of water through any fire service nor does it undertake to guarantee anything relative to that service.

D. Flow Tests

Private fire service and fire apparatus connected therewith may be tested by the owners or by insurance inspectors under the following conditions:

1. Notice shall be given at the Water Department Office at least 48 hours in advance of any test and the date and hour agreed upon by the Water Department Superintendent or his authorized agent.

2. The tests shall be conducted in the presence of a Water Department agent.

3. All costs for Water Department personnel and equipment work shall be paid for by the customer.

VIII PUBLIC RESPONSIBILITY

A. General

Customers are not only responsible for the maintenance of certain water service connections and household plumbing systems, but also for their impact on the entire water distribution system.

1. No person(s) shall at any time, operate a fire hydrant or gate valve even if said hydrant of gate valve is privately owned.

2. Hydrants or valves can only be operated:

a. By the Water Department or its authorized agents thereof.

b. By fire fighters conducting training exercises or at a working fire or other emergency.

3. In the event the customer request water to be turned on or off, the Water Department will not be responsible for any damages occuring due to such action requested.

B. Damage to Water Department Property

Damage or vandalism to Water Department property should be reported immediately to the Water Department. Offenders will be prosecuted to the full extent of the law, and may be charged the entire cost of restoring the facility or structure to proper operating condition or for its replacement.

C. Waste and Leaks

Customers shall take all necessary measures to prevent waste of water. The Board of Water Commissioners shall determine what constitutes waste or improper use and will restrict the same when necessary.

D. Fluctuation of Pressure

No customer shall install or use water consumption apparatus which will affect the pressure or operating conditions of the distribution system, and which will so as to interfere with the service of another customer.

1. Where a customer has or proposes to install apparatus which requires water in sudden or excessive quantities, impairing pressure to the detriment, damage to the distribution system or cause disadvantage to other customers, the Water Department reserves the right to require such customer to install devices or apparatus which will

confine such fluctuation of demand or reduction of pressure to reasonable limits as determined by the Water Department.

2. If a customer, after receiving written notice from the Water Department fails to present an acceptable remedial plan to confine fluctuation of demand or reduction of pressure within the limits set by the Water Department, that customer's water service will be restricted or discontinued.

IX. OPERATION OF WATER DEPARTMENT

A. General

The Water Department will attempt to provide adequate volume and pressure of water at all times however, this cannot be guaranteed due to events beyond their control and normal operation requirements.

B. Flushing

A scheduled program for flushing mains shall be established by the Water Department. Notice of times and locations of planned flushing measures will be published in a newspaper of general circulation at least two (2) days prior to the date(s) of flushing.

C. Drought or Emergency

The Water Department reserves the right, in periods of drought or emergency or when deemed essential to the protection of public health, safety and welfare, to restrict, curtail or prohibit the use of water for secondary purposes, such as sprinkling of lawns, car washing, air conditioning,

or filling swimming pools and shall have the right to fix hours and periods when water may be used for such purposes.

D. Turning Water On or Off

A forty-eight hours (48) notice is required for turning on or shutting off water. The requested service will be provided as soon as possible after notification.

1. Emergency shut-offs at the customer's request will be attended to as soon as possible at any time.

2. Turn-offs in the event of any type of disaster or unattended home where a leak is discovered may be carried out without notifying the customer.

E. Interrupted or Unsatisfactory Service

The Water Department will not be responsible for any damages caused by shutoffs in the main or service pipes because of shortage of supply or for repairs, extensions, or connection, or for any other reason beyond the control of the Water Department. Notice of shutoff will be given when practicable, but nothing in these Rules and Regulations shall be construed as requiring the giving of such notice.

1. The Water Department will not be responsible for damages caused by discolored water, which may be caused by flushing of pipes, reservoirs, or standpipes, or the opening or closing of any valves or hydrants considered necessary or customary for system operation and maintenance or in emergency situations.

2. Acceptance of service by the customer shall be on the express condition that the Water Department shall not

be liable for any damages caused by bursting of pipes, collapse or leakage of customer's equipment, nor for any leakage from any pipes, fixtures, or other appliances wherever located between the main pipe and the point of leakage for any cause whatsoever.

3. The Water Department shall not be liable for damages to fences, walls, shrubs, walks, lawns or any other portion of the customer's premises occassioned by work or installation.

4. The Water Department in no way guarantees the quantity of water or water pressure or the quality of the water, but will endeavor to render the best possible service at all times.

F. Restriction or Discontinuance of Service

Any service may be restricted or discontinued for any of the following reasons:

1. An illegal service connection.
2. A cross connection to any other water supply.
3. Tampering with service connections and/or meters.
4. Denial of access to a representative of the Water Department for the purpose of:
   a. Reading meters.
   b. Checking and/or repairing meters or services.
   c. Checking water connections, appliance and/or fixtures.

5. Non-compliance with request to curtail the use of water under special conditions as determined by the Water Department.
6. A faulty backflow prevention device.
7. Use of water for other than described in the application.
8. Willfull waste of water.

The provisions of these Rules and Regulations are declared to be severable and if any provision hereof is held invalid, that shall not effect the other provisions hereof which shall remain in effect.

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Thursday, June 6, 2024, 8:00 AM
Location: Remote through Zoom
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers and Al Hamilton. Town Administrator Mark Purple, Assistant Town Administrator Vanessa Hale and Bernard Lynch of Community Paradigm Associates, LLC

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Chair Kathy Cook called the meeting to order at 8:01 AM.

II. Building Commissioner – Interview and consideration of appointment

Ms. Cook introduced Mr. Lynch and Mr. Lund and reviewed the process for the interview. The Board took turns asking Mr. Lund their list of thirteen questions. Mr. Lund gave a background of his experience, why he felt Southborough is a good fit for him professionally, his process for zoning enforcement, his management style, and responded to the questions asked as included in the packet. The Board emphasized the need for someone who has strong zoning enforcement skills and the ability and willingness to collaborate with staff and other departments and committees. He assured the Board he would be able to do both. Mr. Lynch gave a summary of the references he spoke to from the communities Mr. Lund has worked with. He added he was told that Mr. Lund works very well with others, his skills are excellent, and he is fair with his enforcement. He gave an example of one resident having said he is too strict and another resident from the same town having said that he is too lenient. He explained that this showcases Mr. Lund's ability to be fair and impartial in his determinations. Ms. Cook stated that Acting Building Commissioner Gene Novack is very supportive of this appointment as is Electrical Inspector Jim Colleary.

Mr. Stivers made a motion to appoint Mr. Chris Lund as Southborough Building Commissioner contingent on successful background checks and SAP process completion. Mr. Dennington seconded. The motion passed all in favor (5-0-0) by roll call vote: Dennington, aye; Landry, aye; Stivers, aye; Hamilton, aye; Cook, aye. Mr. Lund's first day will be July 1, 2024.

III. Adjournment

Mr. Dennington moved to adjourn at 8:50 AM. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry (5-0-0).

Upcoming Meetings	
July 11, 2024	*July 12, 2024*

Respectfully submitted, Katie Barry, Business Administrator

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, June 10, 2024 6:30 PM
Location: Public Safety Training Room, 32 Cordaville Road Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Sam Stivers, and Al Hamilton.
Others Present: Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale

I. Call Meeting to Order

Chair Kathy Cook called the meeting to order at 6:32 PM.

This was a special meeting to (1) set goals for the Town Administrator, Mark Purple, for the fiscal year beginning July 1, 2024 through June 30, 2025 and (2) set goals for the Select Board for the fiscal year beginning July 1, 2024 thru June 30, 2025. There were no other agenda items and there was no public comment. The meeting was in person only and no one else attended other than the four Select Board members, Mr. Purple and Ms. Hale.

II. Goal Setting for FY25

After discussion among the four members present, the Select Board established three sets of goals: (1) carryforward of certain goals from the prior fiscal year ending June 30, 2024; (2) establishment of new collective goals for the Select Board for the year ending June 30, 2025; and (3) establishment of individual goals for each member of the Select Board for the year ending June 30, 2025. All Select Board members that were present agreed on all goals. The official vote to approve was 4-0.

The Board agreed upon the continued goals from fiscal year 2024 as follows:

- Moving forward with RECC options
- Continuing negotiation with the Town of Hopkinton regarding the water project
- Committee simplification (reorganization of AHTFC and SHOPC)
- Review/implement the DOR financial study
- Guide and support the 21 Highland Committee.

The Board agreed to assign the fiscal year 2025 goals as follows:

- **Mr. Dennington:** replacement of the Town Center historic fence railing (finalize CPC application before 8/31 deadline)

- **Ms. Cook:**
  - Review of future plans for 2 East Main Street
  - Finalizing parking plan at the former Fayville Village Hall
  - Plans for the future use of Flagg School
- **Mr. Hamilton:**
  - Restoration of farming (including produce sales) at Chestnut Hill Farm

- **Mr. Stivers:**
  - Continued negotiations with National Grid
  - Plans for the future use of Newton Street land
  - Determine public access to Halloran property
- **Ms. Landry:**
  - Analysis of repairs/restoration to Old Burial Ground
  - Overall bylaw compliance

The Board agreed to the following administration/operational goals:

- Streamline routine Select Board decisions
- Set calendar to meet with most Boards and Committees once a year
- Plan for employee and volunteer recognition events, improve communication on Board accomplishments and future action items
- Develop a "State of the Town" address at the end of each fiscal year and include a Select Board report at Annual Town Meeting.

After discussion between the Select Board and Mr. Purple, four goals were established for Mr. Purple. The Board agreed to assign Mr. Purple the following goals for fiscal year 2025:

- The successful negotiation of the upcoming four Union contracts
- Assist the Board with the analysis of the Public Safety Staffing Study once completed and the implementation of recommendations
- Oversee the completion of the irrigation project for the Golf Course and the totality of golf course related issues (i.e. golf balls being hit onto residential property and possible damage)
- Assist with new Fire Chief onboarding

III. A motion to adjourn was made at 8:02 p.m. Motion to adjourn was approved 4-0.

Upcoming Meetings

July 16, 2024 *August 6, 2024*

Respectfully submitted,

Kathryn M. Cook, Select Board Chair

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, June 18, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Sam Stivers and Al Hamilton. Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale. Present via ZOOM: Marguerite Landry

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Chair Kathy Cook called the meeting to order at 6:30 PM.

II. Public Comment

Ms. Marnie Hoolahan, 26 Clifford Road and speaking on behalf of the Planning Board, informed the Board and public that the Planning Board had selected two properties for the Area #1 portion of the MBTA zoning overlay district based on results of the Mapping Session that occurred on June 3rd. She urged the public to view the Planning Board's June 17th meeting for additional information.

Ms. Lisa Braccio, 13 Oregon Road, stated that she hopes the Annual Volunteer Appreciation Breakfast would be held before the end of the fiscal year.

III. Scheduled Appointments *(Board may vote)*

a. 6:30 PM – Class II License Hearing; EJ Automotive, 179 Boston Road, Southborough

Mr. Purple read the public hearing notice into the public record. Ms. Cook opened the public hearing at 6:33 PM. Mr. Justin Pessini and Mr. Ethan Pessini appeared before the Board on the matter. Mr. Justin Pessini stated that he is moving his three businesses to one location and seeks to move the license for up to twelve cars from 145 Boston Road to 179 Boston Road. There was no comment from the public. Mr. Stivers moved to close the public hearing at 6:35 PM. Mr. Hamilton seconded the motion. The motion was approved by roll call vote: Ms. Landry, aye; Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye (5-0-0). Mr. Stivers moved to approve transferring the Class II License from 145 Boston Road to 179 Boston Road, subject to the approval of the Police, Fire and Building Departments and with the hours listed on the application. Mr. Hamilton seconded the motion. The motion was approved by roll call vote: Ms. Landry, aye; Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye (5-0-0).

Ms. Cook heard Other Matters "e" at this time. Ms. Meme Luttrell called the Planning Board meeting to order at 6:37 PM. Members indicated present by roll call: Ms. Luttrell, present; Ms. Hoolahan, present; Ms. Braccio, present; Ms. DeMuria, present, Mr. Stein, present, via ZOOM, but technical difficulties prevented him from answering present.

b. 7:00 PM – Tree Hearing

Ms. Cook heard this matter after Scheduled Appointments "c." Mr. Chris Leroy, Tree Warden Designee, appeared before the Board on the matter.

i. Scenic Road Tree Removal Application – 20 Woodbury Road [request to remove 3 trees: one Pignut Hickory (20"), one Red Oak (24"), one Easter White Pine (20")]

Ms. Luttrell read the public hearing notice into the public record. Ms. Luttrell opened the public hearing at 7:03 PM. Mr. Runfeng Chen, 20 Woodbury Road, appeared before the Board and Planning Board on the matter. Mr. Leroy reported that he found no safety or health issues with any of the trees and Mr. Cliff Templeman, the Town's arborist, had no issues with the trees. The Planning Board

discussed the trees. Ms. Luttrell clarified that, if any trees are removed, Mr. Chen would cover the cost of removal because, although the trees are in the public right of way, this is a resident request. Ms. Hoolahan moved to remove Tree #1 at 20 Woodbury Road. Mr. Stein seconded the motion. Mr. Stein amended the motion to say that the resident would be allowed to remove Tree #1 at 20 Woodbury Road. The amended motion was approved by roll call vote: Ms. Luttrell, no; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, no; Ms. Braccio, yes (3-2-0). Ms. Hoolahan moved to retain Tree #2 and Tree #3 at 20 Woodbury Road. Mr. Stein seconded the motion. The motion was approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). DPW Superintendent Cundiff requested that the property owner hire a company that has the appropriate surety to work within the public right of way, something that the Town requires of all companies hired to work in the public right of way. The Board discussed the trees at 20 Woodbury Road. Mr. Hamilton moved to authorize the resident at 20 Woodbury Road to remove Tree #1 at his own expense, subject to an acceptable surety bond by the tree company hired to work in the public right of way. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Ms. Landry, aye; Mr. Dennington, aye; Mr. Stivers, no; Mr. Hamilton, aye; Ms. Cook, aye (4-1-0). Mr. Leroy asked that any removal include stump grinding. Ms. Cook amended Mr. Hamilton's motion to include the words, "complete removal of the tree, including the stump." Mr. Stivers seconded the amended motion. The motion was approved by roll call vote: Ms. Landry, aye; Mr. Hamilton, aye; Mr. Stivers, no; Mr. Dennington, aye; Ms. Cook, aye (4-1-0).

ii. Scenic Road Tree Removal Application – DPW Tree Hearing List May 2024 [26 resident/DPW requested trees located on the following streets: Flagg, Middle, Wood, Meadow, Southville, Parkerville, Walnut, Woodland, Richards, Edgewood, Stowe and Deerfoot. The trees range in size from 12" to 48" and consist of 4 Maple, 9 Ash and 13 Oak trees]

Ms. Luttrell read the public hearing notice into the public record. Ms. Hoolahan asked to hold Tree #2, #21, #22, #24, #25 and #26. Ms. DeMuria asked to hold Tree #2, #5, #6, #18, #19, #21, #22, #24, #25 and #26. Ms. Braccio, Ms. Luttrell and Mr. Stein had no additional holds. Ms. Hoolahan moved to accept Trees #3 and #4 on the June 18, 2024 Tree Hearing List (28 Flagg Road and 70 Deerfoot Road) for trim. Mr. Stein seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Mr. Hamilton moved that the Board approve the trees approved for trimming by the Planning Board. Ms. Cook amended the motion to include "Trees #3 and #4 from the spreadsheet." Mr. Stivers seconded the amended motion. The amended motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). Mr. Stein moved that the Planning Board approve the removal of the following trees on the 2024 Tree Hearing List: #7, #8, #9, #10, #11, #12, #13, #14, #15, #17, and #23. Ms. Hoolahan seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved that the Board approve the removal of the following trees on the 2024 Tree Hearing List: #7, #8, #9, #10, #11, #12, #13, #14, #15, #17, and #23. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). The Planning Board discussed Trees #5 and #6. Mr. Stein moved that the Planning Board authorize the trimming of Tree #6 and the removal of Tree #5 at 103 Middle Road. Ms. Hoolahan seconded the motion. The motion was approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, no; Ms. Braccio, yes (4-1-0). Mr. Stivers moved that the Board authorize the trimming of Tree #6 and the removal of Tree #5 at 103 Middle Road. Mr. Hamilton seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). The Planning Board

discussed Trees #18 and #19. Mr. Stein moved that the Planning Board authorize the removal of Trees #18 and #19 at 202 Parkerville Road. Ms. Hoolahan seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved that the Board authorize the removal of Trees #18 and #19 at 202 Parkerville Road. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). Mr. Stein moved that the Planning Board hold action on Tree #2 until the next tree hearing, as the posting sign blew off. Ms. Hoolahan seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved that the Board hold action on Tree #2 until the next tree hearing, as the posting sign blew off. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). The Planning Board discussed Tree #21. Mr. Stein moved that the Planning Board authorize the trimming of Tree #21 over wires. Ms. Hoolahan seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved that the Board authorize the trimming of Tree #21 over wires. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). The Planning Board discussed Trees #22 and #24. Mr. Stein moved that the Planning Board authorize the trimming of Tree #24 and the removal of Tree #22 at 16 Deerfoot Road. Ms. Hoolahan seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved that the Board authorize the trimming of Tree #24 and the removal of #22 at 16 Deerfoot Road. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). The Planning Board discussed Tree #25 and #26. Mr. Stein moved that the Planning Board authorize the removal of Trees #25 and #26 at 2 Stow Road. Ms. Hoolahan seconded the motion. Ms. DeMuria asked that the motion specify the left portion of Tree #26. The amended motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved that the Board authorize the removal of Tree #25 and the left portion of Tree #26. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). Mr. Leroy informed the Planning Board, the Board and the public that National Grid is executing their Hazardous Tree Mitigation Plan and that people may notice red and blue tape around trees related to this plan. He stated any trees affected by the plan would follow the Town tree policy process. Ms. Braccio thanked Mr. Grant Farrington for his commitment to trees in Southborough. Mr. Stein moved to close the public tree hearing at 8:06 PM. Ms. Hoolahan seconded the motion. The motion was unanimously approved by roll call vote: Ms. Luttrell, yes; Mr. Stein, yes; Ms. Hoolahan, yes; Ms. DeMuria, yes; Ms. Braccio, yes (5-0-0). Ms. Cook moved to close the public tree hearing at 8:07 PM. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0).

c. Appoint Recreation Director

Ms. Cook heard this matter after Other Matters "e." Ms. Jennifer Hansen, chair of the Recreation Commission introduced Mr. Travis Farely as the candidate for Recreation Director. Mr. Dennington moved to appoint Travis Farely as Recreation Director. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Landry, aye; Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye (5-0-0).

d. Interview/appoint Sara Warden to Open Space Preservation Commission, term to expire 6/30/2028

This matter was heard after Scheduled Appointments "e.ii." Ms. Gillespie introduced Sara Warden to the Board. The Board interviewed Ms. Warden. The Board discussed the length of Ms. Warden's appointment. Mr. Dennington reiterated his concern regarding the Commission's making recommendations during the permitting process for native species on private property. Ms. Warden stated that, in general, she is someone who likes to educate and offer potential solutions. Ms. Cook moved to appoint Sara Warden to the Open Space Preservation Commission, term to expire June 30, 2028. Mr. Hamilton seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). Ms. Gillespie invited the public to the Garden Tour this Sunday, June 23rd at 11:30 AM at the Library and then to the Beals Preserve at 1:00 PM for a program on preserving biodiversity. Ms. Luttrell, in her capacity as Planning Board chair, stated that, as an elected board, the Planning Board solicits the opinions of relevant boards/committees as part of the permitting process. Ms. Hoolahan, in her capacity as a Planning Board member, stated that the Planning Board is an elected board, and she is concerned about the Board's view on the permitting process. Ms. Braccio, in her capacity as a Planning Board member, clarified that the opinions submitted by the Open Space Preservation Commission and the Stewardship Committee regarding 120 Turnpike Road were relevant to the 6.2 acre land donation and, at no time, did they discuss a lack of support for affordable housing.

Ms. Cook moved to Scheduled Appointments "e.iii" at this time.

e. FY25Committee reappointments and/or reorganization

i. Stewardship Committee

Please see below.

ii. Open Space Preservation Commission

Ms. Joyce Greenleaf, chair of the Stewardship Committee, appeared before the Board on the matter. Also present were the following committee members: Kevin Farrington, Freddie Gillespie, Kathryn McKee and Brett Peters. Ms. Freddie Gillespie, chair of the Open Space Preservation Commission, appeared before the Board on the matter. Also present were committee members Joan Levenson and Leslie Naditch. Ms. Cook explained that the reason these two committees are on the Board's agenda is that the Board would like to hear opinions as to whether or not the committees could be merged. The Board shared their views on the matter. Ms. Gillespie stated that the Commission's charge is to preserve open space and that this can be accomplished by purchasing land and can also be accomplished by advocating for ecological landscape management. She stated that Town Counsel had opined in March of 2004 that the Commission can be a part of the subdivision review process. She stated that in 1990, Town Meeting created a policy regarding open space and she suggested that if the Board is not in agreement, the matter should be addressed at Town Meeting. She stated that the charge of the Commission and the Stewardship Committee are very different and that the Commission had voted to remain separate. She also stated that she believes the term of 5 years is appropriate, as time is required to become a proficient Commission member. Ms. Greenleaf stated that the Stewardship Committee had voted not to merge with the Open Space Preservation Commission. She stated that the sole charge of Stewardship is to manage Breakneck Conservation Area and that she believes its five members work efficiently to do so. She highlighted successes achieved by Stewardship. She stated that she would like to reduce the number of committee members from seven to five. Mr. Dennington moved to appoint Kevin Farrington, Freddie Gillespie, Joyce Greenleaf, Kathryn McKee and Brett Peters to the Stewardship Committee, each for a one-year term expiring June 30, 2025. Ms. Cook seconded the motion. The motion was approved by roll call vote: Mr. Hamilton, abstain; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, abstain; Ms. Cook, aye (3-0-2). Ms. Cook moved to appoint Leslie Naditch to the Open Space Preservation Commission,

term to expire June 30, 2029. Mr. Stivers seconded the motion. Mr. Dennington stated he is supportive of the workshops and education done by the Commission but has concern surrounding its review of subdivision plans and native species on private property. Ms. Naditch stated she would follow the guidelines of the Commission. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Landry, aye; Ms. Cook, aye (5-0-0). Ms. Cook moved to Scheduled Appointments "d" at this time.

iii. Southborough Housing Opportunity Partnership Committee (SHOPC)

Ms. Doriann Jasinski appeared before the Board on the matter. Ms. Cook stated that SHOPC was held as part of a discussion about combining SHOPC and the Affordable Housing Trust Fund Committee (AHTFC) to advance the Board's goal to create more affordable housing in Southborough. Ms. Cook stated that a working group intends to have a new structure for consideration at Fall Town Meeting. Ms. Braccio advocated for the reappointment of Ms. Jasinski and Mr. Jesse Stein to SHOPC while the new structure is being developed. Mr. Grant Farrington, 56 Flagg Road, stated that even if the article to restructure the two committees is brought forward for Fall Town Meeting, passage is not guaranteed. Ms. Cook moved to reappoint Doriann Jasinski to SHOPC for a term to expire June 30, 2027. Mr. Hamilton seconded the motion. The motion was defeated by roll call vote: Mr. Hamilton, no; Mr. Stivers, no; Mr. Dennington, no; Ms. Cook, aye; Ms. Landry, aye (2-3-0). Ms. Cook moved to reappoint Jesse Stein as the Planning Board representative to SHOPC, term to expire June 30, 2027. Mr. Dennington seconded the motion. The motion was approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, no; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (4-1-0).

iv. Community Preservation Committee

Mr. Ben Smith, chair of the Community Preservation Committee (CPC), Ms. Lisa Braccio, Planning Board representative to the CPC and Ms. Kristin LaVault, Recreation Commission representative to the CPC, appeared before the Board on the matter. Ms. Cook stated that under discussion is the reappointment of Mr. Smith, Ms. Braccio and Ms. LaVault. Mr. Dennington reiterated the Board's commitment to building affordable housing in Southborough. Mr. Smith stated that the CPC met recently and agreed that advancing an article for Fall Town Meeting to move funds from the CPC Community Housing category was not reasonable at this time, as a new committee structure has not yet been formed and there is no specific project. Mr. Smith stated that Ms. LaVault's performance as a committee member has been exemplary and he noted that she is passionate in her positions. Additionally, he stated losing Ms. LaVault would jeopardize the CPC's ability to form a quorum. He stated he values her as a committee member and does not want to lose her. Ms. Cook stated that she feels Ms. LaVault is not supportive of the Board and is, at times, oppositional. The Board shared their views on the matter. Mr. Stivers stated that he is concerned about how to make CPC Community Housing funds available for use in a timely manner. Mr. Smith stated that he believes there is a way to make Community Housing funds available and structure an application to expedite a specific opportunity that may become available. He stated it is important not to circumvent the public process and he believes there is a compromise solution. Mr. Hamilton expressed concern about CPC projects that have not been closed out and stated this is not effective financial management of CPC funds. Mr. Smith stated that he would be working with Ms. Gillespie over the summer to have project closeouts and the return of funds for the CPC to vote on in September. Mr. Hamilton stated that the AHTF was created to expedite the process of promoting affordable housing. Ms. LaVault expressed her thoughts about the concerns of the Board. She stated that last fall, she observed some behaviors by the Board that were concerning relative to the 21 Highland Street matter. Ms. Braccio commented that Ms. LaVault is entitled to free speech in a public forum and she suggested the Board create a policy for volunteers. Ms. Cook moved to reappoint Ben Smith and Lisa Braccio to the CPC, term to expire June 30, 2027. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms.

Landry, aye; Ms. Cook, aye (5-0-0). Ms. Cook moved to reappoint Kristin LaVault to the CPC, term to expire on June 30, 2027. Mr. Hamilton seconded the motion. The motion failed by roll call vote: Mr. Hamilton, no; Mr. Stivers, no; Mr. Dennington, no; Ms. Cook, no; Ms. Landry, no; (0-5-0).

The Board recessed at 10:01 PM and resumed meeting at 10:06 PM.

V. Reports

a. Chair's Report

i. Neary Building Committee update

Ms. Cook reported that the Neary School Building Committee (NSBC) is meeting regularly to consider three options. She invited the public to view all information on NSBC's website and also invited the public to attend the informational forum scheduled for Tuesday, June 25th.

Ms. Cook invited the public to the Historical Commission's celebration of the installation of signs marking the Southborough Center Historic District on Thursday, June 27th at 7 PM at the Community Center.

b. Members' Reports

i. Chestnut Hill Trustees Meeting

Mr. Hamilton reported that he met with the Trustees of Chestnut Hill Farm and discussed the return of farming to the site. The Trustees stated that a potential barrier to becoming an agricultural site is that they've experienced difficulty obtaining liquor licenses for events at the Farm. Mr. Hamilton discussed the matter with Town Counsel and learned that the Town could issue one-day licenses. He also stated that the Conservation Restriction (CR) indicates that 51% of the goods sold at the Farm must be produced at the Farm and that Town Counsel informed him there was flexibility on enforcement. Mr. Hamilton will follow up with the Conservation Commission on the matter.

c. Town Administrator's Report

i. Animal Control contract renewal

Mr. Purple reported that, with regard to one-day liquor licenses, payment is required at the time of application. Mr. Purple reported that the Town has renewed its animal control contract for FY26 with Boardman's Animal Control.

Mr. Purple reported that DPW Superintendent Cundiff and Rep. Kate Donaghue have been in communication with CSX regarding repair of the crossing. He reported that reconstruction would take place on the Central Street crossing over a three-day period this August and Mr. Purple thanked Superintendent Cundiff and Rep. Donaghue for their assistance with this matter.

VI. Consent Agenda

a. Approve Open Session Meeting Minutes: June 4, 2024

Mr. Stivers requested to hold Consent Agenda item "a." Mr. Stivers had scrivener's changes to the minutes. Ms. Cook moved to approve the June 4, 2024 minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (5-0-0).

b. Accept $1,000 donation from L'Abri Fellowship

Mr. Stivers requested to hold Consent Agenda item "b." Mr. Stivers acknowledged L'Abri Fellowship for their generous donation. Ms. Cook moved to accept the $1,000 donation from L'Abri Fellowship. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (5-0-0).

c. Accept donation of $52,036 from NECC

Ms. Cook requested to hold Consent Agenda Item "c." She stated she would provide a full PILOT report at the Board's July meeting. She also stated this is the second of two payments made each

year by NECC as part of a previous real estate transaction. Ms. Cook moved to accept the donation from NECC. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (5-0-0).

d. Accept donation of $320 to the Ambulance Fund

e. Approve Town Clerk request for historical document scanning and restoration with ARPA funds

f. Approve Special Municipal Employees (SMEs)

g. Appoint Michael Sheff to Council on Aging, term to expire 6/30/2026

h. Amend committee charge for Tricentennial Committee

Ms. Cook stated this matter would not be voted on this evening.

i. Amend votes for FY25 Board and Committee reappointments (term expirations)

Ms. Cook moved to approve Consent Agenda items "d", "e", "f", "g" and "i." Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (5-0-0).

VII. Other Matters *(Board may vote)*

a. Approve FY25 Transfer Station fees and regulations

Ms. Cook stated that the Board would discuss the Transfer Station fees and address the Transfer Station regulations at a later date. DPW Superintendent Cundiff appeared before the Board on the matter. The Board discussed the options presented by Superintendent Cundiff. Ms. Cook moved to approve the Transfer Station sticker fees through the end of FY25, presented by Superintendent Cundiff as follows: Non seniors: $285, 2nd sticker: $25; Seniors: $40, 2nd sticker: $10. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (5-0-0).

b. Approve FY25 Water fees (exclusive of current water rates)

Superintendent Cundiff presented the proposed water fees, as described in his memo dated June 13, 2024 to the Board. He stated that water fees in surrounding communities were surveyed and he commented that this proposal is lower than some other communities. Mr. Stivers moved to approve the fees for FY25, as stated in tonight's packet. Mr. Dennington seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry, aye (5-0-0).

c. Approve revisions to Water Department rules and regulations

Superintendent Cundiff stated that the rules and regulations need revision, as he believes they have not been addressed since 1987. However, he stated that he would like to address the issue of work on private property immediately. He stated that industry standards are that towns are responsible for the water lines up to the curb stop and that property owners are responsible from the curb stop valve to the meter, adding that the Town does not construct the lines past the curb stop. The Board discussed the suggested change. The Board agreed they are supportive of the change but agreed that the public must be informed prior to any change.

d. Authorization for DPW to plant trees on 84 Main Street property

Ms. Cook stated that this matter would be addressed at a future meeting.

e. Review of MTC Town Meeting survey; set Special Town Meeting date; draft warrant placeholders

Ms. Cook shared the Municipal Technology Committee (MTC) Town Meeting survey results regarding meeting time and asked the Planning Board to weigh in, as the MBTA bylaw will be a warrant article at the Fall Town Meeting. The Planning Board discussed logistics relative to the MBTA bylaw and Ms. Luttrell stated that the September 30/October 1 dates would work best. The Board agreed with the September 30/October 1 dates. Mr. Dennington moved that the Fall 2024 Town Meeting be held on Monday, September 30th at 6 PM and continue to Tuesday, October 1st, if needed. Mr. Stivers

seconded the motion. The motion was unanimously approved by roll call vote: Ms. Landry, aye; Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye (5-0-0). Ms. Cook stated that Town Moderator Cimino approves of the date, as well. Ms. Cook reviewed the other survey results and also shared the following potential draft warrants for Fall Town Meeting: MBTA Zoning Article; implementation of the Public Safety Staffing Study; feedback from a potential Regional Emergency Communications Center (RECC); funding for the Atwood lead cleanup; additional funding for the Breakneck Hill cleanup; increase in the Community Preservation Act (CPA) surcharge from 1% to 3%; restructuring the Affordable Housing Trust Fund Committee (AHTFC) and SHOPC; Salary Administration Plan (SAP) Personnel bylaw amendments; changing the date of Annual Town Meeting; moving funds from the CPC's Community Housing category to the restructured AHTFC/SHOPC; creation of a Storm Water Enterprise Fund; reduce the PILOT and Scholarship Committees from seven to five members; and dissolve the Solid Waste Disposal Committee and the Consumer Advisory Commission.

f. Review of Select Board June 10, 2024 Goal-setting meeting

Ms. Cook reviewed the list of goals set at the June 10th Board meeting for each Board member, the Board as a whole and Mr. Purple. She stated she would attach the list to the June 18th minutes.

VIII. Public Comment

There was no public comment.

IX. Adjournment

Mr. Dennington moved to adjourn at 10:39 PM. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Stivers, aye; Mr. Dennington, aye; Ms. Cook, aye; Ms. Landry (5-0-0).

DRAFT

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Friday, June 28, 2024 9:00 AM
Location: Virtual through Zoom
Present: Kathy Cook, Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers, Town Administrator Mark Purple, and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Ms. Cook called the meeting to order at 9:01 AM.

II. Vote to assign to Town Counsel review of the following Open Meeting Law complaints:

a. June 21, 2024 filed by Marnie Hoolihan
b. June 25, 2024 filed by Doriann Jasinski

Mr. Stivers moved to refer both Open Meeting Law complaints to Town Counsel for review and follow-up. Mr. Hamilton seconded the motion. The motion passed unanimously by roll call vote: Hamilton, aye; Dennington, aye; Stivers, aye; Landry, aye; Cook, aye.

III. Adjournment

Mr. Stivers moved to adjourn the meeting; Mr. Hamilton seconded the motion. The motion passed unanimously by roll call vote: Dennington, aye; Stivers, aye; Hamilton, aye; Landry, aye; Cook, aye.

The meeting was adjourned at 9:02 AM.

Upcoming Meetings

July 10, 2024 *July 16, 2024*

INTEROFFICE MEMORANDUM

To: Mark Purple, Select Board
Cc: Stephen Aspesi, Carla McAuliffe, Brian Ballentine, Emily Boutin
From: William J. Cundiff, P.E. , DPW Superintendent
Date: July 5, 2024
RE: Stephen Aspesi, Grade & Step Increase

Stephen Aspesi has worked with the Town of Southborough since June 1, 2004 (over 20 years). Throughout his career with the Town, he has worked for the Public Works Department as a Truck Driver, An Equipment Operator, and a Water Specialist. Direct Monitoring over the past year of Mr. Aspesi's capabilities and work ethic have satisfied me that he can increase his duties and responsibilities by being promoted to a Water Specialist II position as detailed in the FY2025 AFSCME – DPW Collective Bargaining Agreement. Steve can fill in for the Division Supervisor in brief periods and it is prudent to have a backup with this capability.

Currently, Steve is a Water Specialist (Grade 4, Step 8) and with the new fiscal year, he is increasing to a Water Specialist (Grade 4, Step 9) at a rate of $34.27/hr. Reclassification to a Water Specialist II would put him at a Grade 5, Step 6 at a rate of $34.36/hr. This change would be retroactive to July 1, 2024.

I understand that the Select Board will vote on the reclassification. Thank you for your consideration.

RE: Open Meeting Law Complaint
Public Body: Town of Southborough Select Board
Specific Person(s): Alfred Hamilton; Kathy Cook
Complainant: Marnie Hoolahan
Alleged Violation Date: June 18, 2024
Dates Received: June 21, 2024

Dear Ms. Hoolahan:

The Town of Southborough Select Board (the "Board") has received and reviewed the above-captioned Open Meeting Law ("OML") complaint, attached hereto as Exhibit A, in which you allege[1] that, while the Board was discussing Community Preservation Act Committee ("CPC") appointments during its June 18, 2024 meeting, Board Member Alfred Hamilton ("Hamilton") "discussed his own opinions about the function and financial management of the operations of the CPC and commented on the relationship between the CPC and the [Affordable Housing Trust Committee (the "AFHTC"]." Specifically, you submit that Hamilton discussed the "fiduciary responsibilities of the CPC" and his "frustrations on acquiring properties in town." Lastly, you allege that the Board "was alerted…and warned that [its] decision to pursue [a certain] line of discussion was off the agenda, with no proper notice to the public and other committee members."

The OML requires that public bodies post notice 48 hours in advance of a meeting and include a "listing of topics that the chair reasonably anticipates will be discussed at the meeting." G.L. c. 30A, § 20(b). Public bodies are also required to list topics in a meeting notice with "sufficient specificity to reasonably advise the public of the issues to be discussed at the meeting." 940 CMR 29.03(1)(b). The Division of Open Government (the "DOG") generally considers a topic to be sufficiently specific when a reasonable member of the public could read the topic and understand the anticipated nature of the public body's discussion. *See* OML 2014-58; OML 2013-157; OML 2011-44.

First, questioning prospective CPC appointees about their prior job performance on the CPC (which necessarily includes fund allocation and financial

[1] You also allege that Hamilton and the Board "exceed[ed]" and "improperly used" their authority with respect to the appointment of CPC members and the allocation of CPC funds. This is wholly outside the scope of the OML, which was enacted "to eliminate much of the secrecy surrounding deliberations and decisions on which public policy is based," *Ghiglione v. School Committee of Southbridge*, 376 Mass. 70, 72 (1978), not to ensure that public bodies are acting within or properly using their authority.

Millis Office
730 Main Street, Suite 1F
Millis, MA 02054

New Bedford Office
227 Union Street, Suite 606
New Bedford, MA 02740

management) is clearly within the scope of the agenda topic, which reads: "Scheduled Appointments…Community Preservation Committee (CPC)". As for any discussion related to the AHTFC, this likewise falls within the scope of the agenda topic, as there is a direct grantor/grantee relationship between the CPC and the AHTFC, both of which have affordable housing as a core purpose.

Even if the discussion were outside the scope of the agenda item – which it was not – the OML does not require a public body to anticipate the course of deliberation or the outcome of a discussion, only that it identify the discussion topic with sufficient specificity to reasonably advise the public of the issues to be discussed at the meeting. *See* G.L. c. 30A, § 20(b); 940 CMR 29.03(l)(b); OML 2014-58; OML 2014-44; OML 2014-38. Specifically, a public body does not violate the OML where a discussion "naturally flow[s] from the [body's] consideration of [an] agenda item." OML 2014-58. It is clear from the meeting video you cite in your complaint that the discussion between Hamilton and the CPC members naturally flowed from CPC appointments – which was the topic listed on the agenda – to the allocation and use of CPC funds and matters related to the AHTFC.

We trust that this satisfies your concerns and appreciate your efforts to ensure compliance with the Commonwealth's Open Meeting Law.

Very truly yours,

/s/ Alexander M. Castro

OPEN MEETING LAW COMPLAINT FORM

Instructions for completing the Open Meeting Law Complaint Form

The Attorney General's Division of Open Government interprets and enforces the Open Meeting Law, Chapter 30A of the Massachusetts General Laws, Sections 18-25. Below is the procedure for filing and responding to an Open Meeting Law complaint.

Instructions for filing a complaint:

- Fill out the attached two-page form completely. Sign and date the second page. File the complaint with the public body within 30 days of the alleged violation. If the violation was not reasonably discoverable at the time it occurred, you must file the complaint within 30 days of the date the violation was reasonably discoverable. A violation that occurs during an open session of a meeting is reasonably discoverable on the date of the meeting.
- To file the complaint:
  - For a local or municipal public body, you must submit a copy of the complaint to the chair of the public body **AND** to the municipal clerk.
  - For all other public bodies, you must submit a copy of the complaint to the chair of the public body.
  - Complaints may be filed by mail, by email, or by hand. Please retain a copy for your records.
- If the public body does not respond within 14 business days and does not request an extension to respond, contact the Division for further assistance.

Instructions for a public body that receives a complaint:

- The chair must disseminate the complaint to the members of the public body.
- The public body must meet to review the complaint within 14 business days (usually 20-22 calendar days).
- After review, but within 14 business days, the public body must respond to the complaint in writing and must send the complainant a response and a description of any action the public body has taken to address the allegations in the complaint. At the same time, the body must send the Attorney General a copy of the complaint and a copy of the response. The public body may delegate this responsibility to an individual member of the public body, its counsel, or a staff member, but only after the public body has met to review the complaint.
- If a public body requires more time to review the complaint and respond, it may request an extension of time for good cause by contacting the Division of Open Government.

Once the public body has responded to the complaint:

- If you are not satisfied with the public body's response to your complaint, you may file a copy of the complaint with the Division by mail, by email, or by hand, but only once you have waited for 30 days after filing the complaint with the public body. Mail may be sent to: The Division of Open Government, Office of the Attorney General, One Ashburton Place - 20th Floor, Boston, MA 02108. Emails may be sent to: openmeeting@state.ma.us.
- When you file your complaint with the Division, please include the complaint form and all documentation relevant to the alleged violation. You may wish to attach a cover letter explaining why the public body's response does not adequately address your complaint.
- The Division will not review complaints filed with us more than 90 days after the violation, unless we granted an extension to the public body or you can demonstrate good cause for the delay.

If you have questions concerning the Open Meeting Law complaint process, we encourage you to contact the Division of Open Government by phone at (617) 963-2540 or by email at openmeeting@state.ma.us.

Organization or Media Affiliation (if any): I submit as an individual town resident but I am also an elected Planning Board Member

Are you filing the complaint in your capacity as an individual, representative of an organization, or media?
(For statistical purposes only)

☒ Individual ☐ Organization ☐ Media

Public Body that is the subject of this complaint:

☒ City/Town ☐ County ☐ Regional/District ☐ State

Name of Public Body (including city/town, county or region, if applicable): Southborough Select Board

Specific person(s), if any, you allege committed the violation: Al Hamilton, Elected Select Member and Kathy Cook, Chair Select Board

Date of alleged violation: 6/18/2024

Description of alleged violation:

Describe the alleged violation that this complaint is about. If you believe the alleged violation was intentional, please say so and include the reasons supporting your belief.

Note: This text field has a maximum of 3000 characters.

The Southborough Select Board posted an Agenda for June 18, 2024 which included:
III. Scheduled Appointments (Board may vote)
e. FY 25 Committee reappointments and / or reorganization:
iv. Community Preservation Committee (CPC).

During the discussion of re-appointments for two individuals for CPC, which exceeds their proper legal authority, Select Board Member Al Hamilton, who also serves as Chair of the Affordable Housing Trust Fund Committee, discussed his own opinions about the function and financial management of the operations of the CPC and commented on the relationship between the CPC and the Affordable Housing Trust Fund Committee (AHTFC). (Note: The AHTFC is a legally independent entity that does not report to the Select Board.)
Mr. Hamilton is alleged to have improperly used his authority as a Select Board member to provide commentary and influence the outcome of appointments and the perspectives of members on these two boards.

He starts by stating that he has two issues:
1) Fiduciary responsibilities of the CPC and
2) Frustrations on acquiring properties in town

A known audience member and member of the quorum present of the AHTFC warned the SB Chair, Kathy Cook, of the point-of-order that Mr. Hamilton was off-topic, off-Agenda – and to caution her that he was venturing into dangerous territory. Ms. Kathy Cook acknowledged this comment and continued to allow Mr. Hamilton to speak off-agenda. A quorum of the Affordable Housing Trust Fund Committee was present (6 of 8 members were present), and the 6-18-24 Select Board Agenda did not properly include any notice to the public or other committee members of these items discussed. This is widely believed to be intentional. Mr. Hamilton is verbose, unconcerned with proper legal authority, and intentionally chose the re-appointment Agenda line item to break open meeting law and improperly influence the Chair of the Community Preservation Committee (CPC) to agree with him, adopt behaviors and actions to remedy his discontent with the operational execution of the powers and money of the CPC, thereby leveraging his power as Chair of the Affordable Housing Trust Fund Committee (AHTFC).
Importantly, the Select Board was alerted to the point of order and warned that this decision to pursue this line of discussion was off the agenda, with no proper notice to the public and other committee members. Regardless, Mr. Hamilton discussed these matters violating Open Meeting Law, with Ms. Kathy Cook's acceptance.

The alleged improper interference is summarized as an alleged quid-pro-quo and misconduct on the part of the SB, which is in effect,"Give us the money, or we are not re-appointing you . . ."

See:
- SB Agenda 6-18-24:
https://www.southboroughma.gov/AgendaCenter/ViewFile/Item/4761?fileID=11048
- Video – Southborough Access Media – Government Channel
http://71.126.253.179:8087/Cablecast/Public/Show.aspx?ChannelID=3&ShowID=2243
The discussion starts at 3:10:03 and at 3:16:10, a speaker interjects to notify the SB Chair, Ms. Kathy Cook, that this discussion is not properly noticed to the public and other committee members on the SB Agenda of 6-18-24.
(At the 2.37.10 mark, there is a discussion of the SB interfering with the proper function of another elected Board, i.e., Planning Board.)

What action do you want the public body to take in response to your complaint?

Note: This text field has a maximum of 500 characters.

Open Meeting Violations are not new to this board; however, letters and warnings from the AG's office have not stopped it. Given the frequency of this practice, I request the following mandates with the ability to report back to the AG if all four have not been executed within 60 days

1) The SB needs to adhere to Open Meeting Laws.
2.) A public apology needs to be made to the CPC and members of the public that were present. The apology should reflect recognition of the public's notice to the Chair of the Select Board to stop the conversation because it was "not on the agenda" and needed to be done in a different session, was ignored and they had poor judgment when indicating to proceed with the conversation.
3.) The SB and the AHTFC needs to start posting AGENDAS when there is cross over in their discussions, which is what occured on the 18th.
4.) The SB must be required to take in person Open Meeting Law Training sessions, which have been required in the past.

Review, sign, and submit your complaint

I. Disclosure of Your Complaint.
Public Record. Under most circumstances, your complaint, and any documents submitted with your complaint, is considered a public record and will be available to any member of the public upon request.

Publication to Website. As part of the Open Data Initiative, the AGO will publish to its website certain information regarding your complaint, including your name and the name of the public body. The AGO will not publish your contact information.

II. Consulting With a Private Attorney.
The AGO cannot give you legal advice and is not able to be your private attorney, but represents the public interest. If you have any questions concerning your individual legal rights or responsibilities you should contact a private attorney.

III. Submit Your Complaint to the Public Body.
The complaint must be filed first with the public body. If you have any questions, please contact the Division of Open Government by calling (617) 963-2540 or by email to openmeeting@state.ma.us.

By signing below, I acknowledge that I have read and understood the provisions above and certify that the information I have provided is true and correct to the best of my knowledge.

To: The Select Board, Town of Southborough:

The Southborough Library has received a donation of $47.00 from C/W MARS.

At this time, the Library Board of Trustees and I wish to accept this donation to be placed in the "Library Donation" account, #2629-6-610-570-57820. We ask that you agree. Please contact library director Ryan Donovan with any questions or concerns. Thank you.

Ryan Donovan, Library Director

DRAFT

AHTFC/SHOPC Consolidation Working Group Charge

The Select Board would like to assemble an ad-hoc Working Group of two members of the Affordable Housing Trust Fund Committee ("AHTFC"), two members of the Southborough Housing Opportunity Partnership Committee ("SHOPC"), and one at-large member to create a draft article for the special town meeting to be held on September 30, 2024 consolidating AHTFC and SHOPC into one committee that merges the responsibilities of these two committees.

The charge of this Working Group shall expire by October 31, 2024.

DRAFT

Southborough Scholarship Advisory Committee

Charge:

The charge of the ad-hoc Scholarship Advisory Committee is to administer Town-managed scholarship funds available for Southborough residents planning to enroll in, or currently enrolled in, post-secondary undergraduate study or a post-graduate program. These scholarship funds include the Town's Scholarship Fund (created pursuant to Ch. 194, Acts of 1986) and other State or local scholarship funds that are designated for administration by the Town. This administration function includes, but is not limited to, seeking, and arranging for, contributions to the Scholarship Fund, managing the scholarship grant process (including determining the scholarship application process, publicizing the availability of the scholarship grants, evaluating scholarship grant applications and determining the scholarship grant recipients and grant amounts).

Composition:

The Scholarship Advisory Committee shall consist of five (5) Southborough residents, appointed by the Select Board, for staggered, three-year terms.

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions:

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a none-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

DRAFT

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Board of Selectmen. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

DRAFT

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group have are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless it's substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

DRAFT

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply
PRIVILEGED MOTIONS					
1. To dissolve	no	yes	no	majority	none
2. To adjourn	no	yes	limited	majority	amend

18. Suspend the Rules	Mr. Moderator, I move to suspend the rules which interfere with...
19. Take from the Table	Mr. Moderator, I move to take from the table the motion relating to...

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other "point of order" is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

VOTING

Voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o'clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

DRAFT

TOWN WARRANT
COMMONWEALTH OF MASSACHUSETTS

SPECIAL TOWN MEETING

Worcester, ss. September XX, 2024

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet in the P. Brent Trottier Middle School, 49 Parkerville Road, in said Southborough, on

Monday, September 30, 2024

at ***7:00 p.m.***, then and there to take action on the following Articles:

ARTICLE 1: To see if the Town will vote to transfer $17,068 from Assessor's Overlay Surplus for funding miscellaneous adjustments to the Fiscal Year 2025 budget as follows:

EXHIBIT A -- PUBLIC BUILDINGS TO BE PROVIDED FREE CABLE SERVICE UPON WRITTEN REQUEST (SUBJECT TO SECTION 3.2)

THIS CABLE TELEVISION RENEWAL LICENSE AGREEMENT (this "License") is entered into by and between the Select Board of the Town of Southborough, as Issuing Authority for the grant of the cable television license pursuant to the Massachusetts Cable Law (M.G.L. c. 166A), and Verizon New England Inc., a corporation duly organized under the applicable laws of the State of New York (the "Licensee").

WHEREAS, the Issuing Authority is a "franchising authority" in accordance with Title VI (as hereinafter defined) (see 47 U.S.C. § 522(10)) and is authorized to grant one or more nonexclusive cable licenses pursuant to the Massachusetts Cable Law;

WHEREAS, the Issuing Authority granted to Licensee effective as of November 26, 2019, a nonexclusive Cable Television Renewal License to install, maintain, extend, and operate a Cable System in the Town for a term of five (5) years (the "2019 Renewal License");

WHEREAS, the Licensee has operated a Cable System in accordance with the Final License as of the effective date on its existing Telecommunications Facilities consisting of a Fiber to the Premises Telecommunications Network ("FTTP Network") in the Town which also transmits Non-Cable Services pursuant to authority granted by M.G.L. c. 166 and Title II, which Non-Cable Services are not subject to the Massachusetts Cable Law or Title VI;

WHEREAS, pursuant to and in accordance with applicable federal and State law, the Issuing Authority undertook a process to determine whether it should renew the 2019 Renewal License and the terms for such a renewal;

WHEREAS, the Issuing Authority has examined the past performance of Licensee and has determined that Licensee is and has been in material compliance with the 2019 Renewal License and applicable law;

WHEREAS, pursuant to and in accordance with applicable federal and State law, the Licensee submitted to the Issuing Authority a proposal to renew the 2019 Renewal License to operate a Cable System in the Town; and

WHEREAS, following good faith negotiations between the parties, the Issuing Authority and Licensee have agreed on the terms for a renewal License under which Licensee will continue to operate its Cable System in the Town.

NOW, THEREFORE, in consideration of the Issuing Authority's grant of a renewal License to Licensee, Licensee's promise to continue providing Cable Service to residents of the Town pursuant to the terms and conditions set forth herein, and for other good and valuable consideration, the receipt and the adequacy of which are hereby acknowledged,

THE SIGNATORIES HERETO DO HEREBY AGREE AS FOLLOWS:

1. DEFINITIONS

Except as otherwise provided herein, the definitions and word usages set forth in the Communications Act are incorporated herein and shall apply in this License. For the purpose of this License, the following words, terms, phrases and their derivations shall have the meanings given herein, unless the context clearly requires a different meaning in which case such other meaning shall apply. When not inconsistent with the context, the masculine pronoun includes the feminine pronoun, words used in the present tense include the future tense, words in the plural number include the singular number and words in the singular number include the plural number. The word shall is always mandatory and not merely directory. In addition, the following definitions shall apply:

1.1. *Access Channel*: A video Channel, which Licensee shall make available to the Town and/or the PEG Access Designee without charge for non-commercial public, educational, or governmental use for the transmission of Video Programming as directed by the Issuing Authority or the PEG Access Designee and in accordance with the terms of this License.

1.2. *Affiliate:* Any Person who, directly or indirectly, owns or controls, is owned or controlled by, or is under common ownership or control with, the Licensee.

1.3. *Basic Service:* Any service tier which includes the retransmission of local television broadcast signals as well as the PEG Access Channels required by this License.

1.4. *Cable Division:* The Cable Television Division of the Massachusetts Department of Telecommunications and Cable or its successor.

1.5. *Cable Service* or *Cable Services:* Shall be defined herein as it is defined under Section 602(6) of the Communications Act, 47 U.S.C. § 522(6), meaning the one-way transmission to Subscribers of Video Programming or other programming service, and Subscriber interaction, if any, which is required for the selection or use of such Video Programming or other programming service.

1.6. *Cable System* or *System*: Shall be defined herein as it is defined under Section 602(7) of the Communications Act, 47 U.S.C. § 522(7), meaning a facility, consisting of a set of closed transmission paths and associated signal generation, reception, and control equipment that is designed to provide cable service which includes video programming and which is provided to multiple Subscribers within the Town, but such term does not include (A) a facility that serves only to retransmit the television signals of one or more television broadcast stations; (B) a facility that serves subscribers without using any public right-of-way; (C) a facility of a common carrier which is subject, in whole or in part, to the provisions of Title II of the Communications Act, except that such facility shall be considered a cable system (other than for purposes of section 621(c) of the Communications Act) to the extent such facility is used in the transmission of video programming directly to subscribers unless the extent of such use is solely to provide interactive on-demand services; (D) an open video system that complies with Section 653 of the Communications Act; or (E) any facilities of any electric utility used solely for operating its electric utility systems.

1.7. *Channel:* Shall be defined herein as it is defined under Section 602 of the Communications Act, 47 U.S.C. § 522(4).

1.8. *CMR:* The Code of Massachusetts Regulations.

1.9. *Commercial Subscriber*: A commercial, non-residential Subscriber.

1.10. *Communications Act*: The Communications Act of 1934, as amended.

1.11. *Complaint:* Shall be defined herein as it is defined by the Cable Division's Order Adopting Revised Form 500 (June 11, 1999), meaning any written or verbal contact with the Licensee in connection with Cable Service in which a Person expresses dissatisfaction with an act, omission, product or service that is (1) within the Licensee's control, and (2) requires a corrective measure on the part of the Licensee.

1.12. *Converter*: A device capable of unscrambling coded video signals distributed over the Cable System.

1.13. *Educational Access Channel*: An Access Channel made available to the Town pursuant to the terms and conditions of this License and available for the non-commercial use of the local public schools in the Town and/or of the PEG Access Designee.

1.14. *FCC*: The United States Federal Communications Commission, or successor governmental entity thereto.

1.15. *Force Majeure*: Acts of God; acts of public enemies; orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, political subdivisions, or officials, or any civil or military authority; insurrections; riots; epidemics; landslides; lightening; earthquakes; fires; hurricanes; volcanic activity; storms; floods; washouts; droughts; civil disturbances; explosions; strikes, labor disturbances or lockouts; unavailability of essential equipment, services and/or materials and/or other matters beyond the control of the Issuing Authority, the Town or the Licensee, and unreasonable work delays.

1.16. *Franchise Fee:* Shall have the meaning as set forth in Section 622 (g) of the Communications Act (47 U.S.C. §542(g)).

1.17. *FTTP Network*: The network constructed and operated by the Licensee and having the meaning set forth in the recitals of this License.

1.18. *Government Access Channel*: An Access Channel made available by the Licensee to the Town pursuant to the terms and conditions of this License and available for the non-commercial use of the Issuing Authority and/or the PEG Access Designee.

1.19. *Gross Revenues:* All revenue, determined in accordance with United States Generally Accepted Accounting Principles ("GAAP"), which is derived by Licensee and/or its Affiliates from the operation of the Cable System to provide Cable Service in the Town, including, without limitation, the following items: fees, charges and payments collected from Subscribers for

Cable Services; installation, reconnection, change-in-service (upgrades, downgrades, etc.) and similar charges; revenues received from rentals or sales to Subscribers of Converters, remote controls and other Subscriber equipment used to provide Cable Service over the Cable System; Leased Access Channel programming revenues; revenues that the Licensee receives from home shopping channels for the use of the Cable System to sell merchandise as prorated to include such revenue attributable to the Cable System in the Town based on the number of Subscribers; advertising revenues as prorated to include such revenue attributable to the Cable System in the Town based on the number of Subscribers; and all fees imposed on the Licensee by this License and applicable law that are passed through and paid by Subscribers (including the License Fee, the PEG Access Support, and the PEG Grant as long as the Issuing Authority provides evidence that the PEG Grant of the other cable provider(s) in the Town is included in their respective gross revenue). Gross Revenue shall include revenue of an Affiliate only to the extent that such Affiliate revenue relates to the provision of Cable Services over the Cable System in the Town, and not the revenues of any such Affiliate that are not related thereto. In no event shall revenue of an Affiliate be Gross Revenue to the Licensee if such revenue is otherwise subject to Franchise Fees and paid to the Issuing Authority. If Cable Services are provided to Subscribers in conjunction with Non-Cable Services, nothing herein shall prevent the Licensee from allocating a greater amount of the combined revenue to Cable Services than is otherwise provided pursuant to GAAP.

Provided, however, that Gross Revenue shall not include:

1.19.1. Revenues received by any Affiliate or other Person in exchange for supplying goods or services used by Licensee to provide Cable Service over the Cable System, except to the extent that such revenues are derived from the operation of the Cable System to provide Cable Service in the Town;

1.19.2. Bad debts written off by Licensee in the normal course of its business, provided, however, that bad debt recoveries shall be included in Gross Revenue during the period collected;

1.19.3. Refunds, rebates or discounts made to Subscribers;

1.19.4. Any revenues classified as Non-Cable Services revenue under federal or State law including, without limitation, revenue received from Telecommunications Services; or revenue received from Information Services, including, without limitation, Internet Access Service, electronic mail service, electronic bulletin board service, or similar online computer services;

1.19.5. Any revenue of the Licensee or any other Person which is received directly from the sale of merchandise through any Cable Service distributed over the Cable System, notwithstanding that portion of such revenue which represents or can be attributed to a Subscriber fee or a payment for the use of the Cable System for the sale of such merchandise, which portion shall be included in Gross Revenue;

1.19.6. Revenues from the sale of Cable Services on the Cable System to a reseller, when the reseller is required by law to pay (and does pay) Franchise Fees and other cable license fees to the Town on the resale of the Cable Services. Nothing under this Section is

intended to limit the rights of the Town pursuant to Section 622(h) of the Communications Act (47 U.S.C. § 542(h));

1.19.7. Any tax of general applicability imposed by a town, the State, federal or any other governmental entity and required to be collected from Subscribers by Licensee and remitted to the taxing entity (including, but not limited to, sales/use taxes);

1.19.8. Any revenue foregone as a result of the Licensee's provision of free or reduced cost Cable Services as required by this License to any Person, including without limitation, employees of Licensee and public institutions or other institutions as required or permitted herein and to other customers which are exempt, as required or allowed by the Town; provided, however, that such foregone revenue which Licensee chooses not to receive in exchange for trades, barters, services or other items of value shall be included in Gross Revenue;

1.19.9. Revenues from the sales of capital assets or sales of surplus equipment provided that this exclusion shall not include sales to Subscribers of converters, remote controls and other Subscriber equipment for the provision of Cable Service over the Cable System;

1.19.10. Directory or Internet advertising revenue including, but not limited to, yellow page, white page, banner advertisement and electronic publishing.

1.20. *High-Definition (HD) PEG Access Channel:* A PEG Access Channel in the high-definition display format for digital television transmissions with video transmitted in a 16:9 aspect ratio with a resolution of 720p or 1080i.

1.21. *Information Services*: Shall be defined herein as it is defined under Section 3 of the Communications Act, 47 U.S.C. § 153(24).

1.22. *Internet Access Service*: Dial-up or broadband access service that enables access to the Internet.

1.23. *Issuing Authority*: The Select Board of the Town of Southborough, Massachusetts.

1.24. *Leased Access Channel*: A Channel that the Licensee designates for commercial use pursuant to Section 612 of the Communications Act.

1.25. *License Fee*: The payments to be made by the Licensee to the Town, which shall have the meaning as set forth in Section 9 of M.G.L. Chapter 166A.

1.26. *Licensee:* Verizon New England Inc., and its lawful and permitted successors, assigns and transferees.

1.27. *M.G.L. Chapter 166A*: Chapter 166A of the General Laws of the Commonwealth of Massachusetts.

1.28. *Non-Cable Services*: Any service that does not constitute Cable Service(s), including, but not limited to, Information Services and Telecommunications Services.

1.29. *PEG*: Public, educational, and governmental.

1.30. *PEG Access Channel*: An Access Channel that the Licensee makes available to the Town for non-commercial use pursuant to the terms and conditions of this License, and managed by the Issuing Authority and/or the PEG Access Designee.

1.31. *PEG Access Designee*: Any entity designated by the Issuing Authority for the purpose of owning and/or operating the equipment and facilities used in the production and/or broadcast of PEG Access Channel programming, including, but not limited to, the Town itself and/or an access corporation.

1.32. *PEG Access Programming*: Non-commercial Video Programming transmitted on the PEG Access Channel(s) pursuant to the terms of this License, and applicable laws.

1.33. *Person*: An individual, partnership, association, joint stock company, trust, corporation, other business entity, or governmental entity.

1.34. *Prime Rate*: The prime rate of interest as published in the Wall Street Journal.

1.35. *Public Access Channel*: An Access Channel made available to the Town pursuant to the terms and conditions of this License and available for the use by the residents in the Town and managed by the Issuing Authority and/or the PEG Access Designee.

1.36. *Public Rights-of-Way*: The surface and the area across, in, over, along, upon and below the surface of the public streets, roads, bridges, sidewalks, lanes, courts, ways, alleys, and boulevards, including, public utility easements and public lands and waterways used as Public Rights-of-Way, as the same now or may thereafter exist, which are under the jurisdiction or control of the Town.

1.37. *Service Area*: The entire existing territorial limits of the Town.

1.38. *Standard Definition ("SD") PEG Access Channel*: A PEG Access Channel in the standard definition display format for digital television transmissions with video transmitted in a 4:3 aspect ratio with a resolution of 480i.

1.39. *State*: The Commonwealth of Massachusetts.

1.40. *Subscriber*: A Person who lawfully receives Cable Service in the Town.

1.41. *Telecommunications Facilities*: Licensee's existing Telecommunications Services and Information Services facilities, including the FTTP Network.

1.42. *Telecommunication Services:* Shall be defined herein as it is defined under Section 3 of the Communications Act, 47 U.S.C. § 153(46).

1.43. *Title II*: Title II of the Communications Act, Common Carriers.

1.44. *Title VI*: Title VI of the Communications Act, Cable Communications,

1.45. *Town*: The Town of Southborough, Massachusetts.

1.46. *Video Programming or Programming*: Shall be defined herein as it is defined under Section 602(20) of the Communications Act, 47 U.S.C. § 522(20), meaning programming provided by, or generally considered comparable to programming provided by, a television broadcast station.

1.47. *Video Service Provider or VSP:* Any entity using the Public Rights-of-Way to provide Video Programming services to multiple subscribers within the territorial boundaries of the Town, regardless of the transmission method, facilities or technologies used.

2. GRANT OF LICENSE AUTHORITY; LIMITS AND RESERVATIONS

2.1. *Grant of Authority*: Subject to the terms and conditions of this License and pursuant to M.G.L. Chapter 166A, the Issuing Authority hereby grants the Licensee the right to own, operate, and maintain a Cable System in, under, over and along the Public Rights-of-Way within the Town and subsequent additions thereto, in order to provide Cable Service. This License grants no authority for the Licensee to use the Public Rights-of-Way within the Town for any other purpose(s) unless otherwise provided herein. The Licensee's FTTP Network is subject to M.G.L. c. 166 and as such is subject to regulation by the Town consistent with that law. The Licensee shall adhere to all applicable local bylaws and lawful regulations of the Town regarding Public Rights-of-Way and public works matters, including rights-of-way management requirements with regard to public safety, aesthetics, pole attachments and other legitimate municipal concerns. Nothing in this Section 2.1 shall be deemed to prohibit the right of the Licensee to challenge the legality of such local bylaws, regulations and requirements, or the right of the Issuing Authority to oppose any such challenge. Consistent with and subject to the Licensee's existing authority to operate in the Public Rights-of-Way, grant of this License does not establish priority for use over other present or future permit holders or the Town's own use of Public Rights-of-Way. Any disputes between the Licensee and other parties regarding use of the Public Rights-of-Way shall be resolved in accordance with applicable law and regulations.

2.2. *Issuing Authority Does Not Regulate Telecommunications*: The parties recognize that the FTTP Network is constructed, operated and maintained as an upgrade to and/or an extension of the Licensee's existing Telecommunications Facilities under Title II and M.G.L. c. 166. In accordance with applicable law(s), the Issuing Authority's regulatory authority under Title VI does not extend to the construction, installation, maintenance or operation of the FTTP Network to the extent the FTTP Network is and/or was constructed, installed, maintained or operated for the purpose of upgrading and/or extending Verizon's existing Telecommunications Facilities for the provision of Non-Cable Services. The Town does not and will not assert

jurisdiction over the Licensee's FTTP Network in contravention of applicable federal or State law(s). Nothing in this License shall be construed to prohibit the Licensee from offering any service over the Cable System that is not prohibited by federal or State law provided that any requirements for Town authorization or permitting not inconsistent with federal and State law are satisfied.

2.3. *Term*: This License shall become effective on November 26, 2024 (the "Effective Date"). The term of this License shall be five (5) years from the Effective Date unless this License is earlier revoked or terminated as provided herein.

2.4. *Termination Generally:* Notwithstanding any provision herein to the contrary, Licensee may terminate this License upon two hundred and seventy (270) days' written notice to the Issuing Authority. Licensee shall not provide the notice of termination sooner than the beginning of the 28th month following the Effective Date.

2.5. *Modification/Termination Based on VSP Requirements*:

2.5.1. If the Issuing Authority enters into any cable franchise, cable license or similar agreement with a VSP to provide Video Programming services to residential subscribers in the Town with terms or conditions materially less burdensome than those imposed by this License, Licensee and the Issuing Authority shall, within sixty (60) days of the Issuing Authority's receipt of Licensee's written notice thereof, commence negotiations to modify this License to provide that this License is not on terms or conditions materially more burdensome than the terms in any such cable franchise, cable license or similar agreement. Any modification of the License pursuant to the terms of this Section shall not trigger the requirements of 207 CMR 3.07. The PEG Access Support, as provided in Section 5.4, will not be subject to modification under this Section 2.5.1 or 2.5.2.

2.5.2. Licensee's notice pursuant to Section 2.5.1 shall specify the cable franchise, cable license or similar agreement and the materially less burdensome terms or conditions as set out Section 2.5.1 above. Licensee shall respond to reasonable information requests from the Town, as may be necessary to review the same.

2.5.3. In the event the parties do not, subject to the criteria above, reach mutually acceptable agreement on a modification as set out above, Licensee shall in its sole discretion, have the option of exercising any of the following actions:

a. commencing License renewal proceedings in accordance with 47 U.S.C. 546 with the License term being accelerated, thus being deemed to expire thirty-six (36) months from the date of Licensee's written notice to seek relief hereunder;

b. terminating the License in no less than thirty-six (36) months from written notice to the Issuing Authority;

c. if agreed by both parties, submitting the matter to commercial arbitration by a mutually-selected arbitrator in accordance with the rules of the American Arbitration Association; or

d. if agreed to by both parties, submitting the matter to mediation by a mutually-acceptable mediator.

2.5.4. Modification of the PEG Access Support under this License shall, as applicable, be in accordance with the terms and conditions set forth in Section 5.4 hereunder. As stated above, PEG Access Support is not subject to modification under Section 2.5.1.

2.6. *Grant Not Exclusive*: This License and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the Issuing Authority reserves the right to grant other licenses for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use themselves, at any time during the term of this License. Any such rights shall not be in conflict with the authority as granted by this License. Disputes between the Licensee and other parties regarding use of Public Rights-of-Way shall be resolved in accordance with applicable law.

2.7. *License Subject to Applicable Federal and State Law*: This License is subject to and shall be governed by all applicable provisions of federal and State law(s) and regulations as they may be amended, including but not limited to Title VI and M.G.L. Chapter 166A.

2.8. *No Waiver*:

2.8.1. The failure of the Issuing Authority on one or more occasions to exercise a right or to require compliance or performance under this License, M.G.L. Chapter 166A or any other applicable law, bylaw or lawful regulation shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance by the Issuing Authority, nor to excuse Licensee from complying or performing, unless such right or such compliance or performance has been specifically waived in writing by the Issuing Authority.

2.8.2. The failure of the Licensee on one or more occasions to exercise a right under this License or applicable law, or to require performance under this License, shall not be deemed to constitute a waiver of such right or of performance of this License, nor shall it excuse the Issuing Authority from performance, unless such right or performance has been specifically waived in writing by the Licensee.

2.9. *Construction of License*:

2.9.1. The provisions of this License shall be construed to effectuate their objectives.

2.9.2. Nothing herein shall be construed to limit the scope or applicability of Section 625 of the Communications Act, 47 U.S.C. § 545.

2.10. *Police Powers*: Nothing in this License shall be construed to prohibit the reasonable, necessary and lawful exercise of the Town's police powers. However, if the reasonable, necessary and lawful exercise of the Town's police powers causes the Licensee's provision of Cable Services in the Town to be commercially impracticable, then the parties shall

modify this License to the mutual satisfaction of both parties to ameliorate such commercial impracticability. If the parties cannot reach agreement on the above-referenced modification to this License, then, at the Licensee's option, the parties shall submit the matter to binding arbitration.

2.11. *Compliance with Federal and State Privacy Laws*: Licensee shall comply with the privacy provisions of Section 631 of the Communications Act and all other applicable federal and State privacy laws and regulations. The parties agree that, during the term hereof, Licensee shall not be subject to any local laws or bylaws which conflict with such applicable federal and/or /State privacy laws, or which would impose additional or distinct requirements upon Licensee with respect to Subscriber privacy other than those which are expressly set forth in applicable federal and/or State privacy laws.

2.12. *Transfer of the License*:

2.12.1. Subject to Section 617 of the Communications Act, M.G.L. Chapter 166A and Section 2.12.2 below, the Licensee shall not transfer this License without the prior consent of the Issuing Authority, provided that such consent shall not be arbitrarily or unreasonably withheld, delayed or conditioned. Such consent shall be given only after a public hearing upon a written application therefore on forms prescribed by the Cable Division and/or the FCC. Subject to applicable law, the Licensee shall submit to the Issuing Authority an original and one (1) copy of the application on FCC Form 394 requesting such transfer request. The Issuing Authority shall have one hundred twenty (120) days, or such other time frame that may be established by applicable law, from the filing of the completed Form 394 to take final action on it. If the Issuing Authority has not taken final action within such one hundred twenty (120) day period, then the application shall be deemed approved, unless said one hundred twenty (120) day period is extended by mutual consent of the parties.

2.12.2. The Licensee shall not be required to obtain the Issuing Authority's consent to transfer this License in connection with any transaction that does not constitute a transfer of control under applicable State laws and regulations, including, without limitation, the following: (i) (A) a transfer of an ownership or other interest in the Licensee to the parent of the Licensee or to another Affiliate of the Licensee; (B) transfer or assignment of this License or control thereof to the parent of the Licensee or to another Affiliate of the Licensee; (C) any action which is the result of a merger of the parent of the Licensee; or (D) any action which is the result of a merger of another Affiliate of the Licensee; or (ii) in connection with a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Licensee in this License or the Cable System in order to secure indebtedness; provided, however, that to the extent that any of the foregoing transactions are determined to constitute a transfer of control pursuant to 207 CMR 4.01, then such transaction shall be subject to the Cable Division's transfer regulations (207 CMR 4.00, et. seq.).

2.12.3. Pursuant to 207 CMR 4.04, as may be amended, and applicable federal law, in considering a request to transfer control of this License, the Issuing Authority may consider only the transferee's management experience, technical expertise, financial capability and

legal ability to operate the Cable System under this License, and any other criteria allowable under applicable law and/or regulation.

2.12.4. The consent or approval of the Issuing Authority to a transfer of this License shall not constitute a waiver or release of the rights of the Town under this License.

2.12.5. In the event that this License is transferred, the transferee shall be subject to all of the terms and conditions contained in this License.

3. PROVISION OF CABLE SERVICE

3.1. *Service Area*:

3.1.1. *Service Area*: Subject to the issuance of all necessary permits by the Town, the Licensee shall continue to offer Cable Service to all residential households in the Service Area, except: (A) for periods of Force Majeure; (B) for periods of delay caused by the Town; (C) for periods of delay resulting from Licensee's inability to obtain authority to access rights-of-way in the Town; (D) in developments or buildings that are subject to claimed exclusive arrangements with other cable providers; (E) in developments, buildings or other residential dwelling units that Licensee cannot obtain permission to access under reasonable terms and conditions after good faith negotiation, as determined in good faith by Licensee; and (F) in developments, buildings or other residential dwelling units where the Licensee is unable to provide Cable Service for technical reasons or which require non-standard facilities which are not available on a commercially reasonable basis or where the Licensee determines, in good faith, that providing Cable Service is not commercially reasonable.

3.1.2. *Availability of Cable Service and Standard Drops*: Licensee shall make Cable Service available to all residential dwelling units, and may make Cable Service available to businesses, within the Town in conformance with Section 3.1.1. In the areas in which the Licensee shall provide Cable Service, the Licensee shall be required to connect, at the Licensee's expense, all residential dwelling units that are within three hundred (300) feet of the Licensee's FTTP Network. The Licensee shall be allowed to recover from a Subscriber who requests such connection, actual costs incurred for residential dwelling unit connections that exceed three hundred (300) feet, and actual costs incurred to connect any non-residential dwelling unit Subscriber.

3.2. *Cable Service to Public Buildings*: Subject to Section 3.1 and the applicable provisions of the FCC's 2019 Third Report and Order In the Matter of Implementation of Section 621 of the Cable Act (the "621 Order"), as such 621 Order may be in effect and/or amended during the term of this License, if requested in writing by the Issuing Authority, the Licensee shall provide in a reasonable amount of time and after notifying the Issuing Authority of the process by which it will implement the 621 Order's requirements regarding the provision of free Cable Service to public buildings under a cable license, one Cable Service drop, an outlet, and monthly Basic Service along its activated Cable System route in the Town at no cost to public schools, police and fire stations, public libraries, and other public buildings designated in writing by the Issuing Authority. All such written designations shall include the street address of each building. The current designation of such

buildings and their addresses is set forth in **Exhibit A**. The Licensee shall coordinate the location of each outlet with representatives for each of the buildings receiving service pursuant to this Section. The parties hereto agree that the exercise of any conditional obligations set forth in this Section shall not constitute a modification or amendment of the License within the meaning of 207CMR 3.07.

4. SYSTEM FACILITIES

4.1. *System Characteristics*: The Licensee's Cable System shall meet or exceed the following requirements and/or have at least the following characteristics:

4.1.1. The Cable System shall be operated with an initial digital passband of 50-860 MHz.

4.1.2. The Cable System shall be operated to be an active two-way plant for subscriber interaction, if any, required for the selection or use of Cable Service.

4.1.3. The Cable System shall comply with applicable FCC technical standards, as such standards may be amended from time to time.

4.1.4. The Cable System shall conform in all material respects to the following standards to the extent applicable: the Occupational Safety and Health Administration regulations, the Massachusetts Electrical Code, the National Electrical Code, the National Electrical Safety Code and the rules and regulations of the Cable Division and the FCC.

4.2. *Emergency Alert System*: The Licensee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and applicable State and local EAS Plans in order that emergency messages may be distributed over the Cable System.

4.3. *Parental Control Capability*: The Licensee shall comply with all applicable requirements of federal law(s) governing Subscribers' capability to control the reception of any Channels being received on their television sets.

5. PEG ACCESS SERVICES AND SUPPORT

5.1. *PEG Access Channels*:

5.1.1. The Licensee shall continue to make available to the Issuing Authority and/or the PEG Access Designee, as designated in writing by the Issuing Authority, three (3) SD PEG Access Channels on its Basic Service tier and one (1) HD PEG Access Channel for a total of four (4) PEG Access Channels. The Issuing Authority or the PEG Access Designee may change the programming on the HD PEG Access Channel from an HD simulcast of an existing SD PEG Access Channel to distinct programming, upon one hundred (180) days prior written notice from the Issuing Authority to the Licensee, which change shall not occur more than once during the License term. Only to the extent permitted by law, the Licensee shall be allowed to

recover from Subscribers applicable costs incurred to transmit HD PEG Access Channel programming of any type.

5.1.2. All programming content for the HD PEG Access Channel shall be transmitted to Licensee in HD-SDI format with a resolution of 720p or 1080i. Licensee reserves the right to reassign channel number and location for any or all of the PEG Access Channels at any time during the term. The Issuing Authority expressly acknowledges that in order to view the HD PEG Access Channel, a Subscriber may be required to upgrade equipment at an additional charge.

5.1.3. The Issuing Authority hereby authorizes the Licensee to transmit PEG Access Programming within the Town's jurisdictional boundaries and outside the Town's jurisdictional boundaries to other areas that are served out of the same central offices of the Licensee as those that serve the Town, provided that PEG Access Programming from outside the Town, which is carried in the Town shall not be cablecast on any of the PEG Access Channels made available to the Issuing Authority and/or the PEG Access Designee. If a PEG Access Channel provided under this Article is not being utilized by the Issuing Authority and/or the PEG Access Designee, other than due to Force Majeure, the Licensee may utilize such PEG Access Channel by providing at least one hundred twenty (120) days advance written notice to the Issuing Authority, but only in the event that the Issuing Authority or the PEG Access Designee does not commence use of said PEG Access Channel within said one hundred twenty (120) day notice period. In the event that the Issuing Authority and/or the PEG Access Designee determines to use such PEG Access Channel for PEG Access purposes, the Issuing Authority shall have the right to utilize such PEG Access Channel by providing at least one hundred twenty (120) days advance written notice to the Licensee.

5.2. *PEG Interconnection and Cablecasting*:

5.2.1. The Licensee shall continue to connect to equipment owned by the Town and/or the PEG Access Designee at the PEG access studio (Trottier Middle School Studio. 49 Parkerville Road, 1st Floor, Southborough, Massachusetts (the "PEG Access Interconnection Site") in order to cablecast the PEG Channels."). The Licensee shall be responsible for interconnection at this location, including any approvals and/or costs arising therefrom. The Issuing Authority or, if designated by the Issuing Authority in writing to Licensee, the PEG Access Designee, shall be required to pay Licensee for all direct or reasonably related costs associated with: (i) any equipment upgrade where the need for the upgrade is initiated by the Issuing Authority or the PEG Access Designee; (ii) relocating any connection where the need for relocation is initiated by the Issuing Authority or the PEG Access Designee; (iii) re-installing and/or replacing any connection at an existing location where the need for such re-installation and/or replacement is caused by the Town and initiated by the Issuing Authority or the PEG Access Designee; or (iv) installing any new connection if initiated by the Issuing Authority or the PEG Access Designee; provided, however, that Issuing Authority and/or PEG Access Designee responsibility for the foregoing costs is subject to the Issuing Authority's express written consent, and subject further to Licensee's prior disclosure of such costs and prior consent to same by the Issuing Authority or the PEG Access Designee. Any upgrade or change referenced in subsections (i) and (iv) above required in order for PEG Access Channel cablecasting or PEG Access Programming as provided

to Subscribers to meet a requirement of applicable law or regulation, including with respect to video or audio quality, shall not be deemed to be "initiated" by the Issuing Authority or its PEG Access Designee.

5.2.2. The demarcation point between the Licensee's signal processing equipment (which the Licensee shall own, install and maintain) and the Town's and/or the PEG Access Designee's PEG Access equipment shall be at the output of the Town's and/or the PEG Access Designee's signal processing equipment at the PEG Access Interconnection Site. The Town and/or the PEG Access Designee shall be solely responsible for operating its switching equipment and the picture and audio quality of all PEG Access Programming up to the demarcation point and for providing that all PEG Access Programming is inserted on the appropriate upstream PEG Access Channel. All PEG Access Programming shall be transmitted to the Licensee in baseband, SD-SDI or HD-SDI format with either mono or stereo audio signals, and with signals received by Licensee in stereo cablecast by Licensee in stereo. Notwithstanding the foregoing, the Licensee shall not be obligated to provide the Town or the PEG Access Designee with either cablecast equipment and facilities or the personnel responsible for maintaining and operating equipment and facilities on the Town's or PEG Access Designee's side of the demarcation point and used to generate or administer any PEG Access signals, except as necessary to implement the Licensee's responsibilities specified herein. The Issuing Authority and the Licensee shall work together in good faith to resolve any connection issues.

5.2.3. The Licensee shall provide, install, maintain, repair and replace all equipment necessary to receive and transmit all such PEG Access Programming and all PEG Access Channels as described in Section 5.2.1 above to Subscribers, including any amplification, optical conversion, receiving, cable system headend, processing, and transmitting equipment needed.

5.3. *PEG Grant*

5.3.1. Licensee shall pay to the Issuing Authority a PEG grant in the total amount of One Hundred Thirty-One Thousand Five Hundred Dollars ($131,500.00) to be used for PEG Access Channel capital funding purposes (the "PEG Grant"), as follows: Within forty-five days of the Effective Date, Licensee shall pay to the Issuing Authority the sum of Forty-Three Thousand Eight Hundred Thirty-Four Dollars ($43,834.00). Two (2) additional payments in the amount of Forty-Three Thousand Eight Hundred Thirty-Three Dollars ($43,833.00) each shall be paid by the Licensee to the Issuing Authority on the first and second anniversaries of the Effective Date, respectively. The Issuing Authority and/or PEG Access Designee, as determined by the Issuing Authority, shall own all facilities and equipment purchased with the PEG Grant. The Licensee shall have no obligation to maintain, repair, replace or insure any equipment or facilities purchased with the PEG Grant.

5.3.2. The PEG Grant shall not be counted against either the PEG Access Support payment required by Section 5.4, or any License Fee required by Section 6.1.

5.4. *PEG Access Support*:

5.4.1. The Licensee shall provide annual funding to the Issuing Authority for PEG Access Channel operating support or other PEG Access Channel costs and expenses ("PEG Access Support") in the amount equal to five percent (5.0%) of annual Gross Revenues as defined above, subject to the limitation in Section 6.2. If the Town issues or renews any cable licenses after the Effective Date that provide for a lower percentage of PEG Access Support, other than the cable license held by Comcast or its successor in the Pine Hill Road area of the Town serving approximately twenty-seven (27) units in the Town from the City of Framingham, MA, then the Licensee's percentage of PEG Access Support payments shall be reduced to match such lower percentage over that same time period. The Issuing Authority shall place Licensee's PEG Access Support payments in a restricted account for cable related purposes in the nature of a grant account and not into the general fund, which account will be under the Issuing Authority's control.

5.4.2. The PEG Access Support payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Each such payment shall be accompanied by a Gross Revenue report documenting, in reasonable detail, the Gross Revenue as defined above. The Licensee shall be allowed to provide an extra payment if needed to correct any payments that were incorrectly omitted, and shall have the right to offset against future payments any payments that were incorrectly submitted, in connection with the quarterly remittances, within ninety (90) days following the close of the calendar quarter for which such payments were applicable. For purposes of the PEG Access Support payment, the period for determining Gross Revenues shall be the preceding calendar quarter.

5.4.3. In no case shall said five percent (5.0%) payments include: (i) the PEG/I-Net Grant ; (ii) costs of PEG Access Channels, interconnection and cablecasting obligations required above; or (iii) any other fees or payments required by applicable law, except as provided in Section 6.2, below; provided however, that said five percent (5.0%) payments shall be a Franchise Fee, and subject to the five percent (5.0%) cap on Franchise Fees pursuant to Section 622(h) of the Communications Act (47 U.S.C. §542(b).

5.5. *Recovery of Costs*. To the extent permitted by federal law and regulations, the Licensee shall be allowed to recover from Subscribers the costs of the PEG Grant, costs of PEG interconnection, the PEG Access Support payments, and any other costs arising from the provision of PEG services and related payments, required by this License and to accurately reflect such costs as separately billed line items on each Subscriber's bill.

5.6. *Late Payments*: In the event that the PEG Grant, the PEG Access Support or the License Fee payments is not paid on or before the due date set forth in this License for such payments, then interest shall accrue from the due date until the date paid at the Prime Rate, compounded annually.

5.7. *PEG Access Channel Maintenance/Technical Standards/Performance Tests*: The Licensee shall monitor the PEG Access Channels for technical quality consistent with applicable FCC technical standards, as such standards may be amended from time to time, and shall ensure that they are maintained at standards the same as those which apply to the Cable System's commercial channels of similar format and resolution; provided that the Licensee is not responsible for the production quality of PEG Access Programming productions, nor for any

deficiencies in the signal that it receives from the Town and/or the PEG Access Designee. Upon the written request of the Issuing Authority, the Licensee shall make available to the Town a copy of the Licensee's most recent annual performance tests.

5.8. *Listing of PEG Access Channels On Licensee's Electronic Program Guide*: If the Licensee lists PEG Access Channel program content titles on its electronic program guide in any other municipality in the State (other than on a test or trial basis), then it shall, upon written request of the Issuing Authority, discuss with the Issuing Authority or the PEG Access Designee, the technical feasibility and commercial reasonability of listing the Town's PEG Access Channel program content titles on the Licensee's electronic program guide and the provision thereof by the Licensee; however, the Licensee shall not be required by this Section to list the Town's PEG Access Channel program content titles on its electronic program guide.

5.9. *PEG Access Video-On-Demand*: If the Licensee provides any other municipality in the State with PEG Access Programming "video-on-demand" (VOD) (other than on a test or trial basis), then it shall, upon written request of the Issuing Authority, discuss with the Issuing Authority, the technical feasibility and commercial reasonability of providing, and the provision of, PEG Access Programming VOD in the Town; however, the Licensee shall not be required by this Section 5.9 to provide PEG Access Programming VOD in the Town.

5.10. *Censorship*: Subject to Section 611(e) of the Communications Act (47 U.S.C. §531(e)), the Licensee shall comply with applicable federal laws restricting censorship or control of the content of PEG Access Programming over the Cable System.

5.11. *PEG Access Operational Rules*. The Issuing Authority and/or the PEG Access Designee shall establish rules and regulations that require all local producers and users of any of the PEG Access facilities or Channels to assume individual responsibility for any program-based liability including but not limited to liability for copyright infringement or defamation. The PEG Access Designee shall establish rules and regulations for use of PEG Access facilities consistent with, and as required by, Section 611 of the Communications Act (47 U.S.C. § 531) and this License.

5.12. *Non-Commercial Programming*: The Issuing Authority and PEG Access Designee shall not use the PEG Access Channels to provide for-profit commercial programming. Nothing in this Section shall prohibit the Issuing Authority or the PEG Access Designee from having memberships, sponsorships, underwriting or acknowledgements (such as underwriting and acknowledgements accepted by PBS), to the extent not otherwise prohibited by applicable law and regulation.

5.13. *Leased Access:* The Licensee shall comply with Section 612 of the Communications Act (47 U.S.C. §532) with respect to designating channel capacity for commercial use.

5.14. *No PEG Access Designee Rights:* The Issuing Authority and the Licensee herein acknowledge and agree that any PEG Access Designee is not a party to this License and that any provisions herein that may affect a PEG Access Designee are not intended to create any rights on behalf of any PEG Access Designee.

6. FRANCHISE AND LICENSE FEES

6.1. *License Fee*: Pursuant to Massachusetts Cable Law, (M.G.L. c. 166A, Section 9), the Licensee shall pay to the Town, throughout the term of this License, a license fee equal to fifty cents ($.50) per Subscriber per year (the "License Fee"), or such other amount as may in the future be designated by applicable State law.

6.2. *Maximum Franchise Fee Obligation*: The Licensee shall not be liable for a total Franchise Fee, pursuant to this License and applicable law in excess of five percent (5.0%) of annual Gross Revenue (as defined above).

6.3. *Payment Information:* In determining the License Fee, the number of Subscribers shall be measured as of December 31st of the preceding calendar year. The License Fee shall be paid no later than March 15th of each year during the term of this License.

6.4. *Limitation on Actions*: The period of limitation for recovery of any payment obligation under this License shall be three (3) years from the date on which payment by Licensee is due.

6.5. *Re-computation and Audit*:

6.5.1. Tender or acceptance of any payment made pursuant to Article 5 and/or 6 herein shall not be construed as an accord that the amount paid is correct, nor shall such acceptance of payment be construed as a release of any claim that the Issuing Authority may have for additional sums, including interest payable under Section 5.6. above. All amounts shall be subject to audit and re-computation by the Issuing Authority pursuant to this Section 6.5.

6.5.2. If the Issuing Authority has reason to believe that any such payment is incorrect, it may notify the Licensee thereof in writing after receiving such payment. Licensee shall then have ninety (90) business days after receipt of such notice to provide the Town with additional information documenting the accuracy of such payment. In the event that the Issuing Authority does not reasonably believe that such documentation supports the accuracy of such payment, then the Issuing Authority may conduct an audit of such payment, provided that the Issuing Authority shall be limited to one audit for any two (2) year period of this License or such shorter period of time that may remain after the expiration of the initial two (2) year period of this License, which audit shall be subject to Section 6.4 above. If, after such audit and re-computation, the Issuing Authority determines that an additional fee is owed to the Town, then the Licensee shall be provided with a reasonable opportunity to review the results of such audit and to dispute any audit results, and shall pay any undisputed amounts within thirty (30) business days after completion of such review, together with any appliable late charges calculated pursuant to Section 5.6. above. The Town shall have the right to pursue any disputed amount not paid by Licensee in accordance with the enforcement provisions set forth in Article 12 of this License.

6.6. *Method of Payment*: The PEG Grant, the PEG Access Support and the License Fee shall be made payable to the Town and provided to the Issuing Authority, unless the Licensee is otherwise notified in writing by the Issuing Authority.

6.7. *Other Payment Obligations and Exclusions*:

6.7.1. Unless otherwise required by applicable law, the License Fee and Franchise Fee payments shall be in addition to and shall not constitute an offset or credit against any and all taxes or other fees or charges of general applicability which Licensee or any Affiliate shall be required to pay to the Town, or to any State or federal agency or authority, as required herein or by law; the payment of said taxes, fees or charges shall not constitute a credit or offset against the License Fee or Franchise Fee payments all of which shall be separate and distinct obligations of the Licensee and each Affiliate.

6.7.2. In accordance with Section 622(h) of the Communications Act (47 U.S.C. §542(h)), nothing in the Communications Act or this License shall be construed to limit any authority of the Issuing Authority to impose a tax, fee or other assessment of any kind on any Person (other than the Licensee) with respect to Cable Service or other communications service provided by such Person over the Cable System for which charges are assessed to Subscribers but not received by the Licensee. For any twelve (12) month period, the fees paid by any such Person with respect to any such Cable Service or other communications service shall not exceed five percent (5%) of such Person's gross revenues derived in such period from the provision of such service over the Cable System.

6.8. *Affiliates Use of System*: Use of the Cable System and the provision of Cable Services within the Town by Affiliates shall be in compliance with applicable federal and State laws and regulations and this License.

7. CUSTOMER SERVICE

7.1. *Standards:* The Licensee shall comply with the FCC's cable television customer service and notice regulations codified at 47 C.F.R. § 76.309(c), 47 C.F.R. § 76.1602, and 47 C.F.R. § 76.1603, as amended, and the billing and termination of service provisions contained in 207 CMR § 10.00, as amended; provided, however, that Licensee may satisfy the requirements of 47 C.F.R. § 76.309(c)(1)(v) through its website. For Subscriber equipment pick-up, the Licensee shall provide for one or more of the following methods: (i) setting a specific appointment time or four (4) hour time period during Normal Business Hours, during which Licensee's representative(s) shall visit the Subscriber's premises to pick-up or exchange Subscriber equipment; (ii) using a mailer; or (iii) establishing a reasonably convenient location for the pick-up and exchange of Subscriber equipment. Measurement of the telephone availability standards in 47 C.F.R. § 76.309(c)(1)(ii) shall include all calls received by the Licensee at all call centers receiving calls from Subscribers, whether they are answered by a live representative, by an automated attendant, or abandoned after thirty (30) seconds of call waiting.

7.2. *Outage Credits:* In the event that all Cable Service is interrupted for twenty-four (24) or more hours, Licensee will grant affected Subscribers a pro rata credit or rebate.

7.3. *Denial of Service:* Subject to applicable laws and regulations, nothing in these standards shall limit the right of the Licensee to deny Cable Service for non-payment of previously provided Cable Services, refusal to pay any required deposit, theft of Cable Service,

damage to the Licensee's equipment, abusive and/or threatening behavior toward the Licensee's employees or representatives, refusal to provide credit history information or refusal to allow the Licensee to validate the identity, credit history and credit worthiness via an external credit agency, or failure to abide by the Licensee's terms and conditions of service.

8. REPORTS AND RECORDS AND PERFORMANCE EVALUATIONS

8.1. *Open Books and Records*: Upon at least thirty (30) business days written notice to the Licensee, the Issuing Authority or its designee shall have the right to inspect at a location reasonably and mutually convenient to the parties hereto the Licensee's books and records pertaining to the Licensee's provision of Cable Service in the Town at any time during Licensee's regular business hours and on a reasonable and nondisruptive basis, as is reasonably necessary to ensure compliance with the terms of this License. Such notice shall specifically reference the section or subsection of this License which is under review, so that the Licensee may organize the necessary books and records for appropriate access by the Issuing Authority. The Licensee shall not be required to maintain any books and records for License compliance purposes longer than three (3) years. Notwithstanding anything to the contrary set forth herein, the Licensee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Town. If the Licensee believes that the requested information is proprietary or confidential, the Licensee shall provide the following information to the Issuing Authority: (i) specific identification of the information; (ii) a statement attesting to the reason(s) the Licensee believes the information is confidential; and (iii) a statement that the documents are available at the Licensee's designated offices for inspection by the Issuing Authority. The Issuing Authority shall take reasonable steps consistent with applicable law to protect the proprietary and confidential nature of any books, records, maps, plans or other documents requested by the Issuing Authority that are provided pursuant to this License to the extent they are designated as such by the Licensee. In the event that the Issuing Authority receives a request to disclose any information provided to the Issuing Authority by the Licensee pursuant to this License, which information is deemed by the Licensee to be confidential or proprietary, then the Issuing Authority shall promptly notify the Licensee in writing of such request, prior to disclosure of such information, consistent with applicable law, and to maintain such information as confidential and proprietary consistent with applicable law. The Licensee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. § 551.

8.2. *Records Required*: The Licensee shall at all times maintain:

8.2.1. Records of all written Complaints for a period of three (3) years after receipt by the Licensee.

8.2.2. Records of outages for a period of three (3) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

8.2.3. Records of service calls for repair and maintenance for a period of three (3) years after resolution by Licensee, indicating the date and time service was required, the

date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

8.3.4. Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by Licensee, indicating the date of request, date of acknowledgment, and the date and time service was extended;

8.3.5. Financial records necessary for the Issuing Authority to conduct an audit pursuant to Section 6.8 above for a period of three (3) years; and

8.3.6. A map showing the area of coverage for the provisioning of Cable Services.

8.3. *Additional Reports*: The Licensee shall, upon written request by the Issuing Authority, provide the Issuing Authority with a copy of any documents or forms filed by the Licensee with the FCC and/or the DTC that materially pertain to the Licensee's Cable System in the Town.

8.4. *Proof of Performance Tests*: Upon written request of the Issuing Authority, the Licensee shall provide copies of performance tests required by applicable law.

8.5. *Performance Evaluations*: The Licensee, if requested in writing by the Issuing Authority, shall attend a performance evaluation hearing no more than once per year. Nothing in this Section 8.8 shall limit any rights that the Issuing Authority may have to conduct additional hearings and/or compel the Licensee's attendance at such hearing. The Issuing Authority shall provide Licensee with the results of its performance evaluation in writing within sixty (60) days after the conclusion of such hearing.

8.6. *Quality of Service*: If there exists credible evidence which, in the reasonable judgment of the Issuing Authority, casts doubt upon the reliability or technical quality of the Licensee's Cable Services in the Town, then, after notice to the Licensee and an opportunity to cure, the Issuing Authority shall have the right to require the Licensee to test, analyze and report in writing on the performance of the Cable System.

9. INSURANCE, INDEMNIFICATION AND PERFORMANCE BOND

9.1. *Insurance*:

9.1.1. The Licensee shall maintain in full force and effect, at its own cost and expense (including all deductibles) during the term of this License, the following insurance coverage:

9.1.1.1. Commercial General Liability Insurance in the amount of five million dollars ($5,000,000) per occurrence for property damage and bodily injury (including death) and five million dollars ($5,000,000) general aggregate. Such insurance shall cover the

construction, operation, maintenance and removal of the Cable System, and the conduct of Licensee's Cable Service operations and business in the Town.

9.1.1.2. Commercial Automobile Liability Insurance covering all owned, non-owned, hired and/or rented motor vehicles in the amount of five million dollars ($5,000,000) combined single limit each accident for bodily injury and property damage coverage.

9.1.1.3. Workers' Compensation Insurance in compliance with the statutory requirements of the states of operation and Employers' Liability Insurance in the following amounts: (A) $100,000 Bodily Injury by Accident; (B) $100,000 Bodily Injury by Disease-each employee; and $500,000 disease-policy limit.

9.1.2. The Town shall be included as an additional insured as their interests may appear under this License on the Commercial General Liability Insurance and Commercial Automobile Liability Insurance required herein.

9.1.3. Upon receipt of notice from its insurer(s), Licensee shall provide the Issuing Authority with thirty (30) days' prior written notice of cancellation of any required coverage.

9.1.4. Each of the required insurance policies shall be with insurers qualified to do business in the State, with a A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition or its successor.

9.1.5. Licensee shall deliver to the Issuing Authority Certificates of Insurance showing evidence of the required coverage.

9.1.6. All insurance shall be primary with respect to any insurance maintained by the Town and shall not call on the Town's insurance for contribution.

9.1.7. The Licensee shall require that every one of its contractors and their subcontractors carry in full force and effect, substantially the same insurance with substantially the same amounts as required of Licensee herein.

9.1.8. Neither this Section 9.1, nor the provision of insurance or insurance proceeds pursuant to this Section 9.1, shall limit the liability of the Licensee or its obligation to indemnify the Town pursuant to this License.

9.2. *Indemnification*:

9.2.1. The Licensee shall, at its sole cost and expense, defend, indemnify, and hold harmless the Issuing Authority, the Town, its officials, boards, commissions, committees, agents and/or employees (hereinafter referred to as the "Town" for purposes of this Section 9.2) against all claims for damage, suits, causes of action, proceedings, judgments, including for damage to Persons or property, real or personal, due to the acts or omissions of the Licensee, its employees, officers or agents arising out of the installation, maintenance and/or operation of the Cable System under this License. Indemnified expenses shall include all reasonable attorneys' fees and costs

incurred by the Town up to such time that the Licensee assumes defense of any action hereunder. The Town shall give the Licensee timely written notice of its obligation to indemnify, hold harmless and defend the Town, provided that in any event the Town shall provide the Licensee with such written notice within a period of time that allows the Licensee to take action to avoid entry of a default judgment and does not prejudice the Licensee's ability to defend the claim or action.

9.2.2. With respect to the Licensee's indemnification obligations set forth in Section 9.2.1, the Licensee shall, at its own expense, provide the defense of any claims, suits, causes of action or proceedings brought against the Town by selecting counsel of Licensee's choice to defend the claim, subject to applicable professional ethics and responsibility laws and the consent of the Town, which shall not unreasonably be withheld. The Licensee shall, subject to the consent of the Town as described herein, have the right to defend, settle or compromise any claim or action arising hereunder, and the Licensee shall have the authority to decide the appropriateness and amount of any such settlement, so long as the settlement includes a full release of the Town with respect to the claim giving rise to Licensee's indemnification obligation. In the event that the Town does not consent to the terms of any such settlement or compromise, the Licensee shall not settle the claim or action but its obligation to indemnify the Town shall in no event exceed the amount of the otherwise agreed upon settlement. Nothing herein shall be deemed to prevent the Town from cooperating with the Licensee and participating in the defense of any litigation by its own counsel at its own cost and expense.

9.2.3. Neither the provisions of this Section 9.2, nor any damages recovered by the Town shall be construed to limit the liability of the Licensee or its subcontractors for damages under this License or to excuse the faithful performance of obligations required by this License, except to the extent that any monetary damages suffered by the Town have been satisfied by a financial recovery under this section or other provisions of this License.

9.3. *Performance Bond:* The Licensee shall maintain, without charge to the Town, throughout the term of the License a faithful performance bond running to the Town, with good and sufficient surety licensed to do business in the State in the sum of Twenty Thousand Dollars ($20,000). Said bond shall be conditioned upon the faithful performance and discharge of all of the obligations imposed by this License. The performance bond shall be effective throughout the term of this License and thereafter until the Licensee has satisfied all of its obligations to the Town that may have arisen from this License or from the exercise of any privilege herein granted and shall be conditioned that in the event that the Licensee shall fail to comply with any one or more provisions of this License, or to comply with any order, permit or direction of any department, agency, commission, board, division or office of the Town having jurisdiction over its acts, or to pay any claims, liens or taxes due the Town which arise by reason of the construction, upgrade, maintenance and/or operation of the Cable System, the Town shall recover from the surety of such bond all damages suffered by the Town as a result thereof, pursuant to Article 13 below. Said bond shall be a continuing obligation of this License, and thereafter until the Licensee has satisfied all of its obligations to the Town that may have arisen from the grant of the License or from the exercise of any privilege herein granted. In the event that a performance bond provided pursuant to this License is not renewed or cancelled, the Licensee shall provide a new performance bond pursuant to this Section within thirty (30) days of such failure to renew or cancellation. Neither cancellation, nor termination nor refusal by the surety to extend the bond, nor the inability

of the Licensee to file a replacement bond or replacement security for its obligations under this License, shall constitute a loss to the Town recoverable under the bond. Neither this Section, any bond accepted pursuant thereto, nor any damages recovered thereunder shall limit the liability of the Licensee under the License. Recourse by the Issuing Authority of remedies available under this Section shall not be exclusive of other lawful remedies available to the Town at law and equity.

10. RENEWAL OF LICENSE

The Issuing Authority and the Licensee agree that any proceedings undertaken by the Issuing Authority that relate to the renewal of this License shall be governed by and comply with the provisions of Section 626 of the Communications Act (47 U.S.C. § 546) and the applicable provisions of the Massachusetts Cable Law.

11. ENFORCEMENT AND TERMINATION OF LICENSE

11.1. *Notice of Violation*: If at any time the Issuing Authority believes that Licensee has not complied with the terms of this License, the Issuing Authority shall informally discuss the matter with the Licensee, however the Issuing Authority reserves the right to inform the Licensee of such non-compliance in writing prior to informal discussions. If such informal discussions do not lead to resolution of the problem in a reasonable time, the Issuing Authority shall then notify Licensee in writing of the exact nature of the alleged noncompliance (for purposes of this Article, the "Noncompliance Notice").

11.2. *The Licensee's Right to Cure or Respond:* The Licensee shall have thirty (30) days from receipt of the Noncompliance Notice to: (i) respond in writing to the Issuing Authority, if the Licensee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such thirty (30) day period, initiate reasonable steps to remedy such noncompliance as soon as reasonably possible, continue such efforts until said noncompliance is cured, and notify the Issuing Authority at no more than twenty-one (21) day intervals as to the Licensee's efforts and progress to remedy such noncompliance. If the Licensee believes it has cured the subject noncompliance, it shall provide written notice of such to the Issuing Authority. The Issuing Authority shall provide the Licensee with written confirmation that such cure has been effected.

11.3. *Public Hearing*: In the event that the Licensee fails to respond to the Noncompliance Notice pursuant to the procedures set forth in Section 11.2 above, and if the Issuing Authority seeks to continue its investigation into the alleged noncompliance, then the Issuing Authority shall schedule a public hearing. The Issuing Authority shall provide the Licensee at least thirty (30) days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing and whether revocation of this License is a possible consequence. At any designated public hearing where revocation of this License is not a possible consequence, the Licensee shall be provided a fair opportunity for full participation, including the right to be represented by legal counsel and to introduce relevant evidence. At any designated public hearing where revocation of this License is a possible consequence, the Licensee shall be provided a fair opportunity for full participation, including the right to be represented by

legal counsel and to introduce relevant evidence, and shall also have the right to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the Issuing Authority, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. Unless otherwise agreed to in writing by the parties, a complete record shall be made of such hearing with the cost shared by the parties. Within thirty (30) days of the close of the hearing, the Issuing Authority shall issue a written determination of its findings.

11.4. *Enforcement:* In the event the Issuing Authority, after the public hearing set forth in Section 11.3 above, determines that the Licensee is in default of any provision of this License, the Issuing Authority may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages;

11.4.2. Commence an action at law for monetary damages or seek other equitable relief;

11.4.3. Submit a claim against an appropriate part of the performance bond pursuant to Section 9.3 above;

11.4.4. In the case of a substantial noncompliance of a material provision of this License, seek to revoke this License in accordance with Section 11.5; or

11.4.5. Invoke any other lawful remedy available to the Town.

11.5. *Revocation*: In the event that the Issuing Authority determines that it will revoke this License pursuant to Section 11.4 above, the Licensee may appeal such written determination of the Issuing Authority to an appropriate court or to the Cable Division, which shall have the power to review the decision of the Issuing Authority consistent with applicable law and regulation. The Licensee shall be entitled to such relief as the Cable Division or court finds appropriate. Such appeal must be taken within sixty (60) days of the Licensee's receipt of the written determination of the Issuing Authority. The Issuing Authority may, at its sole discretion, take any lawful action that it deems appropriate to enforce the Issuing Authority's rights under this License in lieu of revocation of this License.

12. MISCELLANEOUS PROVISIONS

12.1. *Actions of Parties*: In any action by the Issuing Authority or Licensee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner.

12.2. *Jurisdiction*: Jurisdiction and venue over any dispute, action or suit arising out of this License shall be in a federal or State court of appropriate venue and subject matter jurisdiction located in the State, and the parties hereby agree to be subject to the personal jurisdiction of said court for the resolution of any such dispute.

12.3. *Binding Acceptance*: This License shall bind and benefit the parties hereto and their respective receivers, trustees, successors and assigns, and the promises and obligations contained in Article 9- Insurance and Indemnification and Article 10 – Performance Bond herein shall survive the revocation, termination or expiration date hereof.

12.4. *Preemption*: In the event that federal or State law, rules, or regulations preempt a provision or limit the enforceability of a provision of this License, such provision shall be read to be preempted to the extent and for the time, but only to the extent and for the time, required by law. In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the Issuing Authority.

12.5. *Exhibit*: The Exhibit to this License attached hereto, and all portions thereof, are, except as otherwise specified in such Exhibit, incorporated herein by reference and expressly made a part of this License.

12.6. *Equal Employment Opportunity*: The Licensee shall adhere to applicable Equal Employment Opportunity regulations of the FCC and to all federal, State and local laws pertaining to discrimination, equal employment opportunity and affirmative action that are applicable to the Licensee.

12.7. *Force Majeure*: If by reason of Force Majeure, either party is unable in whole or in part to carry out its obligations hereunder, said party shall not be held in default under, or in noncompliance with, the provisions of the License, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults were caused by a Force Majeure, provided that the party takes reasonable steps under the circumstances to comply with the obligations of the License to the maximum extent possible without endangering the health or safety of its employees, its property, the public or public property. In the event that any such delay in performance or failure to perform affects only part of the party's capacity to perform, the party shall perform to the maximum extent it is able to do so in as expeditious a manner as possible under the circumstances.

12.8. *Acts or Omissions of Affiliates*: During the term of this License, the Licensee shall be liable for the acts or omissions of its Affiliates to the extent arising out of any such Affiliate's installation, maintenance or operation of the Cable System to provide Cable Services in the Town.

12.9. *Delivery of Payments:* Licensee may use electronic funds transfer to make any payments to the Town or Issuing Authority required under this License. Said electronic transfer must be in the form, including necessary explanatory information and documentation, and to the account, all as reasonably required by the Town or Issuing Authority.

12.10. *Warranties*: Each party hereto warrants, represents and acknowledges to the other party that, as of the Effective Date, such party has the requisite power and authority under applicable law and its organizational documents, if any, and is authorized and has secured all

consents, if any, which are required to be obtained as of the Effective Date, to enter into and be legally bound by the terms of this License.

12.11. *Notices*: Unless otherwise expressly stated herein, notices required under this License shall be forwarded in one of the following ways: (i) hand delivered (signature required), (ii) sent by express mail (signature required) or (iii) by certified mail/return receipt requested to, to the addressees below. Each party may change its designee by providing written notice to the other party.

Notices to the Licensee shall be to:

Cable Television Committee
Town of Southborough
Town House
17 Common Street
Southborough, MA 01772

William H. Solomon
Cable Counsel
2 Old Petersham Road
New Salem, MA 01355

12.12. *Entire Agreeme*nt: This License and the Exhibit hereto constitute the entire agreement between the Licensee and the Issuing Authority, and supersede all prior or contemporaneous agreements, representations or understandings (written or oral) of the parties regarding the subject matter hereof.

12.13. *Captions and Headings*: The captions and headings of articles and sections throughout this License are intended solely to facilitate reading and reference to the sections and provisions of this License. Such captions and headings shall not affect the meaning or interpretation of this License.

12.14. *Amendments and Modifications*: Amendments or modifications to this License shall be mutually agreed to in writing by the parties, unless otherwise specified herein.

12.15. *Severability*: If any section, subsection, sentence, paragraph, term or provision hereof is determined to be illegal, invalid, unconstitutional or unenforceable by any court of competent jurisdiction or by any State or federal regulatory authority having jurisdiction thereof, such determination shall have no effect on the validity of any other section, subsection, sentence, paragraph, term or provision hereof, all of which will remain in full force and effect for the term of this License.

12.16. *Recitals*: The recitals set forth in this License are incorporated into the body of this License as if they had been originally set forth herein.

12.17. *No Recourse Against Issuing Authority*: Pursuant to Section 635A(a) of the Communications Act (47 U.S.C. §555(a)), the Licensee shall have no recourse against the Issuing Authority, the Town and/or its officials, members, employees or agents, other than injunctive relief or declaratory relief, arising from the regulation of Cable Service or from a decision of approval or disapproval with respect to a grant, renewal, transfer, or amendment of this License.

12.18. *Town's Right of Intervention*: The Town hereby reserves the right, as authorized by applicable law and/or regulation, to intervene in any suit, action or proceeding involving this License, or any provision in this License; provided, however, that this section shall not restrict the right of the Licensee to oppose such intervention, pursuant to applicable law.

12.19. *FTTP Network Transfer Prohibition*: Under no circumstance including, without limitation, upon expiration, revocation, termination, denial of renewal of this License or any other action to forbid or disallow the Licensee from providing Cable Services, shall the Licensee or its assignees be required to sell any right, title, interest, use or control of any portion of the Licensee's FTTP Network including, without limitation, the Cable System and any capacity used for Cable Service or otherwise, to the Town or any third party. The Licensee shall not be required to remove the FTTP Network or to relocate the FTTP Network or any portion thereof as a result of revocation, expiration, termination, denial of renewal or any other action to forbid or disallow the Licensee from providing Cable Services. This provision is not intended to contravene leased access requirements under Title VI or the PEG requirements set out in this License.

12.20. *Interpretation*: The Town and the Licensee each acknowledge that it has received independent legal advice in entering into this License. In the event that a dispute arises

over the meaning or application of any term(s) of this License, such term(s) shall not be construed by the reference to any doctrine calling for ambiguities to be construed against the drafter of the License.

12.21. *No Third-Party Beneficiaries*: The provisions of this License are for the benefit of the Licensee and the Issuing Authority and not for any other Person.
